EXPLANATION:

In 2008, the Presiding Bishop designated the first Sunday in Lent as Episcopal Relief & Development Sunday and as an annual celebration of Episcopal Relief & Development's role in our collective mission to seek and serve Christ in all persons. The Episcopal Church's ongoing commitment to fight poverty and disease around the world is lived out in a variety of ways. Advocacy with our government for the achievement of the Millennium Development Goals is one vital way. Another is through the ministry of Episcopal Relief & Development, which, as the relief and development arm of the Episcopal Church, works globally to alleviate hunger, fight disease, and strengthen communities.
