

Resolution Number: 2018-A229

Title: Acknowledge Police Violence and Confront Racism

Legislative Action Taken: Concurred as Amended

Final Text:

Resolved, That while we honor and raise up the work of dedicated police officers who put their lives on the line to serve and protect, we also acknowledge the numerous inexcusable deaths and intimidation of people of color at the hands of law enforcement personnel in communities all over the United States, including but not limited to Standing Rock; New York City; Rapid City, South Dakota; Falcon Heights, Minnesota; North Charleston, South Carolina; Ferguson, Missouri; and Baltimore, Maryland; and be it further

Resolved, That these and events like them are an unconscionable affront to the Gospel commandment to uphold the dignity of every human being and require a prophetic response by clergy and laity. We therefore deplore any and all efforts that have occurred and may occur to silence these voices; and be it further

Resolved, That The Episcopal Church hereby does condemn the improper actions of authorities against people of color or any actions that make clergy and laity feel they should not speak out or take nonviolent action to eliminate the sin of racism.
