THE PRAYER OF THE WOMAN'S AUXILIARY

Almighty God, our Heavenly Father, bless we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ, our Lord. Amen.

THE PRAYER FOR THE UNITED THANK OFFERING

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom through Jesus Christ, our Lord. Amen.

PRAYER FOR INTERNATIONAL RELATIONS

Overrule, we pray Thee, O God, the passions and designs of men. Let Thy strong hand control the nations and bring forth out of the present discord a harmony more perfect than we can conceive, a new humility, a new understanding, a new purity and sincerity, a new sense of reality, a new hunger and thirst for Thy love to rule the earth. Amen.

A PRAYER FOR MISSIONS ALL OVER THE WORLD

O God, Who hast made of one blood all nations of men for to dwell on the face of the whole earth, and didst send Thy blessed Son to preach peace to them that are far off and to them that are nigh; grant that all men everywhere may seek after Thee and find Thee. Bring the Nations into Thy fold, pour out Thy Spirit upon all flesh and hasten Thy Kingdom, through the same Thy Son, Jesus Christ our Lord. Amen.

A PRAYER FOR THE DIOCESE

O God, whose love reacheth unto the ends of the world; Bless, we pray Thee, this diocese; and grant that all who share its benefits may show forth Thy glory by deeds and by gifts for the spread of Thy kingdom; through Jesus Christ our Lord. Amen.

ADDRESS BY MRS. BALDWIN

Women of the Auxiliary and Friends:

I am aware of the seriousness of purpose of our Auxiliary work, and have given my best to the furtherance of its program, hence it is real interest which prompts me to write down a few thoughts which have come to me during my years as Diocesan President.

Why is it that our women all over the diocese are so averse to accepting places on our diocesan roll of officers, or among the chairmen of committees, etc? If I should tell you how many women I asked to be our Diocesan Recording Secretary — that I almost gave up in despair of ever finding a Diocesan Treasurer — and that, in a less degree, this state of affairs has prevailed in regard to most of the vacancies which have occurred in our ranks, do you wonder that it seems worth while to mention this?

Another thought is that ever-recurring one — why do not the younger women of our diocese take the leadership of our Auxiliary work? We all recognize the fact that many young women are engaged in various occupations, but is this any reason why they should feel that the vital matters which come into our lives, as Church women, should receive no thought from them?

As older women a valiant part of our service should be rendered through interesting young women in the Auxiliary. They will not become interested unless the responsibility of office-holding, with its accompanying possibilities, is placed upon them.

In much of our literature there is mention made of the need of the Auxiliary for the trained thought of our business and professional women. Many of the problems in our missionary work demand the wisest and clearest thinking, and if our young women were in places of leadership we might confidently expect to have an Auxiliary outlook which would seriously concern itself with many of the pressing problems of our time.

There are young women in the Auxiliary who are trained to accept such thought challenges as that of making permanent plans for the betterment of the Indians of Escambia Co. I wonder why their talent is not available to us! It might be, that through a consecrated concentration of thought upon some plan which would make the condition of the Indians better known to some of the public-spirited citizens of our state, that we might help them — for the Indian problem is one which covers schools, health, recreation, in fact all of the phases of life.

If this meeting were to carefully consider and appoint a committee to visit the Escambia Co. Indian Work by the middle of November, and then report upon their visit, offering definite suggestions as to what may be done to further the cause of the Indians, I believe that funds for the expense of the committee would be forth coming. The committee might be instructed to make a written report of their visit by the first of December, as this would give time for the report to be published in the Year Book for January, 1937.

Then there is our Negro work. You may recall that at our Provincial Meeting of the Auxiliary, held last year in Lexington, Ky., the following resolution in regard to the American Church Institute for Negroes was passed. "That the officers of the Woman's Auxiliary, in every diocese within each state in the Province in which there is an American Church Institute school, organize an annual pilgrimage, with the approval and co-operation of the Bishop, to the Institute school which is within their respective states, etc." We were enabled to carry out this resolution in 1935, for we met in Birmingham where St. Mark's School for Negroes is located. How are we to arrange to carry out this resolution annually? Would the same committee which visited our Indian work at Atmore be enabled to visit, also, St. Mark's School, at Birmingham? In the interest of economy — certainly not. Each committee should, in my judgment, be a separate and distinct committee, and be appointed to consist of three persons who are not far removed from the places to be visited.

There is not enough time for me to talk of our Church Home for Orphans, nor of our House of Happiness. Both of these institutions are among those which are better known in the diocese.

The term "our neighbors" now embraces "The World", and, for our special remembrance, in Alabama, the Japanese people, among whom Kenneth Morris spends days of fruitful service. "The World" brings to us, also, our United Thank Offering. Are we remembering the latter in our prayers — and in our offering? Our "Blue Boxes" are meant to be supplied through sacrificial gifts, and a Prayer of Thanksgiving goes with each offering placed in them. In thinking of them no question ever arises as to whether an ice-cream supper or a bridge party will furnish means to fill them. Just a silent thought of God's goodness to us — an offering to Him, in gratitude — and the Blue Box has fulfilled its mission!

The Forward Movement is calling upon us for organized work in the formation of Schools of Prayer. These are not so much emotional outlets as places where we lose sight of personality in a united and sincere effort to learn the great truths of the Spirit,— where our minds and souls, through concentration and quiet may become channels for the transmission of inspiration from God. "Proving Prayer" is the guide which we are given to work with, published by the Forward Movement Commission, 223 West 7th St. Cincinnati, Ohio. I wish that we might at this meeting resolve to think seriously on the subject of Schools of Prayer.

I also wish that it might become the custom in the five Convocations to have Fall Institutes, as well as Spring Conferences. The idea of each Convocation having two meetings a year was suggested by the Report of The Leadership Training Committee, adopted at our Annual Meeting in Montgomery, in 1934. The Fall Institutes need not be formal in any way — need have no planned social feature — but might consist of whole mornings spent in thoughtful discussion of all of our work, with its accompanying problems. Such meetings would give us a method of acquainting ourselves with the Diocesan, Provincial and National Auxiliary. We would then come to think of ourselves as part of a great national body — ready to be of use in every great movement for bringing in The Kingdom of God.

I well recall what a thrill I once had, in China, on seeing a notice of a meeting of the Woman's Auxiliary! We want to be so bound together as Episcopal women that we become prepared to seize every opportunity for service in the Five Fields of Service. It has been a disappointment to me that we have not yet held a Fall Institute. On the other hand, it was a wonderful gain that we made last fall when each Convocation Chairman received and tabulated the reports from her branches. The saving of effort on the part of the Diocesan Secretary was a tremendous one, and I am sure that every Convocation Chairman gained a knowledge of her work in this way which she would not have gained in any other way.

During the past summer I received a communication from Mrs. E. R. Hemphill, of Greenwood, Miss. Mrs. Hemphill stated that some of the Mississippi Auxiliary women felt that it would be a good thing if Alabama, Mississippi and Louisiana would hold their Annual Meetings at about the same time in the fall — say within one week. By doing this, these three dioceses might be enabled to get a National Council speaker, with very little expense. A speaker from the New York office could go from one diocese to the other in very quick time. We need to be in closer touch with our National Headquarters. We have many national projects which we should know more about from those who are familiar with them. Just now I am thinking of Kuling School, in China, where the children of our missionaries are educated, and of St. Luke's Hospital, in Japan, the great work of Dr. Bolling Teussler, himself a Virginian. A National Council speaker would bring us into much closer relationship with the great body of our Church. It would seem that we should act upon Mrs. Hemphill's suggestion.

With these observations, I feel that I have covered a few points which may be considered later on. One can only do one's part faithfully during a term of service — remembering afterwards many things which might have been accomplished, but for which vision and strength were not granted at the time.

I leave the office of president with love in my heart for every woman in our organization — with appreciation of your support — and with the sincere desire that during the three year term of my successor our work may be three-fold greater, in every department, than during the past three years. It was a great privilege which you extended to me when you offered me the place of Diocesan President.

Through the service which I have tried to render, I pray that I may be better qualified to serve our great Church in the years to come.

MRS. G. J. BALDWIN

Kyoto, Japan, 102 Murasakino Goshoden Cho,
Aug. 17, 1936.

My dear Mrs. Baldwin:

I have just received a letter from my sister saying that you hoped I would be present at the Woman's Auxiliary meeting in October. I do wish it were possible, but we will not leave Japan until Oct. 26th at the earliest. We have engaged passage on the President Pierce sailing on that date, and if all goes well with our new building and the expansion of the work we will sail on that date. Please convey to the members of the Auxiliary my earnest desire to be present and to thank each one for her prayers and interest in our work.

Present plans are for the dedication of the new building to be held on Oct. 1st. But as we hope to have Bishop Tucker with us, it may be necessary to change the date to fit in with his schedule. He is to be in Japan this Fall, but we have no detailed information yet.

How we would like to have the Auxiliary meet with us! We have such a lovely Parish House. It seems like a dream, and we know that we must prove worthy of it by doing a great work for the Lord. And there is so much to do! We moved into the Parish House this last week. The Church and Tower are not completed, but will be in about one month.

It's wonderful the way our clinic is growing. We often have over fifty. And everyone predicts that with the new building we will be swamped with people. But our great need in the clinic is for a mid-wife. How I wish someone would undertake to support one, for a year at least. I think if I had her support for a year I could then get Japanese to support her. We so often have to demonstrate before we can get support here. \$200 a year at the present rate of exchange would do it.

By September we hope to have our Day Nursery operating. We have fine rooms for it up-stairs and we hope to have it supported en-

tirely by Japanese gifts. As our work proves its worth we find it easier to raise money here. But, of course there are some who are less inclined to give because it is Christian. But I think you know that of over fifty Japanese Patrons only 12 are Christians. We now received aid from the City and Prefecture, which counts a lot in giving us prestige so that we can get money easier from non-Christians.

We will get out an illustrated booklet for the dedication telling all about the work. This will be in English and Japanese. We will either mail one to each Auxiliary or bring them with us. We want you to share with us in the success of the work, and each member of the Auxiliary to realize that this is her work. We are only your representatives.

The Fresh-Air Camp was great. I think it was our best. Again we took 50 poor children to the coast for 10 days. They did have a glorious time. The water was just right, and despite a few bad days the time went very quickly and all hated to come home. How they did eat! Of course all children eat at a camp, but I think some of these children just had never had enough to eat at home. This was our third Camp — 150 children — and we have never had to discipline a child. Japanese children behave perfectly. I think our Camp is one of the best missionary pieces of work we do. For 10 days we have full opportunity to teach them Christianity. Not that we try to force it on them. It is done with the full consent of the parents and teachers, and also the children like it. Outside of Christianity they get no ethical teaching based on religion, and ethical teaching apart from loyalty to an ethical God does not go very far. Japanese teachers recognize this, and that is why they welcome religious teaching at the camp and why they welcome our Church Schools. We are giving to ethical teaching something they cannot give, because they do not have it outside of Christianity.

Please continue to remember our work in your prayers. May God bless the Auxiliary and all the wonderful work you are doing.

Very Sincerely,

J. KENNETH MORRIS.

Madam President,

As Vice-President of the Woman's Auxiliary of the Diocese of Alabama, I beg leave to submit the Annual Report:

As Chairman of Program Committee, the Program of Service for 1937 has been arranged and it is ready for publication.

Respectfully submitted,

REPORT OF THE EDUCATIONAL SECRETARY

The work of the educational secretary in the past year has consisted of mailing the usual Lenten letter; answering all questions with letters and material; and handling the Program of Service, of which some two hundred and fifty-five were sold over the diocese. A large number still remain on hand; evidently too many were printed. The secretary also cooperated with the Vice-President on the new Program.

Respectfully submitted,

ELIZABETH V. FREELAND.

Madam President and Members of Woman's Auxiliary,

Your Chairman of Finance has attended all Board Meetings, and one meeting of the Finance Committee. Due to the constant attention to the interests of the Auxiliary by our very efficient treasurer the amount of funds on hand for Auxiliary expenses have been adequate and we are happy to report bills have been promptly paid. We have found it advisable to slightly revise the Budget but the Objectives of the Auxiliary remain the same. We urge the Branches to consider these carefully and earnestly, striving to aid in seeing them fully realized.

Respectfully submitted,

Report from November 15, 1935 to November 15, 1936

This leaves us \$113.33 behind on this year's Pledge for our House of Happiness Mountain Missions in our Diocese.

Requests for the Fall Shower boxes and numerous letters and cards have been sent to the Auxiliaries and their co-operation is most helpful. Mrs. Baldwin appointed Mrs. Ernest Thompson to assist with the books and correspondence and her time has been graciously given.

REPORT OF WORK AT CUMBERLAND FARMS Scottsboro, Alabama

In 1935 a survey was made of the Resettlement Project at Cumberland Farms near Scottsboro where 200 farm families are locating. Regular weekly services were begun and have since been maintained by Capt. C. L. Conder, Director of the House of Happiness. Prior to the establishment of a more definite permanent program, Mission Sister Ada Clarke of the Church Army, was appointed as full-time worker at the colony. She has paid particular attention so far to influencing girls and has founded a Girl Scouts troop, is community librarian, Sunday School teacher and assists in whatever good works are being undertaken by the Community Council of which she is a member. A 40 acre tract near the heart of the colony is being secured for the Church, and a fund of \$168.77 is being held in readiness for the building of suitable premises when the time is ripe. This Fund was raised at the 1935 Annual Meeting of the Woman's Auxiliary held in Birmingham and is now on deposit at a Scottsboro bank. The transitional condition of the colony is such that it is not possible to forecast exactly what the Church's program must be—it must be adapted to the community needs as they arise. A fine opportunity presents itself to the Church in this rapidly developing new community.

CHRISTIAN SOCIAL SERVICE OF W. A.

The Christian Social Service of the Woman's Auxiliary finds its Diocesan expression in the House of Happiness, the Church Home, and the Indian work which has already been reported, and which functioned before a Department of Social Service was established. Our activities in these fields, however, your chairman included in her report to National this summer as necessary to give a picture of Social Service as conducted by our Diocesan Auxiliary. In addition, Alabama was able to report a great variety of parish social service, ranging from the magnificently conceived service of Christ Church., Mobile with its annual budget of twelve hundred dollars and every member participation to the single handed effort of a Lowndes County woman to spray hundreds of negroes during the polyomelitis epidemic. From the letters that have come to your chairman, it is evident that Christian loving kindness abounds in the hearts of our Auxiliary members. Less encouraging is the report on the two recommendations of last year's which were, Observance of a Christian Social Service Sunday with corporate communion and in which social workers of the community and all service chairmen would participate and an intensive study at some period of the year to create a background of information and principle for social work. May we not take these two projects which seek the spiritual and intellectual foundations for the service we would render in

C. L. Conder, Director

The need for the House of Happiness in Sauta Bottom still persists. It is the centre of all community life. As yet the number of people won for Christ and the Church is small, but the community life is leavened by the House influence. Much remains to be accomplished, many lives need to be changed. While seeking to care for the clothing and health of men's bodies, the purpose of the House must always be "to seek and to save that which is lost" in men's hearts.

REPORT OF THE COMMITTEE ON THE GIFT OF LIFE

Madam President and Members of the Auxiliary:

Among the greatest needs of the Church is consecrated women workers, and it is the task of the members of the Women's Auxiliary to keep before the young women of the Church the opportunity for life service in the mission field both at home and abroad.

In a recent letter Mr. Parson writes: "These are difficult days in which to push the question of recruiting young people for the missionary cause, with financial conditions as they are; but we must not allow a break to come in the process of securing qualified missionaries for the future. We are receiving urgent appeals for help from our bishops overseas, and must be prepared for action whenever the way may be clear to move forward."

College students are particularly interested in serving as volunteer workers for summer work, and the Diocese of Alabama offers three fields: the House of Happiness, the Church Home, and Indian work. The committee is very happy to report that last summer two girls from the Holy Comforter, Montgomery, volunteered for work at the Church Home. Unfortunately, the Church Home had an epidemic of mumps, and Rosa Mary Parkman was unable to go, but Alva Stevens spent a great part of the summer there and did a beautiful piece of work, for which she was highly praised by Deaconess Whitford and other members of the staff. These girls received only expenses.

Alice Blasingame of Tuscaloosa, who was President of the Student Branch of the Auxiliary last year, is spending the winter at the Children's Home in New Orleans. She is taking her master's degree in Social Service.

We are most anxious to bring the roll of volunteer workers up to date and will appreciate the cooperation of every parish branch of the Auxiliary. We need to have the names of any who have gone from your branch into church work. Let me urge that you send in these names immediately to me, Box 868, University of Alabama.

Respectfully submitted,

(Mrs.) JENNIE MORRIS HOWARD

Chairman of the Gift of Life Committee

REPORT OF CHAIRMAN OF PRAYER PARTNERSHIP

Since being appointed Chairman of Prayer Partnership my efforts have been concentrated on getting information and trying to form some plan whereby the project may be helpful, and successfully carried forward.

Respectfully submitted,

(Mrs. L. W.) MIRIAM SPRATLING,

Prayer Partnership Chairman

The Woman's Auxiliary is of course all missions in the real sense of the word, therefore when reporting for the Department of Missions of Church Extension the chairman is only making a report for a particular set up in the Auxiliary work.

The department has very little to report and would rather make this a request to members for leads to extend the work of this department. Would members please communicate with the chairman and advise the place and the opportune time for extension work in any field in the diocese. The chairman feels that a very real work can be done in this way.

Signed,

MRS. PETER M. DENNIS,

Chairman.

To The Women's Auxiliary.

I beg to submit the following report:

During the past year the Diocese of Alabama had 260 subscribers to The Spirit of Missions, a little increase over last year.

I request that every Parish Branch appoint or elect a Publicity Chairman. The latter should solicit the new subscribers to The Spirit of Missions, and send the names of these new subscribers at once to me.

Thanking all who have helped me in the past.

Respectfully submitted,

GRACE H. DARLING (Mrs. John)
Chairman of Department of Publicity.

Madam President:

As Chairman of the Field Department, I would say that I have tried to familiarize myself with the work as far as I could do so. I have stood ever ready to help in any way I could.

(Mrs. H. C.) CARRIE EDNA DEBARDELEBEN,
Chairman.

To Mrs. B. J. Baldwin, President:

Received from 281 Fourth Ave., N. Y. City the following allotment for Diocese of Alabama:

2 Personal Boxes

1 Christmas Present for Woman Missionary

1 Mission, St. John's House, High Shoals, N. C.

The assignments have all been made out and sent to the different branches, but as these do not have to be completed until Jan. 1st, I cannot make a full report.

One personal box for a widow in Duluth, Minn., has been taken care of by two Mobile Parishes, Christ Church and Trinity, and sent. A large box for a minister in N. C. is in the hands of Advent and St. Mary's, Birmingham. The supplies for the Mission have been distributed among many branches, only a few having been heard from so far.

Respectfully submitted,

MRS. E. E. COBBS,
Secty. Supply Department.

The Alabama Churchman is published five times each year and each issue has a page given to the Women's Auxiliary. During the past year the page has been given exclusively to news and items of interest to this organization. With the President's help I have tried hard to make the page one of real value to the Women's Auxiliary. There is no financial report as there have been no expenditures.

MRS. A. B. METCALF,
Editor Woman's Auxiliary Page,
Alabama Churchman.

REPORT OF THE FINDINGS COMMITTEE

Diocesan Convention, Woman's Auxiliary

Selma, Alabama, October 28th and 29th, 1936

After a careful consideration of the resolutions and suggestions to forward the work of the Woman's Auxiliary in this Diocese your Committee on Findings begs leave to submit the following recommendations and resolutions:

Resolved: That we take back to our women at home the splendid and inspiring message of the Rev. C. C. J. Carpenter. To endeavor to make our homes, homes with a Christian atmosphere, to build definite standards, high standards, standards of value, in morals, in ethics, in religion, in honor. To create in the home the atmosphere of peace.

Resolved: That we strive to follow the recommendation of Bishop McDowell, to put on a basis of definite responsibility our present pledges and to see them through. To accept future responsibility with a hopeful spirit; to have faith and courage, that with prayer and consecration we can fulfill the same. To rally to the call of the Lord and to accept definite responsibility, that when He calls we can say, "Use even me."

Resolved: That we assist in every way possible the work of the House of Happiness and the Cumberland Farms project. That we take our Church with its dignity into simple places, that, with the help of the Church Army workers we may make Christians of these mountain folk.

Resolved: That we heartily endorse the recommendations for the proposed amendments to the Constitution and will endeavor to interest our Church women in study classes, in individual lines of reading and study in all lines of church work. To stimulate interest in the Sewanee Summer Training School and to encourage our women to go there for study and leadership training.

Resolved: That we continue to interest ourselves in the Indian work in Baldwin County and to endeavor to fulfill our pledge to that work.

Resolved: That we look forward to assisting in the project of the student pastor work at the University of Alabama. To bend our efforts to assist the Bishop in his plan for caring for student work in colleges.

Resolved: That we cooperate with those who carry on the work of the Church Home. That we plan for the educating of our women in what is being done for our Church Home children and to bend our efforts to increase the revenue of the Home in the proposed "Church Home Sunday". "To give, live, and let live". and to feel that we have a part, a vital part to play in bettering the lives of these children.

Resolved: That we encourage the young women of our Church in doing their part in the work of the Church through the Auxiliary, for it is to the young women of the Church that we look for our future leaders. We need that spirit of romance and adventure in youth to bring about the forward work of the Church.

Resolved: That we endorse the message of our President to remember our pledges to those who carry on the missionary activity of our Auxiliary among the Indians, the mountain folk in the Tennessee Valley, the negro, our work in Japan, and to faithfully carry them through. To have fall institutes, schools for prayer and in this way to do a more effective work for Him.

Resolved: That we endorse the recommendations of the Diocesan Church Periodical Club in their work with the Church Army, and, in particular, their work in St. Mark's School, Birmingham, and to do our best to gather these books to make St. Mark's School an accredited High School.

Resolved: That we express our appreciation for the faithfulness, loyalty and efficiency of our President, Mrs. Baldwin, and for the faithful work and fruitful service that she and her official family have rendered to us in the past three years. That we pledge our sympathetic and loyal support to the incoming officers in the service for Him in bringing about of the Kingdom of Heaven on earth.

Resolved: That we seek to follow the suggestions of the Rev. E. R. Neff in his inspiring message. To render an account of our stewardship. That we pledge ourselves to greater service, greater gifts that with prayer and consecration we may carry out the covenant made with God, to have our Lord's acre yield an abundant harvest.

Signed,

MRS. F. A. COBBS (Gadsden)
MRS. JOHN CRUMP (Montgomery)
MRS. J. McKEE GOULD (Boligee)
MRS. WILLIAM MILLIKEN (Florence)
MRS. HERBERT F. SCHROETER (Mobile) Chairman.

In behalf of the Woman's Auxiliary, we beg to submit to this Convocation of Selma our deep appreciation of their kind hospitality during our stay as their guests. We are truly grateful for the spirit which has motivated all who have done so much to make us happy throughout these two days together.

We also desire to express our thanks to the Rector of St. Paul's Paris, to Mrs. Gamble and to Mrs. John Furniss, Chairman of Entertainment Committee for their gracious treatment of us at every turn as we have moved from the sacred edifice of the old church to their hospitable Parish House. We would like to say a most hearty "thank you" to Mrs. L. J. Lawson, chairman of the Selma Convocation, for the manner in which she so skillfully arranged her work in the interest of this meeting, and we sincerely pray that she will soon be restored to her usual health.
