## PRAYERS FOR THE USE OF THE WOMAN'S AUXILIARY

### The Apostles' Creed and the Lord's Prayer

Stir up, we beseech Thee, O Lord, the wills of Thy faithful people, that they plenteously bringing forth the fruit of good works, may by Thee be plenteously rewarded, through Jesus Christ our Lord. Amen.

O Lord, without Whom our labour is but lost, and with Whom Thy little ones go forth as the mighty; we humbly beseech Thee to prosper the work which we have undertaken in Thy Holy Church, and grant Thy labourers a pure intention, patient faith, sufficient success upon earth, and the blessedness of serving Thee in Heaven; through Jesus Christ our Lord. Amen.

Most gracious God, the giver of all good and perfect gifts, who of Thy wise Providence hast appointed divers orders in Thy Church, give Thy grace, we beseech Thee, to Thy servants, the Bishops of this Diocese; grant them a right judgment in all things, and so replenish them with the truth of Thy doctrine and endue them with innocency of life, that they may faithfully serve before Thee, to the glory of Thy great name, and the benefit of Thy Holy Church; through Jesus Christ, our only Mediator and Redeemer. Amen.

O Lord, who didst come to seek and to save the lost, and to Whom all power is given in heaven and earth, hear, we beseech Thee, the prayers of Thy Church for those who, at Thy command, go forth to preach the Gospel to every creature. Preserve them from all dangers to which they may be exposed; from perils by land and by water; from the deadly pestilence; from the violence of the persecutor; from doubt and impatience; from discouragement and discord, and from all the devices of the powers of darkness. And while they plant and water, send Thou, O Lord, the increase; gather in the multitude of the heathen; convert in Christian lands such as neglect so great salvation; so that Thy name may be glorified and Thy kingdom come, O gracious Saviour of the world; to Whom, with the Father and the Holy Ghost, be honor and glory, world without end. Amen.

The Lord bless us and keep us, the Lord make his face to shine upon us and be gracious unto us, the Lord lift up his countenance upon us and give us peace, both now and evermore. Amen.

### For Noon-Tide, Daily

"And I, if I be lifted up, will draw all men unto Me."

Blessed Lord, Who at this hour didst hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look unto Thee and be saved; through Thy mercies and merits, Who livest and reignest with the Father and Holy Ghost, ever one God, world without end. Amen.

*“Grant, O Lord, that Thy people may both perceive and know what things they ought to do, and also may have grace and power faithfully to fulfill the same.”*

## PRESIDENT'S REPORT

In consequence of the change from the old, and in accordance with the articles of the new constitution adopted last May, we have now come together for the Annual meeting of the Auxiliary for the winter of 1912-13. All the reports that are to be made to us, cover therefore, not quite six month's work, and not only that, but these six months are the least active in the Auxiliary year. Every effort has been made to have them as full as possible, but in many cases we regret that they are necessarily incomplete.

In order to keep our files correctly, the Annual Report for this year will be issued as soon after this meeting as is expedient, and it will, of course, cover the six months work only. On account of the unusual expense incurred by this, we might not feel justified in doing it, were it not that the thoughtful kindness and generosity of one of our best friends, makes it possible for us to do it without taxing our own resources.

The First Annual Meeting of the Junior Auxiliary, held early in October, at the Cathedral of All Saints, has been a matter of special congratulation. The Junior Secretary will of course make a report in detail, but I cannot refrain from speaking this word in regard to the success of the undertaking.

The matter of the extension of the Auxiliary throughout the Diocese, both by the establishment of new branches and by increased ardor, producing greater results in every line in the existing Branches, is something we have very closely at heart. We hope that before very long, active steps may again be taken for a yet further canvas of the Diocese, and it will be a great disappointment if this is not productive of encouraging results.

I want to urge on every Branch the formation of new, or the continuation of already organized study classes. Our Extension Committee is ready to aid in the formation of these classes, and eagerly awaits requests for any help it may give.

All of our women appreciate fully the rare opportunity for doing good, that comes to them through the United Offering.

I must read you nevertheless, a few words of Dr. Manning's, on the "Spiritual Value of the United Offering." He says: "First, the work of the United Offering is helping to train the women of the Church to GIVE, and there is nothing that so surely leads toward Spiritual growth, as that does."

"The woman whom you influence to give in this way, is not only helped in her own soul, she grows inevitably in the interest in the Church, and in the Church's work." "There will come to her,—we have all seen it come to many and many a one,—a new realization of what the Church is, of what the Church's mission is, and also of her own responsibility for the carrying out of the Church's mission."

"And one point still further: The woman who gains a truer view of the Church and of the Church's mission, and of what her own responsibility is for, that Mission gains also a new sense of her responsibility to the Church's head."

"I believe that the woman who takes her part in the United Offering, will find a truer happiness in her religion, a deeper joy in the Eucharist, a deeper reality in all the Sacramental life of the Church."

LOUISA VAN RENSELAER.

## DIRECTIONS FOR PARISH SECRETARIES

1. The Corresponding Secretary of the Diocesan Branch, has on hand letters, sent from the Church Missions House, stating needs of missionaries, hospitals and schools in the Mission field. Also letters, approved by our Bishops, which state the needs of the missionaries in our own Diocese. When your branch is ready to start work, write to the Corresponding Secretary for such letters.
2. When your branch has undertaken the work for which your selected letter calls notify the Secretary at once, sending her the name and address in such letter, and your own address and parish.
3. It is of the utmost importance that immediately after such decision, all rejected letters be returned to the Corresponding Secretary.
4. Write to the Missionary at once, stating when and from whom he may expect a box.
5. Write to the Missionary as soon as the box has been dispatched, also to the Diocesan Corresponding Secretary, with statement concerning value of box.
6. Blanks will be sent for a report of the year's work. Read them carefully and fill them out fully. Return them to the Corresponding Secretary at once, correcting any errors which appear in the last report. At this time also write to the Manager of your division, giving any details of work and method in your branch.
- All boxes of books, single books or magazines should be reported through the Church Periodical Club.
7. Always notify the Corresponding Secretary of any change of branch officers during the year. Keep in touch with the Manager of your division, and for any desired information write to the diocesan officers having such matter in charge.
8. Copies of the Special Auxiliary service, approved by the Bishop, will be sent on application to either Recording or Corresponding Secretary.

## THE JUNIOR DEPARTMENT

---

Your Junior Secretary reports having visited the Auxiliary Branch at Delhi, last June. A large meeting was held at the home of the President, Mrs. Edgerton. There were 60 in attendance and a business meeting, followed by annual election of officers, took place.

Your Secretary spoke of the Extension work planned for the Diocese, and the hope that the Executive Board has for the *growth* of the Auxiliary, both in numbers and interest.

The formation of Study Classes during the year, was strongly urged and a delegate for the Summer Conference at Silver Bay, was asked for from the first and second Divisions of the Susquehanna Archdeaconry. This was considered and prompt action decided on, to try to secure some one to go.

From Delhi I went to Walton, speaking there to the Junior Branch. Several members of the Woman's Auxiliary were present, and again the subject of a delegate to Silver Bay was broached. There being no resident, rector in Walton, at that time, nothing definite could be determined.

During the summer I learned that no one was found to go to Silver Bay, but they hope another year to find a suitable delegate.

On October fifth, was held the first annual meeting of the Juniors of the Diocese. This has been a plan under consideration for several years, but this year it materialized into a fact. It was held in the Guild House of All Saints' Cathedral, Albany, at 4 o'clock. There were about one hundred Juniors present, and after a cordial welcome extended them by our President, short reports were read by the Junior secretaries themselves, of their work during the past year. Then the Rev. Mr. Burleson from the Missions House, spoke to the children, telling them much about Mission work, arousing their keen interest and desire to help the Board to which they are auxiliary, in the great work of speeding Missions throughout the world, by their earnest prayers, work and gifts.

His most informal, yet delightful manner won the children from the start, and their interest was quite apparent. Following his talk most of the Juniors went into the Cathedral for evensong, after which a supper was served to all, in the Guild House, when Dean Brookman welcomed them all to the Cathedral Church of the Diocese. The Rev. Dr. Sill of St. John's Church, Cohoes, who was present, invited the Juniors to hold their next annual meeting in Cohoes. The invitation was accepted, the date not finally settled, but October was thought to be the most suitable time for such meeting to be held.

Our President has offered to bear any expense that may be incurred in giving a stereopticon lecture at that meeting of our Mission fields. Such lectures are prepared and sent out from the Missions House and will certainly prove most entertaining, as well as instructive to the Juniors. Had it not been for her cordial co-operation and support, the first meeting could not have taken place so, as Junior Secretary, I wish to thank her for making our first annual meeting, not only possible, but, a success.

MAY STETSON, *Secretary*

**REPORT OF THE WOMAN'S AUXILIARY DEPARTMENT  
IN THE ALBANY CHURCH RECORD,  
FROM MAY 1st, 1912, TO OCTOBER 1st, 1912**

Occasional items come to the Department, and we shall be glad to have more information. Each parish and mission station in the Diocese, by sending short, concise accounts of work done and methods followed in the individual branches, may be of great help in the extension work of the Auxiliary.

Other branches may read and be helped by the experience of the distant branches, providing each parish has its copy of the Church Record.

In this large Diocese, about the only way to hear of the interest in, and progress of the work outside of one's own parish branch, is through the Auxiliary Department in the Record, and that department is only just as helpful as the branches make it. The Secretary asks that the parishes will help her in the endeavor to keep all branches informed regarding the work of the Auxiliary in the Diocese of Albany.

S. T. KNAPP.

## REPORT OF THE CHURCH PERIODICAL CLUB

---

There are eighteen parishes in the Diocese where there are Branches of "The Church Periodical Club." This Club is truly of a missionary nature, demanding effort, and sending help and comfort and pleasure all over the Country to those who are asking for just what we can give them. I very much wish we might increase the number of Branches. If there are Parishes where a Branch of the Church Periodical Club, should or might be started, I would be glad to confer with the delegates if they will meet me with the Librarians present, at the close of the Annual and Semi-annual meeting. They have sent me from the Central office, one of the new calenders, containing information of the work asking me to show it to those interested. Any and *all* parishes interested in the work of the Periodical Club, are asked to write to the correspondent.

MISS FRANCES A. FINLEY,

## THE SECOND MISSIONARY DEPARTMENT

---

The leaflet published separately and enclosed in every copy of the new "Supplementary Report," is a condensed report of the meeting of the Second Missionary Department, held in Buffalo, October 22-24, 1912.

The special interest in this report of the Department of which the Diocese of Albany forms a part, is that the Auxillary of each Diocese was requested to send one delegate to represent her Diocesan Auxillary, and the material for this leaflet is taken from the notes kept by the delegate sent by the Diocese of Albany,

The Board will be glad to send at its own expense, one or more members at any time to tell of this work

## MISSIONARY CONFERENCE

The Missionary Conference held in this Diocese, in February, 1912, proved so great a success and so much of a help to the branches, that many have asked for another. It had not occurred to the Committee that the Diocese might care to make it an Annual Conference, but so many requests for the Conference have come to the President, that it has been decided to have another sometime during the winter of 1913-14. Such a gathering, and the arrangements for a series of meetings and study classes, means work and activity on the part of the Committee. Any member of the Committee on the Conference of 1912, will be glad to have suggestions from the parishes in regard to the meetings

## THE DIOCESAN ANNUAL MEETING

WILL BE HELD AT THE

hoped to hold the meeting on

THURSDAY AND FRIDAY,

## THE NECROLOGY

Some years ago the Executive Board of the Albany Diocesan Auxiliary, took into consideration the desirability of entering in each Annual Report, the names of those members who had died during the year. The then corresponding Secretary of the Diocesan Branch was authorized to confer with Bishop Doane, who at once expressed himself as being in favor of what seemed to him an obligation. Since then, in each Annual Report has appeared the record of the passing of each faithful one, whose name has been sent to the Secretary.

It has been difficult to secure the information desired, and so imperfect is the list now at hand, that it has been decided to omit it from this Report, and to endeavor to make as complete as possible, the Necrology to be published in the next Annual Report. To that end it is requested that Parish Presidents and Secretaries will send names of deceased members, with dates of deaths, and a statement of offices held.

Such reports may be sent for a period covering the last three or four years, when the Necrology was incomplete.

If the Parish Officers will kindly observe, and accede to above request, it will be of great assistance in making a satisfactory report.

To lessen and expedite the work of the Secretaries, the Necrology reports may be sent to

MISS S. T. KNAPP.

The United Offering Service will be in the Cathedral of St. John the Divine, Cathedral Heights, 113th Street and Amsterdam Avenue, on the morning of Thursday, October 9; the Triennial Mass Meeting in the Woman's Auxiliary will be held in Carnegie Hall, 57th Street and Seventh Avenue, on the afternoon of the same day.

The business meetings of the Woman's Auxiliary, which the five elected delegates from each diocesan branch called for by the resolution adopted in Cincinnati in 1910, will attend, acting for their respective branches, will be held at the Auxiliary Headquarters on the afternoon of Wednesday, October 8, with an adjourned meeting on Monday, October 13.

The Woman's Auxiliary is not planning afternoon or evening sessions at headquarters, and is leaving certain other time free for its members to benefit by missionary and other sessions of the General Convention and other meetings of interest to the women of the Church.
