**Missionary District of Asheville.  
Seventh Annual Meeting  
Woman's Auxiliary.**

## REPORT OF DIOCESAN PRESIDENT, 1902-1903.

Our annual reunion is always an incentive to broaden our work and strengthen the tie which binds us together, by helpful conference and report of results. To-day our meeting is a marked one as being the first time when our honored Secretary Miss Emery has been present at an annual meeting of the Woman's Auxiliary of the Missionary District of Asheville.

The year past has been one of progress, we have increased our contributions more than \$100. We have gained eight new branches and lost none. This gain is the more noticeable because of the severe loss the Auxiliary has met with in the death of Mrs. W. D. Houghteling, President of the Asheville Branch, and Secretary of Missionary Study. To her Branch we tender our sincere sympathy, feeling our own loss. We relied on Mrs. Houghteling's wisdom, her active interest ceased only with her life. Our memory of her is a treasury of priceless store. Miss Susan Hatch has taken up the work which Mrs. Houghteling laid down. Mrs. Lyman has resigned the Direction of the Babies' Branch for reasons which she gives in her report.

The Missionary Rally in Trinity Church Asheville in April, was helpful. Miss Dodson increased our interest in Foreign work. The Circle meetings have in some instances been successful, and in those Circles where no meetings have been held the failure is mine. I have attended meetings of the Waynesville, Asheville, Lincolnton, and Hendersonville Circles. The Quarterly Leaflet will be issued during the coming year; at the end of that time we can judge of its usefulness. Thank GOD for His abundant blessing, we must begin our new year with new and stronger purpose; not contented with doing no more than in the past but seeking the energy of wider attainment, for when nothing *new* is attempted and only old lines are followed the Auxiliary Branch is gradually paralyzed for lack of exertion. Perhaps we are too much given to considering the Auxiliary as an organization rather than looking to our own individual share in its development, forgetting that work and money are the fruit and not the root. It is only as the

spiritual life of each one of us grows that our Auxiliary can be a real power. We busy women need time and place for our souls to grow; we need to be still that GOD may speak to us, and then, filled with the glory of that revelation, until all men come to the knowledge of the love of Christ. Cannot we join one day in each year and spend it in devotion and quiet? In the spiritual history of men it is remarkable how often those who have done most to bless their fellows have drawn their inward strength from time of solitude and silence. The expression "Many were coming and going and there was no leisure" might have been written of you and me to-day, but to us also the invitation is given "Come ye yourselves apart and rest awhile." In this withdrawing of ourselves is the remedy for the rush and care of life, it is GOD's appointed refuge; through solitude and silence He will draw our souls to Him, and we will come forth with clearer vision, strong to do His work. If each Auxiliary member could spend one such day each year there would be no fear of deficit.

"Wouldst thou go forth to bless, be sure of thine own ground;  
Fix well thy centre first, then draw thy circles round."

Trinity, 1903.

Susan Allan Wetmore.

#### UNITED OFFERING REPORT.

As this is the beginning of our last year in working for the United Offering of 1904, may I beg all Auxiliary Branches and individuals, holding the United Offering Boxes, "Not to be weary of well doing" but to give as faithfully as during the last two years, that our full gift, may reach the sum of \$500.

When this work was given to me by the Bishop, \$15.41 was the foundation stone upon which we have built until the amount of \$300. has been raised. \$131.01 the first year, and \$168.99 this last year.

Will you not see that we get the sum of \$200. this next year.

This Offering goes for the support of women workers in all our Mission fields.

"Even so faith, if it hath not works, is dead, being alone."  
James 2;17.

Faithfully yours,

Annie H. Martin.

### REPORT OF JUNIOR AUXILIARY.

When I took charge of the Junior Auxiliary work, there were nine branches reported. There are now fourteen on my list. It has been my earnest endeavor to have a branch organized in every parish and mission within the borders of the Jurisdiction; but my efforts have not been crowned with great success. Let us hope that the work may commend itself favorably to our Churchwomen and that another year may show a greater increase in our numbers.

The Juniors have contributed in money and boxes to Foreign, Diocesan and Domestic Missions, Christ School, Arden; St. Paul's School, Beaufort, the Thompson Orphanage, the United Offering.

At the Convention in Hickory, 1902, it was decided by the representatives of the Junior branches present, that the branches in the Jurisdiction should be requested to pledge themselves to raise an endowment fund of \$200, for a scholarship in Christ School, Arden, as a memorial to Miss Frances E. Buxton. The suggestion was most cordially received, and met with cheerful responses. Most of the branches were already pledged to the support of different organizations, and the Memorial fund has not grown as it would have done under other conditions. St. Paul's School, Beaufort, and the Thompson Orphanage received very material help from the Juniors.

The patient stitches taken, the acts of self denial practised, the loving thoughts bestowed by our young people, cannot be estimated in dollars and cents, but they stand first. Some are so situated that they can neither earn nor give money, but they have given and are giving themselves freely, and adding to the happiness and comfort of many less fortunate than themselves.

Miss Kate C. Shipp.

### REPORT OF BABIES' BRANCH.

On March 23rd, 1903 I resigned my position as Directress of the Babies' Branch. I have not been instructed as to whom I should turn over the funds of the Branch, therefore when Lenoir, Bowmans' Bluff, Lincolnton, Grace, Arden, and Fletcher sent me their contributions I put the money in the Blue Ridge National

Bank in Asheville. We decided to work for a scholarship in Christ School, Arden, N. C. to be called the Bishop Lyman Scholarship.

The fund stands thus:

Received from June 1902 to June 1903.		\$13.11.
Received from Asheville,		5.14.
Expenses of Mite Chests,	1.50	
Express on Mite Chests,	.40	
Postage,	.10	
	<u>\$2.00</u>	<u>\$18.25</u>
		2.00
		<u>\$16.25</u>

Balance in Bank June 1902,	\$52.60
Balance in Bank June 1903,	16.25
Balance on hand June 1903,	<u>\$68.85</u>

Susan Robertson Lyman.

#### CORRESPONDENT C. P. C. REPORT.

The appointment of Correspondent for the District having been made last December this report will cover but five months.

By waiting until after the Xmas festivities were over I thought my letters could receive more attention.

Sixteen letters were sent with leaflets explaining the object and work of the C. P. C., and kind replies were received from several but only two librarians appointed.

It has been encouraging to be able to report the Lincolnton branch as doing good under Miss Bymun, Lib. 3 periodicals sent regularly to addresses given by General Secretary. Some odd numbers of Magazines and \$4.50 sent to Treasurer in N. Y. besides the Lib. expenses.

Brevard also sends 3 periodicals distributed 186 odd numbers of books and Magazines and contributed \$1.25 including Lib.'s expenses.

Respectfully Submitted,

Mrs. C. D. Chapman, Cor. 66 C. P. C.

## MINUTES OF THE ANNUAL MEETING OF THE WOMAN'S AUXILIARY. JUNE 11th, 1903.

On Thursday afternoon June 11th, St. Barnabas' Day the Annual Meeting of the Woman's Auxiliary of the Jurisdiction of Asheville was opened in Grace Church, Waynesville, N. C. by Bishop Horner.

After a hymn and prayer Bishop Horner made a short address in which he explained the change in the Endowment Fund by which it seems best to take no further action in the matter until the legal question involved is settled for or against the Jurisdiction of Duluth.

Miss Emery was then introduced, and the members of the Auxiliary as well as the visiting Clergy and delegates had the privilege of listening to a most interesting address. Miss Emery spoke in the most touching way of different phases of Auxiliary work, giving great encouragement to all workers.

The members of the Auxiliary were then asked to adjourn to the Parish House for the business session.

The roll call showed thirty-three members present as follows: Asheville, Trinity, 3; Brevard, St. Philip's, 1; Fletcher, Calvary, 1; Hendersonville, St. James', 2; Grace, Grace, 2; Haw Creek, Trinity Mission, 1; Hickory, Ascension, 2; High Shoals, St. John's, 2; Lenoir, St. James', 1; Lincolnton, St. Luke's, 1; Micadale, St. Mary's, 1; Murphy, Messiah, 1; Waynesville, Grace, 11; Arden, Christ School, 1; Tryon, Holy Cross, 1; Cullowhee, St. David's 2. After the formal opening of the meeting, Rev. Jas. A. Weston spoke of his work at Hickory, asking for aid in one of his Missions.

Mrs. Wetmore read her annual report in which she spoke of the great loss the Auxiliary has sustained in the death of Mrs. Houghteling of the Asheville Branch.

Mrs. Wetmore urged the necessity of a Quiet Day, and asked all members of the Auxiliary and all Churchwomen to spend the Seventh day of July with her at Christ School, Arden, Dr. Roper having consented to conduct this Quiet Day. Later in the meeting it was moved and carried that as many as possible should

accept this invitation.

Miss Annie Martin of Asheville next read the Report of the United Offering. The total amount for this year is \$168.99; for the last two years, after deducting expenses, the amount now in the bank is \$300.

The Report of the Secretary of Missionary Study was given by Miss Hatch of Asheville, who has succeeded Mrs. Houghteling in this office.

The Secretary of the Junior Auxiliary, Miss Shipp, being in California, her report was read by Mrs. Richardson.

In Mrs. S. R. Lyman's absence Mrs. Wetmore read the report of the Babies' Branch, showing the total amount in Blue Ridge Bank for the Bishop Lyman Scholarship, \$68.85.

Last December the Bishop appointed Mrs. Chapman of Brevard Correspondent of the Church Periodical Club, and a short report was read by Mrs. Chapman who is greatly interested in this work.

The Report of the St. Mary's Guild was read by Mrs. Iredell for Mrs. Parker. The fund for the Guild now stands \$514.02 towards a Scholarship in St. Mary's School, Raleigh.

Mrs. Iredell added to the report an interesting statement in regard to the Scholarships at St. Mary's, and explained the financial condition of the School.

After the reports were read and accepted, Mrs. Wetmore asked Miss Emery to suggest some objects of work for the coming year. From these suggestions the object for Foreign Work decided upon was the support of a Bible Woman in Tokyo, Japan.

The object for Domestic Work chosen was the partial payment of a nurse in the Orlando Hospital, Southern Florida.

The object for work in the District was next taken up. After a short address by Mr. Savage, telling how greatly needed a horse is in his work near Blowing Rock, and a lengthy discussion, it was finally decided to give Mr. Weston \$35. for his work at Granite Falls and further moved that all money over and above this \$35, and the amount still required for Mr. Savage's horse, should be sent to the Bishop to be given, at his discretion, to Mr. Weston

or Mr. Savage.

Mrs. Royster of Hickory was unanimously elected Secretary of the Babies' Branch in place of Mrs. S. R. Lyman, resigned.

Miss Ramsauer of Haw Creek asked for a small appropriation for stamps and stationery used in Auxiliary and Mission work. In behalf of the Asheville Branch Miss Martin promised \$1.00 for this object.

Miss Martin offered the following resolution which was voted on and accepted. Resolved, That during the Season when we are working for our United, Domestic, Foreign, and District work, we shall, at our monthly meetings, use a prayer for each special work, designating each by name.

It was moved and carried that a special collection for Mr. Savage's hoarse be taken at this meeting. The collection was taken, and \$21.42 was raised for this object.

Mrs. Skinner of Waynesville said that a horse had been promised for Mr. Savage's work, if it would be suitable.

The Methodist Missionary Society sent a greeting.

A rising vote of thanks was given to the ladies of Waynesville for their hospitable entertainment of the Auxiliary.

As there was no further business to be discussed, on motion the meeting adjourned.

Susan Chester-Lyman,  
Secretary.
