## A FAREWELL LETTER TO THE CHICAGO BRANCH.

---

MY DEAR FRIENDS:

The conjunction of the annual meeting with a day of fever heat and a holiday of more than usual interest was a severe test of the Auxiliary, and your committee was proportionately grateful for the fair representation at the services, and the extended benefits thereof, as also for the steady interest maintained throughout the long business meeting. As good soldiers do not throw away their ammunition in useless attacks, neither did the members of the Auxiliary waste the precious moments in fruitless nominations; but having sacrificed physical comfort and various pleasures for the special duties of the day, they further set aside any personal preferences in order to advance the general good. While changes are often trying, yet if bravely met they frequently prove salutary; and so your retired officers feel that it will be with the changes, or exchanges, which are "no robbery," in your committee. Fresh blood has gone to the head, which was the treatment recommended two years ago, while that which had done service there has returned to the heart, that it may be ready for future use in the body of the Auxiliary. The value of the Secretary's services has been acknowledged in the election of *two* successors, while the Society gratefully recognizes the fact that there are few members who would so cheerfully give more than one-seventh of the allotted span of life to this branch of service.

Concerning the work of the year, of which I am asked to speak retrospectively, I rejoice to testify that the interest in all missionary effort, whether at home or abroad, is manifestly on the increase. Our good Bishop gives us the estimate that for every dollar contributed for the diocese at least half a dollar goes elsewhere, and his approval of the same, in view of the heavy missionary responsibilities resting upon him, is notable and inspiring.

And what of the workers? During the last nine months your late President has, by special invitation, delivered sixty addresses—fifty in the diocese—upon the various mission-fields which it has been her privilege to visit. The results emphasize the fact that "Knowledge is power," and that in proportion as a broader knowledge of needs

and opportunities is spread among us, the power to serve will be increased. And further, the unfailing and urgent requests to repeat such experiences would seem to indicate that more frequent visits to parochial branches may meet a growing want, and establish closer relations than can be secured by general meetings alone, important as they are. On the other hand, may not the parochial branches come half-way, and recognize the duty of looking for all notices referring to the Auxiliary; and of sending representatives to all meetings to which they are called? The monthly noon-meetings at the church club-rooms have been fairly attended by officers and members; yet many are still indifferent, or uninformed about these and other meetings, and have lost the opportunity of hearing such speakers as Bishop Graves of the Platte, Miss Carter of Minnesota, and also Rev. Messrs. Yen of China and Prévost of Alaska. Does it not seem difficult to awaken among church women that general enthusiasm which secures larger results in other religious bodies? Wherein is our hindrance? An executive committee of six or seven members surely can not supply or maintain the necessary interest for a whole diocese, unless aided and incited by the other officers and members of the Society. You know well the tried members of your committee, and are certainly to be congratulated upon the new elections. Now shall we not all resolve to sustain them as far as in us lies? And while we remember in a special manner the presiding officer, whose grave responsibilities must be felt to be appreciated, let us recall these wise words of the preacher: "Yield to leadership—sacrifice self." So shall our service abound to the glory of Him whom we profess to serve.

While as an executive officer, I must here say "good-bye," let me remind you that it is a contraction of the primitive "God be with ye," and if the Lord Jehovah be with us, who then can be against us?

Ever yours in the bonds of Christian fellowship,

O. VANSCHAACK WARD.

CHICAGO, May 31, 1895.

## SECRETARY'S REPORT.

---

ON Wednesday, October 31, 1894, the tenth semi-annual of the Chicago Branch was held at the Church of the Epiphany. After the opening prayers and the calling of the roll, the President, Mrs. Ward, made a short address, speaking in especial of her journey around the world, and of the United Offering. Papers were then read by Mrs. Eustis of LaGrange and Miss Comstock of Evanston, on "How can we best increase the interest and attendance at our parochial meetings." The President calling attention to the fact that many persons were obliged to leave before the close of the meeting, asked that the collection be taken before any further papers were read, and stated that it would be for the work of Miss Marston in India. The collection was taken and amounted to about \$60.00.

The next subject in order, the "Junior Auxiliary," was opened by the vice-president of the Northern Deanery, who introduced Miss Kimball of Grace Church as an assistant in this work. Papers on this subject of the "Junior Department" were read by two of the most active workers among the children, Mrs. Dederick of Rogers Park and Miss Prophet of Trinity, the latter speaking more particularly of the "Babies' Branch."

The subject of "Quarterly Days for Prayer for Missions" was introduced by papers by Mrs. Taylor of S. James and Miss Hall of S. Chrysostom. After some discussion on this topic, a resolution was adopted that such "days" be held in this diocese. A committee, consisting of Mrs. Taylor, Mrs. Gregory of Grace Church, and Miss Hall, was appointed to report on the days deemed most advisable for that purpose, and reported in favor of S. Andrew's Day, and the Wednesdays in the Ember seasons of Lent, Whitsuntide, and Trinity, which days were adopted.

After a short account by Miss Kate Bishop of her work at S. Gabriel's School, resolutions were passed of sympathy for the Bishop in his illness and of thanks to the rector and ladies of the Church of the Epiphany for their gracious hospitality.

The vice president of the Southern Deanery, in a few, earnest, graceful words, spoke of the loss of two of the Auxiliary's most faithful workers, Mme. Gustorf of Oak Park, whose unfailing interest in and love for missionary work through many years never faltered; and

Mrs. Morgan of Austin, who was indeed one of the "women who cared." After a few more words on the subject of the days for prayer, the meeting adjourned to partake of the good cheer provided by the ladies of the Epiphany.

The evening services began at eight o'clock, and were in charge of the rector, Mr. Morrison. After the opening hymn and prayers, Mr. Morrison gave a short address of welcome, and also spoke of the sorrow felt at the illness and absence of the Bishop. He then introduced the president of the Auxiliary, who gave a most interesting account of her missionary journey around the world, and of the work being done at the mission stations. Bishop Barker of Western Colorado was then introduced, and gave a graphic description of the work among the miners in that region. A collection was taken, amounting to over \$60.00, for Bishop Barker's work and that in the foreign field.

The eleventh annual meeting was held at Trinity Church, Chicago, on Thursday, May 30, 1895. The services of the day began with a celebration of the Holy Communion at 10.30 a.m., at which about one hundred and fifty women were present. It was noticed with much pleasure that almost every woman present communicated; such not being the case at the same service last year. The sermon of the day, by the Rev. Dr. Stone of S. James, was most interesting and helpful, and was listened to with close attention. At the close of the services, luncheon was served in the new and beautiful parish house of Trinity Church, by the ladies of the parish.

The afternoon meeting was called to order at 2 o'clock by the President, Mrs. Ward. After the opening prayers and hymn, the rector, Rev. Mr. Rouse, welcomed the Auxiliary to Trinity Church in a few words so earnest and so full of true missionary spirit that they struck a chord that vibrated till the close of the meeting.

After the calling of the roll, which showed a representation from thirty two branches, and the reading of the minutes of the last meeting, the reports of the year's work were read. A combined report of the Secretary and Treasurer showed a result of nearly \$14,000 in money and boxes, of which nearly \$5400 has been given to work in this diocese. The reports of the Church Periodical Club and of the Comfort Club were read by their secretaries; the report on the Fund for the Widows and Orphans of the Deceased Clergy being read by Mrs. Gregory of Grace Church.

The Secretary then called attention to the leaflets provided for

distribution, and also asked that each woman present make, during the summer, one article to be ready for the boxes to be sent in the fall. The President spoke earnestly of the needs of the work in Alaska, and asked that the collection be given for the salary of Dr. Mary V. Glenton, now at work in that field. The collection being taken, amounted to over \$40.00.

It being deemed necessary by the Executive Committee that several changes be made in the Constitution and By-Laws, the proposed changes were read by the Secretary, each article and by-law being read, discussed, and voted upon separately. After much intelligent and earnest discussion, various changes were adopted, subject to the approval of the Bishop.\*

The election of officers was next in order. As both President and Secretary declined reelection, and as, under the Constitution as just adopted, both a corresponding and recording secretary became necessary, several new officers had to be chosen. No nominating committee being appointed, all nominations were made from the floor. The following names were presented, and, there being no other nominees, the Secretary was instructed to cast the ballot for each in turn, the officers being: President, Mrs. David B. Lyman of LaGrange; Vice-President of Northeast Deanery, Miss K. D. Arnold of S. James, Chicago; Vice-President of Southern Deanery, Mrs. D. S. Phillips of Kankakee; Vice-President of Northern Deanery, Miss A. B. Stahl of Galena; Corresponding Secretary, Mrs. C. S. Meacham of Grace, Chicago; Recording Secretary, Mrs. S. L. K. Monroe of Epiphany, Chicago; Treasurer, Mrs. O. W. Barrett of Trinity, Chicago.

The Secretary then read a message from the General Secretary, Miss Emery, on the subject of the United Offering, and a resolution was adopted that "the offering be entrusted to the Board of Missions to endow some specified missionary jurisdiction, and that the jurisdiction suggested by the Chicago Branch be that of Alaska."

Resolutions of thanks to the retiring President and Secretary were offered by Mrs. Morrison of the Epiphany, and to the rector and ladies of Trinity, and to the Rev. Dr. Stone by the Vice-President of the Southern Deanery and the Secretary.

At the request of the retiring President, the new officers came forward and were introduced to the Auxiliary. After a few words of farewell from Mrs. Ward, Mrs. Lyman, in taking up the work, gave

\* These changes having been approved by the Bishop, are incorporated in the Constitution and By-Laws as printed at the end of this Report.

as the thought for the year the words from Dr. Stone's sermon, "Let God live, let self die." After the singing of the Doxology, the meeting adjourned.

It seems proper, in addition to the above minutes, to speak of the "Days for Prayer," which have been kept in conformity with the resolution passed at the last semi-annual meeting. Thus far, three such days have been kept, and while in some aspects the results have been unsatisfactory and the services held have been few, still the Executive Committee feel that the adoption of such days was a wise and blessed act, and one that has already worked much good in many ways and will bring forth much fruit in the future. Not only are the days appreciated by the women of the Auxiliary, but some of the clergy have expressed their thanks to the officers for thus suggesting a way for the better keeping of the Ember days and for bringing the duty of prayers for missions before the members of their congregations.

It is earnestly hoped that, as the years go on, more and more of the members of the Auxiliary, as well as those not of us, will unite in the keeping of these days. Oftentimes the objection of "lack of means" is made against joining in our work, but surely here is a way to help mightily and "without money and without price." Is it too much to ask that all the members of the Auxiliary should join four times a year in the "prayers and supplications which we offer for all estates of men in God's holy church?"

Respectfully submitted,

MARY DRUMMOND,  
Secretary.

WHEATON, ILL., May, 1895.

The officer so appointed to serve until the next annual meeting.

III. Special meetings may be called by the president at such time and place as she may designate, for the purpose of stimulating interest in the work.

V. The regular order of business at the annual meeting shall be as follows:

1. Offices of devotion.
2. Calling of roll by branches
3. Reading of minutes of last meeting.
4. Reports of officers and committees.

6. Unfinished business.
7. Miscellaneous business and addresses.

VI. These by-laws may be amended at any annual meeting by a majority vote of the branches present.

THE Annual Meeting is held on the day after the close of the Diocesan Convention.

The Semi-Annual Meeting is held in the autumn, generally in October, the date being fixed by the president, and due notice being given to all the Parochial Branches.

A meeting of the Diocesan Officers is held on the first Thursday of each month, at the Church Club Rooms, room 510, Masonic Temple, Chicago.

A  
BEAUTIFUL  
CHICAGO  
SUBURB

# La Grange, Illinois

"Out of reach of smoke and grime and dust and yet completely in touch with the City 14 miles away; reached in 28 minutes by 22 suburban trains each way on the Chicago, Burlington & Quincy Railroad. Nearly 15 miles from the Lake, it is a comfortable place of residence for those who can not stand the lake winds because of a delicate throat or lungs. The streets are wide, well paved and lined on either side with stately elms and maples, giving a pleasant shade to well-kept lawns."

"To offset the lack of saloons, there are all the provision, furnishing, and other stores so necessary in so large a place, but those who must purchase in the City at the large department stores, can have their parcels delivered free in La Grange the same evening."

"La Grange has eight churches and the best of schools besides the telephone, electric lights for streets and residences, complete and unexcelled water and sewerage arrangements; in fact, residents are practically part of Chicago and daily enjoy all its advantages while at the same time far from and above the great city and all the disagreeable features of life in it."
