

DIOCESE OF CHICAGO

Fifty-second Annual Report
of the
Chicago Branch
of the
Woman's Auxiliary
to the
National Council

1936

January 1, 1936, to January 1, 1937

A member of the National Council has said—
“The Woman’s Auxiliary is in a very real sense not
an organization only, but a crusade, to enlist the
womanhood of the Church in the work of the
Church—a means whereby gifts of time, effort and
money may be put to use fully and effectually, in
furthering the Church’s mission.”

The Chicago Branch seeks to enlist every church
woman of the Diocese in active service.

PRAYERS.

WOMAN'S AUXILIARY PRAYER.

Almighty God, our Heavenly Father, bless we pray Thee our work for the extension of Thy Kingdom, and make us so thankful for the precious gift of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. Amen.

UNITED THANK OFFERING PRAYER.

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give as Thou hast given to them. Accept from thankful hearts our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

O God, to whom all Thy children are dear, we beg Thy blessing on the women who are banded in fellowship of love and good works, to the end that Thy name may be honored, Thy Church edified, and Thy servants helped; and we beseech Thee to fill the hearts of all faithful people with love of Thee, and hunger for Thy presence here and forever; all of which we ask for the sake of Him who died and rose again for us, Thy Son Jesus Christ our Lord. Amen.

May Thy Holy Spirit take possession of our hearts, and so sanctify our motives that we cannot will to do anything contrary to the precepts of religion, or the interests of righteousness, or the growth of holiness. And to this end give us a ready mind to receive Thy inspirations, and a fixed determination to carry them into good effect, through Christ our Lord. Amen.

Remember in Thy great love, O Father, all little bands of believing folk who are striving to uplift and uphold the banner of the Cross in lonely places and distant parts of the world, and if the comfort of human sympathy doth not reach their ears, stand Thou very close to them, and breathe words of courage and hope into their fainting hearts, for Christ our Lord's sake. Amen.

[Written by Bishop Anderson for the Woman's Auxiliary, April 21, 1898.]

O Lord Jesus Christ, Who didst charge Thine Apostles that they should preach the Gospel to every nation; prosper, we pray Thee, all Missions both at home and abroad (especially N.); give them all things needful for their work, making them to be centers of spiritual life, to the quickening of many souls, and the glory of Thy Holy Name. Support, guide and bless the Clergy and workers who are called to labour in those parts of Thy vineyard, (especially N.); give them grace to witness to the Faith, endue them with burning zeal and love, make them patient under all disappointments and meekly submissive under all persecutions, that they may turn many to righteousness and may themselves win a crown of everlasting glory, Who liveth and reignest God for ever and ever. Amen.

FOR OUR PRAYER PARTNERS.

We pray Thee, O Lord, to give ear unto our prayers, and harken unto the voice of our humble desires; especially we beseech Thee to guide with Thy counsel Thy servants Lillian Tiffet of Alaska, Lucy Grossman of Texas, Elizabeth Chambers of China, Anita Young of Zamboango, P. I., Bessie Wingate of Fletcher, Va., our Prayer Partners, whom Thou hast called to labour among Thy people. Keep them safe in body and spirit, inspire them with Thy wisdom, lead them in the ways of Thine appointment, and enrich them with Thy heavenly grace to the furtherance and fulfillment of Thy will. We ask it in the name of Jesus Christ, our only Mediator and Advocate. Amen.

NOONDAY PRAYER.

Blessed Saviour, who at this hour didst hang upon the cross, stretching forth Thy loving arms: Grant that all mankind may look unto Thee and be saved; through Thy mercies and merits who liveth and reignest with the Father and the Holy Ghost ever one God, world without end. Amen.

PRAYERS FOR SOCIAL SERVICE.

Jesus, our Master and our Friend, who claimest our service through the needs of our neighbors: Grant us so to see Thy image in all our fellow creatures that in serving mankind we may minister to Thee, the living Saviour of the world. Amen.

Blessed Lord, Who for our sakes wast content to bear sorrow and want: Grant unto us such a measure of Thy Spirit that we may follow Thee in self-denial and humility of soul. Help us to succor the afflicted, to relieve the needy, to share the burdens of the heavy laden, and ever to see Thee in all that are poor and desolate; Who now liveth and reignest, and will yet come again to be our Judge. Amen.

BLESSING.

¶ The Grace of Our Lord Jesus Christ, the love of God and the fellowship of the Holy Ghost, be with us all evermore. Amen.

PRESIDENT'S ANNUAL REPORT

Since it was the thought of your Board that too many statistics were undesirable at this meeting, your Chairman has not tabulated the number of letters received and written, telephone calls and personal conferences that make up part of every officer's routine. She has presided at the seven monthly business meetings and the board meetings preceding them; also at the June Board meeting held at Brent House where we enjoyed the gracious hospitality of Mrs. Biller, Brent House has been visited on two other occasions during the year. By virtue of her office your Chairman has been an Auxiliary member of the Church Extension Department of the Diocese and a part of the Town and Country Council, each meeting monthly. She spent a delightful day at St. Alban's School with this second group and has addressed each of the three extra Metropolitan Deaneries in neighborhood meetings and conferences with officers. However, the real work in town and country has been done by the Deanery Vice-Presidents and Miss Larrabee as correspondent under the inspiring leadership of our beloved Archdeacon Ziegler and we shall always be grateful that in his new work as Bishop he will wear a gift expressive of our love for him. Your Chairman's place in the Centenary Committee was a recognition of the Woman's Auxiliary and has called for little activity on her part. Such Federation occasions as luncheons for Kagawa, and Stanley Jones, The World Day of Prayer and the Conference on Cause and Cure of War have given her helpful association with Christian women other than our own Auxiliary and it was gratifying to find that our Delegate to the Woman's Department of the Federated Churches had created such a cordial relation with this fine group. A signal honor was conferred upon your Chairman as one of four women to address the Spring meeting of the Church Club and she did so very mindful of the fact that she was your representative. Again as your representative she spoke to a neighborhood meeting of Church women in Eau Claire, Wis., where interchange of ideas was perhaps mutually helpful. She regrets having had to decline calls to three other Diocesan meetings where she would undoubtedly have received equal inspiration. It was her privilege to be at the Kenosha Conference for several days and to have a part in the class instructions. She presided at Auxiliary Day when we were charmed with Father Flagg's talk on Liberia. Auxiliary Day seems a splendid venture that is bound to serve a purpose. She was in Madison with your five delegates to the Provincial Synod. The theme of that conference "Student Work" is close to our hearts and we who listened to Bishop Stewart's charge to the Convention, in which he emphasized the work with youth, and again heard his thrilling appeal to the young people themselves at the Mass Meeting, somehow feel that one big objective of our work this year must be to enlist more and more these young women who are just coming into their maturity and to have them feel how eagerly we are waiting to share with them the great joy of service to our Lord. Often we have heard that it is as difficult to let go a job as to take it on and we must strive for a balance in this matter of spreading responsibilities that we may spread deep concern. The younger women may not do things just as we have always done them—but perhaps they will do them as well, or better in their own way.

During the year 1936 it has been the privilege of your Chairman to visit thirty parishes in the Diocese. In most instances these visits were to parish branches but some were the occasion of neighborhood meetings already spoken of as well as Officers' Conferences in the City and Suburban Districts. Rallies in the extra Metropolitan Deaneries have seemed especially valuable since our monthly so-called Diocesan meetings naturally draw their attendance largely from the city and suburban parishes. The place and work of the Sectional Vice-President is a vital factor in the life of the Auxiliary. In each part of the Diocese these officers have been actively at work the past year, and may I urge upon each new parish president to make early contact with her Deanery Vice-President, for she is anxious to understand your special needs and to help you in meeting them. Through her cooperation and knowledge of the field many matters come to the Board which your President alone could not

discover and yet would like to clarify. Your Chairman cannot say too strongly how she has depended upon this particular group of loyal co-workers and has found them ever ready and competent to carry out to their branches the plans and projects of the Auxiliary Program. The other officers have made their own reports and you know something of the extent and breadth of that program.

Your first Vice-President has fulfilled her own duties with infinite exactness and yet has found time to do the unexpected things that come to a vice-president. To her too your Chairman expresses deep appreciation and wants you to know how much the close contact with such a rare spirit has meant to her personally.

The experiment of combining the Box work with Supply Department has proven itself wise and knowing that the officer carrying both has often labored under the handicap of ill health the past year, makes us the more conscious of her unselfish devotion.

There seem to have been some discouragements to the Educational Chairman, but all that she has undertaken she has seen through valiantly and Latin America has become more to us than a place on the map. She is not satisfied that we limit ourselves to a perfunctory course of study for a prescribed period, but asks us to accept the Educational Department as an open door of opportunity to know more, that we may love more and do more about it. Give her your loyal support!

Training in Christian Citizenship finds its expression in Social Service Work. The Chairman of this department has been feeling her way this first year and expects your definite cooperation in her concrete plans for 1937. The Deacon's Aid Committee of this department offers the privilege of personal service under trained leadership and we hope that many will be drawn into it, particularly those young women who are eager for work that is thrilling.

The encouraging increase in your U. T. O. we believe is partially due to the wise plan inaugurated this year of spreading the responsibility of it among Deanery Committees and we hope you will support the continuance of this plan. However, it is also due to the enthusiasm of your Parish Custodians and to the expansion of your own interest and the more general use of the Blue Box. In October our offering will be presented upon the golden alms basin at the Triennial. Are we making it an offering commensurate with our gratitude and is that gratitude commensurate with our rich blessings?

We shall continue our support of the Student work and any who heard Dr. Wedel talk on Tuesday night at the Convention, realizes fully that here indeed is our newest field of missionary endeavors. Let the Chairman of this Fund visit some of your branches and tell you of the nation wide college program.

The detail work of the Diocesan branch is carried so ably by the two secretaries and the treasurer that their value is self evident yet your Chairman would point out to you what a comfort it has been to her that everything did run smoothly. With these should be included the Chairman of Monthly Meetings who has provided you with such splendid programs and has carried out every part of these with scrupulous care.

And right here may I speak of the untiring work of our Custodian of the Supply Department. Busy as she is with office routine, she always finds time to give an extra lift to some parish officer who may need it, and is graciously responsive to an extra call from the Board.

Under the direction of the Publicity Chairman, The Woman's Page in the Diocese has continued enlightening and of interest. Other publicity she has attended to as it was needed. She will welcome your items each month.

A new Board member is added at this meeting. A Chairman for Evening work. This development has had the deep concern of your Chairman who counts it a real privilege to have been close to this splendid group of business women who have so much to offer us. May she point out to each parish president that it is a part of her responsibility to link up, somehow, her auxiliary program with the needs of this group.

The G.F.S. and the C.P.C. have brought reports to our monthly Board meetings and it is our wish to cooperate more heartily with all that they are doing. The C.P.C. Secretary has undertaken to strengthen the Prayer Partner plan and already its possibilities are more generally understood. The formation and promotion of more prayer groups is a worthy objective for this year.

As your Chairman has visited she has never presumed to carry a new message but has rather sought to interpret very humbly our share in the response to that old message "Go ye into all the world". She believes that the world begins at home and extends for each of us as far as we can visualize it spiritually. She feels it is a hopeful sign that many parishes in the Diocese are unifying woman's work and understanding that New York makes no distinction where our work is done if the Mission of the Church is being fulfilled by its accomplishment. There are difficulties in grasping this newer and broader conception of Auxiliary work and she has sought to clear away some of them. It is gratifying that many well balanced programs are formed and used by the branches—if you haven't seen some of these in our exhibit, do take time to do so.

It has been a very deep happiness for your Chairman to serve you and to have had the experience of knowing so many Church women in an intimate way. She is grateful to all of you who have received her so cordially. The glory of the Auxiliary work to her is its inclusion of all women and its recognition of all talents. This universal call she has sought to emphasize and would leave with you a simple poem which many of you have heard her read as expressive of this thought.

When the President of the Church Club remarked on Monday night that your Chairman was about to sing her swan song, it seemed to her that it might be a lament, at severing a relation which has held for her such inexpressible joy. But over and above the lament it is a peon of thanksgiving that she should have been, with her poor bag of tools, a link in the chain of those who bind together the women of this Diocese in the service of the Master.

"Isn't it strange that Princes and Kings
And clowns that caper in sawdust rings
And even plain folk like you and me
Are workers for Eternity?
To each is given a bag of tools
A shapeless mass and a book of rules
And each must make, ere life has flown
A stumbling block or a stepping stone."

Respectfully submitted,

HAZEL SEABURY COTSWORTH.

ANNUAL REPORT OF THE VICE-PRESIDENT

During the past two years, your vice-president has had the pleasure of representing you on the Board of the Woman's Department of the Chicago Church Federation. This affiliation with the Department has given the Woman's Auxiliary many opportunities to share in the Interdenominational luncheon meetings arranged for outstanding visiting missionaries including, Dr. Ida Scudder of Vellore, India, Dr. Kagawa of Japan, Dr. E. Stanley Jones of India, Dr. Frank Laubach of the Philippines and Miss Muriel Lester of England. Participation in the World Day of Prayer has been a happy experience as has our contacts with the women of the other denominations.

The regular meetings of the Town and Country Council and the Social Service department of the diocese have been attended whenever possible. It was a privilege to have been one of your delegates to the Provincial Synod at Madison in October, and to the Cause and Cure of War Conference last month.

Believing that the Woman's Auxiliary offers as great an opportunity for service to others, as many of the secular organizations, your vice-president has endeavored to interest the younger women in the Deaconess Aid Committee. We have had an enthusiastic response to every request, and a desire for definite service has been manifested. For more than a year, Mrs. Skinner and Mrs. Le Moyne of Grace Church, Oak Park, visited the Cook County Hospital regularly each month with Deaconess Parsons and when obliged to discontinue their visits in June, they had endeared themselves to many of the patients who eagerly looked forward to their friendly visits. With the splendid support of Mrs. Fitts, the president of the Junior Guild and Auxiliary of St. Luke's, Evanston, volunteers were secured to carry on the monthly visits. Under the direction of Deaconess Parsons, three Aids visit about 125 patients in the fracture wards of Cook County Hospital, distributing packages of home-made candy and cookies, occasionally a cup of ice cream and as many magazines and playing cards as the Aid has been able to secure. Making a friendly visit in the name of the Church to those who spend months at a time in this great institution, has been of value we think.

The City Missions groups of St. Luke's and St. Mark's, Evanston, were happy to provide a picnic at Lincoln Park in June for Deaconess Lyon's little girls from the Frances Juvenile Home. St. Mark's group also provided refreshments for a party sponsored by Deaconess Lyon at the Psychopathic Hospital in November and sent bags of candy for 100 patients at Christmas time. Mrs. PenDell of Christ Church, River Forest, has been a faithful Aid to Deaconess Lyon throughout the year. The Auxiliary of St. John's Flossmoor, gave two supper parties for more than 100 each at Oak Forest during the year; also the Auxiliary of St. Ambrose, Chicago Heights, gave a party to 130 bed patients in the women's section. These parties were planned with Deaconess Parson's co-operation and have brought happiness to each one who participated. Mrs. McDougall of St. Clement's, Harvey, has given invaluable assistance at Oak Forest to the deaconess.

An effort to organize a motor corps was made in the spring with some success. Auxiliary members of St. Clement's, Harvey and St. Ambrose, Chicago Heights, deserve special mention for their generous response to the request for drives for some of our people at Oak Forest; also to Mrs. Seymour Neill of Christ Church, Chicago, who took several patients chosen by Deaconess Wilson and Deaconess Weaver, from the Home for Incurables for a drive each Monday in June. A welcome change for our people who are unable to leave the confines of the Home. Mrs. Zweible of St. Mark's, Evanston and Mrs. Warren of St. Chrysostom's, were happy to use their cars on several occasions driving Deaconess Lyon and Deaconess Parsons on special calls. There is real need for such assistance to our deaconesses and perhaps the motor corps may develop more definitely this year.

Your generosity during the past year in making caps and shawls for the patients at the Cook County Tuberculosis Hospital has been appreciated by Deaconess Wilson. It has been necessary only to mention the need, to receive instant offers to make them. This sort of work is vital and worth all it costs in time, material and effort.

This has been a year of joyful service to our Lord and of deep appreciation to Mrs. Cotsworth for the loving kindness and co-operation constantly given.

Respectfully submitted,

MARION M. SEYMOUR.

EDUCATIONAL DEPARTMENT

During the past year the Educational Department has conducted two series of Normal classes. During last February those on Latin America were very ably presented at St. James' Parish House, by Mrs. Hoskins. Due to the extremely cold weather the attendance was less than we had hoped for, the average being eighteen from twelve parishes. However, many classes were held without the Normal aid and we have forty-nine parishes reported as having studied Latin America in some way. Hoping to make these classes more available to you as to weather and location, the committee arranged for our 1937 study class on the "Negro in America" to be given by Mrs. Righter at the YWCA rooms at E. Monroe St. during October and November. The experiment failed. Mrs. Righter did a splendid job but the average attendance was 6 from not more than 4 parishes. We will not do that again. The study book for the current year is "A Preface to Racial Understanding," by Chas. S. Johnson to be had here at the Auxiliary Exhibit or from the Supply Department for 60 cents. If, instead of a class on this subject you prefer to have a speaker, we have three good ones to offer, Mrs. Righter, Fr. Suthern and Fr. Martin. May I urge you to avail yourselves of their services?

Wherever there is a study class in a parish we might consider it good Auxiliary work to build up attendance for that class. If no class exists will you try to instigate one? Study something—if not the suggested subject, then something else, Special Mission field, Peace, Prayer, Church History, Prayer Book, Bible, Religion in the Home or whatever most appeals to your group.

The Auxiliary Classes at Kenosha Conference were "The Negro in America" led by Mrs. Righter and a general Auxiliary course, the first three days of which were on Christian Citizenship led by eminent specialists in their fields of History, Social Service and Economics; the rest of the time taken by Auxiliary leaders in their various fields.

Auxiliary Day at Kenosha was well attended by 137 people representing five Dioceses and 33 Chicago parishes. They heard a stimulating address on Liberia by Fr. John Flagg, O.H.C.

As Educational Chairman I have spoken in eight parishes and sat in at four meetings of the Department of Religious Education of the Diocese.

The department furnished two scholarships to the Kenosha conference. The conference is a grand opportunity for stimulating interest in the Church work, and few investments will bring you better return than to send one or more of your women to make use of that opportunity. If you have no one to send please make room in your budget for a contribution to the Educational Fund for Scholarships.

Respectfully submitted,

ELEANOR M. FOWKES,
Educational Chairman

ANNUAL REPORT OF THE SUPPLY DEPARTMENT.

It is with a feeling of profound gratitude that I bring to you this morning a summary of the work done by the Parishes in the five fields, as reported to this department in the annual reports for 1936.

102 Branches reporting as follows:

Parish	\$41,045.70
Diocese	10,444.74
Community	2,885.33
Nation	4,911.41
World	743.62
 Total.....	\$60,030.80

30 Branches did not report as of this date.

The Box Work went to six Institutions, including a box to Liberia weighing about 500 lbs.; besides 21 personal boxes for Missionaries and their families.

As the majority of Branches noted the annual report blanks were headed with the following 3 questions:

1. Did your Branch celebrate the 65th Anniversary of the Founding of the Woman's Auxiliary?

106 responded as follows: 38 in the affirmative, 42 negative and 26 did not answer the question.

2. Did your Branch consider the subject for the Lenten Study Class, "Latin America"?

34 Branches answered yes, 41 answered no, and 31 did not answer the question.

3. Did your Branch observe Armistice Day for intercessory prayer?

62 answered yes, 20 answered no, and 24 did not answer the question.

The Chairman of the Diocesan Pantry reports 89 branches sending 3,650 glasses of jelly, 137 quarts of fruit, 666 cans fruits and vegetables to the Diocesan Institutions, valued at \$667.00 plus a check for \$54.00 donated by Church of the Holy Spirit, Lake Forest.

During this year, 39 Branches have bought material from this department; 13 received free supplies, as well as 7 individuals in the rural district.

More than 500 letters were written and various leaflets were sent to all Branches. The supplies for the Educational Dept. were handled through this department; about 50 books have been loaned by the Charlotte Folds Mem. Library. Various Branches of the Woman's Auxiliary held committee meetings in the Supply Dept. room, such as: Nominating Com., Com. on Revision of By-Laws, U.T.O. and others.

I am very sincere when I say I believe this report would be most incomplete unless mention be made of one who the past several years has done more than any of us realize to put the Supply Dept. where it is today, therefore I am happy to pay tribute to our fine custodian, Miss Irma Arzbacher, for her efforts and courtesy shown this department and to the various Parish Branches.

Respectfully submitted,

VIRGINIA CORNELL,

Chairman.

REPORT OF MONTHLY MEETINGS

Seven monthly meetings of the Chicago Branch of the Woman's Auxiliary have been held in Roosevelt Hall of the State-Lake Building, since the Annual Meeting of February, 1936, with an average attendance of 139 from seventy-one parishes.

The three other meetings of the year were all well attended. At Saint Chrysostom's Church for the Annual Meeting 510 were present from seventy-eight parishes; 381 from sixty-nine parishes at the United Thank Offering meeting at Saint Peter's Church; and 198 from thirty-five parishes at Trinity Church on the Quiet Day.

Honorable mention for total attendance during the year at the monthly meetings should be made of Saint Christopher's, Oak Park, with sixty-six; Grace, Oak Park, with fifty; and Saint Paul's, Kenwood, with forty-seven.

Many messages of inspiration and interest were brought to the meetings by the following guest speakers: Bishop Stewart, Father Parker, O.H.C., Dean Emerson, Father Bowman, Sister Mary Elizabeth, S.C.S.F., Mrs. Luther, Father White, Father Hanner, Mrs. MacNair, Dr. Franklin, Father Stark, Dr. Randall, Miss MacNair, and Miss Gray.

REPORT OF THE CHURCH PERIODICAL CLUB

For the Period January, 1936 to January, 1937

The Church Periodical Club is a cooperating agency working in and through all organizations in the work of the church, for the spread of Christ's Kingdom.

Seven meetings have been held including a Corporate Communion with Bishop Ziegler as Celebrant and a Book Tea. At two of these meetings the guest speakers were Rev. John Pickell and Miss Genrose Gehri. Ten new parishes have been added to our list making a total of 67 active parishes. Thirty-one Diocesan Institutions and nine other institutions throughout the world have been regularly supplied with reading material.

The Church Periodical Club shared with the other Diocesan organizations in the exhibits at the convention held in St. Chrysostom's last February.

Through the splendid cooperation of the parish secretaries we have been able to comply with the many appeals made to your Director at the National Conference for Rural Workers at Madison even including a Victrola and typewriter in perfect condition. The sum of \$239.83 has been spent for magazine subscriptions, endowment fund, stationery, freight, etc.

I have visited 29 parishes, attended 2 Deanery meetings, the National Conference at Madison and the Synod of the Fifth Province in Madison. With the fine assistance of Mrs. Armstrong and Miss Brown, many parishes, church schools and Girls' Friendly, we are able to make the following report:

Chairman.

REPORT OF AUXILIARY SPECIAL

The Auxiliary Special, the fund for student work in the three Universities, namely: The University of Illinois, the University of Chicago and Northwestern University, is becoming a missionary work of great importance in this Diocese, and we must aim to make it a real part in our missionary gifts.

At present we are helping to pay the salary of Mrs. McColl, a devoted woman, who, with the assistance of her husband Father J. Roger McColl, is doing splendid work with our Episcopal students in the University of Illinois.

We were able again to give a small sum to the University of Chicago through Father White, who is chaplain for our young people, and to the work at Northwestern under the leadership of Mrs. F. Croft.

It is encouraging to note that more parishes responded to the appeal this year than in the previous year. This coming year ought to bring greater response as now the Auxiliary Special has a place on the pledge card. I know that you will give it your thoughtful attention. Then we in our diocese will be proud to know that we had a part in providing a place for our young people to worship, to work, and to enjoy the fellowship of Christian men and women.

I had the pleasure of attending the Provincial Synod at Madison where I visited Saint Francis House, the center for Episcopal students attending the University of Wisconsin. It was an inspiration to learn from Father Kelley about his work among the future leaders of our church.

Let me ask you never to let an opportunity pass to read and study about the work among our college students.

Respectfully submitted,

JEAN SCOTT LAIRD,
Chairman, Auxiliary Special.

U. T. O. ANNUAL REPORT

The promotion and work for the United Thank Offering has been carried on in our Diocese during the past year by a committee of eight women representing the respective Deaneries.

Visits were made to various Auxiliary branches—and Evening Guilds—conferences held with groups of United Thank Offering Custodians and letters sent three times during the year to each branch. Several hundred leaflets have been sold and four times as many blue boxes distributed with the specific aim in view of spreading wider the knowledge and usage of the United Thank Offering box.

The result has been that four Parishes who have not responded before, have made contributions and seven who had lapsed more or less of late years are now active again. Our Spring and Fall offerings were encouragingly larger this year and we have reason to believe that with continuing effort this our Triennuin Year will be more successful still for the gift which we will send as our United Thank Offering from the Diocese of Chicago.

Respectfully submitted,

LILIAN T. BINGHAM,
Diocesan Treasurer of the United Thank Offering.

ANNUAL REPORT OF THE SOCIAL SERVICE COMMITTEE OF THE WOMAN'S AUXILIARY FOR 1936

The Social Service Committee has received from the Auxiliaries of sixty parishes reports of the social work that is being done. These reports came to us in response to a letter and questionnaire sent out by the Chairman of the Social Service Committee the latter part of November to all Social Service Chairmen and to the Presidents of Auxiliaries which have not as yet appointed a Social Service Chairman.

We find from these reports that most auxiliaries have representatives for **some** of the Diocesan Social Agencies, only a few have representatives for all; others have no representatives. However, the great majority of the Auxiliaries reporting, whether they have a representative or not, make some contribution (large or small), through money, clothing, food or services—such as, assisting in the selling of tickets for benefits; assisting with tag day; sewing for the institutions; doing clerical work or supplying motor service both for workers and for the children and elderly people who live in our church homes. Many of the parishes do an amazing amount of work for the agencies as well as assist to a marked degree financially.

The reports revealed further that there is considerable work being done in many parishes, large and small, for their own communities, while in others nothing is done locally.

It was most revealing, and certainly interesting, to note the extent and variety of social work being done in their **own** community by some of the **smaller** parishes.

Many of the Auxiliaries have co-operated with their local social and relief agencies, assisted individuals and families; supplying money, food, clothing and furniture; finding work for the unemployed; contributing to the Y.W.C.A., Y.M.C.A., Girl and Boy Scouts, Needlework Guild, Infant Welfare, Day Nurseries; sewing for thrift shops which support a community nurse; assisting in work done for their local hospitals, for those in our prisons, veterans' hospitals, Cook County Hospital, Elgin and Kankakee Hospitals, and Oak Forest Infirmary.

During the past year the Social Service Department has had four meetings. The last one was a Social Service Tea given at St. James' Community House on December 7th. There were fifty guests present in spite of the fact that many of those invited were unable to attend because of the bazaars being held in their parishes that week.

At this meeting Dr. Herbert W. Prince, Rector Christ Church, Lake Forest, who is Chairman of the Diocesan Council of Social Service, spoke on the Social Work of the Episcopal Church, giving a comprehensive and most understandable picture of the broad scope of this branch of the work of the Church as it is outlined by the National Council, as well as presenting our Diocesan and Parish relationship to the general plan.

Dr. Prince went quite thoroughly and most interestingly into the various subjects with which social work must concern itself—such as, Unemployment, Relief, Housing, Delinquency, Marriage and Divorce, Industrial Problems, Racial Problems, Contemporary Social Movements, Peace and War, and the relationship of our Christian Philosophy to all of these movements and problems.

At this meeting Mrs. Frederick Seymour, our First Vice-President, told a very intimate and personal story of the Deaconess Aid work; and Miss Caroline Larabee spoke of the work done through the Town and Country Missions, explaining the calls which will come through this Committee from time to time for clothing and occasional small sums to take care of the needs brought to the attention of Father Bowman in his work. Both of these Committees are now a part of the Social Service work of the Woman's Auxiliary. Miss Ann Hull, the new head of the House of Happiness, was introduced to those present, everyone being delighted to have an opportunity to meet her.

Your Social Service Committee stands ready to supply information concerning Study Courses on the various social problems of the day. These have been outlined by the Social Service Department of the National Council. They would doubtless afford interesting Lenten Study Work.

Respectfully submitted,

ETHEL L. MURRAY,
Chairman of Social Service Committee.

February 4, 1937.

REPORT OF DEACONESS DISCRETIONARY FUND, 1936.

We are in the dawn of a new year, but we are still hearing echoes of 1936. Echoes of gratitude and appreciation from those we have been able to encourage and cheer because of this Fund.

It would be impossible to tell you into how many different directions the Deaconess Discretionary Fund goes and how much comfort and help it brings.

In our County and State institutions where comforts and luxuries are scarce the Discretionary Fund brings cheer and encouragement in a dozen different ways. Little dainties in the way of food, warm clothing, car-fare when patients leave the hospital, sometimes taxi fare when discharged patients are too weak to get home any other way. Room rent paid and food provided to tide over the time between hospital and connection with relief agencies. Flowers for Chapel Altars for special services. Gifts of crosses and Crucifixes to patients at their Baptisms and Confirmations. Books of devotion and many emergencies too numerous to mention.

A patient after spending seven years in a Sanitarium was told she was as well as she ever could be and her bed was needed for a sicker person. During her stay in the Sanitarium her husband disappeared. This is not an unusual occurrence; often we find patients lose track of friends and relatives after prolonged illnesses. This woman had nothing. For years she had worn the clothes provided by the institution. She had no income of any kind and her only friends were those whom she had made in the Sanitarium. All she had left was her Church so she turned to us for help. Here the Discretionary Fund came in; it provided her clothing and food and paid her room rent until the Relief Agency made necessary investigations and began operating.

A devoted member of one of our parishes was left alone, sick and penniless. We were called in to help. After finding a life insurance policy we were able to place this sick woman in a home by turning the policy over to the home. The Discretionary Fund provides clothing and other small needs for this sick old woman and she will be cared for the rest of her earthly life.

A baby was born to one of our Church girls in a Tuberculosis Sanitarium and we were notified to provide a home for the baby at once, as the father had no way of caring for the child and there was no one else who would take the responsibility. The baby could not remain at the Sanitarium; within twenty-four hours we had the baby taken from the Sanitarium and placed with the Children's Home and Aid Society. The Discretionary Fund providing the first expenses necessary until the father was able to carry on.

We could tell you many more such stories, but you can see from these few glimpses into City Missions that we could not carry on this work without the Fund you so generously give us, and we are very grateful.

This Fund is Sacramentally fulfilled through service and each one of you has a definite part in this service through the gifts you give.

Christian Service brings us to the throne of Christ and the Blessed Virgin, His Mother.

Respectfully submitted,

DOROTHY E. D. WEAVER,
Treasurer.

REPORT OF THE DEPARTMENT OF EVENING GUILDS.

Our President, Mrs. Cotsworth, has given special attention to the place of the business woman in the Church's program. As she visited parishes she found Evening Auxiliaries whose members could not attend the monthly meetings, thus missing the inspiration which they always give. She called the leaders of these groups into a council, and plans were made for some evening meetings with Missionary speakers.

Last February the Council elected a representative who was to sit in at the Woman's Auxiliary Board meetings and help Mrs. Cotsworth in visiting branches, acting as a liaison officer between the Woman's Auxiliary and the business woman.

It has been a great privilege as well as a pleasure to serve as this representative in 1936, and I am glad to report that the Evening Division of the Woman's Auxiliary has become a definite organization. Our meetings have been delightful. We have come to know and enjoy each other, and have been brought into closer touch with the Missionary program of the Diocese, the Nation and the World.

We have held two Council meetings this past year, and three Diocesan dinner meetings. A splendid Lenten meeting was held March 17th at the Church of the Ascension, with a Quiet Hour conducted by Father Stoskopf. Eighty were present, representing thirteen parishes. Ninety-five people attended an enthusiastic meeting at St. Paul's, Kenwood, on May 4th, with Mrs. Cotsworth, Mrs. Belliss and Mrs. Hartigan as speakers. The fall meeting was held at St. Chrysostom's, November 4th, with 116 present. Addresses were given by Miss Hammond from China, Miss Gladys Gray from Japan, Mrs. Charles S. Williamson and Bishop-elect Ziegler.

As Chairman of Evening Guilds, I have attended in addition eight monthly meetings and seven Board meetings of the Woman's Auxiliary; three Deanery meetings, a conference of U. T. O. custodians at St. Mark's, Evanston, the Provincial Synod at Madison, and a brief meeting of delegates at the Kenosha Conference. I have had also the great pleasure of visiting five Evening Guilds, and have had many contacts which I hope eventually will mean new branches.

Many parishes have Evening Guilds which are not members of the Woman's Auxiliary. They are members of our Division, however, and we hope that they will soon see the previous value of joining hands with the women of the Church, and enlarging their vision and influence. One such Guild, St. Margaret's, of the Church of the Advent, has become a member of the W. A. this year, and we hope that in 1937 more will do the same.

The business or professional woman, with her trained mind, has much to contribute to Church work. The Church has everything to offer her in fellowship, service, and spiritual resources. In the coming year we hope to develop our work still further, and plead for opportunities to do this. If any Rector or Auxiliary President is interested, or knows of women who are not in any Guild, but could go to the Diocesan meetings, I shall be happy to be of use to them.

May I express our deep gratitude to Mrs. Cotsworth who has always been an inspiration to us, and to the members of the Board who have been generous in their cooperation; also to Miss Christine Jacobs, our efficient secretary.

Respectfully submitted,

KATHLEEN MOORE,
Chairman Department of Evening Guilds.

REPORT OF THE CHAIRMAN OF PUBLICITY.

My main task during the past year has been to gather from the parishes, items of interest to the women, and publish them on the woman's page of "The Diocese." We want this page to be interesting and helpful, and it can only be so, insofar as our women's organizations cooperate. Four of

our branches send, regularly, each month, thru their publicity chairman, a detailed account of the month's activities. We feel that more parishes would do so, if they realized the importance of the help they could give and receive thru an interchange of ideas. Announcements of all future meetings are placed on this page, and a short synopsis of all our meetings is written up. One of the highlights of the womans' page is the inspiring and helpful letter written each month by our president, Mrs. Cotsworth.

Our magazine "The Diocese" goes out of our diocese, into the nation and into the world, and the articles you send may help other groups in distant places. The women are most grateful for the courtesies extended to us by Mr. Boyle and the Directors of "The Diocese." They furnish the woman's page at no cost to us, and I do feel we should take advantage of the opportunities it presents. My plea to the W. A. is:

- (1) Be interested in what your Diocese is doing and build up the woman's page.
- (2) Subscribe to the "Diocese"—a copy should be in every Episcopal home.

Respectfully submitted,

MURIEL H. CONDEE,
Chairman of Publicity.

GIRLS FRIENDLY SOCIETY, 1936.

Leadership was the keynote of the 1936 program of the Girls Friendly Society. Mrs. Cleon E. Bigler led a discussion on leadership at an Associates meeting. Mrs. Leonard Purcell arranged for a Conference for Candidate leaders. The younger members conference was held at the G. F. S. Holiday House at Glenn, Michigan. Delegates were given training in program making, missions, the use of natural instincts, and personality factors necessary to good leadership. Mrs. Benson Belliss and Mrs. John R. King presented the topics.

The fiftieth anniversary of the G. F. S. of St. James' Church was commemorated with a pageant which was written especially for the occasion by Mrs. King. A scholarship fund was established and is available for the members of the society for educational purposes.

Miss Genrose Gehri spoke of her work at the G. F. S. Council meeting which was one of the social service projects for the year. Chase House and St. Luke's Hospital was included in the pledge card. The Diocesan organization supplied a scholarship for a girl at Bantoc, P. I. and contributed \$130.00 to the National Missionary Project, to support an assistant at St. Faith's School, Yang Chow, China.

Four North Side branches had a regional meeting at St. Mark's, Evanston. This was a new venture, and was the means of making known to over one hundred members the Diocesan work of the Society, its officers and their work. Four South Side branches arranged the Annual Meeting at Holy Cross-Immanuel Church. Seven Associates represented Chicago at the National Council held in St. Louis. At that time Mrs. Cleon E. Bigler was elected National Head of Candidates, and Mrs. John R. King, Vice-President of the Province, succeeding Mrs. Richard Austin.

Branches throughout the Diocese have co-operated with other church organizations whenever possible: members are serving on Altar Guilds, as Church School teachers, and singing in church choirs. We feel that our program, which embraces missions, social service, and service to the church, is training our members for a fuller service to the church in years to come. The year has been a very interesting one, and modest but definite progress has been made in the development of leadership.

That the literature of the Church Missions House (281 Fourth Avenue, New York) be kept on file by the Educational Secretary.

That the larger Parishes be zoned by the U. T. O. Custodian, with a key-woman as Captain in each zone, thus increasing the scope of the Thank Offering work.
