Prayers

My God, I offer Thee today
Whate'er I think and do and say;
Teach me, Dear Lord, Thy Holy Will,
Help me my duty to fulfill.

Prayer for Missions

Blessed Lord, Who at this hour didst hang upon the cross, stretching forth Thy loving arms; grant that all mankind may look unto Thee and be saved; through Thy mercies and merits, Who livest and reignest with the Father and the Holy Ghost, ever One God, world without end. Amen.

Prayer for the Woman's Auxiliary

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently and give liberally to make Him known to all nations as their God and Saviour. We ask this for His dear sake. Amen.

The Prayer for the United Thank Offering

O Lord, our Heavenly Father, we pray Thee to send forth more labourers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

Prayer for the Bishop's Guild

O Lord, our Heavenly Father, whose blessed Son came not to be ministered unto, but to minister; be pleased to bless the work and service of the members of the Bishop's Guild in this Diocese. By Thy Spirit lead them to a greater dedication of themselves to the service of Thy earthly Kingdom, that the foundations of our Diocese may be strengthened, the bounds of its service enlarged, the wayward brought back to the Father's home, the weak and helpless protected and made strong, and the message of Thy love carried to them who know Thee not. To our Bishop, grant an abundant outpouring of Thy Grace, that he may be a faithful and loving shepherd to us, and may we, in our greater devotion, hasten the day when the kingdoms of this world shall become the kingdoms of our God, through Jesus Christ our Lord. Amen.

A Prayer for a Prayer Partner

Almighty and most merciful God, we humbly beseech Thee, for the merits of Thy dear Son, to pour out Thy Holy Spirit upon all our missionaries at home and abroad, and especially upon _____, and to crown their labors with success in the gathering of souls into Thy Kingdom, to the honor and praise of Thy glorious name, who art Father, Son and Holy Ghost, one God, world without end. Amen.

MINUTES
OF THE
THIRTY-SECOND ANNUAL MEETING
OF THE
DALLAS DIOCESAN BRANCH
OF THE
Woman's Auxiliary
TO THE
PRESIDING BISHOP AND NATIONAL COUNCIL

* * *

At 2:00 p. m., Wednesday, January 30, 1929, at St. Matthew's Cathedral Parish House, Dallas, Texas, the Thirty-second Annual Meeting of the Woman's Auxiliary was opened by the First Vice President, Mrs. J. S. Herring, in the absence of the President, Mrs. W. J. Lawther, who was called to the bedside of her father who was seriously ill.

The following Greeting from our absent President was read:
My Dear Auxiliary Women:

Through Mrs. Herring I want to welcome you to this, the Thirty-second Annual Meeting of the Woman's Auxiliary in the Diocese of Dallas.

I am grateful to each of you for having made possible the accomplishment of a splendid year's work. You have all worked hard, but I know there is not one woman among you but who has considered it a privilege to have had a share in the work.

We are told so often that Missionary effort is the outcome of the valuing of one's own privilege in Our Blessed Lord's Kingdom. Your work has shown that you firmly believe this because you have put into action the belief that the Woman's Auxiliary's privilege is to help the mind, the body, the soul of man. You have not tried to escape service, because you have learned that in order to bear our own burdens, we have to help others in the bearing of theirs.

To the Diocesan Officers I am exceedingly grateful. They have co-operated and helped in every way. It is difficult to single out any one, but a few I want to mention by name. Mrs. Wood has done her work under the greatest handicap. She has been ill since last summer, but even her physical suffering did not prevent the work being done in her splendid way. Mrs. Belsterling also worked under the handicap of recuperating from a serious operation, but it never once dimmed the happiness she took in the work. Mrs. Warren has had a great sorrow, and Mrs. Newman has had much illness.

As you know Mrs. Thorne resigned as Treasurer last June. I did not get any one to succeed her until August. Mrs. Malcom, because she was an enthusiastic Auxiliary worker,

as well as a very dear personal friend of mine, came to my rescue and offered to take the books off my hand. She is excellent with figures, and has been the greatest help in the work, and I cannot adequately express my gratitude to her. Whatever confusion and mistakes arose, please lay the blame on me, as she acted under my instructions each time.

Whatever suggestions you have please make them, as it will be much easier for your incoming Board to act.

I bespeak for them the same splendid and willing co-operation you have always given your present Board.

Gratefully and affectionately,

Your friend,

HELEN S. LAWTHER.

REPORT OF EDUCATIONAL SECRETARY.

As I come to the end of my three year's term as your Educational Secretary, I wish to tell you what a pleasure this has been, for you have given me such splendid co-operation and have seemed so interested in our work. As is always the case with the leader of a program, I feel I have gained a great deal more than I have given.

Since there has been a yearly report, I shall not attempt to summarize the three years, but give a report of only the past year.

An increasing number of branches are having regular study and programs, devoting at least part of the time at from one to three meetings a month to educational work; some have weekly study during Lent also. A good majority are studying or are planning to study the text-book of the year, *The New Africa*. Other subjects studied were the Bible, Prayer Book, Spirit of Missions, Building the City of God, Our Church Carrying Out Her Commission.

A new departure was the getting up and the printing of a year book of programs, which has seemed to prove helpful. A copy was

sent to each branch together with suggestions for leaders about references and materials. Eight branches ordered copies of the year book for each member and a total of 151 copies were sold at a nominal cost which helped defray the cost of printing.

In the Fall information about the Day of Intercession during General Convention was sent to each branch.

In addition, during the year, I have written 59 letters, mostly in answer to inquiries, and sent material and books in 11 instances.

One disappointment was that the rather extensive trip planned for Deaconess Pitcher had to be called off because of her illness. However, she did visit several places, which were inspired, I know, by her earnestness and her interesting account of her work in China.

In June, at the request of the Secretary for College Work of the National Department of Religious Education I attended at Hollister, Missouri, one of the 10 Regional Conferences of the Student Y. W. C. A. and Y. M. C. A. It was a most interesting and inspiring experience and brought to me a deep personal realization of the great importance of the Student work, a phase of our Church's work which attracted a great deal of attention at General Convention.

From Hollister I went as a guest of the Diocese of Missouri to their Summer Conference at Columbia, Missouri.

Later, while in Minneapolis, I spent a day with the Diocesan Educational Secretary of Minnesota, and attended with her two sessions of the Minnesota State School of Missions (Interdenominational).

In October, as you know, I had the honor of seeing one of your delegates to the Triennial. So you see I have had some varied and most worth-while educational privileges.

At General Convention it was wonderful to see the great interest taken in the Study Classes. 47 courses were offered and every class was filled to overflowing, with a total enrollment of nearly 3,000. Our own Dean Chalmers was dean of this "Training Institute."

In fact, throughout the whole convention I was impressed with the stress laid on educational work. "Inform the people of the facts, and there will be little trouble in getting them to work and give."

If we are guided by the resolutions passed at the Triennial the scope of our educational work is greatly enlarged. It is to be more than informing the women of the Auxiliary about all phases of the Church's work, we are also to help educate and inform all the women of the Church, the young people and the men; moreover we are to "help educate public opinion" on matters tending towards bringing about the Kingdom of God on earth. If you would be informed of the tremendous field for educational work, read again your Diocesan President's splendid report of the Convention, and also get a copy of the "Minutes of the Triennial," which may be obtained from the Church Missions House, 281 Fourth Avenue, New York, at 10c a copy.

MRS. H. G. LUCAS,
Educational Secretary

REPORT OF CORRESPONDING SECRETARY
Mrs. R. H. Steger

January 18th, wrote thirty-five letters to Branches asking for list of Delegates to the Council, and enclosing Program of the Thirty-fourth Council.

MRS. R. H. STEGER,
Corresponding Secretary.

During the year 1928, I have written seventy-six (76) letters to the Parishes and Missions of the Diocese. I have received gifts from twenty-five (25). I have written twenty-five (25) letters to the National Treasurer.

Our gift this last year, of the Triennial ending December, 1928, amounts to \$196.25.

In the three years of Triennial, our gifts amounted to \$533.69. We were asked for \$500.00, but did not promise that amount.

The goal set by the Executive Board, meeting in New York in December, for this Triennial, is \$50,000.00.

The first object of gift is for a Church in Santo Domingo, Dominican Republic, \$25,000.00

Then for water supply, St. Michael's Mission, Wind River Reservation, Wyoming, \$10,000.00

Chapel at Mt. Hope (sometimes called Silver City) Canal Zone, \$5,000.

Boy's Dormitory, Christ School, Arden, North Carolina, \$10,000.00.

The Board is desirous that the \$50,000.00 be raised by Epiphany, 1930, one-half (1-2) of it by Easter of 1929, therefore the different Branches are asked to send their gift for 1929 as soon as possible.

Received for stamps, \$2.00. Respectfully submitted,

MRS. WM. BELSTERLING,
 Diocesan Chairman, Corporate Gift.
