WOMAN'S AUXILIARY

TO THE

NATIONAL COUNCIL

Delaware Branch

48th Annual Report

1933

IN MEMORIAM

On January 30th, 1934, Helen A. Littell entered into the Life Eternal.

In her death the Woman's Auxiliary of the Diocese of Delaware has lost one of its most beloved, as well as one of its most valuable and efficient workers.

Her special field of activity was as Director of the Church Periodical Club; her ardent zeal and devotion setting a high standard for those who are to take up her work.

We, her sorrowing friends, thank God for such an example of Christian womanhood, for her life of spiritual radiance, of service that was always untiring, self-sacrificing, devoted and joyous.

Since we have been privileged to know and love her, it is for us to follow faithfully where she has led, to be still with her in the blessed Communion and fellowship of the Church, through which we know she has entered into the joy of her Lord.

"Christ present her, God receive her".

PRAYERS FOR THE USE OF THE WOMAN'S AUXILIARY

The Prayer for the Woman's Auxiliary

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. Amen.

Noonday Prayer for Missions

Blessed Saviour, who at this hour didst hang upon the cross stretching forth Thy loving arms, grant that all mankind may look unto Thee and be saved, through Thy mercies and merits, who livest and reignest with the Father and the Holy Ghost, ever one God, world without end. Amen.

The Prayer for the United Thank Offering

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy Harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of prayer and gifts and joyful service, and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

The Prayer for the Church Periodical Club

Bless, O Lord, we pray Thee, the Church Periodical Club, that it may be an instrument of service in Thy hands. Grant to its officers wisdom and patience, to its members perseverance and the spirit of sharing that asks no return. Bring many more to take part in its activities. Bless our gifts and those who receive them, to the enriching of individual lives and to the growth of Thy Kingdom throughout the world, through Jesus Christ our Lord. Amen.

A Prayer for the Family of Nations

Almighty God, our heavenly Father, guide, we beseech thee, the Nations of the world into the way of justice and truth, and establish among them that peace which is the fruit of righteousness, that they may become the Kingdom of our Lord and Saviour Jesus Christ. Amen.

PRESIDENT'S REPORT

MAY 1933

The work of the Auxiliary has gone on as usual, with perhaps a little falling off in contributions, but I think not in the supply work and our knitting is in excess of anything we have done before. All the regular meetings of the Auxiliary and the executive meetings have been held and one special meeting of the Executive Board. I have attended all the meetings and the Quiet Days and Intensive Days in each county. The Quiet Day at Laurel, conducted by the Rev. Martin Bram, was a helpful and memorable one. The Intensive Days were the most interesting we have had. Under Mrs. Linton's enthusiastic guidance, a steady improvement is very noticeable and gratifying. I have accepted all invitations to visit the parish branches except one, which I had to miss on account of being sick with a cold. Our meetings have been well attended and our speakers interesting. I was especially pleased to have some of the girls from our two Junior Woman's Auxiliary branches, take part in the Intensive Day meetings, those from Christ Church, Christiana Hundred, singing an Indian song at the New Castle County meeting, and those at Laurel acting a little play at the Sussex County meeting.

The secretaries of the different branches of the work will give an account of the year's accomplishments in greater detail.

As this is my last report and my term of office expires tomorrow, I want to thank you all for the good work you have done, upholding my hands in everything and forwarding the Master's work and the coming of His Kingdom.

LOUISA L. BRADFORD.

PRESIDENT'S REPORT

December, 1933

In presenting this, my first report as your President, I want in the beginning to express my thanks to the members of the Executive Board for their cooperation. They are a splendid group of women and I hold it a privilege to work with them.

The October meeting, held in St. Andrew's Church, in Wilmington, was well attended.

At a special executive meeting my appointment of Mrs. Ernest May as custodian of the "United Thank Offering," was confirmed, to take the place of Miss Grace Beadenkopf, resigned.

It has been my privilege to go with Mrs. Linton to some of her educational meetings, and a great satisfaction to note the increased attendance and interest displayed by the members of the Auxiliary in each of the three counties.

A nominating committee has been appointed, consisting of Mrs. William D. Bradford, chairman; Mrs. Clarence D. Clark and Mrs. Henry R. Higgins.

The Epiphany meeting was a great personal satisfaction—first of all, it was particularly nice to have the Auxiliary meeting in my own parish and the attendance was good. Our speakers brought an inspiring message. In the words of Miss Parke, if we work on faith and prayer, anything is possible.

Let us unite in an effort to realize the threefold aim of the Woman's Auxiliary—prayer, work, gifts—and in so doing, help to make this world the Kingdom of Our Lord and Master.

MARGARET W. BAKER,

President.

EXTRACTS FROM THE MINUTES

EPIPHANY MEETING

Two amendments to the By-laws were adopted.

Article I, Section 1. A nominating committee consisting of one member from each county shall be appointed by the president at the Epiphany meeting.

Article III. The dues of each parish branch shall be \$3.00 a year for a branch of 20 members or less, and an additional ten cents per capita for a branch of over 20 members. Dues are payable by April 15th of each year.

It was voted that offerings at the Quiet Days be applied to General Missions, after expenses have been deducted.

MAY MEETING

It was voted that Mrs. Philip Cook, as the Bishop's wife, be made Honorary President of the Auxiliary. The president re-appointed Mrs. John Boyt as Corresponding Secretary; Mrs. Robert R. Rayner, Custodian of Advance Work; Mrs. George R. Hoffecker, Chairman of Knitting; Mrs. John Harvey, Assistant to Supply Secretary; and Mrs. Edward H. Ford, Custodian of Fund for St. Luke's Hospital, Tokio.

OCTOBER MEETING

The president announced the resignation of Miss Grace Beadenkopf as Custodian of the United Thank Offering and the appointment of Mrs. Ernest N. May as her successor. A message of love and sympathy was sent to the family of Mrs. John Harvey, the late Assistant to the Supply Secretary.

REPORT OF GIRLS' FRIENDLY SOCIETY

MAY 1933

The Girls' Friendly Society is continuing to meet the needs of girls in different parts of the Diocese.

It was with great regret we were forced to accept the resignation of Miss Louise Tatnall, our beloved president and outstanding worker with girls, because of ill health.

Miss Elizabeth Fisher, of St. Andrew's, was elected president, and has won her place in the life of the Girls' Friendly Society in years past. Delaware has always been very fortunate in its choice of leadership, and Miss Fisher is remarkable in her sympathetic understanding of girls.

During the past year two new branches have been formed, at Marshallton and Milton. The Girls' Friendly has for its motto, "Bear ye one another's burdens," and we try to do it in a threefold program of Education, Religion and Recreation. It is self-governing and meets the need of the girl of the present day, we believe.

Respectfully submitted,

ISABEL WAGNER.

The Spring work was a great deal, but every branch did more than its part, and when the Fall work came in, it was doubled in amount. I sent it out, and was proud of having every article turned in, in due time. We sent extra knitted things to Liberia, that were sent from one branch. The Spring work of 1934 is on hand, and I know it will be taken care of cheerfully.

Mission Associate.

ADVANCE WORK

During the year only two parishes contributed to this branch of the work:

Old Swedes', Wilmington	\$5.00
St. James', Stanton	5.00
Total	\$10.00

At the request of Bishop Cook, this account is being held open in order that we may be in line when our funds are needed.

Little is being done in Advance Work at the present time, but it is far easier to continue interest in a project than re-awaken it. It is hoped every parish will include something for Advance Work among its pledges, however small it must be.

REPORT OF CORRESPONDING SECRETARY

276 notices of meetings, 26 letters, 33 questionnaires, 10 annual reports, in addition to the ones sent each parish in February.

BLANCHE E. BOYT.

REPORT OF THE EDUCATIONAL SECRETARY

January 1, 1933 to December 31, 1933

It is a great pleasure to report for the past year a continued increase of interest and activity in the educational work on the part of most of the branches of the diocese. The concluding Education Day, known in each county this year as Indian Day, marks the culmination of reading and study during the period and is an index to the interest and enthusiasm shown in the subject.

These meetings were held at Dover, Laurel, and Immanuel Church, Wilmington, with the largest attendance yet in each county: 33 in Kent, 55 in Sussex, 115 in New Castle County—203 as against 146 last year. Kent had 100 per cent in number of branches represented, New Castle 80 per cent, Sussex 70

per cent. The Junior branches of Laurel and Christ Church, Christiana Hundred, also took part. Twenty-four branches were represented, 7 absent.

Each county had a fine exhibition of relics and Indian arts; and besides these, there were numerous posters about Indian life, missions, etc., and a quantity of colored pictures, some mounted and suitable for hanging, to be sent to Indian missions, many of these pictures prepared by some of the young people of the parishes. At Dover, the exhibit of things Indian was made a part of the set program, interesting details being given about various ancient tools and utensils found in the immediate neighborhood, and examples of blankets, jewelry, etc. of western Indians. At Laurel, the walls were covered with attractive and instructive posters; examples of Indian art were arranged on tables beneath them. The platform in the front of the room was set as a girls' room in an Indian school. At Immanuel Church, Wilmington, the very large exhibit was arranged in groups by parishes, the sections marked by small tepees bearing the name of the parish. These exhibitions, our first attempt at anything of the kind, were most satisfactory. It is a pity that all three could not have been seen by all the Auxiliary.

The general plans of all three programs were similar: papers on subjects connected with Indian problems of education, health, missions, etc., and occasional hymns or Indian songs and legends. Every number was very well worth hearing, and worth talking about; I will mention only a few: a paper on The Story of the Blanket, how the Spider Woman taught the Navajo women to weave. The hymn Holy, Holy, Holy, sung in Dakota language. A member of St. John's branch gave a monologue, "The Turquoise Way", a story of an Indian woman's life from childhood until she became a Christian teacher among her own people. This was so artistically done that we who heard it know that Indian woman personally, because we really heard *her* speak. An Indian song, "Arise", was given by a group of Juniors from Christ Church and a play, "Which Trail", by a group including some Juniors from

Laurel. And last, Immanuel, Wilmington, presented, with appropriate stage setting and wonderful costumes, a dramatic presentation of a Navajo family and the ceremony of blessing the hogan.

Those who heard any of these programs must have a deeper interest in our American Indians. Our thanks to all those who made them possible.

These county meetings were started three years ago. Each year a greater number of people have shown interest in the subject considered. This year two-thirds of the branches have had study groups or some variety of reading group meeting regularly with average attendance varying from 5 to 25. Each year, the final programs have shown a wonderful growth in excellence and finish of product. Each year the audiences have given more informed and enthusiastic support.

Our Indian Days have been a real achievement—biggest attendance, best programs, greatest interest yet! Shall we raise our standard higher still next year?

The fall get-together meetings to discuss the new work were held as follows: Sussex County, Lewes, November 3, 38 present representing 6 of the 9 branches; Kent County, Camden, 16 present representing 3 of 6 branches (Middletown is included in this group); New Castle County, Calvary, Wilmington, 32 present representing 8 of 14 branches.

At each of these a brief outline was given of the subject: Christ and the Modern World. Two items of business were taken up. First: the advisability of having an educational secretary in each parish to be the representative of the diocesan educational secretary, to keep the members of the branch in touch with the educational plans of the diocese, and to further missionary instruction in the parish. This plan was unanimously endorsed. Second: How to meet the need for assistance in getting material, plans, methods for putting the missions subject before the parish. It was suggested and approved in each county, that an intensive class for leaders be held, each branch to send two delegates, one of whom should be the parish educational secretary. Sussex County decided to have

an Intensive Day at Georgetown, Dec. 14. Kent County also decided on the Intensive Day with two delegates, but agreed to welcome all others who cared to come. New Castle County decided on a series of three sessions to be held at St. Andrew's, Wilmington, on Tuesdays, January 9, 16, 23, from 7:30 to 9:00 P. M.

The decision about educational secretaries resulted in the appointment of secretaries in ten parishes. That means that 21 parishes have secretaries. 8 branches have not yet reported.

The Sussex Co. Intensive Class was held at Georgetown on Dec. 14. 14 people were present, 5 parishes represented. The Schedule for the day was as follows:

10:00, Holy Communion; Celebrant, Rev. R. Y. Barber, rector of St. Philip's, Laurel.

10:45 to 1:00, Class Sessions.

1:00 to 1:45, Box Luncheon.

1:45 to 3:15, Class Sessions.

A very informal plan was adopted for the discussion hours. The Leaders' Manual was used as the basis of instruction, the leader explaining the topics taken up and suggesting references, methods, etc. which were discussed by the members of the class. As far as your secretary knows, this was the first round table conference for leaders to be held in this diocese. The interest shown and the free discussion of the different topics indicate, we hope, a good year in missionary education.

Following are some statistics:

Your secretary made 11 visits besides the 6 county meetings, thereby coming in direct touch with all but 2 branches.

Books, Pamphlets, etc. distributed on the subject, "American Indians." This includes the period from Sept., 1932, to May, 1933—

Facing the Future in Indian Missions	47

From Sept. to the present time, some 49 books and 37 Leaders' Manuals, 50 W. A. Prayer Cards, and 5 Women's Aux. in the Life of the Church have been distributed.

During the past year, in spite of the fewer individually mailed magazines in every parish, and the difficult times everywhere, we believe the Church Periodical Club in Delaware has progressed remarkably well. There have been an even more varied number of odd articles turned in to it, all of which have been placed up to date.

Child's Cradle	1	Boxes of Used Clothing	3
Vases	2	Boxes Silk Stockings for Rug	
Fountain Pens	2	Making	2
Toys	50	Victrolas and Records	2

Miscellaneous Articles: Books of crochet instruction; 1 pair of glove stretchers; pair of crutches; wall charts and maps; scrap books and materials; pair of scissors in case; change purse; stamp Kraft book; 2 pairs of book-ends; S. S. medals and pins; key holder; memo pads and pencils; note, address and cooking books; bridge lesson books; 11 pairs eye glasses and cases.

Books and magazines have been coming in steadily, and the committee decided it needed more workers. Then the sudden loss of our beloved leader, Miss Helen A. Littell, was a blow to the club from which it will be very hard to recover. Miss Littell was entirely responsible for the great progress the C. P. C. made in Delaware. She made the contacts, had the helpful ideas, saw that things were done, in fact was the prop and mainstay of the club, doing nearly all the work herself, with the most tremendous energy. Never was there a more faithful and devoted church worker, a brighter or happier individual, nor a more thorough or tireless leader. We who had the privilege of knowing and working with her shall always remember with true affection that courageous, splendid and lovable character.

The Diocesan Committee and the parish secretaries are ready to work to their utmost to carry on the good work of Miss Littell under whoever the Auxiliary sees fit to appoint. May there be someone willing to come forward quickly and take charge of the work to which she gave so much of herself.

SOCIAL SERVICE REPORT

May, 1933

The Social Service Committee in the Diocese of Delaware has been very active in the Auxiliaries, sewing and providing meals for the Employment Relief Workers who sew for the Red Cross. We as a unit in the church helped keep the Pantry Shelf stocked, and sent clothing to the Mayor's Relief and the Family Society this past Winter. The Juvenile Court work has gone ahead as heretofore. With the correction of physical defects there is always an improvement in the delinquent child, and in many cases he ceases to be a problem.
