PRAYERS FOR THE USE OF THE WOMAN'S AUXILIARY

The Prayer for the Woman's Auxiliary

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. Amen.

Noonday Prayer for Missions

Blessed Saviour, who at this hour didst hang upon the Cross stretching forth Thy loving arms, grant that all mankind may look unto Thee and be saved, through Thy mercies and merits, who livest and reignest with the Father and the Holy Ghost, ever one God, world without end. Amen.

The Prayer for the United Thank Offering

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy Harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of prayer and gifts and joyful service, and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

The Prayer for the Church Periodical Club

Bless, O Lord, we pray Thee, the Church Periodical Club, that it may be an instrument of service in Thy hands. Grant to its officers wisdom and patience, to its members perseverance and the spirit of sharing that asks no return. Bring many more to take part in its activities. Bless our gifts and those who receive them, to the enriching of individual lives and to the growth of Thy Kingdom throughout the world, through Jesus Christ our Lord. Amen.

PRESIDENT'S REPORT

As we approach the beginning of a new year it is not an unusual thing to look with regret upon our failures while recording with satisfaction our accomplishments of the past twelve months.

As a whole, our work has been encouragingly satisfactory. Our new Cathedral branch has been formed and in most particulars there has been a slight increase in membership and interest. Our stated meetings, Epiphany, May, and October, have all been well attended, and appeals generously responded to.

Quiet Days have been observed in each County and were periods of spiritual refreshment.

The customary County Auxiliary Days have been of deep interest and we regard these group meetings as of great help in keeping all Parishes of the Diocese informed of the work before us and the proposed method of its accomplishment.

I refer you to the personal reports of the different Secretaries and Chairmen here printed for information of the results achieved in each department.

The Social Service Department which was inaugurated in October, 1936, will, we hope, be instrumental in drawing in to active service an interested group of young women of the Church.

The Woman's Auxiliary to the National Council is the organized power of the Church, and rightfully all departments of the women's work of the Church should be under that organization. This may readily be accomplished through the Social Service Department which covers all Guilds, welfare, and civic work, and may include all ages and groups without affecting their identity or close association.

The following delegates represented the Woman's Auxiliary of Delaware at the Triennial Convention in Cincinnati:

Mrs. Robert B. Rayner, President.

Mrs. Edward W. Maynard, Secretary.

Miss Anne W. W. Bell, Treasurer and Provincial President of the Girls' Friendly Society.

Mrs. Ernest N. May, U. T. O. Custodian.

Mrs. John Boyt, Supply Secretary.

The Church Periodical Club was represented by Mrs. William C. Speakman.

In behalf of the entire delegation I wish to thank the women of the Diocese for the privilege of two weeks of incessant work and very long days made rich by experience and close association with the leading women of the Church.

AURORA T. RAYNER.

EXTRACTS FROM THE MINUTES

Epiphany meeting, January 14, 1938, at St. Anne's, Middletown, ninety members present. Speaker was Dr. John Chapman, for many years missionary in Alaska, who told of work with Indians and the mission at Anvik.

REPORT OF THE EDUCATIONAL DEPARTMENT

January 1 to December 31, 1937

The Educational Secretary reports continued interest in missionary education in the Woman's Auxiliary. This does not mean that we are doing all we can in this appointed task of learning about the work our Church is doing to spread the Gospel through all the world. But it does mean that real effort and interest is being shown in a majority of our branches, and there is an encouraging recognition of the need for such knowledge even on the part of those branches which are not yet very active in this line. Though seven branches sent no report and four reported nothing done, nineteen have had some sort of missionary instruction, and most of them show real accomplishment. Some branches had regular weekly sessions with a different leader for each session, with much discussion and active interest. A few report passing books around to be read. Nearly all the branches had at least one speaker on Negro America or Africa; a number had the Rev. Mr. Henry to tell about his work; several individuals went to hear the daughter of Bishop Gardner of Liberia. One branch had a six-session class on General Missions and a twelve-session week-day Bible Class, both well attended; another had a most intensive and successful study class. They worked out a Summary of Attitudes Resulting from the Study, and they made such concrete applications as contributions to the work of our own Negro priest and to Bishop Demby of Arkansas, a native of Delaware; and a letter was sent to each of the two houses of the State Legislature urging the passing of a bill providing an appropriation for new buildings and equipment for the Edgewood Sanitarium for Negro tubercular patients, the present plant being inadequate and unsafe.

A G. F. S. Branch entertained their parish branch of the Woman's Auxiliary at an African Palaver with a most naturalistic jungle setting.

"The Church and Rural America" has been chosen by most of the branches for study during the season just begun.

The following books have been added to the Diocesan Library this year: "Understanding Negro-Americans" (a Leader's Handbook), "Liberia" (a Church Missions Handbook), "Aggrey of Africa," "Christ in the Dark Forest," "Twelve Negro Americans," "The Life of Temple Gairdner of Cairo," "Consider Africa" (cloth bound), "Preface to Racial Understanding" (cloth bound), "The Story of the American Negro."

REPORT OF THE CHURCH PERIODICAL CLUB**January 1, 1937 to December 31, 1937****DIOCESAN COMMITTEE MEMBERS**MRS. WILLIAM C. SPEAKMAN, *Director No. 58*MRS. ROBERT N. DOWNS, 3RD, *Treasurer*

I am happy to report that the Church Periodical Club has attained its majority, for one finds an active Secretary in every branch of the Diocese of Delaware.

The County Auxiliary Days have proved most helpful in giving me an opportunity for explaining the aims and objectives of the C. P. C.

In addition, the personal contacts which I was able to establish by accepting the invitations of the various branches to visit them, have been a source of great encouragement and generally brought about a prompt response to my appeal.

My gratitude goes to all Parish Secretaries who have distributed magazines in rain and sunshine alike. Also to Trinity Church for the use of a large room in the Parish House where the Diocesan Committee meets every Monday, except during the summer months.

Our work is financed by donations from the Parish Branches, by gifts and by Associate Membership Dues of \$1.00 yearly.

As subscriptions to good magazines are falling off, may I suggest that a canvass be made during the Christmas season for subscriptions to be sent as Christmas gifts to our missionaries at home and abroad, lest we forget to do good and distribute.

The following report speaks for itself and is compiled from the Diocesan report and the reports from all Parish Secretaries:

MARIE A. V. SPEAKMAN,
Director No. 58.

REPORT OF THE DIOCESAN SOCIAL SERVICE DEPARTMENT

The Secretary of this Department has emphasized Juvenile Court probation work in Kent and Sussex Counties as a demonstration to the State of the great need for this work.

During the past year ninety children have been through the courts; five were sent to the school, the rest are on probation. Three hundred and twelve home visits have been made in Sussex, 336 visits in Kent, 240 visits to schools, 96 to the courts; many conferences held with other social agencies, and 10,100 miles covered; twenty-four towns and environs visited each month.

It was hoped that the Legislature would realize the State's responsibility for the children of Delaware. A probation officer with a workable budget would cost \$2,500, and many children would be given a fresh start; the State would be saved the cost of keeping many children in the Industrial Schools.

The work in New Castle County continued with the girls in the Girls' Friendly Society under the leadership of Miss Anne Bell.

Clinical work for the children of the Court has gone ahead. Ninety-six visits were made to the Court, 304 visits to homes, 150 to clinics.

In my work in Rural Delaware I see the need for some kind of Community House that will serve as a recreational center for the boys and girls as well as their parents. This work ought not be undertaken without consulting other agencies, such as the Children's Bureau and the Mother's Pension. This would seem to be our next step forward.

ISABEL WAGNER.

SUMMARY OF THE REPORT OF THE FIRST WOMAN'S AUXILIARY SOCIAL SERVICE SECRETARY IN DELAWARE

First, I wish to emphasize that Social Service work is not new to any Woman's Auxiliary member. It is the basic work of the Auxiliary at large.

The department was formed to enable us through an organized plan to render helpful service to the needy.

This service has been given during part of the year through a group of young women who have worked with juvenile court children; have formed a motor corps for the Family Society and Relief Commission; have worked with needy families connected with our Church whenever the Woman's Auxiliary has been notified of the need. All this has been done with the help of Miss Wagner and several social service workers in Wilmington who have talked to the group on their particular fields of work, and several women in various Auxiliaries who assisted with individual cases.

The plan is to have a social service department in every branch in the Diocese eventually, and this group has shown some of the lines along which the department can work.
