## — F O R E W O R D —

As we survey the work of another year we are strengthened and encouraged by the unfailing loyalty and devotion of the Woman's Auxiliary throughout the Diocese. It is one of the organizations that is like the little brook, it seems to go on forever, and it goes on without laying upon the Bishop or the clergy any undue burdens. I have always felt that the genius of the Auxiliary resides in its singleness of purpose. It has one aim and end, namely, the winsome and appealing cause of missions. It takes at its full value our Lord's great command: "Go ye into all the world and disciple the nations." There have been times when for a brief space the Auxiliary as an organization has looked with favor on other fields of service, but a wiser judgment has prevailed and it has stood by its chosen program. From the earliest days of my ministry down to the present hour, I have regarded the Auxiliary as holding a place of unique value in the economy of the Church. I believe that under Mrs. Spencer Wood's devoted leadership, the past year registers an advance over the years that have gone before. Evidently to the mind of every member of this great organization the only norm or standard of service and giving is that which expresses wholehearted, complete consecration.

While it is not my privilege to be present at the meetings as frequently as I could wish, may I send to every member of the Auxiliary throughout the length and breadth of the Diocese, an expression of my deep gratitude for their consistent, high-minded, unfailing service.

JAMES E. FREEMAN,

*Bishop of Washington*

## THE PRESIDENT'S MESSAGE

For two years we have worked together and I can truthfully say, for my own part, that it has been with increasing joy, as the spirit of loving understanding, that makes of the Woman's Auxiliary one family, has also grown.

As your President, I have some disappointments to meet, but I have also the happiness that comes from a report of work well done.

The simplicity of the Annual Report Blank makes all the more apparent the development of a branch in certain definite ways;—in its Devotional life, in its Educational work, in its Supply work, while the United Thank Offering report tells a vital story in itself.

The Standard Branch, as given in the President's Letter of January, provides a table of points by which to measure a branch's accomplishments.

Although some flexibility of administration is allowable, there are fundamental aims and ideals to which loyalty is required.

It should not be possible for any branch to grow so faint-hearted as to give up entirely, especially now when every person in the Diocese has had the opportunity of gaining spiritual vision during the recent Mission.

The Diocesan Officers are quick to respond to every appeal for assistance and they are glad to go to any branch requesting their presence.

The Church for a long time has barely held the line. Now the call has gone forth, in the Name of her Leader, to Advance.

The National Council has asked for a Corporate Gift of \$1,500,000 from the Church. The share of our own Diocese is \$30,000, this being half of the amount needed to rebuild the Bishop Payne Divinity School.

A schedule of gifts has been prepared in amounts ranging from \$1,000.00 to \$5.00. Of these latter, it is expected that there will be two thousand, provided by the membership of the Auxiliary. Individual gifts may be Memorials to faithful members of the household who served as butlers, cooks, maids, nurses, coachmen, chauffeurs, laundresses, gardeners or in some other capacity.

Gifts may also be made in acknowledgment of the faithful service of one still living who, in this way, will receive the pleasure that comes from recognition of duty well performed.

In this last year of my term of office, the opportunity is at hand to show our love for the Master and our devotion to His Cause.

Let us humbly implore: "Teach us, good Lord, to serve Thee as Thou deservest; to give and not to count the cost; to fight and not to heed the wounds; to toil and not to seek for rest; to labour and not to ask for any reward, save that of knowing that we do Thy will, Through Jesus Christ our Lord. Amen."

## PRAYERS

### FOR THE WOMAN'S AUXILIARY

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. Amen.

### FOR THE UNITED THANK OFFERING

O Lord, our Heavenly Father, we pray Thee to send forth more labourers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom through Jesus Christ our Lord. Amen.

### FOR THE DIOCESE

Almighty God, who feedest Thy flock, and callest Thine own by name; Mercifully keep this whole diocese, and lead each parish in the way, that we may be cleansed from all our sins, and serve Thee with a quiet mind. Hallow and bless to us the sacraments and services of Thy Church. Inspire our clergy to show forth Thy truth by their preaching and living, and daily to minister according to Thy will. Bless the rulers of this land. Send forth labourers into Thy harvest, and hasten the coming of Thy Kingdom in all the world. Make Thy cathedral in this diocese a house of prayer for all people, and in each neighborhood make the parish church a spiritual home. Keep our communicants in singleness of heart, from unbelief and worldliness, giving them grace, both in their homes and callings, faithfully to confess Thy Holy Name. May all our children be taught of Thee. Draw to the cross those who are impenitent and hardened in sin. And, we beseech Thee, heal the sick, comfort the sorrowing, relieve the distressed. In all our work for Thee may Thy Holy Spirit direct and rule our hearts. Move Thy people to give as Thou hast given to them. Fill the workers with the spirit of power, of love, and of a sound mind; and while we plant and water do Thou give the continual increase; through Jesus Christ our Lord. Amen.

### FOR THE CHURCH PERIODICAL CLUB

Bless, O Lord, we pray Thee, the Church Periodical Club, that it may be an instrument of service in Thy hands. Grant to its officers wisdom and patience, to its members perseverance and the spirit of sharing that asks no return. Bring many more to take part in its activities. Bless our gifts and those who receive them, to the enriching of individual lives and to the growth of Thy Kingdom throughout the world, through Jesus Christ our Lord. Amen.

### NOONDAY PRAYER FOR MISSIONS

Blessed Saviour, Who at this hour didst hang upon the Cross, stretching forth Thy loving arms, grant that all mankind may look unto Thee, and be saved; through Thy merits and mercies, Who livest and reignest with the Father and the Holy Ghost, ever One God, world without end. Amen.

## **REPORT OF THE VICE-PRESIDENT FOR THE DISTRICT OF COLUMBIA**

It was my privilege to preside at the last Annual Meeting because of the illness of the President.

Three new Branches have been organized: at Trinity Church, Takoma Park; at Esther Memorial Church of the Holy Communion at Congress Heights; and at St. George's Mission. In addition to assisting in organizing two of the above Branches, I have visited twelve others, often with other Diocesan officers.

There are still in the District of Columbia four Churches and seven Chapels without Branches of the Woman's Auxiliary. I am writing to the clergymen in charge and hope for cooperation from them. We want to be 100 per cent in the District and in the whole Diocese of Washington.

Respectfully submitted

**ESTHER C. COOKE,**

Vice-President, the District of Columbia.

## **REPORT OF THE VICE-PRESIDENT FOR MONTGOMERY COUNTY**

Ten branches of the Woman's Auxiliary are functioning in this county. Four of them, All Saints' with three B Branches; St. John's, Bethesda; Grace Church, Woodside; and Ascension Church, Silver Spring (formerly Silver Spring Mission) are in the thickly settled part of Montgomery County adjacent to the District of Columbia line. Four of them are in towns, Christ Church, Kensington; Christ Church, Rockville; Ascension Church, Gaithersburg; and St. Peter's, Poolesville and Christ Church, Barnesville. Two are in the open country, St. Bartholomew's, Laytonsville; and St. John's, Olney. All are classed as rural and all save one have paid their annual dues. There are about four hundred members in all.

Mrs. Taber's visit to the branches was not only helpful to them, but was also of the greatest benefit to your Vice-President, who was enabled to see the work in a county-wide way presented by one who has had nation-wide experience.

The County Meeting held at St. Bartholomew's Church, Laytonsville, on the tenth of October was, as always, a day of real Woman's Auxiliary inspiration. The theme of the meeting, College Work, was most ably presented by Mr. Coleman Jennings, and the offering was used as a gift to the new St. Andrew's Church at College Park.

Montgomery County needs and asks for the interest, the understanding sympathy and the prayers of all the other branches in the Diocese of Washington, that this work may continue and grow.

Respectfully submitted,

**MARGARET ELGAR SHERMAN JONES,**

Vice-President, Montgomery County.

## REPORT OF THE VICE-PRESIDENT FOR PRINCE GEORGE'S COUNTY

The Spring Meeting of the Auxiliary Branches of Prince George's County was held at Trinity Church, Marlboro. Owing to the unseasonable heat it was a small meeting. The speaker was Mrs. Taber who also held a conference with the Presidents. Three Diocesan officers were present. Mrs. Hopkins met with the treasurers and helped them towards a better understanding of financial matters. The offering went to the unfilled diocesan pledges. Mrs. William S. Hill, of Marlboro, was elected secretary-treasurer to serve in the county for three years.

The Fall meeting was at St. Philips, Laurel. Dr. James Morris spoke in the morning of the work in Brazil. The offering was given to him to be used at his discretion. Mrs. Martin met the Educational Secretaries to outline the year's program of Mission study; at the Presidents' conference a model constitution was given to each one, with the request that she submit it to her Branch for adoption; stressing the need for definite length of term and rotation in office.

During Mrs. Taber's stay in the Diocese she visited each of our branches and one parish guild; in two cases women from parishes without branches were invited to join their neighbors; she spoke at five Sunday services; one of them was at St. Simons, a colored chapel.

I regret to report that we have lost one branch. St. John's, Beltsville, has been, by its own request, dropped from the roll. Seven persons attended Summer School, three of them from B Branches. In preparation for our gift to the advance work program, each branch has been supplied with information including a report of the Bishop Payne Divinity School.

Respectfully submitted,

**HELEN BURNSIDE GRAHAM,**

Vice-President, Prince George's Co.

## REPORT OF THE VICE-PRESIDENT FOR CHARLES COUNTY

The Charles County Branch of the Woman's Auxiliary held two meetings during the year—one in June at Wayside and the other in September at St. John's Chapel, Pomonkey. Owing to the early date of the fall meeting, no Diocesan Officers were available and the meeting was carried on by Charles County people.

One new branch was formed, making a total individual membership of seventy-five.

Mrs. Taber's visit in May and the mission in November were a great inspiration, and, with such opportunities, the work of the Auxiliary is bound to go forward in Charles County.

Respectfully submitted,

**HATTIE REEDER BURROUGHS,**

Vice-President, Charles County

## REPORT OF THE VICE-PRESIDENT FOR SAINT MARY'S COUNTY

Although St. Mary's County is not so well organized as other counties, we have held one annual meeting, this in November at St. Mary's City, beginning with a celebration of the Holy Communion in Trinity Church. Four parishes were represented and all seemed interested in the Auxiliary work. In the afternoon, an Institute, conducted by Mrs. Martin and Mrs. Graham, was enjoyed and appreciated by the members of the various branches.

I am resigning as Vice-President and feel confident that the work will increase under the able supervision of my successor.

Respectfully submitted,

SARAH LAMDIN LOKER,

Vice-President, St. Mary's County.

## REPORT OF THE RECORDING SECRETARY FOR THE YEAR 1930

The Woman's Auxiliary of the Diocese of Washington held seven business meetings during the year. Six were held at the regular hour of two o'clock and one at eight in the evening. The average attendance was 168, representative of 52 branches.

Corporate Communion preceded the Annual Meeting in January, the Officers' Conference in February, the Devotional Hour in March, the Annual Institute in November and the Anniversary Service in December. At the December service in Bethlehem Chapel were commemorated the names of those members who during the year had passed on into the Life Triumphant.

Speakers during the year included Bishop Freeman; Miss Winegar, Secretary of the Board for Mountain Work in the Blue Ridge Archdeaconry; Bishop Rowe and Deacon Mather of Alaska; Mrs. Taber, National Field Worker under the U. T. O.; Dr. Mary James of Wuchang, China; the Rev. George B. Gilbert of Middletown, Connecticut, who spoke on Rural Work; Miss Cornelia Sorabji of India; the Rev. Robert W. Patton, D. D., Director of the American Church Institute for Negroes; Mrs. Anson Phelps Stokes, who presented the work of the Woman's Committee of the National Cathedral; Mr. Lawrence Choate, who told of the Faith and Youth movement; and Miss Grace Lindley, National Executive Secretary of the Woman's Auxiliary.

There are 70 Branches of the Woman's Auxiliary in the Diocese of Washington with an approximate membership of 2054. Of these 11 are B Branches and 4 are Night Branches. Five Branches were organized during 1930—Trinity, Takoma Park; Esther Memorial, Congress Heights; St. George's Mission, Washington; Trinity, Newport; and Ascension, Gaithersburg. One Branch, St. Paul's, Aquasco, disbanded, and at Trinity Church, Washington, the Day Branch consolidated with the Night Branch.

The Executive Committee, consisting of fifteen members, held nine meetings with an average attendance of eleven.

Each Parish Branch was asked to undertake special work in preparation for the Diocesan Preaching Mission, November 16th to 23rd, which was arranged by the Commission on Evangelism of which the President of the Diocesan Auxiliary is a member.

Five subscription luncheons have been held—in January, in honor of Miss Lindley and Miss Ayashi; in February, in honor of

Miss Amy Burt of the Appalachian School, Penland, North Carolina; in April, in honor of Mrs. Taber, National Field Worker under the U. T. O., who was our Diocesan guest during a ninety-day visit for the purpose of stimulating missionary understanding and interest. The two luncheons, in March and October, were arranged as conference points for Parish Presidents, Diocesan Officers and Chairmen of Diocesan Committees.

At the Annual Meeting, January 1930, the Auxiliary was the guest at luncheon of the Rector, Vestry and Woman's Auxiliary of St. John's Parish. This was the largest meeting of the year—279 members from 48 Branches responding to the Roll Call. At this meeting a new Constitution was adopted and a maintenance budget of \$1,000 for 1930 was voted.

In May, the Washington Branch of the Woman's Auxiliary was incorporated under the laws of the District of Columbia.

Beginning with the January number, the President's monthly Letter appeared in an improved form and became available to subscribers as a source of information on current Auxiliary events.

Two officers were elected at the Annual meeting for terms of 3 years:

Vice-president for Montgomery County—Mrs. Josiah Jones.

Vice-president for Charles County—Mrs. Edward Burroughs.

Appointments during the year were as follows:

Mrs. Hutchison, as Director of the Church Periodical Club, succeeding Mrs. Cook.

Mrs. McGrew, as Chairman of the Devotional Committee, succeeding Mrs. Munson.

Mrs. Martin, as Educational Secretary, succeeding Mrs. Bauer.

Mrs. Partridge, as Corresponding Secretary, to fill the unexpired term of Mrs. Carll.

The Educational Secretary was sent as a delegate from this Diocesan Auxiliary to the Educational Conference at Racine in May.

Seventy-one custodians presented this offering which represented 52 churches, 8 chapels and 11 B Branches. A gain of \$3,410.89 has been made over the amount given during the same period of the last Triennium.

\$10,050.56 at the end of 2nd year, last Triennium.

\$13,461.45 at the end of 2nd year, this Triennium.

Now the year 1930 is ended and we are ready to turn the page. What shall be written there lies in our own hands. This year 1931 can be made a year of great advancement in the United Thank Offering, and let us remember too that it is an obligation placed upon each one of us to draw the attention of every woman in the Diocese to the work of the United Thank Offering, to explain its aims, purpose, gifts and service, and to see that every woman in the Church has a Blue Box.

The increase in the number of corporate communions before the Diocesan Presentations would indicate a greater spiritual growth.

I wish to thank all my custodians for their splendid work and loyal cooperation, and the women of the Church for their increased generosity, which has made the past year a very happy one.

The Spring Presentation will be held at Epiphany Church on April 19th. As the Triennial Convention will be held one month earlier than usual, the last Presentation Service in our Diocese will occur not later than September 6th.

Let us ask God's blessing on our efforts and on ourselves to take up the work for a larger and more successful year.

Respectfully submitted,

LUCY A. GRANT,

United Thank Offering Treasurer

## REPORT OF THE EDUCATIONAL SECRETARY

We have much to encourage us in the work of the past year. Briefly the accomplishments of the Department are as follows:

The General Church Program was studied in 16 Branches.

The World Mission of Christianity was studied in 27 Branches, with 4 to 8 sessions each.

The Woman's Auxiliary in the Life of the Church and the Manual were studied in 6 Branches, 150 copies were sold, as many more given away, and they are still in demand.

Daily Bible Readings were sold in numbers—a sign of personal devotion.

The Spirit of Missions, Current Topics, Missionary News, and Books such as "Christ and Modern Education," "From Jerusalem to to Jerusalem," and "Our Common Life" were read and discussed, thus demonstrating that

The Reading Circle remains an excellent means of getting and giving information. There are several Branches in this Diocese which hold splendid

Program Meetings. There must be more of these than I have record of. People are eye-minded as well as thought-minded. A real place in Education is occupied by

Biblical Pageants and Religious Dramas. Some were given at Easter and others at Christmas. Would there were more! A scholarship to a Summer Conference for one gifted in this work would bring back inspiration to our young people.

I hope that our President's suggestion for a Standard Branch may be adopted, for I can see in it a great source of interest and an incentive to greater activity. The things we do are what count.

We are beginning our Classes on India. Next year we will have a new Church's Program to study, and a new vision to do it with, we hope. Our Mother Church would lead us. Let us follow her lead with reverence and devotion.

In looking back over the past year at our work in the Supply Department I feel that we have much for which to be thankful.

There has been a great deal accomplished and I feel that the members are gaining a knowledge of this department which, when not understood, is confusing and complicated, and I have greatly appreciated the kind cooperation given me.

I am almost afraid to give names, for fear some might be omitted, as there have been so many individuals and branches helping through the Store Room work and yet nothing like what it might or should be! Two sub-departments have been emphasized this past year; those of altar linens and knitting, the linen and wool being given through the Supply Bureau, and with good results. Many members and friends have knitted the six-inch squares that go into the afghans we send to hospitals.

The following branches have helped in our work of the Store Room:

All Saints', Chevy Chase	St. James, Indian Head
All Souls' Memorial	St. John's, Olney
Christ Church, Chaptico	St. John's, Washington
Christ Church, Georgetown	St. Margaret's
Christ Church, Kensington	St. Mark's

We met all last season from October through May on Thursdays (10-2 o'clock) at our Store Room, St. Margaret's Parish House, and are doing the same this year, urging all Auxiliary members and friends to come, whether directly connected with the Supply work or not, as we believe seeing at first hand our work at Supply Headquarters is the very best way to gain a comprehensive knowledge of it and learn what we are trying to do. We look forward to this New Year with hope and enthusiasm and trust that many who read this report may be able to give us their cooperation and help, for we know the joy and satisfaction that comes from helping others.

Respectfully submitted,

**MIGNON C. SHERLEY,**

Supply Secretary

## REPORT OF COMMITTEE ON COOPERATION WITH B BRANCHES

The B Branch Committee has met five times during the year. Mrs. Taber, a field secretary from National Headquarters, came to the January meeting and gave us some helpful and encouraging suggestions. In March Bishop Rowe was our honor guest at dinner at Epiphany Parish House; there we pledged him \$100.00 for his work. In April a Silver Tea was given at St. Thomas Parish House for Rev. Mr. Donovan's work in Liberia. From the proceeds of this tea we were able to complete the \$100.00 which had been pledged to that District from the B Branches. We love to think that our work extended to those far away fields.

The B Branches of Prince George's County held their meeting in April and two of your Committee motored down to Brandywine. Six branches were represented and it was a very enjoyable occasion. Mrs. Taber spoke and stressed the United Thank Offering, the Educational and Supply work.

Mrs. Hall, President of the All Saints' B Branch and your Chairman were appointed delegates to the Provincial Synod in Philadelphia in October. This was the first time that B Branches had been officially represented. It was a most helpful and thrilling experience. A B Branch conference was called for the second afternoon. Miss Sallie Deane presided; after her inspiring address we discussed our problems. Miss Deane came to our Diocese in November and a few representatives from branches met her in St. Alban's Parish House. She and Miss Young visited two other parishes and we are hoping for new branches from their efforts. A new branch has been formed in All Saints', Chevy Chase, this will be called "The Girl's B Branch." There are rumors of other Parishes wishing to form B Branches.

The Missionary Bazaar held late in the fall for the benefit of Missions in China, Japan, Santo Domingo, Cuba, Porto Rico and the Mountain Missions realized the amount of \$492.90.

In closing may I urge our members of the B Branches to press forward in our Missionary work. Let us heed with quick and glad response the call of our President to the Advance Work of the Church and with renewed vigor and earnest prayer may we aim straight for the goal. From past achievement we know that "what girls have done girls can do," as they realize the great joy in His service. Let us do our best, then leave the rest to Him.

Respectfully submitted,

CAROLINE BARKALOW,

Chairman

The C. S. S. P. is operating in twenty-four parishes. Our usual two public meetings have been held this past year. At the one in April in Trinity Church, Miss Alice Cocke gave the children a most interesting talk on work in Mexico. As our last B. T. O. had gone to the Hooker School the children were much interested, and the attendance was good. At this meeting the B. T. O. was received. Our Advent meeting was at St. John's, Georgetown. The unpleasant weather interfered somewhat with the attendance. The Rev. Mr. Claude Pickens spoke of our Mission work in China. We have sent, this year, 480 Christmas gifts to Balboa and Cristobal in the Canal Zone, the total value of gifts sent was \$250. We have been unable to secure a Diocesan Secretary for the Little Helpers this past year so we have no report. At present all money for the Little Helpers should be sent to Miss Lucia B. Hollerith, 1617 29th St., N. W., the treasurer of the C. S. S. P. Mrs. Craver reports for the B. T. O. which goes to St. Luke's Hospital, Tokyo. Received for 1930, \$151.80, total in bank, \$220.85. We gave \$5.00 to Mr. Dow for City Missions from the Diocesan Treasury and have a balance of about \$28 left. All parishes report work done in the five fields.

For Parish—various parish activities, teaching S. S. and other parish work.

Community—Distribution of Thanksgiving and Christmas Baskets to the poor.

Out of 47 Branches of the C. P. C. in the Diocese, only 31 have sent in reports. Hence this report, accurate so far as it goes, does not give a true picture of the work done in the Diocese by the C. P. C.

While 49 Branches were listed as active last January, 4 have had no Parish Secretary for the past year and 8 have taken no active part in the work. This is a condition which should be corrected.

Although no new Branches have been organized in the Diocese, there have been some interesting new fields developed. For instance, one Parish Branch has "adopted" a boy in an isolated Western district, and one member a month supplies him with a suitable magazine, culminating in a box of presents for Christmas. Another Branch sent a complete set of Scott's novels to the library of the Public School at La Plata. Several Branches gave new books and subscriptions to magazines as Christmas presents to Missionaries, and to Mission Schools in the South and far West.

Through the Diocesan Director, new books as Christmas and Easter presents were sent as follows: 3 to Bishop Campbell, 7 to Bishop Binsted, 4 to Dr. Taylor, Anking, China, 5 to Miss Hester, Christmas Carols to Miss Payne, 2 books to clergymen in isolated districts of the U. S., 1 book to St. Paul's University Library, Tokio.

Upon news of the disastrous fire destroying the Library at St. Andrew's School, Tennessee, a large number of books were de-

spatched to replace the loss, sixty of these from the Diocesan Director's office.

The Book Endowment Fund, which is in charge of Mrs. Henry T. Cook, has reached the sum of \$220. Our goal is at least \$250 to be presented at the Triennial at Denver. Let us continue to work for this Fund which has for its object supplying new books to our clergy and missionaries.

This report would not be complete without a word of appreciation of the devoted work of Mrs. Harris, as Registrar, and Mrs. Coudon and Mrs. Garlock, faithful members of the Packing Committee at Diocesan House, and of regret that Mrs. Bryan, who for years has made over old Christmas and Easter cards for us, has had to give up this work.

Respectfully submitted,

**HELEN S. W. HUTCHISON.**  
Director C. P. C.

#### **REPORT OF COMMITTEE ON THE ROSALIE FERGUSON BEQUEST**

It will be remembered that one of the chalices and patens and the ciborium were to be given to the Chapels of St. George, Glenn-dale and St. James, Bowie, Chapels of Ease of Holy Trinity, Collington, Md. A letter giving the history of the vessels was sent to Mr. Joseph Addison, Registrar of Holy Trinity, Collington, and he has written that it is to be incorporated in the minutes of the Vestry. Another letter from him conveys to the Woman's Auxiliary of the Diocese of Washington the sincere thanks of the Vestry and their appreciation of the gift. These two letters will be placed in the files of the Woman's Auxiliary.

The service was used at St. James' Chapel, Bowie, on the Feast of the Epiphany.

This apparently inexplicable delay is due to my desire to have an appropriate fitted case made that the holy vessels might be moved without injury. The order was given to the jeweler's firm before I left town in May, but, due to inexcusable neglect, was not filled.

Respectfully submitted,

**BESSIE J. KIBBEY,**  
Chairman, Rosalie Ferguson Bequest.

#### **REPORT OF COMMITTEE COOPERATING WITH ISOLATED AND SHUT-IN MEMBERS**

Our committee now numbers eleven. More than sixty visits have been made, many notes written, Christmas cards sent and prayer cards distributed. Much interest in our Diocesan monthly meetings is shown by a number of the sainted shut-in members, who give us of their thoughts and their prayers on those days.

Respectfully submitted,

**ESTHER C. COOKE,**  
Chairman.

## REPORT OF THE DEVOTIONAL COMMITTEE

It has been encouraging to see the larger number of interested women who attend the committee meetings held one half hour before the regular Diocesan monthly meetings. Ash Wednesday was again chosen as a Day of Prayer and Intercession for Missions and the suggestion was made to use "A Call to Prayer" in the little red book, "The Woman's Auxiliary in the Life of the Church." A Day of Prayer in preparation for the Preaching Mission was observed in parish churches on November 13th. There is no question that the success of this Diocesan Mission is due to those who prayed and planned and worked during the weeks and months preceding it. On February 4th, following the Officers' Conference in All Souls' Memorial Church, there was a Devotional Hour conducted by the Reverend Mr. Sterrett. On March 4th, in Ascension Church, there was a Morning of Meditations conducted by the Reverend Dr. Johnston. On June 6th, in St. John's Church, there was a Quiet Hour conducted by the Reverend Dr. Johnston.

There have been six Corporate Communions of the Diocesan Auxiliary during the year.

Respectfully submitted,

**HILDA C. MUNSON,**

Member of the Devotional Committee.

## REPORT OF THE COMMITTEE COOPERATING WITH RURAL BRANCHES

This Committee has had a busy year. When Bishop Rowe visited Washington last March, we arranged a Rural Meeting at which he was the speaker at Trinity Chapel, Oldfields, Charles County. This was an all-day meeting. Holy Communion and sermon by the Bishop in the morning, in the afternoon he spoke more informally of his experiences in his far away missions. An offering was made for Alaska.

Mrs. Taber's schedule in St. Mary's County was made up by this Committee. Four Parishes were visited.

When the Arch-deaconery of Southern Maryland had its spring meeting in Mechanicsville, the local branch asked the Auxiliary to have a separate meeting in the afternoon for the women attending. That was arranged for mainly by Mrs. Sothoron, the Committee member from St. Mary's County. Mrs. Wood presided, a number of Diocesan officers took part, and Miss Alice Cocke and Mrs. Taber were the speakers.

At the St. Mary's County meeting in the fall Mrs. Loker invited us to take part. A very simple Institute was held in the afternoon, and Mrs. Martin who is still on the Committee conducted a demonstration Mission Study Class.

A gift of money from Mrs. Carll was used for two half-scholarships to send rural women to Summer School, and we have made recommendations to the Executive Committee as to the use of money given for Clergy Relief.

Respectfully submitted,

**HELEN BURNSIDE GRAHAM,**

Chairman

## REPORT OF COMMITTEE ON INTERRACIAL RELATIONS

Through the Waldensian Society working in Italy, and through the McAll Mission in France, interest has been taken and slight financial aid given. Much more can be done by individual auxiliaries for these causes.

The main work of the committee has been in helping the work among our colored Episcopalians. Last summer three clergymen were enabled to attend the conference of the Board of Religious Education at St. Paul's School, Lawrenceville, Virginia. Working through St. Monica's League aid has not only been given for specific needs for specific parishes but in addition contributions have been made to Welfare work for the negro citizens of the District.

A committee of the League under the chairmanship of Miss Anne Gray has been formed to help raise money for the National Council's advance work at the Bishop Payne Divinity School for training colored clergymen.

Respectfully submitted,

MARY S. YOUNG,

Chairman.

## REPORT OF CURATOR OF THE FILE OF SPIRIT OF MISSIONS

Through the past year, 1930, we had very few magazines given us for our file of The Spirit of Missions. They were the missing numbers to complete the years 1929 and 1930, and twenty-eight duplicates.

The magazines have been rearranged, the duplicates separated and labeled, so the file is much more accessible than before.

Early this fall I learned that the Cathedral Library had a number of duplicate years of The Spirit of Missions and inquired of the librarian if it would be possible to obtain some of the years we lack. He has graciously consented to give us twenty-nine years of the magazine, bound, and in good condition. These years are 1850 to 1853 inclusive, and 1855 to 1879 inclusive.

At the January meeting of 1930, we reported forty-two years lacking. This gift will reduce the number to thirteen—1836 to 1845 inclusive, 1848, 1849 and 1854.

These thirteen years will be difficult to procure as they are so far back, but as we have succeeded in procuring so many already, I think we may begin the New Year with fresh courage to accomplish the task.

Respectfully submitted,

ANNA B. SCHAEFFER,

Curator of the File of the  
Spirit of Missions

## REPORT OF THE HOSPITALITY COMMITTEE

In the late spring of 1930 it was thought advisable to form a "Hospitality Committee" to care for speakers from out of town, coming to participate in Diocesan monthly meetings or other Diocesan events.

This hospitality is provided for by seven branches, each making itself responsible for one month for the care of such a visitor over

night. A principal and two alternates have been suggested to serve for each branch, in case of the illness or unavoidable absence from town of the principal.

The following branches, now forming the committee, were selected because of their central locations:

All Souls' Memorial	St. Margaret's
Christ Church, Georgetown	St. Thomas'
Epiphany	St. John's, Washington
	St. John's, Georgetown

Respectfully submitted,

VIRGINIA B. MILLER,

Chairman.

#### REPORT OF THE CUSTODIAN OF THE KULING SCHOOL FUND

During the year 1930, \$73 has been given.

Advent .....	\$ 1.00
St. John's, Bethesda .....	3.00
St. Paul's, Washington .....	10.00
Transfiguration .....	5.00
St. Paul's, Rock Creek .....	10.00
Epiphany, Night Branch .....	34.00
Epiphany, Day Branch .....	10.00
	<hr/>
	\$73.00

All goes well at the school—there are 30 pupils and more enrollments are expected for next year. In the meantime, the energetic Mr. and Mrs. Stone (head-master and his wife) used the buildings during the summer as a hotel in order to add to the income.

May we not hope for the continuance of your gifts to Kuling? They have been a real help for a good many years. Indeed, until last summer the record of your support has been unbroken since 1923. If you can come again to our relief we shall be grateful.

Respectfully submitted,

SALLY FAUNTLEROY JOHNSON,

Custodian.
