DIOCESE OF WASHINGTON
1936-1937

— FOREWORD —

In writing this foreword to the members of the Woman's Auxiliary it gives me deep satisfaction to know that the work carried on by this vitally important agency has been effectively and efficiently done during the past year. Throughout my entire ministry of forty-three years, as Rector of Parishes and as Bishop, I have looked to the Auxiliary as one of the stables and most consecrated of our Church organizations. Entirely apart from the work the Auxiliary does and the liberal contributions it makes to the cause of missions it has large value in keeping our Parishes informed as to the progress of the missionary enterprise at home and abroad. That this contribution is reflected in the life of every parish is made evident by the increasing gifts that are made to the missionary cause. It must be gratifying to the Auxiliary to know that while this Diocese made a commitment to general missions for the year 1936 of \$25,000, there has been transmitted to the Council in New York over \$31,000. I am confident that the members of the Auxiliary share with me the satisfaction I feel in this growing interest in the missionary enterprise. Although little is said concerning the silent and substantial gifts made by the Woman's Auxiliary to the United Thank Offering Fund, that represents in a very real sense sacrificial giving and in the aggregate does so much to maintain the service rendered by women in the far-flung missionary field year in and year out, in periods of prosperity as in those of depression, still the Auxiliary carries on, asking for no undue praise and seeking no reward. Its one central interest is the cause of the Kingdom throughout the world.

I pay personal tribute to the unfailing devotion of the members of this noble Church organization, and through the pages of the Year Book, I express my gratitude to each and every member.

Faithfully your friend and Bishop,

JAMES E. FREEMAN.

PRAYERS FOR THE WOMAN'S AUXILIARY

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. Amen.

FOR THE UNITED THANK OFFERING

O Lord, our Heavenly Father, we pray Thee to send forth more labourers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou has given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom through Jesus Christ our Lord. Amen.

FOR THE DIOCESE

Almighty God, who feedest Thy flock, and callest Thine own by name: Mercifully keep this whole diocese, and lead each parish in the way, that we may be cleansed from all our sins, and serve Thee with a quiet mind. Hallow and bless to us the sacraments and services of Thy Church. Inspire our clergy to show forth Thy truth by their preaching and living, and daily to minister according to Thy will. Bless the rulers of this land. Send forth labourers into Thy harvest, and hasten the coming of Thy Kingdom in all the world. Make Thy cathedral in this diocese a house of prayer for all people, and in each neighborhood make the parish church a spiritual home. Keep our communicants in singleness of heart, from unbelief and worldliness, giving them grace, both in their homes and callings, faithfully to confess Thy Holy Name. May all our children be taught of Thee. Draw to the cross those who are impenitent and hardened in sin. And we beseech Thee, heal the sick, comfort the sorrowing, relieve the distressed. In all our work for Thee may Thy Holy Spirit direct and rule our hearts. Move Thy people to give as Thou hast given to them. Fill the workers with the spirit of power, of love, and of a sound mind; and while we plant and water do Thou give the continual increase; through Jesus Christ our Lord. Amen.

FOR THE CHURCH PERIODICAL CLUB

Bless, O Lord, we pray Thee, the Church Periodical Club, that it may be an instrument of service in Thy hands. Grant to its officers wisdom and patience, to its members perseverance and the spirit of sharing that asks no return. Bring many more to take part in its activities. Bless our gifts and those who receive them, to the enriching of individual lives and to the growth of Thy Kingdom throughout the world, through Jesus Christ our Lord. Amen.

NOONDAY PRAYER FOR MISSIONS

Blessed Saviour, Who at this hour didst hang upon the Cross, stretching forth Thy loving arms, grant that all mankind may look unto Thee, and be saved; through Thy merits and mercies, Who livest and reignest with the Father and the Holy Ghost, ever One God, world without end. Amen.

MISSIONARY PRAYERS

Dear God, Who art in every place, make known Thy Presence to all missionaries who are lonely or in danger, for Thou art their sure defense. Amen.

Recall to our minds, O Lord, the pledge we made to Thy servants sent unto the Field: to support them with our prayers and gifts for Christ's sake. Amen.

O God our Heavenly Father, we thank Thee for the gift of Thy dear Son. Grant that we who have received Him in our hearts may joyfully go forth with Him on many errands. Bless those who toil for Thee in far off places. Comfort them in their loneliness and unite our work to theirs. Accept our gifts, receive our prayers, and use us for the sake of Thy Son, Jesus Christ our Lord. Amen.

Grant, O Father, that as we move in the world of men they may take knowledge of us that we have been with Thy Son, Jesus Christ. Amen.

THE PRESIDENT'S MESSAGE

The work of the Woman's Auxiliary has been steadily going forward in the Diocese of Washington even though there still continues to be changes in the personnel of the Diocesan Officers. Your President sincerely hopes that everyone during the coming year will remain with her to the end of her term of office, thereby relieving her from the duty of making any new appointments. She takes this opportunity to thank all those who have carried on the work with her during the past year. Words of appreciation fall far short of the mark when she realizes the tremendous amount of work each Diocesan Officer has done.

With new branches both senior and junior, a larger number present at the monthly meetings thus making a larger average attendance for the year, and an increase in our missionary budget, the branches present a splendid showing for 1936.

There should be no "specials," of any kind until all regular obligations are met. "There is romance in a special but loyalty in the support of the budget. This great thing that we do together," calls for all the support of every branch until a glorious victory is achieved and as usual that victory depends upon the individual members, your President can only point the way.

Many branches have been visited as well as the Maryland Counties embraced in this Diocese and everywhere there is earnest work and the spirit of cooperation. Your President attended the Orkney Conference in June, the Provincial Synod in October and the Richmond Conference in November, each one a very real help and inspiration.

Our Bulletin has been reduced to three issues a year but our portion of the provincial budget and our Missionary Quota both have been increased and so we try to measure up to the necessary requirements. If the Woman's Auxiliary is to arouse the concern of the women of today it must engage in activities of tremendous significance.

High hearts are never long without hearing some new call, and those whose worship is action and whose action is ceaseless aspiration go on from strength to strength. May we all do that during the New Year 1937.

EVA TOWLES HOLT.

DISTRICT OF COLUMBIA

As Vice-President for the District of Columbia I have attended all Diocesan and Executive Committee meetings during the past year, and in addition I have been present at four county meetings, the Provincial Synod, the Junior Conference at Shrine Mount, and a conference for leaders held in Richmond. On invitation of branches I have attended and addressed eleven meetings. There are now, in the District of Columbia, thirty-one senior branches of the Auxiliary, with an approximate membership of 1,125 and most of these branches are in a state of healthy growth.

Respectfully submitted,

HELEN M. BUCK.

MONTGOMERY COUNTY

The Montgomery County Branches of the Woman's Auxiliary have had a fairly successful year. All branches were represented at the annual meeting and seven of the Diocesan officers were present. Some fine suggestions were made to strengthen and encourage smaller branches. The speaker at the afternoon session was Miss Barber, a missionary from China.

While we lost our Junior Branch, the Woodside Branch has succeeded in having its meeting separate from the Guild. We have visited Ascension Chapel and hope the ladies will decide to form a branch there. Mr. Cox, the rector, is very encouraging in his report as to the result of the meeting.

I have attended most of the Executive Board and Diocesan meetings and have visited all the branches except St. John's, Olney. Observing that two of the County Branches were absent from the last officers' conference, I wrote to one branch and visited the other to tell them the high points of the conference. Just before Christmas we lost a fine loyal and devoted member, Mrs. Vivian Waters Hedgman, Corresponding Secretary of the Rockville Branch.

We ask that each Branch here represented, will pray that the Montgomery County women may grow in their work for the Savior.

Respectfully submitted,

BARRY A. WILLIAMS.

ST MARY'S COUNTY

Your Vice-President reports attendance at the Annual Meeting of the Diocese of Washington, January, 1936. Then nearly two months of inactivity follow, due to illness and extreme weather conditions. She attended the March meeting of the Executive Board and made visits to each of the county branches.

The Spring county meeting was most graciously entertained by Trinity, Saint Mary's City, in April at which time the Diocesan Officers and Dr. and Mrs. Welbourne of Leesburg, Virginia, were our guest speakers. Their addresses made it an occasion of great interest and inspiration to all who had the privilege of attending.

A visit was made to the colored branch at Oakley in June. The members, through the help of our Educational Secretary, Mrs. Peirson, were able to send a delegate to the Conference for Colored Workers at Lawrenceville, Virginia, in July.

The Fall county meeting was held at Oakley Hall in October with the colored branch. Mrs. Buck, Mrs. Reber, Mrs. Munson, and Mrs. Peirson, Diocesan Officers, were present and gave talks that were both helpful and stirring. There was an unusually large attendance from both of the other branches. At this meeting Mrs. R. H. Pembroke of Park Hall, was unanimously elected Vice-President of the Woman's Auxiliary of Saint Mary's County.

Your retiring Vice-President wishes to express her regret at having to leave the work and offers her sincere appreciation to all who have helped her along the way.

Respectfully submitted,

NELL L. MEREDITH.

PRINCE GEORGE'S COUNTY

The Woman's Auxiliary in Prince George's County has made definite progress in the past year with two new branches on its roster—Epiphany, Forestville and St. Paul's, Aquasco.

Both the Spring and Fall meetings were attended by more than eighty persons, a most encouraging sign, of interest and zeal in the work.

The Spring meeting took place at Trinity Church, Marlboro on May 12th, with Holy Communion celebrated by the Rev. J. C. M. Shrewsbury. The Speaker of the afternoon was the Rev. F. A. Gray of Christ Church, Chaptico, who gave an interesting address based on his experiences as a worker in China.

The Auxiliary sustained a severe loss during the winter in the death of two of its devoted leaders; Miss Laura Matthews of St. Phillips, Laurel, and Miss Rebecca Berry of St. Barnabas, Leeland. Both have been branch Presidents for many years, untiring in their efforts to promote the Auxiliary cause. These branches have reorganized under able leaders.

The Fall meeting was held November 6, 1936, at Christ Church, Clinton, with the Rev. James Valliant celebrating Holy Communion. A spirited address by the Rev. Walter Archbold followed.

At the afternoon session plans for the winter's work were announced by the branch presidents. Mrs. Holt, Diocesan President greeted the gathering and gave an impressive talk while other diocesan officers presented the work of their departments.

The guest speaker was the Rev. Oliver J. Hart of St. John's, Washington, whose inspiring and challenging address was the high point of an interesting day.

The names of Mrs. George Harris of St. Luke's, Bladensburg and Mrs. Melborne of St. Phillips, Laurel, were offered in nomination as county vice-president and secretary for the next three years.

Respectfully submitted,

A. MARJORIE ZUG.

DEVOTIONAL COMMITTEE

Three of our faithful members of the Diocesan Devotional Committee have found it necessary to resign: Mrs. Spencer Wood, Mrs. John Mutchler, and Miss Martha Burton. We wish to thank them for their great help and cooperation. We extend our best wishes and heartiest felicitations to Miss Burton who has married the Rev. George Shilling of South Florida.

This year we have emphasized the importance of keeping in close touch with our missionaries. We hope the page in the Year Book with the prayers and names of those gone forth from our Diocese is known and used. The committee took the Rev. and Mrs. C. L. Pickens and family for their prayer-partners. Several letters have been written and received and part of one letter published in the "Auxiliary News." At Easter we sent them "North to the Orient" by Anne Lindbergh and later a check for \$13.00 for their work. We feel we have been "drawn into closer fellowship with them" and they in turn have been encouraged and helped by our interest and prayers.

There have been several conferences: at one, the Rev. Mr. Armstrong of Christ Church gave an inspiring short meditation; at another Miss Elizabeth Barber, a retired missionary spoke to us on Prayer.

"Religion in Family Life" was the subject of an all-day conference at Holiday House on May 19th. We were most fortunate to have Mrs. Harper Sibley to conduct it. She most ably presented the subject and we wish to record our thanks and appreciation. There were seventy-four present from twenty-three branches and we trust that plans have been considered to present this important subject to the parishes.

The literature for the Armistice Day of Prayer was again distributed and the day is generally observed in the Diocese. A small but increasing number have met with the other communions the first Friday in Lent for the World Day of Prayer.

We continue to meet a half hour before the monthly meeting. Our largest attendance was 47, at the March meeting before the Quiet Day conducted by Dr. Don Frank Fenn.

Our colored branches have shown much interest in the devotional work and been most responsive. We visited one rural group in Southern Maryland which impressed us with its deep earnestness. They have built a hall for their Church School and meetings.

The Forward Movement literature has been given publicity and has proved most helpful.

May we use this inspiring literature and go "Forward."

Respectfully submitted,

SOCIAL SERVICE COMMITTEE

The Social Service Committee of the Woman's Auxiliary has been of great benefit to our Episcopal City Missions this year. Our committee now consists of twenty-five social service secretaries. Mr. Dow thoroughly appreciates the money, food and clothing that was sent to the mission house at Thanksgiving and Christmas.

This year, for the first time, this department is cooperating with the Supply Department in the packing and shipping of second-hand clothing to the mission fields. Whatever is not needed there, of course, is turned over to Mr. Dow for his use.

Respectfully submitted,

NORMA McDERMOTT.

THE RECORDING SECRETARY

The Woman's Auxiliary to the National Council in the Diocese of Washington is made up of sixty-five Branch Auxiliaries and thirteen Junior Woman's Auxiliaries. The total membership is approximately 1,400.

During the year, one Parish consolidated its Senior and Junior branches; four new Senior branches were formed; one Senior branch reorganized; and three new Junior branches started.

Six business meetings were held during the year. The average attendance was 189. (This figure is based on roll call at four meetings—actual count at one—and estimated number at two meetings. At the four meetings when roll was called, there was an average of 36 Branches represented.) The greatest number of branches represented at any one meeting was forty-seven, and the largest attendance 311—both at the January meeting. Following the Annual Memorial service at the Cathedral, an officers' conference was held in Satterlee Hall.

Four of the six meetings were preceded by a Corporate Communion. The Autumn presentation of the United Thank Offering was made at a Celebration of the Holy Communion. "A Quiet Day" was held in March, replacing the usual business meeting.

At the January meeting three new officers were elected to serve for three years following their election. They are:

+ Mrs. Walter Williams—Vice-President for Montgomery County
Mrs. A. Guy Reber—Recording Secretary
Mrs. Russell J. Borhek—Corresponding Secretary

The Executive Committee, consisting of 16 members, officers and departmental chairmen, held 7 regular meetings and 1 special meeting, with an average of 10 members present. Appointments to office by the Executive Committee were as follows:

September—Mrs. Oliver J. Hart, Chairman Junior Branches to succeed Mrs. John Mutchler

October —Mrs. Charles McDermott, Social Service Chairman to succeed Mrs. Harry C. Sigourney

November—Mrs. Frank Rogers, Supply Secretary to succeed Mrs. Bruce L. Canaga

There were adopted, spread upon the minutes, and copies sent to the respective families, Resolutions of regret and sympathy on the deaths of:

Miss Rebecca Berry, Organizer and President of St. Barnabas, Leeland.

UNITED THANK OFFERING

In the year 1936, \$6,027.44 has been presented as a United Thank Offering from the Women of the Diocese of Washington.

The presentation services were held on April 26, 1936 at 8 p. m., at Epiphany Church with Dr. Ze Barney Phillips as preacher and on October 22, 1936 at St. Thomas' Church when the Rev. Herbert A. Donovan told of his personal knowledge of the work of the United Thank Offering.

As Diocesan United Thank Offering Treasurer, I have attended all Diocesan and Executive Committee Meetings, four County meetings and upon invitation have attended seven Parish Branches where I have told what the United Thank Offering does and the joy received from the use of the Blue Box.

It was my privilege to go as a delegate to both the meeting of the Province held in Wilmington, Delaware, in October and to Richmond, Va., in November, to the Regional Conference of Auxiliary Leaders. At the latter conference, I learned that it was far wiser to send the United Thank Offering to Mr. Franklin, National Treasurer of the Episcopal Church, twice a year, as he was able to obtain a larger rate of interest, than the banks allow on savings accounts, said interest to be credited to the Diocese.

I, therefore, after the motion of the Executive Board, sent to Mr. Franklin \$11,741.15 the offering of this Diocese for the last two years.

In the next year, it is our hope that every woman in every parish may own and use a Blue Box so that when the offering is presented next October at the time of the General Convention, it may be one of which we can be proud.

Respectfully submitted,

RUTH G. DUNLOP.

REPORT OF THE EDUCATIONAL SECRETARY

The first year of any secretary's triennium cannot be but to some extent experimental. Coming into office at Easter she has so far been continually facing new responsibilities, as well as changes in the office of department Librarian. The much regretted retirement of both Miss Mary and Miss Martha Burton, successively, from this indispensable post has necessarily implied some lack of coordination. I am fortunately able to announce as present Librarian, Mrs. Charles Shaffer, 3443 Oakwood Terrace.

There have been held during 1936 one series of pre-Lenten normal classes by Miss Hyde on Latin America and one series by Mrs. Peirson on The Development of Missions in America. Leaders from twenty-nine branches have attended these classes.

Miss Hyde's after-Easter reports show the average attendance at the parish branch classes to have been 366, for the 24 reports returned. This of course indicates a much larger number reached to some extent, out of an estimated total membership of these branches of 760. This we believe to be a good advance over previous years, but in matters of education, leaders can at best only make haste slowly.

During the current season the present secretary is teaching two subjects instead of one, believing that by so doing she may cover a wider field. Her first series, already named, has been designed primarily to strengthen leaders, although the subject is most certainly suitable for branch classes. The pre-Lenten subject will be Africa.

Other 1936 activities include the annual educational conference held at G. F. S. Holiday House in May. At this time both the Rev. F. Bland Tucker and Miss Ridgeley, formerly of Liberia, addressed the gathered leaders, greatly to their interest and profit. During a most pleasant luncheon hour we were favored by the presence of an African princess!

The secretary has, in addition to attendance at the regular spring and fall county meetings, met twenty-five women from Prince George's and St. Mary's counties in a special Educational afternoon in November at the home of Mrs. Sothoron, Charlotte Hall. This experiment proved pleasant and successful, and others of like character may hereafter be attempted. The secretary is also greatly interested in her visits to city parish branches, as opportunity offers.

CHURCH PERIODICAL CLUB

In reporting the work of the Church Periodical Club we feel that we must begin by thanking each one who has helped to make our work possible. You have supplied the means: we have administered for you.

In June, the death of Miss Anne Gray deprived us of the aid and advice of the one who had started this work in the diocese. In her memory, we are planning to give, each June, a gift of books to some individual or institution working for the benefit of the colored race. A gift of \$5.00 received from the Day Branch of Epiphany Parish, will take care of the 1937 memorial.

The Eliza H. Cook Memorial Fund now stands at \$336. During the month of January the interest on this amount will be spent for books for some clergyman who is in need of them.

Thanks are due several ladies who have made scrapbooks, and made over hundreds of Christmas cards, so that they can be sent out to our mountain missions, and to institutions.

PROGRAM COMMITTEE

As Program chairman I have arranged for the places of the regular monthly meetings of the Diocesan Auxiliary, and have secured speakers for the same.

Respectfully submitted,

HELEN M. BUCK.
