## THE BISHOP'S FOREWORD

The Year Book of the Woman's Auxiliary records annually the story of the sacrificial and generous offerings of the women of the Diocese for the cause of Christian missions. In the face of a long-continued depression with greatly curtailed income, still this noble organization carries on without diminution of interest. It is my privilege year by year to record the fact that, the Woman's Auxiliary is an outstanding and premier organization of the Church. I owe to it personally from the inception of my ministry down to this latest day more than I can adequately repay. Looking back over a ministry of forty-three years in three notable parishes, and now for over fourteen years in the Episcopate, this splendid body has been a source of continuing inspiration and refreshment to me.

Here in this Diocese, this interest has continued unabated and its generosity unfailing, and where parochial offerings for Missions declined, the Woman's Auxiliary has maintained its cause, and beyond its gifts through weekly offerings it has given liberally to the Woman's Thank Offering. For these things I thank God, and to each member of this splendid body I send my grateful acknowledgement.

Throughout the period of Bishop Perry's tenure as Presiding Bishop, he was faced with conditions that well nigh imperilled the cause of Missions, but with unfailing zeal he gave of himself to his great tasks, and for this the Church gives him grateful praise. Now, one tried in the missionary field, namely, Bishop St. George Tucker, of Virginia, has come to his high office, and we believe that his broad knowledge of the missionary field, coupled with a genius for statesmanship will make his career as Presiding Bishop a memorable and increasingly useful one. The very criticalness of the world situation lays upon all of us who believe in the sovereignty and leadership of Christ a weighty obligation. The frontiers of His Kingdom must be pressed forward, and I sincerely believe that the Woman's Auxiliary will be a large factor in accomplishing this end.

The cause of Missions is a challenging one, and it transcends every other obligation laid upon the Christian Church. I am confident that the very exigencies of the present hour will accelerate interest in Missions and that the Church at home will grow in strength and power as it lengthens its cords and strengthens its stakes.

Again I send to every member of the Auxiliary a word of gratitude for past service and high hopes and expectations for a greater service in the years that lie ahead.

JAMES E. FREEMAN.

Feast of the Epiphany, 1938.

## PRAYERS FOR THE WOMAN'S AUXILIARY

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. Amen.

## FOR THE UNITED THANK OFFERING

O Lord, our Heavenly Father, we pray Thee to send forth more labourers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom through Jesus Christ our Lord. Amen.

## FOR THE DIOCESE

Almighty God, who feedest Thy flock, and callest Thine own by name: Mercifully keep this whole diocese, and lead each parish in the way, that we may be cleansed from all our sins, and serve Thee with a quiet mind. Hallow and bless to us the sacraments and services of Thy Church. Inspire our clergy to show forth Thy truth by their preaching and living, and daily to minister according to Thy will. Bless the rulers of this land. Send forth labourers into Thy harvest, and hasten the coming of Thy Kingdom in all the world. Make Thy cathedral in this diocese a house of prayer for all people, and in each neighborhood make the parish church a spiritual home. Keep our communicants in singleness of heart, from unbelief and worldliness, giving them grace, both in their homes and callings, faithfully to confess Thy Holy Name. May all our children be taught of Thee. Draw to the cross those who are impenitent and hardened in sin. And we beseech Thee, heal the sick, comfort the sorrowing, relieve the distressed. In all our work for Thee may Thy Holy Spirit direct and rule our hearts. Move Thy people to give as Thou hast given to them. Fill the workers with the spirit of power, of love, and of a sound mind; and while we plant and water do Thou give the continual increase; through Jesus Christ our Lord. Amen.

## FOR THE CHURCH PERIODICAL CLUB

Bless, O Lord, we pray Thee, the Church Periodical Club, that it may be an instrument of service in Thy hands. Grant to its officers wisdom and patience, to its members perseverance and the spirit of sharing that asks no return. Bring many more to take part in its activities. Bless our gifts and those who receive them, to the enriching of individual lives and to the growth of Thy Kingdom throughout the world, through Jesus Christ our Lord. Amen.

## NOONDAY PRAYER FOR MISSIONS

Blessed Saviour, Who at this hour didst hang upon the Cross, stretching forth Thy loving arms, grant that all mankind may look unto Thee, and be saved; through Thy merits and mercies, Who livest and reignest with the Father and the Holy Ghost, ever One God, world without end. Amen.

## MISSIONARY PRAYERS

Dear God, Who art in every place, make known Thy Presence to all missionaries who are lonely or in danger, for Thou art their sure defense. Amen.

Recall to our minds, O Lord, the pledge we made to Thy servants sent unto the Field: to support them with our prayers and gifts for Christ's sake. Amen.

O God our Heavenly Father, we thank Thee for the gift of Thy dear Son. Grant that we who have received Him in our hearts may joyfully go forth with Him on many errands. Bless those who toil for Thee in far off places. Comfort them in their loneliness and unite our work to theirs. Accept our gifts, receive our prayers, and use us for the sake of Thy Son, Jesus Christ our Lord. Amen.

Grant, O Father, that as we move in the world of men they may take knowledge of us that we have been with Thy Son, Jesus Christ. Amen.

## THE PRESIDENT'S MESSAGE

*"Study to show thyself approved unto God, a workman that needeth not to be ashamed."*

I wonder how many members of the Woman's Auxiliary take this particular text seriously. Many do, I know, from my experience of the past three years as your Diocesan President.

A deeper consecration and a more perfect knowledge are for each one of us and so we may be known as a "Church Awake". We have fallen down however in numbers. Cannot we try through the coming year to start a campaign for membership to recoup the losses. We have some new branches both white and colored and perhaps when the total number comes in for the present year we may find we have recouped to some extent. Let's use as our slogan, "Win One Woman for the Auxiliary". Let's try for branches composed of every woman in the parish.

Are our lives Christ filled?

Have we a boundless capacity for the work of the W. A.?

Is our intelligence trained?

Phillips Brookes once said of Church Work, "Do not make the way too easy." Our best is too poor a gift, but faulty as it is it can be made of use with the blessing of Our Lord. Our tasks are not all the same but our responsibility to so let our light shine, that others may glorify Our Father in Heaven is as great for us, as it is for the Bishops and Priests. First live worthily, then do your work with all your heart and talents.

"When ye have received, ye shall be witnesses." A Church filled with people of this kind is power. Our eagerness to give will depend upon the personal value our religion has for ourselves. Money is the least important of our gifts but it is a good measure of our devotion. Time we give because we love Him. Thought is the final measure for it controls us. Our ability and success will depend upon our surrender. A half way Christian hinders the cause.

"She who knows Christ as Lord of her whole life will give her life to make Him Lord of every life."

Let us claim all time for Christ and fill every day in every year with His Name and His Worship.

"We beseech Thee, O Lord, to complete in us the work begun in the day when first we gave ourselves to Thee, reveal to us Thy Will through Thy Word, give us daily a new experience of Thy Presence, make us true witnesses of Thy Message and Thy Gospel and pour out a baptism of Thy Spirit upon us and upon Thy Whole Church, through Jesus Christ Our Lord. Amen."

EVA TOWLES HOLT.

## DISTRICT OF COLUMBIA

There are thirty-four senior and six junior branches of the Woman's Auxiliary in the District of Columbia.

I have attended all Diocesan meetings and all Executive Board meetings save one and also attended three county meetings.

On invitation from branches, I have attended and addressed seven meetings.

Respectfully submitted,

HELEN M. BUCK.

## MONTGOMERY COUNTY

During the past year the branches of the Woman's Auxiliary of Montgomery County have done fine service. They gave generously to the United Thank Offering and did more than their allotted share of supply work.

They sent eight out of the nineteen delegates to the Orkney Conference from the diocese, held two inspiring educational conferences, one at St. John's, Olney and one at Christ Church, Rockville, and had the rare privilege of having Miss Sallie Deane to speak at the annual meeting, at All Saints, Chevy Chase. A new branch has been formed at Ascension Chapel, Silver Spring, making our county parishes 100%.

We are looking forward to doing work for our County Home, the hospital and Juvenile Court. We try to inspire our women in the devotional life of the church especially to use the blue boxes daily.

May God bless, help and strengthen us to bring His Kingdom of Love and Peace to all the world.

Respectfully submitted,

BARRY A. WILLIAMS.

## ST. MARY'S COUNTY

In the year as Vice-President for St. Mary's County I have not been able, because of distance from Washington and lack of leisure, to attend many Diocesan meetings but an effort has been made to attend, and to have representatives of the parish branches attend educational conferences and classes that might give us a broader vision of the Woman's Auxiliary.

In Mrs. Holt's message in the 1936 Year Book she pointed out very clearly the effect of the ignorance of church members and summed it up in these words "An ignorant Church is a retreating Church". It cannot be denied that the Church in this county has been a retreating Church, therefore, we should pursue a militant campaign.

There are seven parishes in this county, one of which is colored with a colored rector. There are two white branches of the Woman's Auxiliary, and two colored; a branch having just been organized in the colored parish.

All of these, I feel, are in a healthy state.

Our annual meeting, held in William and Mary Parish September 29th, in which we have no Auxiliary branch, was largely attended. The guest speaker, the Rev. James Valliant, gave a most instructive and interesting talk on the missionary work among the Japanese, Mexicans and Indians in western Nebraska.

Diocesan officers, six of whom were present, explained very clearly the work of each department of the Auxiliary.

Many expressions of appreciation and interest have been received since this meeting, giving great encouragement for the future.

Respectfully submitted,

ELLEN B. PEMBROKE.

## PRINCE GEORGE'S COUNTY

There are twelve senior branches and one junior branch of the Woman's Auxiliary in Prince George's County.

The County was very well represented at the Orkney Springs Conference in June. As a result of this conference both a senior and junior branch have been organized at Christ Church, Clinton.

Two educational meetings were held this fall under the direction of Mrs. Peirson, Diocesan Educational Secretary, one at Pinkney Memorial, Hyattsville and one at Trinity, Upper Marlboro. It is hoped that they will be continued each year as it is difficult for our members to come to Washington to the normal classes. We need the help and inspiration our Diocesan officers can give us and we appreciate their visits to us.

The Spring and Fall meetings were well attended. The Spring meeting was held at St. Andrew's, College Park. Ten branches were represented and most encouraging reports of the year's work were submitted. Miss Elizabeth Barber, a former missionary to China, was the speaker at the afternoon session. The Fall meeting was held at St. Luke's, Bladensburg. Part of the morning session was given to a conference of officers which proved to be most helpful. Dr. W. Sinclair Bowen, who was the special speaker at the afternoon session, discussed the General Convention.

Reports have not been received from all branches this fall. We pray that each branch will carry on the work with greater zeal and that each one will be represented at our Spring meeting which will be held at St. Paul's, Baden.

MARGARET COX HARRIS.

## DEVOTIONAL COMMITTEE

Ten years ago the Devotional Committee was organized—Looking back at those beginnings we can see a slow, steady growth. She who was our first chairman, Mrs. S. D. Barkalow, and our inspiring leader, passed this summer, "into the gates of larger life". The Committee will always be grateful for the influence of her consecrated and beautiful life.

During the past year there were conferences held in the three counties, Montgomery, Prince George's, and Saint Mary's. A growing interest and appreciation of the work was evident, and at Saint Mary's City, the southernmost tip of the Diocese, a large group of responsive young people were present.

We cooperated with the other communions in observing the World Day of Prayer, the first Friday in Lent and many attended the Missionary Institute this Fall. A thousand leaflets for the Armistice Day of Prayer were distributed, and all the branches offered their prayers for Peace and a better understanding among the "Family of Nations".

The very excellent literature of "The Forward Movement" has been called to the attention of the members with special emphasis on the two Guides, "Christian Worship and A Better Economic Order".

The annual luncheon conference was held at the Y.W.C.A. on September twenty-eighth. There were thirty-nine members representing twenty-four parishes present. The discussion of our problems proved live and helpful. Miss Ruth Burnside, our United Thank Offering missionary in Tokyo, was our guest of honor, and gave us a short and interesting account of her work there.

As my term as chairman ends, I wish to thank each member of the Diocesan Devotional Committee. They have served faithfully and well and have shared in the work which for me, has been a joy and a blessed privilege.

Respectfully submitted,

HILDA C. MUNSON.

The Social Service Committee of the Woman's Auxiliary materially assists Mr. Dow in the Episcopal City Mission in its work. Mr. Dow reported this Christmas several branches of the Auxiliary were unusually generous in their donations of money, clothing, food and toys,—the toys being all new and very desirable.

The Mission fed 257 people and sent out nearly 200 baskets of food and wishes to thank each and every member of the Auxiliary for making possible a very Happy Christmas for those who otherwise would have had very little.

Respectfully submitted,

#### REPORT OF THE RECORDING SECRETARY

The Woman's Auxiliary to the National Council in the Diocese of Washington is made up of seventy-three branch auxiliaries, nine of which are Junior Woman's Auxiliaries. The total membership is approximately 1800.

Two new senior branches and two new junior branches have been added during the year; in addition to which, the branch at Christ Church, La Plata and the junior branch at St. John's, Bethesda, were reorganized.

Six business meetings were held. In March the usual business session was replaced by "A Quiet Day". The average attendance has been 175; the largest 214, at the January meeting when 49 branches were represented, being the best representation at any meeting.

The service of Holy Communion was celebrated five times during the year, including the "Annual Memorial Service" which was held in Bethlehem Chapel of the Cathedral, with Bishop Freeman officiating.

The election of Mrs. George M. Harris as Vice-President for Prince George's County, and Mrs. Richard Pembroke as Vice-President for St. Mary's County were confirmed at the January meeting.

The Executive Board consisting of officers and departmental chairmen, 16 in number, held six regular meetings and three special meetings, with an average attendance of 11 members.

A nominating committee was appointed in February to report at the December meeting on the selection of candidates for President and Vice-President, to be elected in January.

In November, with deep regrets, the Executive Board accepted the resignation of Mrs. Katherine Guy Hopkins, who had served as Diocesan Treasurer for nine years. Mrs. Partridge was appointed to fill the office until January when the position will be filled by election.

The Diocesan Woman's Auxiliary was represented at the "Central Church Council for Woman's Work" meeting at London, England, in July, by Miss Florence Hyde, Diocesan correspondent with this group.

At General Convention in October, meeting at Cincinnati, the following delegates and alternates represented the Woman's Auxiliary from this diocese:

Mrs. Katherine Guy Hopkins	Mrs. R. Elvin Heiberg

#### UNITED THANK OFFERING

During the past year, I have attended all Diocesan and Executive Board meetings, two county meetings and upon invitation, have gone to seventeen Parish meetings where I have told what the United Thank Offering is and what it does.

The Spring Presentation of 1937 was made at St. John's Church, Georgetown on Sunday evening, April 26, the Rev. F. Bland Tucker officiating. The Rev. Leigh Ribble of Falls Church, Va., spoke on the work done through the United Thank Offering in Brazil.

On September 28, the Fall Presentation was made in the Bethlehem Chapel of the Cathedral. The address was made by Bishop Freeman.

The Rev. Richard A. Cartmell conducted the Echo Service at Epiphany Church on October 7, so that those unable to be present at the National Presentation Service in Cincinnati could at least give thanks at a Communion Service at that time.

As United Thank Offering Treasurer, I had the honor of attending the General Convention and placing the Offering from this Diocese on the Golden Alms Basin at the great service of Praise and Thanksgiving, this privilege given to Diocesan Treasurers for the first time this year.

Respectfully submitted,

RUTH G. DUNLOP.

Offering for 1936	6,027.44
Offering for 1937	7,217.10

The United Thank Offering for this triennium was \$18,979.42, an increase of \$3,282.03 over the previous three years.

It is not only the increase in the money, which is sorely needed that is gratifying but it is the fact that more people are learning the true meaning of the United Thank Offering and also more people are using their Blue Boxes to drop in a coin when they are thankful.

## REPORT OF EDUCATIONAL SECRETARY

This year the secretary omitted the customary pre-Advent series of normal classes at Diocesan House. Instead she directed her efforts toward Prince George and Montgomery counties, hoping thereby to foster the study of the Church's work among those not yet greatly aware of it. Two special educational meetings in each county with, in some cases, considerable discussion, have, we think, made a good beginning. In Montgomery County every branch was represented. It is a matter of great regret to the secretary that she could not inaugurate the same plan in the southern counties, but we hope for such an opportunity next year.

The Diocesan organization jointly with sixteen branches financed the sending of twenty-five women to the summer conferences at Orkney Springs and Lawrenceville. These went from sixteen branches. This is a considerable advance over 1936. The recipients appreciated their opportunities, and in one case a new branch was founded as the result of inspiration. Mrs. Charles Shaffer's thorough work in this matter has been a great help.

The Lenten Normal Class was held weekly from January 22 to February 26, with an average attendance of 25, drawn from 22 branches. The subject was The African Negro and His Changing Life, with special reference to our own Church work in Liberia.

Aside from attendance at special Educational, Diocesan and County meetings, the secretary has visited and addressed seven branches.

Beginning in March, the secretary has contributed one page a month to the Washington Diocese, in an effort to reach as many of our women as possible. These pages are devoted partly to special mission-study subjects, and partly to matters looking toward better Churchmanship.

The Church Literature bureau, ably conducted by Mrs. Shaffer, with Mrs. Donald Carpenter and Mrs. E. E. Metz as assistants, has considerably increased. The sold stock has included, beside regular mission-study books, Forward Movement, devotional, juvenile and organization matter, Washington Diocese and Spirit of Missions copies, and some miscellaneous and free items.

Our Third Annual Educational Conference occurred May 17 at Holiday House, with 36 served luncheon. On this day we discussed the branch classes and methods, and tried to analyze our results. Mrs. Leming, former Educational Secretary for Northern Presbyterian work in Washington, was guest speaker at luncheon, and in the afternoon Rev. Philip Mason of Boswell, Va., took up the subject of Rural America. His experience and knowledge helped us to a start toward fall study.

## REPORT OF THE CHURCH PERIODICAL CLUB

The first item in this report of the Church Periodical Club for the year 1937, must be a very special word of thanks to our Registrar, Mrs. Harris, for her untiring and varied work. Her own department has been run, as usual, with skill and efficiency. She has repeatedly assisted with the packing, and has helped in many ways, such as moving to our room, on a hot July day, the entire Church School Library of one of the city parishes, and by carrying through the plan for establishing the library for Glendale, which will be mentioned later in this report.

To Miss Mildred Harris, we owe our thanks, also. She gave us valuable assistance in sorting and cataloguing, and in typing lists.

The Packing Committee has taken over the care of the new room in the Cathedral office buildings. This room, which was assigned to our use, during the summer, by Dean Powell, is larger, brighter and infinitely more convenient, and we are duly grateful for it.

More of the distribution of magazines in quantity has been done by the secretaries. This is a very desirable development, as it brings each parish into closer touch with its recipients, besides lightening the labor of the diocesan committee.

While the work increased along all lines, the greatest activity, during the past year, has been the distribution of books. In May, we sent 152 volumes to Rosebud Mission, South Dakota, where the library had been burned. A large proportion of these books came from our branch in the National Cathedral School. In November we sent 100 books to the Tuberculosis Hospital at Glendale, Md., as the beginning of its library. This was accomplished by Mrs. Harris, who found, upon conferring with Miss Clara Herbert, that the Public Library would provide for the cataloguing, care and distribution of any books that we would furnish. It is our intention to add to this collection, and we will welcome books that are suitable.

We have sent collections of books to 11 other libraries, ranging in scope from a very simple lending shelf in the South Carolina swamps, to our Cathedral libraries, and in numbers, from 19 to 181.

Last January, the third purchase was made with the interest from the Eliza H. Cook Memorial Fund. Two books were sent to Rev. Francis A. Gray, of Chaptico, Md. This fund has grown during the past year, and we are glad to report that its total is \$406.

In June we sent to All Saints' Parish, Oakley, Md., 20 hymnals, words only, and one with music. This was the second gift, made in memory of Miss Anne Gray.

As usual, our activities have been many and interesting. One of the Junior Branches dressed 20 dolls, in response to a request from Mrs. Mollyneux, of Sitka, Alaska, and filled 25 Christmas stockings for a local charity. One parish supplied funds for a radio, for a "Shut-In", in the Nebraska plains. Another parish, responding to an awakened interest in the work in Liberia, inspired by their Mission Study Class, voted to send, through the C.P.C. secretary, \$10.00, to be spent for "books for Liberia".

One new Lending Library was assembled in April. It has been thought advisable to wait for a time, before sending out more of these collections.

Magazine, subscriptions, 305. Remailed, 397. Bibles, prayer-books and hymnals, 552. Books, 3,924. Leaflets, 1,393. Magazines in quantity, 49,089.

Cards, new, 5,015, reconditioned, 56,475. Music, sheet, 79. Records, 312. Music books, 10. Victrolas, 3. 1 radio. Calendars, games, puzzles, etc., 984. 2 Sewing Machines. 8 framed pictures. 20 dolls. Toys, Medicines.

#### JUNIOR BRANCHES

At the end of last year the Juniors lost five branches from Graduation into Senior Branches and one from disorganization, so that we began 1937 with only six branches, one of which is composed of girls from 12 to 15 years of age. Of these five, only three branches had been in existence more than a year.

Fourteen girls attended the Junior Conference at Orkney, ten representing four branches, and four members at large, from parishes with no organized Junior Auxiliary, one from St. Thomas' and three from outside the District of Columbia. This was a decrease of only three delegates compared with the preceding year, when there were twice the number of branches.

An officers' Conference was held in May when the St. Alban's Branch was hostess to the others and they discussed plans and became better acquainted.

A supper meeting and conference was held in December with an attendance of thirty-three Juniors, with all but one branch represented. Mrs. Holt was a guest and Miss Sallie Deane the guest speaker.

We are ending the year with two new branches, St. John's, Georgetown, and Christ Church, Clinton, both organized during the past two months, and the branch at St. John's, Bethesda, has been reorganized after being dormant for nearly two years. We are happy to welcome these new branches, especially happy to have a second branch outside of the District, for now we have a branch in Prince George County as well as one in Montgomery County.

Respectfully submitted,

MARY MIKELL HART.

## REPORT OF THE KULING SCHOOL COMMITTEE

The past six months have been a most difficult time for our missionary friends at Kuling, China. I hope that every member of the auxiliary has read the extract from a letter from Mrs. Roy Allgood to Miss May Carroll that appeared in the January issue of the "Washington Diocese." If you have not, please do for I am sure you will want to do all in your power to help those Christian workers who are standing by their Chinese friends in the hour of need.

The past year has seen an increase in the number of interested friends for Kuling School, both among the Episcopalians and Presbyterians. Last May the Afternoon Branch of the Woman's Auxiliary of Epiphany Church sponsored a luncheon and book-review for the benefit of this school and with the generous response from the Presbyterian women the members were able to make it a financial success. \$105 was realized from this benefit.

Seventeen branches have contributed to the Kuling School pledge this past year which together with individual contributions amounted to a total of \$206.58 disbursed through the Auxiliary treasurer.

The Joint Committee for Kuling School in Washington reported a total of \$346.58 forwarded to Dr. Lewis B. Franklin, 281 Fourth Avenue, New York, N.Y. during 1937.

This is most gratifying.

We are encouraged by the increase of the Diocesan pledge to \$100 for the coming year. Thus the Kuling School Committee goes forward with renewed effort and enthusiasm.

Respectfully submitted,

GERTRUDE E. BORHEK.

## PUBLICITY OF THE WOMAN'S AUXILIARY

The greatest step forward in the publicity of the Woman's Auxiliary and in fact in the publicity of the entire Diocese, is the publication of the Washington Diocese the last week of each month. This date enables announcements to be made at the proper time and news to really be news.

Both diocesan and parish activities have been published in each issue of the Washington Diocese for 1937 and also in local newspapers.

Each parish president is asked to send news from her branch to the diocesan chairman by the tenth of each month and all chairmen of diocesan committees are asked to do the same.

Respectfully submitted,

ALIDA A. HAINES.
