Prayers for Use in Auxiliary Meetings.

O LORD JESUS CHRIST, who in the day of Thy flesh didst accept the services of faithful women, who administered unto Thee in their substance; Be pleased, we humbly ask, to bless our endeavors to aid and encourage missionaries. Put into our hearts the things we should do and say to promote Thy glory. Grant that we may never be discouraged under difficulties, but go forward with faith and hope looking unto Thee. Have pity on those who know Thee not, on those who are far from the Church of their fathers in a strange land; visit them with Thy salvation and grant that they may be speedily brought to acknowledge Thee as their Lord and Master Christ. Hear us, and answer this our prayer, for Thine own name's sake. AMEN.

O GOD, who hast made of one blood all nations of men for to dwell on the face of the whole earth, and didst send Thy blessed Son to preach peace to them that are far off and to them that are nigh; Grant that all men everywhere may seek after Thee and find Thee. Bring all nations into thy fold, and add the heathen to Thine inheritance. And we pray Thee to shortly accomplish the number of Thine elect, and hasten Thy kingdom, through the same Jesus Christ our Lord. AMEN.

O LORD JESUS CHRIST, who didst charge Thine Apostles that they should preach the gospel to every nation; Make us to show our gratitude for Thy benefits by earnestness in fulfilling Thy command. Prosper all missions, both at home and abroad, with an increase of sanctity, that they may win many to the acknowledgment of Thy truth (especially those in ——), and give them all things needful for their work, making them to be centers of spiritual life, to the quickening of many souls and the glory of Thy Holy Name, our only Mediator and Advocate. AMEN.

HEAVENLY FATHER, we pray Thee to bless us and all members of the Junior Auxiliary, with wisdom, zeal and constancy, in our work for Thee. Prosper the Missions of Thy Holy Church, and strengthen with the Holy Spirit all who are engaged in missionary work; through Jesus Christ, our Lord. AMEN.

DIRECT us, O Lord, in all our doings with Thy gracious favour, and further us with Thy continued help that in our works begun, continued and ended in Thee, we may glorify Thy Holy Name, and finally by Thy mercy obtain everlasting life, through Jesus Christ, our Lord. AMEN.

NOONDAY PRAYER FOR MISSIONS.

BLESSED SAVIOR, who at this hour didst hang upon the cross, stretching forth Thy loving arms, grant that all mankind may look upon Thee and be saved; through Thy mercy and merits who livest and reignest with the Father and the Holy Ghost, ever one God, world without end. AMEN.

MINUTES

of the

TWENTY-FOURTH ANNUAL MEETING.

The Twenty-fourth Annual Meeting of the Woman's Auxiliary and Fourth Meeting of the Parochial Society of the Diocese of East Carolina was held in St. John's Parish, Fayetteville, N. C., May 23, 1911.

Corporate Communion was had at 7:30 a. m., the celebrant being the Rev. B. F. Huske, of New Bern, assisted by the Rev. Charles Noyes Tyndall, the Rector of the Parish. At this time the Annual Offering known as the Bishop's Fund for Diocesan Missions was placed on the altar.

The meeting was called to order by the President, Mrs. Nathaniel Harding, of Washington, in the Parish House, at 10:00 a. m. After singing the hymn, "Fling out the Banner," the Chaplain, Rev. B. F. Huske, opened with prayer and made the annual address, in which he stated that women were always ready to respond when they understood what they were to do, and that every Auxiliary should see that every other woman be given the opportunity to join in this great work, and then some day the Woman's Auxiliary in East Carolina would no doubt grow to such proportion, and the work done so great, that it would of necessity have to stand alone under its own individual banner.

After singing the hymn, "From Greenland's Icy Mountain," Mrs. F. R. Rose made an address, welcoming us to Fayetteville. This was responded to by Miss Dail, of New Bern, in behalf of the visitors.

The President then called the meeting to order for business, and roll call showed 81 delegates and visitors present. She expressed regret that Mrs. Woodley, of Kinston, had found it necessary to resign her position as Vice-President of the Convocation of New Bern, after which she introduced the new officers—Mrs. Nixon Davis, Vice-President of the Convocation of Wilmington; Mrs. H. M. Bonner, Vice-President of the Convocation of New Bern, and Mrs. W. E. Cox, Recording Secretary.

Mrs. J. G. Staton then read the report of the Convocation

of Edenton, which showed activity in all branches and high per centage of attendance, especially among the Juniors. She reported work done in Mission Study and taking of Church papers, and urged each of her branches to take the Spirit of Missions and use it in their meetings.

Mrs. H. M. Bonner read the report of New Bern Convocation which showed marked increase in the whole field. She had visited nearly all of the branches personally, and urged each one not to be content until one hundred per cent of our women belonged to the Auxiliary. By her earnestness and enthusiasm she made us feel that we were glad to be here and to have had a part in the work.

Mrs. Nixon Davis then gave an interesting account of the work done in the Convocation of Wilmington, and reported advance and interest everywhere.

The report of the Diocesan Secretary Miss Sue Collier showed that the amount, \$400.00, for General Missions had been given, also the largest gift ever made towards the Clergy Relief Fund and generous sums to other objects.

The Treasurer, Mrs. George H. Roberts, of New Bern, by her report showed that the offerings were larger than ever before.

The amount of the Bishop's Fund was then announced to be \$319.50. This is the largest amount yet given. This news was received with enthusiasm and the Doxology was immediately sung.

Mrs. Joshua James, the Diocesan Treasurer of the United Offering, reported increased interest and increased offerings. She urged again the appointing of a separate Treasurer for the United Offering who should go to every woman in the Parish and give each one an opportunity to know about this offering—for knowing means that giving will follow. The Bishops say that this offering is the greatest blessing that comes to them. Then what a joy it is to feel that we at least have a share in it.

Mrs. H. M. Bonner reported for Miss Roberts, of New Bern, that she had tried to arouse interest in the Church Periodical Club but had failed.

Mrs. Harding in her address reported that pledges had been sent in more promptly than ever before, and that our offerings for all purposes had increased. She especially urged the Study of Missions and the Bible among all women, particularly that such classes be gotten up for those who are too

old for the Juniors and too young for the Woman's Auxiliary. She then read a letter from Miss Emery stating that only about twenty per cent. of the women of our churches are directly interested in the Mission work and urged personal work that our numbers may be doubled and quadrupled another year.

The suggestion of Miss Emery that only the work sent through the General Missions House should be published in her report, but that all work should be published in our Council report, after some discussion, was put to vote and unanimously carried. Should the majority of the Auxiliaries adopt her suggestion, and it becomes the rule, then only such work as is apportioned or asked for by Miss Emery will be put in her report. All work, of whatever kind and wherever sent, will be put as heretofore in our annual report, which is sent as usual to Miss Collier, Diocesan Secretary. All money must be sent through our Treasurer, Mrs. George H. Roberts, of New Bern.

Pause was here made for noon-day prayer led by the Bishop of the Diocese, after which, in a few words of encouragement, he urged us "to do great things for God and expect great things from God."

Also, he wished the matter of Parochial obligations clearly understood. That in Annual meetings of the Council, the Parochial Society and Auxiliary are one, but outside of their Parochial work, the only obligations ruling upon Parochial Societies was that to the Bishop's Fund and that to the Central Fund.

This year we are asked to give \$600.00 for the Bishop's Fund, \$300.00 of which is for Hope Mills, \$200.00 for Burgaw, and \$100.00 for a horse and buggy for the Missionary in Hyde County.

\$207.00 of the Bishop's Fund was used to complete the \$500 asked for by the Bishop last year for Hope Mills, \$100 was also given him for the Missionary in Hyde County; and we have no fear of having the amounts asked for Hope Mills and Burgaw, in our offering at the next Council. He congratulated the Societies on the fact that most of the funds this year had been sent through the Treasurer, Mrs. George H. Roberts, as requested.

Rev. J. H. Griffith, of Kinston, then came before the meeting and asked for the gift of a font for the little church in Farmville. Mrs. H. M. Bonner was then recognized and

asked that the Convocation of New Bern assume the responsibility of purchasing this font as it was for a church in their Convocation. A voluntary offering of \$10 was given by Mrs. Hines, of Kinston, \$5 from Mrs. Martin Willard, of Wilmington, and \$1 by Mrs. Nixon, of Hertford.

The Rev. W. J. Smith, of the Thompson Orphanage, of Charlotte, came before us to thank us for past efforts in behalf of the Orphanage and asked us to continue our good work; and he especially urged every one sending boxes to have their names written on them plainly that they may be acknowledged. Our President then told him that next year we were to give him \$200—\$100 of which was for the Building Fund.

Mrs. W. E. Cox then spoke interestingly of the great Jubilee Meetings that have been held all over this country—the purpose of them and the great good that they had accomplished.

Mrs. Nixon Davis told of the Study classes that had been held in Wilmington during Lent and the great help they had been in many ways, and the interest they had aroused.

Mrs. Harding announced that Miss Lindley, assistant to Miss Emery, would be in the Diocese this fall to have a Study class for the leaders, the arrangements of which would be made later.

The reports were then called for.

In the Round Table discussion which followed some helpful suggestions were brought out.

First. What is the first obligation of the Auxiliary?

The apportionment to the Board of Missions is the first obligation of the Auxiliary and should be so considered and provided for before anything else.

Second. How can the Woman's Auxiliary in smaller towns help the young boy?

In small towns, having no Y. M. C. A. or St. Andrew's Brotherhood, the Woman's Auxiliary might wisely adopt some of the methods of these organizations such as, the weekly gathering together of the boys into a Study Class either of Missions, the Bible, or the lives of the heroes of the Church; the holding of the offices by the boys themselves, with only one or two older people to suggest and encourage the free and unrestrained discussion of the subject in hand by the boys; allowing them to plan and conduct their own meetings of prayer, reading, talk and song service; above all, impressing

upon them the thought that they are to seek out and bring into their band other boys.

Third. What is the best way to arouse interest and increase attendance at meetings?

Choose a leader, who is earnest and capable, and a friend to every member. Select a Secretary who is prompt in attendance and careful in every detail of the work. Plan carefully after getting the expressed wishes of every member as to work to be done. An occasional social feature would be helpful. A very necessary way is to feel that you are needed at every meeting and that you are responsible for the attendance of at least one member.

It was moved and seconded that with rising vote we express our sympathy to Miss Alice Mallett in her sickness, and our regret at her absence.

Mrs. Cox, in behalf of our President, officers, delegates and visitors, expressed to the people of Fayetteville their sincere appreciation of their unbounded hospitality, their many kindnesses shown to us, and the help and inspiration that these meetings had brought to each one.

After the reading of the minutes the Meeting adjourned to meet next year at the same time and place designated by the Council of East Carolina.

Mrs. Wm. E. Cox,
Recording Secretary.

Meeting of the Board of Officers.

The Board of Officers met in St. John's Parish House, Fayetteville, N. C., Monday, May 22.

At ten o'clock the meeting was called to order and opened with prayer. Mrs. Nathaniel Harding, Mrs. James Staton, Mrs. C. H. Bonner, Mrs. N. N. Davis, Mrs. George Roberts and Mrs. Josh James were present. "A rule of order" for meetings, was read and adopted. Parochial reports were next considered and it was decided, that these reports shall be called for at Parochial Meetings, during the Annual meeting, and that Parochial gifts to Missions are voluntary, obligatory only towards the Bishop's and Central Fund. A pledge of two hundred dollars (one for general expenses the other towards the Building Fund), was made for Thompson Orphan-

age and we are asked to contribute towards St. Agnes' Hospital.

Mrs. Bonner called attention to the needs of the Church at Oriental, Aurora and Edward. It was

Resolved, That hereafter the Woman's Auxiliary shall have a page devoted to Woman's work in the Diocesan Church paper. Also that the General Auxiliary Report be more limited and that five hundred dollars should be given towards General Missions.

To arouse interest in Study Classes that Miss Grace Lindly be invited to visit the Diocese this Fall, making New Bern her headquarters.

The hour for the Parochial meeting was reached and the meeting adjourned.

SUE E. COLLIER.

Meeting of the Parochial Society.

The Conference of the Woman's Parochial Society was held in the Parish House of St. John's, Fayetteville, N. C., May 22, 1911, at 11:00 a. m., presided over by Mrs. Nixon Davis, Vice-President of the Convocation of Wilmington.

Meeting was opened by the singing of hymn, "Go forward Christian Soldiers," which was followed by prayer.

Each Parish Society was called upon to give an account of their year's work and to read their report. Each one represented showed work well done and progress made.

At 12 o'clock the Rev. Mr. Claiborne, of Sewanee, came in and conducted the noon-day prayer. Mr. Claiborne is a missionary in the mountains of Tennessee and came to this meeting to put before it the claims of the "University of the South". He made a strong, earnest appeal, not only for funds but for the mothers to realize that here is the place for them to send their sons, where their academic work can go hand in hand with their own Church's teaching and training.

After this appeal the remainder of the reports were read, at the close of which the meeting adjourned.

Mrs. Wm. E. Cox,

Recording Secretary.

THE PRESIDENT'S ADDRESS.

As I told you last year, there is very little for me to say after hearing the splendid reports from the other officers. I must congratulate all on the way the pledges have been met the past year, it is really the first time our apportionment has been met in full and on time. It was suggested from the Missions House that we give \$495.00, and already \$516.55 has passed through the hands of our Treasurer. The amounts asked for by the Bishop for St. Cyprian's Church, New Bern, and St. Agnes' Hospital, Raleigh, have been exceeded. There has been given for Hope Mills Parish House from the several branches, \$283.30. We can easily increase this to \$500.00 from our collection this morning. We have given more to the Thompson Orphanage than ever before, and I hope another year we will double it, or give a large sum on one of the new buildings so much needed. At the officers' meeting yesterday it was resolved to give at least \$200.00 for this purpose next year. There seems to have been much interest shown in every branch of our work, and I hear of enthusiasm all over the Diocese. I attended a Woman's meeting during the Convocation of Edenton at Williamston, in November and one at Aurora in January at the Convocation of New Bern. Both were well attended, all showing interest and striving for better things. Many branches have had Study Classes, with good results from all, especially so in Wilmington, where a class was taught early in the winter, and each of that class in turn was leader in a class during Lent. In this matter we have made a great step forward, and I hope for further progress another year.

We hear of several new branches of the Woman's Auxiliary, and other Societies, Seniors and Juniors, in all three Convocations. This increased interest is to be expected in the year of our great Triennial, and added to that the meetings of the "Woman's Foreign Missionary Jubilee", which is exerting an influence, that makes us all, though only able to read about them, long to do more, and makes us realize our great responsibility and feel that we fall far short of other workers. Perhaps some of you have read in the May "Spirit of Missions," of the solitary woman worker in Alaska, who wrote to the Missions House, that she wanted a share in the Jubilee, and said please add fifty dollars from my stipend to the fund for foreign missions. Can't we follow her noble example and send a gift for Foreign Missions, that we too may have a share in the "Jubilee"? There is being made in every Diocese a great effort to interest the young women and larger girls in missionary work by forming them into Study Classes and Branches of the Junior Auxiliary. This is the work of the Woman's Auxiliary and if a few of us even one in a Parish, would gather some of these young women, ten, twelve or less, into a circle or class and help them learn more of the Bible, and more of the Mission Field and the self-denying workers, though we give not a penny, we could feel that we

were engaged in God's work and when the interest is aroused the pennies will begin to come, but the effort must be to arouse interest in these young women, who are too old for the Juniors, and feel too young for the Woman's Auxiliary, that they may feel the desire to help the coming of the Kingdom.

MRS. NATHANIEL HARDING.

CONVOCATION OF EDENTON.

Only one Convocation has been held during this year—that in November at Williamston. It is with a feeling of pride that I report the meeting most helpful and enthusiastic. At the Junior meeting 25 delegates were present while the Woman's meeting showed 36 in attendance.

At this time the Juniors were given a separate meeting which they improved by helpful papers and reports.

There is a marked improvement in the number of study classes. During the winter and Lent nearly every Parish studied the Acts. The reports are most favorable. All derived great benefit from the studies. In the Parishes where Mr. Matthews held missions special Bible studies were followed with interest.

In every Parish there are subscribers to the Carolina Churchman; some to the Southern Churchman and the Churchman. With few exceptions the Spirit of Missions is in every Parish. To those who are not subscribers to the Spirit of Missions I would suggest that it be taken by the Auxiliary and passed around among the members and the articles discussed at the meetings.

Belhaven has organized an Auxiliary which is a step forward for missions and another year we will have a full report from them.

In contribution to the United Offering Washington has second place in the Dioceses and Williamston is third.

The average attendance at the home meetings I found to be as follows: Bath, 75 per cent.; Columbia, 50 per cent.; Creswell, 60 per cent.; Hertford, 40 per cent.; Murfreesboro, 75 per cent.; Plymouth, 60 per cent.; Roper, 50 per cent.; Washington, 40 per cent.; Williamston, 50 per cent.; Windsor, 60 per cent.; Winton, 90 per cent., and Zion, 50 per cent., making an average of 58 per cent. for the Convocation of Edenton.

The Juniors attend their meetings better than the women; let us hope such good habits will continue when they are advanced to the Woman's Auxiliary.

The Work of the Convocation is going smoothly; apportionments are met and the Parochial work becoming more efficient each year.

The response to all calls has been hearty, and with such faithful co-operation one feels that the Master's Kingdom will come.

Respectfully submitted,

MRS. JAMES STATON.

CONVOCATION OF NEW BERN.

Having been one of your Vice-Presidents for so short a time, I feel that my report is not what it might be, certainly not what it should be. Having been but one of a band of workers in one of our Societies, and not having studied the work prior to my appointment as I should have, and appreciating now, my limited knowledge of the work, I feel that I can not report so much work done as I might otherwise.

Since the first of January at which time I was appointed Vice-President of the Convocation of New Bern, two new Auxiliaries have been organized, and one old one revived. The new ones being the Auxiliary at Oriental, and at All Saints' Chapel, New Bern.

The Auxiliary at Vanceboro having been reorganized, there are now in the Convocation of New Bern 29 Societies under the auspices of the Church: 12 being branches of the Woman's Auxiliary, 13 Parochial Societies, two Altar Guilds, one Girls' Friendly, and one Chapter of The Daughters of the King. Last year only 19 were reported; there were others, however, which did not report, one of these at Edward, a faithful band who were working earnestly to raise a fund with which to begin the erection of a church.

Another band of faithful workers, who for quite a number of years have been most zealous in their work for the Master, a band whose example we might well emulate in many ways. The Parochial Society of this old Parish, S. John's, Bonnerton, has given frequently to worthy objects, but directly and not through the Auxiliary, so the net proceeds of their labors have not been shown in our reports. This old Parish has but 17 female communicants and yet they have 18 members in their Society and they are all active, liberal laborers in the Master's vineyard. A numerical strength that is unequal in any other Parish in the Convocation.

At Oriental there are eight women working together to push forward this great work. Their organization is of very recent date. They make no report at this time.

The Auxiliary at All Saints' Chapel has been organized but a few months. They began with eleven members and now number twenty-five. Their meetings are enthusiastic. The Missionary spirit is very greatly in evidence, and their report is most creditable. The work which they have accomplished should put us all to thinking and inspire us with renewed energy and a determination to accomplish greater things in the future.

I have visited the Auxiliary in Aurora and Kinston. Have been to Vanceboro reorganizing the Auxiliary there. Visited Oriental, organizing a branch there and have reorganized another branch at All Saints' Chapel, New Bern. I have visited Jasper talking to them of the Missionary work of the Church.

The enthusiasm manifest at Vanceboro and Oriental, I attribute in

a large measure to the fact that I visited these places at such a time as Mr. Matthews, our Missionary, was conducting a series of services in the several places.

In all places which I have visited, I received a most cordial welcome for which I again wish to express my appreciation.

In Aurora, I was present during the meeting of the Convocation. A meeting which has been fraught with benefit. The success of this meeting was due, in a large measure, to the presence of our beloved President, Mrs. Harding. One delegate was present, Miss Dail from the Auxiliary of Christ Church, New Bern. She read a very interesting paper on the work in China.

Short addresses were made by Rev. Mr. Griffith, Dean of the Convocation, who acted also as Chaplain, and by Rev. Mr. Harding.

My expenses to Aurora were \$3.40; to Vanceboro, 90 cents; to Oriental, \$1.20; to Kinston, \$1.70; for stamps \$1.20. I have received from the Treasurer of the Convocation of New Bern \$3.40, and from our Treasurer, Mrs. G. H. Roberts, \$5.00. I have written to all the Auxiliaries and other Societies of the Convocation of New Bern. Some answered promptly, others not at all.

I wish to ask each delegate to take this message back to her Auxiliary, "Please answer all correspondence promptly." We can not keep up with the work in any other way. Do not hesitate to write to us for any information you wish, relative to the work. It will afford us pleasure to aid you, at any time, in any way, that we can.

I wish to call your attention to the very great need of church buildings in Edward and Oriental. Most excellent work is being done at both places, under the ministrations of Mr. Crosby and Mr. Malone, and we might well think of the needs of those places as we pray and work during the coming year. The branch of The Woman's Auxiliary in Aurora, is endeavoring to raise the means for building a new church there.

The first question in the Bible is "Where art thou?" Now where do we stand? How active is our stand? Are we active laborers in the vineyard, doing with our might this great work which the church has allotted to us, the women of the church?

The next question is "Where is thy brother?" The Master requires them, not only that we shall be in our respective places doing His will but that we shall see to it that others shall be apprised of his bidding, that we shall lead them to Him, and enlist their talents and that together we may labor that that petition "Thy kingdom come," may be fulfilled. In this great work of winning the world for Christ we shall be co-laborers with Him, and if we be co-laborers with Him then shall we accomplish great things in His name. Let us enter the work willing to spend and be spent. Let us enlist the enthusiasm of all the women of the church, and let us have all active workers in the Auxiliary. Not 20 per cent., nor 30 per cent., but 100 per cent.

There are three things we must do as Auxiliary workers: 1st, pray; 2nd, work; 3rd, give. Don't you think that very often these are reversed? We give as liberally of our means as we think we can and then feel our duty well done. Our earnest prayers are worth more than we often realize. If we pray more earnestly, we will work more arduously and give more liberally. Then my fellow workers let us not cease praying; let us not weary in well doing; but labor faithfully and not be content until we see every woman in our own Parish taking her part in this our great work for the Master.

Respectfully submitted,

MRS. H. MONTAGUE BONNER.

CONVOCATION OF WILMINGTON.

A year ago I was appointed Vice-President of the Convocation of Wilmington. In October I attended the General Convention in Cincinnati, where I saw demonstrated in force the tremendous activity of the woman's work of the Church.

In November I attended a meeting of the Board of Managers in Williamston.

There were two meetings of the Convocation held during the year; one at Red Springs which I regret I was unable to attend, the other in the Church of the Good Shepherd, Wilmington. There was a very full attendance and much interest shown.

A Woman's Meeting was held in St. Mary's Church, Burgaw, on the day of its consecration. There were a number of delegates present, and several very helpful papers were read.

A few weeks ago I visited Boardman, and formed an Auxiliary there.

Another new organization which we have to report is St. Stephen's Auxiliary, Red Springs. Here the women have given most of their time and effort to raising funds for the building and furnishing of their beautiful new Church.

The report from Clinton shows that although the Church has been without a Rector for many months during the year, the women there have done faithful work.

Splendid results have been accomplished in Fayetteville and Wilmington, and better even than the work they have done, is the interest manifested by all their Branches.

In Wilmington the all important question of Mission Study has been strongly emphasized.

It is a pleasure to report the enthusiastic zeal of the members of our Junior Organizations.

In looking back over the year's work we can feel that advance has been made. The new year's work comes to us as a fresh call to greater growth. The privilege of carrying it forward is ours.

Respectfully submitted,

MRS. N. N. DAVIS.

SECRETARY'S REPORT.

Madam President and Women of East Carolina Auxiliary:

It is again my privilege to meet with you. Our Annual meeting comes to us with the necessity of recording changes in the Board of Officers. Mrs. John Gible, who for some years so faithfully and successfully led the Juniors has left the Diocese and the resignation of Mrs. C. B. Woodley, Vice-President of the New Bern Convocation is much regretted. Mrs. H. M. Bonner, of New Bern, has been appointed by the Bishop to take her place. We gladly welcome her and Mrs. W. E. Cox, Recording Secretary to the "board of officers."

At a meeting of officers during the Convocation of Edenton, Mrs. Harding read a letter from Miss Emery in regard to certain matters introduced in the General report: 1. That this report be more limited; 2. That those who attend a Study Class in Cincinnati will begin that work in the Diocese or Parish; 3. That Junior work be encouraged, a special effort made to reach older girls and young women; 4. That it is best still to ask for the Woman's Auxiliary and of the Sunday School their separate apportionment; 5. There are special needs still unmet. St. Paul's and St. Margaret's, Tokyo; St. John's, Shanghai, are only some of the many that claim some one's thought and care; 6. The United Offering of 1910 is again accompanied by the call for a gift of self, and will you make that of 1913 enable us to send all who will surely offer; 7. Constant prayer for the Unity of Christ Church.

A more limited General Report is desired and after discussing the apportionment it was decided that four hundred dollars should be given towards General Missions. This sum has been given. Gifts during the year have been generous, those towards the General Clergy Relief Fund the largest yet received.

The closing of the Twenty-fourth Annual Meeting takes us to a year that should be laden with thoughts for our "Silver Anniversary." Cannot we make it possible at that time to gladden some place with a Church to teach our ways to those who do not know them?

MRS. GEORGE ROBERTS.

THE REPORT OF THE UNITED OFFERING TREASURER.

Since making my last report, our United Offering for 1910 has been presented. Your hearts must have been filled with praise and thanksgiving by the part the Diocese of East Carolina took in that offering:

Woman's Auxiliary	\$2,415.61
Junior Auxiliary	88.14
Baby Branch	16.25
	<hr/>
Total	\$2,520.00

St. James, Wilmington, alone giving \$1,311.65. The result of personal solicitation and canvass of the whole Parish and this is why I requested last October, each Branch of the Woman's Auxiliary to appoint a special office or committee to look after this work. If any of you have not complied with my request, I earnestly beg that you do so at once. Wherever it has been tried the results have been threefold.

I have received since last May a total of \$1,903.06. This of course, included St. James' offering. Of this amount \$1,651.23 was collected previous to October 1st and presented in Cincinnati, leaving a balance of \$256.83 collected since October 1st and now in the bank credited to the Woman's Auxiliary of East Carolina for the Offering of 1913.

MRS. JOSH JAMES.

REPORT OF THE BABIES' BRANCH OF WOMAN'S AUXILIARY.

May, 1910—May, 1911.

Another mile post has passed and while our financial statement shows a decrease for the year I can not but feel that the interest in the Babies' Branch is on the increase.

Earnest letters have come from many of the leaders of the "Little Helpers" in the Diocese and if we will but wait patiently I am quite sure that when we are come together again this earnestness will bear abundant fruit. This is, it must be a most important part of our work. How else can we go on if we do not look carefully to our beginnings. And it behooves us to pray for the fuller realization of what it means to have our Babies take their part in the work of Christ's Kingdom.

Financial Report.

Minutes of The Junior Department.

The Junior Department of the Woman's Auxiliary met in St. John's Parish House, Fayetteville, N. C., Monday afternoon, May 22. After a most gracious welcome given by a little Junior, Lucy London Anderson, the roll was called. Sixteen visiting and eighteen home delegates were present. Mrs. Harding then gave her address.

Before beginning the work of our Junior meeting, I would call to mind our great loss in the removal of our Secretary to another Diocese in February last. The Bishop decided to wait until our Annual Meeting before appointing another Secretary, so as soon as possible I wrote to the Vice-Presidents asking them to look after the work in their several Convocations. Through the enthusiasm of our former Secretary and the prompt work of the Vice-Presidents, the work has not suffered as you will learn from the reports. The past year with the great impetus given by the General Convention, with its conferences and Study Classes, has been a very active one in Junior circles. The interest aroused has caused one or two pages each month in *The Spirit of Missions*, to be set apart for discussion of Junior work.

Among the important subjects brought before us is the selecting and training of Junior Leaders. How we may attract and interest the older girls, that a united effort be made to gather them into Junior Branches, and by prayer, study and experience fit them to become members of the Woman's Auxiliary.

The Committee on Membership at the General Convention stated that while recognizing that by Baptism we are members of the Church and eligible as members of the Auxiliary, feel that it would be contrary to the Church's Mission to debar any child from attendance at meetings. They recommend that in no case shall an unbaptized child hold office in a Parish Branch and that each leader shall use her influence to bring such children to baptism. They also recommend a closer union between the Junior Auxiliary and the Girls' Friendly Society in their missionary work. I hope the leaders will discuss these subjects among themselves, and be ready with the new year to help on the "Forward Movement," by making the children of the Church realize more fully the need of training by Prayer and study, that they may lead others to recognize the Church's opportunity to carry out the command of our Lord and Savior Jesus Christ.

Now my dear children, a few words to you, who have come to our Annual Meeting to represent your Parish Branch whose members have been working to bring into the hearts of each other an earnest interest in all work for the Master, a greater knowledge of this work at home and in foreign lands, and have been praying that we might do our part in this work, even to the giving of ourselves.

By being a delegate proves that you have been a faithful member of your branch, and I hope each one of you will carry home some new and helpful idea, that will encourage and cheer your leader, and make your work for the next year broader and stronger.

Affectionately,

MRS. NATHANIEL HARDING.
