## 23D ANNUAL MEETING OF THE WOMAN'S AUXILIARY OF THE DIOCESE OF EASTON.

Nov. 8th, 1916, Trinity Church, Elkton.—2.30 P. M.,  
Quiet Hour of Meditation, Subject, Prayer, Led by the Rev.  
George M. Galarneau, All Hallows Parish, Snow Hill.

PAISH HOUSE, 3.30 P. M.

## ADDRESS BY MISS FORBES, OF ENGLAND.

Miss Forbes, a visitor from the Mother Church of England, representing the S. P. G. at the Triennial meeting in St. Louis was our guest by invitation of the president.

Wearing the garb of a Pilgrim, she told us of "The Pilgrimage of Prayer" recently held in England. In part she said, though the awful war had made the more serious-minded keenly alive to "the shortness and uncertainty of human life," there were many in England who seemed spiritually to be in a lethargic slumber. That these might be aroused before it was too late, a number of prominent Women, wives of bishops and others, after prayerful preparation, volunteered to take part in this Pilgrimage of Prayer. In the simple garb of a Pilgrim, known only as "Pilgrim Mary or Martha," they went on foot from town to town, from house to house, kindly exhorting the people to give heed to the serious things of life; to set up again their family altars, to keep more reverently God's Holy Day so that as a nation they might come into a deeper, truer life. And they ask of us in America our prayers, that they may have grace to forgive and to love their enemies.

## WEDNESDAY EVENING.

Service and sermon by the Rev. Mr. Galarneau.

## THURSDAY, 7.30 A. M.

## DIOCESAN OFFICERS' REPORTS.

The President reported a cordial reception of the Easton Branch into the Synod of Washington at the meeting in Richmond in Nov., 1915.

It was a great gratification to hear the generous words of approval and commendation of our bishop and of the clerical and lay members at our Diocesan Convention meeting in Salisbury in June, 1916, upon the presentation of the annual report of the work of the Woman's Auxiliary in this Diocese. Also that our Diocesan Branch has borne witness to the interest we feel in the work of the church at home and abroad by sending five delegates to the triennial meeting in St. Louis.

## SUMMARY OF WOMAN'S BRANCH, 1916.

The associate president reported the younger women organized or work in Section B. in a few of our parishes.

The corresponding secretary requests that attention be called to the fact that the Auxiliary year is the same as the Diocesan church year, extending from April to April. A full report should be sent from each branch to Mrs. P. A. M. Brooks, Chestertown, Md., with the names of parish officers for the coming year, not later than the first of May.

*Resolved*, That all business matters of each section pass through the hands of the vice-president in charge of that section.

The parish directors of Junior work are to report all inquiries and to send all money, excepting the United Offering, to the vice-president under whom they work.

**The Eighteenth Annual Report of the Little Helpers or Section I of the Junior Department.**

---

**MADAM PRESIDENT AND MEMBERS OF THE AUXILIARY:**

It gives me great pleasure to report to you the work for the past year of your younger members. There are about 380 Little Helpers in age from the baby just baptized to the child eight years old in Section I of your Junior Department; 21 Parishes out of the 38 in the Diocese sent me reports and money for this year.

One parish, Snow Hill, withdrew from the work, the parish secretary writing me that the children had outgrown the Little Helpers, and that there were none to take their places.

Sixteen parishes had the special service when the children offered their boxes. There is four more than last year so I trust this beautiful custom is growing in the Diocese. Eighteen Little Helpers have been advanced to Section II. One has been added to our Memorial Circle, so that we now keep in remembrance 46 little ones who are safe in the gardens of Paradise. Forty-eight new members have been added to our branch; 8 branches gave \$9.30 towards our pledge of \$15 to the G. F. Mitchell Memorial Kindergarten Building Fund, Akita, Japan, the balance had to be made up from our emergency fund. I am glad to be able to tell you that this special work of enlarging our kindergarten building at Akita, Japan, undertaken at the New York Triennial for which \$1,000 was asked, has been completed and paid for, and it is of great help to our work in Akita.

The money from all the little red boxes amounts to \$178.06, with the special for Akita of \$9.30 making a total of \$187.36, \$27.64 less than we gave last year, but as Section II has been largely organized by advancing the oldest of the Little Helpers, I think that may account for it.

You know I do not consider the money given as a fair test of the work of the Little Helpers, but one branch has done so well for the last two years that I feel compelled to notice it.

St. Andrews, Sudlersville, in 1915 reported five members and gave \$7.41, averaging more than \$1 to a box, and \$1 extra for the Akita special. This year they report six mem-

bers and give \$6.32 from the boxes, with \$2 extra for Akita.

Holy Trinity, Greensboro, comes next with only four members and an offering of \$4.12. Our box this year goes to St Mary's, Suawanee, Tenn., and we value it at \$75.00; 8 branches contributed to it. We sent \$70.50 to the United Offering—total for the three years.

Respectfully submitted,

MARY J. TILGHMAN,

3rd Vice-President in Charge of Section I.

If I have not kept you too long, I would like to make an earnest appeal to you for help, not as an auxiliary but to each one of you as an individual.

If we want to accomplish any thing we must know exactly what we want, and then we must go and get it. Now, I know very clearly what I want, they are four things.

First—A branch in each of the 38 parishes in the Diocese. There are 17 more branches that we must have before we can really be a Diocesan branch.

Second—I want every baptized child under eight years of age enrolled in the Little Helpers work.

Third—I want the Auxiliary so organized in our parishes that when our Little Helpers are old enough to be advanced to Section II there will be a Section II to receive them.

Fourth—I want some provision made for the boys. There are as many boys as girls among the Little Helpers, and it is a weak spot in our Diocese that so little provision is made for their continued work after they are eight years old.

These are my four problems, and these are what I am asking you to help me with. Please don't say "There are no children in our parish; say rather "I have not looked for them." Please don't say, "I am so busy; I would like to help you but I can't, but Mrs. So and So is here from our Parish, ask her." Mrs. So and So has her own work as much as you. Besides I am asking Mrs. So and So, but it is *you* I want to help me. This is the way I want you to talk to yourself. "I know the Little Helpers' work is especially blessed with the Master's approval, or it would not ac-

compleish the wonderful work it does. I know that when I do the Master's work it must be done in His way, not mine. May not this appeal for help that Mrs. Tilghman is making be His call to me for my personal service, my opportunity to do some work for Him.

It is a blessed privilege when we say, Here am I, Lord, take me—my mind, my hands, my feet, my lips to do Thy will, working through me for thy glory, and then wait on Him, He will show us in a very wonderful way what He has for us to do. Won't you try this for me when you have gone home, and then go to your rector, and if there is no branch in your parish, talk with him and see what can be done about it, or if there is a branch go to your parish secretary, and you and she consult with your rector as to the best way to reach every baptized child in your parish, and also talk about these other problems of mine. May be your influence can help reduce that number 17 parishes where there is no auxiliary work done.

If you will honestly try this plan with me this year when we come together to our next annual meeting, I am sure you will be astonished at the result, for if we ask faithfully what He will have us do, and then do our best to do what He shows us, it is His to give the increase.

Now, I have told you my problems, and I will leave them and my Little Helpers to your prayers and your loving care, knowing that our blessed Lord, who called little children and blessed them, and who twice gave the command—"Feed my lambs"—will fit us each one into His perfect plan for the growth of His kingdom, our problems will vanish away and we will indeed be a united auxiliary, working throughout our Diocese to do the Master's will.
