DIOCESE OF GEORGIA

FORTY-SECOND ANNUAL MEETING

HELD AT CAMP REESE

ST. SIMON'S ISLAND, GEORGIA

THE AIM OF THE WOMAN'S AUXILIARY

"To try to awaken the women of the Church to such a conception of Christ that we may all become more effective instruments of His power in the accomplishment of His purpose for the world."

From the Message given by the Woman's Auxiliary at New Orleans, 1925.

PRAYERS

NOON-DAY

BLESSED SAVIOUR, Who at this hour did'st hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look upon Thee and be saved through Thy mercies and merits, who livest and reignest with the Father and the Holy Ghost, ever one God, world without end. Amen.

FOR THE WOMAN'S AUXILIARY

ALMIGHTY GOD, OUR HEAVENLY FATHER, bless, we pray Thee, our work for the extension of Thy kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently, and give liberally to make Him known to all nations as their Saviour and their King: through the same Jesus Christ our Lord. Amen.

UNITED THANK OFFERING PRAYER

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou has prospered them. Accept from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ, our Lord. Amen.

FOR THE DIOCESE

O GOD, whose love reacheth to the ends of the world; Bless we pray Thee, this Diocese; and grant that all who share its benefits may show forth Thy glory by deeds and by gifts for the spread of Thy Kingdom; through Jesus Christ our Lord. Amen.

REPORTS

REPORT OF THE PRESIDENT

It is with real gratitude that I look back upon the four years we have been permitted to work together in our Diocese and am thankful for the Divine help which has been given us. There is satisfaction both in the fact that we have been able to keep up the regular pledges and line of work mapped out by those who have served so faithfully before us, and in the new opportunities of work and service which have opened for us in the past few years.

Foremost, in our new line of work, I would stress the privilege which has been ours in co-operating with the Department of Religious Education. In the pledge we have given towards the maintenance of Camp Reese, we are helping to provide the young people with an opportunity of training. The possibilities of this Camp have been demonstrated by providing an ideal place for our summer camps and conferences. I hope many women will take advantage of the course which is being prepared for the Adult Division this summer.

Under the influence of our Chairman of Gift of Life, who is also Chairman of the Department of Religious Education, two young women from our Diocese offered themselves last summer for volunteer missionary work and did effective work in the mountains of North Carolina and Tennessee.

In the Retreat Conferences held in the Fall of 1932-1933 we realized the value such gatherings have in developing the devotional life. This privilege we owe largely to the spiritual leadership and practical help given us by the members of St. Marks, Brunswick and Christ Church, St. Simons Island, who carried this project to a successful conclusion.

We have kept in close touch with our missionary, Mrs. Oglesby, who is secretary to Bishop Nichols, of Kyoto. Letters to her friends here at home have proved most interesting. From Dr. John B. Wood who visited the Orient last May we hear of the satisfactory assistance she is giving in that far away mission field.

Deaconess Byllesby continues her fine work among the mill workers of Augusta. Deaconess Van Varick, in the face of a constantly decreasing income continues her splendid work. The Dodge Orphanage on the Island provides a real home for the children gathered there under her care. Deaconess Alexander, a devoted worker among her own people in McIntosh County has been selected as one of the Prayer Partners by the Diocese of Massachusetts. I hope that it may lead that Diocese to take an interest in her work.

The United Thank Offering Custodian has been untiring in her efforts to influence the women of our Diocese to share in the offering of love and thanksgiving which at the Triennial will mean so much to the Church. If we have fallen short of the amount given in former years, we must realize with gratitude that it carries as much loving self-denial and gratitude as did the greater sum a few years ago.

In the past two years we have sent delegates to the Provincial Synod. The annual appropriation of fifty dollars by the Woman's Auxiliary has made this possible. The benefit derived from this procedure has been great. It has brought our members in touch with the great leaders and program of our Church and they in turn have brought us a new vision and inspiration. I trust you will continue this custom and will send a delegate to the Triennial at Atlantic City, October 10-20, 1934.

Our objective of organizing all women's groups into one central group, divided into circles, chapters or guilds stimulating in all the circles the aims of the Woman's Auxiliary, is being carried out in many of our Churches, notably St. Paul's, Augusta, St. Mark's, Brunswick, St. Michaels and All Angels, Savannah, and many others. This plan has the approval of The National Council, varying according to local needs, and I trust may be carried out in all Churches in our Diocese.

The observance of the Quiet Day of Prayer was generally followed throughout the Diocese. The great Church-wide movement under the leadership of the Presiding Bishop has been put before you by our Bishop. The purpose of "The Church-Wide Endeavor," as it is called, is to quicken the life and faith of the Church. To each of the Branches has been sent the leaflet called "The Message in Brief."

I am giving you the leaflet, "The Way of Vision." It has been prepared for the Woman's Auxiliary by our Provincial President, Mrs. Cain. She sends it to you, trusting it may call you to share in the prayer, reading, and study being done by the women in preparation for the coming Triennial. At that time our Church will perhaps face graver problems and issues than at any other time in her history. We must be prepared.

Let us pray that our leaders may see the issues clearly and be given the wisdom and courage to carry out God's purposes as directed by Him.

Faithfully yours,

ELIZABETH M. SCREVEN.

I edited and mailed the 1933 Year Book, and sent out thirteen letters.

REPORT OF THE EDUCATIONAL SECRETARY

In accordance with the established custom of our Diocese, statistics relating to mission-study classes are given in the reports of the District Vice-Presidents, so your Educational Secretary passes to the announcement of courses for 1934-35 and to certain important considerations in that connection.

The National Council, through its Secretary for Missionary Education, the Rev. Arthur M. Sherman, S. T. D., gives us two themes, "Japan" and "Orientals in America."

No doubt there will be ample parallel reading. Dr. Sherman recommends "Christ and Japan," by Kagawa and "World Tides in the Far East," by Basil Matthews, as valuable adjuncts to the text books announced.

The Constitution and By-Laws of our Diocesan Woman's Auxiliary states, "The Educational Secretary shall guide the educational work of the Diocesan branch. She will endeavor to form a study class in every parish and mission."

A worth while study class presupposes discipline and training, especially for leaders; and such groups have every right to look to us for educational guidance.

Feeling this very strongly, the present Secretary stresses the need for an intensive course under Dr. Sherman's guidance.

Your earnest consideration of this important matter is urged. Let us give it the right of way in extension work for 1934-35, confident in our Lord's blessing upon every high ideal.

Respectfully submitted,

MRS. CHAS. H. LEE.

REPORT OF DELEGATES

TO THE SYNOD AT MONTGOMERY, ALABAMA
OCTOBER, 1933.

Eugene O'Neal in that stimulating play *The Fountain of Youth*, writes "Often we see only things, not the spirit behind them. Our hearts are then as muddy as a pool in which the deer have tramped." Today it is the spirit behind the things which happened at the Synod, that I am anxious for you to see. Therefore, I shall neither list lecturers nor give you subject titles but will try to show you some of the things that germinated out of that Conference and hope that they will find a place of growth in this Diocese.

In the midst of busy Montgomery, yet apart from the crowds there was a place where delegates met many times daily in an endeavor to realize a full and creative life in the growing knowledge of God, that is to discover a way of acting; a way of making the full and creative life possible for all people.

Mrs. Cain in a most stirring talk gave us our marching orders, which were, "Go forward, with faith in yourselves, your future and your Church." If these orders are accepted there will no longer be five hundred million Church members with only a paltry thousand to spread the gospel. Our inertia will end with an adequately supported Church and we will "go forward" with creative enthusiasm to accomplish the task.

This message was again driven home by Miss Grace Lindley when she said, "Christianity should be a well of life springing up within us—not only a consolation for the sorrows of today—but a challenging hope for tomorrow." The instruments we are to use are three: first Schools, second Hospitals, and third Churches. In order to use these instruments intelligently we must have trained leadership. Hence there is a necessity for Laity Training Schools. Education, as you know, is a continual process. One is never really educated. Only through a continual knowledge of holy things combined with an actual working endeavor can one answer the question "What is the Christian destiny of man?" According to Dean Ness, "The destiny of man is to praise and serve God, for it is that only that raises us to divine levels."

The spirit behind the Synod is beautifully expressed in the following small poem:

*"Open the windows of your wondering heart
To God's supreme creation; make it yours,
And give to others your ample store;
For when the whole of you is but a part
Of joyous beauty such as e'er endures,
Only by giving can you gain the more."*

Respectfully submitted,

Mrs. J. H. PARKER.
