WOMAN'S AUXILIARY

TO THE

NATIONAL COUNCIL

THE PRAYER FOR THE WOMAN'S AUXILIARY

Almighty God, our heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. *Amen.*

FOR NOONTIDE, DAILY

"And I, if I be lifted up, will draw all men unto me."

Blessed Saviour, Who at this hour didst hang upon the Cross stretching forth Thy loving arms; Grant that all mankind may look upon Thee and be saved; through Thy mercies and merits, Who livest and reignest with the Father and the Holy Ghost, ever one God, world without end. *Amen.*

COLLECTS FOR THE USE OF PARISH MEETINGS

O God, who hast prepared for those who love Thee such good things as pass man's understanding; Pour into our hearts such love toward Thee, that we, loving Thee above all things, may obtain Thy promises, which exceed all that we can desire; through Jesus Christ our Lord. *Amen.*

Almighty and most merciful God, we humbly beseech Thee, for the merits of Thy dear Son, to pour out Thy Holy Spirit upon all our missionaries at home and abroad, and to crown their labors with success in the gathering of souls into Thy Kingdom, to the honor and praise of Thy glorious Name, who art Father, Son and Holy Ghost, one God, world without end. *Amen.*

O God, who has made of one blood all nations of men for to dwell on the face of the whole earth, and didst send Thy blessed Son to preach peace to them that are far off, and to them that are nigh; Grant that all men everywhere may seek after Thee and find Thee. Bring the nations into Thy fold and add the heathen to Thine inheritance. And we pray Thee shortly to accomplish the number of Thine elect, and to hasten Thy kingdom, through the same Jesus Christ, our Lord. *Amen.*

A PRAYER FOR THE UNITED THANK-OFFERING OF THE WOMEN OF THE CHURCH

O Lord, our heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. *Amen.*

A PRAYER FOR THE USE OF MISSION STUDY CLASSES

Take our minds, O Lord, and think through them;
Take our lips, O Lord, and speak through them;
Take our hearts, O Lord, and set them on fire
With love for Thee and for Thy work.

Amen.

MINUTES OF ANNUAL MEETING, MAY 1, 1928

The twenty-sixth annual meeting of the Honolulu District Branch of the Woman's Auxiliary to the National Council was held in Davies Memorial Hall on Tuesday, May 1, 1928. This meeting was preceded by a Corporate Communion in the Cathedral at which the Rev. H. A. Willey of All Saints', Kapaa, gave a most helpful and inspiring address.

Rarely has a Convocation gathering presented such a gay spectacle as this one, when all were seated, for Honolulu was celebrating her first "Lei Day" and every one present was decorated in honor of the occasion.

The meeting was called to order by the president, Mrs. William Thompson, who asked every one to join in singing the good old Missionary hymn, "Fling out the Banner." This was followed by prayers by Bishop LaMothe.

Rollcall by the Secretary showed delegates present as follows:

The President's address showed a healthy growth in all branches during the past year. She voiced her appreciation of the splendid foundation laid by former leaders, and the wonderful cooperation and backing of the Executive Committee. The plan of the present com-

mittee in holding the monthly meetings at different Parishes and Missions is proving most interesting and enlightening and this will be continued. The President called especial attention to the need for an Oriental Secretary, as of the population of 333,000 persons—217,000 are Orientals. She also expressed the hope that each year Honolulu may have some one from headquarters to bring fresh zeal and inspiration to the Hawaii Branch.

The President said that she was very anxious to have several delegates from Hawaii at the General Convention to be held in Washington next October and asked if any one could suggest any possibilities. Mrs. von Holt said that it might be possible to arrange for Mrs. Harold Hill, a member of Epiphany Auxiliary, to go.

The Chair appointed the following Committee on Delegates: Mrs. von Holt, Mrs. Arthur G. Smith and Mrs. Ben. Williams, also a Committee on Memorials, consisting of Mrs. F. J. Lowrey, Mrs. Chas. Rice and Mrs. Hemenway.

The Educational Secretary, Mrs. Judd, gave a most stirring and enthusiastic report on her work during the past year, and Bishop LaMothe said it was the best report that this Department has ever had. Mrs. Judd announced an Educational Conference to be held at the Bishop's House on Wednesday morning at ten o'clock.

In the absence of Mrs. Bergstrom the Church Periodical Club report was given by the new assistant secretary, Mrs. MacWayne, who has lightened Mrs. Bergstrom's labor by taking over the distribution of magazines and books. This report showed much reading matter distributed among the Missions and Church institutions. Such generous subscription discounts have been secured that should all the persons in the Diocese place their magazine subscriptions with the Church Periodical Secretary, this Department would have more than enough money to carry on this important work.

Miss Hall, Supply Secretary, gave an interesting report of the box work done during 1927-8. She has a nice balance on hand to start the work for next year.

Mrs. Arthur G. Smith, in her report as Altar Supply Secretary, told about the very lovely furnishings for Iolani School altar, which were dedicated on Monday, April 30th, at 9 a. m., at a most impressive service, thus realizing a dream of Mr. Hinckley's of long standing.

Mrs. Miller, Little Helpers' Secretary, reported being a bit discouraged with results this year, but a start has been made and she hopes for better things in the future.

Mrs. Harrison gave an interesting report of the Kusatsu Leper Fund, which she had collected and sent to Japan by Bishop McKim. So great has been the interest since hearing Bishop McKim's address at the February meeting of the Diocesan Woman's Auxiliary, that the sum voted that day was more than doubled. Bishop McKim's touching

letter of appreciation on receiving the check for \$215.00 told us it was sufficient to keep two lepers for a year.

Next came short reports from the various Auxiliaries. Mrs. Withington, for St. Andrew's, told of the successful year that had followed the amalgamation of Guild and Auxiliary and the work under the five fields of service. The first difficulty that came up was the choosing of a name for the organization and it is still just "Guild and Auxiliary." She told about the good attendance on Friday, which is "at home" day, with a good luncheon served at noon in the Bishop's House. These are very delightful times, which give those who attend an opportunity to know one another better. The practical side is not neglected, as sewing is done for various projects, one being that of making articles to sell at the annual bazaar.

Mrs. Chandler read the report for St. Clement's, which was written by Mrs. Mist. This told of work done along the same lines as last year, viz: boxes of clothing and gifts sent to Nenana, Alaska, and to Mr. Walker at Makapala, gift of provisions and money to St. Mary's Children's Home for Thanksgiving, \$120.00 paid toward the support of three orphans in the Home, and 150 garments made for the Home during Lent. Besides this \$250.00 was raised for the support of the "twins" as well as all their clothing for the year being made by St. Clement's.

Mrs. Covell read the report for Epiphany, written by Mrs. Hill. This told of the Auxiliary and Guild meeting together during the past year. Twenty-five dollars was given toward the Diocesan Lenten sewing and luncheon was served on March 9th.

Mr. Kieb gave a verbal report for St. Elizabeth's, telling of the work done by his faithful Chinese women, the Guild and Auxiliary working together.

At this time a break in the routine was made to enable Mrs. Swartz to present greeting from the Women's Board of Missions of Central Union Church. She explained that Mrs. Theodore Richards, who usually brings the message of goodwill from Central Union was away this year and that she had the pleasure of telling those present that the members of the Board hoped for a continuation of the cooperation and friendship that has always existed between the two organizations. At the completion of Mrs. Swartz' message Mrs. Harrison moved that this meeting send a greeting of Aloha to Mrs. Richards. This was seconded by Mrs. Kimball and carried.

The Chair next called upon Mr. Hinckley who said that he wished to thank the Woman's Auxiliary for the furnishings for the altar at the new Iolani. He said he did not think that finer furnishings could be found anywhere, and that the students were very much impressed and asked if they could not have regular church services every morning. The processional cross, given by the W. A., was dedicated as a memorial to Canon Kong. Mrs. Restarick asked if it would not be possible to have some sort of a memorial for Canon Kong at St. Peter's and also

at the Cathedral. She also asked for special prayers at noon for those who are ill, and those who have died during the past year.

With every one standing the noon tide prayers were offered by Mr. Walker. This was followed by an interval of silent prayer for Miss Emily Tillotson, seriously ill at St. Luke's Hospital in New York, also for Mrs. Kong, mother of Canon Kong, ill in China, and for Canon Kong and the Rev. Mr. Villiers, who have passed on since last Convocation.

Mrs. Adams next brought friendly greetings from the Methodist Church. She said that we were all co-workers on the King's Highway, where there is much road building yet to be done and that, from the Methodist co-workers she brought warmest greetings and a "God bless you." The President said she thought this was the first time the Methodist Church had been represented at an annual meeting and she hoped that we would have this pleasure again.

Reports were resumed to fill the interval until adjournment for luncheon. Mr. Willey presented the report from All Saints', Kapaa, and told of combined Auxiliary and Guild meetings held, with a good average attendance. Sewing was done for hospitals and also for the Child Welfare. All pledges have been met and affairs generally are in good condition.

Mrs. Lo reported for St. Peter's, where they feel very much the need of a Priest.

Mr. Fukao reported verbally for Trinity Mission, as the President of their Auxiliary is ill.

Mrs. Williams read the report for Good Shepherd, Wailuku, telling of combined meetings of Guild and Auxiliary, \$70.00 being expended for Auxiliary work.

Mr. Cockcroft, reporting for Holy Innocents', Lahaina, said they had a small number of workers, but they were ever striving in a humble way.

Mr. Wallace, reporting for Christ Church, Kona, said that the women in his Church were going on in the usual way, meeting all their obligations.

Mr. Kieb next reported for St. Luke's Korean work. There is a woman's society of twelve members that is quite active, also a thriving branch of the Mothers' Union.

Miss Margaret Fujita, representing the District Council of the Young People's Service League, next gave an interesting report, in which she stated that the young people wished very much to have a conference of their own on the week end of Labor Day at a place to be decided on later and asked for the help of the older people. The chair said she felt that this was a big and important undertaking and that she was sure the Woman's Auxiliary would help in every way possible.

Mr. Walker, reporting for his Guild and Auxiliary at Kohala, said that the members decided to give money this year instead of a sale and that they raised \$300.00, no one giving less than \$20.00.

Reporting for Holy Apostles, Hilo, Mr. McClement, priest in charge, told of the unusual conditions there, where there is a Guild of about 26 persons, 19 being inactive members and 7 active, and that the 7 active members, all of whom are school teachers or business women, raised \$500.00.

At this point the President called for an adjournment for luncheon. She announced that a new plan has been arranged and instead of luncheon in the Priory, all were invited to go to the Y. W. C. A., where there would be ample room for every one.

AFTERNOON SESSION

Promptly at one-thirty the meeting was again called to order.

It was moved by the Rev. Mr. Fukao that Mrs. Day and her helpers be given a hearty vote of thanks for the splendid luncheon arrangements carried out so very satisfactorily. This was seconded and carried.

It was moved by Mrs. Withington, seconded by Mrs. Chandler, that a radio message be sent to Mrs. LaMothe. This was carried by unanimous vote. In expressing his appreciation of this motion the Bishop stated, that in her last letter Mrs. LaMothe had sent her love and best wishes and regrets that she could not be present on Auxiliary Day.

In the absence of Mrs. Morgan, who left recently for the mainland, the report of the Mother's Union was read by Mrs. von Holt. This showed that the movement is spreading to the other islands, and was most interesting, especially the part about the contact established by the "Korean Mothers" here with the Head Union in London through their gift, which has been cordially acknowledged, and the information given that it would be used for a large well bound hymnal for the Priest's desk in the Mary Sumner House Chapel. An inscription composed by Mr. Cho in English and Korean will be affixed.

Bishop LaMothe then gave an interesting talk on the duty of a Christian. He said that the average Christian has no appreciation of the honor that is his in being allowed to help in the work of carrying the good news to all nations. It is not easy to be a good Christian. Eight out of ten Christians will say that it is foolish to disturb the heathen—why not leave them alone and let them enjoy their religions, which have much that is good in them—but Christ said, come learn of me and then go out into the world. That ought to be enough for any Christian. He told of other orders that seemed equally foolish to the soldiers who did not understand, but by blindly obeying they had later realized the worth of their effort, and that it will be a big day for this Church of ours when she wakes up to her real duty and privilege.

As Hawaii belongs to the Province of the Pacific, which holds its Tenth Annual Synod in Salt Lake City, May 8th to 10th, it was moved by Mrs. Judd that we send greetings by Radio to the Provincial Branch of the Woman's Auxiliary in session. This was seconded by Mrs.

Carpenter and carried. Mrs. Thompson expressed regret that we could have no representative this year, but said she had sent a report.

Mr. Kieb spoke very eloquently on the need of a Secretary for Oriental work. So very urgently did he voice this need that it was moved by Mrs. Chandler, seconded by Mrs. A. G. Smith, that we add to our Executive Officers a Secretary for Oriental Work, and that the following changes be made in the Constitution and By-Laws: In Article V of the Constitution the words "and a Secretary for Oriental Work" be added after the words "an Assistant Supply Secretary." Also in the By-Laws, No. 6, the words "Secretary of Junior Department" be deleted, and the words "Secretary for Oriental Work" be added after the words "the Secretary of the United Thank Offering." Before a vote was taken Mrs. Withington made a very earnest appeal. She said that she felt that this was the most important step that had been taken for some time and urged strongly the importance of getting just the right person for this work. She feels that this is a very critical time and that a very strong leader is needed and concluded her appeal by asking that this motion be amended to read that a committee be appointed to confer with the Bishop in the selection of a person to fill this position. This was seconded by Mrs. Coombs and carried by a standing vote.

Bishop LaMothe then announced the following officers for the year:

Honorary President.....	Mrs. H. M. von Holt
President.....	Mrs. William Thompson
1st Vice-President.....	Mrs. F. J. Lowrey
2nd Vice-President.....	Mrs. R. B. Anderson
Treasurer.....	Mrs. Thos. E. Wall
Recording Secretary.....	Mrs. W. A. Wall
Corresponding Secretary.....	Mrs. R. E. White
Educational Secretary.....	Mrs. L. M. Judd
Church Periodical Club Secretary.....	Mrs. R. A. McWayne
Asst. Church Periodical Club Secretary.....	Mrs. Jas. W. Bergstrom
United Thank Offering Secretary.....	Mrs. H. M. von Holt
District Altar Department Secretary.....	Mrs. Arthur G. Smith
Supply Secretary.....	Miss Gertrude Hall
Asst. Supply Secretary.....	Miss Marion Hall
Little Helpers' Secretary.....	Mrs. J. H. Miller

Mr. Freeman spoke in appreciation of Miss Van Deerlin's work at St. Mary's Mission. It is quite easy for them to take care of young children, but as the boys grow older she feels that they need the influence of men. At present there are two brothers that have outgrown St. Mary's—one is at Iolani on a scholarship and Ernest, his brother, needs the same chance. If some branch or parish could arrange so that Ernest could be at Iolani with his brother it would be an ideal arrangement. This would cost \$23.00 a month for ten months.

Next on the program was a very interesting little pageant given by Mrs. von Holt, who had little girls of different nationalities in national dress spelling out the words "United Thank Offering." After these charming young people had retired, Mrs. von Holt gave a most interesting report on the Thank Offering which is to be sent on in October. There is on hand \$1070.07, which is \$200.00 more than at this time three years ago, so it is hoped that at the meeting in Washington in October the sum from Hawaii will be larger than at New Orleans when \$1,324.86 was put into the gold basin, which is pictured on the cover of the April number of the Spirit of Missions.

The Bishop then told about the motion, made at the last Triennial, that the men should have United Thank Offering boxes, too, and said that as far as he knew, nothing further had been done about it. He suggested that it would be a splendid idea to start it with the Honolulu men and take the first offering on to Washington from here. He said he would bring the matter up on the next day at the Clergymen's conference. Mrs. von Holt said that she would provide the boxes of any color they might desire.

The Bishop then spoke at length of the need of a new Church for the Japanese. The old building is in such a condition that no further repairs can be made and he feels that the time has come when that church should be on a lot of its own. The Japanese have \$3000.00, which can be used for the purpose, and the Women's Auxiliary have \$6000.00 in the Japanese Hostel Fund. It is felt that there is no special need now for a hostel for girls, and if that sum could be added to the amount in the hands of the Japanese, it would make \$9000.00 to start with. It was moved by Mrs. von Holt that the Honolulu Branch of the Woman's Auxiliary to the National Council place the monies known as the Japanese Hostel Fund in the hands of the Bishop to be used at his discretion for the furtherance of the Japanese work. This was seconded by Mrs. Smith and carried by unanimous vote. Mrs. Judd reported that a member of St. Andrew's Auxiliary would give \$500.00 toward this fund.

Mr. Clark of South Dakota in a very nice speech said that he and his wife would like to give the cornerstone for a new Church for Trinity Mission.

Mr. Martin of Kauai told about the need of a church at Kekaha, Kauai, where he has been laboring for four years. Services have been held in a small building belonging to the Hawaiian Board of Missions, which is not at all churchly or suitable. From eight to ten thousand dollars would be needed to start this work properly. Mrs. Smith asked if the people there were interested and Mr. Martin said that they were very much interested. Bishop LaMothe said that he was strongly in favor of having a church in this location and that the suggestion had come from the people themselves. It was moved by Mrs. Judd that the Woman's Auxiliary endorse the idea of a church for West Kauai,

but reserve action until after other pleas were known. This was seconded by Mrs. Coombs and carried.

Mrs. Gilliland, for the Hawaiian Auxiliary, reported all pledges and assessments met and everything in a healthy condition. Everyone is much encouraged and hopes for a good year to come.

Mr. Ottmann then addressed the meeting, telling about St. Mark's Mission, which has outgrown its present quarters and needs a Parish House. Kapahulu district is growing rapidly and the plant at St. Mark's must be enlarged or the work given up. The Men's Club of the Hawaiian Congregation has renovated the Church and it is now in very good condition. With a Parish House big enough to carry on the kindergarten and Sunday School they would be well equipped to go on with the work.

At the conclusion of Mr. Ottmann's address, Mrs. A. G. Smith gave a report of a meeting of the Executive Committee, which had voted to recommend to this meeting that for this coming year the Woman's Auxiliary expend its energies on St. Mark's, Kapahulu, and she would like to so move. This was seconded by Mrs. Covell and carried. The chair explained that this motion did not mean that the various Auxiliaries could not vote their money for other appeals if they so wished.

The Bishop then called for a blackboard and announced that there were four appeals open for pledges:

1. Scholarship for Ernest at Iolani,
2. Japanese Church,
3. Mr. Martin's Church, Kekaha,
4. St. Mark's Parish House, Kapahulu.

The chair announced that the morning offertory amounted to \$25.74. This was voted to the scholarship at Iolani.

The afternoon offertory, amounting to \$40.44, was voted to Kekaha. After all the pledges were in it was found that the totals were as follows:

1. Ernest's scholarship	\$ 161.74
2. Japanese Church	535.00
3. St. Mark's, Kapahulu.....	684.00
4. Kekaha Church	324.44
<hr/>	
\$1,693.18	

As Mr. Freeman is leaving the Islands this summer to take up work elsewhere, it was moved by Mrs. A. G. Smith that a resolution of appreciation for all he has done in Hawaii be given him by the Woman's Auxiliary. This was seconded by Mrs. Coombs and carried by a standing vote.

The meeting then adjourned and after the benediction, punch and cookies were served on the lawn by the Young Women's Cathedral Club.

C. M. WALL,
Secretary.

**REPORT OF THE PRESIDENT TO THE TWENTY-SIXTH ANNUAL
MEETING OF THE WOMAN'S AUXILIARY TO THE
NATIONAL COUNCIL**

When you have heard the reports of our various secretaries and branches I think you will agree with me that this 26th year of the District Branch of the Woman's Auxiliary shows healthy growth in every department. I feel that this is due in a great measure to the solid foundation laid by the devoted labors of former presidents and officers and to the wonderful cooperation and backing of your Executive Committee. Nine executive meetings during the year mean that many mornings devoted to planning and discussing the work of the Auxiliary, besides the many hours each individual gives to her own department. I take this opportunity to acknowledge my debt to the Executive Committee and to thank them for their untiring efforts.

In the fall it was suggested that instead of giving several parties for the teachers and church workers, the parishes unite and have a Diocesan reception. Miss Mabel Cooper, Secretary for Teacher Training of the Department of Religious Education of the National Council, who had just arrived for a visit of six weeks, was made the honor guest, and it was held at the residence of Mrs. Harrison at Waikiki, was well attended and very enjoyable. On September 8th St. Mary's Children's Home had its tenth anniversary and celebrated by having a birthday party. While this was not strictly an Auxiliary affair, we were all interested and turned out in large numbers. In February, at Iolani School, a Diocesan meeting was held to greet Miss Elizabeth Matthews, who with her mother spent some weeks in Honolulu. She gave us a most interesting talk on "Christian Knowledge" and Bishop McKim told us of the Leper Settlement at Kusatsu in his Diocese. This work was started by a Honolulu boy who became a leper and is being carried on mainly through the devotion and sacrificial labors of Miss Cornwall-Legh. Of the 250 baptized Christian lepers in this Mission more than 100 are dependent for their entire support on her. It was decided that the Auxiliary would like to assist in this inspiring work and Mrs. Harrison was appointed chairman to raise \$100.00 a year for the support of a leper. She will tell you herself how she succeeded.

The visits of Miss Cooper and Miss Matthews have given us great inspiration and help, especially along educational lines, and it is our hope that each year some one from headquarters or the Province will come to us to give us that intimate touch with affairs on the mainland which we greatly need. Perhaps our delegates to General Convention will bear this in mind and make some suggestions to the powers that be.

The report of our Educational Secretary you will find full of interest and encouragement. The attendance at the Bishop's lectures

during Advent and the study classes during Lent have more than doubled any previous year and it would seem as if we were beginning to realize the primal importance of study in order to have an intelligent knowledge of the field and the work to be done.

Attendance at the all-day sewing meetings in Lent showed a large increase over previous years, with an average of over 40 for lunch. Any one who sees the different races busily at work together, Haole, Hawaiians, Chinese, Japanese, is sure to realize that much more than the mere sewing is being accomplished at these meetings.

It is the plan of the Executive Committee to hold its monthly meetings at the different Parishes and Missions. Most interesting and enlightening was our visit to Trinity Mission in January. The Holy Communion in Japanese was administered by Bishop McKim, assisted by Mr. Fukao. This visit brought home to us most forcibly the urgent need of a new Church for the Japanese. Bishop LaMothe will bring before you this afternoon his plan for making a start in this matter and will give us the wonderful opportunity and privilege of furnishing the means.

During the time of the Lausanne Conference on Faith and Order intercessions were held throughout the District, each mission and parish and school taking a day for individual or united prayer for the success of the Conference. I was privileged to attend the very inspirational Communion service at St. Elizabeth's and was much impressed by the devout and intelligent interest of the devoted Chinese women. Our Corporate Communion on All Saints' Day was well attended, but it is my earnest hope that this service should be made one of the inspirational services of the year. The day is so full of meaning and memory for every one that it seems to me the Cathedral should be full to the doors, with not only our Auxiliary women but those of other denominations. This brings me to the World Day of Prayer for Missions, which was held this year at St. Andrew's Cathedral and the women of Central Union, Christian and Methodist Churches and the Y. W. C. A. joined with us in the services. I am told the attendance this year was better than ever before.

Last week for the first time we had a Quiet Morning conducted by Canon Ault in preparation for Convocation. Our Saviour, when on earth, found it necessary to withdraw from the world at times for communion with His Father, and how much more should WE need such seasons of refreshment and uplift. I would like to suggest that a retreat of this kind be held from time to time, as I feel sure those who experienced this one will never willingly miss a like opportunity.

The secretaries themselves will tell you what has been done in the various departments. We have been able to send on to headquarters the sum of \$244.72 for the Corporate Gift which is more than twice what we pledged. We can all rejoice too that the United Thank Offering gives promise of showing a decided increase over the offering in

1925. Let us do everything possible to make it a real Thank Offering and one our delegates will be proud to carry to Washington.

The Treasurer's report for 1927, which has been printed and distributed, speaks for itself. This covers the fiscal year only and I know you are all keenly interested in the final result of the Makapala Fund. The payment of your pledges made at last Convocation, the ready response to the circular letter sent out in November, \$811.75, and the enthusiastic support of the series of opera recitals given by Mrs. Robbins B. Anderson at the home of Mr. and Mrs. F. J. Lowrey, \$1271.00, enabled us not only to meet our pledge of \$2000.00 and cancel the debt, but to pay the interest as well and have a balance of \$500.00. This has been used for much needed repairs to the Bishop's House. This is an accomplishment we can well be proud of and grateful thanks are due to all who responded so generously to our efforts.

There is another side to the picture which we must not fail to see and that is the great need for missionary effort here and the immense field which we have barely scratched. Do we realize our responsibilities toward our varied and mixed population? How many of us know that of the total number of 333,000, 217,000 are Orientals? In order to keep the immensity of this field constantly before us and before headquarters in New York it will be proposed today to add to our departments a Secretary for Oriental work. I feel sure that if this step is decided on I need not urge you to give her your earnest and enthusiastic support.

Announcement is made from New York of the opening in September of Windham House, the Bishop Tuttle National Graduate Training Center. This is the result of the Woman's Auxiliary Special for the Triennium, 1922-25. You will remember that one house has already been started at Raleigh, N. C., and is called the Bishop Tuttle Training School for Colored Women Workers. This one in New York is to be a residence, not a school, for women students, missionaries on furlough, volunteers and others who desire training through graduate study in preparation for work connected with the Church, either at home or abroad. The official folder will give you further information. It may be interesting to remember that this Diocese contributed the sum of \$101.85 towards the Bishop Tuttle Memorial Fund.

"Looking unto Jesus, the author and finisher of our faith," and spurred on by the enthusiasm, keen interest and understanding of our returned delegates to General Convention, let us all unite to make the coming year one of great growth and accomplishment.

Respectfully submitted,

MAUD BALCH THOMPSON,
District President.

REPORT OF THE EDUCATIONAL SECRETARY

It seems appropriate that this report, following so closely on the heels of our study class, should take as its keynote that stern command of our Blessed Lord's: "Lift up your eyes and look on the fields, for they are white already to harvest."

Our Lord gave His Church a certain task to do, and as He spent thirty years preparing for a three-year's ministry, so we women, as members of an Auxiliary to the National Council, must prepare ourselves for our share in the carrying out of His mission. The work of the educational department is to help women everywhere to look up, see the need for Christian service, and to study the work presented. To quote from Miss Underhill, "We need an education which shall help growth; training our spiritual powers to an ever greater expansion and efficiency."

In order to assist us in our study of world conditions, our National Department at great expense and labor has prepared for our use splendid courses of study, maps, lists of books, suggested programs for meetings, and is ready to assist us in every way possible. It urges us to acquaint ourselves with what the Church is trying to do at home and abroad. So much material is available that the difficulty is not to find something, but to wisely choose from such an abundance.

The great difficulty outside of Honolulu seems to be to find leaders to carry on educational work. The small missions are handicapped by their members being widely scattered. So this report must deal mainly with the efforts of the educational secretary on this island. Suggestions for courses of study and lists of books have been sent to those mission auxiliaries most able to do some form of educational work, and encouraging reports have come in. In Hilo six Church Missionary calendars, were sold, a new subscription to the *Spirit of Missions* taken, and a study book purchased for general reading. Kona and Kohala on the same island also bought calendars and study books. Through the efforts of Mrs. A. B. Clark who, with her husband, has been helping out at Wailuku, Maui, a good start has been made. The Manual of the Auxiliary, some U. T. O. and other leaflets were circulated, and knowing Mrs. Clark, I feel sure the women of that Branch were given some good talks on missions. All Saints', Kapaa, has used "A Church Awake" with the "Suggestions to Leaders," the Manual, leaflets on conducting meetings, the calendars, and other books on the study of the Church's program—a good showing.

The Branches in Honolulu because of their size and accessibility are more fortunate in being able to provide speakers and leaders. Most of the visitors to the islands make their headquarters here. St. Andrew's and St. Clement's Branches have monthly program meetings, while Epiphany and the Hawaiian Auxiliary have had speakers at several of their meetings. The following speakers and topics have been heard dur-

ing the year: Miss Van Deerlin, Miss Sarah Chung, and Miss Haddon on U. T. O. work; Miss Mabel Lee Cooper, secretary of Teacher Training; Mrs. Stuart Lansing, of Watertown, N. Y., who has done much to further the cause of the Church Service League; Mrs. Walter Coombs, on St. Mark's Mission, Nenana, to which was voted our pledge to the Corporate Gift; Mrs. Robert White, on community problems; Mr. Charles Mant on the Seamen's Institute; and Rev. Donald Ottmann on St. Mark's, Kapahulu. Every Friday afternoon at the weekly sewing meetings of St. Andrew's Branch there has been a speaker; Miss Mabel Lee Cooper gave four splendid talks on Church history. Rev. James Kieb gave a series of six lectures on the history of the prayer book, which were much appreciated. Rev. Ashe-Everest gave an illustrated talk on the Great Pyramid of Egypt, and Rev. A. B. Clark on his many year's work among the Indians.

We were fortunate to again have Miss Elizabeth Matthews with us for six weeks in February and March. She gave a very inspirational talk at the February diocesan meeting on "Christian Knowledge," or what a Christian should know for his soul's health, with a list of books for collateral reading. At this same meeting Rt. Rev. John McKim, Bishop of Tokio, told most touchingly of the work of the mission for lepers at Kusatsu, Japan.

There are two seasons of the Church's year set especially aside for study; Advent and Lent. On the Tuesdays in Advent Bishop LaMothe gave six most instructive talks on the early history and origin of the Bible, to a class of forty-two formed of members of St. Andrew's, St. Andrew's Hawaiian, St. Clement's and Epiphany Branches.

A special effort was made during Lent to reach as many women as possible for the study of "A Church Awake," by Dr. Wm. Sturgis. Under the able leadership of Mrs. Dudley Carpenter, who has had much experience along educational lines, a large class was formed, so large in fact that it was considered advisable to divide it, St. Clement's forming its own class capably led by Mrs. J. Ely, a missionary from China. Both classes met weekly, beginning with a celebration of the Holy Eucharist. I do not believe that there is a single member of either class who does not feel that she has gained something big and fine from the study of this wonderfully inspirational book. There was a joint meeting of both classes after Easter, at which a general review was made, and questions discussed for which we had had no time at previous meetings. As an outgrowth of these classes a diocesan reading club has already been formed, and hopes to start next month reading and discussing books pertaining to the mission of the Church.

Another diocesan class was formed to meet on the day on which the sewing for our box was done, and took up the study of "Faith and Works," a course on the aims and motives of the Woman's Auxiliary. The chapters in the book were taken by the following leaders: Miss Matthews, Mrs. Judd, Mrs. Lansing and Mrs. von Holt.

During our sewing meetings short readings were given on the missions to which our Lenten box was to be sent, St. Barnabas, and Holy Cross, P. I. Mrs. Wilson of Manila gave us a short talk on the Philippine Islands and its missions.

I am glad to report that with very little difficulty one hundred Church Missionary Calendars were sold. Enough money was realized from the discount on the calendars and books purchased to pay for some collateral reading needed for the study classes. In this way I hope to, in time, have a fine collection of reference books.

There are now about fifteen subscribers to the prayer leaflet, and I hope to be able to report more each quarter.

As I look back over former educational reports, I feel encouraged. More books have been borrowed and read, more calendars sold, there has been a greater attendance at study classes and best of all, a desire for study with a continued interest in reading. This is greatly due, I feel sure, to the effort made at headquarters to send us leaders, and we owe much to those who have come here and given us of their time and knowledge: Miss Grace Lindley, Miss Elizabeth Matthews, Miss Elizabeth Beecher, Miss Emily Tillotson, Miss Mabel Lee Cooper. We extend a cordial invitation to them and to others to visit our islands of the Pacific.

That God will bless the efforts of this Auxiliary to spread the knowledge of Christ's mission is the earnest wish of your educational secretary.

FLORENCE H. JUDD.

REPORT OF THE ALTAR DEPARTMENT SECRETARY

Our Lord said, "Gather up the fragments," and that is what the Altar report must be this year, fragments of work. We have been called upon to do very little, but what we have been asked to do we have done with great pleasure.

The two most important accomplishments have been:

1. The furnishing of Iolani Altar;
2. The Retreat or Quiet Day conducted for the Missionary District.

The Diocesan President asked the chairman of the Altar Committee to be one of three (the others being the Bishop and Mrs. Thompson) to confer with Father Kieb, as to Iolani Altar furnishings. We went to Iolani and after studying catalogues decided upon a very beautiful bronzed Oxford set, for which Father Kieb sent to London. This set consists of an altar cross, candlesticks, vases, and a processional cross. The processional cross is given by the Woman's Auxiliary in memory of Canon Kong Yin Tet, who was a graduate of Iolani school. Father Kieb designed the altar, hangings, and the poles of iron, and Mrs. Kieb made the dorsal curtains, the altar linens, and lectern hangings. Only those who have cut and made such things know what weeks of

work is represented. The lace was given by the school. The chalice and paten are to be given by Mrs. Hoste McK. Harrison in memory of her husband, who was always interested in church work in the islands. This Communion set was the first offering for Iolani Chapel. It is to be a copy of a very old and beautiful set from Iceland, now in Kensington Museum. Shamrocks are entwined to form a Celtic cross, which cross is to be made from Mr. Harrison's wedding ring.

And so, at the dedication service, S. Albans Chapel became the fulfillment of the dream of Mr. Hinckley, the principal of the school. Years ago some of us heard him plan it. As he looked into the future he seemed almost able to picture the chapel as it is today.

The first Retreat, or Quiet Day, that has ever been held for the Woman's Auxiliary of the Missionary District took place at St. Andrew's Cathedral, under the auspices of the Altar Committee. Holy Communion was celebrated at seven a. m., and breakfast followed at the Bishop's House, in charge of Mrs. Cullen. During breakfast, chapters from Walpole's "Vital Religion" were read aloud. Morning prayer was at nine, the first meditation at nine-thirty, and the second at ten-forty-five. Canon Ault took "Prayer" as the subject of his addresses. Intercessions were said at noon. Silence was observed throughout the morning, and between addresses the women knelt in church, walked about, or read books of devotion provided by the committee. Twenty-six women attended, and were most appreciative of the beautiful meditations, and grateful for the opportunity to "come apart and rest awhile."

Mrs. McKim ordered the cruets she particularly wanted for Japan, and these were paid for from the Altar Committee funds.

Two purificators and one linen veil were given to Father McClement for the Hilo Mission.

Two corporals and one fair linen were sent to Paauilo, and one corporal, one fair linen and three purificators were sent to Kula.

The All Saints' Day Collection, amounting to sixty-four dollars, was set aside for the furnishing of Iolani altar. It is interesting to note that Kohala sent \$5.00 for their contribution, the only mission from the other islands to send a gift this year.

All Saints' Day collections always go to the Diocesan Altar funds, and we hope that next year some of other missions will be able to send even a very small contribution. It is "casting bread upon the waters," for in return we send altar equipment and marked and laundered linens.

The committee will be most grateful to be given the names and addresses of any church women who embroider. We feel there must be many in the District, and yet at times it is almost impossible to find anyone who is able to do it.

Please let the Altar Committee know when there are any altar needs, for we would like to keep every altar in immaculate condition, even if the furnishings are simple.

Respectfully submitted,

HELEN FESSENDEN SMITH,
Chairman.

REPORT OF THE CHURCH PERIODICAL CLUB, 1927-28

The work of the C. P. C. has been agreeably lightened, during the past year by a division of labor. A new secretary has been appointed to have charge of the collection and distribution of magazines and books, while Mrs. James Bergstrom has continued with the subscriptions to periodicals.

Seven hundred and twenty-eight old magazines have been received and redistributed to many charitable institutions and hospitals; and 20 handsomely bound books have just been received.

Eighty-seven periodicals have been furnished direct at a cost of \$250.00, benefiting 16 clergymen and 7 institutions. In addition 50 magazine subscriptions have been made for members of the parish through the Church Aid Bureau, netting the C. P. C. \$31.00 in commissions.

Personal contributions for the work have been generous and the treasurer's books show a balance of \$7.09 for January 1.

Through the courtesy of Mr. Wall of Wall, Nichols, exceptional subscription rates have been obtained for the club, and it is hoped that more members of the Diocese will make their personal magazine subscriptions through the C. P. C. so that it may benefit by this generous commission, thus reducing the amount which must be raised for its support by personal donations.

With gratitude for the hearty cooperation accorded your secretaries, and hope for increased activity in the coming year.

Respectfully submitted,

MARY E. McWAYNE,
Secretary.

UNITED THANK OFFERING REPORT

Last year I wrote you from the French Riviera, where, though I enjoyed much that was interesting and beautiful, I felt very far away from you all. On my return I was gratified to find the work of the United Thank Offering progressing nicely. I have made five addresses since my return, distributed numbers of leaflets, and boxes, both in Honolulu and to the other island branches. I find that there is decidedly more interest in, and knowledge of, the United Thank Offering, than in former years.

You will be glad to know that to date the offering from our Dioceese stands at \$1,070.07, more than at the same time of year in 1925, when we were approaching the last Triennial meeting held in New Orleans. Again the three years have sped, and we are turning our thoughts to next October in Washington. There in that lovely city (often spoken of eyen in Europe, as the most beautiful city now in the world) another United Thank Offering will be taken up, after the three years of praise and joyful and thankful giving. We thrill even now at the thought of it, and wonder each day "What is it going to be, our big wonderful United Thank Offering?"

It will easily be the most momentous Triennial in our Church's history, and no wonder excitement reigns as delegates are being chosen, and everyone who can possibly go from wherever our Church is functioning, is planning and working for it.

My own enthusiasm for the U. T. O. grows with each passing year, and I still thrill when I think of my wonderful experience at the Triennial meeting in 1913, when Mrs. Montague Cooke and I laid the offering from Honolulu in the huge marvelous alms basin.

Sometimes I feel I say too much, and must weary my hearers, but there are still (with all the growth I have reported) many women who do not know about it. Every woman who **does** know what a privilege it is to belong to the Woman's Auxiliary and have a little Blue Box for her thank offerings, should read Miss Lindley's inspiring article in the April Spirit of Missions, and tell of it to every woman who does not know. And explain that the offering is for women workers, that it is raised by the women of the Church, and that its most significant, as well as most beautiful characteristic, is its sacramental note.

Its story is full of romance from its quiet beginning suggested by Mrs. Soule in 1892. Through all its development, its living actors, its workers in, and for Church Missions, and its growth from \$2,000.00, to the tremendous proportions of \$912,841.00 in 1925.

Its spiritual meaning is revealed in the words, **United Thank Offering**, and its power to bind together, and its showing forth of praise, are outward and visible signs of the united, thankful service of the women of the Church.

Early in September next, our dear Bishop and our delegates will leave for Washington. A meeting will be held a few days before so that all may have the privilege of adding their pennies to the fund already offered. Let us all strive to make this our best and most beautiful offering so that we may not only rejoice in our share of the great whole offered up on October 11 in that wonderful new Washington Cathedral, but also enjoy the "Romance of the unexpected," and the proud and happy realization that we are co-workers with Christ in His Kingdom.

Respectfully submitted,

IDA E. VON HOLT,
Diocesan U. T. O. Secretary.

REPORT OF THE LITTLE HELPERS SECRETARY

The Little Helpers Department is the first division of the Church School Service League, and is composed of members of pre-kindergarten age, that is, any age up to four years. None are too young to belong. It's the very beginning of all Church work, and I should think that every mother would consider it a privilege to have her child enrolled in this very important first work of Our Lord. Home is the place where a child learns his first lessons and the Little Helpers is organized to enable the parish to give systematic care and advice for the religious training of the most important habit-forming years. We hope to have clubs in each parish where mothers may gather to discuss the proper methods of child-training, the right books to read, etc. But we will have to make better progress than has been made during the few months since I have taken over this work. If a poor beginning augurs anything for a good ending, the Little Helpers department should wind up with flying colors.

As soon as I could get proper working material, I sent out invitations to 37 mothers enclosing return postals. I received 9 answers! Then by following up other leads I succeeded in enrolling four or five others. Of course, Rome wasn't built in a day, but I am quite sure even the Romans would have become discouraged had they met with such poor response as I in trying to interest the mothers in this beautiful work.

When the child is enrolled he is given a mite box into which he is to drop a penny each Sunday, saying a very simple prayer. If he is too small to perform this rite in person the parent or an older brother or sister can help by placing the coin in the tiny hand, always repeating the prayer, "God bless the missionaries all over the world, and every Little Helper, for Jesus' sake, Amen." This teaches the child to give to missions, and to pray for missions, and also gives the parent a chance to tell about other children all over the world, who know nothing of Our Lord.

The mite box offerings go to help support several interests, and also counts on the parish quota. There is a children's hospital in the Canal Zone, Panama, another at Fort Defiance, Arizona, Japanese and Chinese kindergartens, and two specials, the Little Helpers bed in St. Agnes' Hospital, Raleigh, N. C., and a font goes each year to the mission field. A penny a week doesn't sound like a huge sum of money, but last year it amounted to nearly \$8000.00, in which the Hawaiian Islands had no part. Next year our babies are going to have a part in this beautiful work of helping other babies, but I'll need the help of every auxiliary of every church, and of every mother of children under four years of age. If any of you have small children, or know of any small children, I'd be so glad to give or send you the boxes and the prayer cards, and I would be so glad to call on any parents who would be interested.

Respectfully submitted,
GRACE MILLER, Secretary.

ARTICLE II

The object of the Society is: By systematic and united effort to diffuse Missionary intelligence, to increase Missionary activity, to promote the study of Missions, and to encourage prayer for Missions among the women of the Missionary District.

ARTICLE III

The Church itself is the great Missionary Society, therefore all Baptized women in this District who desire it, and who work for Missions in connection with their parochial organizations, shall be regarded as members of this Woman's Auxiliary, but terms of membership in any Branch may be fixed by that Branch.

ARTICLE IV

All Parish and Mission societies of women that so desire, may become branches of this Auxiliary by first obtaining the consent of the Rector or Clergyman in charge, and notifying the President of their intention to work in unison with the Auxiliary.

ARTICLE V

The officers shall be: A President, whose term of office shall be three years, and who may be reappointed at a later date; a First Vice-President, a Second Vice-President and a Third Vice-President. There shall be a Recording Secretary, a Corresponding Secretary, a Treasurer, a Secretary of the Little Helpers, a Directress of the Altar Department, as Educational Secretary, a Secretary of the Church Periodical Club, a Secretary of the United Offering, a Supply Secretary, and an Assistant Supply Secretary. All of these officers shall be appointed by the Bishop at the annual meeting.

ARTICLE VI

The officers of the District Branch and the Presidents of the Parish Branches, or some one appointed by them, shall constitute the Executive Board, which shall have general charge of the work under the direction of the Bishop.

ARTICLE VII

The annual meeting shall be held at the time of the Convocation of the Missionary District, and quarterly meetings on such dates and in such places as the President may appoint.

ARTICLE VIII

The representatives of five Branches shall constitute a quorum.

ARTICLE IX

This Constitution may be amended at any annual meeting, by vote of two-thirds of the Branches represented.

BY-LAWS

1. The duty of the President shall be to call meetings of the Woman's Auxiliary and the Executive Board and to preside over the same. It shall be her duty to see that all new officers are informed of their specific duties.
2. The duty of the Recording Secretary shall be to give notice of meetings, to keep a record of proceedings, and to prepare an abstract of the minutes for the annual report.
3. The duty of the Corresponding Secretary, under the direction of the President, shall be to correspond with the Executive Secretary of the Auxiliary and with the various branches of the District, to collect their reports, to prepare an annual report, and to issue and distribute the same.
4. The duty of the Supply Secretary shall be to furnish each Branch with work, and to keep a record of the number and the value of Boxes sent. She shall also present a report at the annual meeting.
5. The Treasurer shall have the custody of all moneys received by the District Branch and shall collect, if necessary, all sums payable to the same, in pledges made. She shall pay out money on the order of the President, and the Recording Secretary, except such sums as may be received for a definite purpose, which sums she may dispose of without formal direction. All moneys received for purposes outside of the District shall be forwarded to treasurers empowered to receive the same.
6. The Secretary of the Little Helpers, the Directress of the Altar Department, the Educational Secretary, the Secretary of the Church Periodical Club and the Secretary of the United Thank Offering, shall superintend, foster, and develop by correspondence and otherwise, their several departments on consultation with Diocesan officers.
7. It shall be the duty of the President, or of some person appointed by her to visit, if possible, each Branch in order to promote the interest of the work.
8. It shall be the duty of any Branch, before it discontinues a pledge, which has been made for salary or interest, and which continues year by year, to give a year's notice of its purpose at the annual meeting.
9. Each Branch shall pay yearly to the District Expense Fund such sums as it shall be assessed therefor by the Executive Board. Such payment shall entitle it to seat its delegates and to vote.
10. Each Branch shall pay yearly to the District Altar Fund at least one dollar from the Woman's and fifty cents from the Junior Auxiliary.
11. Each Branch is entitled to seven delegates. If it is impractical to get women as delegates who live in the parish or mission, it is permissible for each Branch to appoint delegates who are resident of Honolulu. If a Branch fails to appoint delegates one week before Convocation, they shall be appointed by the Executive Board.
12. The Secretary and Treasurer of each Branch shall make yearly reports to the Corresponding Secretary and Treasurer of the District Branch, of all work done and money given to Missions within and without this Missionary District, and the value of Boxes sent.
13. The year of the Woman's Auxiliary shall end on December 31st, of each year, the date on which the Parish and Convocational year ends, and all Auxiliary reports shall be made up to that date.
14. These By-Laws may be altered or amended by a majority vote at each annual meeting.
