THE PRAYER FOR THE WOMAN'S AUXILIARY

Almighty God, our heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. *Amen.*

FOR NOONTIDE, DAILY

"And I, if I be lifted up, will draw all men unto me."

Blessed Saviour, Who at this hour didst hang upon the Cross stretching forth Thy loving arms; Grant that all mankind may look upon Thee and be saved; through Thy mercies and merits, Who livest and reignest with the Father and the Holy Ghost, ever one God, world without end. *Amen.*

COLLECTS FOR THE USE OF PARISH MEETINGS

O God, who hast prepared for those who love Thee such good things as pass man's understanding; Pour into our hearts such love toward Thee, that we, loving Thee above all things, may obtain Thy promises, which exceed all that we can desire; through Jesus Christ our Lord. *Amen.*

Almighty and most merciful God, we humbly beseech Thee, for the merits of Thy dear Son, to pour out Thy Holy Spirit upon all our missionaries at home and abroad, and to crown their labors with success in the gathering of souls into Thy Kingdom, to the honor and praise of Thy glorious Name, who art Father, Son and Holy Ghost, one God, world without end. *Amen.*

O God, who has made of one blood all nations of men for to dwell on the face of the whole earth, and didst send Thy blessed Son to preach peace to them that are far off, and to them that are nigh; Grant that all men everywhere may seek after Thee and find Thee. Bring the nations into Thy fold and add the heathen to Thine inheritance. And we pray Thee shortly to accomplish the number of Thine elect, and to hasten Thy kingdom, through the same Jesus Christ, our Lord. *Amen.*

A PRAYER FOR THE UNITED THANK-OFFERING OF THE WOMEN OF THE CHURCH

O Lord, our heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. *Amen.*

A PRAYER FOR THE USE OF MISSION STUDY CLASSES

Take our minds, O Lord, and think through them;
Take our lips, O Lord, and speak through them;
Take our hearts, O Lord, and set them on fire
With love for Thee and for Thy work.

Amen.

MINUTES OF THE ANNUAL MEETING, APRIL 30, 1929

Woman's Auxiliary Day at Convocation began with a Corporate Communion in St. Andrew's Cathedral at nine-thirty o'clock. This service was very well attended. The address was given by Chaplain J. Burt Webster, who in addition to his duties at Schofield Barracks, is temporarily in charge of St. Clement's Parish.

After the service, the 27th annual meeting of the Honolulu Branch of the Woman's Auxiliary to the National Council was called to order by the President, Mrs. William Thompson, in Davies Memorial Hall. After singing one verse of hymn 486, "Christ for the world we sing," and prayers by Bishop Burleson, the roll was called by the Secretary, showing delegates present as follows:

St. Andrew's	7 delegates
St. Andrew's Hawaiian	5 "
St. Clement's	7 "
St. Elizabeth's	5 "
St. Peter's	7 "
Epiphany	7 "

Holy Apostles', Hilo	1 "
St. Augustine's, Kohala	5 "

A total of 64 "

Upon a carried motion, made by Mrs. A. T. Short, the reading of the minutes of the 26th annual meeting, held May 1st, 1928, was dispensed with. The Chair expressed regret that, because of illness, the Treasurer, Mrs. Thos. E. Wall, was unable to be present, and announced that Mrs. Kenneth Day would act as Treasurer pro tem. The report for the year ending December 31, 1928, printed and passed around, showed:

Cash Total Receipts (including Balance December 31, 1927) \$8,595.45

Cash Total Disbursements as follows:

	<hr/>
	\$8,595.45

Balance on Hand \$1,507.48

The President's report showed a year full of accomplishment along various lines. After a fitting tribute to Bishop LaMothe, Mrs. Thompson expressed the sincere regret that is felt over the loss of two of the most valued members of the Executive Board, Mrs. L. M. Judd, the Educational Secretary, and Mrs. Robert E. White, who has been Corresponding Secretary for eight years. Here a pause was made while Mrs. Judd and Mrs. White were decorated with leis. Resuming, the report told of another change—Mrs. von Holt is giving up her office as United Thank Offering Secretary and this work will be taken over by Mrs. H. Homer Hayes, of the Hawaiian Auxiliary. This does not mean, however, that Mrs. von Holt is lost to the Executive Board as fortunately she still remains a member by virtue of her position as President of St. Andrew's Auxiliary.

Upon the conclusion of the President's address, Mrs. Lowrey read a tribute to Bishop LaMothe. This was adopted by a standing vote and the Corresponding Secretary instructed to send a copy of the resolution to Mrs. LaMothe.

Mrs. Judd, Educational Secretary, gave a splendid report of the year's work, and told of her regret in giving up a position that she has enjoyed so thoroughly. She promised to keep in close touch with the work, and hopes to continue to be of assistance. She said that her successor, Mrs. Walter Coombs, will bring much enthusiasm and executive ability to the position.

Miss Gertrude Hall, District Supply Secretary, told of the work done on Fridays during Lent, and the Christmas boxes sent out.

Mrs. von Holt reported for the Mother's Union as well as the United Thank Offering, reading a letter from Miss Marie von Holt in England, who is anxious to have a delegate from Hawaii attend the Convention of the Mothers' Union to be held in England during the summer of 1930. Mrs. von Holt announced that Mrs. Robbins B. Anderson would represent Hawaii at this Convention. To show the amount of the United Thank Offering at the last Triennial, Mrs. von Holt displayed on the platform a large placard with \$1,101,450.40 in large figures. Of this amount, \$1548.00 came from Hawaii.

As Mrs. Arthur G. Smith, District Altar Secretary, was unable to be present, her report was read by Mrs. White. It told, among other things of the lovely new altar at the Seamen's Church Institute, which was designed and beautified by Canon and Mrs. Kieb who spent many long hours on the work. The cost of the completed altar was \$125.00 and this was the gift of the Woman's Auxiliary. The altar was dedicated on Monday, April 29, by Bishop Restarick.

An invitation to all present to attend a May Day program given on the playground on the afternoon of May 1, by the first six grades of the Priory, was read by Mrs. Day.

In the absence of Mrs. Bergstrom her report of the Church Periodical Club was read by Mrs. Day. Among other things it told of 1396 maga-

zines collected and redistributed by Mrs. McWayne! It called attention to the fact that orders for the new prayer books and hymnals may be placed with the Church Periodical Club, thus helping with the finances.

A break in the list of reports was made in order to listen to Mrs. Theodore Richards who again brought greeting from the Women's Board of Missions of Central Union Church. Last year Mrs. Richards was away on a round-the-world tour and she was very much missed at Convocation. After expressing her pleasure in being present, Mrs. Richards told of the value of friends, saying that none of us are so well situated that we do not need friends. She said that never before had she realized the joy of friends as she had on this trip to foreign countries, where they were never lonely, for always there were friends, or friends of friends—and best of all—friends of the "Great Friends" were always a bond, even in the most far away places.

Resuming the reports, Mrs. Harrison, newly appointed Secretary for Oriental Work, told of an addition to this Committee in the person of Mrs. W. H. Soper. For the Leper Fund, instead of the \$100.00 pledged, \$154.00 was sent on by Bishop McKim for the work at Kusatsu, Japan.

At 12 o'clock, with all standing, the noontide prayers were read by the Rev. Mr. Willey of Kauai.

Mrs. Robbins B. Anderson read the report on the Corporate Gift for 1929, telling of the very pleasant way in which this money was raised by birthday offerings. Hawaii's quota was \$102.00 and thus far \$202.04 has been collected.

Much enthusiasm was displayed when Mrs. H. Homer Hayes reporting for the Kapahulu Building Fund Committee, announced that the amount on hand in cash and pledges was \$4614.97. As \$4000.00 was the amount the Executive Committee had hoped for, this announcement was most gratifying.

At 12:15 the Chair announced an intermission for lunch and all present were invited to go to the Y. W. C. A., where in Fuller Hall, the luncheon would be served. All members and delegates were asked to reassemble at 2 p. m. This long intermission was given to enable Bishop Burleson to meet Rabindranath Tagore who was in the city for the day.

AFTERNOON SESSION

Promptly at two o'clock the meeting was again called to order and the afternoon session began with five minute talks by the out-of-town clergy.

Mr. Clark of Wailuku, Maui, told of the importance of interesting the children and the efforts made to build up a Sunday School which at present numbers about 20 children.

Mr. Cockcroft of Lahaina followed and told of a Woman's Auxiliary numbering 14, a promising Sunday School of 40 and a Working Man's Club of 10.

Next came Mr. MacClean of Papaaloa and Paauiilo, who said that in his district the salary was paid entirely by the plantation which put the resident clergyman almost in the position of a chaplain with responsibility entirely to the white people, instead of the usual missionary enterprise. He had the same problem as others, small attendance at services, unless the Bishop were present or some feast day were being celebrated. He told of the activity and strength of the Buddhists in this part of the island, there being five Buddhist temples in his district which covers an area of 25 or 30 miles.

Mr. Walker of Kohala, came next and he told of the fine new Parish House at Makapala that the Woman's Auxiliary had raised money to build—the money well spent, a splendid plant on hand—but unable to be used as it should be, because of the lack of a lighting system. Recently he had discovered that the plantation was not going to install a plant so there is no hope in that direction. He told of the pride his people have in their church and its organization and of the three prize winners in debate that came to Honolulu from his congregations.

Mr. Willey of Kauai told about the consecration of their Church at Kapaa by Bishop Burleson in January of this year, and that as they are now entirely out of debt, they have decided that the wisest thing to do is to go into debt gain! So they are planning to build a Parish House. He told about the various activities consisting of a very-wonderful Guild, a Neighborhood Club, Service Club of boys from 16 to 23 who learn to perform duties in the church, a Girls' Club of about 30 members, another club under the Y. M. C. A. of 45 boys and a Sunday School with an average attendance of 55 or 60. Altogether a very splendid report and so interesting that he was allowed to go over the time limit.

The next person called upon was Mr. Correy who has come from Japan to take over the work in Hilo. He said that as he had not yet been in Hilo he could not say anything about what had been done there, but he asked the help and cooperation of the Woman's Auxiliary in the work to come. He said that Japanese work was to be stressed and then told many interesting things about the Japanese people as he had found them during his eight year work among them. Contrary to reports they are the most honest people in the world as well as the most courteous, and this is particularly noticeable in the parts of Japan where they have not come in contact with the white people.

Mr. Martin of Waimea, Kauai, who could not attend because of leaving for the mainland on Auxiliary Day, sent a letter which was read by Mrs. Day, as was the report of the Auxiliary work, written by the President, Mrs. William H. Wright. In his letter Mr. Martin asked the Woman's Auxiliary to help in financing a church to be built at Kekaha, to cost about \$6000.00, towards which they have on hand \$801.42 and a lot that is being cleared and levelled for the building.

Bishop Burleson announced the following officers for 1929-1930:

Honorary Presidents	Mrs. H. M. von Holt
	Mrs. Lawrence M. Judd
President.....	Mrs. William Thompson
1st Vice President.....	Mrs. Robbins B. Anderson
2nd Vice President.....	Mrs. F. J. Lowrey

Corresponding Secretary.....	Mrs. Frank A. Plum
Educational Secretary.....	Mrs. Walter R. Coombs
U. T. O. Secretary.....	Mrs. H. Homer Hayes

Supply Secretary.....	Miss Gertrude Hall
Asst. Supply Secretary.....	Miss Marion Hall
Little Helpers' Secretary.....	Mrs. J. H. Miller
Secretary for Oriental Work.....	Mrs. H. McK. Harrison

Bishop Burleson then gave a most interesting and inspiring address. Among other things he said that he had probably seen more of Kauai than any one else present, and he had flown over it, walked over it and tunnelled into it!—and that after seeing it all so thoroughly he felt quite sure that Mr. Martin's church should be built right away. In speaking of the purpose of the Woman's Auxiliary he said that besides the giving of help in supplying money, etc., it should be a leaven in the parochial unit—a wonderful spiritual power, each member a witness bearer—one who knows something at first hand and tells of it—so the work of personal evangelism goes on.

At the conclusion of this stirring address, the Chair called upon Mrs. Coombs who gave a most interesting report on the St. Luke's International Hospital Fund and the means employed to raise Hawaii's quota of \$1000.00. The Japanese women of the community are to take over the raising of half the amount, \$500.00, and of the Woman's Auxiliary's \$500.00. There is on hand at present \$226.53.

Miss Van Deerlin told about St. Mary's Children's Home and the need for a continuance of the scholarship for Ernest, one of her boys who has been at Iolani School for a year.

An interesting report from St. Elizabeth's Juniors was read by Ethel Woo. This Girls' Guild of St. Elizabeth's Church is one of the oldest organizations of its kind in Hawaii and as it is now in a process of reorganization they hope to report renewed activity very soon.

A motion made by Canon Kieb called for a standing vote of thanks for Mrs. Robert Lange and her committee for the excellent lunch provided.

Mrs. von Holt offered as a recommendation from the Executive Board that the Woman's Auxiliary take, as their special work for the coming year, the payment of the remaining debt of about \$3400.00 on the

Bishop's house. It was moved by Mrs. von Holt that this be undertaken as the year's work. This was seconded by Mrs. Robbins Anderson and carried.

The acting treasurer announced that the morning offertory was \$40.87 and it was moved by Mrs. Robbins Anderson that this be given to the Ernest scholarship. This motion was carried.

Canon Ottmann then thanked the Woman's Auxiliary for the sum of \$4614.97 raised since last Convocation for the Parish House at Kapahulu.

It was moved by Mrs. Coombs that the afternoon collection be voted to Mr. Martin's church at Kekaha and this was carried. While the objects for pledges were being placed on the blackboard, the afternoon offertory was taken and amounted to \$59.00. The following amounts were pledged:

Ernest Scholarship	\$150.00
Kekaha Church Building.....	269.00
Debt on Bishop's House.....	400.00
St. Luke's Hospital.....	20.00

Mrs. Thompson announced that Bishop Burleson would give a lecture on "How the Church Works" in the Davies Memorial Hall on Monday evening, May 7, at 7:30.

After the benediction by Bishop Burleson, the meeting adjourned, and punch and cookies were served on the lawn by the Young Women's Cathedral Club.

C. M. WALL,
Recording Secretary.

REPORT OF THE PRESIDENT TO THE TWENTY-SEVENTH ANNUAL MEETING OF THE HONOLULU BRANCH OF THE WOMAN'S AUXILIARY TO THE NATIONAL COUNCIL

It is always a pleasure to welcome to Honolulu and to Woman's Auxiliary Day the clergy and delegates to Convocation and to greet so many members of our various branches. Today we have a particular reason to rejoice in the presence of Bishop Burleson who has endeared himself to all of us in the short time we have known him. Our grateful thanks are extended to him for his long journey in order to be with us at this time and to the Presiding Bishop, the National Council and his own diocese for sparing him to us.

In looking back over the year that has passed the uppermost thing in the minds of all of us is the loss of our dear Bishop LaMothe. Our memory goes back to October 25th and we are again staggered by the news and the realization of our irreparable loss. How little we thought

last year that it would be the last time he would preside on Woman's Day and give us the inspiration of his presence, counsel and blessing. But while we feel his loss keenly, we thank God for his life of service and rejoice that seven years of it was spent amongst us. Dean Inge says, "Bereavement is the sharpest challenge to our trust in God; if faith can overcome this, there is no mountain which it cannot remove. And faith can overcome it. It brings the eternal world nearer to us and makes it seem more real; it transports us into purer air where all that has been, is, and will be, live together in all their true meaning before the throne of God." We feel that his spirit is with us still, urging us forward. We know how close to his heart was the Missionary work of the Church and in doing our utmost to advance that we are doing what would please him most.

A triennial year always seems outstanding because during the first part we are preparing for it and the latter part we are busy trying to follow the suggestions and resolutions adopted. Each mail brings letters from Headquarters filled with advice and helpful aid, for as Miss Lindley writes, "It is a very real problem to know how to get the things we resolve upon at Triennials undertaken by the women of our Parishes."

Your executive committee has the same problem on a smaller scale. To try and solve it we have held ten executive meetings, all but two preceded by a communion service. So much business has developed that it has been suggested we meet twice a month hereafter. We have had one Day of Intercession, October 18th, four Corporate Communion, one Quiet Morning, an educational conference and a conference on Oriental work. Two diocesan meetings have been held, one in October for the collection of the United Thank Offering and one in January to welcome Bishop Burleson and our returned delegates from general convention. We joined in the Retreat held at the Y. W. C. A. by the women of the various churches in Honolulu, in preparation for the World Day of Prayer for Missions and in the service at Central Union Church on the day itself. January was our social month as we had a diocesan reception for Bishop Burleson and a most enjoyable supper party at the home of Mrs. von Holt, honoring the teachers in our Mission schools.

The Synod of the Province of the Pacific, to which we belong is to be held this year at Montecito, California, May 15 to 18, and this missionary district is to be represented there by Bishop Burleson. Just think of the honor of being represented by the Assessor to the presiding bishop, the Bishop of South Dakota and the bishop in charge of Honolulu! We are fortunate too, in having as our delegate to the meeting of the Woman's Auxiliary at the same time and place, Mrs. Herbert H. Garstin of Redlands, Calif., a sister of our Honorary President, Mrs. von Holt.

The reports of our various secretaries, with one exception, show increased activity. The Educational Secretary, Mrs. L. M. Judd, in particular has kept us very busy and offered most interesting study classes and lectures. There is a growing realization all over the world that education is a matter concerning not only the young, but that in a very true sense, education should never cease. The untiring efforts of Mrs. Judd and her predecessors are bearing fruit in much larger attendance and keener interest. In entering on her duties as first lady of the Territory it will be necessary for her to give up her office of Educational Secretary but we all know her thoughts and prayers will be with us and we must prove to her that we appreciate her labors by going forward under her successor. It is greatly regretted that Capt. and Mrs. Carpenter are leaving the Islands in the near future. The Auxiliary is deeply sensible of its debt to them both along educational lines.

We also regret the retirement of Mrs. Robert E. White, our Corresponding Secretary for eight years. Her long experience has made her very familiar with the technical details of the budget and the printing of the Journal and I fear that none of us quite appreciate the many hours of hard work entailed. Her experience and efficiency have been invaluable to me and we hope that her retirement will be just a well earned vacation.

Although Mrs. von Holt, after six years of service, is giving up her office of U. T. O. Secretary, we feel that she is still with us, and as President of St. Andrew's Branch, will still be on the Executive Board to give us the benefit of her judgment, experience and spiritual insight.

One very discouraging feature of our work is the lack of response to the efforts of our Little Helpers' Secretary. She reports that our Mothers are simply not interested and if, after much persuasion, they do take a box for a little one, it is soon forgotten or neglected. It would seem that we may have started at the wrong end and that some missionary work should be done first among the Mothers.

Our Lenten sewing meetings were very successful this year and it is always an inspiration to see all our nationalities working together for the same cause. This year the Lunch Fund, made up of the nominal amount paid by each person for her lunch, was voted to the Chinese Famine Relief and given to the women of St. Peter's to send on with their contributions to this most urgent need. I would suggest that each year this money be given to some worthy object which should be decided on early in Lent.

The Secretary for Oriental Work, suggested at last Convocation, will tell of the start of her work in this field. Perhaps her most important duty will be to keep the urgent need for more work among the Orientals before us and before Headquarters. Christ is still saying to all who love Him as He said to Simon Peter, "Feed my lambs." Are we doing all we can to bring Him into the lives of the thousands of young Orientals in our midst?

Aside from the Kapahulu Building Fund which was our main work for the past year and which will be reported on later by the Chairman, we have done very well financially, having contributed to ten new funds a total amount of about \$1400.00. Some of these objects are Kekaha Church Fund, Hurricane Relief, Holy Trinity, Church Building, Bishop Burleson's Indian work, Christmas Cheer for our own Missions, Chinese Famine Relief, Repairs to Holy Apostles' Church, Hilo; St. Luke's International Hospital, Tokyo, and the Ramsaur Industrial School, Candemai, Liberia, and the Good Friday Offering. This is a splendid showing and one we can well be proud of, but it must not cause us to forget that the apportionment for this Missionary District has been raised \$2000.00 and the Woman's Auxiliary should bear some portion of this increase. It has been thought best by the executive committee to leave the matter of an increase to each branch and I therefore urge each President to give the matter serious consideration and see if in some way her branch cannot voluntarily increase its quota. Let me remind you that all payments toward the apportionment made by any branch of the Auxiliary are credited on the quota of its parish and lessen just that much the amount for the parish to raise.

Bishop Burleson's talks are always full of pithy sayings and one of them has brought great inspiration and comfort to me. It is, "When love has done its best, the gift is perfect." Shall we make this our slogan for the coming year, "Our best with love, for Him"?

REPORT EDUCATIONAL SECRETARY

Education as defined by Dr. Kilpatrick, is the continuous reconstruction of life to higher and richer levels. Mr. Ross N. Young in the April "Spirit of Missions" writes—"Education consists of changes. It consists of changing people from what they are as far as possible into what they ought to be. These changes can come only from within the person, and a person is changed only by what he does." As Bishop Burleson said in his message to us last Thursday, there can be no activity without sanctification, nor will sanctification remain where there is no desire to do.

Our watchword for this year has been Light-the-Light of Christ, and our goal the carrying of Christ's light into the dark corners of the earth.

In order to carry the message of Christ to others, we must first know it ourselves. It has been the earnest endeavor of this department of the Woman's Auxiliary to train leaders, who in turn will train others to carry the message, and so gradually widen the circle.

Those who made a study last year of "The Church Awake" by Dr. Sturgis have surely carried with them into this year's work the inspiration of that noble book.

There have been four well attended study classes on this island, and one on the Island of Kauai. A summer group led by Mrs. Carpenter met for six weeks from July 11 to August 15 from 2:30 to 4:30 p. m. in the Bishop's house to discuss "Missions according to the Bible." There were 101 total attendances. On Sunday, September 9, Mrs. Carpenter started a regular Bible Class in connection with the Church School, for parents and others who might be interested. The method used after some study about the Bible, was a study of the books of Genesis and Exodus, or the beginning of Israel as a Nation. The attendance in 33 sessions has been 216. The offerings to March amounted to \$23.50 and were given to the Diocesan Educational work.

There were seven sessions on the new general Church Program, commencing in Advent and continuing to Septuagesima. There were over 106 total attendances. The aims for the session were as follows:

1. To show that the need of the world is the knowledge of God;
2. That the cry of the world is the Voice of God; and,
3. That God has called us to bring the world to Him, Knowledge—Responsibility—Stewardship through Study—Prayer and Service.

The first three sessions included a study of the text book content and the Latin American group. The fourth session on China was led by Mrs. A. G. Smith, the fifth on Japan by Mrs. G. H. Phipps and the sixth on Liberia by Mrs. L. M. Judd. A talk on Alaska was later given at St. Clement's Rectory by Mrs. Carpenter.

There was a Lenten class on the study of "Africa" with a session on Islam and Liberia. The nine sessions were held on Thursday mornings at 10:15 at the Bishop's house, after a Corporate Communion in the Cathedral, and again had as leader Mrs. Dudley Carpenter, who has been untiring in her readiness to promote educational interest. During Lent she gave up everything else to an intensive study of the vast material necessary to even a brief survey of such a great field as Africa. This was the only class in which there were representatives from other parishes with twenty-three guests from the following dioceses: Connecticut 1, Central New York 1, Newark 1, Western New York 1, Washington, D.C., 2; Oregon 1, California 1, Idaho 1, Tokyo and Tohoku each 1. There was a total of 246 attendances or an average of 27*.

The aim for the course was "To form a right judgment toward Africa's problems in general, and toward the Christian Missionary Enterprise in particular, especially toward our work in Liberia."

The ninth and last session was held the Thursday after Easter at St. Clement's Rectory. Mrs. Carpenter gave a brief summary of the course; Mrs. Theodore Richards who with Mr. Richards had spent several weeks in Africa last summer, told of their trip to South Eastern Africa and laid particular stress on the need for hospitals and clinics. Vaschel Lindsay's rhythmic poem—"The Congo" was brilliantly rendered by Mrs. B. A. Tower. As a token of their appreciation, the class presented their leader with a copy of Bishop Restarick's book on Hawaii. A

delicious tea with African and Hawaiian refreshments brought to a close a joyous and profitable fellowship.

As a result of this study of Africa, a perpetual memorial scholarship of \$50.00 to be known as the "John D. La Mothe Scholarship" has been pledged to the Ramsaur Memorial School at Pandemai, Liberia. Anything over and above the amount subscribed will go to St. Timothy's Hospital, the memorial to Mrs. Ramsaur.

The men also, encouraged by the efforts of the women, formed a class to study and discuss "The Church Awake" and were ably led by Dr. D. N. Carpenter. There were 14 members in this class which met six times with a total attendance of forty-five or an average of seven.

It is impossible to adequately express our appreciation of all that Dr. and Mrs. Carpenter have done to advance the church's work in Hawaii in the two years they have been with us. Their departure will leave a great gap in both our hearts and our work.

During the past three years, it has been my policy to gradually build up a collection of books, including proper devotional literature, church history, the writings of those well known in our church, books of study on the mission field, and anything which might be of interest to the branches or to individuals. To this we hope to add as our funds for educational purposes allow.

One hundred and sixty-three books have been purchased at a cost of \$96.00. Most of these have been sold to cover their cost as only \$25.00 is allowed us yearly for educational purposes, but some have been kept to build up our library. We are grateful to Mrs. Carpenter's Bible class for a gift of \$23.50 to help in the purchase of books during Lent.

Not quite all the 100 missionary calendars were sold, due probably to my absence at the time they were received here.

We have 15 subscribers on this island to the Prayer Leaflet and several on Kauai. There have been 11 new subscriptions to the Spirit of Missions, and 5 renewals. I have just received from the publicity department, 350 copies of the Church at Work to be distributed among the parishes and missions.

One of the most imperative needs of this department, which meets with the greatest response, is the visit by some member of the executive committee, preferably the educational secretary, to the branches on Hawaii, Maui, and Kauai. At the urgent invitation of our missionaries on Kauai and Maui, I visited both of these islands during Lent. On Kauai, at the regular meeting of the Women's Auxiliary of All Saints, Kapaa, to which several members of the Kekaha Mission drove over with Mr. and Mrs. Martin from Waimea, I tried to tell them of the plans of the District Executive Committee, to give information on the Corporate Gift, the United Thank Offering, and urged them to form a discussion or reading group. I received word later that Mrs. Sloggett, their president, had been able with Mrs. Willey's help, to

form such a group, and that they were meeting weekly to read, and discuss books on Africa. They instructed me to cable for the special Africa library, which formed a nucleus for their reading.

At Wailuku, Maui, a special meeting of the W. A. was called at which I told them of my wonderful experience in Washington last October as delegate to the General Convention, and also outlined the plans for the Woman's Auxiliary for the coming year. Although no group for study was formed, several of the members have sent for books. I also had a short meeting with the officers of the Auxiliary and Guild and tried to show them how they might enlarge their Auxiliary activities.

From Wailuku I went to Lahaina where I received a most cordial reception by the women of the Holy Innocent's Guild which during Lent becomes an Auxiliary.

During Lent it was my great privilege to give a short weekly talk on the Church's program to members of the Young People's Service League. I do not think I have ever enjoyed anything quite so much as my contact with that group of young people.

There is neither time nor space for an account of my trip to the General Convention in Washington, to which you elected me a delegate. It was wonderful beyond words and the inspiration acquired there will last forever in my memory. I attended every session of the Woman's Auxiliary; also two joint sessions of the Houses of Bishops and Deputies, and was appointed a member of the committee on Domestic Missions. I particularly enjoyed Rev. Charles McAllister's class on the General Church Program.

While in Washington, I spoke on the needs of Hawaii at the study class, at a missionary tea, and at the last session of the Woman's Auxiliary. In Watertown, New York, at St. Paul's Church Service League, and later at the Convocation of the first district of the diocese of Central New York, with the aid of a large map sent me by Mrs. Coombs, I led my audience on a personally conducted tour of the islands, stopping at each mission and introducing them to the work and the workers. Later in December I spoke before St. Mary's Guild of the Church of the Resurrection, Richmond Hill, Long Island, and tried to give them a picture of our work here.

Tomorrow morning at 10 o'clock in the Bishop's House, we will hold an educational conference, to which every one is welcome, but to which we hope the delegates will make a special effort to be present. All kinds of educational matters will be discussed and Mrs. Carpenter will give a resume of her study on Africa. Books for ordering or lending will be on display.

No branch of our Auxiliary work has suffered more from the loss of our dear Bishop than the educational department. He was always interested in our plans and stood ready to help us in our efforts to spread the knowledge of Christ's mission, even leading classes him-

self. I have missed his counsel and advice more than I can put into words.

It is with the greatest regret that circumstances have made it advisable for me to give up the position of educational secretary of the District Branch. I have been very happy as your secretary and appreciate the hearty support I have received from you all. I shall always continue to be closely in touch with your work and hope I may often be of assistance. Your new educational secretary, Mrs. Walter Coombs, will bring to this position much enthusiasm and executive ability and to her and to you all go out my sincere prayers for God's blessing on this work through the years to come.

Respectfully submitted,

FLORENCE H. JUDD,
Educational Secretary.

DIOCESAN ALTAR DEPT. REPORT, 1929

President and Members of the Woman's Auxiliary of the Missionary District of Honolulu.

You remember the king in the fairy tale of whom it is told that "whatever he touched, it at once turned to gold?"

Whenever we need a new altar in this Missionary District, we turn to Canon Kieb, and as soon as he touches the place it becomes beautiful. Bishop La Mothe once remarked that he wished Canon Kieb could touch all the altars in the Missionary District, and make them as beautiful as those he has superintended building in Honolulu.

Last year we gave you a report of the new altar at Iolani. This year we have a new chapel at the Seamen's Institute, and a new and very lovely altar. Canon Kieb designed it, and gave infinite time and patience to the execution of the work. Mrs. Kieb very generously gave of her time and talent, and made the dorsal curtains and pulpit fall. She used a very handsome dark red brocade. The entire expense was only \$125.00.

The large brass cross was given some time ago by the Woman's Auxiliary of this Missionary District, and the brass candlesticks and vases are soon to be given as memorials. The linen now in use has been loaned by St. Andrew's Cathedral but in time the chapel will have a complete set of its own. The Bible in the Chapel was also given as a Memorial.

The merchant marine sailors have now a suitable little chapel in Honolulu. Although we shall never know how far the light will shine as the sailors bear away memories of service here, we do know that our Lord loved those who toiled on the sea, and we feel that the little

"Galilee Chapel" will be a very precious spot to some of those who are so far away from home.

Two complete sets of linen, and three extra purificators, costing in all \$16.55 were ordered from Mowbray, London. One set was given to Iolani, and one to Rev. Mr. Martin for Waimea. The purificators went to Epiphany Mission, Kaimuki.

A set of purificators was sent to Rev. Mr. Cockcroft, and we have ordered a purple stole for his use.

We shall have, when this last order is paid for about \$24.36 in the fund of the Altar Committee.

Please remember that the offering for All Saints' Day, November first, is given to the Altar Committee. Those who cannot give large memorials for loved ones, are asked to contribute small sums which will be used for Altar requirements.

"Do this in remembrance of Me," our Lord said of Holy Communion. In remembrance of those we love, we may contribute to the beautifying of that service.

Faithfully yours,

(Signed) HELEN FESSENDEN SMITH,
District Altar Department Secretary.

REPORT OF THE CHURCH PERIODICAL CLUB

To you, one and all, greetings from the Church Periodical Club.

The year has run very peacefully for the secretary because of the faithful and energetic service of Mrs. McWayne, who has attended to the collection and the redistribution of books and magazines and has represented the club on the Executive Board of the Women's Auxiliary. To her goes most of the credit for the year's work.

The magazine subscriptions for our 22 clergymen, church workers, and church schools numbered 80, and cost approximately \$300. Through the kindness of Mr. Wall of Wall, Nichols, a special rate was available, which permitted a saving of over \$50.00.

We have entered subscriptions amounting to \$192.25 for 18 of our church members, on which the commission earned for the club was \$35.20. You see what an excellent source of income this is for the club and I wish to urge all who subscribe for periodicals to do so through the Church Periodical Club, and help to make it, as we so earnestly desire it to be, self-supporting.

Mrs. McWayne has collected and redistributed 1396 magazines; a tremendous work, as anyone knows who has tried it. Many of our members are in the habit of sending their old periodicals direct to the Salvation Army or some of the public institutions. If those people would

only give the number thus disposed of to Mrs. McWayne they might be counted in the work of the club. It is not necessary that all such work be handled by Mrs. McWayne in person.

We have been the recipients during the year of many excellent books. Some of these were sent to our clergymen as Christmas gifts. The remainder, chiefly the gifts of Mrs. Wm. Searby, Mrs. La Mothe and Mrs. McKim, with others given the club several years ago by Miss H. E. A. Castle, form the nucleus of a new venture, a circulating library. This we hope will become popular with church people and friends, and profitable to the club. A charge of 25c a week for newest books and 10c a week for others will be made and the books will be available on Fridays at the Bishop's house, during the sewing meetings. I hope that you will patronize this new undertaking and urge your friends to do so, too. We shall soon be making a drive for additional books and ask you all to be as generous with us as possible.

As a suggestion for further service, through the kindness of Mr. Wall again, the club will take orders for the new prayer books and hymnals. We have here today a catalogue and several samples and will make it convenient for all who desire, to place their orders with the club.

With gratitude to all for loyal support and wishes for a most successful year.

Respectfully submitted,

(Signed) MURIEL J. BERGSTROM,
Secretary Church Periodical Club.

REPORT OF THE CORPORATE GIFT

The objects of the Corporate Gift for this year are:

1. Church, Santo Domingo\$25,000
2. Church, Mt. Hope, Canal Zone..... 5,000
3. Water Supply, St. Michael's Mission, Ethete,
Wyoming 10,000
4. Dormitory, Christ School, Arden, North Carolina 10,000

Mrs. Burkham of St. Louis, Missouri, was reappointed National Chairman of the Corporate Gift in November, 1928. At her advice Mrs. Thompson, our diocesan chairman, reappointed me as Chairman of our Diocese in charge as I was familiar with the work. A circular letter was sent out by me in January to all the parishes and missions. A very good response was made to the demand.

The birthday party method had been very successfully used at St. Andrew's last year and so it was employed again this year. Mrs. H. M. von Holt had the party at her home and it was a delightful affair.

There were several communications from the National chairman enclosing very interesting letters of gratitude and satisfaction for the aid afforded. About Easter time I had a letter asking that all the money already collected be forwarded so that it might be given for the Cathedral at Santo Domingo. But this letter reached me too late for me to get the money there on time so the Executive Committee decided to keep the money and send it all at once. Also it was decided that the gift was to be presented on the altar on Woman's Auxiliary Day at the 9:30 Communion Service on April 30th.

The amount required of us as our apportionment was \$102.00.

The donations from the different parishes, missions and individuals are as follows:

St. Andrew's	\$ 90.48
St. Clement's	24.30
Mr. Cockcroft, Lahaina	7.40
Mrs. J. L. Martin	5.00
All Saints	10.00
Epiphany	11.86
Christ Church	5.00
Good Shepherd	5.00
St. Augustine's	3.00
Mr. and Mrs. McLean	5.00
Individuals	1.00
	2.00
	20.00
	2.00
	5.00
Carpenter	5.00
	<hr/>
	\$202.04

The sum will be forwarded this week to the National Chairman.

So our Corporate Gift is finished until Epiphany of 1930 when the National Council will decide whether or not there will be a Corporate Gift and for what purpose it will be used. I wish to thank the Auxiliaries, and individuals who have made it so easy and pleasant for me to carry on this work so successfully. It means progress for our dear Church and we all feel much satisfaction in its successful consummation.

Respectfully submitted,

(Signed) MARY MORRIS ANDERSON,
Chairman of the Corporate Gift of Hawaii.

ST. LUKE'S FUND—1929

To give a brief resume of the St. Luke's International Medical Center in Tokyo, I will quote from the "International Hospital News" which is published monthly, November 28, 1928. The first copy received:

In order that the Emperor of Japan may be assured on November 10, the day of his Enthronement, that in commemoration of that occasion the American people will build St. Luke's International Medical Centre in Tokyo, the General Convention of the Protestant Episcopal Church on October 12 put aside other business and voted to raise \$1,000,000 for this project by March, 1929.

The sanctioning of the present undertaking of St. Luke's did not end with this promise. In another resolution, introduced by the Rt. Rev. William T. Manning, D. D., Bishop of New York, the Convention endorsed the whole campaign to raise \$2,656,500 for the new St. Luke's building.

DECEMBER, 1928

Recognition of the College of Nursing of St. Luke's International Hospital, by the highest tribunal in the educational world, has been bestowed by a gift of \$400,000 from the Rockefeller Foundation to endow the College. Such a gift is made by the Rockefeller Foundation only after the most thorough investigation and an appraisal of the institution under consideration in comparison with other institutions.

The gift **does not** count towards the \$2,656,500 now being sought, since the objective of the present campaign is the raising of funds for new buildings. However the endowment of the College of Nursing cannot fail to prove a great incentive, since the gift is contingent upon the securing of the \$850,000 needed for this purpose.

An encouraging gift to the \$2,656,500 fund now being raised by St. Luke's was one of \$50,000 from Mr. and Mrs. Percy R. Pyne of New York City. Mr. Pyne is a member of the American Executive Committee.

JOHN NICHOLAS BROWN OF PROVIDENCE GIVES \$10,000

A gift of \$10,000 to the St. Luke's fund was presented by John Nicholas Brown of Providence following a luncheon which he gave at the Hope Club in that city on November 14.

The speakers were Dr. Rudolf Bolling Teusler, Director of St. Luke's, and Frederick Moore, formerly advisor to the Japanese Foreign Office and Associated Press correspondent in Tokyo.

JANUARY, 1929

Although no general appeal for St. Luke's has been made in the Episcopal churches as yet, owing to the holding of the General Convention and the Every Member Canvass, the **half million dollar mark has been passed** in the undertaking to raise the \$2,656,500 Medical Centre fund.

The two most recent large gifts were \$125,000 made available for the building fund by the National Council and \$100,000 given by the Estate of the late Charles M. Hall, aluminum manufacturer of Niagara Falls, N. Y.

The \$500,000 now pledged includes, among other gifts the \$100,000 pledged by an anonymous donor early in the campaign, and \$25,000 given by J. P. Morgan & Co.

Episcopal women are aiming at \$1,000,000 as their goal in the campaign for St. Luke's. Mrs. Henry P. Davison, of New York City, Chairman of the National Women's Committee, is calling upon every woman in the Church to have a part in raising this amount.

FEBRUARY, 1929

Extract from Mrs. Henry P. Davison's letter (Mrs. Davison is Chairman of St. Luke's National Com. for women).

FEBRUARY 28, 1929

It is most gratifying to me that already in fifty-five dioceses there are women's committees organized and working toward "The Women's Million for St. Luke's." It gives me great pleasure to be able to announce that the total amount contributed to St. Luke's to date is \$610,940.

MARCH, 1929

Gratifying reports from various parts of the country have been pouring into the New York office of the St. Luke's Campaign. With \$675,000 already subscribed there is every indication that the necessary funds for building the great Medical Centre in Japan will be raised.

The fact that corporations operating in international commerce appreciate, perhaps better than individuals, the fine character of the work which is being done by the International Hospital is evidenced by the gifts that they have been forwarding to headquarters.

Among the more notable gifts which have been received from this type of donor are those of J. P. Morgan and Company, the

United States Steel Products Company, which is a subsidiary of the United States Steel Corporation, the International General Electric Company and the Victor X-ray Corporation of Chicago.

DISEASE BLAMED BY FAMED MEDIC FOR SOCIAL ILLS

Disease causes 80 per cent of all crime, poverty, delinquency and kindred social ills of Japan, according to Dr. Rudolph Bolling Teusler, director of St. Luke's International hospital at Tokyo.

Sufficient definite knowledge of the practice of medicine exists today, Dr. Teusler said, to rid the world of practically all disease, with the exception of a few unpreventable types. He is in Southern California to obtain assistance for the reconstruction of the Tokyo hospital, which has been destroyed twice in the past six years—once by earthquake and once by fire. It is the only institution in Japan where American medical methods and practice prevail, he said.

When the news of this excellent work reached our islands we immediately set about forming plans to raise our quota. Many things made the initial work go slowly, as we were all busy with unfinished funds and plans for other projects.

The chairman called a meeting of leading Japanese women, thinking to interest them in such a fine undertaking, in the land of their birth. They readily agreed to raising \$500.00—half of our quota.

We decided to present, the noted tenor "Fujiwara" who had been received by crowded houses on two occasions by the music lovers of Honolulu. After making detailed preparations for such, we received a cable announcing his intention to return to New York, and all our labor was lost. However the committee met again and new plans were made for an evening of Japanese music and song, ancient and modern, which will take place on June 15th. Notice of such will be in all the leading papers later.

We have had such splendid response from all our missions Epiphany at Kaimuki being first to send their cheque. We have now in hand

In cash	\$186.53
In pledges	25.00
	15.00

\$226.53

Respectfully submitted,

(Signed) GENEVRA E. COOMBS,
Chairman St. Luke's Fund for Hawaii.

ORIENTAL REPORT

Last summer (1928) a new department for Oriental work was added to the existing ones in the Honolulu Branch of the Woman's Auxiliary. It was not until January, however, that a secretary was appointed.

No new work has been attempted as yet but by Bishop Burleson's advice, who honored us by holding an Oriental conference with us on the day of his arrival in January. We have tried to keep the importance of bringing our Oriental population to Christ in the minds of the people.

The collection of the annual pledge of \$100 for the leper work at Kusatsu was placed under this department—\$154.00 was sent.

Due to the earnest solicitation of good Mrs. Chung of St. Peter's for famine relief in China, our President suggested the use of our lunch money on our diocesan sewing days—about \$55 was sent. I would suggest that we try to have a definite point of contact with each of the Oriental countries. We already have one at Kusatsu in Japan.

It has been suggested that we take St. Lioba at Wuhu as our Chinese one because our Sisters of the Transfiguration are in charge there.

Later let us hope one will be found for Korea and we should be able to find more than one in the Philippines.

Mrs. W. H. Soper has come on to the committee at the request of the Rev. Mr. Fukao. As she is a favorite with the Japanese it would be well for her to be their special member on the committee and in seeking others to have them especially interested in each of the countries.

A fund for this work has been started by a \$5 donation to the Christmas cheer fund having come too late. As the donor said to keep it and put it to some good purpose the executive committee voted it for the Oriental work.

Fellow members of the Auxiliary there is nothing to report but do you realize what flourishing reports the Buddhists must have? New temples built, \$59,000 given or raised for an industrial school for boys and girls and seven Caucasians taken into their ranks. And Trinity Mission is falling into decay and our own Church boys and girls graduate from our schools and are lost track of. All these things we could and should help.

Many little children around St. Elizabeth's could be gathered in for a kindergarten, Canon Kieb has told me, if we had another worker or two there.

As no new work can be undertaken before the coming of our new Bishop, let us, like the people in Apostolic times, give ourselves unto prayer. And let it be definite prayer and as we pray that Christ's kingdom may come to our whole Oriental population, let us each be willing to be His co-worker when the time comes, for you know what we pray for we love and what we love we are willing to work for.

May each Oriental see in Christ the fulfillment of what he had been brought up to worship.

Respectfully submitted,

SUSAN SPEED HARRISON,
Secretary.

CONSTITUTION

ARTICLE I

This Society shall be called, THE HONOLULU BRANCH OF THE WOMAN'S AUXILIARY TO THE NATIONAL COUNCIL.

ARTICLE II

The object of the Society is: By systematic and united effort to diffuse Missionary intelligence, to increase Missionary activity, to promote the study of Missions, and to encourage prayer for Missions among the women of the Missionary District.

ARTICLE III

The Church itself is the great Missionary Society, therefore all Baptized women in this District who desire it, and who work for Missions in connection with their parochial organizations, shall be regarded as members of this Woman's Auxiliary, but terms of membership in any Branch may be fixed by that Branch.

ARTICLE IV

All Parish and Mission societies of women that so desire, may become branches of this Auxiliary by first obtaining the consent of the Rector or Clergyman in charge, and notifying the President of their intention to work in unison with the Auxiliary.

ARTICLE V

The officers shall be: A President, whose term of office shall be three years, and who may be reappointed at a later date; a First Vice-President, a Second Vice-President and a Third Vice-President. There shall be a Recording Secretary, a Corresponding Secretary, a Treasurer, a Secretary of the Little Helpers, a Directress of the Altar Department, an Educational Secretary, a Secretary of the Church Periodical Club, a Secretary of the United Offering, a Supply Secretary, an Assistant Supply Secretary, and a Secretary for Oriental Work. All of these officers shall be appointed by the Bishop at the annual meeting.

ARTICLE VI

The officers of the District Branch and the Presidents of the Parish Branches, or some one appointed by them, shall constitute the Executive Board, which shall have general charge of the work under the direction of the Bishop.

ARTICLE VII

The annual meeting shall be held at the time of the Convocation of the Missionary District, and quarterly meetings on such dates and in such places as the President may appoint.

ARTICLE VIII

The representatives of five Branches shall constitute a quorum.

ARTICLE IX

This Constitution may be amended at any annual meeting, by vote of two-thirds of the Branches represented.

BY-LAWS

1. The duty of the President shall be to call meetings of the Woman's Auxiliary and the Executive Board and to preside over the same. It shall be her duty to see that all new officers are informed of their specific duties.
2. The duty of the Recording Secretary shall be to give notice of meetings, to keep a record of proceedings, and to prepare an abstract of the minutes for the annual report.
3. The duty of the Corresponding Secretary, under the direction of the President, shall be to correspond with the Executive Secretary of the Auxiliary and with the various branches of the District, to collect their reports, to prepare an annual report, and to issue and distribute the same.
4. The duty of the Supply Secretary shall be to furnish each Branch with work, and to keep a record of the number and the value of Boxes sent. She shall also present a report at the annual meeting.
5. The Treasurer shall have the custody of all moneys received by the District Branch and shall collect, if necessary, all sums payable to the same, in pledges made. She shall pay out money on the order of the President, and the Recording Secretary, except such sums as may be received for a definite purpose, which sums she may dispose of without formal direction. All moneys received for purposes outside of the District shall be forwarded to treasurers empowered to receive the same.
6. The Secretary of the Little Helpers, the Directress of the Altar Department, the Educational Secretary, the Secretary of the Church Periodical Club, the Secretary of the United Thank Offering, and the Secretary for Oriental Work, shall superintend, foster, and develop by correspondence and otherwise, their several departments on consultation with Diocesan officers.
7. It shall be the duty of the President, or of some person appointed by her to visit, if possible, each Branch in order to promote the interest of the work.
8. It shall be the duty of any Branch, before it discontinues a pledge, which has been made for salary or interest, and which continues year by year, to give a year's notice of its purpose at the annual meeting.
9. Each Branch shall pay yearly to the District Expense Fund such sums as it shall be assessed therefor by the Executive Board. Such payment shall entitle it to seat its delegates and to vote.
10. Each Branch shall pay yearly to the District Altar Fund at least one dollar from the Woman's and fifty cents from the Junior Auxiliary.
11. Each Branch is entitled to seven delegates. If it is impractical to get women as delegates who live in the parish or mission, it is permissible for each Branch to appoint delegates who are resident of Honolulu. If a Branch fails to appoint delegates one week before Convocation, they shall be appointed by the Executive Board.
12. The Secretary and Treasurer of each Branch shall make yearly reports to the Corresponding Secretary and Treasurer of the District Branch, of all work done and money given to Missions within and without this Missionary District, and the value of Boxes sent.
13. The year of the Woman's Auxiliary shall end on December 31st, of each year, the date on which the Parish and Convocational year ends, and all Auxiliary reports shall be made up to that date.
14. These By-Laws may be altered or amended by a majority vote at each annual meeting.
