

THIRTY-THIRD ANNUAL REPORT

HONOLULU BRANCH

OF THE

WOMAN'S AUXILIARY

TO THE

NATIONAL COUNCIL

DECEMBER 31, 1933, TO DECEMBER 31, 1934

HONOLULU, HAWAII

1935

THE PRAYER FOR THE WOMAN'S AUXILIARY

Almighty God, our heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. *Amen.*

FOR NOONTIDE, DAILY

"And I, if I be lifted up, will draw all men unto me."

Blessed Saviour, Who at this hour didst hang upon the Cross stretching forth Thy loving arms; Grant that all mankind may look upon Thee and be saved; through Thy mercies and merits, Who livest and reignest with the Father and the Holy Ghost, ever one God, world without end. *Amen.*

COLLECTS FOR THE USE OF PARISH MEETINGS

O God, who hast prepared for those who love Thee such good things as pass man's understanding; Pour into our hearts such love toward Thee, that we, loving Thee above all things, may obtain Thy promises, which exceed all that we can desire; through Jesus Christ our Lord. *Amen.*

Almighty and most merciful God, we humbly beseech Thee, for the merits of Thy dear Son, to pour out Thy Holy Spirit upon all our missionaries at home and abroad, and to crown their labors with success in the gathering of souls into Thy Kingdom, to the honor and praise of Thy glorious Name, who art Father, Son and Holy Ghost, one God, world without end. *Amen.*

O God, who has made of one blood all nations of men for to dwell on the face of the whole earth, and didst send Thy blessed Son to preach peace to them that are far off, and to them that are nigh: Grant that all men everywhere may seek after Thee and find Thee. Bring the nations into Thy fold and add the heathen to Thine inheritance. And we pray Thee shortly to accomplish the number of Thine elect, and to hasten Thy kingdom, through the same Jesus Christ, our Lord. *Amen.*

A PRAYER FOR THE UNITED THANK-OFFERING OF THE WOMEN OF THE CHURCH

O Lord, our heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ, our Lord. *Amen.*

FOR THE FAMILY OF NATIONS

Almighty God, our heavenly Father, guide, we beseech thee, the Nations of the world into the way of justice and truth, and establish among them that peace which is the fruit of righteousness, that they may become the Kingdom of our Lord and Saviour Jesus Christ. *Amen.*

MINUTES OF THE ANNUAL MEETING, 1935

The thirty-third annual meeting of the Honolulu Branch of the Woman's Auxiliary to the National Council was held in the Tenney Auditorium on Tuesday, February 12, 1935. It was preceded by the Corporate Communion in the Cathedral. This was a very inspiring service, as there were many of the Clergy in the procession and the choir from Iolani School, in their bright red vestments, was a great addition. The Cathedral was well filled, the number attending being much larger than usual.

The business meeting was called to order by the President, Mrs. William Thompson, and opened with hymn 254, followed by prayers by Bishop Littell. The roll call by the Secretary showed 22 branches present, represented by 93 delegates. A radio message from Mrs. E. Tanner Brown was read. Mrs. Brown was a returning passenger on the steamer Lurline and sent greetings to the annual meeting. The President announced that a quorum being present, the meeting was opened for business and that the minutes of the last annual meeting, held on Tuesday, February 6, 1934 and printed in the Journal would not be read.

The Treasurer's report, printed in full and distributed to all delegates, showed that \$6272.50 had passed through the hands of the Treasurer during the year, with a balance on hand on December 31, 1934 of \$719.18. The Treasurer reported that she was very pleased with the promptness with which each Branch had sent in its pledges.

The President's address followed. Mrs. Thompson gave a brief resume of the work accomplished during the eight years of her Presidency and expressed the regret she felt in giving up the work. At this point the Chair announced that the business of the day would be suspended to allow all present to have the pleasure of listening to Miss Muriel Lester of London, who was in Honolulu for the day on her way to the Orient. She then called upon Bishop Littell to introduce the speaker. In doing so the Bishop told briefly of some of the things done by Miss Lester who is known as the Jane Addams of England. Miss Lester, who is on her second trip around the world, told many interesting things about the poor people in the slums of London where she founded Kingsley Hall, and where she and nine other workers practice what they call "voluntary poverty", limiting their expenditures to \$1.75 a week for pocket money and clothes, and residing in simple quarters in the settlement. Here, she expected to teach the people with whom she came in contact, but found that they taught her. Miss Lester gave these simple, kindly people a wonderful testimonial, as she considers that they practice the teachings of Christ and lead the lives that He advocated in a way far ahead of those who live in easier circumstances, with more

of the material things of life. She feels that they will always be a strong force to keep the world out of war and to combat evil.

Mrs. Thompson thanked Miss Lester for her splendid address, and told how much every one appreciated her kindness in coming to our meeting and giving those present a part of her very short stay in Honolulu.

The business of the day was resumed by the Educational Secretary, Mrs. Coombs, who read her very interesting report. This, as well as the reports of the other Secretaries, is printed in full in the Journal. Attention was called to the exhibit of work of the District Altar Department, which under the able direction of Mrs. Corbusier and Sister Katherine, is doing such splendid work.

Dr. Mildred Staley reported on the Book of Remembrance which was on view at this meeting. The report on Memorials, read by Mrs. Churchill, told of the loss, since the last annual meeting, of valued members whose names are printed on the memorial page of this Journal. This was followed by prayers for the departed by Bishop Littell, all standing.

A letter from the family of Bishop Restarick was read, thanking the Woman's Auxiliary and all others who contributed to the tablet placed in the Cathedral in memory of Bishop Restarick.

The following motion was made by Mrs. Harrison: "As it seems no longer necessary to continue the office, I move that the office of Secretary for Oriental Work be discontinued and that the Constitution and By-laws be so changed." This was seconded and carried.

The officers for the coming year were then appointed by Bishop Littell. See list of officers on page 4.

After the officers for the year were announced, the following resolution was introduced by Mrs. R. E. White:

"The Executive Committee of the Honolulu Branch of the Woman's Auxiliary wishes to present a resolution of warmest appreciation of the splendid service of Mrs. William Thompson, who has achieved such a marked advancement in the Missionary work during her eight years as President. Regret that she is unable to continue in the office is tempered by the fact that she will still be on the Board as Corresponding Secretary. In presenting this resolution the Executive Committee feels it is voicing not only its own unanimous and grateful thanks, but those of the entire Missionary District of Honolulu."

Prolonged applause followed and the resolution was adopted unanimously by a standing vote.

Bishop Littell spoke in highest appreciation of the years of service that Mrs. Thompson had given to the Woman's Auxiliary and told how pleased he was to have Mrs. Fraser take over the office when it was found that Mrs. Thompson could not be persuaded to stay on longer. He

then asked Mrs. Fraser to come to the platform, and both the outgoing and the incoming executives were decorated with leis. The Bishop announced that Mrs. Thompson would continue to preside at the day's meeting at Mrs. Fraser's request.

Mrs. Henshaw told about the importance of the Children's Birthday Offering and reminded those present that the sum of \$25,000.00 given, during the last Triennial, for a chapel at Iolani School had come from this offering. The offering for 1934-37 will be devoted to the building of a Children's Ward at St. Luke's Hospital in Shanghai, China.

Mr. Stone spoke about the Ernest Scholarship at Iolani School and made a strong plea for the money necessary for this, Ernest's last year. He said that Ernest had been supported by the Woman's Auxiliary ever since he had left St. Mary's Children's Home, at the age of twelve years. He is a fine, upstanding, manly lad, a pure Hawaiian, who stands high in his studies and is a leader in faithful service of all kinds. He works in vacations and earns enough to keep himself supplied with books, clothes and other necessities. The sum of \$250.00 is needed for his last year at Iolani.

Mr. Henshaw made a forceful appeal for the Bishop's Discretionary Fund. Among other things he said that he wished this fund might be much larger this year for he was very sure that the Bishop's own dollars often adhered to the fund money, otherwise it could not be stretched as far as it had to be. He said that \$1000.00 would be nearer the amount needed than the \$500.00 suggested as a minimum.

With every one standing the noonday prayers were read by the Rev. George H. Hann, the newly appointed Vicar of Christ Church, Kona.

Mrs. Littell made an appeal for Helen Seu, whose course at the University of Hawaii will be finished in June. It is planned to send her to St. Margaret's House in Berkeley, for further training, if help can be secured from the United Thank Offering funds. It is hoped that St. Margaret's House will waive the cost of her tuition, \$100.00 per annum, and that half of the balance needed, approximately \$450.00, will come from New York, leaving \$450.00 to be raised by us. Helen has been provided for while attending the University by funds raised by the Woman's Auxiliary as a memorial to Sarah Chung. Her further training is a very worth while project as she is a child of St. Mary's Children's Home, and in every way a person who will repay all effort made in her behalf.

Mrs. Thompson then announced an interval for luncheon, to be served at Fuller Hall at the Y. W. C. A. She invited every one to go to the luncheon, provided at 50¢ each, and urged all to be back promptly at 1:30 for the afternoon session.

Afternoon Session

Promptly at 1:30 o'clock the delegates and visitors reassembled for further business and addresses, the meeting opening with hymn 486. Mrs. Thompson told how much pleasure the beautiful morning service in the Cathedral had given her as it was something that she had been striving to achieve for years. With so many of the clergy present and the full choir of Iolani School, there was a richness of color and harmony that added much to the beauty and dignity of the service.

The chair called upon Mrs. Benson, the bride of a short time ago, who told of her work among the women in the plantation camps along the Hamakua coast, and thanked all who had welcomed her so warmly and made her wedding day such a happy event.

Mr. Corey made a very strong appeal for the District Automobile Fund, and stressed particularly the need of a new car for the Church Army work. The one they have now is in such a state that the cook told Mr. Corey confidentially that they must have a new car as this one was making Mr. Captain say bad words!

Rev. E. Tanner Brown gave an interesting report on the improved financial condition of the Hawaiian Church Chronicle, due mainly to the appeal on the little yellow slips enclosed in a recent number. This made it possible to end the year in much better shape than was feared but it still needs help.

Mrs. MacAdam gave a very happy report about the Robert W. Shingle Jr. Memorial Hospital on Molokai which has had many gifts, one being a gift of \$4000.00 for X-ray equipment. There were 197 patients in the Hospital during 1934, an increase of 77 over the previous year.

Father Bray made an appeal for the Church Army men, whose stipends are so very small. Five persons are maintained by Army funds of \$294.00 per month,—less than \$60.00 per month apiece, and out of this, besides their living expenses, they must pay for the upkeep of their cars. Envelopes were distributed for any offerings that persons might wish to make on Church Army night.

Mrs. Arthur G. Smith made the following motion: "That February 27th, the fifth anniversary of the consecration of Bishop Littell be observed as a day of prayer for the Bishop and this Missionary District." This was seconded and carried.

It was moved by Mrs. Robert E. White that the recommendation of the Executive Committee that the "Special" for the year be a minimum of \$500.00 for the Bishop's Discretionary Fund, be adopted. This was seconded and carried.

The chair announced that Miss Anderson was ill and could not address the meeting as planned, also that Bishop McKim, who was not

well enough to be at the meeting today, sent his Aloha.

A pleasant surprise was a short visit from Bishop and Mrs. Shirley H. Nichols, of Kyoto, Japan, in Honolulu for the day on their way home, who stopped in to bring greetings.

Bishop Littell said that he wanted to thank the Woman's Auxiliary for again making the Discretionary Fund its "Special" for the year, also for the wonderful way in which we had helped with the deficit of \$1000.00. This had been entirely wiped out, chiefly through the efforts of the Woman's Auxiliary. While hymn 452 was being sung the afternoon offering was taken up and the tellers, Rev. E. Tanner Brown and Rev. Edgar Henshaw, got the blackboards ready for the pledges,—the always exciting event of Woman's Auxiliary day. The Treasurer announced that the amount of the morning offering was \$39.24 and the afternoon offering \$29.47, a total of \$68.71. It was moved and carried that \$10.00 of the day's offerings be sent to St. Margaret's House, Berkeley. It was moved and carried that the money left from the two offerings be given to the Ernest Scholarship fund.

The result of the pledges which came in rapidly, was

Helen Seu	\$250.00
Ernest Scholarship	237.00
Bishop's Discretionary Fund	276.25
Hawaiian Church Chronicle	127.50
District Automobile Fund	133.50
Lenten Work	13.50
	<hr/>
	\$1037.75

Announcement was made of the Silver Tea to be held at the Priory immediately after the meeting, to which all were invited, also of the Educational Conference to be held Wednesday morning at 9:45.

It was moved and carried that an offering be taken at the Educational Conference for the Ernest Scholarship Fund. This finished the business of the day and the meeting was adjourned after singing the Doxology and benediction by the Bishop.

C. M. Wall,
Recording Secretary.

MINUTES OF THE EDUCATIONAL CONFERENCE

The Educational Conference of the Woman's Auxiliary was held on Wednesday, February 13, 1935 in the Tenney Auditorium. The meeting was called to order by the newly appointed President, Mrs. W. S. Fraser, and opened with hymn 268, led by the Priory Glee Club with Sister Deborah at the piano. This was followed by prayers by the Rev. H. H. Corey. The President then turned the meeting over to the Educational Secretary, Mrs. Walter R. Coombs.

Mrs. Coombs said that the first number on the program was one that she felt sure would be of the greatest interest to all present,—a demonstration of the way Braille is taught in the Territorial School for the Deaf and Blind by the children from this institution, under the direction of the Principal, Mrs. Mabel Lacey. This was followed by reading in Braille by two little boys who read as easily and readily as if they were seeing the words instead of following the raised letters with their tiny fingers. A musical number by the Rhythm Orchestra, composed of deaf and blind children from the school, completed this most interesting and unusual program. Mrs. Lacey told what has been done for the blind in the Territory for the past twenty years. At first there were very few books in Braille to be had, but now there are many in the library of Hawaii and new books as well. Mrs. Coombs extended an invitation to all to visit the institution where such splendid work is being done under Mrs. Lacey's guidance.

Mrs. Fraser read an appeal for old clothes from a blind girl in Hilo who has a loom on which she weaves beautiful rugs when she has the materials. Mr. and Mrs. Corey will be glad to take any such donations to Hilo free of charge, on their return.

Miss Elizabeth Harris then gave a most interesting talk on Week Day Religious Education in the Public Schools. She said that 54% of the children in our Schools have no religion of any kind and the great problem is how to reach the parents. Miss Harris told how interested the children were in Miss Lester's visit and how they all gave pennies to buy her a lei, which was made of dollar bills, so that when she returns to London she can share it with her poor children.

Miss Leila Anderson, representative of the Field Department of the National Council, gave a most interesting talk about opportunities for keeping the older people in touch with the work that is enriching the lives of the young people.

Mrs. S. H. Littell then gave a resume of Dr. Howard C. Robbins' address at General Convention on "The Life of the Spirit."

Some lovely Hawaiian songs by the Priory girls brought to a close a very worthwhile and instructive program. Attention was called to the large number of reference books, leaflets and booklets that the Educational Secretary is always glad to supply to those needing them. Some are free and many may be had at a very small charge.

Mrs. Fraser said that it seemed wiser not to have an offering this morning but if any one wished to make additional pledges the Treasurer would be glad to receive them. The Treasurer announced that \$10.00 had been given to the Discretionary Fund by the Friendly Friday group. The meeting then adjourned.

C. M. Wall,
Recording Secretary,

REPORT OF THE PRESIDENT OF THE HONOLULU BRANCH OF
THE WOMAN'S AUXILIARY TO THE NATIONAL COUNCIL
TO THE THIRTY-THIRD ANNUAL MEETING.

FEBRUARY 13, 1935.

It seems hardly possible that twelve months have rolled by since we met together in this Hall to talk over our progress and to make plans for our future work. Again it is my privilege and pleasure to welcome you all in the name of the Woman's Auxiliary,—delegates and visitors, Clergy and laymen, women of the Auxiliary and men of the Church Army. This year we have our first Church Army sister and a special welcome is given to Mrs. Benson. Our greetings and Aloha are extended to Miss Leila Anderson, representative of the Field Department of the National Council, whose visit to us is made possible by the generous interest in the Young People's work of Miss Elizabeth Matthews, and to the Rev. and Mrs. Hann who will carry with them to their new field in Kona our heartfelt interest and good wishes.

The year 1934 was a busy one for the Woman's Auxiliary in Hawaii and while our material accomplishments may not be as great as in some former years, the sum total represents more gifts from a greater number. The visit of Miss Beardsley, Asst. Secretary of the Woman's Auxiliary, in the early part of the year and her trips to the other Islands and all outlying Branches brought before us forcibly the wide scope and purpose of the Auxiliary and the ways in which our influence can permeate every corner of the work of the Church and spill over into the community and the world. The addresses made at the Triennial meeting in Atlantic City on vital questions of the day make us realize the necessity for study and for action if we are to live up to the standards set. What a challenge there is in the short phrase, "If we be His disciples"! Willingness to do our part is the first step but intelligent study of the complicated problems of the day is necessary to make that part effective.

The Executive Board have kept steadily at work as evidenced by ten monthly meetings preceded by Corporate Communion, and one special meeting. Four diocesan meetings have been well attended and much enjoyed. On May 18th we were happy to honor Bishop Roots of Hang-kow. On September 24 we held our annual party for the faculty members of our Church Schools at the new and most attractive home of the Rev. and Mrs. Albert H. Stone. This home for the Head Master of Iolani School was made possible by a grant from the 1931 United Thank Offering and a bequest from Miss Ella E. Russell of New York. On November 5th we were charmed and thrilled with the report on the Triennial meeting made by Mrs. Robert E. White, Chairman of our delegates, who had just returned from Atlantic City. Her account was so vivid and alive that we lived with her through the days filled with services, meetings, discussions, luncheons and receptions, and absorbed inspiration and a growing conception of the vision and consecration of our leaders. Then came the welcome home to Bishop and Mrs. Littell on December 6th. From them we gained a glimpse of the effect of the Missionary teams sent out by the Field Department through the Eastern States to tell the story of General Convention, and of the renewed determination of our people everywhere to carry on the work of the Church.

The Treasurer's report and others that follow will tell of our materi-

al accomplishments. Every Branch has paid in full a somewhat reduced budget, and all our pledges have been met. Our "Special" for the year has exceeded the minimum set as our goal. While we did not succeed in our aim of a 10% increase, we still rejoice in the result of our United Thank Offering. There are 98 dioceses in our eight Provinces. Only ten of these showed any increase over their offering in 1931, and Honolulu was one of the ten! In August a letter from the Bishop informed us that unless a way was found to prevent such a calamity, our Convocation pledge to New York for the year would be at least \$1000.00 short, and asked what we thought the Auxiliary could do to prevent such a deficit! Just at this time each branch was more than busy accumulating its own funds and while we all felt that it would be unthinkable to allow such a deficit without an effort, nothing could be done until December. Then we had a little over a month in which to gather together \$1000.00. It seemed a stupendous task, just at the holiday season, but adopting as our motto, "We can if we care," and working under the devoted leadership of Mrs. Plum, the money did pour in and our pledge was met! Some of it came from interested women who pledged themselves to earn or give \$10.00 each, some of it came from our Branches and a great portion of it came from additional payments from Parishes and Missions. Without undue boasting, however, we feel that we did start people thinking, and with grateful hearts we acknowledge the hearty cooperation of every one who helped to produce the result and God's blessing on our efforts.

The purchase and installation in the Cathedral of a Memorial Tablet to Bishop Restarick was a labor of love by the Woman's Auxiliary. The Tablet was dedicated on August 8th, the anniversary of the arrival in the Islands of Bishop and Mrs. Restarick and party.

Our thanks and appreciation go out at this time to our retiring Vice Presidents and Secretaries, especially to Mrs. Robbins B. Anderson who for a number of years has given freely and willingly of herself and her time to the work of the Auxiliary; to Mrs. Albert H. Stone, who in her comparatively short tenure of the office of United Thank Offering Secretary, has made a real contribution, and set a standard for those who follow; and to Mrs. H. McK. Harrison, for many years of devoted and interested service in different offices on the Executive Board. It is said that there is no more interested member of an organization than a past officer and the continued interest and support of our past officers is a source of great strength to the Auxiliary.

Looking back over the past eight years we find much to encourage and hearten us. May I mention two outstanding facts in this connection? Our Branches have doubled in number from 12 to 24 and during that time we have raised the sum of \$63,000.00 for Missions.

The years of my tenure of office have been happy years for me and my grateful thanks go out to you all, Bishop and Clergy, officers of the Executive Board and members of the Auxiliary, for your encouragement and support. When I undertook the office at Bishop LaMothe's request, eight years ago, it was literally in fear and trembling, as many of you remember, and with a deep distrust of my qualifications and capabilities, but with a prayer that God would accept my service as a thankoffering for the blessings He had showered on me. The result has been more blessings and an increasing joy in the work. I know you will give to my successor the same loyal cooperation which has meant so much to me and without which your President can do little. May I leave

with you the prayer which has been of great help to me: "O Lord, grant to us and to all whom we love the joy of knowing and doing Thy will."

Respectfully submitted,
Maud B. Thompson,
District President.

REPORT OF THE EDUCATIONAL SECRETARY

A very close observance of the year's religious activities will convince the average person that the religious spirit throughout the world is on a steady march forward. Nationally, our great church, with many others, stood strongly behind the "Legion of Decency," in its drive against immoral moving pictures. The "National Commission for Religious and Welfare Recovery" provided a new means of cooperation for the churches in a heart-felt and effective manner. The National Student Federation of America, aiming against race prejudice, "corruption and injustice in every form," war, and communism, has been a mighty factor in setting many of our younger generation into the paths of right thinking.

The Protestant Episcopal General Convention held at Atlantic City blazed a new path by its endorsement of Government recognition of conscientious objectors to military service, and other modern subjects, mental and physical, which fill the minds of thinking people of today.

The "Conference of Jews and Christians," was valuable to both in cultivating a friendlier understanding between themselves. All these and many others are signposts along the line of march.

In Hawaii, the Educational Religious Conference held on Feb. 7, 1934, was one of the opening features of the new year's work. It was well attended, and a display of church literature in the kindergarten room, adjoining the Tenney Memorial Hall, was well patronized. A fine address by Rev. E. Tanner Brown on "How to make Personal Devotion more vital;" a discussion of our Lenten Study subject, "Christ and the Modern World," stressing the point of applying our principles toward "Labor and Industry," "Communism," "Paganism and Nationalism," by Mrs. Littell; a one-act play by the U. T. O. group, "The Joyful Gift," under Mrs. Albert Stone's direction, and a beautiful chant in memory of the late Queen Emma, by Kuluwaimaka, an aged Hawaiian trained in the days of the monarchy, occupied our allotted time.

During Lent, at the inter-parochial sewing meetings, where garments were made for the "Home of the Holy Child," Besao Province, P. I., each week Canon Kieb took up the Lenten Study Book as his subject, and gave a series of fine instructive talks upon the same. An excellent attendance was recorded each time. All inter-parochial contacts make for the unity of our work by bringing the women together, so they may visualize and help solve each others' parish problems, unity of thought being another of the encouraging signposts of our development.

Several missions took up the Lenten Study Book where leadership was available. Mrs. R. V. Woods the veteran church woman of Kona, writes that the Educational Committee of the Guild at that place gave very interesting papers on "Christ and the Modern World" during Lent.

Mrs. Littell gave a series of five lectures on the Epistles of Saint Paul. There was an excellent attendance at each meeting. Much credit

should be given Mrs. Littell for her splendid work along educational lines both for the Diocese and the community. In March her fruitful trip to Kona covered a wide field of subjects;—A course of five Bible lessons for men and women; two afternoon lectures on "Ecclesiastical Art;" one to the combined Sunday Schools of Kona on "The Life of Christ;" another to the "Hui Hoa Aloha" on "Modern use of the Bible, and Christian Discipleship." Later, by request, she took up the "Oxford Group Movement," in an address at Pa Hauoli Theatre, Honolulu. A well-filled house listened to the explanation of the methods and work of this international body, which claims to be able to solve all present world chaos by the application of Christ's principles. Mrs. Littell is a frank, convincing, stimulating and willing speaker, who always is in demand.

St. Luke's Summer School opened in June under Rev. Harris, Dr. Mildred Staley and staff, with an enrollment of 73 children. The chief emphasis of the school was religious instruction, lessons on church practices and customs, the Bible, Missions, and church music.

Earlier in the year the "Committee on Education" completed a six weeks'-training-course for church school teachers, with 22 registrations. Rev. Kenneth A. Bray had charge of the High School group and Deaconess Swinburne the elementary. Mrs. Horace Reynolds had charge of the primary.

Rev. Joseph C. Mason of Epiphany, who last year compiled a "Child's Service Book," again produced "A Children's Eucharistic Prayer Book." Both of these are valuable contributions to the work of child education for the Church.

The Missionary exhibit, prepared for the Synod in California by Rev. E. Fletcher Howe of Wailuku, covering pictorially a great part of the work of the church in the islands, was so highly appreciated that it was taken to the General Convention held at Atlantic City, where, the delegates tell us, it had more than its share of attention.

The Seventh Annual Convention of Episcopal Young People was held at Mokuleia in September. "Christ and the Modern World" was the conference theme. Mr. Harvey Freeland spoke on "Christ in Industry" and Harrington Littell talked on "Christian Life of a College Student." Eight churches and missions were represented.

The Rev. Edgar Henshaw has conducted, each Thursday morning throughout the year, a Bible study class at "St. John's by the Sea," Kahaiau. The Prayer Book, with full explanation of each service therein, also the outlines of both the Old and New Testaments, were included in the course. These lessons will continue throughout the year.

The Rev. Logan H. Roots, of Hangkow, China, gave a fine address at the Tenney Memorial Auditorium on "Religious Movements in China," also other more informal talks.

We must record the pilgrimage, so successfully planned by our President, of Miss Edna Beardsley of the National Council, and your secretary, to the Island of Hawaii, where every church woman's organization on the island was met with. We can truthfully say that these meetings bring to the church women a fuller understanding of the Diocese, its institutions, charities, its work amongst races, and all of its other departments.

We had our part in the beautiful program of the World's Day of Prayer, arranged by Mrs. W. L. Hofmeyer of Cape Town, Africa.

As far as we have been able we have contributed to the support of week-day religious education in the public schools.

We have held some very fine, uplifting services which carried much spiritual education with them, such as the annual mass service for nurses in commemoration of Florence Nightingale's birthday, which was held at St. Andrew's Cathedral; and the beautiful commemorative service of Kamehameha Day, under the auspices of the Hawaiian Congregation; Rev. Kenneth Bray saying at the time, "We owe much of the structure and beauty of the Cathedral to the generosity and affection of the Royal Family, especially Queen Emma, and her consort, Kamehameha IV."

The wonderful pageants and creches, held at many of our churches and missions at Christmas time, must be mentioned before closing. These are so dramatically effective in their teaching of the youth of the church. Rev. J. L. Martin of Waimea writes, after seeing Capt. Hamilton's pageant at Eleele: "We saw the Christmas Spirit get hold of the players and entirely transform them."

Your secretary has been glad and willing to respond to all calls to meet with various groups throughout the year, giving instruction, information and help, to the best of her ability, on all of the Islands of the group.

The church women of this Diocese face the future courageously, knowing that with the help of God we shall be equal to the responsibilities which the future holds for us.

Respectfully submitted,
Genevra E. Coombs,
Educational Secretary.

REPORT OF THE UNITED THANK OFFERING SECRETARY

Since the last annual report, 55 additional blue boxes have been given out and U. T. O. literature sent to several branches. Among the very fine booklets which are published to help educate all women in regard to the United Thank Offering are "The U. T. O. in Action," "U. T. O. Questions Answered," "Promoting the U. T. O. in the Parish," I shall be glad to furnish samples of any of these pamphlets to any branch desiring them.

Practically all the branches responded promptly in sending in their offerings in April and September.

In September a meeting for the final collection of the United Thank Offering was combined with a reception for the new teachers of the Church Schools at the home of the Headmaster of Iolani School. This very comfortable home was made possible by a gift from the 1931 U. T. O. At the reception, our total at that time was announced. Later the interest on the amount to our credit in New York was added, making our offering for the Triennium \$1793.10.

The final figure of the 1934 offering is \$789,561.13, and we are, of course, especially interested in the comparison of our own giving in 1931 and 1934. Seventeen dioceses and missionary districts increased their gifts, and our Honolulu diocese was among this number.

Even though the total U. T. O. was a lesser figure this year than that of three years ago, we believe that it was a greater gift. But during these next three years we must seek to interest every woman in the diocese—those naturally interested, the completely uninterested,

business women, invalids, those too busy to come to meetings, and rural and isolated women. We must emphasize at all times that the U. T. O. is for every woman and girl in the Church.

Miss Lindley writes, "For the first time we have no detailed resolution on the next offering. We have undertaken to hold the United Thank Offering before the women of the Church with more Zeal than ever before as an ideal expression of their personal devotion and gratitude to the living Christ, and as a means of forwarding the missionary work of the Church through well equipped women."

Let us strive for this great end in our own diocese of Honolulu.

Respectfully submitted,
Mable Lyons Stone,
Diocesan Secretary.

CHRISTMAS CHEER FUND

Letters sent to over 200 people asking for donations for the Christmas Cheer Fund were responded to so generously that \$525.50 came in. Perhaps not all of you know that the object of the Christmas Cheer Fund is to provide the children of the Missions with a Christmas tree and gifts, necessarily small, as this amount has to be stretched out to cover 22 Sunday Schools, one Orphanage and the Seamen's Institute,—those men to whom we, in these Islands, must always be grateful, and many of whom may be half a world away from home and family. \$504.50 was used in this way and the remaining \$21.00 was divided and sent to three Clergymen's wives who have been very ill, so that they also should have a bit of Christmas Cheer in realizing the kind thoughts and wishes the little remembrance carried to them.

Maude M. Buchholtz,
Chairman

A very beautiful chasuble was made for Dean Ault by one of our members, Miss Poppleton, during her summer vacation which was consecrated at a special early morning service on September 13. The Secretary has had the pleasure of writing some 45 letters to the Clergy in the Islands, in this way getting in touch with these our friends.

Belle D. Corbusier,
District Altar Secretary.

REPORT OF THE CHURCH PERIODICAL CLUB

During 1934 we have subscribed for 108 magazines.

56 of these are gift subscriptions to our clergy, missionaries, and Church Army men. Many subscriptions are passed on regularly from the original subscriber to another individual.

The remaining subscriptions, 52, are outside subscriptions sent through the Church Periodical Club in its capacity as accredited agent to the associated magazine agencies of U. S. A. Commissions made in this way form part of our assets for the carrying on of our work. A number of kind friends give us annual subscriptions of money.

10,400 used magazines have been collected and distributed by our secretaries, besides many others given by individuals who have not reported. Mrs. John Miller, St. Andrew's, Mrs. Caroline Miller, assisted by her daughter, Mrs. James Crockett, representing St. Clement's, and Mrs. H. A. Taylor, Epiphany, have done splendid work in collecting and distributing these magazines. They are distributed monthly to hospitals; soldiers' and sailors' reading rooms; girls' and boys' clubs; schools; missions; and to individuals. 187 books have been placed in schools and mission libraries.

500 cards were given. Games, playing cards, puzzles, sheet music and victrola records are given out as they are given to us. Contributions of these things and orders for subscriptions are greatly appreciated. It costs no more to order your magazines through us than to order direct; we guarantee that you receive every magazine that you pay for; and we will be very grateful for your support in this way.

REPORT OF THE BOOK OF REMEMBRANCE

This book, in which are to be written the names of those women who have been in their lives on earth pillars of the Church in earnest worship and service, was first conceived in 1929, and was provided for by the birthday offerings of a few women, and contributions of jewelry for the Cross. Most of the names were collected by Mrs. Restarick, latterly by the Historian Dr. Staley. A fuller account of the Book can be found in the Church Chronicle for March, 1934.

The Committee of twelve representative members, which, includes the President and Treasurer of the Women's Auxiliary, has during the past year approved some twenty-one additional names of women who have passed to their rest.

To accompany the Book of Remembrance, the Committee also arranged for a permanent "Book of Archives" into which are being typed not only these names, but also some details about the life and work of the deceased. These entries are already well under way, thanks to the kind voluntary help of Mrs. Aitken, the Bishop's Secretary.

Mrs. Morgan has also begun work of illuminating the book itself. It is on view today.

In connection with this Book, I would emphasize that there is a Memorial Fund in existence for receiving contributions from those who wish to commemorate the birthdays or other dates connected with their departed dear ones. This fund is now over one hundred dollars. The interest on it will be devoted to the training of a Woman Missionary Worker for the Diocese of Honolulu.

Respectfully submitted,
W. E. Staley
Historian.

SUGGESTIONS FOR PARISH PRESIDENTS

1. Have a program for the year's work ready to submit to your annual meeting or to the first meeting in the Fall. The complete account of the Church's work is given in the "General Church Program," which costs only 25 cents and is very necessary for all leaders to have.

Have a copy of our annual report on hand at all meetings and also the list of assessments and pledges of your Branch to diocesan objects.

Please pay your assessments and pledges for the year before December 15 as the District Treasurer must have time to balance her books and have them audited before the end of the year.

2. If not already part of your program, try having one or more Corporate Communions of your Branch during the year.

Corporate Communions for the District Branch are as follows: First Tuesday in February, at the annual meetings,

June 29, Anniversary of the Consecration of Bishop LaMothe. The offering at this service is given to the Memorial Trust Fund of the District Woman's Auxiliary,

November 1st, All Saints' Day. The offering at this service is devoted to the District Altar Fund, which provides linen and altar furnishings for our Mission Churches.

The first Friday in Lent is the World Day of Prayer which is inter-denominational. The Woman's Auxiliary joins with the Women's organizations of other communions in observing this world wide Day of Prayer.

It is helpful to vary the opening devotions at your regular meetings. Suggestions will be given by the District Chairman of the Devotional Committee.

3. If there is anything you want to know about the care of the altar, the District Altar Secretary will be glad to help you. Presidents of Mission Branches should write to her in regard to the altar needs of their Missions.

4. Appoint a United Thank Offering Secretary for your Parish. Try to have every woman in your Parish have a little Blue Box. Collect and send the total amount in April and October of each year to the District Treasurer. Write to the District U. T. O. Secretary for Blue Boxes and leaflets.

5. Promote and subscribe for the Hawaiian Church Chronicle and the Spirit of Missions and encourage your women to read both. Our Church is doing a glorious work and all should know about it.

6. Please see that delegates are appointed from your Branch for the annual meeting.

7. Make use of the District Educational Secretary. Let her know what the women of your Branch are interested in and she can help you with necessary leaflets and lists of books.

8. Please send to the Historian of the Book of Remembrance the names of any members of your Branch who have died during the year.

All moneys received for purposes outside of the District shall be forwarded to treasurers empowered to receive the same.

9. Each Branch shall pay yearly to the District Expense Fund such sums as it shall be assessed therefor by the Executive Board. Such payment shall entitle it to seat its delegates and to vote.
10. Each Branch shall pay yearly to the District Altar Fund at least one dollar from the Woman's and fifty cents from the Junior Auxiliary.
11. Each Branch is entitled to seven delegates. If it is impractical to get women as delegates who live in the parish or mission, it is permissible for each Branch to appoint delegates who are resident of Honolulu. If a Branch fails to appoint delegates one week before Convocation, they shall be appointed by the President and Corresponding Secretary.
12. The Secretary and Treasurer of each Branch, through its President, shall make yearly reports to the Corresponding Secretary and Treasurer of the District Branch, of all work done and money given to Missions within and without this Missionary District, and the value of boxes sent.
13. The year of the Woman's Auxiliary shall end on December 31st, of each year, the date on which the Parish and Convocational year ends, and all Auxiliary reports shall be made up to that date.
14. These By-Laws may be altered or amended by a majority vote at each annual meeting.
