

**THIRTY-FOURTH ANNUAL REPORT
HONOLULU BRANCH**

OF THE

WOMAN'S AUXILIARY

TO THE

NATIONAL COUNCIL

December 31, 1934, to December 31, 1935

HONOLULU, HAWAII

1936

THE PRAYER FOR THE WOMAN'S AUXILIARY

Almighty God, our heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. *Amen.*

FOR NOONTIDE, DAILY

"And I, if I be lifted up, will draw all men unto me."

Blessed Saviour, Who at this hour didst hang upon the Cross stretching forth Thy loving arms; Grant that all mankind may look upon Thee and be saved; through Thy mercies and merits, Who livest and reignest with the Father and the Holy Ghost, ever one God, world without end. *Amen.*

COLLECTS FOR THE USE OF PARISH MEETINGS

O God, who hast prepared for those who love Thee such good things as pass man's understanding; Pour into our hearts such love toward Thee, that we, loving Thee above all things, may obtain Thy promises, which exceed all that we can desire; through Jesus Christ our Lord. *Amen.*

Almighty and most merciful God, we humbly beseech Thee, for the merits of Thy dear Son, to pour out Thy Holy Spirit upon all our missionaries at home and abroad, and to crown their labors with success in the gathering of souls into Thy Kingdom, to the honor and praise of Thy glorious Name, who art Father, Son and Holy Ghost, one God, world without end. *Amen.*

O God, who has made of one blood all nations of men for to dwell on the face of the whole earth, and didst send Thy blessed Son to preach peace to them that are far off, and to them that are nigh: Grant that all men everywhere may seek after Thee and find Thee. Bring the nations into Thy fold and add the heathen to Thine inheritance. And we pray Thee shortly to accomplish the number of Thine elect, and to hasten Thy kingdom, through the same Jesus Christ, our Lord. *Amen.*

A PRAYER FOR THE UNITED THANK-OFFERING OF THE WOMEN OF THE CHURCH

O Lord, our heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ, our Lord. *Amen.*

FOR THE FAMILY OF NATIONS

Almighty God, our heavenly Father, guide, we beseech thee, the Nations of the world into the way of justice and truth, and establish among them that peace which is the fruit of righteousness, that they may become the Kingdom of our Lord and Saviour Jesus Christ. *Amen.*

MINUTES OF THE ANNUAL MEETING, 1936

The thirty-fourth annual meeting of the Honolulu Branch of the Woman's Auxiliary to the National Council was held on February 11, 1936 in the Tenney Memorial Hall, and was one of the largest and most interesting meetings that this organization has ever held.

It was preceded by the Corporate Communion in the beautifully decorated Cathedral, with the vested clergy present, and Iolani's boy choir leading the singing. Their boyish voices and bright colored vestments added much to the beauty and interest of the service. The Bishop was the Celebrant, Rev. Canon James F. Kieb the Epistoler and Rev. Frank N. Cockcroft Gospeler. The special intention was The Deepening and Strengthening of the Spiritual Life of the Woman's Auxiliary. At the close of this service, the delegates and members of the Woman's Auxiliary went at once to the Tenney Memorial Hall where the meeting was called to order by the Diocesan Auxiliary President, Mrs. W. S. Fraser.

The meeting was opened with the singing of hymn 492. This was followed by prayers by the Bishop. The roll call by the Secretary showed 27 Branches present represented by 111 delegates. After the roll call the Chair announced that a quorum being present, the 34th annual meeting of the Honolulu Branch of the Woman's Auxiliary was open for business. The Chair explained a plan for this year's meeting, in having all the Presidents of the Branches or their representatives seated on the platform when the meeting opened. Also on the platform was Mrs. Rodger K. Rogan of Glendale, Ohio. The reading of the minutes of the annual meeting, held Tuesday, February 12, 1935, printed in full in the journal, was waived.

The Treasurer's report, printed and distributed to the delegates, showed that total cash handled during 1935 amounted to \$5,640.73, with a balance on hand December 31, 1935, of \$1,334.78.

The President's report read by Mrs. Fraser, showed a year full of activities and interest. Part of a letter from Miss Lindley was also read by Mrs. Fraser. This was followed by a roll call of the Presidents of the Branches, and with all standing the Bishop read prayers of dedication for these officers.

Mrs. William Thompson read an interesting resume of the reports of the various Branches, showing much accomplishment by each organization during the past year.

Mrs. Walter Coombs, the Educational Secretary, had as always a splendid report. She called attention to the literature that will be on exhibition at the Educational Conference to be held on Wednesday morning. This will include the new study class books, many new leaflets, and all sorts of useful and interesting supplies, some for sale and some to be given away.

Mrs. Frank A. Plum, United Thank Offering Secretary, read a very encouraging report, as it told, among other things, of many new Blue Boxes being distributed.

In the absence of Mrs. Robert F. Lange, the report of the Supply Secretary was read by Mrs. Lawrence Judd who explained why the Honolulu Branch sews for far away missions instead of needy persons at home. Mrs. Judd said the answer to this was well described in a recent number of the "Spirit of Missions." If one works for a person, it gives a lasting interest in the person and place, so it is a double benefit to do things for people far away.

The Chair announced that the report of the Church Periodical Club Secretary would be printed in the Journal but not read. But the Secretary, Miss Crehore, wants very much to have more money for subscriptions, as she has not had as much this past year as formerly and the periodicals are so much appreciated, especially by the workers in the lonely, isolated missions.

The District Altar Secretary's report was read by Mrs. Kenneth Day, as Mrs. Chamberlin was unable to be present. Attention was called to the exhibit of beautiful hand work displayed by this committee.

As Mr. Norman King was not able to remain for the afternoon session, the reports were interrupted in order that Mr. King might give his three-minute talk about the importance of the work done at St. Stephen's, Waialua.

This was followed by the noon-day prayers, read by the Rev. B. S. Ikezawa.

The Bishop then announced that he would appoint the officers to serve for 1936. He told of the regret that all felt at the resignation of Mrs. William Thompson as Corresponding Secretary and of Miss Mabel Ladd as Third Vice-President. Both expect to be away from the Islands for lengthy periods. Their places will be taken by Mrs. Newton T. Peck and Mrs. Pua Chang. A new appointment was that of Mrs. Keith Parris as Secretary for the Birthday Thank Offering of Church Schools. See full list of officers on Page 4.

After the officers, old and new, had been greeted by the Bishop, the Chair announced a recess for luncheon, to be served at the Y.W.C.A. to which every one was invited, and that at this luncheon, greetings from the delegates from the various churches would be given.

AFTERNOON SESSION

Promptly at 1:30 P.M. the delegates and members reassembled for further business. After calling the meeting to order, the Chair announced the World's Day of Prayer to be held the first Friday in Lent, which will be February 28th. This year the service will be at St. Andrew's in the Memorial Chapel. The Chairman of the Devotional Committee, Mrs. A. G. Smith, read her report, explaining particularly about the Prayer Partnerships, a new feature of this year's program.

Dr. Staley's report on the "Book of Remembrance" followed. Dr. Staley called attention to the beautiful book which was on view at this meeting. She reported \$108.00 in the Memorial Fund, and it is hoped that today's collection of old gold and silver will add considerably to this sum.

Mrs. Puaala Chang reported on memorials, reading the names of those of our fellowship who have passed on since the last annual meeting. Their names are printed on the memorial page of this Journal in accordance with the resolution which accompanied the report. With all standing, prayers for the departed were read by the Bishop.

The second of the three-minute talks was given by Mrs. Thompson, who told about Helen Seu. Helen will have completed her first year of training at St. Margaret's in June. She has been offered a scholarship by St. Margaret's House so that she may be able to have a second year, if the Woman's Auxiliary will provide \$200.00 needed for books and incidentals. Mrs. Thompson read letters showing how well Helen is doing and how much benefit she will receive if she can continue her training for another year. She also read a very charming letter from Helen, telling how grateful she is for all that has been done for her.

Mr. Brown, in a very short speech, illustrated on the blackboard why the Church Chronicle has a deficit each year, and showed what a difference it would make if each one of the 1,200 persons who receive this able little publication would pay the subscription price of one dollar per year. If all receiving the paper paid up, there would never be any trouble about finances.

Archdeacon Walker followed with an appeal for the District Auto Fund, which is not any too large for the up-keep of one auto, but has to be divided among so many.

Archdeacon Willey then gave a most interesting address, telling about the work on Kauai. He described the fine plant, and the organizations that use and are benefited by it. In all about 3000 persons each month are taking part in the various activities. He told about the Young Men's Club and the club for boys, and the fine spirit that exists in both organizations. He told about his helper, Mr. Kondo, who is such an invaluable aid, and said that without his help the work could not possibly continue in the way it has been doing. He said that in the past, Kauai had been able to do whatever was necessary without outside help and could even help others. But recently it has lost the wealthy donors and the budget has been cut in half and so for the first time they are asking help from the Woman's Auxiliary, particularly to enable them to keep Mr. Kondo, whose salary is \$60.00 per month.

The next speaker, Mr. Stone, told about Ernest and his scholarship. He spoke about the hopes and plans that he had for Iolani, when he came there five years ago, saying that the choir, as seen in the service in the Cathedral today was, he felt, the budding of those hopes. Ernest, a product of Iolani, has six months more to go before he is graduated. He is one of the few pure Hawaiians in the school, and he has been able to keep up with the high standard of the present Iolani, a standard that has caused many to drop out. Not only has Ernest kept up with his work, but he has been on the first honor roll for two years, which means that he has had nothing below B in his marks. He will receive his diploma in June, if he is able to remain at Iolani for another half year, at a cost of \$125.00. Mr. Stone said that he considers Ernest a splendid boy in every way, and one who has the intellectual capacity for greater things. Father Bray added a word in Ernest's favor, as he said that he had been on the football team and he had always found him a good sport, and a fine, outstanding lad in every way.

Captain Hamilton, the next speaker, told about the need of repairing the hall at Eleele. His car, however, was perfectly good and satisfactory, so he had no worry about that, but the repairs to the hall were very much needed. He said that some one had asked him if, after three years' hard work, he was not discouraged, and that he had replied that most decidedly he was not, as being Irish he liked to overcome hardships.

After the speakers were finished, it was moved by Mrs. Thompson that the Woman's Auxiliary raise \$200.00 for Helen Seu. This was seconded and carried.

In recommending a "Special" for this year, Mrs. White said that she would like to suggest not one thing, but three, all of them things that are very much needed. While this would amount to more than has been undertaken in the last few years, it was not more than was raised formerly. She therefore moved that this year's "Special" would include:

- \$500.00 toward the upkeep of St. Stephen's Mission, Waialua.
- \$300.00 for repairs on the hall, Eleele, Kauai.
- \$300.00 toward the salary of Archdeacon Willey's assistant.

This was seconded and carried. Mrs. White said that she wished each President would take the message back to her Branch that the raising of \$1100.00 would need the united effort of all Branches, instead of leaving it to the Committee, and that she felt sure that, with every one helping, the entire sum could be raised.

The Chair then announced hymn 483 to be sung while the afternoon offering was taken.

Mrs. Day explained about the pledge cards that were passed to the Branches and to individuals. With the blackboard ready, and with the pledge cards distributed, the fun began. When the excitement was over it was found that both the Helen Seu and Ernest scholarship funds had gone over the top, as had Captain Hamilton's fund for Eleele. When the cards were in, it was found that the following totals were pledged:

Helen Seu	\$200.00
Ernest Scholarship	126.00
Hawaiian Church Chronicle	120.00
District Auto Fund	114.50
Archdeacon Willey's helper	258.00
Capt. Hamilton's Mission, Eleele	310.00
St. Stephen's Mission	284.00
	<hr/>
	\$1,412.50

With the morning offering of \$46.05 and the afternoon \$26.50 and the money given in the gold and silver collection which amounted to \$11.50 it made the grand total for the day of \$1,496.50.

It has been customary to vote \$10.00 of the day's offering to St. Margaret's House in Berkeley. Mrs. Thompson moved that, in appreciation of their interest in Helen Seu, this year \$15.00 be sent, and that the balance of the two offerings, \$61.50 be voted to the District Auto Fund. This was seconded and carried.

It was moved by Mrs. White that special greetings of aloha and sympathy and expression of appreciation of her long service as Treasurer be sent to Mrs. T. E. Wall, who was unable to attend the meeting because of the serious illness of her husband. This was carried unanimously. Mrs. White also moved that a letter of sympathy be sent to Mrs. Lawrence, who is ill in the hospital. This was seconded and carried.

The Chair announced the World's Day of Prayer on the first Friday in Lent, which will this year be held in the Memorial Chapel at St. Andrew's. It was also announced that the Educational Conference is to be held in this auditorium tomorrow at 9:45 A.M. and attention was called to the Silver Tea at the Priory for the benefit of the girls' Lenten offering. The meeting then adjourned.

C. M. Wall,

Recording Secretary.

MINUTES OF THE EDUCATIONAL CONFERENCE

The Educational Conference of the Woman's Auxiliary was held in the Tenney Auditorium on Wednesday, February 12, 1936.

The meeting was called to order by the President, Mrs. W. S. Fraser, and opened with hymn 493. This was followed by a short devotional program by the Rev. C. Fletcher Howe. The Chair asked if it would be better to have the Educational Conference on Monday next year, and said that this would be brought up for consideration at a later date. The President then turned the meeting over to the Educational Secretary, Mrs. Walter R. Coombs.

Mrs. Coombs told about the study class book, "That Other America," and said that she had enough copies to supply all who needed books. Mrs. Coombs read a very interesting letter from Miss Leila Anderson. This was followed by some beautiful Hawaiian songs by Mrs. Thurston, presented by the Iolani Auxiliary through Mrs. Pua Chang.

Mrs. Coombs then introduced the first guest-speaker, Miss Elizabeth Harris, of the Board of Religious Education, who told how the week-day religious education is being carried on in the public schools. She showed some of the interesting things that have been made by the children, to illustrate the Bible lessons that they are studying. Miss Harris said that 46% of the pupils in the public schools come to these classes, and that 35% of them have their first contact with any religion in this way. The greatest problem they encounter is how to follow up this work, and guide the children into some church. So far they have not had much success.

The next speaker introduced was Dr. Walter J. Homan of the University of Hawaii, who gave a splendid address on "Religious Education of the Young People Today," an address that gave every one who heard it much to think about.

The meeting was then adjourned and many gathered around the big table covered with book supplies, and each person picked out the materials she needed to help along the work of the coming year. United Thank Offering maps and posters were also on display, and explained by Mrs. Plum.

C. M. Wall,
Recording Secretary

REPORT OF THE PRESIDENT OF THE HONOLULU BRANCH OF THE WOMAN'S AUXILIARY TO THE NATIONAL COUNCIL TO THE THIRTY-FOURTH ANNUAL MEETING. FEBRUARY 11th, 1936.

Last year the Woman's Auxiliary welcomed me back to the Islands, and honored me by making me its president.

This year it is my privilege to welcome you all, clergy and laity, members and friends, in the name of the Woman's Auxiliary. A special Aloha is extended to the members of our very new branch at Schofield Barracks, who, we feel, have a very real contribution to make to the Woman's Auxiliary, not only in Hawaii, but as they go about the world from post to post; also to Mr. and Mrs. Newton Peck, the latter a newcomer to the Islands, who is about to undertake important work in the Woman's Auxiliary; and to Mrs. Rogan, U.T.O. Secretary of the diocese of Southern Ohio. The Woman's Auxiliary, with the rest of the diocese, received inspiration from the visits of Miss Leila Anderson, Mr. and Mrs. Harper Sibley, and Dr. Lewis B. Franklin, and we are all looking forward to Mrs. Littell's return.

It is never easy for a new president to assume office, but to try to fill the place of one who had so ably presided for so many years as Mrs. Thompson, would have been almost impossible without her advice and assistance. I shall miss her very much, when she leaves this month on a long vacation, but am fortunate in having such splendid co-operation from the Executive Committee. During the year, there was one change in the Executive, when Mrs. Corbusier resigned as Chairman of the Altar Guild, owing to her departure from the Islands. Her place was filled by Mrs. S. J. Chamberlin of Fort Shafter, who, we regret to say, will be leaving in June, but who will carry on for the present. We regret to report several resignations at this time; of Mrs. Wm. Thompson, as Corresponding Secretary; of Mrs. Robert E. White as 1st Vice-President, who wishes to devote more time to St. Andrew's, but who, we are happy to say, will still be on the Executive Board; of Miss Mabel Ladd, as 3rd Vice-President, who expects to be absent from the Islands part of the year; and of Mrs. Thomas E. Wall, the efficient Treasurer of the Woman's Auxiliary for eighteen years, who is resigning temporarily, at least, on account of her husband's illness, and to whom we, at this time, tender our deep appreciation and prayerful sympathy. During half of the year, Mrs. Kenneth Day, Assistant Treasurer, has ably carried on in Mrs. Wall's place. The secretaries of the different departments have done splendid work, some of them in spite of illness and absence from the Islands during part of the year. In the absence of Mrs. Lange, Supply Secretary, during Lent, the Lenten sewing was in charge of Mrs. E. K. Carnes, Assistant Supply Secretary. We bespeak your co-operation with the Church Periodical Club, its Secretary, Miss Crehore, and her invaluable assistant, Mrs. Harvey Freeland. While we have no Secretary for Social Service, this part of the work of the Woman's Auxiliary has not been entirely neglected, and we hope to enlist in this the interest of more of the younger women.

250 copies of the U.T.O. number of the Spirit of Missions for October were ordered and distributed among the branches. Half the proceeds of the sale went to the Spirit of Missions, the other half to the U.T.O. From these sample copies, we hope, will come many new subscriptions. In this connection, I should like to mention the co-operation of Rev. E. Tanner Brown, in bringing the U.T.O. before the girls (and incidentally the boys) of the Church School. For several Sundays before the receipt of the magazines, a Blue Box was carried in the processional, explained, and incidents told of what is being done in the world through the U.T.O. Those of the children who wished to do so, later sold copies, placing the proceeds in the little Blue Box. In these days of so many activities for children, it is impossible to have Junior Auxiliaries, and we feel that this may be a way of interesting the future women of the Church in the Woman's Auxiliary.

The monthly meetings of the Executive Committee have been well attended, and we are happy to report that members of various branches, in addition to the presidents, have shown their interest, and, we hope, received inspiration by frequent visits to these meetings. There have been ten business meetings, eight Corporate Communion, held at the different missions, and four special diocesan meetings, besides the six Lenten sewing meetings, and the series of splendid lectures in Lent, by Mrs. Littell, reported by the Educational Secretary.

September 9th. Mrs. C. B. Olds of Japan spoke on problems of economics, health, education and the home in Japan.

December 1st. At Pa Hauoli, Mrs. Harper Sibley gave an inspiring talk, one part of which we should all remember "How does the Woman's Auxiliary differ from any Club to which we belong?" and the answer

"It should mean closer contact with God:" this, we felt, was the secret of her vivid personality and the message she is able to give to others.

September 27th. Annual reception for teachers of the Church Schools at Mrs. von Holt's beautiful home.

December 17th. Farewell reception for Rev. and Mrs. Edgar Henshaw at the Bishop's house.

Both of these receptions were in charge of the 1st Vice-President, Mrs. White. Also, Mrs. Littell gave a delightful luncheon and shower for Helen Seu, before her departure for California.

Helen Seu, our Chinese protegee, has done such fine work at St. Margaret's House this year, that she has been offered a scholarship for another year.

As evidenced by the Treasurer's report, our financial obligations have been met, with the exception of two pledges, which have been promised at Convocation and with the aid of two rummage sales conducted by Mrs. Day and Mrs. Short. The Bishop's Discretionary Fund, again under the able management of Mrs. Danford, went over the top.

A very large part of a new president's work, and especially of one who has been absent from the diocese for so long, is to become acquainted with the people and the various phases of the work. Your President made a visit to Kauai in November, where she was most hospitably received, and returned with a much better idea of, and a great admiration for the fine work that is being carried on among the scattered communities there, and on the plantations. Next year she hopes to go to Hawaii and Maui. She has also visited all but one of the branches on Oahu, and has tried to bring before them the aim of the Woman's Auxiliary—spiritual life and devotion to our Lord, as the centre of the circle, with widening concentric circles of study, interest and service, and with a broad vision of service *begun* in our own parish or mission, not *ending* there, but reaching out to the community, diocese and the world; that we, as the Woman's Auxiliary in these Islands are only *part* of a great whole, and that unless each part functions as it should, God's work is being crippled in some way. It has been an inspiration to meet with some of our Oriental branches, and to observe and *feel* the splendid spirit among them, and their real contribution, not only in this diocese, but through their gifts, influence and personnel, in the Orient.

The Woman's Auxiliary joined with other denominations in observance of the World's Day of Prayer, the first Friday in Lent. Our own Quiet Day of Prayer on November 11, was observed in the various parishes and missions throughout the Islands, using the same prayer leaflets that were used throughout the whole Church. Greetings from our Woman's Auxiliary were given at the annual meeting of the Woman's Board of Missions, and at the Christian Church.

In September, the Executive decided to have only seven business meetings a year, and five Corporate Communion, which all women are urged to attend, the business meetings to be preceded by a short devotional service, conducted by the Devotional Secretary, and the Corporate Communion followed by a short meeting with reports from our Prayer Partners. Here may I quote from the first report of the first President (or Secretary, as she was then called) of the Honolulu Branch of the Woman's Auxiliary in 1904, Mrs. T. Clive Davies. "The greatest part of your work is Prayer. We who believe in God . . . must make prayer our first duty and chief delight. Prayer is giving as well as asking. Indeed it is only as we give that we can hope to obtain. The love, adoration, gratitude and self-consecration we offer to God are what put power and efficacy into our prayer when we ask Him for blessings on the Church and the world. The statistics of our achievements will cheer

your hearts, but it is not possible to tabulate the degree and prevalence of earnest prayer. Each of us has some proximate idea of his own accomplishments or shortcomings. He who is deficient, is just to that extent under the influence of doubt about prayer. From that God deliver us, for to doubt prayer is to doubt Him."

Again, from the same report, concerning missionary study. "It is impossible to take a real interest in something we know nothing about. One way for interesting study is to form a group, of which each member would represent a different country—such as China, Japan, Alaska or West Africa—and make herself responsible for any information regarding that country, which may appear in missionary and other publications. Then, at periodical meetings of the group, the representatives would relate what had been accomplished, and what were the needs of their particular corners of the globe, resulting in keen interest and sympathy among the members."

We had not seen this early report until very recently, but the two paragraphs quoted cover fairly well the idea and working of our Prayer Partnership, which was begun in September. Fifteen Prayer Partners have been chosen by the various branches, the countries represented, besides our own diocese, being Alaska, China, Japan, Philippine Islands, Liberia and Puerto Rico. May the motto of our Prayer Partnership be the words of St. Paul in Col: 4: 2-4, "Continue steadfastly in prayer, watching therein with thanksgiving; withal praying for us also, that God may open unto us a door for the word, to speak the mystery of Christ, for which I am also in bonds; that I may make it manifest, as I ought to speak."

In closing, let me quote from the daily readings prepared by the Forward Movement, for today, February 11th. "Go ye therefore, and make disciples of all nations . . ." "When Christ says "Go," does He mean us? How can I go? Can I go through the medium of others? Who are they? Where are they? Who knows them? Who prays for them? Who supports them?" After careful and prayerful thought, may each and every member of the Woman's Auxiliary answer "Here am I, send me."

Respectfully submitted,
Nancy Blanchard Fraser,
District President.

EXTRACT FROM LETTER FROM
MISS GRACE LINDLEY, EXECUTIVE SECRETARY
WOMAN'S AUXILIARY

A Happy New Year! One of the nice things in life is its new beginnings, its fresh starts. The Church emphasizes that in its stress on new life. So may 1936 have many new beginnings for you. My New Year wish is that the gift of large thinking and careful doing in both great and little things may be ours. Here are a few things which I commend for our consideration. I shall not label them large or small, perhaps we should not all label them all alike.

(1) Are we getting from and putting into the Forward Movement all that we might? I am impressed by its increasing influence and I see more and more opportunities for receiving and giving through it. (2) Are we taking advantage of the interest there is in social work, not only to increase that interest but to see that it takes its place in the Mission of the Church? (3) Are we taking forward steps in international and inter-racial relations? (4) Let me commend special thinking on such things as work among the isolated, and (5) on church finances. There is much to be done for the first and much "re-thinking" in connection with the second.

REPORT OF THE EDUCATIONAL SECRETARY

The Educational Work of the Diocese was divided at the beginning of the Church year of 1935 into five (5) commissions:

1. Adult Work—Mrs. Walter R. Coombs.
2. University Contacts—Miss Cenie Hornung.
3. Young People's Work—Deaconess Sarah Swinburne.
4. Church School Work—Father Kenneth Bray.
5. Oriental Groups—Mrs. Elva Oakes.

COMMISSION NO. 1.

The Educational Secretary, Chairman for the Adult Group, reports fifty-six programs presented during the year to the various women's organizations of the diocese, St. Andrew's Guild and Friendly Friday, the Priory Auxiliary, St. Clement's Guild, the Cathedral Club Group and Epiphany Guild and Auxiliary. Some of the church women of Molokai and Maui have been contacted informally during brief visits on those islands. Church literature and pamphlets have been ordered and kept on hand to supply at all times any demands made by the different branches in any part of the diocese. All correspondence has been kept up to date, and a few special orders for literature have been made by request of individuals.

COMMISSION NO. 2.

Miss Hornung reports monthly meetings of her group, the major activity of which was a dinner at Lau Yee Chai for University students from the Episcopal Church. An effort was made to get in touch with students whose homes were on outlying islands, to see that they found a church home in Honolulu. Consideration was also given to an organization on the University campus, sending out a questionnaire as a prelude to any decision. Special notices were sent out about Convocation. The Chairman says she considers the year an experimental one, and hopes for more definite objectives for the year 1936.

COMMISSION NO. 3.

Deaconess Swinburne for her Young People's Work reports six meetings held during the year. A conference of Young People held January 18 at the home of Dr. Morgan was sponsored, when two delegates from each parish were selected by their rector. The subject discussed was the Place of Young People in the Parish Life. Forward Movement literature for Young People had been ordered and other literature suitable for the work of youths from 14 to 24 years of age was ordered and examined. A questionnaire had been sent out to all rectors asking how many individuals in their parish were between the ages of 14 and 24. About 75% answered, most of them stating that they did not know, as no records had been kept.

COMMISSION NO. 4.

The Commission on Church School Work, headed by Canon Kieb for Father Bray, reports a most sympathetic and understanding cooperation with the Board of Week Day Religious Education which is sponsored by the Inter-Church Federation. A survey of the public schools of Honolulu was made. Seven schools had been visited and large numbers enrolled in the classes. At some schools classes are waiting to be organized, but there is no available person to take charge of the work. It is hoped by the commission to establish training classes for church school teachers

in the near future, whereby a complete working plan of religious education for children will be made.

COMMISSION NO. 5.

Mrs. Elva Oakes reports that on account of limited time she has only been able to work through her group of Oriental boys at Iolani School, teaching them "The Lord's Prayer," the "Creed," the "Benedictus" and the "Gloria," all of which they have memorized, so they are able to take part in Chapel services. She further says she never misses an opportunity to moralize on results of behavior in their lives as related to Christian living and illustrates with many examples the results of right or wrong doing.

It is most difficult to record the many activities which have contributed to the educational work of the diocese during the year. We have been favored by several visitors from the National Council of New York, each bringing their own message. Miss Leila Anderson inspired us with her youth and vigorous personality. Mrs. Harper Sibley, a woman of deep spirituality, with the gift of bringing the nearness of the Divine Presence to her listening audience, gave an address on "The Inescapable Task of the Church" at Pa Hauoli which will long be remembered by those fortunate enough to have heard it. Mr. Lewis B. Franklin who for past years has been only a photograph or an article in some church paper, to most churchmen in Hawaii, made a brief stop on his way back from the Orient, and came into a real living personage to us at a Staff meeting at the Bishop's home. Mr. Fleming of the National Council, whose home is in California, was also, with his wife and family, another visitor, visiting several of our missions as well as seeing the church work in Honolulu.

Many unusual services have been held during the year: the observance of the 400th anniversary of the printing of the Myles Coverdale Bible; the commemoration of the Founding of the Chinese Republic with all Chinese commercial, social and educational organizations invited to the Cathedral, at which Dr. Wing Tsit Chan, an exchange professor from Lingnan University, Canton, was the main speaker of the meeting; the special service for the officers and men of the United States Fleet on Rogation Sunday, with the Cathedral crowded to overflowing; the Florence Nightingale Memorial Service, when St. Barnabas Guild made a picturesque audience; the Boy Scout meeting held in the Cathedral; the sermons preached by Kagawa, the Japanese Christian leader, and many others.

During Lent the magnificent group of lectures presented by Mrs. Littell, under the auspices of the Educational Department on "Music of the Christian Church" were perhaps the most beautiful of their kind ever given in Honolulu. The Tenney Memorial Hall was filled each Friday morning by audiences who sat in rapt attention. Father Bray gave a series of five addresses at Pa Hauoli during the latter part of March and in April, with excellent audiences attending. Father Bray also gave six Wednesday evening lectures at St. Clement's during Lent on "The Incarnation," which were much enjoyed. Canon James F. Kieb gave an illustrated lecture on St. John the Divine at the Honolulu Art Academy in March, sponsored by the Educational Department.

The Cathedral Round Table Group met at the Bishop's home each Wednesday during Lent for the purpose of studying and discussing vital religious topics.

Great interest has been shown in the Forward Movement Commission which calls for the rededication of all churchmen to Jesus Christ, their Lord and Master. The Forward Movement literature is being used daily by a large number of people. It is refreshing to read that the National Commission on Young People's Work endorses and undertakes its part in this newer type of work.

The beauty of the creches, pageants, and services celebrating Holy Christmas-tide was spoken of by many this year. It was all deeply impressive, showing that much thought was being given to that church celebration.

In ending I wish to thank a sympathetic and understanding Diocesan Board, and a church group which makes working for them, and with them a pleasure, and I desire to express my deep appreciation for them.

Respectfully submitted,
Genevra E. Coombs.

REPORT OF THE UNITED THANK OFFERING SECRETARY

As your United Thank Offering Secretary looks upon the results of the past year, I feel that we can be truly thankful for many things. As we enter this second year of the present triennium, I believe we are doing so with a greater sense of responsibility and a broader vision of what the offering really means. This has come about through our thought and interest in the individual, not only in those who, through the years since 1889, have built the United Thank Offering on such a sure foundation as to reach its present standard, but in the worker, our steward, who today serves, where we may follow only in prayer and in our interest in her behalf, as she goes forth to labor in our stead.

Our means for keeping the women of the diocese informed have been largely the same as in past years, namely the distribution of Blue Boxes and of Literature. Talks have been given at the meetings of the various Branches on Oahu. We are suggesting the pamphlet, "A Record and A Hope," as the best one of the year. It is complete in the information it gives regarding the United Thank Offering, telling how it began, how it has grown through the years and for what each Triennial Offering has been used. It also gives a list of United Thank Offering workers and their location.

In October of 1935, Questionnaires were sent to each Parish President. The object of these was primarily to find out if possible;

1. How many Blue Boxes were in use among Guild and Auxiliary members,
2. Whether Blue Boxes were being used by church women, not members of Guild or Auxiliary,
3. How much the idea of the United Thank Offering was being forwarded through talks, meditations and the use of United Thank Offering literature, and how widely the "Spirit of Missions" was being used by the women of the diocese.

Since only 10 Branches replied, we must base our results on these as follows:

Approximately 490 women in these 10 Parishes and Missions	
235	" members of Guild and Auxiliaries
270	" using Blue Boxes.

In 8 out of 10 Branches, boxes are being used by Guild and Auxiliary members only.

Literature on The United Thank Offering is being used by 5 Branches. About 25 are subscribers to the "Spirit of Missions."

I would like to make the following suggestions:

1. Let us first of all think more seriously about the United Thank Offering. Understand the purpose for which the money is used and how it is distributed before using a Blue Box.

Plan a Quiet Hour as often as you think suitable in your respective locations, using special prayers for the United Thank Offering and the workers.

When the collections are made, in April and September, arrange with your priest for a little service of Presentation. Remember this offering is one of prayer and thanksgiving and is therefore different from any other.

2. Aim to secure the best possible people for Custodians of the Offering. As such, we must have a very sincere interest and understanding of the Offering and what our duty as Custodian really is.
3. I recommend, where there are young people's groups, an Assistant Custodian. These young people are going to take our places. How can we expect them to pick up the thread where we lay it down, if they are not aware of what we are doing.
4. Especially important is the visit of the Custodian among church women who are ill, or among those who, for some reason have dropped active church work or church attendance. Then there is the business woman, whose time does not permit attendance at meetings or membership in church organizations. This group might be most happy to have the opportunity of using the Blue Box as a means of expressing her thanksgiving for the blessings of her daily life.

Here on Oahu, we have a field for work among service women who are not giving through any Parish. This Service Committee is a new idea and represents wives of the Army, Navy, Marine Corps Officers and men. The Custodian for this Service Committee is Mrs. Roswell Blair, 323 Euclid Ave., Long Beach, Cal. The offerings are sent to her for any of the above mentioned groups who are *not* giving through a parish. We need a Custodian for such a Committee here in Honolulu and your Secretary will be glad to have the name of any service woman who will be willing to carry on the work here in these islands.

Our total offering for 1935, amounts to \$650.45. For 1932, the corresponding year of the last triennium, the total offering amounted to \$490.66. Each Branch has done well this past year and I wish to commend your endeavors, but we never do so well that we cannot do just a little better.

It is not customary to mention amounts given by individual branches except in the Treasurer's report but this past year there has been such exceptional growth in one Branch that I mention it as an example of what *can* be done *if* we *try*.

St. Peter's Church, Honolulu;

1934 United Thank Offering \$ 92.81 the gifts of 97 women.

1935 United Thank Offering 135.52 the gifts of 119 women.

The amount for 1935 is more than 100% increase over 1934.

What Branch can improve upon that record for 1936?

In closing, I want to express my appreciation to every one who has had a part in this offering during the past year. To each Custodian, my grateful thanks for your efforts, and a prayer that you will labor with greater zeal "to hold the United Thank Offering before the women of the Church" to tell them of its purpose and help them to better understand what it means. I also wish to thank Father Mark of St. Peter's Church for his kindness in mimeographing questionnaires.

A goodly part of our strength in whatever we do, lies in what we keep of the past to take with us across the threshold of the future. And so, I ask you to hold fast to that which we know to be right and carry with us the riches of Faith, Prayer and Thankfulness. Let us count our blessings so that we may better deserve the love of God. Remember to have a deep gratitude for those blessings heretofore taken for granted. None of us know what lies just ahead, but we *do* know what blessings *have* been ours and if we can carry the riches of such wealth in our hearts, we can be sure that the year ahead will be a successful and happy one.

Respectfully submitted,

Kathryn J. Plum.

REPORT OF THE CHRISTMAS CHEER FUND

The Committee for the Christmas Cheer Fund for Missions submits the following report for 1935:

We sent out two hundred and twenty-five (225) letters

We received sixty (60) replies, four of them from Church Organizations and one from a Trust Fund.

We received \$537.00 and disbursed the same amount.

As Chairman of this Committee, I feel that we were perhaps too late in sending out our appeal, though there were so many other campaigns in progress at the time that it seemed wise to wait for a clear field and a feeling of Christmas in the air. However, though we went over the top, results proved that an earlier plea would have been better, in that money was received too late for full disbursement before Christmas and confusion caused by the delay, not only to the Treasurer but to several of the Missions as well.

Our Committee recommends, therefore:

1. That letters be sent out at an earlier date;
2. That some sort of educational program be used in the Church organizations as to the use of the Christmas Cheer Fund;
3. That a new list of Church people be compiled;
4. That the Chronicle give space either in October or November to the object of the Fund, its necessity and its touch with the Missionary enterprise of the Church through the Islands.

Respectfully submitted,

Jane C. Hemenway,

Chairman of the Christmas Cheer
Fund for Missions.

REPORT OF THE DISTRICT ALTAR SECRETARY

The District Altar Guild has seven members. Those who can do so meet on Wednesday afternoons. Several members who are unable to attend our regular meetings made purificators and corporals at home.

Visits have been made to several missions and at Holy Trinity an Altar Guild of five members has been started. These women are fortunate now to have Sister Katharine Helen's supervision. At their regular monthly meetings she gives most interesting and instructive talks.

Now that the Guild meetings have been changed to Wednesday afternoon, more members are able to come and we earnestly hope to increase our regular attendance.

Sister Katharine Helen is with us once more and has offered to give us her most interesting course of lectures on "The History, Usage, and Care of Church Furnishings and Vestments." We hope that the parish altar guilds will take this opportunity of meeting with us regularly once a week, that we may all profit by her instructions.

Plans have been made to organize an Altar Guild at Schofield Barracks.

The Guild is indebted to Bishop Littell for his gift of two albs and two chasubles which had been his brother's. One alb and one chasuble have been kept as patterns and the others given where they were needed.

Mrs. Restarick's gift of three pairs of fine linen sleeves, formerly Bishop Restarick's, was sent to Bishop Mitchell of Phoenix, Arizona.

We are grateful to Mrs. Marx and other friends for their donation of white and colored linen, for a small loom on which we hope to make fringe, and for their continued interest and encouragement, without which it is doubtful if we could continue.

Mrs. Carter, before her departure last May, gave us a gift of ten dollars to defray small current expenses.

The following articles have been completed this year:

1 Alb	2 Burses
1 Stole	2 Veils
18 Cassocks	8 Sheer Linen Collars
3 Surplices	4 Lavabo Towels
4 Chasubles	3 Corporals
3 Fair Linens	24 Purificators
8 Credence Covers	2 Amices

A great deal of work has been done in repairing and remaking of vestments and altar hangings.

Respectfully submitted:

Sarah S. Chamberlin,
District Altar Secretary

REPORT OF THE CHURCH PERIODICAL CLUB

The Church Periodical Club is a national organization formed for the purpose of supplying reading matter to the clergy and missionaries, and utilizing to the best advantage books and magazines that have been read and that may be passed on to others to read and enjoy.

Our income is derived from three sources; dues contributed by the various Guilds and Auxiliaries; proceeds earned by the Club through sending in individual subscriptions for magazines; and from gifts from interested donors. Let us put on record here our sincere appreciation and thanks for such gifts, without which we would be unable to carry on the work.

The C.P.C. is accredited agent for magazine subscriptions, and assures you first class service. We give all club and combination rates offered anywhere, and pay the exchange. It costs no more to order your magazines through us than to order them direct, and we guarantee that you receive every magazine you pay for. We are grateful to our present customers and welcome new ones.

We have this year given but forty-seven subscriptions as against fifty-six last year, owing to lack of funds.

Over 9,000 used magazines have been collected and distributed, besides many that have not been reported to the Club. Mrs. John Miller and Mrs. John Clarke, St. Andrew's, Mrs. Caroline Miller assisted by her daughter Mrs. James Crockett, representing St. Clement's, Mrs. Taylor and Mrs. Lee, Epiphany, have done splendid work in collecting these magazines. They have been distributed to hospitals, soldiers' and sailors' reading rooms, girls' and boys' clubs, schools, missions, and to individuals.

150 books have been placed in schools and mission libraries.

Christmas and Easter cards have been given to invalid children, sheet music, playing cards, games and puzzles have been passed on to reading rooms and clubs as they have been given us.

REPORT OF THE DEVOTIONAL COMMITTEE

The work of a Devotional Committee cannot be reported on, in detail, as can other committees. We can only tell of our aims, the plans used, and our hopes for the future.

The aim has been summed up in the Intention for our Corporate Communion today: "The deepening and strengthening of the spiritual life of the Woman's Auxiliary." The spiritual life has been deep and has

been strong in the past, but we must grow every year until every woman of every branch is filled with the Holy Spirit; until, when we come together each woman feels that every other woman has been with JESUS, and that He shines out in every life. Then there will be no room for criticism, then we shall strive to see only the best in each member, then prayer will come first, and giving and work will fall into their proper places.

The Prayer Partnership has been an important part of this year's endeavor. Most of the branches have chosen a prayer partner—a missionary for whom they definitely pray. They tell their prayer partner of their interest in him or her and ask that the partner pray also for them. For instance: St. Andrew's has Capt. Hamilton. He knows that we care particularly for his work and his life. He knows that we pray for his needs at each meeting and are deeply interested in all that he does. It is a wonderful thing to feel that people are definitely praying for you! We know that he too prays for us in our branch. It is a very precious bond. We very much hope that all the island branches will be interested in the Prayer Partnership and will speak to me about it.

Last Lent we used the Radio for fifteen minutes every week to broadcast some message of the Lenten Season; we also co-operated with "The World's Day of Prayer." There was a quiet day of prayer all through the Church, on November eleventh, for which Mrs. Harrison made the arrangements for this District.

The plan is to have every parish and mission auxiliary visited by the Chairman of the Devotional Committee. I have had the pleasure of speaking at the Kaimuki branch on "The devotional side of the Woman's Auxiliary," and have already made arrangements to speak at other branches. I have twice opened the auxiliary meetings of St. Andrew's branch, and twice the meetings of the Executive Committee. Tell me when you will have me come to your branch and what subject you would like to have me speak about. I want very much to visit each branch.

Would you like a little talk on altar work, or a quiet hour, the ideals of a sisterhood, or the training and life of a deaconess, a rule of life, or something of the Oxford Group? Any question that has to do with a woman's religious life is a help towards the religious life of the Auxiliary.

This you see is not as much a report as it is a request for you to invite me to your meetings, to open them or to help you in any way that I can. I should be glad to look up any point that you may suggest that I do not know about, or to find out about any religious subject in which you are interested as a group.

Let us plan to have a shining year, testing our lives by Christ's Life, doing the work which He gives us to do, in the joy of complete consecration.

Respectfully submitted,
Helen Fessenden Smith,
Chairman, Devotional Committee
(Including Prayer Partnership)

REPORT OF THE CORRESPONDING SECRETARY

I beg to submit the following summary of reports received from the various Branches of the Woman's Auxiliary in Hawaii:

ALL SAINTS', KAPAA, KAUAI. The members of this Branch have been very active the past year. Twelve layettes were made by them and given to the Welfare Nurses of Kauai; Easter and Christmas parties were given for the 300 children of the All Saints' Church Schools, and

a rummage sale was held. For several years the Guild has had a Magazine Agency and its business is increasing steadily. The Holiday Shop kept open from October first until December twenty-fourth, the members taking turns "keeping shop." This is its second year and the Shop furnishes not only gifts for the people of Kauai but also a profit and very hard work for the members. Many needs are met by the Guild including a daily Kindergarten.

CHRIST CHURCH, KEALAKEKUA, HAWAII. Christ Church Guild and Auxiliary held 18 meetings during the year with an average attendance of 14 out of the 38 enrolled. Two enjoyable receptions were held, one to welcome Rev. and Mrs. Hann and one to welcome the new teachers coming into the district. The Educational Committee sponsored talks on the Opera, the missionary work in the Marshall Islands and the Life and Work of Dr. Kagawa and the Devotional Committee has been active. In the fall the annual sale of work was held, the proceeds of which go towards helping Christ Church Vestry meet its Budget and for purchasing necessary sewing supplies.

EPIPHANY, HONOLULU. Monthly meetings were held at the homes of the members with an average attendance of 10 at which guest speakers gave interesting talks. The uniting of the altar guild and the auxiliary, and the addition of six new members, resulted in an increase of membership from 17 to 32. During the year a legacy of \$800.00 was received from the late Mrs. King which was applied on the debt on the Rectory. A rummage sale, bridge party, garden party, food sale and birthday offering provided funds for paying the diocesan and parish obligations. The President feels that special progress has been made towards a more devotional and spiritual understanding of all that the Auxiliary signifies.

GOOD SAMARITAN, HONOLULU. This Branch has chosen Miss McGill of Kusatsu, Japan, as a prayer partner. During the year the members held a rummage sale and from the proceeds they were able to screen off part of the porch of the Mission Building, making a room in which guests can be received. This additional room was very much needed as the Mission building is the home of the Priest and his family of five as well as of the kindergarten and the Church.

HOLY INNOCENTS', LAHAINA. No report received.

HOLY TRINITY, HONOLULU. This Branch meets once a month at the home of the Rev. Fukao for Bible study, sewing and business. A rummage sale was held in December. They report many intentions and desires for the coming year and are hoping for a good and encouraging report next year.

GOOD SHEPHERD, WAILUKU, MAUI. The serious illness of the President's husband made it practically impossible for her to carry on as President and in November her resignation was regretfully accepted. In spite of this handicap all obligations to the diocesan budget and to their own mission were paid. The visit of Dr. Franklin was greatly enjoyed.

IOLANI, HONOLULU. The President reports a very active and successful year. A gift of \$1,000.00 from the late Mrs. Caroline Clarke O'Neill has added that amount to their scholarship Trust Fund which now provides an income of \$150.00 a year for the support of a student at one of our Church Schools. This Fund is added to each year by the proceeds from their annual bridge party. In spite of the fact that their pledge to the Vestry was raised from \$240.00 to \$500.00 annually they have been able to meet all pledges and other obligations. The President reports splendid support and encouragement from her fellow officers and committee members.

KAIULANI, KAHALUU, OAHU. The President reports donations to the Shingle Memorial Hospital on Molokai and Sunday School supplies to Mr. Otani, payment of assessments and pledges and the purchase of dishes, glasses and flatware for the use of the Mission. Capt. Roberts has been chosen as their special Prayer Partner and they are also remembering Mr. Otani and the Rev. and Mrs. Henshaw. Kaiulani Auxiliary intends to follow as far as possible Father Henshaw's last instructions before he left for his new field, to "Keep on keeping on" and are determined to carry on the work he started in God's name.

KAPIOLANI, HOOLEHUA, MOLOKAI. This Branch reports that it has held only two meetings during the past year but it has great hopes of doing better this year. A request for 15 blue boxes looks as though the new faithful women on Molokai were planning to increase their United Thank Offering.

KEKAHA, KAUAI. This Branch has 16 willing and eager workers and a few friends who come quite often to the meetings which are held at the home of the Rev. and Mrs. Martin every month and weekly during Lent. A large Hawaiian quilt was made and sold and they are now working on similar ones for twin beds which will be ready for sale soon. Another money raising effort was a sort of traveling rummage sale, several of the members taking the articles of clothing to the various Plantation camps and selling them there. The visit of the diocesan President was most helpful.

PAPAALOA. Nine meetings were held during the year with an average attendance of 6. The receipts amounted to \$251.20, the main money making effort being the annual rummage sale. From the membership of 7, the sum of \$62.40 was given to the United Thank Offering this year, assessments and pledges were paid, donations for poor children at the Hilo Hospital and Paaulo Home and special Christmas gifts were made. The talk and visit of Mrs. Henshaw in the Fall was much enjoyed.

ST. ANDREW'S, HONOLULU. A busy and successful year is reported by the President. Financially they were able to contribute nearly \$1,000.00 to missionary, community and charitable projects aside from their regular parish work. Encouraging signs are a slight increase in membership among the younger women, good attendance at the Lenten sewing meetings, at the Quiet Day for Prayer on November 11 and most interesting educational programs at the regular monthly meetings and the Friendly Friday gatherings.

ST. ANDREW'S PRIORY, HONOLULU. This Branch holds weekly meetings, three meetings each month being devoted to guest speakers, who may be missionaries passing through Honolulu, local priests or Church workers, while the fourth week is given up to business. All pledges made at last Convocation as well as assessments for the diocesan Woman's Auxiliary budget have been met by money raised by selling candied apples, fudge, etc. At Christmas time \$15.00 was given toward the work of one of our local missions and "Sunshine bags" were given to the sick at Leahi Home. The proceeds of the Silver Tea on Woman's Auxiliary day are devoted to the Lenten offering of the Priory.

ST. AUGUSTINE'S, KOHALA, HAWAII. During Lent each of the ten members made at least one child's garment. These articles were given to the Board of Health nurse, who is a member of the Auxiliary. The visit of Bishop and Mrs. Littell in May and the Rev. and Mrs. Henshaw in September were much enjoyed. Miss Bessie B. Blacknall at Nenana, Alaska has been chosen as prayer partner. Three rummage and one delicatessen sale were held to raise funds for pledges and assessments.

ST. CLEMENT'S, HONOLULU. The President reports a busy year with ten regular meetings and a meeting of the sewing group each week until December 10th. She says that this faithful band is always ready at a moment's notice to turn to any task and the amount of work they turn out in the way of children's clothes is quite remarkable and provides the source of a goodly portion of the Guild's income. The yearly box sent to St. Mark's Mission, Nenana, Alaska was conservatively valued at \$100.00, the sewing on the Tuesdays in Lent was for a needy family. A luncheon was provided for the Confirmation Class, their friends and parents, a supper party for the Church School and families at Christmas and a farewell tea was given to the Rev. and Mrs. Henshaw. Interesting and educational talks were given at the regular meetings. Contributions to objects and projects outside of the Parish itself, amounted to \$650.00, which is just half the amount expended during the year.

ST. ELIZABETH'S, HONOLULU. No report received.

ST. ELIZABETH'S JUNIORS, HONOLULU. No report received.

ST. JAMES', HILO. This Branch has been handicapped by a depletion in membership due to resignations, illness and lengthy vacation trips. In June a card party was given at which \$74.50 was cleared which helped materially in balancing the Budget. A series of talks by the Rev. H. H. Corey on Church Customs and Ritual will be continued this year.

ST. LUKE'S, HONOLULU. No report received.

ST. MARK'S, HONOLULU. No report received.

ST. PETER'S, HONOLULU. This wideawake and alive Branch reports a membership of 60. They have fulfilled all assessments and voluntary pledges, have contributed \$472.17 towards their Mission's quota for the apportionment, \$47.00 towards the Shensi Bishopric Endowment Fund and have increased their offerings to the United Thank Offering 100% over 1934. They have a record to be proud of this year in regard to the U.T.O. as every woman in the Church has given toward it!

ST. PETER'S JUNIORS, HONOLULU. This Branch reports a very enjoyable year, "working together in the service of God." From the list of things accomplished it must have been a busy one, including an Easter breakfast, taking charge of the church decorations for all special services, a monthly floral offering, the formation of an altar guild under the experienced guidance of Deaconess Smith and the adoption of the Prayer Partnership Plan with Bishop Lindel T'sen as their prayer partner, as well as the payment of all assessments and pledges.

ST. STEPHEN'S, WAIALUA, OAHU. Meetings were held once a month from June to September, every week during Lent and twice a month from October to December with an average attendance of 6. Pledges made at the diocesan annual meeting last year amounting to \$75.00 and assessments of \$11.00 have been paid from funds raised by rummage sales and a pie sale. Readings on Church history during Lent, a talk by Miss Leila Anderson with discussion and a visit from the diocesan President were some of the events of the year.

Respectfully submitted,
Corresponding Secretary.

REPORT ON THE BOOK OF REMEMBRANCE

In this Book are written the names of those women who have been in their lives on earth "Pillars of the Church in earnest worship and service." This beautiful Book, a real work of Art, was provided for by Birthday Offerings and donations of jewelry from a few women six years ago. During the year past, the Woman's Auxiliary Committee has approved the addition of nine new names of Church Workers, who have passed to their rest. Accompanying the Book of Remembrance is a permanent "Book of Archives," into which details about the life and work of all the deceased have been entered, thanks to the kind voluntary help of Mrs. Aitken, Secretary to Bishop Littell.

Mrs. James Morgan has also finished her work of illuminating the Book of Remembrance and writing all names into it in block letters. The Book is on view today and will be kept in an air-tight safe, anchored in the Cathedral.

We must realize that in connection with this Book is a Memorial Fund (now amounting to \$108.07), the interest from which will be devoted to training Missionary Workers for this Diocese. Those wishing to commemorate the birthdays or other dates connected with their dear ones can at any time send their contributions of money, or of gold and silver trinkets, to Mrs. W. A. Wall. It is hoped that the goal of \$5,000.00 in this Memorial Fund may be reached by 1940.

Respectfully submitted,
M. E. Staley, M.D.
Secretary and Historian.

REPORT OF ST. BARNABAS GUILD FOR NURSES

The Guild of St. Barnabas for Nurses held nine meetings during the year 1935. Six of these were business and three were social. Of the last named, two were held at the home of Bishop and Mrs. McKim and the third at the home of Bishop and Mrs. Littell.

On December 31, 1935, the Guild membership was twenty. Of this number fourteen were regular members and six were associates. Two regular members were acquired during the year.

The Guild's activities in the past year were: sending of flowers to sick nurses, a contribution of \$5.00 to the salary of Miss Hicks in Puerto Rico, and the impressive Florence Nightingale service which was held with the cooperation of the Nurses's Association in the Cathedral in May.

In closing, may I express the Guild's appreciation to those who have so delightfully entertained us this past year, also to Dean Ault and Deaconess Smith who have given us much valuable assistance.

May I remind you that the Guild has an associate membership that is open to those who are not nurses. Do inquire about the membership from Deaconess Smith. We would be very happy to have any one of you as an associate member.

Respectfully submitted,
Albertine T. Sinclair,
President, St. Barnabas Guild.

CONSTITUTION

Article I

This Society shall be called, THE HONOLULU BRANCH OF THE WOMAN'S AUXILIARY TO THE NATIONAL COUNCIL.

Article II

The object of the Society is: By systematic and united effort to diffuse Missionary intelligence, to increase Missionary activity, to promote the study of Missions, and to encourage prayer for Missions among the women of the Missionary District.

Article III

The Church itself is the great Missionary Society, therefore all Baptized women in this District who desire it, and who work for Missions in connection with their parochial organizations, shall be regarded as members of this Woman's Auxiliary, but terms of membership in any Branch may be fixed by that Branch.

Article IV

All Parish and Mission societies of women that so desire, may become branches of this Auxiliary by first obtaining the consent of the Rector or Clergyman in charge, and notifying the President of their intention to work in unison with the Auxiliary.

Article V

The officers shall be: A President, whose term of office shall be three years, and who may be reappointed at the discretion of the Bishop; a First Vice-President, a Second Vice-President and a Third Vice-President. There shall be a Recording Secretary, a Corresponding Secretary, a Treasurer, a Directress of the Altar Department, an Educational Secretary, a Secretary of the Church Periodical Club, a Secretary of the United Thank Offering, a Supply Secretary, and an Assistant Supply Secretary. All of these officers shall be appointed by the Bishop at the annual meeting.

Article VI

The officers of the District Branch and the Presidents of the Parish Branches, or some one appointed by them, shall constitute the Executive Board, which shall have general charge of the work under the direction of the Bishop.

Article VII

The annual meeting shall be held at the time of the Convocation of the Missionary District, and other meetings on such dates and in such places as the President may appoint.

Article VIII

The representatives of five Branches shall constitute a quorum.

Article IX

This Constitution may be amended at any annual meeting, by vote of two-thirds of the Branches represented.

BY-LAWS

1. The duty of the President shall be to call meetings of the Woman's Auxiliary and the Executive Board and to preside over the same. It shall be her duty to correspond with the Executive Secretary of the Auxiliary, and to see that all new officers are informed of their specific duties.
2. The duty of the Recording Secretary shall be to keep a record of proceedings, and to prepare an abstract of the minutes for the annual report.
3. The duty of the Corresponding Secretary, under the direction of the President, shall be to give notice of all meetings, to correspond with the various Branches of the District, to collect the reports of the various Secretaries, to prepare an annual report, and to issue and distribute the same.
4. The duty of the Supply Secretary shall be to furnish each Branch with work, and to keep a record of the number and the value of Boxes sent. She shall also present a report at the annual meeting.
5. The Treasurer shall have the custody of all moneys received by the District Branch and shall collect, if necessary, all sums payable to the same, in pledges made. She shall pay out money on the order of the President, and the Recording Secretary, except such sums as may be received for a definite purpose, which sums she may dispose of without formal direction. All moneys received for purposes outside of the District shall be forwarded to treasurers empowered to receive the same.
6. The Directress of the Altar Department, the Educational Secretary, the Secretary of the Church Periodical Club, and the Secretary of the United Thank Offering shall superintend, foster, and develop by correspondence and otherwise, their several departments on consultation with Diocesan officers.
7. It shall be the duty of the President, or of some person appointed by her to visit, if possible, each Branch in order to promote the interest of the work.
8. It shall be the duty of the Branch, before it discontinues a pledge, which has been made for salary or interest, and which continues year by year, to give a year's notice of its purpose at the annual meeting.
9. Each Branch shall pay yearly to the District Expense Fund such sums as it shall be assessed therefor by the Executive Board. Such payment shall entitle it to seat its delegates and to vote.
10. Each Branch shall pay yearly to the District Altar Fund at least one dollar from the Woman's and fifty cents from the Junior Auxiliary.
11. Each Branch is entitled to seven delegates. If it is impractical to get women as delegates who live in the parish or mission, it is permissible for each Branch to appoint delegates who are residents of Honolulu. If a Branch fails to appoint delegates one week before Convocation, they shall be appointed by the President and Corresponding Secretary.
12. The Secretary and Treasurer of each Branch, through its President, shall make yearly reports to the Corresponding Secretary and Treasurer of the District Branch, of all work done and money given to Missions within and without this Missionary District, and the value of boxes sent.
13. The year of the Woman's Auxiliary shall end on December 31st, of each year, the date on which the Parish and Convocational year ends, and all Auxiliary reports shall be made up to that date.
14. These By-Laws may be altered or amended by a majority vote at each annual meeting.
