**ANNUAL REPORT**  
**OF THE RECORDING SECRETARY OF THE DIOCESE OF**  
**KANSAS CITY BRANCH OF THE WOMAN'S**  
**AUXILIARY TO THE BOARD**  
**OF MISSIONS.**

To the Rt. Rev. Sidney C. Partridge, Bishop of the Diocese of  
Kansas City, and Women of the Auxiliary:

I herewith present my annual report of the work done by the officers and parish branches of the Woman's Auxiliary of the Diocese of Kansas City, during the year of 1912-1913.

The three regular meetings have been held, with an increased attendance. The meeting in January was held in connection with the Institute, which was under the leadership of Miss Julia C. Emery and Miss Grace Lindley, who came to us from the Church Mission House of New York City. Delegates of earnest women came from various parts of the Seventh District to attend these splendid classes, and we of the Diocese of Kansas City feel more than repaid for our efforts in holding an Institute.

During the year our Bishop has organized a diocesan society of women who will in the future handle all money or pledges made to the Diocesan Missions.

We have created five new scholarships during the year, namely: The Everett Woodstock scholarship, the Mary Bowen scholarship, both gifts of our president, one in memory of her beloved husband and the other in memory of her mother; the Mary Whiting Atwill memorial, the W. B. Clarke scholarship and the Louise W. Musson scholarship.

The resignation of Miss Mary Bryan as the president of our Juniors was accepted with sincere regret. The newly appointed president, Mrs. Luther E. Reid of St. Joseph, comes to us with highest praises for her interest and knowledge of Junior work.

The apparent increase in the year's work of the Woman's Auxiliary must have come to us through our earnest prayers and inspiration that was given to us during our three days' instruction of the Institute. May our prayers continue, may our Heavenly Father guide us to an earnest and helpful year that is to come.

Respectfully submitted,

FANNIE H. S. MALONEY.

## ANNUAL REPORT OF TRAVELING SECRETARY

### WOMAN'S AUXILIARY, DIOCESE OF KANSAS CITY.

From May 16, 1912, to May 15, 1913.

Letters written, 69; letters received, 34. Visits made to St. Oswald, Brookfield, Chillicothe; St. Luke's and Holy Trinity, St. Joseph; West Plains, Springfield, Monett, Joplin and Webb City. There is no one who regrets the little work done the past year as the Traveling Secretary, but circumstances over which she had no control prevented the doing. It is such important work, for by the visits made the work of the Woman's Auxiliary is made known, and oftentimes it is the only way the faithful women in the Diocese get in touch with one another. I am sure we are all hoping and praying for a good, efficient officer to take up this work according to the plan made in our constitution, article 4.

Respectfully submitted,

M. E. TURNER,  
Traveling Secretary.

## REPORT OF VICE-PRESIDENT

In Charge of the Junior Department,  
For the Year Ending May 15, 1913.

|                      |     |                       |     |
|----------------------|-----|-----------------------|-----|
| Letters written..... | 283 | Letters received..... | 228 |
| Cards written.....   | 66  | Cards received.....   | 25  |

I have corresponded with the Junior Branches regarding the year's study, the "Easter Gift," the "Union Box," a "Membership Campaign," the "United Offering," the "Circulating Library," etc., and with various parishes regarding the further organization of the work.

There are three new Junior Branches this year, in Kansas City, St. John's "Preparatory Study Class to the Woman's Auxiliary," and St. George's Section Two, and in St. Joseph, Holy Trinity Juniors have been re-organized. We have two branches of older Juniors in Kansas City, at St. George's and at St. John's, and there was a study class for older girls at St. Paul's during Lent. There are two branches of the "Brotherhood of St. Paul" in the Diocese, at St. Paul's, Kansas City, and at Christ Church, St. Joseph.

The new feature of our year's work is the beginning of a "Circulating Library" for the use of clergy in isolated places, who have not the advantages of public or other libraries.

Study in the Junior Branches has been further developed than in any preceding year, with the inspiration and instruction gained from the Mission Study Institute, in January. Practically all of the branches have had some study of Japan.

The aims for the work this year have been :

First, our slogan, to General Missions our first and largest gift.

Second, to be more and more dutiful about our intercessions.

Third, to make this year "Japan Year."

Fourth, for each branch to take the "Spirit of Missions."

And on the organization side of the work our ideal is, every child in every parish a member of the Junior Auxiliary, or of the "Brotherhood of St. Paul," and in every parish a branch of the older girls who will be "graduated" into the Woman's Auxiliary.

Respectfully submitted,

MARY BRYAN.
