

The  
Woman's Auxiliary  
to  
The National Council

Diocese of Louisiana

Year Book 1932

## FOREWORD

In 1872 the Woman's Auxiliary to the Board of Missions was created. In 1919, it was made Auxiliary to the National Council, thereby enlarging its work to include Religious Education and Social Service as well as Missions. Today, it offers a challenge to every woman of the Church. We face many problems: Religious Uncertainty, World Peace, Race Relations, Economic Unrest, and Changing Standards of Family Life.

The Woman's Auxiliary needs spiritual strength, accurate information and consecrated service if she is to help the world solve its problems.

#### THE PRAYER FOR THE WOMAN'S AUXILIARY

**A**LMIGHTY GOD, our heavenly Father, bless, we pray Thee, our work for the extension of Thy kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Saviour and their King: through the same Jesus Christ our Lord, Amen.

#### THE PRAYER FOR THE UNITED THANK OFFERING

**O** LORD, our heavenly Father, we pray Thee to send forth more labourers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom through Jesus Christ our Lord. Amen.

#### MIDDAY PRAYER FOR MISSIONS

**B**LESSED SAVIOUR, who at this hour didst hang upon the Cross, stretching forth Thy loving arms; grant that all mankind may look unto Thee, and be saved; through Thy mercies and merits, who livest and reignest with the Father and the Holy Ghost, ever One God, world without end. Amen.

**The Department of Religious Education**—Mrs. Fagan Cox, Monroe, La., Secretary.

The larger aspects of Religious Education call for a continual growth in

1.—Knowledge of God and His Purpose:

2.—Capacity of inner life and Christlike conduct;

Therefore it is the purpose of the program of Religious Education to afford women an opportunity to share in these experiences.

The Department of Religious Education has a splendid program to offer the women of the Auxiliary this year. At the Triennial meeting in Denver, five subjects which have a definite relation to the work of the National Council in all its departments, and are of special help to the missionary work of the Church, were studied and discussed.

Each of these five subjects—Family Life—Property and Economic Conditions—Interracial Contacts—International Relations—and Religious Thinking of Today were presented in a splendid address by someone most familiar with the subject. These addresses, as well as the report of the Committee on Findings, have been published and sent to the Woman's Auxiliary Branches with the hope that they will be used to build their program of study and work. These, with the Spirit of Missions and the Diocesan paper and the book

to be used for this year's study, "Building a Christian Nation", are full of suggestions and knowledge that will help us to realize our responsibilities as Christian women, to help make America God-Conscious.

The Secretary will give helpful suggestions and supply materials for,

- Devotional and special services,
- Monthly programs,
- Discussion groups
- Special meetings.

**The Department of Christian Social Service**—Mrs. William Lamb, 4433 S. Johnson St., New Orleans, La., Secretary

This department of the Woman's Auxiliary offers no general program of activity since the needs and opportunities vary so greatly in different localities.

The secretary suggests that each Branch of the Auxiliary make a careful study of local conditions, and then decide upon a definite program for this year, being very particular not to duplicate work already being done and co-operating as far as possible with the recognized agencies at work in the community.

In addition to any special program of social service undertaken, the Auxiliary Branches in New Orleans co-operate in supporting by gifts and personal service the work of the City Missionary in the various institutions in which he ministers.

The secretary will be glad to help any individual Branch to plan a parish program of Christian Social Service. Write to her regarding your local conditions and give her a chance to help you.

**United Thank Offering**—Mrs. E. T. Merrick, Legonier, La., Custodian.

The United Thank Offering is not a pledge, but a personal gift, an opportunity for spiritual growth and expression of our thanks to God for His many blessings. This offering is gathered twice a year, about April 15th, and October 15th, and sent direct to the Custodian. It is presented every three years at the General Convention, the united gifts of thankfulness and life from the women of the Church to the womanhood of the world.

Let Joy be our inspiration for the gathering of our United Thank Offering; Joy for those who can give of their prayers, gifts and service; Joy to those whom we help in the Mission Fields at home and abroad; Joy in the gift of Life, the most wonderful gift of all.

**Box and Supply**—Mrs. D. I. Norwood, Bains, La., Secretary.

Certain Missions and their needs are assigned to our Diocese and it is the responsibility of the Diocesan Secretary to apportion this quota among the various branches in the Diocese. Before planning your box work, consult with your Diocesan Secretary, who will give all necessary information.

#### CHAIRMEN OF SPECIAL COMMITTEES

**Church's Program**—Mrs. Harold Sims, Thibodaux, La., Chairman.

This pledge known hitherto as the Field Department, is made to help raise the quota of our Diocese, and is always credited to the Parish or Mission from which it is secured. A large proportion is used to carry on the mission work in our own Diocese.

**Gaudet Industrial School**—Miss Rodney Kemp, 2020 Dublin St., New Orleans, La., Chairman.

This school is one of the group of schools for Negroes in the Southern States, which seeks to train Negroes for leadership in their own race. It is partially financed by the American Church Institute for Negroes, and this pledge helps to meet the Diocesan obligation for its maintenance.

**Bayou du Large Mission**—Mrs. E. L. Lashbrooke, Houma, La., Chairman.

This fund provides religious and educational training for illiterate and isolated white people in the marshes of Southern Louisiana. The Mission is largely maintained by the Woman's Auxiliary of the Diocese.

**Rural Work**—Mrs. Wm. Lamb, 4433 S. Johnson St., New Orleans, La., Chairman. Mrs. Crittenden, Mrs. John McBryde, Mrs. Albert Cooper.

This is a new undertaking which seeks to place in the hands of the Bishop a sum of money to meet special calls and needs in the rural districts.

**Davis Sessums Mem. Student Center, L. S. U.**—Mrs. W. C. Marshall, 905 Kingshighway, Shreveport, La., Chairman.

This fund helps to reduce the debt remaining on the Student Center, which is a complete Church unit, with a Student Pastor, who ministers to Church boys and girls at the Louisiana State University. Auxiliary women have been interested in this work from its inception five years ago, and have given generously to its support.

**Newcomb Student Center**—Mrs. Rollo Jarreau, 1034 Barrister St., Alexandria, La., Chairman.

This work is almost entirely dependent upon this pledge. The Student Center provides a club room and cares for the

### HOW TO BUILD A PROGRAM

A well rounded program will contain certain elements, the elements of worship, study, work and gifts.

There are four steps we should follow in planning our programs.

1st—Analyze

Study the needs of the Parish and community.

Cooperation with other Church organizations—

Work in Church School, Y.P.S.L., Social Service.

Study the needs in the mission fields.

Study the share the Church must take in meeting these needs.

Study the problems the world is facing.

2nd—Prepare

Work out a definite schedule of worship, study, work and gifts.

Variety and change in weekly and monthly devotions.

Participation in the greater devotional services,

Corporate Communion, Intercessions, etc.

Study classes.

Inlist interest of whole group, active cooperation of Rector. Canvas parish for new members, stimulate interest of old members, train young women in the work, make them feel their responsibility, our need of them.

3rd—Carry through

Careful preparation. Each meeting a complete unit, alert officers, short peppy program revolving about a central theme, devotionals leading up to report or presentation of subject. Budget and plan of financing, organization of all departments complete.

4th—Measure results

Take stock often

Check success or failure of program of work, of each department

Monthly remittances

Think always of the future
