will draw all men unto me."*

#### NOONDAY PRAYER

Blessed Saviour, who at this hour didst hang upon the Cross, stretching forth Thy loving arms; Grant that all mankind may look unto Thee, and be saved; through Thy mercies and merits, who livest and reignest with the Father and the Holy Ghost, ever One God, world without end. Amen.

#### WOMAN'S AUXILIARY PRAYER

Almighty God, our Heavenly Father, bless we pray Thee our work for the extension of Thy Kingdom, and make us so thankful for the precious gift of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their God and Saviour. We ask this for His dear sake. Amen.

#### UNITED THANK OFFERING PRAYER

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give as Thou hast given to them. Accept from thankful hearts our United Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

#### PRAYER WRITTEN BY THE BISHOP

##### FOR THE USE OF THE WOMEN OF THE DIOCESE

O Almighty God, who art the Guide and Support of those who serve Thee, give light to our path and strength to our hearts, we beseech Thee.

Amidst pressing duties keep our thoughts high and our faith serene; before difficult problems prompt us to turn to Thee for guidance; in disappointment or defeat enable us to face the future with cheer and courage; in success teach us to be grateful and humble.

Knit us together in bonds of spiritual unity, we pray Thee.

When our thoughts centre upon ourselves hold before us the vision of Thy great Church, the Saints, Martyrs, and Missionaries of old and of to-day. Recall to us the victories of faith and repeat again to us the promise of Thy Church Triumphant.

So we may work on confidently with Thee for the coming of Thy Kingdom: through Jesus Christ our Lord. Amen.

## SUGGESTIONS TO PARISH OFFICERS

---

1. The Chairmen of the committees on the different parts of the mission field ask the Parishes for opportunities to speak on the work they represent at parish or neighborhood meetings.

2. The Educational Department of the Church Service League includes in its program mission study classes and other forms of missionary education. Every parish should plan to carry out definitely some of the suggestions made to increase the knowledge of our missionary work. (See Church Service League Educational Bulletins.)

3. All money for Missions or for the Current Expenses should be sent to the Treasurer, Mrs. H. S. (Fanny) Macomber, Hotel Kempton, Boston. In sending money, please give name of Parish and name and address of the Parochial Treasurer.

4. All money for the United Thank Offering should be sent to the Diocesan United Thank Offering Treasurer.

A United Thank Offering Treasurer is desirable in every Parish. Speakers on the offering will be furnished gladly on application, and it is recommended that the subject be presented once every year.

THE FORTY-THIRD ANNUAL REPORT OF THE  
PRESIDENT OF THE MASSACHUSETTS BRANCH  
OF THE WOMAN'S AUXILIARY

---

YEAR — SEPTEMBER, 1919, TO JANUARY 1, 1921

---

DEAR FRIENDS AND FELLOW-WORKERS:

For the first time in our history, we are holding our annual meeting in January instead of November, in order that we may conform to the canons of the Church. The principal way in which the change affects us is that for this year the reports all cover a sixteen months' period of time, making comparisons with former years difficult.

Fortunately, however, no stimulus of this kind is necessary to arouse our loyalty and interest in the missionary work of the Church. In fact, it is not so much the record of work accomplished, as the table in the annual report will show, that impels me to make my report to you one of thanksgiving first and last, but rather the spirit which has marked the work of the women of the Diocese all through these past sixteen months. The devotion to the Master, and the desire to serve Him through His Church, the good-will, the patience, the effort to coöperate in new plans, and, last but not least, the lack of disgruntled criticism, in a time of change and rapid evolution, have all added tremendously to the strength of our work; and with real thanksgiving for the faith and the loyalty of our church women, we take courage and face the new year with high hopes.

During the past sixteen months, three members of the Board have resigned, — Mrs. Stall, Vice-President of the South Eastern District; Mrs. Lee, Vice-Chairman of the Domestic Committee, and Miss Freeman, Chairman of the Foreign Committee. All of these officers have served faithfully in the various departments to which they belonged, and it is with deep regret and appreciation of their devotion to the work that the Board announces these resignations.

Three new members have been welcomed by the Board, — Mrs. Albert Sylvester as Vice-President of the South Eastern District, Mrs. Nicholas P. T. Burke as Foreign Chairman, and Miss Alice Perkins as Assistant Secretary.

In opening this report, I spoke of the splendid spirit displayed throughout the Diocese the past year, and one of the best means of judging this is through the Diocesan and Parish

meetings. Beginning with our anniversary meeting at Trinity Church in November, and following through the district meetings, together with the regular Diocesan monthly meetings, all have had very large and representative attendance, and been marked by enthusiastic interest in the Mission of the Church. The same thing is true of parish meetings, where the speakers have observed a decided increase in the numbers attending and in the interest shown in missions. Not many years ago, an overcrowded missionary meeting was an exception, and to-day we have to warn the verger at the Cathedral to put every available seat into commission, and the remaining standing room scarcely accommodates those who fill this hall.

A Quiet Day was held in January, 1920, at the Church of the Advent, Boston, led by Dean Fosbrook. I wish to emphasize this particularly, because, in these busy times, of what seems to most of us revolution in the church's work, the one thing we must ever keep before us is that, without the constant reënforcement of the spiritual life, all of our efforts toward larger and more efficient service will be as nothing.

In view of what I have already said regarding the general spirit, it is not surprising that the record of the work accomplished is an encouraging one. The actual amount of money passing through our Treasurer's hands, and later on to the new Treasurer of the Diocese, is larger than ever before, and the list of reported money very pleasingly smaller. This indicates progress in methods, and shows that the system of sending money through the recognized channels is becoming well established.

All of our pledges were met, and some interesting extras added, — two through the bequest left the Auxiliary by one of its devoted and faithful members at Trinity Church, Boston, Mrs. Charlotte M. Fiske. Memorials in her name have been given to St. Margaret's School, Idaho, for a domestic science room, and a rectory for Calvary Church, Charleston, S. C., has been made possible, a tablet in memory of Mrs. Fiske having been put in both of these places.

Besides these, a remarkable general Diocesan Box of supplies was sent to St. Luke's Hospital, Porto Rico, and a still more representative box was sent to the foreign field. Twenty-nine parishes contributed articles to the latter, and forty-one money, making the total value \$912.29. The letters of gratitude from the different stations receiving these supplies would indicate that the value was far beyond any figure we could name. These brief items only give a glimpse of the splendid work accomplished by the parishes through our different chairmen.

The United Thank Offering shows a splendid advance, both in the number of parishes and individuals sharing in it,

and also in the offering itself, which is seventy-six per cent ahead of the first year in the last triennial. An interesting point is that there have been no large single contributions to account for this increase. We hope that, with the offerings of money, the spirit of thanksgiving and the offering of prayer have increased one hundredfold.

The department of colored work reports the retirement of Miss Edna Wheeler, after thirty years of service in the South as a representative of the Massachusetts Branch of the Auxiliary, and reminds us that we continue to be responsible for Miss Rowell, her successor at St. Augustine's School, Raleigh, N. C. Miss Wheeler, herself, is now one of the faithful volunteer workers at the Supply Bureau. It is needless to say that her experience as a missionary makes her a peculiarly valuable helper in our new work.

You will be interested to hear that one missionary has gone from All Saints' Church, Brookline, this year, — Charlotte Brown, to work under Bishop Tyler in North Dakota. Also that Florence Knight of St. Andrew's Church, Framingham, is training for the mission field at St. Faith's School, and that Geraldine Cabot of the Church of the Advent, Boston, is finishing a hospital course preparatory to going to the Church General Hospital, Wuchang, China.

I would also remind you of the splendid gift of lives which have gone out from Massachusetts, and which we here too often forget when we count the offerings of service. The support of your interest and prayers is asked for Marian Humphreys and Helen Tetlow, in Japan; Annie Brown, Elise Dexter, Edith Stedman and Marian Ward, in China.

I regret to say that our educational work has been decidedly weak during the past year, owing to the fact that there has been no Educational Secretary. It is, therefore, a great pleasure to announce that, through the Educational Department of the Church Service League, and its new secretary, Miss Roberts, we may hope by another year to revive and increase this important part of our work, but the chief thing the Auxiliary must do now is to find and develop Mission Study leaders.

The greatest changes which have taken place since our last report are the transfer of our Missionary Box work to the Supply Bureau of the Church Service League, and the acceptance of the Diocesan Quota of supplies apportioned from New York, with the adoption of an allotment system of work for the parishes here.

Be it to the credit of the Diocesan chairmen and parish officers that, through their good-will and coöperation, a remarkable amount of work has been done, and the Bureau, under the splendid management of Mrs. Chapin and Miss Little, with a devoted corps of workers, has been well established.

One special bit of work we have in hand for this year is the Jubilee Fund, which I heartily commend to you. The Woman's Auxiliary, throughout the whole church, is trying to raise \$50,000 to commemorate the fiftieth anniversary on October 16, 1921. This fund is to be used for the benefit of missionaries on furlough, who often need the extra help which such a fund can supply. I earnestly hope that the women in every parish in the Diocese will do their part in helping Massachusetts to make a worth-while contribution towards the final goal.

And now, as we look toward the future, let us recognize that the world has been turned upside down, and that this is the moment when every loyal Christian must act on the conviction that only as mankind turns to Christ as the living Lord and Saviour can we hope to build and maintain an enduring civilization. We are living in a period of reconstruction, and the Church, like all other corporate bodies, is trying through its administrative departments to adjust itself to the new tasks of to-day and to-morrow. Why should not every one of our organizations expect, perforce, to readjust themselves in order to do their utmost to help the Church meet the opportunities of this present time?

Already such an attempt is being made in the Church Service League, which is fast developing, through our Parish Units, into a comprehensive organization, where all forces, as integral parts of the whole, are joining hands in order that the entire strength of the Church may be put on the whole work of the Church.

Of course the Auxiliary has problems to solve under the new conditions, but one fact ought to save us from any undue fear, namely, that Missions is one of the great departments of work under the Service League, and, as the largest missionary organization within the Church, the Auxiliary ought to be the most active and helpful contributor to the enlarged plan of service. Let us try to realize that we are not a select body, pledged to guard a fixed deposit, as it were, whose present name and machinery must be saved at all costs, but rather let us realize, as Bishop Lloyd, to whom we owe so much, always expressed it, that the Auxiliary is like a leaven, active through the power of Christ's spirit of mission, working under any conditions, until the spirit has leavened the whole. Because we have believed this, the Massachusetts Branch has been able to help carry the missionary work of the church forward through Parish Guilds, Rectors' Aids, and other local societies. At the present moment, with the development of Departments of Missions under the Parish Councils, I see every reason to believe that our opportunities for service will increase.

Impelled by a vision of the world won to Christ, the Auxiliary has worked and prayed for missions, hoping that some day

every woman in the Church would share in the spreading of His gospel. Now, after nearly fifty years, it looks as if our hopes were to be realized to even a greater extent than we imagined, for through the combined forces of the Church Service League, of which the Auxiliary is a large part, not every woman, but, in the course of time, every man as well, will have the best possible chance to pray and work and give for the extension of Christ's Kingdom.

Already the results under the new reorganization indicate that more than we ever expected can be accomplished when all the members of a parish join in making, and working under, a united plan covering the whole work of the Church.

Therefore to-day I point you to wider service and a larger life than ever before, and bid you to be of good cheer and press forward to the high mark of our calling in Christ Jesus, remembering that it is as true of organizations as of individuals that "whosoever will save his life shall lose it, but whosoever will lose his life for my sake the same shall save it."

EVA D. COREY,  
*President.*
