It is a great privilege and pleasure to have an opportunity to thank those of you who at our last annual meeting elected me President of the Michigan Branch of the Woman's Auxiliary. Through the wonderfully clear vision of our former president, Mrs. Frederick B. Stevens, the work of the auxiliary has been so well organized that it has been possible to carry on without her guidance, always with the feeling that she has been ready to give advice when called upon. To all the members of the executive committee, for their ever ready help and counsel, particularly our recording secretary, Miss Winnefred Granger, without whose advice, and much has been asked, the work would have been almost impossible. I wish to extend my warmest thanks. To each chairman of the several committees, who has so splendidly done her part towards the carrying on of the work, is due and given my heartiest appreciation.

Probably each parish during the year has suffered the loss of some of its valued members, but we as co-workers in the Woman's Auxiliary in the Diocese of Michigan, have sustained two great losses, that of our great leader, Bishop Charles D. Williams, who was ever ready to give us of his time and help, and of Mrs. Edward H. Parker, our United Thank Offering Treasurer, who will be so greatly missed by us all.

To the future of the Auxiliary in Michigan, we look for great things. With the plans laid out by Mrs. Grylls, who has so graciously accepted the chairmanship of the important committee on Missions and Church Extension, we hope for many new branches and strengthened weak ones. Do not hesitate to call on this committee for they are anxious for work. We must grow, for without growth no organization is doing its best. Would it were possible for more women to have the advantage of a summer conference and could enter such a class as a few of us were privileged to be in last summer at Hillsdale. I speak of the Mission Study Class led by our Educational Secretary, Miss Elizabeth Thomas and I am sure that all of you who possibly can will find, that attendance at Hillsdale this next summer, will give you the greatest spiritual and educational help for your work next winter.

Let us look forward to the time when the Diocese of Michigan shall have:

A Woman's Auxiliary in every parish and mission.

Every woman in every parish and mission, a working, praying and contributing member of the Woman's Auxiliary.

A Blue Box in every home.

Last and far from least, study classes sometime during the year.

These are not selfish hopes for the Woman's Auxiliary, for recently in a church paper, one of our Bishops is quoted as saying, "If I were asked how a parish, however small or poor, would be most likely to flourish, I would say: Let it begin to exert itself in the great work of the propagation of the Faith. However meager its resources let it arouse that little, such as it is and zealous for souls, let it strive by fervent prayer for ministering and by methodical contributions to relieve the poverty of the missions; these very efforts will react upon the parish by unifying and enlarging it."

I cannot close without speaking of the happiness we all feel in the coming to Michigan of Bishop and Mrs. Page. Having themselves been so recently in missionary work in the far West, their interest in our particular organization cannot help but be great, as indeed they have already shown us.

May we show our appreciation of their coming, by giving our heartiest support to any plans the Bishop may have for us.

MARGARET CHITTENDEN BARBOUR,  
President.

## ANNUAL REPORT OF THE RECORDING SECRETARY

During the year 1923 the Woman's Auxiliary in the Diocese of Michigan held eight monthly meetings, seven meeting of the Executive Committee, the annual meeting for 1922, a special meeting to hear Deaconess Bedell tell of her work in Alaska, a Memorial Meeting for Bishop Williams, held in place of the Lenten Quiet Morning, which the Bishop himself was to have conducted and an Advent Service of Prayer.

There was an average attendance of one hundred at the monthly meetings. The largest number present at a single meeting was two hundred and thirty-five at the annual meeting held in May and the smallest number in attendance was at the September meeting held in Christ Church, Flint.

The last annual meeting of the Auxiliary, being that for 1922 was held in St. Paul's Cathedral, Detroit, on Monday and Tuesday, May 7 and 8, 1923. As usual the session on Monday afternoon was given over to the annual reports of the officers and chairmen of committees. At the close of the meeting an informal reception was held for all interested.

A Corporate Communion was held on Tuesday morning in the Cathedral at nine o'clock. Dean Rogers was the Celebrant, assisted by the Rev. Benham Ewing also of the Cathedral staff.

At the close of this service the adjourned session of the Forty-fourth Annual meeting was held in the Cathedral House.

Archdeacon Ziegler of New Mexico spoke most interestingly of his work in that missionary diocese and Archdeacons Ramsay and Widdifield of our diocese told of the work done in their respective fields.

Election of Officers for 1923-1924 followed.

At Mrs. Frederic B. Stevens' own request her name was not presented for re-election as President of the Diocesan Auxiliary.

It is greatly owing to Mrs. Stevens' interested supervision over all departments of work in the Woman's Auxiliary that the work of this Association has been so successfully carried on.

A tribute to Mrs. Stevens was read by Mrs. Robert Frazer and a Scholarship called the Anne E. Shipman Stevens Scholarship was founded. By Mrs. Stevens' own choice this scholarship is to go for the present to the Piney Mountain School near Wytheville, Virginia.

The Woman's Auxiliary was most fortunate in electing as its Presiding Officer, Mrs. William T. Barbour of St. Paul's Cathedral, Detroit.

After luncheon the Auxiliary again convened at two o'clock and listened to addresses on Christian Fellowship in the Five Fields of Service, the Parish, the Diocese, the Community, the Nation and the World, given by Mrs. C. E. Edinger of East Tawas, Mr. Wayland Stears, Miss Clara Wolbert, Mrs. H. J. Nohol and Mrs. H. J. Maxwell Grylls.

The speakers at the monthly meetings were the Rev. Allan McAvoy, the Rev. Robert W. Woodrooffe, Mr. Charles O. Ford, the Rev. Andrew Gill, the Rev. W. F. Jerome of the Travelling Missionary Van, Mrs. James Austin, Mrs. Frank Osburn, Mrs. Thomas Stirling and Miss Mary Elizabeth Wood of Wuchang, China.

A very successful Mission Study Institute was held in St. Paul's Cathedral on the last Friday, Saturday and Sunday in January. The general subjects studied were the Negro Question and Americanization or Work among the Foreign Born. The Rev. Charles T. Bridgeman came from New York to lead the class on Americanization.

The Mason Memorial Fund created in memory of Mrs. Charlotte F. Moeller Mason, sometime President of the Diocesan Auxiliary, was finished in 1923. This fund reached the sum of \$1,270.80. The Cathedral Branch of the Auxiliary, of which Mrs. Mason was President for a number of years chose that \$1,000.00 of this amount should be invested and the income go to help the work at Christ Church School at Arden, North Carolina, and the remaining amount, \$270.80, should be sent to Deaconess Bedell for her school at St. Stephen's Village, Alaska.

A total amount of \$4,129.43 was given this year to the United Thank Offering, this amount being about 67 per cent more than was given during the corresponding time in the last Triennium.

By action of the Auxiliary at the annual meeting this offering will be presented in memory of Bishop Williams at the United Thank Offering Service at the Triennial Convention in 1925 at New Orleans.

A great loss came to the Auxiliary, when the fourth Bishop of Michigan, the Rt. Rev. Charles D. Williams, D.D., died on the evening of Ash Wednesday, February 14, 1923.

Bishop Williams was always ready to help the Auxiliary in every way possible and his annual addresses to us and the wonderful talk which he gave at his last appearance before the Auxiliary at the Mission Study Institute, in January, will always be remembered as well as his triumphant life lived so much for others. May he be granted joy and refreshment in Paradise,

“Where loyal hearts and true  
Stand ever in the light  
Of God’s most holy sight.”

May 5, 1924

Respectfully subitted,

Recording Secretary

### PRAYER FOR THE UNITED THANK OFFERING

Adopted October, 1919.

O Lord, our heavenly Father, we pray thee to send forth more  
laborers into thy harvest, and to grant them thy special grace for every  
need. Guard and guide the workers in the field, and draw us into closer  
fellowship with them. Dispose the hearts of all women everywhere to  
give gladly as thou hast given to them. Accept, from grateful hearts,  
our United Thank Offering of prayer and gifts and joyful service; and  
bless it to the coming of thy Kingdom through Jesus Christ our Lord.  
Amen.

REPORT OF THE CHURCH PERIODICAL CLUB

In reviewing the work of the Church Periodical Club for the year 1923 we find increased interest and much progress along most lines. However, we would like to emphasize the importance of sending current numbers of magazines regularly to some given address. Magazines sent regularly are of much more value than back numbers sent in bulk.

In making this report it is only possible to mention the most important gifts sent out.

The Church Periodical Club has always worked in the five fields of service.

For the Parish each Librarian has contributed something. We endeavor in every way possible to co-operate with the various organizations in the Diocese and give assistance wherever it is needed.

Through the Missionary Department we have given religious books to the Library at Howell Sanitarium and to the Missionary Van, also Bibles and Prayer Books to several missions.

For the Social Service Department we have given hundreds of magazines, books, cards and games; have been able to procure a number of special books asked for by the women in the House of Correction. We have sent magazines direct from the publishers to the Girls' Friendly Lodge and to Williams House and have also given the latter a Membership in the American Social Hygiene Association through which membership Williams House receives all the literature sent out by this association.

For the Nation some of the gifts which stand out most prominently are three Seamen's Libraries, Children's Books for schools for the Mountaineers of the South, among these being some for St. Margaret's, Tappahannock, Virginia, one hundred new hymnals for Port Hope, Alaska, and a set of the Book of Knowledge to the school at Manati, Porto Rico.

For the World, books have been sent to Boone Library, Wuchang, China, prayer books and hymnals to Tabacennee, Grand Bassa, Liberia, and innumerable work of fiction to St. Luke's International Hospital, Tokio, Japan.

At Christmas one hundred new books were sent by individuals to missionaries and shut-ins.

After the terrible earthquake in Japan it was a source of great rejoicing to learn that the books in the Library of St. Paul's University in Tokio which had been given through the Church Periodical Club had been saved.

As stated in my report last year, from the General Convention 1922 to 1925 the special work of the Church Periodical Club in Michigan is to help furnish medical books for St. Luke's International Hospital, Tokio, Japan. At that time the need was great but as can readily be appreciated since the earthquake the need is much greater. The quota for this Diocese is three hundred dollars. Of this amount fifty dollars has been given.

Continued interest in our Church Calendars has been shown, which this year had a picture of the Missionary Van on it.

During the year four meetings of Librarians have been held. These meetings do much to stimulate an interest in the work and may I take this opportunity to thank each and every librarian for her loyal and fine co-operation.

We wish to thank all, who have in any way contributed to this work. We would especially thank the Rev. Stephen W. Frisbie who so generously gave many books from his valuable library. These books have been sent to all parts of the world.

## REPORTS OF VICE-PRESIDENTS

### DETROIT ARCHDEACONY

No report was handed in for the Detroit Archdeaconry owing to the illness of the Vice-President, Mrs. Samuel S. Marquis. Mrs. Marquis was appointed to fill this office on the resignation of Mrs. Heatley Green.

### SOUTHERN ARCHDEACONY

During the year 1923 numerous letters have been written to the various branches in this Archdeaconry. Year books and programs have been sent to every branch.

I have attended two very interesting meetings in Ypsilanti and found the Auxiliary there very active.

At St. Andrew's, Ann Arbor, the Auxiliary has sent two very good boxes this year and has had a study class under the able leadership of Dr. Orma Butler.

I have had few reports from the other branches but the interest shown seems very encouraging and makes us hope for better results in the future.

Respectfully submitted,

ANNIE CONDON,

Vice-President Southern Archdeaconry.

### REPORT OF THE VICE-PRESIDENT OF THE NORTHERN ARCHDEACONY

A report of the work done in the Northern Archdeaconry for the first part of 1923 was made at the annual meeting, May 7th, 1923. As this report is supposed to cover the work of the year from January 1923 to January 1924, it will of necessity contain some repetitions of the report given last May.

The first work of the new Vice-President of the Northern Archdeaconry was the distribution of copies of the Forty-third Annual Report of the Michigan Branch of the Woman's Auxiliary to the presidents of the several branches, each copy being accompanied by a letter, something on the order of a questionnaire. Many cordial and enlightening letters were received in response.

On March 15th, 1923, a Quiet Hour for the women of the Northern Archdeaconry was held in Calvary Memorial Church, Saginaw, conducted by the Rev. Kerwood Alexander, then rector of Christ Church, Flint.

On May 1st a conference was held with the rector of Trinity Church, Alpena, looking forward to the re-establishment of an active branch of the Auxiliary in that parish.

November 14th, on invitation, a visit was made to the Woman's Auxiliary at St. John's Church, Midland.

November 27th, we attended a meeting of the Auxiliary of St. Paul's Church, Saginaw. This organization has used for the basis of its program this year the revised edition of the Woman's Auxiliary Handbook and "The Church Periodical Club" was the subject for that day.

During the year 1923, fifty-three letters have been written and fifty letters received. Thirty-three copies of the 43rd Annual Report of the Woman's Auxiliary and forty-two of the 44th Annual Report, distributed.

A generous and ready response has been received by the Supply Secretary for the box work, in most cases, and splendid boxes were sent both at Christmas and Easter. In this connection the Supply Secretary has asked me to give honorable mention to the following parishes and

missions: St. James', Cheboygan; St. Paul's, Gladwin; St. Paul's, Bad Axe; Grace, Standish; Trinity, West Branch; Trinity, Alpena; Grace, Bay City; Trinity, Bay City; St. John's Saginaw; St. Paul's Saginaw; Calvary, Saginaw; St. John's, Midland, and Trinity, Caro.

In the smaller groups of Churchwomen, while there is no organized Auxiliary, we find in some places the United Thank Offering being kept up, and not a little interest in Mission Study Work is being shown.

Respectfully submitted,

HATTIE S. APPELBE,  
Vice-President Northern Archdeaconry.

REPORT OF THE ELIZABETH FISKE LOCKE STEVENS  
MEMORIAL LIBRARY

The Library is indebted to Miss Winnefred G. Granger for the Spirit of Missions for 1923. It now has a complete file of this magazine for more than thirty years.

"A Valid Christianity" and "The Gospel of Goodfellowship," both by the Rt. Rev. Charles D. Williams, D. D., have been added to the Library. "The Life of Henry Martyn," by Constance E. Padurik, has been given by Mrs. George Beck.

This Library is in St. John's Parish Building and is for the use of all persons interested.

Respectfully submitted,

DELIA WARRINER,  
Librarian.

REPORT OF EXTENSION COMMITTEE

This Committee has not been active this year. Today we will report our hopes, ambition and plans and next annual meeting expect to show some results.

We will use the Archdeaconries in dividing the Diocese. Each will have a map of her territory and our aim will be: "An Auxiliary in Every Parish and Mission." After communicating with each parish by letter or visit, or both, the maps will be marked with a red, white or blue star to indicate—

RED—Red-blooded activity.

WHITE—Anaemic indifference.

BLUE—Failure.

The Chairman will visit each Committee Woman periodically to examine her map, and next year we will bring these maps to the Annual Meeting to show our progress.

We expect assistance from the Rectors and Archdeacons, and best of all from a woman whose heart and soul are in the welfare of our great Church and who is so well informed on all education and extension methods—Miss Elizabeth Thomas.

Miss Thomas is to make a tour of the Diocese in the late summer for the Educational Department, and by sharing her expenses the Auxiliary will have her assistance—and to you, too, we look for help. We need each delegate to go back to her Parish resolved that a red star shall represent her branch—which will mean a larger membership, pledges faithfully met, and a delegate at the next annual meeting; and especially we need your prayers, for this is God's work and must not fail.

Respectfully submitted,

MARY GRYLLS,  
Chairman.

## REPORT OF EDUCATIONAL COMMITTEE

During the year from January 1923 to January 1924, the work of the Educational Committee covered a very wide scope— influencing perhaps, either directly or indirectly, most of the other departments of the Womans Auxiliary. Program were arranged, and, in many cases, carried out, by this Committee.

The January Institute of 1923 was arranged for, and, with its well-attended business and devotional meetings and its interesting and instructive speakers, proved to be a most stimulating and inspiring series of gatherings. Classes were held for the instruction of leaders of the Mission Study Classes held during the following Lent. The text-book used was, "Wanted—Leaders," a study of Negro Development, by Bishop Bratton, and twenty-seven classes and two Bible classes were held in the twenty-six churches of the city and Diocese.

From July 5th to 12th the Episcopal Summer Conference was held at Hillsdale. This was a seven-day summer school of the best type, with some of the best instructors and lecturers of the country in attendance. Classes were held in various subjects of interest in the Church's work, devotional meetings were held, and plenty of time and opportunity was given for recreation too. The Conference was attended by 330 people, all of whom were better educated people and better Episcopalian for having been there.

One of the classes which created great interest and produced marked visible results, was the class, or series of classes, on the subject of Mission Study, its instructions proving most valuable to the leaders who were preparing for the Mission Study Classes of Lent, 1924.

In the autumn of 1923, the Educational Committee arranged for the program of the January Institute of 1924. We were again fortunate in securing good speakers and leaders for the various sessions, and arranging the program which was later carried out.

Respectfully submitted,

EMMA SISMAN,  
Secretary Education Committee.

May 5, 1924.

## REPORT OF THE SECRETARY OF RELIGIOUS EDUCATION

The outlook for Educational Work in the Diocese of Michigan becomes brighter each year. A more unified program of study, a better understanding of common ideals, a greater devotion to the central cause—the spread of the Kingdom and devotion to Our Lord—marks all adult study.

The report of the Educational Secretary must be forward-looking, as well as cover the actual accomplishment of the past. This last, the Secretary of the Educational Committee has done.

An increase of leadership is one of the distinctive marks of our work. A large and sudden increase in classes is the second. A constant call is coming from the G. F. S., from Guilds, as well as W. A. groups. That we shall be ready for groups of men and women is a very present task.

That our leaders may not be overwhelmed with too much work; that new leaders bear constantly in mind that a wider and more varied work may be done; that new and richer elements and experience may enter into our work—to these things we must give careful thought.

Hillsdale offers the best opportunity for development of leaders and understanding of the importance of our task. Other duties and cares are eliminated for ten days, a fellowship which gives us some taste of that Kingdom Our Lord came to bring creates lasting friendships, the Church's

call to service is clearly heard, the world's need reaches receptive hearts. The care with which leaders of the Conference are chosen, the effort of a year of work by many people in careful preparation for those ten days, accounts in part for their effectiveness.

We have the privilege of having with us Miss Laura F. Boyer of the National Church. She will have two classes—one for training leaders in the discussional method; one in the course on China to be used next year. Miss Boyer was with us for the January Institute and was a source of inspiration and information to the more than hundred women she reached at that time.

Other leaders of the Conference are Bishop Page, who will have the devotional period and a class for the clergy. Dean Lutkin, who will have charge of the music of the Conference and a class on music. Dr. Caley of Philadelphia, who will have a course on the Church and every evening will have pictures and a lecture on Church History.

Mrs. J. H. McDonald will be Dean of Women, the Rev. Mr. Woodrooffe of St. John's will be Dean of Men; the Rev. Mr. Lewis of Ann Arbor is in charge of the young people's program. Miss Mabel Lee Cooper will have three courses for Church School teachers. Mrs. G. P. T. Sargent of Grand Rapids will have a class in leadership. Miss Maurice will be in charge of two classes for C. S. S. L. leaders.

The Hillsdale Conference will extend from July 7th to 17th. The cost will range from \$21.50 to \$23.00 according to the location of the rooms. The Conference is held at Hillsdale College by courtesy of the College authorities and the location is ideal from a recreational as well as an educational standpoint.

Successful and far-reaching as has been our Institute held at St. Paul's Cathedral January 25th to 27th; splendid and inspiring as was the service in connection with the Girls' Friendly Society; delightful as were the tea arrangements, the January Institute must now develop into a far-reaching enterprise which will answer the needs of all our women, shall look forward to groups of men and women and young people.

We are only beginning to touch the field of adult study. The Round Table Fellowship for men and women held at St. John's Parish House during Lent, which reached nine hundred persons; Bible Classes held in many of our parishes during Lent, in place of Mission Study Classes in some instances, in addition to Mission Study Classes in many; three Normal Schools reaching five hundred more adults, are only a beginning of what can be done in this field. We have 25,000 communicants in the Diocese; we should have at least 25,000 people eager to learn to know our Lord better—to learn a better way to extend His Church; to demonstrate to others a better way of life.

Our future Educational Work must have in mind this large group, must have in mind an adequate leadership, a unified program. The New Day involves a new vision, the new vision a new preparation. Let us meet our great task in a great way.

ELIZABETH THOMAS,  
Educational Secretary.

#### REPORT OF PROGRAM COMMITTEE FOR YEAR 1923-1924

The program committee of this year was composed of representatives from twelve parishes—two of these being St. Andrew's, Ann Arbor and St. Luke's, Ypsilanti. The distinguishing characteristics of this committee has been that it not only evolved the program but accepted the responsibility of its fulfillment through all the various details of correspondence by letter, telephone and telegram. This marks a decided progress over previous years.

That the program has varied somewhat from the printed form is due to the human equation which always keeps the program committee in a state of trepidation. We regret that some of our speakers could not be with us as arranged but are very appreciative of those who came unexpectedly and added so much to the interest of the meetings.

The first three meetings were in charge of Mrs. Frank Weber who arranged with the various treasurers to tell the story of our pledges which to many were lacking in human interest because not understood.

After the opening of the year's work which began as usual with the annual Corporate Communion on St. Matthew's Day, in John's Church, the first regular meeting was held September 24th, in Christ Church, Flint. The unfortunate delay of the Detroit delegation en route shortened the program which was confined entirely to a most satisfactory talk by the Rev. William F. Jerome who in his characteristic way told of the progress of his "Church on Wheels."

At the October 29th meeting in St. Alban's Church, the Domestic Treasurer, Mrs. R. McClelland Brady, delegated her talk to Mrs. Frank Osborn, the former Domestic Treasurer, who gave a most interesting explanation of the domestic pledges. At this meeting also was read Mrs. James Austin's paper on Diocesan Pledges for which there had not been time at the previous meeting. It was planned that the United Offering Treasurer shold have an opportunity at each meeting to tell of the work of the United Offering in the various mission fields but unfortunately this was not possible because of the absence from the city of the treasurer, Mrs. Edward H. Parker.

At the November 26th meeting in the Church of the Epiphany, the Foreign Treasurer, Mrs. Thomas C. Stirling read so comprehensive and illuminating an account of the Foreign pledges that there was an unanimous request that her paper should be made available to all the parishes. This was accomplished by printing it in the February, 1924, issue of the Michigan Churchman.

At this meeting we had also the unexpected pleasure of having with us Miss Mary Elizabeth Wood who came under the auspices of the Church Periodical Club. She gave a most original and witty message from the Boone University Library of Wuchang, China.

An extremely helpful Advent Service of Prayer was conducted for us on December 3rd at St. Joseph's Church by the Rev. Berton S. Levering, rector of St. Luke's Church, Ypsilanti. He made a plea for a broader and more generous attitude of mind toward our fellow church-workers.

The next two meetings were considered the educational section of the program and were in charge of Miss Grace Fuller of Ypsilanti.

Since Japan was the subject of our mission study this year, it was indeed fortunate that we could have for our January speaker, a worker direct from Japan and one of such wonderful inspirational presence as Deaconess Elizabeth G. Newbold of Aomori. She was mentioned more fully in our January report. This meeting at the new parish house of the Church of the Messiah had in fact an abundance of good speakers since besides Deaconess Newbold, we had with us the Rev. Edward L. Souder of Wuchang, China, who gave a most appealing picture of the needs of China and last but not least we had Bishop Page who gave his first greeting to the Auxiliary.

Our February 25th meeting as first planned met with disaster all along the line. First, our meeting place, the new St. Barnabas Church, was burned. Then a more pressing engagement prevented the Rev. Henry Lewis of St. Andrew's Church, Ann Arbor, from speaking to us and finally a death in the family of Mr. Irwin C. Johnson made it necessary for him to send a substitute, Mr. Charles Cameron of the Detroit News.

However, the very lovely hospitality of the Cathedral and the very interesting talk of Mr. Cameron alleviated the first woes of the situation.

The Quiet Morning of March 10th was conducted by Bishop Page in the Cathedral, Dean Rogers being the Celebrant at the Communion Service.

The last section of the program was in charge of Mrs. A. G. Pittelkow of the Church of the Epiphany. At the March 30th meeting in Christ Church, we were most fortunate in having speak to us Dr. John T. Wood, Executive Secretary of the Department of Missions, who came fresh from the scene of the Japanese disaster and gave us a hint of what was to be expected of us in the way of financial help.

At the April 21st meeting in Trinity Church, as a splendid sequel to Dr. Wood, came Bishop Reifsneider, the recently elected Suffragan Bishop of Tokio. He left no doubt in our minds as to our responsibility to Japan not only as a Christian duty but as an expedient for the future welfare of Christianity. For unless Japan becomes Christian the whole Orient with all that it means to future civilization will be lost to Christianity.

The Rev. Franklin J. Clark, secretary of the National Council, who gave way to Bishop Reifsneider at the April meeting, in turn took the place of Dr. William C. Sturgis as principal speaker for the Annual Meeting, his subject being, "The United States as a Mission Field." This meeting was held in St. John's Parish House.

The places of meeting for the year were arranged by Mrs. J. M. Haines of St. Philip's and St. Stephen's Church.

The Publicity Chairman has obtained more space than usual this year in the Michigan Churchman for which we are indebted to the editor. Also notices of our meetings have been placed in the daily and weekly papers.

In closing, the chairmen wish to thank the President and all the officers who have so courteously co-operated in the development of the program.

Respectfully submitted,

CLARA ROBINSON WILLIAMS,  
Chairman of Program Committee.

MARYANN S. FORTUNE,  
Publicity Chairman.

May 5, 1924.

#### RECOMMENDATIONS

At the annual meeting held on May 7 and 8, 1923, the following recommendations were adopted:

##### *I.*

"The Executive Committee recommends to the Diocesan Auxiliary that the United Thank Offering for 1925 be presented in memory of the Rt. Rev. Charles David Williams, D. D., Fourth Bishop of Michigan, at the Triennial Convention to be held in New Orleans, Louisiana, in September, 1925.

##### *II.*

"The Executive Committee recommends to the Diocesan Auxiliary that a Scholarship be founded in tribute to Mrs. Frederic B. Stevens, President of the Woman's Auxiliary in the Diocese of Michigan for fifteen years.

This Scholarship to be known as the "Anne E. Shipman Stevens Scholarship."

(Gifts and pledges for this Scholarship are to go for the present to the Piney Mountain School near Wytheville, Virginia.)

## SPECIAL OFFERING OF \$75.00 FOR 1925

At the Triennial Meeting of the Woman's Auxiliary held in Portland, Oregon, September, 1922, it was voted that a special fund be raised during the next three years. "At least \$65,000 for the purpose of establishing in the City of New York a house to be used by Missionaries on furlough who may wish to study during their months at home and for Missionaries in training who desire to take special courses in subjects which the schools and colleges in New York offer."

In addition, \$10,000 to be raised for the establishment of a training school for colored deaconesses and Church workers at St. Augustine's School, Raleigh, N. C.

After the death of Bishop Tuttle, the Presiding Bishop of the Church, in April, 1923, announcement was made by the National Executive Board of the Woman's Auxiliary that this fund would be called The Bishop Tuttle Memorial Fund.

All contributions for this fund in the Diocese of Michigan should be sent to Mrs. Lucian Moore, 715 Van Dyke Ave., Detroit.

### IN MEMORIAM

MRS. ELEANOR CARROLL LYSTER PARKER

February 10, 1924.

In the passing from our midst of our United Thank Offering Treasurer (1922-1923), Mrs. Edward H. Parker, the Michigan Branch of the Woman's Auxiliary to the National Council suffers a distinct and heartfelt loss, both as a society and as individuals.

Eleanor Carroll Lyster Parker assumed this office when her close and life-long friend, Miss Jessie Hendrie was taken from her work to her eternal reward, accepting as a definite call the request of the Auxiliary to fill Miss Hendrie's place—a hard task for even those who were in intimate touch with work of the United Thank Offering, but especially difficult for one who had not before held office in this organization. Mrs. Parker brought to her work all her wonderful abilities: her interest, her unfailing sympathy, her knowledge of executive affairs, her diligent atten-

tion to minute details of her work, her sincere religious interest and most attractive personality, gaining not only respect and admiration, but a love from her co-workers, that will, like her memory, never pass away.

In the two years she served in this office, her unflagging interest and persistence have so increased the recollection of our duty and privilege in giving to the United Thank Offering, that the sum today is sixty per cent more than at the corresponding time in the last Triennium, with more than a year to complete our Triennial gift.

May we not all unite in a special effort to continue this increase so that we may send an offering to New Orleans in 1925 that may show our respect for her memory and our desire that her labor may not have been in vain in the Lord.

#### PRAYER

O, Lord God, grant to each and all of us to be so true to our high calling here on earth that when we each in her appointed time shall be summoned to join the great company of departed souls, we may pass hence in peace and without fear, looking humbly for that fuller light which shall break upon us when the morning is come upon the unseen shore.

Grant this O Lord for his sake Who is one life and in Whose presence is fulness of joy, Jesus Christ our Lord.

BESSIE G. OSBORN.

VIRGINIA FERGUSON SMITH.

#### REPORT OF THE LITTLE HELPERS

Once more it is time for the annual report of The Little Helpers. It is with happiness yet tempered with sincere sorrow that I have prepared this, my last report of The Little Helpers in the Diocese of Michigan.

As I look back over the years that have passed since I received from our Bishop, the Rt. Rev. Thomas Frederick Davies my appointment as Head of The Little Helpers of this Diocese in October, 1893, I realize my many sins of omission as well as commission, which I keenly regret and yet am deeply grateful to God and to Auxiliary's unwavering loyalty to this great work and to me personally, that I have had the privilege of having a share in the work among Christ's Little Ones.

The Little Helpers have been a sacred and blessed trust to me. A joy in life's happy hours and a solace and strength when life's sorrows have passed hard.

The idea of The Little Helpers was brought to Michigan by Mrs. Richard Macauley, President of the Junior Auxiliary. She had heard of it but knew very little about it. After I had received my appointment, I wrote Miss Mary E. Hart of Rochester, New York, who was the founder of The Little Helpers. She wrote me of her work and ideas and said the work was so new we would have to work out the idea each in our own diocese. With love for the Master and loyalty to Miss Hart I have tried to work out a plan for The Little Helpers of Michigan.

Miss Hart and I soon found that to get the best results, the Leaders or Secretaries must come, not from the Junior Auxiliary but from the Woman's Auxiliary. This work does not give large results at first. It is the day of small beginnings. We must plant and water but it is God who giveth the increase. The leader must enter into the patience of the Lord. It is hard to be patient when we are young. Youth wants results at once. After many conversations with dear, faithful and sensible Miss Frances Adams, President of the Woman's Auxiliary, she and I had a conference with Bishop Davies and he decided that The Little

Helpers should become a Department of the Woman's Auxiliary. Miss Adams announced the result of the conference to the Woman's Auxiliary and the Auxiliary has mothered The Little Helpers ever since.

The Executive Committee of the Woman's Auxiliary was formed during the Presidency of the enthusiastic and far-seeing Mrs. Charlotte Mason, who invited the Head of the Little Helpers to become a member of that committee and that brought The Little Helpers into closer communion with the Auxiliary. No better friend could our Little Helpers have than our beloved Mrs. Robert Frazer, who during her office as President of the Auxiliary and ever since has been a staunch and loyal friend. During the fifteen years that our always gracious and very efficient President, Mrs. Frederic B. Stevens, presided The Little Helpers felt secure in her love and confidence and in our present honored and charming Presiding Officer, Mrs. William Tefft Barbour, we know that it will be well with us.

Back of these generous and very able presidents have been the members of the Woman's Auxiliary. What your love and loyalty has been to us, God only knows. Your words of encouragement and commendation, your generous gifts of money and sympathy have been a tower of strength through all the years, an inspiration and impetus to greater and better work. We thank God for these rare friend because their minds are so rich with life's experiences, their hearts so rich with it.

My thoughts turn to those dear friends of former days, who took such loving interest in The Little Helpers. They have fallen asleep. May they rest in the joys of Paradise, where sorrow, grief and pain have vanished away. Where the light of His countenance visits and shines continually. "Christ has risen. We too shall rise. Alleluia."

To those dear leaders of The Little Helpers, my belover fellow laborers, what have they not been to me as I have come to know them and lean upon them. As George Eliot says, "There are natures in which if they love us we are conscious of having a sort of baptism and consecration. They bind us over to rectitude and purity by their pure belief about us." Among my truest friends today are many of these women whom I met as Little Helpers leaders. One has been with me for twenty-five years, another fifteen, some ten and others less but all true and tried. Such faithful and devoted co-workers and not only who are with me now, but many who have been, who at present are working in other parts of the Master's Vineyard. These leaders have planted seeds of the love of God in the hearts of The Little Helpers. They have prayed for them and left the results in God's hand. Who knows what the harvest will be, but they who have planted know that their labors will not be in vain in the Lord.

Each leader treasures up in her heart many beautiful incidents that have come to her in her work among Christ's little ones.

Now the time of parting is at hand and my prayer for all of us is "Lord we pray Thee that Thou wilt open our eyes to behold the Heaven that lies about us, wherein they walk, who being born to the new life serve Thee with clearer vision and greater joy through Jesus Christ our Lord. Amen."

The Little Helpers themselves: What rare joy and true happiness it has been to be with them, to be the friend of so many little children, to know that many of them are praying for you and that you had a share in planting the seeds for the extension of Christ's Kingdom in their little hearts. Could anything be sweeter or nobler, O Father: May I not have been disobedient to the Heavenly vision. Receive this work as it is and make it what Thou wouldest have it to be.

Respectfully submitted,

Head of The Little Helpers.

#### AN APPRECIATION

SARA COOPER JOHNSON

June 3rd, 1924.

To my beloved friend and co-worker, Sara Cooper Johnson, who for twenty-five years was associated in the work of The Little Helpers.

On June 3rd, 1924, at mid-day Sara Cooper Johnson heard the "Well done thou good and faithful servant, enter thou into the joy of the Lord." Death come to her suddenly but kindly and she passed from the shadows of earth into the glorious light of Paradise.

Twenty-five years ago Mrs. Lyman P. Johnson called on the writer. She said, "I heard you talk on the work of The Little Helpers a few years ago. I was not married at the time but thought that if I married and God should give me children I would want them to be members of The Little Helpers. Today I have a little daughter and I want her to be a Little Helper."

Mrs. Johnson asked me if I would speak to the Woman's Auxiliary at St. Stephen's Church, Wyandotte, the following week. I did so and at that meeting Mrs. Johnson was appointed the Leader of the Little Helpers at St. Stephen's Church.

For sixteen years she had entire charge of the work. Her health failed and Mrs. A. S. McClenahan came to her assistance and took charge of The Little Helpers until she became better. When Mrs. Johnson recovered her health, she insisted that Mrs. McClenahan remain in charge and she would assist her. For twenty-five years Mrs. Johnson was a great help and inspiration. Always dependable, quiet, unassuming and very sympathetic, but very able and efficient.

Her interest in the needs of God's children whether they were at home or in Japan or Africa was the same, they must have help. She gave generously of her time, her means and herself. Never holding back, she was a true steward of her Lord. Worship, service, home and recreation all had their appointed places and her happy face revealed the satisfaction of a well-balanced life.

Mrs. Johnson's devotion, interest and loyal service to the Church can never be adequately expressed or overestimated. It was all in all to her. Its interests, troubles and problems were her's. She was ever trying to help in any way she could. We thank God for the inspiration and encouragement of this pure, sweet life, full of love, trust and duty unto the end.

Sara Cooper Johnson, God called thee in thy gracious womanhood and in the last great day it shall be written in shining letters on thy name, "In as much as ye have done it unto the least of these my brethren, ye have done it unto Me!"

LILLIAN FRANCES ARMSTRONG.

## REPORT OF THE CHURCH SCHOOL SERVICE LEAGUE

The program for the year—Study on the Five Fields—was much in the spirit, which we have attempted to develop in our Diocese in work with the boys and girls—the spirit of reality.

Prof. Artman of Chicago University stated in a recent conference that the truest and best education is shared experience; that we must go after Bible Stories as a quest; that life itself is a quest and that we must in our Religious Educational work enrich the lines of the quest.

I think we have accomplished just that through our monthly conferences of the C. S. S. L. We have enriched the lines of the quest. The effect on our boys and girls generally has been a greater interest in service, a better connection in their minds with school and home and community; a truer citizenship both in the State and in the Kingdom.

Mrs. Yendall's organization of the Christmas Box Work, firing us with her own enthusiasm, giving us necessary date and sources of information, has made our work far more intelligent, far more educational.

The Community field, in spite of the fact that Mrs. MacGuffey has been unable to serve, has never been so attractively presented or plans so effectively carried back to our children as this year. Mrs. Piper's and Miss Tobler's attractive play at the November meeting gave us ideas which could be carried out in any field, and the Christmas season was enriched for us all through the Christmas Carols we sang together at the December meeting. No description of or plans for carol singing could have meant as much to our boys and girls as the actual participation under Mrs. Piper's direction.

At the January meeting, Mrs. Gill, Secretary of the field of the parish, demonstrated her field by bringing to the meeting the Junior Vestry of St. Matthias' Church, who gave a model meeting showing how this vestry takes care of the activities and votes the money of both Church School and C. S. S. L.

The new feature this year in the Mission Study Institute was the demonstration classes made up of children in each of the four age divisions and led by most competent leaders.

### Division I. Ages 4-7.

Japan Picture Stories.

Led by Miss Grace Conover.

### Division II. Ages 8-11.

The Honorable Japanese Fair.

Led by Mrs. Robert Livingstone.

### Division III. Ages 12-15.

The Hon. Little Miss Love (Deaconess Newbold's book).

Led by Mrs. Charles K. Lamb.

### Division IV. Ages 15-18.

Japan on the Upward Trail,

Led by Miss Alice Alexander.

These meetings began with the Detroit Normal and continued Wednesday and Thursday.

An attractive feature of the Institute was the puppet show on Japan, given by the children of St. Andrew's Church. Tea was served by Mrs. Buck, her assistants and the high school girls from St. Paul's Cathedral, who were members of Miss Alexander's class.

The March meeting was devoted to the co-operative groups of the C. S. S. L., the Girls' Friendly Candidates, the Order of Sir Galahad, the Boy Scouts.

All of these groups are endeavoring to see the child first and his development into the Kingdom, and the organization is but a means to this end.

The April meeting took up the field of the Diocese, this field being in charge of Mrs. Thomas Weber. One of the attractive features was a baseball game with the mit the shape of the State of Michigan; to answer correctly the question on the bat awarded you the ball. It will be interesting for the Woman's Auxiliary to play this game, as some of the leaders were put to it for the correct answers.

The Rev. Mr. Jerome spoke to us on the van, for which the boys and girls are working.

All of these meetings preceded the block or division of work to be undertaken by the boys and girls.

Each year a blank is sent out to each director of the C. S. S. L., or Superintendent of the Church School, or rector of the parish or mission, in order that all the activities of service of the boys and girls of the parish may be recorded. This year these blanks were returned by thirty-seven parishes. They represented 1986 boys and girls at work in some, and in most cases all, of the five fields of service.

This service amounted to.....	\$10 753.90
With the Lenten Offering.....	4,030.26
	\$14,785.16

That our boys and girls shall not forget any part of the mission of the church, whether in their home parish or the farthest mission; that the leaders shall never forget that the development of the boy and girl as Christian citizens of our Lord's Kingdom is the prime motive of all our work must be kept constantly in mind. When the whole church learns to put the child in the midst, and truly know that he must learn by doing, then will the whole task of the church be more fully accomplished.

When the Junior Vestry of St. Matthias' or St. John's Church becomes the Senior Vestry, will they not be educated in some obligations which our parishes fail to see at present?

We are producing a fully educated group of church men and church women.

Respectfully submitted,

ELIZABETH THOMAS,  
Acting Director.

REPORT OF THE  
EPISCOPAL YOUNG PEOPLE'S ASSOCIATION  
DIOCESE OF MICHIGAN

Foremost among the aims toward which the past year's work has been directed is that of strengthening the branches, a need felt by Bishop Williams to be claiming direct attention and about which council was given in what proved to be the last conference with him on Young People's work.

The Association's representative leaders have valiantly put themselves to the test and in the spirit of free heartedness have readily responded when they were asked to "Come and tell us how it can be done!"

The greatness of the Young People's Movement in its bearing on the Kingdom of God is dawning in the minds of the members and in recognizing the importance of a working knowledge of the foundation principles, Fellowship, Service, Study, Prayer, Co-operation in all suggestions made and ways planned for the furthering of such knowledge has been consistently given.

The classes in E. Y. P. A. Administration at the Detroit Normal and in the General Scope of the work at the Saginaw Valley Normal were among the opportunities offered for training.

Prompt action was taken in electing two delegates to the Student Volunteer Conference which is held every four years, when the claims as to the educational value of this great Movement was brought before

the Council; the Conference was held in Indianapolis between Christmas and New Years.

The Hillsdale Conference continues to loom big in the minds of the Young People and the popular question "Are you going?" is being asked.

The early fall week-end conference at Camp Frisbie holds great promise as an annual event. It was in the interests of Camp Frisbie that the Association gave \$175.00 to build one of the camp's huts.

Does this organization create a sense of responsibility and do its members feel themselves responsible for the Forward Movement of the Church?

The reports of the achievements of parish societies contain records of providing means for many things to be done. Pledges of from four to five hundred dollars have been paid to parish treasurers for repairs on and redecorating of chapels and church houses.

Building Fund and Extension work both that of Church and Church School. Members of one society paid for and personally gave of their service in installing the plumbing for their Church.

Christmas at Williams House, Christmas gifts, the tree and dinner, was a happy event to plan and provide for by all the branches. Several of the groups are sending delegates to the Hillsdale Conference. A full gymnasium outfit was supplied by one society, etc.

Though only directly, we believe the subject of vocational guidance enters somewhat into the nature of the work. Through the opportunities constantly presenting themselves for varied forms of Christian Service and personal religious experiences gained, Young People meet the challenge of the unvoiced question, "What is this world and what is my place in it?"

A Mission, March 19, 20 and 21 was conducted in St. John's Church by the Rt. Rev. Theodore I. Reese, D.D., Bishop Coadjutor of Southern Ohio, with an average attendance of two hundred young people. The first two nights was that of a conference with a question box, the closing night was a reconsecration service in the church led by Bishop Reese and preceded by an address, the subject of which was Loyalty.

Bishop Page, in his address at this service, urged the young men to be thinking of the Christian ministry as a vocation in life and young women to be considering the needs and opportunities of the mission field at home and abroad. At the close of the address the banner of the Episcopal Young People's Association presented the night of the ninth anniversary meeting, January 21, in St. Paul's Cathedral and bearing the name of eleven young people who have gone forth into various mission fields, was consecrated by Bishop Page, the names mentioned with special prayers for these young volunteers, Frances C. Sullivan, Margaret J. Schaad, Philip B. Sullivan, Louise J. Duncan, John Coe, Harold S. Gray, John Schaad, Bertha Meyers, serving in China; Earnest A. Cook, Alaska; Franklin L. Gibson, in the ministry, Montana; and Dorothy D. Williams, St. Andrew's Priory School, Honolulu.

Bishop Page, in conducting the annual Corporate Communion Service in St. Paul's Cathedral, Palm Sunday, made a brief address with meditation on this season to the large body of young people present.

In seeking to see life as our young people see it and giving them greater confidence in their living, our aim has always been to provide every means for training and developing efficient Christians, who are to be self-directing, possess initiative and who will go forth with the courage of their convictions in the determination to have the world what Our Lord would have it to be.

Respectfully submitted,

JULIA M. FISH,  
Executive Secretary.
