## ADDRESS OF THE PRESIDENT

On May 16th, 1924, when you elected me to the Presidency of the Woman's Auxiliary, you paid me, I shall always feel, one of the greatest honors that can be given a woman of our Church. The five, or, to be exact, four and one-half years have been full of the joy of service in the endeavor to fill that position. I had much to learn and I have found myself continually wishing that I had been more adequately prepared.

In reviewing these past years, I would first speak of the unflinching loyalty of my co-workers, the members of the Executive Committee and Chairmen of Committees. They have given untiringly of their time in attending meetings and have always shown a willingness, not only to carry on their own duties, but to add to their already heavy tasks when the need arose. The thanks of the entire membership is their due, for without their united co-operation the work accomplished could not have been done.

It has been a great help and happiness to visit from time to time the various branches, to know their leaders better and to meet all the members, my great regret being that I have not gone to every branch, although, with one exception, I have accepted every invitation I received.

I often ask myself this question: Has the Auxiliary grown in Michigan and what could be done to help that growth? We cannot look at back reports and not know it has, although not nearly as fast as we would all wish. We have gained several new branches but have lost some old ones. Looking back to the year book of 1922, I find we had 54 branches and we have today 61. It is to be hoped that those branches we have lost will at some time reorganize or at least carry on the principles of the Auxiliary in some of their organizations. Some parishes, and I am particularly sorry to say, some of the clergy seem to feel that the Auxiliary will hamper the work of the Parish. Of course, we know that this is not the case, for it is the wish of our organization to help in the five fields of service, of which the Parish is of first importance. In two years we shall have our fiftieth anniversary. Is it too much to hope that by that time every Parish and Mission will have a Woman's Auxiliary?

There is no doubt that the Auxiliary has not nearly reached its ideal and, in looking to the future, I would have you think of a few of the possibilities which I have felt would help to make it more nearly reach that ideal.

First, as I have said before, a branch in every Parish and Mission,—and this has been accomplished in some dioceses, Chicago, for instance, and what others do, we surely can do. While I know of the splendid work of Guilds, I do not feel that they in any way take the place of the Auxiliary in fulfilling our obligation as women to the National Church. This calls for education and I am sure cannot be accomplished by the Educational Committee alone, splendid as it is, but needs the help of everyone. We should all think Auxiliary, talk Auxiliary and live Auxiliary. Its growth is the responsibility of every member.

We certainly cannot be intelligent members unless we take the Spirit of Missions and READ. It should have a far greater subscription list than it now has. Every branch should have one woman devoting her time to interesting new subscribers.

We should have better co-operation between the Diocesan and Parish branches. By this I mean each branch should be regularly represented at the Diocesan meetings, and should it not be the duty of every president to be there herself and see that there is always someone from her branch besides? These should not only be represented but should carry back to their branches a full report of these meetings. We have, from time to time, talked of asking for yearly reports from branches, which it seems to me would be very helpful and is done in many dioceses. At the conference tomorrow afternoon, I hope we may have a good discussion about this and that you will all express yourselves freely.

We all know what fine work has been accomplished by our Chairman for Supply Work, but even in this we should grow, for there are many opportunities of enlarging. Only this last year we have added a sub-committee to take care of altar supplies. Other sub-chairmen could carry on other phases of the work, for it would be too much to add to this already hard worked chairman. A store closet where supplies could be cut, thus helping to meet the demands of our church institutions, would be a splendid addition.

Our Social Service work has really only just begun but is full of possibilities. I have sometimes felt that if we could choose one definite piece of work, perhaps we would get better results. This is done by the New York branch, which carries on a splendid piece of work on Ellis Island. Through the efforts of Mrs. Marquis, the Prayer Partnership Plan has been started. I say started because it has been almost impossible to learn just how many of the branches have taken it up. Mrs. Royce, one of our prayer partners who was at the Hillsdale Conference last summer, spoke so feelingly of the help this was to her. She said: "If you women at home could only realize what a power of strength in my discouraged moments is that feeling that at home there are women thinking of and praying for me." I wish that every branch would form a prayer partnership group. It is so little to ask for those who are doing so much.

And so I could go on with suggestions for the strengthening of the whole organization through its various departments, (its welfare is very deeply implanted in my heart), but I am sure that you who love its work too will rally to its support in the years to come so that it may become what it should be,—the great woman's organization of the Church. In closing, I want to thank you all for having given me the privilege of helping in this service of love and work for the Master. It has not been an easy task and I would that I had been better able to perform it.

MARGARET CHITTENDEN BARBOUR, President.

## ANNUAL REPORT OF THE RECORDING SECRETARY

Another period has ended in the history of the Woman's Auxiliary, Diocese of Michigan.

Let us, therefore, briefly review some of the things which this organization accomplished during the year 1927:

The forty-eighth annual meeting of this society was held in St. Paul's Cathedral, Detroit, on Monday, January 21st and Tuesday, February 1st, 1927.

On Monday afternoon a number of annual reports were read and the election of officers for the ensuing year was held. The session closed with an address by Mrs. Wright B. Haff, Secretary of the New York branch of the Woman's Auxiliary.

A Corporate Communion was held on Tuesday morning, the Rt. Rev. Alfred A. Gilman, D.D., Suffragan Bishop of the Missionary District of Hankow, being the Celebrant, assisted by Dean Johnson and the Rev. Allan McAvoy of the Cathedral staff.

This service was followed by the second session of the annual meeting.

At this time Mrs. Frederic B. Stevens presented the Auxiliary with a beautiful silk banner and explained the symbolism of the embroidered design.

Annual reports were continued and the Bishop of this Diocese, the Rev. Herman Page, D.D., gave his annual address.

Tuesday afternoon was given over to a conference for the Auxiliary workers, led by Mrs. James McDonald.

Since the annual meeting, seven meetings of the Executive Committee, nine monthly meetings, two Corporate Communion, a Communion Service for the Executive Committee and a Quiet Morning during the Lenten season have been held.

The attendance at the monthly meetings has continued to be very good, an average of one hundred and nine being present. The largest number attending a single gathering was two hundred and fifty at the annual meeting in January and the smallest number recorded was eighty-six at the March meeting in the Church of Our Savior, Detroit.

Two Mission Study Institutes were held, the first on January 29th, at which a class on Rural Work was conducted by Mrs. Wright B. Haff of New York, who proved to be an admirable leader on this subject.

The second Study Class was held on Oct. 11th, this taking the place of the one usually held at the time of the Annual Meeting in January.

This class was led by Mrs. William L. Torrance of Detroit, who made the subject, "The Church Awake," most interesting and instructive.

The United Thank Offering has reached the sum of \$11,027.45, this being \$2,320.64 more than at the corresponding time in the last Triennium.

The Corporate Gift, which is being raised by the women for special objects, has been efficiently cared for by Mrs. William L. Clements,

who has given much of her time in visiting the branches of the Auxiliary and speaking in the interest of this gift.

The best thanks of the Auxiliary should be given to Mrs. Thomas C. Stirling, United Thank Offering Treasurer, and to Mrs. William L. Clements, chairman of the Finance Committee, for their faithful and valuable service to this society.

It was with deep regret that the officers and members of the Diocesan Auxiliary heard that our president, Mrs. William T. Barbour, had refused a renomination as head of this organization.

May we not at this time express to Mrs. Barbour our very sincere thanks and appreciation for the unfailing interest and help in many ways in carrying on the work of the Woman's Auxiliary, in the Diocese of Michigan.

Respectfully submitted,

WINNEFRED GRIFFITHS GRANGER,  
Recording Secretary.

## ANNUAL REPORT OF THE VICE-PRESIDENT OF THE DETROIT ARCHDEACONRY

As Vice-President for the Detroit Archdeaconry, I have attended all but one of the executive meetings, and tried in every way I knew to help forward the work of the Woman's Auxiliary in this district.

During the year 39 parishes have been visited by members of the Executive Committee, in addition to the visits made by the chairman of the Finance Committee in the interest of the Corporate Gift, and we hope that at least three new branches may be the result.

It is not always possible to send thrilling "speakers" to entertain Auxiliary meetings, but any group desiring information or advice we can always help, and to me the understanding of the problems in the various branches, and the acquaintance with the many fine women has been a great pleasure, which I dare to hope has been mutual.

Respectfully submitted,

FREDERIKA M. BENEDICT,  
Vice-President Detroit Archdeaconry.

## ANNUAL REPORT OF THE VICE-PRESIDENT OF THE SOUTHERN ARCHDEACONRY

Letters and literature have been sent at times, through the year, to the various branches.

In the fall we sent letters to thirty-three parishes, urging more co-operation, stating that we were ready to help in any way and asking them to make use of our committees in solving their problems.

There has been one response and that was for information in regard to the Corporate Gift.

In several parishes the Auxiliary has become a committee of the Church Service League or the Woman's Guild.

The branches met their quota for Easter and Christmas boxes and that work seems to interest all, both old and young.

Classes for Lenten Study were successful in several parishes and we hope this work may be enlarged during the coming year.

The work of the Woman's Auxiliary is so splendid that we must bend every effort to interest more and more women and thus make it a wonderful power in God's Kingdom.

Respectfully submitted,

ANNIE CONDON,  
Vice-President Southern Archdeaconry.

## ANNUAL REPORT OF THE VICE-PRESIDENT OF THE NORTHERN ARCHDEACONRY

Your Northern Archdeaconry Vice-President began her activities for 1927 by attending the Annual Convention. With the exception of the meetings held in February and March, she attended all meetings of the Executive Committee and the monthly meetings of the Diocesan Auxiliary.

During the Lenten Season she had a Mission Study Group, using for the text that most interesting book, "Beyond City Limits." Subsequently reviews of the book were given in four different parishes, to groups of women who had not attended classes.

Upon invitation, visits were made to several parishes, where talks were given on "The Message," "The Corporate Gift," "The Mission Study Class," and "The Woman's Auxiliary to the National Council."

Pursuant to a plan of the Chairman of the Department of Missions in September, letters were sent out to every parish and mission in the

Archdeaconry, asking the privilege of sending some one to talk to their woman's organizations about the auxiliaries. The replies from the clergy and presidents of societies were very cordial, and many pleasant and, we hope, fruitful contacts were made.

Quite the largest undertaking was the visit to the Northern Mission Field of the diocese, where we were privileged to accompany the Rev. Mr. Hole, missionary in charge, or his assistant, Miss Elliott, on a week's trip through this territory, which comprises Trinity Parish, Mackinac Island, St. James, Cheboygan and the Missions at Onaway, Hagensville, Long Rapids, Lachene and Hillman. These charges are all widely separated, and one must visit them himself to realize the miles of travel entailed in making one visit to each point.

In closing my report, may I assure those whom I serve in the capacity of Vice-President of the Northern Archdeaconry, that I am always ready and willing to do anything I can to promote the aim of the Woman's Auxiliary—the spread of Christ's Kingdom among women.

Respectfully submitted,

HATTIE S. APPLEBE,  
Vice-President Northern Archdeaconry.

January 30, 1928.

## ANNUAL REPORT OF THE VICE-PRESIDENT OF DOMESTIC MISSIONS

We received from the members of four boys' fraternities in Detroit the sum of \$125 for Mrs. Wilkins in her work among the mountaineers of Ivanhoe, Virginia. This money was part of the proceeds from a dance given by these four fraternities—the "Big Four." Many of our own boys aided in this effort.

In June letters were sent to 48 parishes asking for contributions in money and clothing for relief of the flood sufferers in Mississippi. Thirteen of these parishes graciously responded to the call by sending boxes valued at a total \$938.55, and in money to the extent of \$154.00. The total for this response was \$1,092.55. Bishop Bratton of Mississippi, expressed his deep appreciation for this splendid help.

At the last executive meeting of the Auxiliary, it was decided to respond to an appeal for help from the flood sufferers in the Diocese of Vermont. The offerings contributed by the Auxiliary at the Convention meetings on January 30 and 31, 1928, are to be used for this cause.

The total value for boxes sent and gifts in money for the year 1927 is \$1,217.55.

Respectfully submitted,

LOTTIE H. CHAFFEE,  
Vice-President for Domestic and Diocesan Missions.

## ANNUAL REPORT OF THE VICE-PRESIDENT OF FOREIGN MISSIONS

Through the efforts of this department, handwork for seven different mission stations was disposed of, amounting to 265.13.

One visit in the interests of the Auxiliary was made to the League of St. James' Church, Birmingham, Mich.

A group of young women in the Church of the Messiah was interested and made a set of altar linens for St. Margaret's Mission, Hazel Park.

As custodian of the Auxiliary banner, it has been on display at the out-of-town meetings and on the occasion of the annual meeting.

I have attended all but one of the executive meetings, and all but one of the Diocesan monthly meetings.

Respectfully submitted,

MARY S. FULLER,  
Vice-President of the Foreign Field.

### ANNUAL REPORT OF THE ELIZABETH FISKE LOCKE STEVENS MEMORIAL LIBRARY

The Spirit of Missions for 1927 has been given by Miss Winnefred G. Granger. This makes a complete file of this magazine from 1890 to 1927.

This library is in St. John's Parish Building, and is for the use of all interested.

Respectfully submitted,

DELIA WARRINER, Librarian.

### ANNUAL REPORT OF THE VICE-PRESIDENT OF EDUCATIONAL WORK

The Educational Committee experienced unusual activity this year in that it organized two Institutes—one in January as has been its custom for the past fifteen years and also one in October. The latter took the place of the January Institute of 1928. It was found that an institute preceding the Convention formed too long a period for the delegates.

In January the subject considered was the Rural Problem, using the textbook, "Beyond City Limits" by the Rev. F. D. Goodwin. Mrs. Wright B. Haff, of Pelham, N. Y., as leader, was most helpful and inspiring.

During the following Lenten season approximately twenty classes were conducted throughout the Diocese upon the Rural Problem—a subject which brought the Church's Mission very close to our doors. For the first time, we believe, a concrete project was suggested to the study classes which was, besides a general interest in our rural work, to send a delegate to the Woman's Rural Conference in Madison, Wis. As a result, a fund of seventy-three dollars was contributed by the following 13 parishes:

As it was impossible at the time to find a woman available who was in a position to both give and receive benefit at such a conference, it was decided to send a man. Through the suggestion of Archdeacon Ramsay, Rev. Charles E. Edinger was chosen. The choice was a most happy one from all standpoints.

From the thirty-one reports returned out of the fifty-four blanks sent out, it was learned that beside the above classes several used the Bible for their study and two continued with Latin America.

A class in Beyond City Limits reported from St. Luke's Church, Ypsilanti, conducted by their Junior Guild is a suggestion for other churches. How many branches of the Woman's Auxiliary are interesting young women of from 25 to 35, married or unmarried, in a study of the Mission of our Church. These young women are usually shy about associating too openly with those of more mature age. However, if they are encouraged to take up among themselves some of the subjects of our study they might discover new contacts with the life of the Church.

The Fall Institute was held under the excellent leadership of Mrs. William L. Torrance, whose enthusiasm always remains fresh and inspiring. As a proof of this, this Institute stood out above all others many years in the number of new leaders added to our list. Mrs. Torrance also represented this Diocese at the Educational Conference in Racine last September.

The subject for this year, "A Church Awake," a study of the vital elements of the Gospel, by Dr. William C. Sturgis, is primarily inspirational and so is recommended to all who are looking for renewed zeal and a more spiritual point of view in their Church activities.

It is hoped next fall to hold Institutes in two or three parts of the Diocese if the demand is sufficient.

In addition to our study classes we must not forget that programs throughout the year have also great educational value, even though it be but readings from the Spirit of Missions and a study of the Program of the Church. Epiphany Church, Detroit, reported reviews of several novels in connection with their rural study. We offer this as a suggestion.

In closing, we wish to pay a tribute of thanks to our retiring president, Mrs. William T. Barbour, for her ever ready and gracious co-operation in all of our educational efforts.

Respectfully submitted,

CLARA WILLIAMS,  
Vice-President Educational Work.

## ANNUAL REPORT OF SOCIAL SERVICE COMMITTEE

The report of the Social Service Committee is very brief, as they did not get under way until November. The only work this committee is really responsible for, was the gifts at Christmas time to about 100 girls who are on parole to the Juvenile Court. These were given by six of the Auxiliaries and as many were donated by individuals and the cost can only be estimated at \$135.

These gifts were all wrapped and tied in Christmas paper and ribbons and looked very attractive, and we all enjoyed making a girl happier.

Respectfully submitted,

GRACE POTTLE,  
Chairman Social Service Committee.

## ANNUAL REPORT OF THE VICE-PRESIDENT OF SUPPLY WORK

During the year 1927, the Diocese of Michigan has sent supplies to one hospital, eight missions, four church schools, personal boxes to twelve missionary ministers and their families and Christmas boxes to five women missionaries.

We have not only accepted in full and sent all allotments given out by the National Supply Department, but have on three different occasions asked for added assignments from that department.

Owing to the large number of local demands upon the branches for used clothing, the supplies sent from Michigan during the past year have been almost entirely new garments and articles.

## ANNUAL REPORT OF ALTAR HANGINGS DEPARTMENT

Under the Direction of Mrs. Wm. Taylor

The young women of the Church of the Messiah sent a set of altar linens, consisting of 17 pieces to St. Margaret's, Hazel Park. St. Phillips and St. Stephens have contributed 12 choir vestments, which will be sent to a mission in northern Michigan.

Contributed to this department, \$10.00 by the Women's Auxiliary.

MRS. WM. TAYLOR.

ANNUAL REPORT OF PROGRAM COMMITTEE

An annual report of a Program Committee seems always an unnecessary and futile thing, for the program has been given, it is over and done with. Its mistakes and weaknesses have been noted; its strength and constructive policies recognized, so the best and kindest a Chairman can do is to glance over it briefly and make a recommendation or two out of her experience.

Your Chairman herewith presents for filing the printed program of the Woman's Auxiliary for the year 1927, and the combined program of the annual meeting of the Woman's Auxiliary and the House of Church Women.

The committee consisted of:

- |                        |                      |
|------------------------|----------------------|
| Mrs. James H. McDonald | Mrs. F. L. Baeslack  |
| Mrs. E. D. Merritt     | Mrs. A. G. Pittlekow |
| Miss Alice Alexander   | Mrs. E. D. Kanaga    |
| Miss Elizabeth Thomas  | Mrs. Don Williams    |
| Mrs. N. L. Torrance    | Mrs. W. T. Barbour   |
| Mrs. Frank Robinson    | Mrs. Charles E. Heal |

and to this loyal, competent and hard-working committee their Chairman wishes to extend her grateful thanks.

Places of meeting were St. Paul's Cathedral; St. Columba's, St. John's; Church of Our Savior; St. Andrew's; Trinity Church, Bay City; St. Joseph's, St. Andrew's, Ann Arbor; St. Matthew's and St. Alban's and the women of these parishes and their rectors, who so hospitably entertained the Auxiliary, we are indebted and appreciative.

Out of the program come two recommendations:

(1) That the Program Committee of the Woman's Auxiliary and of the House of Church Women continue to be one and the same committee, thus promoting a finer unity, a better understanding, a more

accumulative knowledge of the work and a greater opportunity for united service on the part of the women of the Diocese.

(2) That the program continue to be a January-January program.

This experiment was tried this year for the first time with many misgivings, which were speedily dispelled as the program developed. The program was given practically as presented and it is of interest to note that the September, October and November meetings, with the exception of St. Andrew's, Ann Arbor, being substituted for Christ Church, Cranbrook, were given as printed, although they were planned the December before.

With this brief report and these recommendations, your Chairman closes her work for you as Chairman of Program, thanking you for your tolerance and wishing for the Woman's Auxiliary "every good and perfect gift."

Respectfully submitted,

CHRISTINE J. McDONALD, Chairman.

#### ANNUAL REPORT OF HOSPITALITY COMMITTEE

The Hospitality Committee made reservations and secured transportation for the Spring Meeting at Bay City.

A private car was engaged and between thirty and forty people made the trip and were hospitably entertained.

Our committee has just completed necessary arrangements for the hospitality for visiting delegates to the annual meeting. We have sent out letters to keywomen in the churches of Greater Detroit, asking for contributions to help cover the cost of this work. We have heard from some and are much encouraged at the prospect of liberal gifts to complete our program.

Our committee stands ready to be called upon and will be glad to be of assistance in any way to make the stay of our visiting delegates more comfortable. We will be known by red ribbons with pins marked "Hospitality."

Respectfully submitted,

LOUIS T. MABLEY,

Chairman Hospitality Committee.

#### ANNUAL REPORT OF FINANCE COMMITTEE

At any annual meeting the interest is not maintained by lengthy reports. I shall never forget the deafening applause accorded one financial secretary who, when called upon for a report, said, "There are no finances, so I can give no report," and sat down. By everyone her report was voted the best of that enormous program, but I am not in like situation, so am glad to tell you about our status on the Corporate Gift, even at the risk of being voted a bore, for I know statistics are a bore and many of you are not interested in the Corporate Gift. But when I tell you you do not know what moment your name or rather that of your parish may be mentioned, I believe you will be interested to learn where you stand.

The Corporate Gift has been explained to the following churches in Detroit in personal calls: St. Matthias, Christ Church, Ascension, Epiphany, St. John's, St. Joseph's, St. Mary's, St. Paul's Cathedral, Grace, St. Albans, St. Andrew's, Memorial, Trinity, St. Peter's, St. Philip's, St. Stephen's, and St. Thomas. Outside of Detroit: Christ Church, Adrian; Christ Church, Cranbrook; Christ Church, Dearborn; St. James, Grosse Ile; St. Paul's, Jackson; Grace, Mt. Clemens; Grace, Port Huron; St. Paul's, Port Huron; St. Paul's, Flint; Christ Church, Flint; St. Paul's, Saginaw; St. Stephen's, Wyandotte, and St. Luke's, Ypsilanti. Total, 29. Other churches in the Diocese have not been visited because it has been impossible to get a date.

Checks have been received from St. Andrew's, Ann Arbor; Grace, Bay City; Trinity, Bay City; Christ Church, Cranbrook; Christ Church, Dearborn; Christ Church, Detroit, Christ Church, Flint; St. John's, St. Joseph's, St. Matthias, St. Paul's Cathedral, Messiah, St. Albans, St. Thomas, all of Detroit; St. James, Grosse Ile; St. Paul's, Jackson; All Saint's, Pontiac; Grace, Port Huron; St. John's, Royal Oak; Calvary, Saginaw; St. Paul's, Saginaw; St. James, Brightmoor; Halfway; Trinity, Detroit; St. Stephen's, Wyandotte.

There has been sent by the Diocese of Michigan to the National Treasurer, \$1,846.38 of the \$2,500 we hope to send.

The National Treasurer of the Corporate Gift has received \$78,000, approximately, of which she has sent \$58,000 on to the National Treasurer of the Church, leaving \$20,000 in the Corporate Gift treasury and \$22,000 yet to be collected, a very good showing, but as we are asked to redouble our efforts, knowing the last thousands are the hardest to get, I beg of you to respond to this call as our Lord has prospered you.

J. N. Y. CLEMENTS, Chairman Finance Committee.

### PRAYER FOR MISSIONARIES

Almighty and most merciful God, we humbly beseech Thee, to pour out Thy Holy Spirit upon all our missionaries at home and abroad, especially:

Estelle S. Royce, Port au Prince;  
 Elizabeth Roberts, Shanghai;  
 Elizabeth Beecher, Western Nebraska;  
 Geraldine Huntley, Cuba,

and to crown their labors with success in the gathering of souls into Thy Kingdom. Strengthen them, we pray Thee, with Thy Good Spirit, and comfort them with a sense of Thy presence, that they may preach and teach to the upbuilding of Thy Kingdom and the salvation of souls. Make us to realize that they are doing our work and grant us grace to support them out of the wealth of good things Thou hast bestowed upon us; through the same Jesus Christ our Lord. AMEN.

## ANNUAL REPORT OF CHURCH PERIODICAL CLUB

In making a report of the Church Periodical Club it is impossible to give any adequate idea of the work accomplished.

The Club has always worked in the five fields of service. During the past year reading matter has been sent to every missionary district.

At Christmas over one hundred books were sent by individuals to missionaries and shut-ins and most appreciative letters have been received.

Quantities of books have been sent to form libraries in rural communities both in the diocese and throughout the country. There is a great need for these libraries, especially among the mountaineers of the South. Can we not interest more of our Church Schools and young people's societies in this work? In one Church School every class sent a book to St. Margaret's School in Tokyo, Japan; another sent to Fort Valley High and Industrial School in Georgia.

In each book was placed a book plate bearing the name of the donor.

In answer to an appeal from Alaska, a member of St. Paul's Church, Jackson, sent a set of the Harvard Classics.

The Woman's Auxiliary of Christ Church, Detroit, gave a traveling library in memory of Mrs. Belle Holland Brady. This library was sent to Onaway, Michigan, to be in charge of Miss Ethel Elliot.

There have been six meetings of the parish secretaries. To these secretaries I wish to express my appreciation of their fine co-operation and splendid work and may I take this opportunity to thank all who have contributed in any way to the Club? Without your interest and help this work could not be carried on.

Three hundred and sixty current periodicals have been sent regularly to some given address by two hundred and twenty persons.

Four hundred and ninety Bibles, Prayer Books and Hymnals. Over one thousand books, eight thousand odd papers and magazines, nine thousand five hundred cards and pictures, sixteen hundred miscellaneous articles, including pictures, games and records.

Twenty-two institutions in this diocese have been aided.

## ANNUAL REPORT OF THE CHURCH SCHOOL SERVICE PROGRAM

Another year is finished and we find that more boys and girls are working in the fine fields of Christian service than were doing so last year, not only working but praying, studying about and sacrificing for others.

Last spring the head of the National Church School Service Program asked the boys and girls of our diocese to provide Christmas presents for 1256 Indians, for two Chinese missions in California, for children in some mining camps in Utah and for some Mexicans in a mission in New Mexico and also to send \$100.00 to Japan to purchase Christmas gifts for the children in one of our missions there.

Miss Helen Edwards was responsible for the Christmas box work this year and she wrote to every church school in the diocese telling them what our program was and asking them if they would like to have a share in carrying it out, with the result that by October 1st more schools were asking for assignments than she had assignments for, showing that it is wise to get your quota early and avoid the last minute rush. Some schools were disappointed that they could only send toys and clothing to Indians, two gifts, a joyful and a useful one were sent to each person, or 2,512 presents in all, and the appreciative letters received show that our efforts made Christmas a joyful day for many in far away, isolated places; the letters and Christmas greetings seemed to be as welcome as the gifts.

As soon as the Christmas boxes were sent, which was about Thanksgiving time, we began planning for Christmas cheer for people here at home. Early in the fall Miss Marion Baker, our secretary for the Community Field, went with me to see the Rev. Mr. Pierson at the City Mission, to see how our Church Schools could help in his Christmas work. We found that there were many ways that the children could assist by sending gifts to and singing carols at the hospitals, furnishing Christmas dinners, clothing and gifts for needy families, etc. Most of the schools in Detroit and a number in the diocese did Christmas work in the community, sending gifts from white gift and mangle services to the hospitals, bountiful Christmas dinners, clothing and toys to needy families. Most of this work was assigned to the schools by Miss Balch, who is connected with the Detention Home and in touch with investigated court families, so we were able to help a number of these cases, which was much appreciated by Miss Patten.

The Church School Service Program is now conducting classes or conferences every month at the Saginaw Normal School, the Flint School, and the Detroit Normal School for Teachers' Training. At the latter we have a conference which acts as a clearing house for the Diocesan officers and Parish Supervisors; this is held at 4:00 o'clock, at the first class period. In the evening two work classes are conducted, one for leaders of boys and one for leaders of girls. At the second hour there is a class on Methods of Carrying Out a Service Program. Through these classes the Diocesan Supervisor of the Service Program gets in touch with those wishing help in planning their work and is able to advise them about it and sometimes to meet with their teachers and help them to organize. Last week I went to Brightmoor to tell the Church School teachers there about the service program and had a very pleasant and profitable conference with the Rector and Mrs. Ditchburn and their teachers.

At the January Detroit Normal, St. Matthias, C.S.S.L., gave a simple pageant called the "Spirit of Service," under the direction of Mrs. Elizabeth Bissell.

The pageant was symbolic of the League. There was a prologue and epilogue and two episodes. In the first Christianity comes to the spirit of Service for aid. Service calls her spirits of Sturdy Work, Gifts, Fellowship and Prayer to do her bidding. In the second episode the spirits of Community, Diocese, Nation and World and Mother Church-Parish come also to Service for help.

Service gives her helpers to aid each one in the work they do.

This little play made very clear the Spirit of Service and is simple enough to be used by any church school group. Copies of the play may be secured from Mrs. Andrew Gill, 2012 West Grand Blvd., Detroit. We think plays and pageants should be encouraged as part of the service activities of a school, as it makes the field more real to the children and gives them an opportunity to shine in a way they love.

The children of St. Paul's Cathedral also gave a pageant, "The Pilgrims and the Book Beloved," at the Lenten Offering Presentation Service last May, which was very beautifully done.

The Lenten Offering of the Church Schools for 1927 was \$6,778.42 and the Birthday Thank Offering was \$415.00.

Christmas Box Work, Lenten Offering and Mission Study are four activities that all schools carrying out a Service Program are asked to take part in.

Respectfully submitted,

EDITH H. MAURICE,  
Supervisor of the Service Program, Diocese of Michigan.
