MOTTO:

"Where there is no vision, the people perish."
Proverbs XXIX: 18.

SUGGESTED PRAYERS

*"And I, if I be lifted up from the earth,
will draw all men unto me."*

NOONDAY PRAYER

Blessed Saviour, Who at this hour didst hang upon the Cross, stretching forth Thy loving arms; Grant that all mankind may look unto Thee, and be saved; through Thy mercies and merits, who livest and reignest with the Father and the Holy Ghost, ever One God, world without end. Amen.

WOMAN'S AUXILIARY PRAYER

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy Beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. Amen.

PRAYER WRITTEN FOR THE WOMAN'S AUXILIARY OF THE DIOCESE BY BISHOP McELWAIN

Almighty God, our Heavenly Father, bless, we beseech Thee, the women of the Auxiliary of the Diocese of Minnesota, and grant them quickness of vision to see the opportunities which Thou givest them and strength of will to accomplish what Thou commandest; through Him Whom we serve with reverence and love, Thy Son, our Saviour, Jesus Christ. Amen.

UNITED THANK OFFERING PRAYERS

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to

give as Thou hast given to them. Accept from thankful hearts our United Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

O Lord Jesus Christ, who art the way, the truth and the life, grant to all members of the Woman's Auxiliary increase in knowledge, obedience and love; give them a clear vision of thy will and purpose for the whole world, and help them to do their part in calling back thy Church to simpler discipleship, readier obedience, and more loving service; for thine own name's sake. Amen.

FOR MISSIONARIES AND THEIR WORK

O God, who by Thy Son Jesus Christ, hast commanded us to go into all the world and preach the Gospel to every creature, make us faithful and obedient to do Thy Holy will. Give us compassion for all who are living without Thee in the world. Send forth, we beseech Thee, labourers into Thy harvest. Protect and guide them wherever they go. Give them patience, love, and a right judgment in all things. Gather in Thine elect from all nations and hasten Thy Kingdom through Jesus Christ our Lord. Amen.

O God, forasmuch as without Thee we are not able to please Thee, mercifully grant that Thy Holy Spirit may in all things direct and rule our hearts; through Jesus Christ, our Lord. Amen.

Grant us, Lord, in all our duties, Thy help; in all our perplexities, Thy counsel; in all our dangers, Thy protection; and in all our sorrows, Thy peace, for Jesus Christ's sake. Amen.

SUGGESTED BENEDICTIONS

May God bless us with a loving sense of His near presence to guide us, to protect us, now and forever more. Amen.

Lord support us all the day long of this troublous life until the shadows lengthen and evening comes, and the busy world is hushed, and the fever of life is over, and our work is done. Then in Thy mercy grant us a safe lodging and a holy rest and peace at the last, through Jesus Christ our Lord. Amen.

PRESIDENT'S REPORT

Another year of worthwhile activities of the Woman's Auxiliary, Diocese of Minnesota, was finished with the holding of the fifty-second annual meeting in Mankato, May 16th, 1934. This meeting was one of the largest and most inspirational we have ever had. The communion service was held in St. John's Church but it was necessary to retire to a neighboring church of much larger size in order to seat all who came. It was the first time the Auxiliary has been fortunate enough to have the use of a microphone and all in attendance were able to hear the entire program. Bishop McElwain, Bishop Keeler and our guest speaker, Bishop Roberts of South Dakota, gave most helpful addresses. Mrs. Roberts, who is the member at large on the National Board from the Sixth Province, gave a brief but interesting talk.

The Deanery meetings held during the past year have been well attended and members of the Woman's Auxiliary have taken an active part in the programs.

The steady growth of the Junior Auxiliary branches and the excellent work being done by these Juniors promises a brighter future for the upbuilding of the Woman's Auxiliary in this diocese.

Considerable interest has been taken by Woman's Auxiliary members in the United Thank Offering this year and many ways and means have been devised to make the amount worthwhile when presented at General Convention in Atlantic City.

Our "Day of Prayer" held November 11th of last year was widely observed. The Lenten study groups were well attended. Members of the W. A. took an active interest in the Summer School Conference held at Carleton College in June. A full quota of delegates from the Minnesota Auxiliary attended the Sixth Province Synod held in Hastings, Nebraska, last fall and a like number has been elected to attend the General Convention in Atlantic City in October of this year.

The president attended eight Deanery meetings, three Diocesan meetings and ten Executive Board meetings during the past Auxiliary year.

May the new Auxiliary year find us ever ready to do our part in parish, deanery and diocesan work and not forgetting that the women of the Church are organized to help the National Council in its work of bringing Christ's Kingdom to all men everywhere.

Respectfully submitted,

EMMA V. ALLEN,

Diocesan President.

REPORT OF RECORDING SECRETARY

There have been nine meetings of the Board with an average attendance of 13, and three Diocesan meetings from May 1, 1933, to May 1, 1934. The fifty-first annual meeting was held at Red Wing on Thursday, May 18, 1933, with the Rev. Mr. Wm. Poyseor, Archdeacon of the Diocese of Marquette, as the speaker at the afternoon session and Miss Margaret Van de Grift of Austin, speaker at the morning session on "The Junior Auxiliary at Work." The semi-annual meeting was held at St. Luke's, Minneapolis, on Thursday, October 5, 1933, with Mrs. Marguerite Harmon Bro as the speaker at both morning and afternoon sessions. The mid-winter meeting was held at St. John's, Linden Hills, Minneapolis, on Wednesday, January 24, 1934, with the Rev. Mr. Harold Holt of Oak Park, Illinois, as the speaker of the afternoon session. Bishop McElwain attended the annual meeting and Bishop Keeler all three meetings. The attendance at these meetings has been between 350 and 400 persons. Mrs. J. O. Bach attended the Synod meeting at Hastings, Nebraska, as a delegate from the Diocese of Minnesota.

Respectfully submitted,

MELBA NELSON SCHMITZ,

Recording Secretary.

Banner Deanery—Willmar. All parishes working. All reports in.

The detailed report by parishes will be found in the back of the Year Book. Our estimate may not correspond with yours but is computed by a standard of values sent from New York. This does not give an adequate report of supply work done.

It does not include any of the countless boxes of used clothing which were sent to the mission stations last fall.

It does not include any diocesan work. The value of the large amount of second-hand clothing this diocese sent to Birch Coulee and to the mission stations cannot be estimated in dollars and cents.

REPORT OF JUNIOR AUXILIARY WORK

There are now at least twenty seven active girls' organizations, using our Junior Auxiliary program in whole or in part. Of these six are newly started during the past year. Besides these twenty-seven groups there are five or more who meet irregularly, or for one special purpose only.

The work done by the girls includes sewing for mission boxes, doing much Church Periodical Club work, giving money and service to their local churches, doing Christian Social Service, reading and studying missionary and church literature. Many of them are working now making little doll beds of candy boxes for a Minnesota missionary, Miss Bernice Jansen, to use in her kindergarten work in Japan. Some of the girls have U. T. O. boxes and we expect many more to use them this year.

We hope to have a united service for the girls in the early fall at a Twin Cities' church.

The group at Austin won an award for the amount of reading done by the girls in 1933.

In conclusion, may I leave with you one thought to take back to your parishes? Who is going to do the work of the Auxiliary, the work you all do now—ten, twenty, thirty years from now? And how will our girls learn about that work—its interest, its bigness, the satisfying rewards of it—if we do not teach them?

ESTELLE B. BANCROFT,
Secretary for Junior Auxiliary.

REPORT OF THE SECRETARY TO THE SHUT-INS AND ISOLATED

As no report was made last October, the following outline is for the year from May, 1933, to May, 1934.

Statistics are boresome, but a few are necessary to indicate the work done. In the past year there have been sent out:

240 letters (nearly all with enclosures).

210 cards (Christmas, Easter, Birthday, etc.)

Approximately 200 church papers.

Many miscellaneous articles such as jig-saw puzzles, prayer books, book-marks, quilt pieces, etc.

212 calls have been made and last summer over 70 bouquets of garden flowers were carried to shut-ins.

The attempt has been made to permeate these material objects with a spirit of real friendship and there have been rich returns.

I shall be most grateful for any additional names of shut-ins. I can be addressed in care of Gethsemane Church, Minneapolis.

Respectfully submitted,
MARY SHARE.

REPORT OF THE CHURCH PERIODICAL CLUB FOR THE YEAR 1933

The Church Periodical Club is constantly seeking new outlets. This year two very definite lines were developed, the work for institutions of the diocese and that for the men in government camps. The various branches reached 72 institutions in the diocese. These included nine county farms, five county jails, sixteen hospitals, four tubercular sanatoriums, four settlement houses, also orphanages, old people's homes, and the Veterans' Hospital.

Contacts were made at six government camps in the state, with one in Iowa and with Archdeacon Poyseor who visited camps in northern Michigan. Material distributed included prayer books, magazines, puzzles, games, playing cards and seasonal cards. Much special work has been done, one branch reports 23 knit caps made for the Veterans' Hospital, and another five crib-quilts for a colored settlement house.

During the year the Club distributed 21,835 seasonal cards and 13,045 magazines. The Woman's Auxiliary, the Junior Auxiliary, the Daughters of the King and many church schools have co-operated in the work.

Respectfully submitted,

MARGARET DENSMORE,

Diocesan Director.

REPORT OF THE LIBRARIAN

May 16, 1934.

The service given by the library goes on as usual. We find all the time, even among the dyed-in-the-wool Episcopalians, many who have never heard of it, who do not know that they can read all these good books, without charge, and they all exclaim at the great privilege of being allowed to borrow the books in this way. One interesting thing this year is the surprising number of young people from a number of parishes in Minneapolis who have been interested in reading everything we have about the Church.

From May 1, 1933, to May 1, 1934, we issued ten hundred and twenty-six books, the largest circulation so far. We have received this year from the Auxiliary Board and from fines \$84.95. With this we have purchased thirty-four books, and still have on hand a balance of \$24.52, most of which will be spent this month on books for summer study on Japan.

Respectfully submitted,

LOUISE H. HANZLIK,

Librarian.

REPORT OF THE CORRESPONDING SECRETARY

June 9, 1933, to May 16, 1934

The Secretary has written 57 letters, mailed 127 Year Books, mailed 224 notices to the Executive Board, mailed 131 programs for the semi-annual meeting, 134 programs for the mid-winter meeting, 135 programs for the annual meeting, 107 credential cards, distributed 7,300 prayer leaflets, and compiled the new directory of 107 parishes and 226 names.

Your Secretary has attended nine regular board meetings and all diocesan meetings.

And please may I ask that you send in the lists of your new officers as soon as possible in order that we may keep our directory up-to-date?

EDITH COPELAND WRIGHT,
Corresponding Secretary.

REPORT OF THE SECRETARY OF EDUCATIONAL AND RURAL WORK

I compiled and sent out the study book program for the year. I contacted seventy-two parishes, in groups or separately, some city parishes twice. I instituted three evening groups.

I spoke before Y. P. F. and Junior Auxiliary gatherings, and addressed nine reciprocity meetings.

I attended this Synod meeting of the Province at Hastings, Nebraska, and ten deanery meetings of the diocese.

I held teachers' institutes for study group work in St. Paul, Minneapolis and Anoka. I held six Lenten classes in St. Paul at Christ Church, and six in Minneapolis at St. Mark's Church.

I have written 374 letters.

I have attended meetings of Diocesan Board of Religious Education and represented the Woman's Auxiliary on the State Board for Adult Education and on the Federated Council for Allied Church work.

I conducted survey of educational facilities in selected parishes of the diocese for the National Educational Department, New York City.

I am at present conducting a like survey for the Woman's Auxiliary in all parishes outside the Twin Cities.

Respectfully submitted,

LAUREL BACH,
Field Secretary.

REPORT OF MARSHALL DEANERY

The second annual meeting of the Marshall Deanery was held at St. Paul's Church, Pipestone, in mid-October. The meeting opened with a short devotional service by the Rt. Rev. Stephen E. Keeler, D.D. After this service Bishop Keeler outlined the program of the diocese for the deaneries. A nominating committee was appointed to select nominees for the various offices of the Woman's Auxiliary of the Marshall Deanery.

After a delicious dinner served by the women of the Guild, the Rev. O. H. Aanestad, as dean of the Marshall Deanery, presided at the evening session. The speakers were Bishop Keeler, the Rev. Addison Knickerbocker, D.D., and Mr. E. R. Coppage. Representatives from nearly every parish in the deanery were present and a considerable number of instructors and students from the Indian school were in attendance.

The parishes of the deanery are showing an increased interest in supply work and study of the Church and its work as a whole.

Respectfully submitted,
(Mrs. C. E.) NORA B. ANDERSON.

REPORTS OF DEANERY PRESIDENTS WINONA DEANERY

The following towns comprise the Winona Deanery: Mantorville, Pine Island, St. Charles, Kasson, Rochester, Rushford, Chatfield, Winona, Dresbach and Dakota.

A barrel of clothing has been sent to the mission at Morton, Minnesota; also two boxes of jellies and jams to the Church Home for the Aged.

In order to contact the various churches in the ten communities of the Winona Deanery a little paper called "The Circuit" was published. Each town sent in a memoranda of their work and by means of this paper became familiar with the work accomplished in the towns of the Deanery. Besides helpful work in the churches, much help has been extended to many acute needs of a local nature.

Magazines have been distributed in the hospitals at Rochester, and among employees constructing the dam in the vicinity of Winona.

Lenten study programs were a part of the work of the organization during that season.

As each one has contributed thought and time towards the work of the Deanery a fine spirit of co-operation and work have been the results of the year's work.

Respectfully submitted,
(Mrs. Ray) ELEANOR TOLLESON,
President.

REPORT OF WILLMAR DEANERY

The Willmar Deanery has held two joint meetings of the various parishes—one at Willmar on October the 24th, and one at Benson on May the 2nd. They were joint meetings of the Woman's Auxiliary and of the men of the church. Appleton, Benson, Litchfield and Willmar were represented and there was a splendid attendance.

The Woman's Auxiliary held its meeting in the afternoon, followed by a supper given by the entertaining parish. At the general meeting, held on the evening of October the 24th, we had the privilege of hearing the Rev. Mr. Magee of China, and Mr. Ralph Brownson, Jr., of St. Luke's parish, Hastings, who gave a very able talk on Personal Evangelism. On the evening of May the 2nd, the Very Rev. V. O. Ward gave us a very interesting and inspirational talk.

Reports of the various auxiliaries have been given and the actual work and needs of the various branches of the Woman's Auxiliary have been presented to us by diocesan officers. At our meeting in May, the Auxiliary of St. Luke's

parish, Willmar, reported the organization of a Junior Auxiliary—the first in the Deanery—under the able leadership of Mrs. Garretson and Mrs. Bimson. An offering was taken. This is to be used to send a Deanery representative to the summer school at Northfield.

Under the spiritual and capable guidance of Bishop Keeler and the clergy of our Deanery, these meetings have been a joy and a privilege and of great benefit to all.

Respectfully submitted,

HELEN U. LOFSTROM,

Corresponding Secretary.

REPORT OF ST. PAUL DEANERY

The 1933-1934 season of the St. Paul Deanery was officially opened at St. Paul's on the Hill when the Rev. Austin Pardue spoke to the women in the afternoon on Personal Evangelism. The evening meeting, attended by the men of the Deanery, was conducted by Dean Atwill. The Rev. John Magee gave an illustrated lecture on his work in China.

St. Matthew's parish entertained the institute for educational leaders sponsored by the Deanery—and during the Lenten season a weekly discussion class was conducted by Mrs. Bach at Christ Church.

At the annual meeting held at St. Mary's, Merriam Park, the following officers were elected:

President—Mrs. D. J. Kerr.

Vice-President—Mrs. H. E. Chard.

Educational Director—Mrs. G. V. Holset.

Secretary and Treasurer—Miss Carolyn Punderson.

The reports from the parish branches given at this meeting were outstanding. Each Auxiliary has put forth an extra effort to meet the increased demands of the present time even though their parish funds were much curtailed.

One new branch has been organized at the Chapel of the Resurrection.

Respectfully submitted,

MARGARET S. CHARL.

REPORT OF RED WING DEANERY

The annual meeting of the Red Wing Deanery was held the seventeenth of October in St. Luke's Church, Hastings. The meeting was opened by Bishop Keeler. Mrs. Allen spoke about the general work of the Auxiliary. Mrs. West told about the box work of the diocese. The Reverend Mr. E. C. Gear spoke on Personal Evangelism. Mrs. Morrill told of the

needs of the Church Home. Bishop Keeler and Mr. Coppage presented the Church Program. The Reverend Mr. Magee told many interesting things about work in China.

Each Auxiliary in the Deanery had a study class during Lent. A most interesting class was the one at Prairie Island. The Auxiliary of Sioux Indian women studied about other Indian missions; the articles were taken from the Spirit of Missions and translated into the Sioux language.

Each group gave toward the Supply work, Social Service work and the U. T. O.

Respectfully submitted,

MAY W. BROWNSON,

President.

REPORT OF MINNEAPOLIS DEANERY

It is most gratifying to know that all the auxiliaries in the Minneapolis Deanery observed the Quiet Day for Prayer last November 11th. Where it was impossible to have the church open the prayers were said by the women in their homes.

In the fall the President and Mrs. Bach had the pleasure of making personal calls on the heads of the auxiliaries in the outlying parishes of the Deanery. As a result of these visits, a day of prayer and instruction was conducted by Mrs. Bach at Anoka, attended by forty-eight women from these small parishes.

The Deanery has held two meetings this past year. The first, a joint meeting, was held October 25th, at St. Mark's Church. The Rev. John Magee of China and Mr. Ralph Brownson, Jr., of Hastings, Minnesota, made the principal addresses. The annual meeting was held in the afternoon of April 30th at St. Matthew's Church. Mrs. Bach spoke on the Need of Christian Social Service as carried on by the Church Federation. The majority of the auxiliaries report activity in all branches of the work: supply, social service, educational, and the United Thank Offering. Active Junior Auxiliaries are reported by a number of parishes, also work for the Church Periodical Club. Many intend sending delegates to the summer conference at Northfield.

The Deanery has contributed to the Church Home, Federation of Churches, and Supply Secretary, and for the expenses of a delegate to the summer conference.

The new officers of the Deanery are:

President—Mrs. G. A. N. King, Gethsemane.

Vice-President—Miss Florence Hubbard, St. Mark's.

Recording Secretary and Treasurer—Mrs. Geo. Ludcke, St. John's.

Corresponding Secretary—Mrs. F. L. Ober, All Saints'.

Respectfully submitted,

MARY P. McCONN.
