NINTH ANNUAL REPORT.

*To the Rt. Rev. Daniel S. Tuttle, D. D., Bishop of Missouri,
and Members of the Woman's Auxiliary:*

The year 1890 will always be written in red letters in the annals of the Missouri Branch of the Woman's Auxiliary. It is not only the best year's work we have ever reported, but the last year that the whole State will work under one organization. Another year there will be two Branches in Missouri, each one stronger for the increase of time and thought that can be given to it.

We have been fortunate at our meetings in having speakers who have roused a deeper interest in Missionary work. At our General Meeting, last November, the Assistant Bishop of Minnesota visited us, and a clearer intelligence and readier sympathy for the Red Men have been the result of it; and with the Chicago Branch of the Auxiliary we were glad to undertake the salary for this year of a teacher at White Earth Reservation. At the January meeting the Rev. Calbraith Perry made an appeal for the work among the Colored People. We added what we could to his Missouri scholarship, and then, as a result of this, took up a special line of work for the relief of All Saints' Parish in this city. A scheme has been planned to reduce their heavy debt. We ask subscriptions of 50 cts. a month, or \$6.00 a year, and aim to reduce the debt \$1000 annually. This calls for nearly 200 subscribers; so far we have 90, and we urge this as one of the special lines of work for the coming year. Mrs. W. H. Thomson is treasurer of the fund.

During Lent, the privilege was ours, of a Quiet Day under the direction of the Bishop of Fond du Lac. That these days are a help in our busy lives, and that many long for that bread which satisfieth, was proved by the throng that filled St. George's Church that day, and the blessing of it, only He who readeth our hearts can know.

A year ago, from the Alumnæ of the School of the Good Shepherd the Bishop appointed a committee, consisting of Miss Parker of Oak Hill, Miss Scott and Miss Anne Carter Wickham of the Cathedral, Miss Garth of Hannibal and our Vice-President, Mrs. Cushing, as Chairwoman, to raise the fund for the Bishop Robertson scholarship. They report the payment of \$150, the amount pledged, while the remaining \$50 was given by two of our city Parishes. To all who have contributed to this it will be gratifying to learn that the pupil using it, who graduates in June, has already secured a position as teacher in the public school of her own town. And thus we see the direct benefit the Auxiliary has been to the family of one of our Missionaries. Our other scholarship, our \$50 pledge for Diocesan Missions, and the \$250 which our Bishop asked for the Bishop of Kansas, have all been paid. The Offertory at our Quiet Day, amounting to \$100, together with that at the Retreat of the Clergy, which was generously placed in our hands, making \$133 in all, was given to Bishop Grafton for missionary work in his diocese. We aim, in spite of our decreased force, to keep up our regular pledges for the two scholarships and the \$50 for Diocesan Missions. The Mite boxes have again been the source of a large revenue, bringing us in \$205 this year.

At a meeting in New York last October, the officers, representing forty-seven Branches of the Auxiliary, determined that the furnishing of the Auxiliary Rooms in the new Missions House should be undertaken as joint work of all the Auxiliary Branches. We pledged no specified sum from Missouri, but we

would probably have no difficulty in raising \$250 this year towards it.

Our work for the year stands as follows :

83 Missionary boxes, valued at	\$2,659 45
Cash as per Treasurer's report	1,414 58
Cash reported but not passed through Treasurer's accounts.....	1,540 39
<hr/>	
Total.....	\$5,614 42

For nine years we have met annually to report our progress and lay future plans. They have been busy years in which heart and hands, strengthened by prayer, have wrought faithfully for the coming of Christ's Kingdom.

It might be well now, to report, not in exultation but in deep humility, lest it may not always have been our best, what the aggregate work of these years has been. In 1881 when the Branch was formed, the dear Mother Church, the Pioneer in all Missionary efforts, was the only Parish working under Woman's Auxiliary. Now we have 32. The first year we raised \$866.13, this year \$5,614 42. In the nine years we have sent 353 boxes valued at \$14,439.07, and in money \$8,027.19 or a total of \$22,466.26.

We report for the last time the work of Grace, Trinity and St. Mary's, Kansas City; Christ Church and Holy Trinity, St. Joseph; Calvary, Sedalia; Grace, Carthage, and Trinity, Lebanon. On the 26th of June Miss Emery goes to Kansas City to establish the new Branch of the Auxiliary, and we bespeak for her and the new officers the same earnestness, fidelity and graciousness that has always been given to us. Working under this director's wise counsels may we hasten the time when there shall be but "One fold under One Shepherd."

Respectfully submitted,

MARY W. TRIPLETT,

Secretary.
