Thirty-second Annual Report.

AUXILIARY MOTTO :

**"THAT WE MAY DO ALL SUCH GOOD WORKS AS THOU HAST PREPARED
FOR US TO WALK IN."**

NOON-DAY PRAYER FOR MISSIONS :

Blessed Saviour, who at this hour didst hang upon the Cross, stretching forth Thy loving arms, grant that all mankind may look unto Thee and be saved; through Thy mercy and merits, who livest and reignest with the Father and the Holy Ghost, ever one God, world without end. Amen.

O Lord, Who didst come to seek and to save the lost, and to whom all power is given in Heaven and on earth, hear, we beseech Thee, the prayers of Thy Church for those who, at Thy command, go forth to preach the Gospel to every creature. Preserve them from all dangers to which they may be exposed; from perils by land and perils by water; from deadly pestilence; from the violence of the persecutor; from doubt and impatience; from discouragement and discord; and from all the devices of the powers of darkness. And while they plant and water send Thou, O Lord, the increase; gather in the multitude of the heathen; convert in Christian lands such as neglect so great salvation; so that Thy name may be glorified and Thy Kingdom come, O gracious Saviour of the world; to whom, with the Father and the Holy Ghost, be honor and glory, world without end. Amen.

THE THIRTY-SECOND ANNUAL REPORT
OF THE
**Missouri Branch of the Woman's Auxiliary
to the Board of Missions.**

President's Address.

It is a great pleasure to me, on this my twenty-first anniversary as an Auxiliary officer, to give a greeting to the women of the Missouri Branch of the Auxiliary, and join with them in congratulations on the work of the past year. At our fall meeting, November 7th, we were the guests of the parish of the Holy Communion for an all-day meeting, whose hospitality was all that could be desired. We had as speakers Miss Wood, of China, and the Rev. H. Percy Silver, both of whom inspired us to work in larger fields and with higher aims. One of our own number, Miss Margaret Little, told us most graphically of her missionary work in the mountains of Tennessee. By doing this she gave a worker a vacation, and her keen interest in it was charming. Our Secretary at this meeting told us of her proposed trip to the Orient, and asked that Miss Scheetz, of Grace Church, Kirkwood, would take up her work in her absence, and most admirably has she done so. We have had many letters from Miss Triplett, and have kept in touch with her in her journeyings, and we can be sure of a great treat when she returns, with all that she has seen. In January, by special invitation, we held our Quarterly Meeting at Grace-Holy Cross House, and most royally were we cared for. We had a very large meeting, Bishop Johnson taking the services and being one of our speakers, Miss Emery and Miss Lindley, of the Church Missions House, New

York City, being the others. They were most enthusiastic over two Institutes which they had lately conducted, and when they explained what an Institute was, we determined to have one of our own, and asked them to come back for it in April, which they thought they could do. We made our plans accordingly, and April 23rd, 24th and 25th will be days to be thought about and remembered. It is such a short time since our Institute I need not remind you of its inspiration and helpfulness. Three such happy days Auxiliary women cannot soon forget! The wonderful addresses and conferences must put us on a higher plane of thought and living. We were sorry Miss Emery's engagements would not allow her to be with us, but with our own Bishop and Coadjutor, Bishop Partridge, Rev. Mr. Silver and Miss Lindley, our days and minds were more than full. Our Juniors' offering to the Institute of the beautiful tableaux of "The Progress of the Kingdom" was most worthy of them, and enjoyed by all. Thanks to our officers who planned the programme, we did not have a disappointment, and did have many surprises. May it lead us to still higher ideals and aims, and to take greater interest in the work in the future! I thank all who made the Institute possible, and having reached this higher plane, let us as women of the Auxiliary close the old year with hearts full of thankfulness, and step forward into the new with an earnest determination to pray, to give, and to work for the extension of Christ's Kingdom with greater zeal and loyalty to our blessed Lord and Master Jesus Christ.

GARRIE W. SIMMONS.

Secretary's Report.

*To the Rt. Rev. Daniel S. Tuttle, S.T.D., Bishop of Missouri,
the Rt. Rev. Frederick F. Johnson, D.D., Bishop
Coadjutor, and Members of the Missouri Branch of
the Woman's Auxiliary to the Board of Missions:*

In the absence of the Secretary, Miss Triplett, I have the privilege of presenting to you the 32nd Annual Report of the work of the Missouri Auxiliary. We need not feel ashamed of our year's work, for it shows an increase in gifts in every department—larger gifts in money and boxes both from the Woman's Auxiliary and from the Juniors,—increased offerings from the Babies' Branch, and the largest amount yet reported for the United Offering, though still far short of the \$3,000.00 goal set by the Treasurer for Missouri at this Triennial. Nor is this all, for there seems to have been a corresponding growth in zeal and interest, manifested by the attendance at the meetings and by the ready response to missionary needs, and it may not be too much to say that the Auxiliary has been not only "not slothful in business" but "fervent in spirit" as well, and "serving the Lord" more and more in work and study and prayer. The meetings during the year have been as follows: All-day quarterlies in November and January, monthly conferences November, February and March, the beautiful and uplifting Quiet Day conducted by Dr. Henry Lubeck, of New York, at the Cathedral February 12th, the Normal Class in Mission Study, held by the Educational Secretary on five consecutive Thursdays, in the autumn, and the Auxiliary Institute, April 23rd-25th. At the November Quarterly Meeting, at the Church of the Holy Communion, we were fortunate in having as speakers Miss Wood, of Wuchang, who told of the revolution in China, and

of the Boone University library for which she was appealing, then our Department Secretary, Rev. H. Percy Silver, and lastly Miss Margaret Little, in a vivid account of her vacation work in the Tennessee Mountain mission at "Jump-Off". The large and enthusiastic Quarterly Meeting of January, at Grace-Holy Cross House, had as its appointed speaker Bishop Johnson, and as its unexpected guests Miss Julia C. Emery and Miss Lindley, en route to New York from the Kansas City Institute. The monthly conferences, held at St. Peter's, Trinity and St. Philip's, showed steady growth in numbers and helpfulness, and proved themselves worthy of more general interest. The crowning work of the year was the three days' Institute in April, including in its last day's programme the regular Quarterly Meeting, and the faith and enthusiasm which projected the plan were justified in the practical and spiritual results of those inspiring days of counsel and conference, aided by the Juniors' impressive portrayal of "The Progress of the Kingdom." With the approval and support of our two Bishops, the assistance of many of the clergy, and of Bishop Partridge, of Kansas City, of our Department Secretary (who gave invaluable aid both before and throughout the Institute), and of the versatile Associate Secretary, Miss Grace Lindley, it could not but be a success. Several important recommendations made at the business meeting of Friday must be recorded here: (1) that the Constitution be altered or amended to provide for the election of a Second Vice-President, who shall be President of the Juniors; (2) that the Missouri Auxiliary have a Traveling Secretary, to be appointed annually by the President, and that a fund for traveling expenses be provided by pledges from parish branches; (3) that, if possible, one representative from each parish be a Junior Director, and that a report from the Junior Branch be read at each Quarterly Meeting; (4) that a committee of three be appointed to confer with Bishop Tuttle concerning Columbia, the seat of our State University, now without any provision by our Church for work among

the students. The presence of a few out-of-town members was one of the pleasures of the Institute, but the absence of many more was our keenest regret. However, we have been making a special effort this year, by correspondence and otherwise, to arouse greater interest among the women of the Diocese, and we hope in future to have some representative from each parish and mission at the general meetings.

Poplar Bluff reports a branch started there. St. Michael and All Angels' branch asked to be placed on the roll at the January meeting and is actively at work. Rolla and Thayer are again enrolled, and St. Mary's Mission will have its organization completed and its representatives at the annual meeting. On the other hand, Trinity, St. James, has failed to report, and some slumbering branches we had hoped to awaken have disappointed us. Another Institute may accomplish this.

No record of the Institute would be complete without a word of appreciation of the generous kindness of our President, and of the hospitality of St. Peter's. With a year so full of good things we have one cause for sorrow—that because of too short notice, it was impossible to have Bishop Aves, of Mexico, with us when the opportunity offered in December. We trust this will not be "the opportunity that passes not this way again".

Now a brief reference to the year's boxes: Beginning with our own St. Stephen's and Holy Cross, they have gone almost to the four corners of our land, the four general boxes to S. Dakota, N. Carolina, Wyoming and Alaska, the twenty-eight personal ones from San Antonio and the Virginia Mountains to California and N. Dakota. For the "Bishop Randall Hospital" (Wyo.) the Auxiliary owes grateful thanks to the Mallinckrodt Chemical Co. for a gift of much needed supplies. It is perhaps an error of business judgment to send heavy boxes from Missouri to Alaska, but Miss Emery sent

us the appeal, and we always find Alaska hard to resist. Our thanks are due to the Schuyler Memorial House and its forces for many courtesies in connection with the packing and shipping of the general boxes, and to the *Church News* for generous space given the Auxiliary.

In closing this report, the acting Secretary begs to acknowledge her pleasure in the work in which she has been privileged to share, and her gratitude to the women of the Auxiliary for their helpful consideration, and especially to the officers for their cordial and unfailing support and forbearance, sometimes in spite of "many and great provocations." Please continue to be in memory, as for six months you have been in reality,

"To her virtues very kind,
To her faults a little blind."

Respectfully submitted,

HENRIETTA F. SCHEETZ,
Secretary pro tem.

THE UNITED OFFERING.

Motto—“A gift from every woman in the Diocese.”

At the Tri-ennial meeting held in Cincinnati in October, the following resolution for the United Offering of 1913 was adopted:

Resolved, That the United Thankoffering of 1913 be given to the Board of Missions, for Woman's Work in the Mission field, including the training, testing, sending and support of women workers; also the care of such workers when sick or disabled; but that a sum not exceeding \$20,000 be devoted to buildings for the use of women workers, approved by the Board of Missions on the recommendation of the General Secretary and the Secretary of the Woman's Auxiliary.

Also, that to our united gifts there shall be added our united and earnest prayers that God will put it into the hearts of many faithful women to give themselves to the work of the Master in the mission field, or, if they cannot go themselves, to give of their substance gladly as the Lord hath prospered them.

At the time of the last report there were one hundred and sixty women working under this great missionary thankoffering of the women.

Our *aim* is to carry out our motto.

Our *plan* is to ask every woman, who is willing to give an offering once a year to this object, to select a date which will have some interest to her personally, and to send her name, address and date to the treasurer of the United Offering in her parish. The names are sent from the different parishes to the general treasurer of the United Offering, who enrolls them in the Anniversary Book. *No sum* is specified, but each is to give a *free will offering*. Quarterly returns should be made to the general treasurer of the United Offering by the parish treasurers before the quarterly meetings.

The amount given by thirty parishes and the Juniors from May 1, 1912, to May 1, 1913, is \$911.20. Previously reported \$1,255.78, making a total for the United Offering of 1913 of \$2,166.98.

*To the Rt. Rev. Daniel S. Tuttle, S.T.D., and Members of the
Woman's Auxiliary:*

It seems to me as if we give too little prominence to the foundation of an enterprise—and too little thought and thanks to the builders thereof. Our Junior work seems to have gone forward this year—but simply because the foundation was so painstakingly laid by our former President, Miss Lewis, and her officers, that the superstructure has gone forward so rapidly. We have two new branches to report—Poplar Bluff and Palmyra, and another one in process of formation. We have had so much to stimulate us this year. A fine study class which strengthened the Directors and enabled them to take its lessons home to their Juniors. The Corporate Communion, with the increased gifts for our United Offering, carried a blessing, and made each one who participated in it feel her own responsibility towards it.

I hope we shall be able to make this offering annually in this way. Then came the Institute with its spiritual uplift, and "The Progress of the Kingdom", which made Missions a vital thing to all of us, and which, I hope, will bear fruit a hundred fold. Our box work has been finer and better, showing much thought and care. Our Babies' Branch is larger, too. So we cannot help but feel that all along the line we are waking up to our work and its blessings. May I ask of you all a prayer for our Juniors, that they may each one be able to say,

"The task, Thy wisdom hath assigned,
Oh, let me cheerfully fulfill;
In all my works Thy presence find,
And prove Thy good and perfect will.

Thee may I set at my right hand,
Whose eyes my inmost substance see;
And labor on at Thy command,
And offer all my works to Thee."
