FIFTIETH  
ANNUAL REPORT

National Council

Episcopal Church

## FIFTY YEARS!

---

The Woman's Auxiliary in the Diocese of Missouri seems to have come into being in the year 1881. In the Diocesan Journal for that year, I find, under date of September 30, the following minute:

"The Right Reverend President (Bishop Robertson) appointed Miss Mary W. Triplett, of Christ Church, St. Louis, Diocesan Secretary of the Woman's Auxiliary Society of the Board of Missions of the General Church."

Records which are available indicate that it was not until 1884 that a more complete organization was effected by the election of Mrs. Charles F. Roberston as President; Mrs. E. A. Manny as Vice-President; Mrs. Clement M. Seaman as Treasurer; and Miss Mary W. Triplett as Secretary.

So then, this year marks the Fiftieth Anniversary of the Woman's Auxiliary in the Diocese of Missouri. Always there has been a steady development in its vision, its scope, its influence, and its givings. The Report for 1881 shows that only six Parishes were associated with the work. And the Financial Report for 1881 gives a total of \$866.13, being the value of "the total number of missionary boxes sent." The Report for 1929, (the figures for 1930 are not available as I write), shows that 42 Parish Branches were contributing. And the Financial Report gives a total of \$33,467.79. It is a most gratifying record of accomplishment, isn't it!

The list of Officers and Members of the Auxiliary is bright with the names of consecrated, faithful, praying, forward-looking women, whose compelling desire has been to give joyful and loving service to the Church; in the early days limited in its field, but now auxiliary to every department of the Church's broadening sphere of work. One may never know how far-reaching the efforts of the women have been. One may never know how much theirs has been the inspiration which has kept alive the Missionary Program, without which there can be no real growth. I give them hearty thanks for their splendid achievements in the years that are past. And I pray that you who are now carrying on may continue to travel, with Prayer and Work as partners, into a future filled with great possibilities for making the Name of Christ known above every other name.

Gratefully and affectionately yours,

FREDERICK FOOTE JOHNSON,  
*Bishop of Missouri*

## Special Prayers of the Woman's Auxiliary

### Auxiliary Motto:

"That we may do all such good works as Thou hast prepared for us to walk in."

---

### Noonday Prayer for Missions:

Blessed Saviour, who at this hour didst hang upon the Cross, stretching forth Thy loving arms, grant that all mankind may look unto Thee and be saved; through Thy mercy and merits, who livest and reignest with the Father and the Holy Ghost, ever one God, world without end. *Amen.*

---

### The Prayer for the Woman's Auxiliary:

Almighty God, our heavenly Father, bless, we pray Thee, our work for the extension of Thy kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently, and give liberally to make Him known to all nations as their Saviour and their King: through the same Jesus Christ our Lord. *Amen.*

---

### The Prayer for the United Thank Offering:

O Lord, our heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom through Jesus Christ our Lord. *Amen.*

---

### A Prayer for Guidance:

O God, ever present with us, to whose wisdom our problems must seem so very easy and so simple, help us to stay our minds on Thee, that we may see clearly, think straight and act according to Thy will. Through Jesus Christ our Lord. *Amen.*

## Report of the Altar Section

---

We had asked for no allotment from New York, as we were uncertain about a place to meet and also about financing it, as the Supply Department were not then in a position to give us help. But when one of our members came home from Cuba, with a list of urgent needs, for just what our special work could supply, we were glad to do the work.

Four meetings, with ten working members, were held in the Parish House of St. Michael and St. George and we were able to send two cassocks, two surplices and three stoles to Cuba. In our own Diocese—one surplice and one stole. After these articles were supplied, by generous gifts of money and materials, from our own members, we received an unexpected and generous gift from the Supply Department and it heartened us and made us anxious to do more. It really has put us in a position to serve our own Diocese, by supplying simple stoles, surplices and Altar linens to Missions and Institutions, as well as accept our allotment from New York.

We want to do this as our contribution, in this line, to any advance work undertaken in this Diocese.

Value of work for this year is as follows:

### Cuba

Two cassocks .....	\$70.00
Two surplices .....	30.00
Three stoles .....	36.00

### Diocese of Missouri

In addition to these money pledges we received—several of the churches responded to our special appeal for Christmas gifts, clothing and food, all of which were distributed.

It has been the custom in past years to give two candy parties at the City Infirmary, and an ice-cream party at Koch Hospital. In 1930, however, Mr. George thought that as there were so many people in great distress and without any kind of food, the money should be spent in helping these unfortunates instead. This was done and the money turned over to Mr. George to use as he thought best.

Our Investigating Committee of six is proving of great help in the work as we are able to follow up the appeals that come in under the Social Service Department. We have endeavored to assist the St. Louis Provident Association by providing voluntary workers to aid the trained Social Service workers in various channels.

It was my privilege to attend a meeting addressed by Dr. Lathrop, Social Service head of the Episcopal churches in New York. We are hoping to follow the plan Dr. Lathrop (now deceased) suggested of having the Social Service chairmen of every church meet once a month, at which trained Social Service workers could direct us in some definite work that each church might undertake.

In conclusion, I wish to take this opportunity of thanking the various churches from which our work has received such loyal support in the past.

## Report of Educational Secretary

This report covers only the last eight months, the period during which I have held the office of Diocesan Educational Secretary. In order to allow time for preparation for the active season in the fall, a meeting of the branch Educational Secretaries was held in June, at which plans for the ensuing year were adopted.

The prescribed subject for the year was India. An outstanding feature of this part of the educational program was a diocesan study group, most ably led in a series of six lectures by Mrs. Putney, devoted to this subject. These lectures were attended by representatives from the city and county.

Miss Marston, our national Educational Secretary, gave us an inspiring and informing day at the Tuttle Memorial, Nov. 6th. Her subject was "Educational Methods." On Nov. 7th, she gave a program on India at Columbia to sixty women from Macon, Palmyra, Jefferson City, and St. Louis.

Turning to my own activities, I was greatly inspired at the beginning of my work by the Racine Conference for Educational Secretaries held May 1st and 2nd. It has proved most helpful to me during the year. I was also greatly aided by the contacts and conferences later at the meeting of the Synod at Little Rock, Arkansas.

I have talked on Religious Education to the following branches:—St. James, Macon; St. Augustine's, Maplewood (twice); Grace Church, Kirkwood; Calvary, Columbia; Emmanuel, Webster Groves; and in the city of St. Louis, St. John's; St. Paul's; the Cathedral Branch, Cathedral; Ascension; St. Elizabeth's Guild, Cathedral; and to two circles at the Church of the Redeemer. I have also addressed the G. F. S. at St. Peter's and St. Stephen's. Those listed in the Speaker's Bureau have also generously responded to calls by the various branches. Beside these addresses in the regular line of duty, I have talked to a group of young women at the Presbyterian Church in Webster Groves, and also talked on Gandhi to the Women's Missionary Society of the Presbyterian Church.

I have attended two meetings of the Women's Missionary Federation and three meetings of the department of Religious Education of the diocese. I was one of the twelve Auxiliary women who went to Columbia on May 9th, and one of those who went to Monroe City on Oct. 8th, each time to attend the District meeting and to help with the program.

In regard to the present activities, I would say that at least fourteen of the parish branches are making a consecutive study of India. An index, perhaps, will be found, of the interest of the women of the diocese, in the list of titles of books and the number sold. It is as follows: *India Looks to Her Future*, 75; *Leaders' Manual*, 30; *India on the March*, 50; *The Woman's Auxiliary in the Life of the Church*, 75; *Is Mahatma Gandhi the Greatest Man of the Age?* 40; *Our Expanding Church*, 25.

In closing, I wish to express my deep obligation and gratitude to Mrs. Shepley, the members of the Board and the other members of the Auxiliary, for their unflinching encouragement and cooperation which have made this work such a joy.

Respectfully submitted,

MRS. JAMES H. GEORGE,  
*Diocesan Educational Secretary.*

## Report of the Devotional Secretary

The Devotional Secretaries now number twenty-six. The large majority of them come from parishes in St. Louis and its environs. They meet monthly for discussion of work and for the inspiration of fellowship.

During the year the Quiet Days have been given, the one in Lent, conducted by Dean Sweet and the other, in Advent, conducted by The Rev. Alfred C. Newberry.

Our Prayer Partners, Deaconess Binns of Nora, Virginia, and Miss Florence Clarkson of Sagada, Philippine Islands, both write appreciatively of the support and help they get from our letters and literature.

Respectfully submitted,

HELENA H. TITTMAN.

## Report of the Episcopal Home for Children

The year 1930 which has just closed witnessed a number of changes in our Home which we believe represent real progress. Realizing that our physical equipment and our methods were equally out of date, our Board entered, two years ago, upon a program of reconstruction which is now beginning to show results.

While awaiting a court decision as to our right to sell the present property, we are facing the necessity of deciding upon the future policy of this Institution: shall we continue the same type of Home? If so, should it be in the city or in the country? Are we duplicating the work of other organizations? What is our place in the Child Welfare program of this community? The Executive Board, conscious of the tremendous importance of this step, requested the appointment of a committee to make a study of the community and our relations to the program. This committee consisting of Bishop Scarlett, Dr. Block, Mr. George, Mr. Bloy, Dr. Clopton and Mr. Pangman, with the president and four members of the Board, have begun their investigations and their report will be readily received.

In the meantime, while realizing the handicaps of our present equipment, we have gone steadily on with the program of child care and training which we feel is a worth-while contribution to the community, and which does in some measure compensate for the loss of home and family life which these children have experienced. The moral and spiritual training of the children; the development of good habits; their physical welfare; their school work are all a part of our daily program. We believe that everything possible must be done to prevent illness, and to build up strong bodies, so particular attention is paid to diet, recreation, etc. Complete physical examinations are held at regular intervals and special care given to underweight children. We are most grateful to Dr. Riley for his efficient and generous ministrations to our children and also for the splendid service rendered by the other doctors on the staff.

Our children attend Sunday School at the Cathedral and enjoy many privileges which go with such membership. Our much loved chaplain, Canon Small, comes to us once each week for a service and visit and is welcomed as a member of the family, a relationship which will be of great value to the children in the future.

The order from the fire department, condemning the third floor has limited our intake since 1929, but during the past year all applications have received careful consideration through our department of social service. A full report of Miss Hodgdon's work follows:

There were 100 applications for admission received. Of this number 71 were referred to another agency without investigation; 20 were referred after a partial investigation indicated that they could be better cared for elsewhere. Eleven children of eight families were dismissed, and fourteen children of nine families were accepted.

The family status of the children under our care is interesting and might indicate the diversified problems which we are asked to treat. We have only one child who is a full orphan; 8 of the children have only a father living, and 5 have only a mother living. Fourteen are from homes broken by either divorce or separation of the parents. We have 6 children from homes where there is a step-parent and it has not been possible to return them to the family group. The 34 children under our care represent 17 families, 2 children are being supervised outside the Home; and contact is maintained with about 4 or 5 other children or their families, who were formerly in the Home.

During the year only one application for admission to Brittain Hall was received and accepted. Four boys have left the Hall this year as other plans have been made for them. There are 7 boys in residence as 1930 closes. Three of these boys are full orphans; 2 half orphans and 2 are from homes broken by divorce or separation.

Our children of course attend the public schools but we have found in individual cases where the age limit has been reached before graduation from high school or where for other reasons a child will probably not be able to enter high school, there is an urgent need for vocational training. Our present income does not permit us to extend this kind of aid and we have decided to present to the Church in the near future, a plan for an educational fund to be used exclusively for this purpose.

There are certain children, who after careful study, are found unable to adjust themselves to the group life of an institution and who are recommended by the specialist whom we consult, for foster home placement. Again our limited funds do not provide for this work and we are obliged to surrender the supervision of our children to another agency. This, in the case of children baptised or confirmed in the Church, we feel is a failure to fulfill our obligations and we are planning for a boarding home fund to enable us to care for these children.

Respectfully submitted,

MRS. CHARLTON MESSICK, *President.*

## Report of the Girl's Friendly Society

January 30, 1931.

The Girl's Friendly Society reports seven branches in the Diocese of Missouri, and three new ones now organizing. The Missions, Social Service, and Parish work has been quite active in these branches; a report of the same is in the Convention Bulletin. A few of the changes in the National organization that are of interest, are the changing of the rules, there being two rules now instead of three, which change took place in Boston three years ago after many years of discussion which greatly hampered the forward work of the society. The adoption of the budget system and new programs and affiliations with kindred organizations.

For the last ten years the Council of the Church has added \$3,000.00 to the Society's income to do its work and advance programs. This money was appropriated during the war, at which time the G. F. S. did some spectacular work in New York, Washington, and Texas. As the quotas of the Nation-Wide Campaign have not been fully met, the Council of the Church is asking its organizations, if possible, to be self-supporting. The Brotherhood of St. Andrew has already accomplished this and the Girl's Friendly Society is planning to do the same.

The program and activities are under the able direction of Mrs. Cording with Dr. Adelaide Case as advisor. Dr. Case is one of the outstanding educators in the Church. The affiliations with such organizations as the Child Health Organization, Camp-Fire Girls, Girl Scouts, Social Hygiene, Religious Education, and Progressive Education is of inestimable value in keeping the society abreast with the questions of the day. Eleven members attended the national convention in Chicago in last October. All were impressed and vastly interested by the presence and sympathy of Miss Lindey of the Woman's Auxiliary, Jane Adams of Hull House, and Shales Mathews of the Chicago University, all of whom made addresses during the meetings.

The outlook and working for the betterment of education and character in the program building left us with the hope of increased strength and growth. So we beg the continued interest and support of the women of the church to help enlarge this work, which is the only work of a national scope in the church for girls.

Respectfully submitted,  
MRS. JAMES A. SEDDON.
