Report of the President of the Woman's Auxiliary

To the Bishop of Missouri and the Members of the One Hundredth Diocesan Convention, this, the Fifty-eighth Annual Report of the Woman's Auxiliary of the Diocese of Missouri for the year 1938, is presented.

Looking back over the past twelve months is a real pleasure as we can safely say, there has been progress in our work. Many new groups have been formed and among them business and professional women's groups so that now we have ten evening groups.

The unselfish service and devotion of the Executive Board is, in a measure, responsible for this.

The policy of visiting has been continued with great fervor and members of the Board have attended both spring and fall district meetings and many branch meetings. I have visited nearly every parish in the Diocese at least once during the year.

Every effort will be made to deepen the Diocesan consciousness by these contacts and others.

One of the other channels through which we can work to further this end, is the Conference at Steeleville. This is a real leadership training project and is of inestimable value.

The Spring meeting which was held at the Church of St. Michael and St. George, was one of the largest we have had for sometime and we feel that meeting in different Churches, strengthens the sense of interdependence among the parishes.

Our relations with the other Christian denominations is more than satisfactory and we are happy in the knowledge that some of our women are looked to as leaders in this community.

One of the organizations with which we are affiliated is the Board of Religious Organizations and this affords an opportunity for doing the kind of work, through our Department of Christian Relations, that many of our groups like to engage in. There is an increasing awareness, among us that the Church has to take her place in the community and I sincerely hope that with the change in name of the Department of Social Service to that of the Department of Christian Relations, all the prejudices and barriers will be broken down and we will find our rightful place and take it.

As I have studied the reports of the parishes I feel that some mention should be made of the contributions that are being made both in finances and in service to the individual parishes. That is as it should be. The only excuse for the existence of any national organization is to support the parish and diocese, as Dr. Sheerin has pointed out to us.

It is hardly necessary to even mention the budget, and yet I cannot restrain myself. When we realize that every pledge is paid in full, owing to the splendid way in which the parishes have cooperated and to the efforts of our loyal and efficient Treasurer, some tribute should be paid. Perhaps this is one yard stick by which we can measure our interest and let us not be content but set our goals higher and still higher.

We are deeply grateful to the Cathedral Staff and hope they will accept our heartfelt thanks. And to Mr. Philippi, we are mindful of his great contribution to the Auxiliary. To Mrs. Julia M. Underwood, we extend our thanks for her generosity in giving us fine publicity.

To our Bishop and the Clergy I can hardly express myself. If it were not for their attitudes and patience and loyal support, we know only too well, we could accomplish nothing. I only hope the Auxiliary means half as much to them as they do to us.

I leave the office of President in great humility. First for having been allowed to be your President and secondly because I feel so strongly my own inadequacy, but I also leave it with the keen satisfaction of knowing that nowhere could be found a more loyal and devoted group of women than those who make up the Executive Board, and in the full knowledge that great things are in store for us under the leadership of the new administration.

We have three major emphases this year. The first, to cooperate to an even greater extent with the Young Churchmen. Second, to do all in our power to bring about unity in the women's work in the parishes. Third, to bring to the realization of the women of the Church their personal responsibilities as disciples of Christ — to know that if we expect others to be Christians, we must start with ourselves.

Respectfully submitted,

(Mrs. H. E.) MINNIE H. WOODWARD,
President.

Report of Social Service Department Year 1938

This report, in a measure, proves the truth of a statement made by one of our Bishops when he said, "The best way for organized religious and social agencies to cooperate is to cooperate." And the partial proof is in this list of agencies with which the Auxiliary has cooperated during the past year. For Barnes Hospital we did sewing and made surgical dressings, Bethesda Hospital—clothes and surgical dressings made; Board of Religious Organizations; Blind Girls' Home—four persons gave 629 hours of service; Children's Hospital—clothing and surgical dressings made; City Missions—parties and Christmas gifts to the 167 women being cared for at the Shelter; and hours of service at the Thrift Shop; City Infirmary—gifts at Christmas and visiting on Sunday; Epiphany Mission—children's clothes; Ephphatha Mission for the Deaf—a Christmas party for 52 patients by All Saints Church; Father Dunne's Home for Boys; Good Will; Holy Cross; Kingdom House—a volunteer worker there one day each week; a Christmas box to a Mission in the North Carolina mountains and one to a Mission in Wyoming; Meramec Hills—visiting during the summer and a Christmas party; Needlework Guild—10 layettes; Occupational Therapy School; Red Cross; St. Luke's Hospital; Social Planning Council; Salvation Army; Valley Park Mission—clothes and Christmas gifts; Work House—cards and handkerchiefs; and the City Sanitarium. A total of twenty-five separate organizations helped.

For the Board of Religious Organizations, Mrs. Wayne Lee, your representative on their Advisory Board has submitted the following report. For the Toy Shop, 5 carloads of used toys, 106 dressed dolls, 100 doll chairs made and painted, gallons of paint given, and 15 women served one whole day during the distribution of toys at Christmas time. Christmas gifts were sent to 87 patients at the City Sanitarium, garments and scrap books made for Children's Hospital, and 2,500 surgical dressings made for Barnes Hospital. There were three teachers in the Americanization Dept. All the parties given by the different departments were attended by some of our church women who assisted by donating money or cakes.

As you know, the surgical dressing group at St. Luke's Hospital has been discontinued owing to lack of room in which to work. But up to October 1st when they disbanded, there was an average attendance of 30 women each Thursday, giving a total of 3,510 hours of service.

The Secretary of the Department of Volunteers of the Social Planning Council reports a 30% increase in the number of volunteer workers registered. Last year there were 30 registered.

The Social Service Secretary has attended five District meetings this past year. The reports heard at these meetings have been inspiring; showing, as

they do, the successful efforts of the women to meet the needs of their communities. Briefly, their activities are having rummage sales, making quilts, aiding flood and cyclone sufferers, food sales, supplying paper to school children, and one group sponsors the Third Grade of the school by helping the teacher keep the children in health and in clothes.

For the Red Cross, parish groups and individuals have marked 185 decks of cards for the use of the blind, books have been transcribed into Braille, and a group at St. Michael & St. George have taken a First Aid Training Course. Clothes and money have been given.

All parishes report giving many Christmas baskets of gifts, food and clothing, and some maintain a motor service. In addition there has been \$1,290.06 given by individuals for direct relief such as rent, fuel, clothing and food.

Our budget for the coming year, presented by the Finance Committee and approved by the Board of Managers, is: \$100.00 for Grace Holy Cross, \$175.00 for Prince of Peace, and \$725.00 for St. Stephen's, making a total of \$1,000.00.

The \$100.00 for Grace Holy Cross helps with the vacation school which starts the Monday after regular school closes in June. Last summer there was an enrollment of 150 children and this money was used to pay trained assistants. There was also a sum of \$50.00 given to Holy Cross last summer to send children to summer camps. The \$175.00 for Prince of Peace pays their fuel bill. Of the \$725.00 for St. Stephen's, \$600.00 pays Miss Albers' salary and the balance is used for materials necessary to the various activities she directs.

This report is compiled from reports from twenty-three parishes of the Diocese and the Social Service Department wishes to thank the loyal group of Parish Secretaries for their faithful attendance at meetings and for their sympathetic response to all requests for service.

Respectfully submitted,

(Mrs. Archibald G.) ELIZABETH W. DOUGLASS.
Social Service Secretary.

Annual Report of Secretary of Christian Education Year 1938

Robert Louis Stevenson said, "The problem of education is twofold: first to know, and then to utter. Everyone who lives any semblance of an inner life thinks more nobly and profoundly than he speaks; and the best teachers can impart only broken images of the truth which they perceive. Speech which goes from one to another between two natures, and, what is worse, between two experiences, is doubly relative. The speaker buries his meaning; it is for the hearer to dig it up again; and all speech, written or spoken, is in a dead language until it finds a willing and prepared hearer."

It is for the willing and prepared hearer your Educational Secretary pleads. We expect our speakers to be prepared; why not prepared hearers? Study projects may be exciting adventures. The study subjects for this year could not be more exciting. "India," "the Church in the City," and "World Peace." The text books recommended are "Moving Millions," a symposium by distinguished authors (including Bishop Azariah and Dr. E. Stanley Jones) with its "How to Use," "The Church Takes Root in India," by Basil Mathews, "India Looks to Her Future," by Oscar M. Buck; "The American City and Its Church," by Samuel C. Kincheloe, with its "Suggestions to Leaders" by Kenneth D. Miller and "World Peace and Christian Missions" by Harold E. Fey. Then always there is the "Spirit of Missions" and the "Girls' Friendly Record," especially the India and City Church numbers. The Study Packets based on Headline Books and World Affairs pamphlets which are fine International Relations program material.

All of these books and many more recommended in "Missionary Education 1938-1939" may be had through the Church Bookshelf. For groups that want more books than they can buy, there is the Church Missions House Library where books may be borrowed.

It is difficult for us to learn the truth about each other unless we come to see each other. It takes genius to understand without seeing. Our Lord did not need to travel. He never traveled more than a hundred miles in the whole of His life, and He knew all human life, because He stood at the heart of it. Most of us have not enough understanding, and so we shall travel by reading and study, that we may understand India and the Urban scene. As for World Peace, Maude Royden says, "Before peace must come justice, and it is in order that we may stand by that ideal that we come seeking to know each other, that we may learn what justice means."

During the year the Educational Secretary has spoken to groups in many of our own parishes in and around St. Louis, has corresponded with some Parish Secretaries and has been asked to take part in the programs of groups of other denominations, because Mrs. Mattick so ably did so while Diocesan Educational Secretary and continues to do so as Provincial Secretary. The Educational

Department is deeply indebted to Mrs. Lasar, Mrs. Tooker and Mrs. George, as well as Mrs. Mattick, for their splendid programs in so many of the parishes, and is more than pleased with the work done by Parish Secretaries

Among the important events of the year were the two-day conference at Steeleville, the Institute for Volunteer Workers, with its Panel Discussion at St. Peter's Church, the two-day Mission Institute at Centenary Church under the auspices of the Missionary Federation, where Dean Sweet and some of our own women took part, the program for which your Educational Secretary was privileged to help formulate, the Armistice Day Peace Luncheons, all of which were interesting and important, but which time permits us merely to mention.

In December, 1938 the International Missionary Council met at Madras. There were 450 delegates from 70 nations. The largest number is expected from the mission fields in the Orient, Africa and the Isles. Forty-five will attend from North America. Bishop Hobson will speak in St. Louis of this Council soon. Watch the Church papers for reports and articles upon the Madras Council.

Sponsor a vital and growing educational program in your parish and auxiliary which will mean willing and prepared hearers.

Respectfully submitted,

(Mrs. D. W.) HELENE ROBERTS.

Annual Report of the Devotional Secretary For 1938

Worship has always been a prominent activity, even in the most primitive human life. The forms have changed but the practise remains. Our aim has been to help develop the devotional life of the group.

Though we have no outstanding achievement to report, we hope that through our worship and prayer together, we have deepened and strengthened our bond of fellowship.

Many Episcopal women attended the World Day of Prayer on March 4. Dr. B. F. Hall delivered the noon-tide message on "The Challenge of Christ for a Modern World."

We urge all who possibly can to attend the meeting this year. Our own Bishop Hobson will be the speaker. With an Episcopal woman, Mrs. John F. Shepley, as President of the Missionary Federation, we should bend every effort to have a splendid attendance.

On March 25 Bishop Goodman conducted the Annual Lenten Quiet Day at the Cathedral. Those who availed themselves of this opportunity were well repaid.

Brief talks were made at some of the Auxiliary meetings out in the Diocese. Columbia, Rolla and St. James were visited.

Several group meetings were held during the year. At the Spring meeting suggestions were made and several books recommended for use.

The Armistice Day leaflets were distributed, and a short report was heard from each Devotional Secretary, about her work in the parish, at the Fall meeting.

The Conference held at Steeleville on September 21-22 was very well attended. A carefully planned program was packed with interest and information, from which we derived a deepened sense of spiritual values.

Our churches were open for Silent Prayer on Armistice Day. Twelve hundred leaflets were distributed. They were so fine that we had calls for more of them.

During the coming year may we seek to realize in the worship and prayer life of the Church, the sense of God's nearness and presence.

Respectfully submitted,
(Mrs. A. W.) AGNES G. SCHISLER,
Devotional Secretary.

Report of the President OF Board of Managers of the Episcopal Home for Children Year 1938

The report for the past year at the Episcopal Home for Children contains change in the resident care of boys and staff changes only. Under Dr. Nelson's direction we continue to study and treat psychiatric — so-called problem — children either in the home at 1711 South Grand Boulevard or in foster homes.

As you all know, our present building has more than served its purpose and it is now, except for the small fireproof wing, literally falling to pieces. During the past year it has been necessary to spend a good deal of money simply to condition and safeguard the building so that even the small part we now use may be reasonably safe as a home for children. At present three real estate signs advertise our desire to sell and no purchasers walk up the old stone steps. Therefore since we must move before very long lest the building fall down about our heads we are now taking the legal steps necessary to vacate without sale.

Because a change of location implied staff changes we talked very frankly with the members of the staff and advised them to carefully consider other positions offered to them. Changes in and rearrangements of staff have taken place during the past six months. Deaconess Affleck left the home on the 15th of December to become superintendent of the House of the Good Shepherd in Utica. Although we deeply regret her loss to us we are sincerely glad of this opportunity for her for a wider field of service.

Our present set-up is as follows: Mrs. Lundeen, matron; Miss Todd, social service worker; Miss Bailey, resident in charge of the girls; Miss Beaver, a substitute public school teacher, resident tutor and relief worker.

In September the Board decided to discontinue resident service to boys. We now give the boys referred to us clinical service and in cases where we would formerly have taken them into the home we now place them at our expense in foster homes. Our present quarters, unfenced and with no occupational equipment for boys, offered scant chance for restraint or treatment progress. This complicated and sometimes defeated the simpler problem of restraining the girls and of training them in housekeeping, sewing, etc. Also with the foster home placement of the boys it became possible to house all children in the small fireproof wing of the building. It must be understood, however, that this substitution of foster homes for resident care of the boys, during their intensive study period, was a matter of expediency only—given the proper equipment to handle them resident care would, of course, be resumed.

During the past year we have serviced 28 children. This means that these children have been given a complete study which consists of psychiatric, psychological and physical examinations. We now have seven boys and four girls in foster homes under our direct supervision and six girls resident at the home. When you consider these children in reference to numbers, please do not feel disappointed — please instead remember that this highly specialized kind of service takes a great deal of time, of special training on the part of the psychiatric staff and is slow, uphill, costly and very necessary help to children.

Before its next annual report to the Woman's Auxiliary, the Episcopal Home for Children hopes to be embarked upon a developing, practical, useful future program of service, plans for which are even now being thought through. In the meantime it confidently counts upon your understanding help and cooperation.

Respectfully submitted,

(Mrs. Walter) VIRGINIA ELIOT FISCHER,
President.

Report of the President of the Girls' Friendly Society for 1938

The Girls' Friendly Society of the Diocese of Missouri has closed a year of continuing success. Some changes in leadership—some inactive branches—other new branches, but altogether a steady growth and a fine spirit of cooperation and loyalty to the ideals of the organization.

We now have thirteen branches: six senior groups, eleven junior groups, and seven candidate groups. We have had nine meetings of the Executive Board during the year and I doubt if there is a group of women anywhere more interested in the success of their organization and untiring and selfless in their efforts. There have been eight general meetings or projects for the members, a boatripe on the Mississippi River for the older girls and a picnic in Forest Park for candidates. At the annual members' dinner with 110 girls present a lecture and display of Early American glass was given. A most unusual Mission tea was held at the Church of the Ascension at which the annual gifts to our Mission object were collected. The All Saints Day corporate communion was held in the various churches after which breakfast was served by the girls. One member of the Council was a guest of each group. The Quiet Day and tea was well arranged and carried out by the girls at Holy Apostles. Our members cooperated with the Woman's Auxiliary by making twelve layettes for their Mission box. Our Social Service project for the Diocese was carried out as usual with the dressing of 115 dolls and making and filling 100 Christmas stockings. They were displayed at a Doll Tea and then sent out as gifts to needy children. Our summer camp was held at St. Stephen's-in-the-Hills. Two weeks of happy activities in the woods under Father Rawson's guidance and generous spirit of friendliness.

Our Re-Selling Shop which was started in the fall of 1937 as an experiment in raising our budget and to provide the means for more extension work, has proven a great success under the fine management of Mrs. Roy Campbell. As a result of this project we now have a part-time Girls' Friendly Field-Secretary in our Diocese—Mrs. Harold Moller. Our Diocesan News sheet, "Friendly Flashes" is published four times a year, filled with announcements, news from the branches, and interesting suggestions.

On January 12 Miss Emily Wilson arrived in St. Louis to spend three weeks doing special work with our younger girls. She is a member of the National Staff—a field secretary in charge of candidates. We had daily meetings with the clergy, officers, heads of departments and members. As a result of her work we feel a definite current of renewed interest and enthusiasm.

In closing I want to express my appreciation to the clergy and to every department of the Church for their interest in our work with girls.

Respectfully submitted,
(Mrs. Dwight) HELEN P. CURRIE, President.

Special Prayers of the Woman's Auxiliary

Auxiliary Motto:

"That we may do all such good works as Thou hast prepared for us to walk in."

Noonday Prayer for Missions:

Blessed Saviour, who at this hour didst hang upon the Cross, stretching forth Thy loving arms, grant that all mankind may look unto Thee and be saved; through Thy mercy and merits, who livest and reignest with the Father and the Holy Ghost, ever one God, world without end. *Amen.*

The Prayer for the Woman's Auxiliary:

Almighty God, our heavenly Father, bless, we pray Thee, our work for the extension of Thy kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently, and give liberally to make Him known to all nations as their Saviour and their King: through the same Jesus Christ our Lord. *Amen.*

The Prayer for the United Thank Offering:

O Lord, our heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom through Jesus Christ our Lord. *Amen.*

A Prayer for Guidance:

O God, ever present with us, to whose wisdom our problems must seem so simple and so easy, help us to stay our minds on Thee, that we may see clearly, think straight and act according to Thy will. Through Jesus Christ our Lord. *Amen.*

chief object was to send to Missionaries and their families boxes containing clothing and books, and thus aid those who are giving their time, talents and strength to God's service in this and foreign lands. The work has grown, and the AUXILIARY is now represented in twenty dioceses. It supports several Missionaries in foreign lands, has endowed scholarships in the Church schools in China and Japan, besides supplying the wants of many of the women workers in our Missions to home colored people and the Indians.

Every year a number of our Diocesan Missionaries have had their hearts gladdened and homes made more comfortable by the advent of a Missionary Box. Yet we, as a Diocese, have not done our share in the work. The excuse given is that we are ourselves in the missionary field; yet I doubt not, that in all our flourishing towns many women may be found who will gladly give a small portion of their time and means to the work. Our first care must be for our own, but need not be limited to that. The whole field is open to us—Diocesan, Domestic and Foreign Missions.

My work is to establish Branch Auxiliary Societies, that will, from time to time, send boxes or do any other missionary work they may feel inclined to undertake.

Is there now a Ladies' Sewing Society connected with your parish, and what work is it engaged in?

Are you willing that it should work as a branch of the AUXILIARY?

Will you appoint some one in it to correspond with me, that I may understand what work you are now doing, and explain to her more fully what is expected of a society working under the AUXILIARY, and send her collects and any information she requires?

If there is no society, will you not assist in starting one, even in an humble way, that some work may be undertaken this winter? In that case, too, please appoint some lady to whom I may write.

I will send you the report of the WOMAN'S AUXILIARY TO THE BOARD OF MISSIONS for this year as soon as it comes from the printers.

Trusting that this work may meet with your approval, and that you will give us your prayers and your labor, as well as your alms, I am,

Very respectfully yours,

(Miss) MARY W. TRIPLETT, *Secretary*,

2123 Pine Street, St. Louis, Mo.

MISSOURI BRANCH

OF THE

Woman's Auxiliary to the Board of Missions.

The Woman's Auxiliary to the Board of Missions has only recently in the Diocese of Missouri assumed an organized form. Some of the Parishes in the Diocese have for several years been interested in the cause, working in some instances independently, in others under the direction of the general secretary in New York.

Three years ago the work took a step forward in the direction of a more systematized method of action.

At the convention of 1881, our Bishop, who had always most heartily approved the work, appointed a Secretary to represent in his Diocese the cause of the Woman's Auxiliary. Under this guidance four Parishes were set working the first winter, two new Parishes were added the succeeding year, and last season eighteen boxes and packages were distributed to various missionaries within and without the Dioceses. The total amount in clothing and money disbursed in these three years aggregates about three thousand and fifty dollars.

In May, 1884, the church in St. Louis was favored with a visit from Mrs. Twing, of New York, Honorary Secretary of the Woman's Auxiliary, a woman whom the church has for many years esteemed as an effective advocate and wise organizer of woman's work. During her visit two most interesting conferences in behalf of such work were held with the church women of the city—one in Christ Church, on the second of May, and the other five days later at St. John's.

At the first conference Mrs. Twing suggested that a Branch of the Woman's Auxiliary be organized in this Diocese, and that its Board of Managers consist of two or three delegates from each Parish. In accordance with these suggestions delegates were at once chosen and empowered to organize such a Branch Society.

At the second conference held in St. John's Church on the seventh of May, the delegates from the various Parishes elected the following officers:

Mrs. C. F. ROBERTSON, President.	Mrs. E. A. MANNY, Vice President.
Miss MARY W. TRIPLETT, Secretary.	Mrs. CLEMENT SEAMON, Treasurer.

THE BOARD OF MANAGERS.

CHRIST CHURCH—Mrs. Peters, Mrs. Wickham, Mrs. O'Dell, Mrs. Moore.
ST. GEORGE'S—Mrs. Lewis, Mrs. Gregory, Mrs. Harrison, Mrs. Manny.
HOLY COMMUNION—Mrs. Carter, Mrs. Seamon.
MT. CALVARY—Mrs. Gilfillen, Mrs. Ellis, Mrs. Eoff.
ST. JOHN'S—Mrs. Seymour, Mrs. Whitelaw, Mrs. Speck, Mrs. Donaldson.
ST. PAUL'S—Mrs. Bull, Miss Allen.
TRINITY—Mrs. Perrine, Mrs. Penguet, Mrs. Crow.
ST. PETERS—Mrs. Collins, Mrs. Lane, Miss Benson.
ALL SAINTS—Mrs. Vaahon, Miss Pattison.

THE CONSTITUTION.

1. This organization shall be called the "MISSOURI BRANCH OF THE WOMAN'S AUXILIARY TO THE BOARD OF MISSIONS."
2. Its object is not to change the work of any parish, but by united and sympathetic action to increase the interest and to unite all the parishes in the Diocese in the various branches of the Church's Missionary work.
3. The officers shall be a President, Vice President, Secretary and Treasurer, to be chosen at the annual meeting.
4. Ladies co-operating in the work will be considered as members of the Society, but only delegates, not exceeding four from any one parish shall be members entitled to vote at its meetings. Seven members shall constitute a quorum.
5. There shall be four meetings during each year, to be held as follows: On the last Friday in October; on the last Friday in January; on the last Friday in April; the annual meeting for the election of officers shall be held on the last Friday in May and the annual fee of twenty-five cents shall be paid to the Treasurer.
6. The meetings shall be held in any chapel or church designated by the President.
7. It shall be the duty of the Secretary to conduct the correspondence of the Society; send notices of the meetings and keep a record of them; also to keep an account of the work done by the women of the Diocese, as reported by the parish Secretaries and report this annually to the Secretary of the Woman's Auxiliary in New York. The Treasurer shall receive and disburse all money sent to the Society for any branch of Missionary work, and for the expenses of the Society, presenting a report of the same at the annual meeting.

This constitution may be altered or amended at any annual meeting by a two-thirds vote of the persons present.

Mrs. C. F. ROBERTSON, President.
