

The Woman's Auxiliary to the Board

of Missions.

ANNUAL REPORT.

SEPTEMBER, 1890.

To the Nebraska Branch of the Woman's Auxiliary to the Board of Missions: Those present at the annual meeting, May 21, will remember that it was decided to print our annual report in pamphlet form. This has not been done as too few reports were received by the secretary, notwithstanding they were asked for at that time, also in the June number of THE DIOCESE. Herewith, is appended the report of the secretary and treasurer of the Diocesan Branch.

The pledges for work for ensuing year have in diocesan, domestic and foreign work fallen below last year. A number of the Parish Branches were not

represented at the annual meeting, the time of making pledges. We would like to hear from every Parish Branch, regarding the amount they can contribute for missions. Below are the names of Parish Branches and individual members pledges, if the name of your Parish Branch is not mentioned, at the first meeting of your Branch consult with the members, and make a pledge, even though it may be a small one, toward helping the Missions of the Church.

More money is needed for this cross and we trust some of the large Parish Branches will contribute toward it. These pledges for Liberia are requested at once as it is desirous to send the cross from New York, where it will be made in December. There is to be a meeting of the Diocesan Branch of the Woman's Auxiliary held, D. V., at Christ Church, Beatrice, Tuesday, October 7, with services and business meeting to occupy the day. A large attendance of women is hoped for from neighboring branches to Beatrice. There will be a meeting of the Omaha Parish officers of the Auxiliary, at the Episcopal rooms, Arlington block, Douglas street, next to the post-office on Saturday, October 11, at 11 a. m., when work for the coming winter will be suggested, and best way for doing same discussed. It is of

importance that as many as possible of the Parish officers and members attend as can, and the women from the South Omaha Branch are also cordially invited to be present.
