## Prayers for the Use of the Woman's Auxiliary.

---

**O** LORD JESUS CHRIST, who in the days of Thy flesh didst accept the services of faithful women, who ministered unto Thee of their substance. Be pleased we humbly ask, to bless our endeavors to aid and encourage missionaries. Put into our hearts the things we should do and say to promote Thy glory. Grant that we may never be discouraged under difficulties, but go forward in faith and hope—looking unto Thee. Have pity on those who know Thee not, on those who are far from the Church of their fathers in a strange land; visit them with Thy salvation, and grant that all may be speedily brought to acknowledge Thee as their Lord and Master, Christ. Hear us, and answer this our prayer, for Thine own name's sake. Amen.

---

**B**LESSED SAVIOR, who at this hour didst hang upon the cross, stretching forth Thy loving arms; grant that all mankind may look unto Thee and be saved: through Thy mercies and merits, who livest and reignest with the Father and the Holy Ghost ever one God, world without end, Amen.

---

**H**EAVENLY FATHER, we pray Thee to bless us and all members of the Junior Auxiliary, with wisdom, zeal and constancy in our work for Thee. Prosper the missions of Thy Holy Church, and strengthen with Thy Holy Spirit all who are engaged in missionary work, through Jesus Christ, our Lord. Amen.

## Report of Secretary.

---

RIGHT REV. FATHER,  
MADAME PRESIDENT:

In presenting the 18th Annual Report of the Nebraska Branch of the Woman's Auxiliary to the Board of Missions, we record with pleasure a most successful year's work.

Two quarterly meetings were held outside of Omaha. One in Lincoln on the thirteenth of last October. Thirty-one delegates were present, some splendid addresses of a missionary character were made by several of our clergy and the Rector Rev. Francis Easson and the ladies of the Holy Trinity Parish did all in their power to provide for the comfort and entertainment of their guests.

The second meeting was held in Blair, Feb. 3rd and 4th. Despite the inclemency of the weather an unusually large delegation was in attendance, and enjoyed the abounding hospitality of the ladies of St. Mary's Parish. Several excellent papers were read, the delightful talks given by the late Rev. Colin Tate will long be pleasantly remembered.

The branches of Omaha and South Omaha have united once a month to discuss missionary work at home and abroad. Much earnest work has been accomplished at these meetings. The papers have shown considerable thought and research and have added materially to the missionary knowledge of those in attendance. These meetings have been in charge of Miss Fannie Cole, who gives promise of becoming an able factor in Auxiliary work.

A quiet day for the women of this Diocese was held in the Cathedral, Febr. 12th. Services most helpful in their nature were conducted by the Rt. Rev. R. H. Weller, Bishop Co-adjutor of Fon-du-Lac. Those who could accept the invitation felt deeply grateful for the opportunity to listen to one blessed

in such a marked degree with the power of imparting a quickening inspiration.

We wish at this time to express our thanks to the secretaries of the different branches for sending in their reports so promptly.

From them we report the following: Parishes or Missions in the Diocese that have sent boxes or parts of boxes, 20.

Boxes sent to Missionaries' schools and hospitals outside the Diocese, seven. Value \$479.17.

Boxes sent to missionaries within the Diocese, one. Value \$54.85.

Boxes sent to missions and hospitals within the Diocese, fifteen.

Box to Club House House, Lincoln, value \$4.50.

Box to South Omaha Hospital, value \$25.20.

Boxes to Clarkson Hospital, 13. Value \$183.68.

Several branches have worked through the supply box which for the past year has been in charge of Mrs. John Williams.

Although we may feel that much has been accomplished during the past year, we are forced to admit that the work has not grown in proportion to the material prosperity with which we have been blessed. However we shall have fresh incentives for renewed effort during the coming year which will be one fraught with especial interest to auxiliary women everywhere. This is triennial year, the meeting will be held in Boston, early in October. We hope many women are planning to attend that they may return with fresh enthusiasm to carry forward the work in our own state.

In January a great missionary conference will be held in this city. This meeting we feel sure will do much to awaken the interest of many who are now giving but a half hearted support to the great cause in which they are neglecting their glorious opportunity for service. Respectfully submitted,

MARGARET HAMILTON, Secy.

### Church Periodical Club.

---

The Church Periodical Club is a society formed for the purpose of supplying periodicals and books to those of the clergy and laity who are unable to procure good literature in any other way.

Here in Nebraska this past year we have sent out two hundred magazines and illustrated papers; and there are twenty-five persons in this Diocese who are receiving some sort of literature through the club.

Can not we, this coming year, double this list and make our gratitude for the work that has been done, an incentive for increased effort?
