Secretary's Report

For the Year Ending May, 1906.

The Diocesan Secretary respectfully submits the following report for the year ending May 15, 1906:

The number of Parishes in the Diocese having a branch of the Woman's Auxiliary, thirty.

Number having Junior Branches, twenty-one.

Number having Babies' Branches, sixteen.

Number having both Woman's Auxiliary and Junior Department, eighteen.

It is a pleasure to report the formation of two new Auxiliaries, one at Albright, St. Edward the Martyr, and the other at Falls City, St. Thomas.

The membership of the Auxiliaries is six hundred and seventy-three, which shows an increase over the year 1905.

Quarterly meetings were held at Ashland in November and Beatrice in February. Among the speakers at these meetings were the Rev. Robert Diggs, Dr. Palmer and Miss Crummer. In giving her personal experiences in the foreign mission field, Miss Crummer brings the work very near to the Nebraska women.

At the meeting held at Ashland, it was recommended that hereafter the Parish Auxiliaries elect their officers after Easter and before the Annual meeting in May, in order that the names and addresses of the officers shall be given correctly in the Annual Report.

One of the results of these meetings is the feeling of cordial good fellowship that springs up among those whose interests lie along the same paths.

As in other years monthly meetings have been held in Omaha and South Omaha; and St. Matthias, Trinity Cathedral, All Saints, St. Martins, South Omaha, and St. Barnabas have each taken her turn as the hostess auxiliary.

Boxes sent by the Woman's Auxiliary to missionaries schools and hospitals outside the Diocese, eight valued at \$375.50, by the Junior Department, one valued at \$15.00.

Boxes sent by the Woman's Auxiliary to missionaries and hospitals within the Diocese, fifteen, fourteen of which, valued at \$261.25, were for Clarkson and one valued at \$10.00 was for the South Omaha Hospital.

The good work of the Juniors is shown by the donation of four boxes to the Clarkson, valued at \$17.00, two to the Detention Home valued at \$7 40 and one to the Child's Saving Institute, worth \$5.50, making a total of \$29 90.

Much gratitude is expressed by the missionaries for these boxes and for their being sent when most needed for the severe weather.

In her limited correspondence with the auxiliaries, the secretary has received prompt and cordial responses, especially is this true in regard to the boxes.

Thirty-five letters have been written as well as two hundred and twenty-five postal cards.

Ninety-eight reports were sent out.

LILLIEN GAULT.

President's Address.

*Rt. Rev. Father in God, members and friends of
Nebraska Branch of the Woman's Auxiliary:*

Assembled in this quiet room today, hardly a stone's throw from the very centre of one of the busiest portions of our city, the thought might easily come to us how typical it is of the work of the Woman's Auxiliary all over the world. Surely we could not have lived in a more turbulent, restless, noisy age. Amid the shriek of steam, the whirl of machinery, the tramp of men hurrying to and fro as they labor for their daily bread or toil in factories, reducing the raw products of the earth for our bodily sustenance and comfort. Christian women are gathered here and there, sometimes in upper chambers, sometimes in quiet churches to plan, and work, and pray that men and women may not forget, amid all this hurry and care for self, that the story of the cross has not been told to all the children of our Father; that in our distant outposts in China, Japan, the islands of the Pacific and Icebound Alaska, we have faithful soldiers struggling to plant the Standard of the cross on the ramparts of heathenism; waging a bloodless warfare against ignorance, superstition and idolatry; waiting for those at home to send relief that hospitals may be built for the care of the suffering and dying, schools for enlightenment of the ignorant, reinforcements that the warfare may be waged more vigorously until the nations are brought into the fold, the heathen into the peaceful inheritance of the Lord, the number of the elect accomplished and the coming of the Kingdom hastened.

That all baptized women are not active members of the Auxiliary is largely due to personal indifference. And indifference to the work of the auxiliary is indifference to that part of church's work committed to us. It is not that they really disbelieve in missions

or that they need intellectual conversion but that they hear, read, or see without any responsive sympathy. Many are so absorbed in home duties they do not realize that theirs may be the blessed privilege of helping on this valiant warfare.

In a church with 400 communicants, why should there be only about fifteen Active Auxiliary workers? Why in a parish with an enrollment of fifty baptized women do we find it difficult to maintain a branch or perhaps impossible to establish one. Is it nothing to you, all ye women that live in a Christian Nation enjoying Christian privileges, that there are nations where women are yet in bondage? Every baptized woman should be an active member of the auxiliary, not simply paying an annual fee but working regularly in the organization. What a contrast between a member who gives a sum of money, and one who gives her personal service to the work, who is in touch with the domestic and foreign field through the pages of the Spirit of Missions, who knows how her own parish compares with others in similar circumstances and whether it is giving anything like what it should toward the spread of the Gospel.

Now a few matters of practical interest. The work of the Babies' Branch organized Jan., 1904, indicates that it is likely to grow to considerable dimensions and if carried on persistently by parents who have enrolled their children as "Little Helpers" will weave the habit of systematic giving as a cable strand by strand until at last it becomes so strong they cannot break it.

More time has been devoted during the past year to the study of missions than before the adoption of "The Forward Movement." If these study classes are conducted in the right spirit we cannot fail in results.

If after studying a mission field active interest is allowed to wane; if we forget to remember it in our prayers we may have gained intellectually but we

have lost spiritually, for every time our spiritual emotions are quickened and the impulse to do a service for others dies within us, ere we put forth effort we grow gradually into a condition where inertia waits on all our promptings to action.

A quiet day for women of the diocese was held in Trinity Cathedral during the second week of February. It was conducted by Bishop Osborne, of Springfield who in many beautiful illustrations from the Bible of the successful woman and the woman who fails, expressed most beatifully this thought of service. "Good women he said are fellow helpers with God for the perfection of man."

We believe it is well for the diocesan president to understand something of the conditinns existing in the various branches in the diocese, that she may more intelligently minister to their needs. Acting in this belief she has visited 19 of the 28 branches.

It has seemed wise to hold at least one quarterly in a part of the diocese remote from the See City. It might be well, judging from the enthusiastic meeting held in Beatrice, to hold at least one quarterly a year in a remote part of the diocese, where the Auxiliaries do not have the advantage of contact with others. Miss Crummer has given most generously of her time and strength in visiting many of the branches. We feel that all who have had the privilege of hearing her delightful talks have been brought much closer to our work in China and to a broader view of the work of our women Missionaries.

It does seem dear friends, does it not, as though each branch could have a fairly good report if a little time, a little effort and a little money were expended every single week during the year?

If a branch has only five active members and each woman set aside in preserving time three glasses of fruit for Clarkson Hospital, they have given to the value of three dollars. Eight yards of sheeting and they have three sheets for two dollars, six night dres-

ses three dollars. Each woman drops a penny a week in her United Offering Box and lo at the end of fifty-two weeks the branch reports \$2 60. Follow the same plan in giving to Foreign Domestic, and Diocesan Missions and they report \$2.60 for each of these. They may then send in the report that they have given in money and work the sum of \$19.40. Each woman has given in money \$3 88 in fifty two weeks. If this is too much omit giving to one or more of the objects mentioned, but something has been given systematically and the branch will grow according to all natural law for only by doing may we grow stronger.

But in some parish or mission there may be but two or three women who care anything at all for mission. A poor woman once dropped her mite in an alms box and her Lord told the story which has lived for centuries.

There is surely not a parish or mission in this diocese in which we may not have a branch of the Woman's Auxiliary. If the members meet but twice a month to study missions and pray for those into whose hands the Lord has given the active work.

The Nebraska Branch is rapidly approaching her majority. She will be twenty-one years of age May, 1907, if we count birth days from the first year she published a report. Growth has marked her progress from infancy. We pray for her broadening and deepening yr spiritual life as the years roll by and that she may ever retain the enthusiasm and buoyancy of youth tempered by the ripe wisdom of maturity.

Junior Auxiliary. Annual Report, May, 1906.

With our meeting this afternoon the Junior Auxiliary will end one of its most successful years.

Our nineteen active branches have worked harder than ever before and are able to show a splendid financial standing. They seem to have taken more interest in the study of Alaska and to have paid more attention to all pleas for extra money than in years gone by.

This year the meetings have been held with our President, Mrs. Stubbs, at Trinity Cathedral Parish House, the first Saturday in every month. Nearly every meeting has been opened by Dean Beecher. After roll call and the number, all business points are brought up and discussed. Then the study topics follow. This year we have been studying about Bishop Roe and Alaska, and have found it exceedingly interesting and instructive. A new form of study was adopted early in the year and has proved very helpful. Miss Hilliard, the study leader, assigns subjects to each leader present and they in their turn are asked to hunt up as many interesting references as possible, on their own particular topic, and then combine them in a short paper. At each meeting these papers are read, and in this way our study class has been made very pleasant. After these papers are read, Miss Hilliard gives us a short address on the work for the following month and our meeting always closes with a very pleasant social hour.

The Juniors have done remarkably well in raising money this year, a plea was made by Miss Emery for a sum of money for St. Paul's College, Tokyo, to which the Juniors responded most willingly. Then besides that a small sum was raised for General Missions.

Nearly all the Junior Branches have paid their pledges and have done the work in their own particular branch to the best of their advantage.

Our quarterly meeting was held at St. Martin's, South Omaha, with about fifty members present, and it proved an inspiration to us all.

Let us hope that next year we may work more earnestly than ever and have many new branches to keep us,

HARRERT M. ESTILL, *Secretary.*

Prayers for the Use of the Woman's Auxiliary.

O LORD JESUS CHRIST, who in the days of Thy flesh didst accept the services of faithful women, who ministered unto Thee of their substance. Be pleased, we humbly ask, to bless our endeavors to aid and encourage missionaries. Put into our hearts the things we should do and say to promote Thy glory. Grant that we may never be discouraged under difficulties, but go forward in faith and hope—looking unto thee. Have pity on those who know Thee not, on those who are far from the Church of their fathers in a strange land; visit them with Thy salvation, and grant that all may be speedily brought to acknowledge Thee as heir Lord and Master, Christ. Hear us and answer this our prayer, for thine own name's sake. Amen.

BLESSED SAVIOR, who at this hour didst hang upon the cross, stretching forth Thy loving arms; grant that all mankind may look unto Thee and be saved: through Thy mercies and merits, who livest and reignest with the Father and the Holy Ghost ever one God, world without end, Amen.

HEAVENLY FATHER, we pray Thee to bless us and all members of the Junior Auxiliary, with wisdom, zeal and constancy in our work for Thee. Prosper the missions of Thy Holy Church, and strengthen with Thy Holy Spirit all who are engaged in missionary work, through Jesus Christ, our Lord. Amen.
