## Directions

It is recommend that hereafter the Parish Auxiliaries elect their officers after Easter and before the Annual Meeting in May in order that the names and addresses of the officers may be given correctly in the Annual Report.

All reports of the work of the Parish Branches for which blanks will be sent, should be returned to the Diocesan Secretary, MRS. T. H. TRACY, on or before May 10th.

All reports of the work of the Juniors, for, which blanks will be sent, should be returned to the Secretary of the Juniors, MISS CAROLINE BARKALOW, on or before May 1st.

The United Offering is an offering over and above regular dues from every member of the Woman's Auxiliary throughout the Church, made at the Triennial meeting, to be used for the spread of Christ's Kingdom.

It is a fund raised by small offerings; no stated sum is required. But if 100 women should give only one cent a week, it would be over \$50.00 a year. Cannot you put a weekly ten cents into your blue box, without denying yourself overmuch? Will you not try to give that amount until the next Offering shall be made? And do not forget to use the prayer with the gift. If you need a box, your custodian will gladly send you one.

"And must I be giving again and again?"

"Oh, no," said the Angel, piercing me through,

"Just give, till the Master stops giving to you."

Miss Lindley then gave the annual address for the meeting, stressing the educational part as a means to increase both the interest and membership. Mrs. Fowler, the Missionary in charge of the Woman's work at Winnebago, then presented in a few words the needs of the Indians in her charge. Mrs. Allingham, Secretary of the Iowa Branch, brought greetings from Iowa, and invited our ladies to attend their annual meeting to be held at Sioux City on the 22d and 23d. Wednesday morning business was resumed at Jacobs' Hall, opening with a service conducted by Rev. W. S. Leete. The President reminded the ladies that September 29th was the day set apart by the province for special Communion Service, and advised that missionary addresses be given every branch. Dr. Jeffrey, a Medical Missionary, is expected to make the address in Omaha for the city branches. The questions discussed, were "In What Three Ways Does the Auxiliary Help Most?" and "What Does the Auxiliary Most Need?" The clergy who were in attendance assisted in this discussion. A vote was taken to make the definite

aim of the Auxiliary for the coming year an effort to Increase the Membership.

The meeting adjourned at 10:30 with a Benediction by the Bishop.

ALICE H. TRACY,  
Diocesan Secretary.

## President's Address

Right Reverend Sir: We are gathered today to make to you our annual report, and transact the regular annual business of the Auxiliary.

Women of the Auxiliary: It becomes my very great pleasure to bid the women of the Diocese of Nebraska welcome once more to our Annual meeting. These reunions are very pleasant; we enjoy them more and more as the years go by. We have a wonderful bond of union and friendship in the work for our Lord and Master. We miss some familiar faces, one especially from the Cathedral, Mrs. S. H. Burnett, whose faith and works will be an inspiration to all who knew her as long as memory lasts.

We greet with pleasure the new faces, especially those of the younger women. We find them more and more willing to take some of the responsibility and they are efficient. They find us older ones a little set in our ways some times, but they are learning to manage us, and the old guard keeps up its interest faithfully, beautifully.

Our gifts are a little larger each year, but can we not still do more? Beside our cash gifts, we now have two of our young women at work in the South, two in Western Nebraska, one in Alaska, and one just ready to graduate in Philadelphia, who will take up the work amongst the Southern Mountaineers.

Since our last annual meeting, the Provincial meeting has taken place in our own Diocese, and we have had a panoramic view of the missionary work being done by the other dioceses and districts in this province. The splendid addresses gave us fresh courage and inspiration, and made us realize very thoroughly that all eleven are engaged in the same work for our beloved church.

With the Bishop's consent, we have abandoned the semi-annual meetings, as the district meetings seemed to make the semi-annual meetings unnecessary.

The Church Periodical Club has begun its work under Madam Leete of Plattsmouth, and any of you who have Church papers or magazines that you are willing to mail to the missionaries or clergymen on small salaries, will confer with Madam Leete at any time.

Last summer was gathered up the One Day's Income, and many are resolving to make this an annual gift to missions. The women of the Auxiliary will surely be glad to lead in this. Will you please discuss in your own home branches in what three ways the Auxiliary helps the most, and what three things that the Auxiliary most needs. This suggestion comes from Miss Emery.

The favorite study has been, this year as always, Bible study, but as you will hear, many of our members have been taking the course in the Business of Missions, a little dry, but most necessary.

Outside of pledges for Diocesan and General Missions, interest has centered around Alaska and St. Mary's Hall, Shanghai. Of the \$100,000.00 which the Woman's Auxiliary started to raise two and a half years ago for St. Mary's, all but \$5,000 is subscribed. Of this amount, Nebraska has given \$200 and nearly \$100 more is pledged.

Will you please think over what should be our definite aim this coming year. Let us have a goal and work toward it. "Are the faithful few so very faithful when they bring in no more members?" We shall commence the new year with a special service September 29th, a day set apart in this Province for a missionary gathering. Dr. Jeffrey of China, is expected as the special speaker in Omaha. In your other branches, can you not have a talk by your Rector, or some invited speaker, on some special portion of the missionary field?

I want to thank you, one and all, for your very cordial hospitable reception of me, whenever I have visited you. It has seemed to me a great honor, and has certainly been a deep joy to work with you. Let us feel, everyone of us, that there is nothing too much for us to do in the Master's service. Perhaps in that way we may

attain the great Happiness defined by Phillips Brooks, as  
"A great love and much serving."

FANNY M. POTTER,  
Diocesan President.

## Reports of District Vice-Presidents

### NO. 1—NORTHEASTERN.

The need of visiting by Diocesan officers in this district is not very great, as the local branches meet monthly at the Church Home of the different Parishes. Here it is that the work of missions is studied and freely discussed, keeping all in close touch with the larger efforts of the Church. However, we have visited some of the Branches in Omaha, and have written to other Rectors outside, hoping to arrange a visit with them, but have received no reply.

On account of the large and helpful meetings of the Province of the Northwest, it was deemed unnecessary to hold a District meeting this year, as the knowledge and inspiration received at the Provincial meeting was greater and more far-reaching.

Branches of this District have responded liberally in their donations toward the amount to be raised for the building of the new St. Mary's Hall, Shanghai, having given \$67 in all thus far.

All the Branches have members interested in Mission Study, the larger Parishes having two or three classes.

Respectfully submitted,

MRS. H. J. PECK,

Vice President, The Northeastern District.

NO. 2—NORTHWESTERN.

I have the honor to submit the following report of District work done during the past year:

June 1—Visited Silver Creek, where I enjoyed the hospitality of Mrs. Bell. A meeting of the Guild was held at her home, with good attendance. I took with me United Offering Boxes. Mrs. Boman was elected Treasurer.

Septemeber 10—Visited Central City and met the Guild at the home of the President, Mrs. Scott. Twenty-one members were present. I put out United Offering Boxes, and there was a Treasurer appointed for this work. There is here a good prospect for a Junior Branch.

September 11—Visited Palmer and called on eight women that morning. Mrs. Carklin was very anxious for the ladies to have the Auxiliary, but no interest was awakened, so no work has been done.

September 24—Met Mrs. Noe on morning train and we went to Central City for a District meeting, which was held at Mrs. Hord's. There were in attendance, twelve from Central City, six from Columbus, and three from Silver Creek. The collection was sent to Mrs. Fairchild.

November 8—Visited Niobrara. Was entertained at Mrs. Chambers' and Mrs. Saunder's. Guild met with eighteen present, at Mrs. Clark's. We had a fine meeting. Elected United Offering Treasurer and gave out boxes.

November 9—Visited Neligh, but had no meeting.

November 10—Visited Norfolk. Met the Guild at the home of the President, Mrs. R. E. Brashear. Left United Offering boxes with them. Mrs. A. K. Leonard agreed to take charge of the Juniors.

November 11—Visited Madison between trains; had

a talk with three ladies of the Guild. I talked about the money we hoped to raise for Saint Mary's School, Shanghai, in all these places. I have received money for the School from Norfolk, Madison, Fullerton, Niobrara, Cedar Rapids, Silver Creek, and Columbus; also one dollar from the Rector of Neligh. Have sent \$28.25 to the Treasurer.

Respectfully submitted,

MRS. GEO. H. THOMAS,

Vice President, Northwestern District.

### NO. 3—SOUTHEASTERN.

This District has five active Branches and Christ Church, Wyoming, is the only country parish in the Diocese.

All branches have weekly meetings during Lent and monthly meetings at other times; except Wyoming which, during the past year, has had open meetings every two weeks, which were enjoyed by neighbors and friends of other denominations. This branch having been organized only two years with nine members, now has seventeen. They have worked on their altar hangings and other things, that were needed for their Church. Also given generously to the Theological Students Special, and for their study have used the Spirit of Missions and the Bible. It is the only Branch reporting the Study of the Bible.

St. Mary's, Nebraska City, is making their box work—the "Theological Students Special," and one student, who has been remembered by them for three years, will be for one more year. It hopes to give the vestments from this year's and next year's special, with Wyoming's help. A bandage circle was organized in this branch and with voluntary contributions of money in large and small amounts, also a large gift of material, bedding and towels have done splendid work. Eight hundred and thirty-five surgical dressings were made, valued at \$100.00, by the Lincoln Branch.

Luncheons were given during Lent at the weekly meetings of St. Mary's Branch and it has promoted a cordial feeling among the women members of the Parish and many new members have been added to this Branch. The luncheons were made as simple as possible, the amount that could be spent being limited; four hostesses served luncheon and the pledge was met before it was realized. The mark of thirty members which was worked for so hard, has been passed and thirty-eight members are now enrolled for St. Mary's, Nebraska City. Mr. Barnes gave a series of talks at four o'clock, on the day

of the meetings during Lent; also had readings from the Spirit of Missions and a United Offering talk.

The District meeting was held in the early part of September, 1915, at Christ Church, Wyoming, with fifty-one members present. Also Rev. James Noble, Falls City; Rev. Wilber Leete, Plattsmouth, and Rev. Wesley Barnes, Nebraska City.

A short service was held, sermon given by Rev. James Noble. Holy Communion was served by the Vicar, Mr. Barnes, assisted by Rev. Mr. Leete, and the closing hymn was then sung and the meeting turned over to the Vice President. The report of the last District meeting was read, the roll called and a talk was given by the President, Mrs. Potter. Miss Royce gave an interesting talk on the United Offering, and informal talks were given on Box work and Mission Study. The meeting adjourned at one o'clock for luncheon, which was served at Mrs. Fenn's. The Southeastern District is indebted to the Wyoming Church people for their delightful hospitality.

Many of the members from this District, attended the meeting of the Synod in October in Omaha.

As a District, two plans have been worked out, the first: each Branch has sent quilt pieces to Mrs. Holmes at Santee Agency, and the second: a series of talks were given by Miss Florence Thwaites, a church woman of Cape Town, South Africa, at Plattsmouth, Nebraska City, and Auburn, which were greatly enjoyed.

The only Junior Auxiliary in this District are in Plattsmouth and Nebraska City. I have no report from Plattsmouth and the Juniors at Nebraska City have disbanded for the present, but met their pledges.

Although I have been unable to visit any Branch except Wyoming during the past year, I have kept in touch with all branches and all have met their pledges; and have done their part towards the fund for St. Mary's Hall, Shanghai.

Respectfully submitted,

MRS. ALFRED F. BLONDELL,  
Vice President, Southeastern District.

#### NO. 4—SOUTHWESTERN.

The Branches of the Woman's Auxiliary in the Southwestern District have done a good year's work—with all pledges paid to date. There are now ten (10) active Branches with five Branches of Juniors, all much interested in the work.

Visits have been made to all the Branches and personal letters sent to all the Missions in the District. Literature and United Offering boxes have also been sent to many places. Beatrice, Christ Church, has a Branch of Juniors, fifteen in number—organized last fall, and now doing good work under the efficient direction of Mrs. Fisher.

On April 10, I visited York, meeting the women of the Auxiliary at the home of the President, Mrs. Shidler, and I came away much encouraged by their interest, and the work done since my visit of a year ago.

From York, I went to Geneva, and attended a meeting of the Auxiliary on Tuesday afternoon, the Vicar of the Mission also being present. This is also the first year of active work as an Auxiliary for them, and the interest manifested promises much for next year. I intended going to Harvard from Geneva, but an epidemic of measles made it seem an inauspicious time, and the visit was given up for the present. I wish here to thank the Church women of Harvard for the gift of one dollar for the St. Mary's Hall Fund.

On Wednesday, April 12th, I met the church women at Crete in a very pleasant way at the Church. They seemed much interested, but as they are working very hard to help with the general expenses of the Church, they hesitated about taking up further work at present. If we could all realize that work done through the Auxiliary for Diocesan or General Missions counted on our own church assessments—besides giving us the benefits derived from all working together in the cause of our Master—I think even our smaller Missions would not hesitate to "fall in line."

On Thursday, May 13—A neighborhood meeting was held at DeWitt, delegates being present from Wy-  
more one, from Fairbury one, from Beatrice eight, with  
many of the church women of the town. The Rev. Mr.  
Mulligan preached the sermon and assisted the Vicar  
in the celebration of the Holy Communion.

After a very delightful luncheon served in the par-  
lors of the Rectory by the women of the Parish Guild,  
the afternoon session was opened by our Diocesan Pres-  
ident, Mrs. Potter, who gave us a very instructive talk.  
A plea was made for the United Offering by the delegate  
from Fairbury, Mrs. Cox, followed by the reading of  
"The Little Blue Box," by Mrs. Tyner, the wife of the  
Vicar of St. Augustine's. The meeting was closed by a  
very earnest address by the Rev. Mr. Tyner. Thanks  
are due both Mrs. Tyner and Miss Dradt of Beatrice,  
for the music.

The offering was \$2.15. Later, the out-of-town  
women were again most hospitably entertained at the  
Rectory until train time, and we all went home declar-  
ing it one of the best District meetings we had ever at-  
tended.

Fairbury was visited May 11th, having a very pleas-  
ant, informal meeting at the Church. They promise us  
a District meeting in the fall. For the number of mem-  
bers, I think their United Offering record is the banner  
one of the District.

On the evening of the same day, I attended a meet-  
ing of the Auxiliary at Superior, at the home of the  
President.

They have grown in number and in activities since  
their organization in 1913, being now sponsors for a very  
active S. S. which, instead of being looked after by the  
Church, is already helping in the support of the Mission.  
Their work as a Parish Guild, has resulted in a fund of  
\$145.00 for building purposes, besides all other Parish  
work. They hope to increase their Mission pledges as  
soon as possible but meeting as the Mission does, in a  
rented building, they have felt obliged to do a great deal

of their work at home. The District has paid the pledge, \$25.00 given to the St. Mary's Hall, Shanghai, fund; the response from the different Branches being most generous. While the work done in the last three years seems small, five Parish Branches have been organized beside three Junior Branches, and I believe we are all stronger and more interested in Missionary Work everywhere.

Reports at present show:

Active Branches .....	10
Junior Branches .....	5

Respectfully submitted,

ELVIE SNYDER YODER,  
Vice President, Southwestern District.

## Report of the Educational Secretary

The subject of our study work during the past year has been "Current Topics in the Mission Field." This, I feel has helped us a great deal in becoming better acquainted with our Mission Work close at home, as well as in foreign fields.

Since my election as Educational Secretary, I have written to all Secretaries of organized Branches in our Diocese, and have received word from nineteen of them that they were doing some Mission Study. This does not include the Omaha Branches, where monthly program meetings were held at the various Churches, using the suggestions outlined by the committee. Papers were read or subjects discussed, by the Women of the Church in which the meetings were held.

During Lent a Study Class was conducted for leaders by Mrs. Potter, using Miss Emery's Hand Book on the Woman's Auxiliary, and study classes were held in various parts of the city.

A class for Junior Leaders was also held during Lent in Omaha, using the same text book.

I feel encouraged with our work for the past year, but we must work harder to find more leaders for classes.

Since the meeting of the Synod in October, I have sold 100 Missionary Calendars which were full of splendid information and inspiration from our Missionary Workers all over the world.

Respectfully submitted,

MARY ELIZABETH TYNER,

May 16, 1916.

Educational Secretary.

## Report of Diocesan Librarian

Very few books have been loaned this year, as the study has been on Current Topics, where the "Spirit of Missions" has been invaluable as a reference book. During Lent a special study was made of the Business of Missions and Miss Emery's Hand Book was used as a guide. We sold four dozen of these books. There is on hand in the Treasury \$10.00.

Respectfully submitted,

MRS. J. P. TRIMBLE,

Librarian.

## Report of The Bishop's Guild

*Madam President, and Ladies of the Auxiliary:*

The Bishop's Guild has met regularly on the first Friday of each month during the past year, since October, 1915, with full attendance at the home of Bishop and Mrs. Williams. One extra meeting was held to finish the fourteen confirmation veils given by the Guild as an Easter offering for the Winnebago Indian Mission.

During the year, the Guild has done a large amount of renovating on the Bishop's vestments, also laundering of vestments, also made a new silk Cassock and Mozetta for the Bishop, furnishing the findings for same. Also six stool protectors and nine purificators for the Bishop's Chapel.

Ten dollars has been given as the special pledge for the work of the Winnebago Indian Mission.

Respectfully submitted,

LUCY C. UPDIKE,

Secretary.

## Report of the Directress of the Junior Auxiliary

For the Year 1915-16

Since Miss Trimble's resignation the first of the year, I have acted as Directress of the Junior Auxiliary Branches, with Miss Caroline Barkalow as Secretary-Treasurer.

Twenty organized Junior Branches have been reported during the past year. This seems a fairly good number and the work has been most encouraging, though we all look forward to the time when every Parish and Mission in the Diocese, can report the organization of one or more sections of the Junior Auxiliary.

Three fine Christmas boxes were sent off this year. One in November to St. Augustine's School at Raleigh, N. C., contained gifts for 280 persons and was valued at \$85.00. The box sent by St. Paul's, Omaha, to the Winnebago Agency, \$58.50, and the one sent to Rev. Guy Madara, Chena, Alaska, contained 165 gifts. The total value of boxes amounted to \$250.25; the paid pledges to \$304.36.

The annual meeting at Trinity Cathedral on May 13th, was well attended. Bishop Williams spoke of the Foreign Missions within our own Diocese, that is, the work being done for the Indians at the Genoa and Winnebago Agencies, and urged the Juniors to distribute their gifts and interests as widely as possible. We were fortunate in having Miss Grace Lindley with us at this meeting and her appeal, "Your King and Your Country Need You," inspired us all with a desire to Study and Give and Pray for Missions, more earnestly than ever before.

No Junior text book was issued this year but many Branches report Study Work on Current Topics. A special book for Juniors on Latin-America, will be out in October. Will not each Branch try to use it and devote as much time to study as possible?

The Christmas box for 1916 is to be sent to Elizabeth House, White Bluff, Tenn. 200 useful and joyful gifts will be needed to make the box complete.

Respectfully submitted,

ELEANOR B. SPRAGUE,

Directress of the Junior Auxiliary.

---

### Report of the Secretary of the Junior Auxiliary

During the past year nine meetings of the Junior Leaders of Omaha and South Omaha have been held, the average attendance being nine. The meetings were held on the second Wednesday of each month, at the residence of the Directress, and were devoted to reports of work being done in the various Branches.

During Lent a Mission Study Class met weekly using Miss Emery's Hand Book as text book.

At the annual meeting, held at Trinity Cathedral, May 13th, about one hundred and sixty were present. Pledges and box work amounted to \$642.60.

Reports have been received from 18 Parishes having Junior Branches.

Respectfully submitted,

CAROLINE BARKALOW,

Junior Secretary.

### Prayers

Direct us, O Lord, in all our doings, with Thy most Gracious favour; and further us with Thy continual help; that in all our works begun, continued and ended in Thee, we may glorify Thy holy name, and finally, by Thy mercy, obtain everlasting life; through Jesus Christ our Lord. Amen.

O Lord Jesus Christ, who on earth didst delight to use the ministry of women, we pray Thee to accept the offerings which Thy servants bring to Thee, and grant that they may be used to bring the knowledge of Thy love and the hope of life eternal to many women in far-off lands who are now sitting in darkness and in the shadow of death. Grant this, O Blessed Redeemer, through the power of Thy life laid down for all mankind. Amen.

O, Heavenly Father, who has chosen and called us to Thy service in the Church, all our trust is in Thee, for in Thee are the springs of life. Abundantly give us of Thy Blessed Spirit, without whom nothing is strong, nothing is holy, and use us as it shall please Thee for the glory of Thy name. Make our wills patient, our consciences pure, our tempers bright, empty us of self, and fill us with the meekness of wisdom, increase our faith, mellow our judgments, stir our zeal, enlarge our hearts, let our lives enforce what our lips utter, do Thou choose for us the work we do and the place in which we do it; the success we win, and the harvest we reap. Preserve us from jealousy and impatience, from self-will and depression. Make us faithful unto death, and then give us the crown of life, through Jesus Christ our Lord. Amen.

### The Junior Collect

O God, our Heavenly Father, we thank Thee for the gift of Thy dear Son. Grant that we who have received Him in our hearts may joyfully go forth with Him on many errands. Bless those who toil for Thee in far off places; comfort them in their loneliness; and unite our work to theirs. Accept our gifts; receive our prayers; and use us for the sake of Thy Son Jesus Christ, our Lord. Amen.
