MAY 21-22, 1917

✕

The thirty-first annual meeting of the Nebraska branch of the Woman's Auxiliary to the Board of Missions was held in Omaha, May 21st and 22nd, in the Cathedral Parish House, Mrs. Philip Potter, Diocesan President, presiding.

Because one day had not seemed sufficient time for the annual meeting, the business was divided, and the first half completed on Monday afternoon, giving more time for the important discussions of work on Tuesday.

Right Rev. Arthur L. Williams, Bishop of the Diocese, opened the meeting at 2 p. m., with prayer and a word of greeting.

The address of welcome was given by Mrs. Albert Noe, Vice-President-at-large. The following officers read their reports:

Mrs. Leigh Leslie, Vice-President of the North-eastern District.

Mrs. Geo. Thomas, Vice-President of the North-western District.

Mrs. Alfred Blundell, Vice-President of the South-eastern District.

Mrs. S. E. Yoder, Vice-President of the South-western District (the latter read by the Secretary).

Mrs. Oscar Williams, Educational Secretary.

Mrs. J. A. Tancock, Custodian of Boxes.

Mrs. Eleanor Sprague, Directress of the Juniors.

Miss Caroline Barkalow, Secretary-Treasurer of the Juniors.

Mrs. J. P. Trimble, Diocesan Librarian.

Mrs. J. G. Leete, Correspondent Church Periodical Club.

Miss Lucy Updike, President Bishop's Guild.

These reports, on motion, were accepted.

Mrs. Fowler made a special report of the work being done in the Winnebago Indian Branch, and one of the little Indian girls, Ruth Leinere, repeated the Lord's Prayer and Mrs. Butler, one of the Indian women, gave a report for their branch.

A letter was read from Miss Elizabeth Delafield, Chairman of a Conference Committee, appointed at the Triennial Meeting in St. Louis, submitting seven suggestions in regard to a Constitution for our National Auxiliary, asking for our earnest consideration and discussion. This matter after some discussion was referred to the Executive Committee and the Provincial Delegates, with instructions to report at the next annual meeting, when the subject will come up for discussion and vote. Following are the articles for the suggested Constitution:

1. The Auxiliary should have a constitution to be ratified by the Board.

2. The president of the Board of Missions is ex-officio the president of the Auxiliary.

3. The general secretary should be nominated by the Auxiliary and appointed by the Board of Missions, her term of office to coincide with that of the president of the Board.

4. There should be some sort of unified provincial organization.

5. The delegates of the Woman's Auxiliary at its triennial meeting shall elect a chairman of its executive committee, who shall preside at all meetings. They shall also elect an executive committee consisting of sixteen members, eight to be nominated by the whole body of delegates. In case of vacancy in the chairmanship between the triennial meetings, the executive committee shall have power to fill the same.

6. Eight members of this executive committee shall be elected members of the Board of Missions.

7. The executive committee shall meet at the same time as the Board of Missions, either immediately before or immediately after.

## President's Address

In laying down the honors and responsibilities I have carried so close to my heart these past four years, the first thought that comes is one of gratitude to you, Right Reverend Sir, for your advice and helpfulness which have been extended in every possible way, and to you, the officers, particularly the Vice Presidents, for your splendid co-operation.

*Growth.*—The Woman's Auxiliary has grown from 24 Senior Branches and 16 Junior to 40 Senior Branches and 29 Junior. The Woman's Auxiliary had a membership of 500, perhaps a few more, and today we have over 900. This is partly due to greater interest generally in the Missionary work of the church, but the Diocesan Officers, all of them, have been busy. They have come together frequently for conference and have made "personal contact" the method of interesting the Branches in the different lines of work. We have been trying to "recruit to war strength," but there are still many vacancies in the ranks.

*Problems.*—The problems in both parish and diocese are numerous. Those that have come up in the parishes have been: How shall we interest the Aid Societies or Parish Guilds in Missions? and how shall we interest members in the study of Missions? This is not the place to enter into any extensive discussion of the questions, but we have made the following suggestion, using Dr. Gardner's illustration of five rings, one within another. The smaller towns have the advantage of being a small group, to do all kinds of Church work, but in the larger towns we suggest that when there are enough women, they divide up into circles or teams or divisions, and that each group work for every line of church work. This was Bishop Williams' plan in Chicago, and it is being used by All Saints in Omaha in a special effort they are making. It is the system used in Dean Hart's Church in Denver and it is used with wonderful success by our Presbyterian friends. By dividing into small groups, any woman can accommodate the whole circle for a weekly meeting in her own home, and this is often an advantage. The

idea, further, is for all sections to come together once a month to make reports and for conference.

The problems that have come up in the diocese have been simpler, though they are not altogether solved even yet. They relate more especially to the District Meetings. *When* shall we have these meetings? *Where* shall we have these meetings? *How many* shall we have?

As to when is a good time to hold the District meetings, it has worked out in the four years we have had them, that early in the fall is a good time, the *best* time in fact, just at the beginning of work for the winter. The second choice is a spring meeting during Lent. However in the Southwestern and the Northwestern Districts it is necessary to hold two meetings on account of the distances. It has, so far, been impossible to get a full representation at one meeting in these large Districts.

*Personal Contact.*—As we have said, the Officers have emphasized “Personal Contact” as the best *method* to spread interest in the Auxiliary. Where we could not meet and talk with the out-of-town Branches we have used with good success Circular Letters.

*The Dominant Desire.*—There has been in use this past year a beautiful study book on Prayer, and one chapter is on “The Dominant Desire.” Will you stop a moment and think what in your lives is the “Dominant Desire?” Do we put the Church *first*? Not the Church *only*, but *first*? If the Church came first our Society would grow faster. As an auxiliary do we not want to grow? We can only grow by study and practical effort.

*Leaders.*—In starting activities the first thing is to find Leaders, and the Study Classes are the best guides we have found to develop or to discover Leaders. There are always some people in Society who cannot measure up to others, but Study Classes or other small bodies of women working together invariably find one or more who are capable of *leadership*. As soon as capable Leaders are found, the work progresses and the problems are solved.

*Three-fold Purpose.*—The Woman’s Auxiliary has a three-fold purpose:

1st, *Devotional*—To increase Individual Consecration.

2d, *Study*—To increase Knowledge.

3d, *Giving*—To increase Giving.

For the first we look to our clergy for example and inspiration. For the second, to our books and study classes. The third must come from ourselves. This last is what we wish to emphasize today. There are many ways of giving. The easiest way is to say "here is my money for the year," and then forget all the beautiful, wonderful things that go on in the Missionary Fields. There are those who will only give in that way, but those gifts are to be taken, along with others given with more appreciation of the personal service this money supports, and our Heavenly Father will use all gifts for the good of the giver as well as the good of His Kingdom. Then there are those who give regularly and conscientiously, but would never under any circumstances ask others to give. This is far harder than to give from one's own pocket, but if we put our cause in the right light, people seldom say no. Nearly always people give when the purpose and privilege is put before them, and they always feel better for having done so. Besides gifts of money and material, personal service and the gift of life are the great gifts to the cause.

*The Need.*—But this is what should be urged. The need of giving. Our clergy do not expect enough of us, and we are not self-denying enough. Let us aim high, make our budgets big, and then never *put off* the collecting of this money that is needed.

*Suggestions.*—May I give you some suggestions that I have received partly from other organizations. Have an aim. Always get your amount over-subscribed. Ask all classes. Use publicity. Make no apologies. Use committees. The more we do, the more we can do. Canvass your parish. Praise your workers whenever you can. Don't be sensitive. Be optimistic. Always take it as a compliment that appeals are made to you. *Somebody* has faith in your generosity. Make one call a week to get a new member or an annual subscription, or a subscription to the Spirit of Missions, or to place an United Offering Box, or if every one in the Parish is already enrolled, you

can make one call a week to talk over the latest news in the Spirit of Missions. Such a talk will be helpful. We can hardly wait for the news from the war now going on; do we realize that war against sin is being continually waged? and do we watch with intense eagerness how that battle is going? The Spirit of Missions is our official war magazine; from it we learn month by month how the war against sin and ignorance is progressing. The anti-missionary person is always a trouble maker. Be extra kind and patient with such and use extra endeavors to enlarge their vision, remembering that we are all brothers and sisters, and that in many other ways that person may be vastly our superior.

*The Rich.*—Nebraska is really a rich state and yet we still receive aid from The Board of Missions. Many more of our Churches would be self-supporting in Nebraska if we gave to the Church in the same proportion we give to amusements. Omaha people, and I suppose it is the same in smaller towns, are giving more than ever, and to all sorts of good projects, and even money for new Church buildings and old Church debts is being provided. Let us be careful and make our Missionary gifts keep pace with all others. The Church never was more needed and never were there greater opportunities. Let us put before those who have money their great privilege in the Missionary field.

*Collectors.*—In many parishes pledges are made and no collector is provided. The treasurer is naturally the collector, but when for one reason or another she does not collect, a special collector or committee should be appointed. When people pledge, they intend to pay, and often wait expecting some sort of a notification. Let us give and let us collect, remembering that every contribution of money, prayer or steadfastness comes back in enrichment of the Church.

*To Presidents.*—Read minutes at close of meetings so as to have them corrected or approved by those who took part in the meeting—monthly meetings are so far apart that people forget. Have files of Parish, Diocesan and General Reports. Keep a list of members and communicants. Engage women speakers. Have neighborhood meetings and do not be afraid to spend

money for the railroad fare to attend such meetings. Circularize your own Branch. Distribute leaflets, one kind at a meeting.

Use calendars and Spirit of Missions and *prepare* program for each meeting.

*Speakers as Guests.*—We have had, during the year, besides Miss Lindley, who was with us last May, three speakers from the Missionary world, to instruct and inspire us. First our own Miss Bowen spent her vacation in Omaha and gave an excellent talk on the preparation women must make when they are going to give their entire time to Missionary work. Next came Rev. Mr. Staunton from the Philippines who gave an illustrated talk on his work among the Igorottes, and last we had Dr. Gardner on Religious Education, emphasizing Sunday School work.

*Visits We Have Made.*—To you especially who do not live in Omaha we would express our deep appreciation of all your hospitality and kind thoughtfulness and courtesy when we have visited you. Our visits to your homes and dear little churches are treasures stored up in "Memory's magic shrine." And to the ladies of Omaha I am indebted in a thousand ways, too numerous to mention. No body of women could be kinder or more thoughtful than you all have been. I have felt that you knew I was doing my best.

*General Convention.*—The crowning joy of my administration was representing you at the St. Louis Triennial. The women there were doing just what we are doing—praying, studying, giving. Trying to make it possible for the Board to respond to the many calls for help, and since we came home we have had many letters and circulars showing these same women at work harder than ever to respond to calls that were unanswered there. It was a great privilege to be classed among them. They were such generous Missionary minded women, and you could see *goodness* and *culture* in every face. There is no assembly of women anywhere their superior, and we women in Nebraska must put before ourselves a high ideal and call forth day by day the best there is in us, if we wish to live up to their plane.

FANNY M. POTTER,  
*President.*

## Reports of District Vice-Presidents

✕

### NO. 1.—NORTHEASTERN.

The Northeastern District has 18 parishes, but only 15 branches of the Woman's Auxiliary. On account of sickness in my family I have not been able to visit all the branches.

October 25th. Visited St. Martin's, South Side, at the home of the President, Mrs. Getty. They meet once a month and were interested in Study Work.

October 27th. Our President, Mrs. Potter, just returned from St. Louis, talked to the Cathedral Auxiliary on the need of St. Agnes' School, Kyoto; also gave a very interesting talk on the Convention.

November 2nd. I accompanied Mrs. Potter to Fremont. We were met at the train by Rev. Mr. Frost and entertained at his home. We met the Auxiliary members at 12:30 when we were entertained at Luncheon by Mr. and Mrs. Hopkins. The regular meeting opened at 2 p. m., when Mrs. Potter gave a very helpful and interesting talk, telling much about the Triennial Meeting.

November 14th. Attended regular meeting of the Woman's Auxiliary of All Saints' at Mrs. Rahm's. Found them sewing, and after luncheon, both Mrs. Potter and Mrs. Williams addressed the ladies.

January 5th. Monthly meeting at Jacob's Hall at 12 noon, followed by box luncheon and social hour. Forty ladies attended and five came from Fremont. At 2 p. m. the Interparochial Guild gave a Missionary entertainment illustrative of their study book for this year.

January 12th. Attended Study Class at St. Barnabas. Found it very interesting as Rev. Mr. Holsapple gave the lesson in lecture form.

February 10th. Our President talked to St. Mary's Interparochial Guild at my home, encouraging them to grow and to take up Study Work; also reminded them of the fact that they were an example to other young people.

February 15th. Northeastern District Meeting. Communion Service at Trinity Cathedral at 10 a. m. Business Meeting and reports from all Auxiliaries. Study Classes and Junior work were reported. The afternoon was given to addresses. Rev. Mr. Purce told of his Winnebago work and some beds and bedding were promised. Then Mr. Geo. Tyner told of his work in De Witt, which was very interesting. Mrs. Potter, in her talk on Brownell Hall, brought out the fact of what a missionary power the school is in Nebraska.

Our Bishop then gave us some words of encouragement and closed the Meeting with his blessing.

Respectfully submitted,

MRS. LEIGH LESLIE,  
*Vice-President Northeastern District.*

## NO. 2—NORTHWESTERN.

I have the honor to submit the following report of district work done during the past year.

Visited Central City on September 10th, and called on Rev. Mr. Freebern to talk over the work at Palmer. I asked him and Mrs. Freebern to do my work there, as I have been unable to accomplish anything at that place. I find they have a Guild organized, and I am pleased and thank them for the work.

Visited Central City on September 20th, where I enjoyed the hospitality of Mrs. Ed. Bishop, and met the Guild. Twenty members were present and many of their husbands came for supper. They have a fine working guild and a very fine Altar Guild, and I have hoped it would become a Junior Auxiliary.

November 17, visited Fullerton and met the Guild at the home of Mrs. Russell. Seven were present and we elected officers, Mrs. Penney, President. I arranged for them to have United Offering boxes.

I expected to visit Cedar Rapids on November 18th, but received a letter from Mrs. Burgess saying that some of their members were sick and some were away, so did not go there. Their membership is only seven. I have not been able to go there since.

Visited Neligh, March 7. Met Mrs. Potter and Mrs. Williams on the train. We arrived there in a big snow-storm. I was met by Rev. Mr. Brown and Mr. Skinner. Mr. Skinner took me to his home where I was entertained. Mrs. Potter and Mrs. Williams were taken to the hotel to be entertained. The next afternoon we met members of the Guild at their new Parish House. Mrs. Clements, president, presided. Mrs. Potter addressed them as also did Mrs. Williams. We gave them United Offering boxes. Mrs. Anderson was elected Treasurer. An Auxiliary has been organized.

A meeting of the Northwestern District of the Woman's Auxiliary was held at Norfolk on March 8th. Holy Communion 10:00 a. m., Trinity Church, Rev. J. H. Blunt, Celebrant. Business meeting, 10:45 a. m. Mrs. Brashear, President of the Guild, gave us a

very hearty welcome. There were fourteen present from out of town. Rev. Mr. Brown of Neligh and Rev. Mr. Moore of Schuyler met with us, at 12:30. The Guild ladies took us to luncheon. The afternoon session opened with prayer at 2:00 p. m. Addresses on the three divisions of Auxiliary work were given as follows: Devotional, Mrs. Tracy; Educational, Mrs. Williams; Practical Work, Mrs. Potter; offering, \$5.25.

This money was sent to Mrs. Fairchild. There were fifty present at this meeting. Benediction by Rev. Mr. Blunt.

Visited Silver Creek on May 2nd. Met the Guild at their regular meeting. There were twenty-four present. I gave them a report of our two District Meetings. They voted to send twenty-four gifts for the Junior Xmas box. They told me they had sent their United Offering and their mission money and their fee.

Meeting of the Northwestern District of the Woman's Auxiliary was held at Schuyler on April 12th, 1917.

Holy Communion, 11:30 a. m. at Holy Trinity Church, Rev. Mr. Moore, Celebrant, assisted by Rev. Mr. Purce and Rev. Mr. Frost. Rev. Mr. Moore preached a fine sermon on Woman's Work. At 12:30 luncheon was served at the Rectory. 2:00 p. m. Rev. Mr. Moore opened service with prayer. Mrs. Wright gave us a very cordial welcome. Miss Fry gave a talk about the Little Helpers, and Miss Sprague on Practical Work of the Junior Auxiliary. Mrs. Potter reported receiving twenty-five dollars from Pierce, which is in my district. She gave instructions in Junior Work. Rev. Mr. Purce and Rev. Mr. Moore gave a nice talk on Junior and Sunday School work.

Rev. Mr. Frost of Fremont also gave us a fine talk. There were seventeen out-of-town visitors. The offering was \$10.25.

Visited Schuyler, May 3rd, 1917. The Auxiliary met with Mrs. Brownell; ten were present. They have a Junior Branch and an Altar Guild, and are doing fine work as their report will show.

Respectfully submitted,

MRS. GEO. H. THOMAS,  
*Vice-President Northwestern District.*

### NO. 3—SOUTHEASTERN.

In presenting the fourth annual report of the Southeastern District, it is a pleasure to report all organized branches active, and we trust Tecumseh will soon fall in line. One new Auxiliary-Guild was organized at Peru of eight young ladies, and Christ Church, Wyoming, is also an Auxiliary-Guild, and have found that a good plan for their work.

All pledges of the branches have been met and good work done. The active work in this District commenced September 29th, when all branches had Holy Communion, and Nebraska City, Auburn and Wyoming had a neighborhood meeting at Nebraska City. Mrs. Noe visited us and after an interesting morning meeting, we adjourned to Mrs. Thomas Ryan's home, where Mrs. Ryan and four other ladies as hostesses served luncheon. At half past two o'clock the meeting was again called to order and Mrs. Noe read a letter from Miss Bowen at Dante, Virginia, about her work among the mountaineers and the need of an organ. Part of the amount needed was given, and am sure the rest was collected and sent to her.

The next important feature of my work, was a visit of a few days at the General Convention of the Church in St. Louis, and the Auxiliary meeting there. The Diocese of Nebraska was well represented and it was a wonderful experience.

All branches have their regular times for meeting, and in Lent, all except one have had weekly meetings, with a program about Church work.

Plattsmouth has the only Junior branch—Little Helpers—and besides doing good box work had a Mission Study Class. This is their report to me: boxes \$32.70; money received, \$79.15, total \$111.85.

Christ Church, Wyoming, organized three years ago with nine members, now has twenty, and some members go eleven miles to the meetings. They met every week in Lent in spite of bad roads, and have held fifteen meetings during the year, and four were postponed on account of bad roads. As one of the officers

said: "I am so proud of the members and they are so enthusiastic."

Nebraska City has no special feature to report, except that in spite of building and other church work, the Auxiliary continues to grow, having gained five new members this year.

Auburn, although small in numbers, does some wonderful work in box work and for the Sunday School and church.

Falls City has an active branch and reported no special feature of their work, although I am sure membership and Prayer Study have been among their best features. The new branch at Peru has eight members and has sent \$8.00 to the St. Agnes building fund.

The Southeastern District meeting was held November 16, 1916, at Falls City, and those who attended the meeting brought back word of the kindly thought and generous hospitality of St. Thomas' branch. Mrs. Potter, Mrs. Oscar Williams, Educational Secretary, and Miss Frye for the Juniors were the Diocesan officers present. The President of St. Thomas' branch gave us a cordial greeting, and Rev. Wilber S. Leete, of Plattsmouth, and Rev. Wesley Barnes, of Nebraska City, gave us interesting talks and assisted Father Noble with the services.

I have made no visits to the branches but have kept in touch with the work by correspondence and meeting with the members at the Annual and District meetings.

The best that I have to report is a steady growth in all branches—enthusiasm and a better understanding of the work in all its branches, and I wish to say I am indebted to the Bishop and Mrs. Potter for the privilege of working with them, during these past four years.

Respectfully submitted,

MRS. ALFRED F. BLUNDELL,  
*Vice-President Southeastern District.*

#### NO. 4—SOUTHWESTERN.

Circumstances have been such that I have been unable to visit each Branch in the District, as it had been my privilege to do during the previous two years. However, letters have been written, notices of meetings have been given, and United Offering boxes and Auxiliary literature have been sent each branch during the year.

A neighborhood meeting was held in February at Fairbury—though few outside the Fairbury Branch were present, due perhaps to the inclemency of the weather. The Rev. George St. George Tyner of De Witt, celebrated the Holy Communion, and delivered an address, while our Diocesan President, Mrs. Potter, talked of the great aims of the Auxiliary for the year.

We who enjoyed the hospitality of the Fairbury people, and heard the addresses given, came away with the feeling that these meetings can be of the greatest benefit to us.

A second meeting was held at Holy Trinity, Lincoln, later on in March, where the Rev. S. Mills Hayes celebrated the Holy Communion, and gave the address. Later on in the afternoon short addresses were given by the Rev. Mr. Mulligan of Beatrice, Mrs. Potter, and by the Educational Secretary, Mrs. Oscar B. Williams of Omaha. At the close of the afternoon program, Mrs. Williams met a number of the Lincoln women with the view of forming a Study Class. While there may not be a great advance in the work as a whole, I think in some cases, at least, interest has been deepened.

Respectfully submitted,

MRS. S. E. YODER,  
*Vice-President Southwestern District.*

## Secretary's Report

For the Year Ending May 21st, 1917.

✕

The first meeting was that of the Executive Committee at Mrs. Philip Potter's home on August 22nd, 1916, when Miss Elizabeth Bowen, just starting to her work among the Southern Mountaineers, talked to the members present of her training and school life. The first regular meeting was held on St. Michael's and All Angels' day, September 29th, in Trinity Cathedral. On Sunday, October 22nd, the Rev. John A. Staunton, Jr., from the Mission of St. Mary the Virgin, Sagada, in the Philippine Islands, gave a stereopticon lecture in St. Barnabas Church.

November 24th, 1916, January 26th, 1917, and March 30th, 1917, monthly meetings were held in St. Barnabas Church, when the Rector, the Rev. L. B. Holsapple, conducted a series of stereopticon lectures on the year's study, "The New World." January 5th, 1917, a special meeting was held in Trinity Parish House, when Bishop Thurston of Oklahoma addressed the Auxiliary on the Church Pension Fund, and a dramatic program by the Interparochial Guild was given.

April 27th, the last meeting was held in All Saints Church, when the Junior Auxiliary of Church of the Good Shepherd, Miss Alice Fry in charge, gave the program.

The New World, the text book sent out by the Board of Missions, has been used in all the branches, and the topic for all programs. Total number of branches formed, 40. Total membership as given in reports, about 900. Five new branches have been formed during the year as follows: Neligh, Norfolk, Pierce, Peru, and Schuyler No. 2. Notice of all meetings have been sent to the newspapers and secretaries of parish branches, and all letters pertaining to Auxiliary work answered.

Respectfully submitted,

ALICE H. TRACY,  
*Diocesan Secretary.*

## Report of the Educational Secretary

x

Our official Mission Study Text Book, "The New World," appearing when Latin America, its history and politics, were so in the public eye, by its very timeliness made an impression on the general reader. Its religious and missionary character brought it before us in a new light, making its study vital and important. But for the unfortunate shortage of books just at the moment when interest was at the highest pitch, we might have had several more classes to report, and a broader field covered.

The other course offered at the General Convention on "Prayer" using the prayers of the Bible and Fosdick's "Meaning of Prayer" for text book, with us, failed to reach many people, but proved uplifting and helpful to those who were privileged to attend the course. These classes may be formed at any time by application to your Educational Secretary.

The past year has shown some real gain, has added several capable and devoted leaders to our little band, given us a vision of what the educational work may mean and do through earnest effort, with a fuller realization of the privilege and responsibility of leadership, and a deepened sense of the spiritual benefit to be won.

This year a special effort will be made to secure attendance on the Summer Conferences, where many helpful courses are offered, bringing one in touch with the vital things along religious educational lines.

A wide interest and enthusiasm was aroused and many plans laid for using the time of Miss Frances Withers, who promised the month of May to the Diocesan Board of Religious Education. Much work had been done in preparation, and failure to fulfil her contract caused keen regret and disappointment to the Board, and generally throughout the Diocese.

This failure has brought to the Board a realization that in future we must depend more and more upon ourselves, educating our own young women that they may go about in the Diocese, starting new work, holding

Institutes and Conferences, developing the Junior Auxiliary and the Sunday School, and, in fact, being helpful in any way possible.

A report of the year's work to date follows:

Twenty-eight study classes—

Lincoln, Holy Trinity, 1 "Prayer."  
Norfolk, St. James, 2—1 "Prayer"; 1 "New World."  
Blair, St. Mary's, 1 Junior "Manana."  
Beatrice, Christ Church, 1 Junior "Manana."  
Plattsmouth, St. Luke's, 1 Junior "Manana."  
Schuyler, Holy Trinity, 1 Junior "Manana."  
Omaha, Normal, 2—1 "Prayer"; 1 "New World."  
Omaha, Interparochial, 2—1 "Bible"; 1 "Prayer Book."  
Omaha, Trinity Cathedral, 3—2 "New World"; 1 "Prayer."  
Omaha, All Saints, 3 "New World."  
Omaha, St. Andrew's, 2—"New World"; "Junior "Manana."  
Omaha, Good Shepherd, 2—"New World"; Junior "Manana."  
Omaha, St. Barnabas, 1 "New World."  
Omaha, St. Martin's 3—2 "New World"; Junior "Manana."  
Omaha, St. Paul's, 1 "New World."  
Omaha, St. Philip the Deacon, 1 "New World."  
Omaha, St. Matthias, 1 Junior "Manana."

3 Dramatic Programs.

3 Stereopticon Lectures.

8 Conferences in the State, five of which were attended by your Educational Secretary.

100 Missionary Calendars were sold, and many persons have been daily using the Bible lessons therein outlined with much profit, and will wish to continue this method of Bible study.

To the Educational Secretary of next year I would suggest an effort be made to secure Parish Secretaries to confer with the Diocesan Educational Secretary as Chairman, strengthening the centers, furthering all educational work, and keeping it before the Auxiliary, that it may never be superseded or neglected.

Our aim for next year is—That the educational work may spread into every corner of the Diocese, beginning with the "Little Helpers" or "Font Roll," and continue through the Junior sections, and the Woman's Auxiliary until every baptized member shall understand and know the one great mission of the Church—our Lord's command: "Go ye therefore and teach all nations—to observe all things whatsoever I

have commanded you,—and lo, I am with you alway—  
even unto the end of the world, Amen.”—St. Matthew  
28:19-20.

Respectfully submitted,

MARY D. WILLIAMS,  
*Diocesan Educational Secretary.*

## Report of Diocesan Librarian

✕

Only a few books have been borrowed this year and those for private reading, owing to the fact that our Study "The New World" was not a reference book. A new book on Latin America, probably by Hawthorne, will be purchased and placed in the library for the convenience of those wishing to study that subject.

Balance in treasury, \$7.62.

Respectfully submitted,

HELENA TRIMBLE.

## Report of the Bishop's Guild

×

The Bishop's Guild has met on the first Friday of each month since November, at the home of Bishop and Mrs. Williams.

During the year a large amount of work has been completed. Four of the Bishop's vestments have been made over. The Guild made six aprons and collected many articles of clothing and household articles and toys, for the Christmas Box, which was sent to the Winnebago Indian Mission.

The following Altar linens for the Indian Mission have been completed: six purificators; one pall; one corporal.

The guild has sent a special pledge of \$10.00 to the Winnebago Indian Mission.

Respectfully submitted,

LUCY C. UPDIKE,  
*Secretary.*

## Report of Directress of Junior Auxiliary

✕

I am glad to be able to report an increase in the membership of the Junior Auxiliary for the past year. Reports have been received from 24 branches, and five new branches of "Little Helpers" have been added to our ranks.

The first work of the year on gifts for the Christmas box was completed by November and two fine boxes were sent—one to Elizabeth House, White Bluff, Tenn., and one to All Saints' Mission, Winnebago, Nebr. In addition to these, two dozen gifts were sent in a box to Miss Bowen at Dante, Virginia, and a few parishes sent out separate boxes, making in all a total of seven boxes sent.

In company with Miss Fry, I had the pleasure of visiting the "Little Helpers" branch at Plattsmouth and found them doing fine work. This branch is to become a Section II and a new Section I is to be formed.

I also attended the meeting of the Southwestern District held in Lincoln and the Northwestern District held in Schuyler, at both of which the "New Junior Plan" was discussed and much interest was shown in it.

In brief, the new Junior Plan as proposed at the Triennial means closer co-operation between the Sunday School and the Junior Auxiliary. It recognizes the fact that the Junior Auxiliary seldom reaches all of the children—especially the boys, and that they get the impression that "Missions" is something extra and that the Junior Auxiliary is a society for this "extra" thing.

The Church has one organization which should include all its children and to which boys as well as girls belong, namely, the Sunday School or Church School. Why can not these two organizations each be made to help and strengthen the other? Why not have our boys as well as our girls, "Praying, Studying, Giving," to Missions? That is the question many are asking and many hope to find an answer to it in the New Junior Plan when the Juniors will be "Junior Auxiliary to the Board of Missions" instead of the Junior to the Woman's Auxiliary.

The scope of work is considerably enlarged by this plan and it may be thought best to appoint four District Vice-Presidents to cooperate with the Junior President in this work.

The annual meeting at Trinity Cathedral on May 19th was well attended and the reports encouraging. Nine branches reported Study Classes and seven made scrap books or posters for study. The program for the afternoon session consisted of two plays—"Manana" by Good Shepherd Juniors III and "Slave Girl and School Girl" by St. Mary's Interparochial Juniors. Both were interesting and instructive.

The Christmas box for 1917 is to be sent to Valle Crucis Industrial School, North Carolina, and 160 gifts are required.

There is so much work to be done it seems a lost opportunity not to have a Junior branch in each parish. All the Children of the Church love the song "In the Vineyard of the Father there is work for all to do" and most of them are very willing to do their share if we will but show them how.

Respectfully submitted,

ELEANOR BISHOP SPRAGUE.

## Report of Secretary of Junior Auxiliary

×

During the past year nine meetings of the Junior Leaders of Omaha and South Omaha have been held. The average attendance was eight. The meetings were held on the second Tuesday of each month and were devoted to reports of work being done in the various branches.

During Lent a Normal Study Class met, using Manana as text book.

At the annual meeting, held at Trinity Cathedral, May 19th, about one hundred and twenty were present.

There were 33 that received the Holy Communion and many more were at the service.

Reports have been received from twenty-four branches.

Respectfully submitted,

CAROLINE L. BARKALOW,  
*Junior Secretary.*

## Prayers

Direct us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works begun, continued, and ended in Thee, we may glorify Thy holy name, and finally, by Thy mercy, obtain everlasting life; through Jesus Christ our Lord. Amen.

O Lord Jesus Christ, who on earth didst delight to use the ministry of women, we pray Thee to accept the offerings which Thy servants bring to Thee, and grant that they may be used to bring the knowledge of Thy love, and the hope of life eternal to many women in far-off lands who are now sitting in darkness and in the shadow of death. Grant this, O Blessed Redeemer, through the power of Thy life laid down for all mankind. Amen.

O Almighty and most merciful Father, in Whose keeping are all nations of the earth, and to Whose kindly providence we owe as a nation such peace and prosperity as no other nation has enjoyed, we yield Thee most humble and hearty thanks for these inestimable gifts, and we confess unto Thee our own misusings of Thy bounty, in that we have allowed discipline to relax and reverence to diminish in our land. We acknowledge our selfish complacency and our unhallowed display; our luxurious living and our scant sympathy with those nations and peoples who have been fighting the battles of humanity and freedom, and we humbly beseech Thee that our righteous indignation may be aroused against those who are the enemies of peace, and that we may pledge our comfort, our goods, and our lives to the securing for future generations throughout the world those blessings that our fathers purchased with their blood for us. Thou, Who in the sacrifice of Thy dear Son, hast taught us the value of blood, shed for others, grant that in this impending conflict the spirit of this great nation may be purged from selfishness and greed, and that Thy justice may render impotent and fruitless those who look upon war as an opportunity for personal gain and

military despotism. Keep us pure in our preparations from the spirit of personal revenge and ungodly hate. Train our young men that they may be strong and that they may acquit themselves like soldiers who fight only for righteousness and never for conquest; that they may fight—rather for the liberty of others than for the enrichment of themselves. Give them the spirit of discipline and knightly courage. Give to the nation that fixedness of purpose and unity of action which will increase its strength but decrease its ferocity, which will multiply usefulness, but diminish greed; which will endure hardness, but despise effeminate luxury. Make us men in this crisis of our nation's honor, but men who honor Thee rather than themselves, and hear us as a people while we repeat the words which we have been divinely taught by Thy dear Son:

Our Father which art in heaven, hallowed be Thy name, etc.

✕ ✕

### **The Junior Collect**

✕

O God, our Heavenly Father, we thank Thee for the gift of Thy dear Son. Grant that we who have received Him in our hearts may joyfully go forth with Him on many errands. Bless those who toil for Thee in far off places; comfort them in their loneliness; and unite our work to theirs. Accept our gifts; receive our prayers; and use us for the sake of Thy Son Jesus Christ, our Lord. Amen.
