President's Address

Right-Reverend Sir and Women of the Auxiliary:

Another year of concentrated effort on the part of your Diocesan Officers has past, with what results, you, in your respective parish branches are the better able to judge. The Auxiliary Board, I believe, would unite with me in saying it has been a successful year. Our watchword now should be "Forward." "Go forward, Christian Soldiers!" Just one thing will help in a forward movement and that is Service. More and more *Service* is what we need. *Service* is the *highest possible motive of life*. Service is the keynote of my message to you today. Teach service, personal service, from childhood. By service we of the Auxiliary mean the giving of time, mind, money, self, in Parish, Community, Nation and World. The bible reveals to us God's purpose in the world is missionary.

What is the Missionary Idea?

That the *Love of God* is for *all* men and that those who know His love must perforce make it known to others. This is the fundamental principle of the Kingdom of God, Missions.

Every woman in the church is just as responsible for the Missions of the Church as anyone else in the church. We cannot be Christians, then seek absolution from the cause of Christ, Missions. Woman's Auxiliary women of the church are holding up the hands of the church that she may testify to the cause of Christ.

Winnebago—

All Saints Indian School at Winnebago is one of our Diocesan Missions and has been one of the responsibilities of the Auxiliary, and calls to us with outstretched hands, let us answer this call more willingly than ever this New Year. We made it possible to keep this school open the past year. I think you all have a good understanding of this Mission School, its condition, its possibilities, and its needs, for I have talked insistently of it at all meetings in the State this year. Bishop Shayler has new plans for this school and I sincerely urge all to help him.

Spiritual Activities—

Letters were sent out at the beginning of the year asking co-operation for a fuller spiritual life in each

branch by the formation of Prayer Groups, using Prayer Leaflets to be obtained for the asking from the Church Missions House. In response to a questionnaire recently sent as a follow-up, replies indicate no Prayer Groups have been formed. When we do realize more fully the need of more praying I feel sure we will have these Prayer Groups and then I am convinced we will make greater strides ahead in our work. If we seek God more he will walk abroad with us. If we want to see the Glory of God we must have faith in God.

Religious Education—

Reams of paper could be used to write of Religious Education. Space permits only that I urge more and more study classes, more subscriptions to the Spirit of Missions to learn more of what our Church is doing. Also classes teaching the history of our Church, from the beginning with Christ, and down through the Apostolic Succession to the present time. Excellent work has been done this year in this department under the capable leadership of your Educational Secretary.

Conferences—

I would urge that women whenever they can should attend Church Conferences. There is one held yearly in the Province of the Northwest at Racine, Wisconsin, and others in different places over the country. In ten days attendance at a conference one can learn more of our church and its work than in years of parish attendance.

Memberships—

For two years we have urged Membership Committees in each branch, to make an every-woman canvas, inviting the women of each church to join the Woman's Auxiliary, explaining something of its purpose and work. Every woman in the church should be interested in Missions, for Missions are the Church, and the Church is the Visible body of the living Christ. Every baptized woman is a member by virtue of her baptism into the Church, though she may not know it, and we *must have active members*.

Co-operation—

Correspondence is invited by Parish officers with Diocesan officers that they may the better co-operate.

Boxes—

The response to the Supply Department has far surpassed that of last year which is exceedingly gratifying. We will leave it to the conscience of each branch to decide if they can do even better this year as there can never be too many boxes sent. Great credit is due the Supply Secretary for the greater interest shown this year in this department.

Social Service—

Since we are an Auxiliary to the Presiding Bishop and Council and the Council includes Social Service as part of their program it should also be on our program. My first communication, however, from the Social Service Department has just reached me, and I hope that very soon letters about this work can be mailed each branch explaining what is expected of us. Americanization will be strongly emphasized. I trust there will be good reports of this work next year.

The new plan of personal visits to each branch has proved very successful. Each one visited declared they much preferred these visits to the former district meetings.

Your Educational Secretary and President carried the message of all departments of our work to each branch visited particularly emphasizing Religious Education, Box Work and the United Thank Offering. The one-hundredth Anniversary of the Missionary Society of the Church and the fiftieth Anniversary of the Woman's Auxiliary was observed in a fitting manner. It was impossible to visit all branches but those not visited this winter can be visited this coming year. As a delegate from our Nebraska branch of the Woman's Auxiliary I attended the Provincial Meeting in Denver and there was put on a Committee on Provincial Organization to meet at the Triennial. We have at present but one Provincial Officer, a Secretary-Treasurer, and it was thought we should have more of a Board or Executive Committee.

Sincere appreciation and thanks are hereby extended to all who so hospitably entertained your officers on visits, for the kindly reception we received everywhere; also to all members of the Board and Executive Committee for their efficiency in their

several departments of work and their unfailing helpfulness and co-operation.

We all feel, I am sure, what a great loss the passing away of Miss Emery is to the Auxiliary but let us keep her wonderful, faithful, spiritual service ever before us as an example to lead us on to better and greater accomplishment. Again let me urge more emphasis be placed on spirituality in our lives and let us begin the new year with increased interest and activity.

Four multigraphed letters have at different times during the year been sent each branch and 130 letters written by your President.

AMELIA A. JONES,
Diocesan President.

Report of the Vice-President-at-Large

Right Rev. Sir:

Madam President and Co-workers of the Woman's Auxiliary:

My report as Vice-President-at-Large is very brief as the President has been able to be present at all meetings. Attended the Omaha district meeting September 29th; also attended four monthly meetings of the Omaha Branches. Was a delegate to the Provincial Synod, held in Denver, September 25th to 28th inclusive. Most inspiring and helpful meetings I ever attended. The Woman's Auxiliary reported wonderful gaining all over the Province as also Social Service. Going to Denver I took the daylight ride, and on the train I had the pleasure of being in company with Miss Tillotson of the Church Missions House, N. Y. She was going to have classes in Social Survey. Mrs. Burleson was also on the train. It was a very great treat as the news of the Church at large was direct from New York.

I want to thank you all for the honor you bestowed upon me in the past two years, and am sorry I was not able to fulfill the duty the office calls for.

Go labor on, 'tis not for naught—
Thine earthly loss is heavenly gain.
Men heed thee, love thee, praise thee not;
The Master, praises, what are men.

Respectfully submitted,

HARRIETTE L. YOUNG,
Vice-President-at-Large.

Report of District Vice-Presidents

FOR THE YEAR 1921

OMAHA DISTRICT

The first meeting of the year was held in Trinity Cathedral on Thursday, September 29th—St. Michael and All Angel's Day. Representatives from all branches of the Omaha Auxiliaries were present and a very able program presented.

The monthly meetings throughout the year were well attended and the programs on missionary work of the church both interesting and instructive. The year's work has been satisfactory in progress and some new features—notably the all-day meeting held for general sewing and additions to the box for St. Raphael's school on the last Friday in March have been attended with much success. No visits were made by me to the out of town branches but reports from all speak of great interest in the work.

Respectfully submitted,
MRS. W. P. ADKINS,
Vice-President Omaha District.

BEATRICE DISTRICT

The Beatrice District includes: Wymore, Beatrice, Fairbury, De Witt, and Superior.

The outlook of the work of the Woman's Auxiliary in this District, for the coming year seems to be full of promise.

Beatrice is a live Branch. Under the able leadership of Mrs. J. M. Kilpatrick they have closed a busy year with most gratifying results. A bazaar, held just before Christmas, was the banner event.

The Beatrice Auxiliary, contributed generously to a fund to purchase a Sedan,—a gift to the Rector.

Wymore has an excellent record for work done. Few in numbers, the Wymore Branch are zealous in their good works.

The past year the Wymore Auxiliary planned and paid for the painting and re-decorating of the Church and Parish House.

De Witt has an active Guild which meets every week and much interest is reported.

Fairbury has no resident Priest and I am unable to give any definite information concerning the work there.

Superior has no Church organization.

Respectfully submitted,

STELLA MERCER GILLESPIE,
Vice-President for Beatrice District.

COLUMBUS DISTRICT

It seemed a good suggestion to have Mrs. Jones and Mrs. Townsend with us personally for one year at the different towns instead of the usual District Meeting with their helpful and inspiring messages.

The first meeting was held at Schuyler, Monday, November the 14th, with a good attendance. We found there an efficient and well organized Auxiliary doing splendid work.

At Central City, Mrs. Jones and Mrs. Townsend met a good Guild, busy hoping to build a new Rectory in the near future.

The Columbus Guild met with the ladies and were much impressed by their messages and feel more than ever the importance of the Missionary part of the church work.

It was a pleasure to go to Silver Creek and find how enthusiastic they are and how much church work they are doing in each part of the church service.

Albion and Fullerton have new organizations.

As District Vice-President I have written about fifteen letters during the year, sent three long distance telephone calls for information and visited at Schuyler and Silver Creek.

Respectfully,

MRS. HENRY HOCKENBERGER,
District Vice-President.

LINCOLN DISTRICT

. Having had no District Vice-President for 1921, there is no report, though the Diocesan President, Mrs. W. H. Jones reports several visits to Lincoln Holy Trinity branch and good work being done there.

NEBRASKA CITY DISTRICT

The Nebraska City District has three active branches: St. Thomas, Falls City; St. Mary's, Nebraska City; and Christ Church, Wyoming.

I have made no personal visits to these branches, but have kept in touch with them through correspondence. Good work has been done in all of the branches and pledges met.

St. Thomas (Falls City), has paid its Nation-Wide Campaign fund twenty-five dollars (\$25.00), sent two boxes valued at seventy-five dollars (\$75.00), and the past year have been studying Missions as outlined by the Survey. They hold monthly meetings, have fourteen members, but have gained no new members this year, in fact they have lost several.

Nebraska City, the past year, has done the best work in its history. They have lost seven members and gained nine new ones, so there is a gain of two. Two members, Mrs. Charles M. Hubner and Mrs. W. T. Hathaway, have answered the last call and we miss their cheery smile and pleasant word of encouragement, and last but not least their hearty co-operation in all church work. The only study work has been reading from "The Spirit of Missions" at the meetings. A meeting is held every week during Lent, on Friday, and the rest of the year, at the call of the President, until the year's work is done and the pledges filled, unless the Bishop asks for more help, when they give a pantry sale or something to help out.

Twenty-five dollars at one time and twenty dollars at another was given to the Winnebago Indian School, besides the scholarship pledge, fifty cents a member to the Supply Department, which they were asked to give and were glad to help start it on its next basis of preparedness.

Christ Church, Wyoming, has twenty-four members, but has gained no new ones the last year. However, they have grown from nine when I organized it, and they can only meet in the pleasant weather and they are our only country parish, no one does better work.

They have sent a box of fruit to Clarkson Hospital, and two cases of eggs, gave twenty-five dollars at

Thanksgiving time, and sent a box of clothing valued at forty dollars.

In December the District had a visit from our Diocesan President, Mrs. Jones, and Educational Secretary, Mrs. Townsend, which Falls City, Nebraska City, and Wyoming enjoyed. They went to Falls City first where they had a luncheon and an afternoon meeting. In the evening they came to Nebraska City, when I had the pleasure of entertaining them twenty-four hours. Tuesday afternoon at St. Mary's Church they each gave an interesting talk on the church work to the women of St. Mary's Parish, and Christ Church, Wyoming. Mrs. Townsend told the ladies so plainly their duty, especially to support the church magazine, that she received many subscriptions to the magazine and calendar.

This is only a small part of the work these branches have done, but I have always enjoyed hearing what the branches have been doing, so have tried to tell a few of the most important things accomplished during the year. Have had no work in Peru.

Auburn has lost one faithful church woman, Mrs. Boyd.

Respectfully submitted,
(MRS. ALFRED F.) MAUD E. BLUNDELL,
Vice-President Nebraska City District.

NORFOLK DISTRICT

Some time in the Autumn our President asked me to take the Vice-Presidency of the Norfolk District. I accepted, although fearing I would not be able to accomplish much for various reasons.

As far as I have been able to find out there are still but two active branches, those of Norfolk and Neligh.

I have written a number of letters to those churches having no branch, with the offer to go or have our Diocesan Officers visit them with the object in view of organizing a branch, but have received few answers. There has been no District meeting.

Respectfully submitted,
MARY M. WATTLES,
Vice-President.

Report of the Educational Secretary

January 17, 1922

The progress made by the Auxiliary and other woman's organizations in the diocese has been very gratifying to the educational department.

Lenten study classes were organized in fifteen parishes and missions for the study of Arch Deacon Stuck's "Alaska." The attendance at these meetings more than doubled that of any previous year. Requests for books came from parishes and missions in which classes were formed for the first time.

The Educational Secretary had charge of the programs for the Omaha district meetings during the year, presenting the mission fields of Mexico, Canal Zone, Virgin Islands, Cuba, Porto Rico, and Liberia. Papers and interesting talks were furnished by the women of Trinity, All Saints, St. Andrew's, St. Barnabas and St. Martin's.

During the year the Educational Secretary visited 18 parishes and missions where the general study work and the discussion groups were explained and urged as an important branch of Auxiliary work.

A very excellent pageant was witnessed at St. Luke's, Plattsmouth, having been written by an Auxiliary member of that parish. We do not look for immediate and startling results, but a gradual increase in interest and a marked increase in attendance is gratifying.

We try to remember that the purpose of all education in the church is to make intelligent church members loyal to their Leader and to His purpose for the world with all the qualities which that loyalty involves.

Respectfully submitted,
EDITH D. TOWNSEND,
Educational Secretary.

REPORT OF DIOCESAN LIBRARIAN

My active duties as Librarian did not begin until September 29, 1921, owing to absence from the city. On that date I received through Mrs. Tracy, Diocesan Secretary, check for \$6.84, balance in the Treasury January 18, 1921 as reported by Mrs. Charles Merle, former Librarian. I found in the Library seventy-three books to which we have added this year Miss Emery's "A Century of Endeavor," four bound volumes of the Cosmopolitan magazine, two bound volumes of Scribner's magazine, one bound volume of Harper's magazine and The Art Album. All these, with the exception of "A Century of Endeavor" were donated. The books in the Library have been numbered, and indexed by titles and by authors.

The greater part of the Librarian's duties is as representative of The Spirit of Missions. In the interests of our splendid Missionary Magazine, I have written seventy-nine letters not entirely without results. Fifty subscribers have been secured, thirty-four of which are entirely new. These come chiefly from the Omaha Parishes only, Nebraska City, Plattsmouth and York being represented. I have promises, however, from a number of our Auxiliary Presidents throughout the Diocese to assist the Librarian in this great work. Our slogan should be The Spirit of Missions in every home.

WHICH ARE YOU?

There are two kinds of people on earth today—
Just two kinds of people,—no more,—I say.
Not the Sinner and Saint—for 'tis well understood
The good are half bad and the bad are half good;
Not the rich and the poor—for to count a man's wealth,
You must first know the state of his conscience and health;
Not the humble and proud—for, in life's little span
Who puts on vain airs is not counted a man;
Not the happy and sad—for the swift flying years
Bring each man his laughter and each man his tears;
No! The two kinds of people on earth that I mean
Are the people who lift and the people who lean.
Wherever you go you will find the world's masses
Are always divided in just these two classes.
And oddly enough, you will find too, I ween,
There is always one lifter to twenty who lean.
In what class then are you? Are you easing the load
Of the overtaxed lifters who toil down the road,
Or, are you a leaner, who lets others bear
Your portion of labor, of worry and care?

PRAYERS

"If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you."

FOR THE WOMAN'S AUXILIARY

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently and give liberally to make Him known to all nations as their God and Saviour. We ask this for His dear sake. *Amen.*

FOR THE UNITED THANK OFFERING

O Lord, our Heavenly Father, we pray Thee to send forth more labourers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. *Amen.*

NOON-DAY

Blessed Saviour, who at this hour did'st hang upon the Cross, stretching forth Thy loving arms, grant that all mankind may look unto Thee and be saved, through Thy mercies and merits, who livest and reignest with the Father and the Holy Ghost ever one God, world without end. *Amen.*

RELIGIOUS EDUCATION

O God, Who has sent Thy beloved Son to be unto us the Way, the Truth, and the Life, grant that we, looking unto Him may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of the same Thy Son Jesus Christ, Our Lord. *Amen.*

SOCIAL SERVICE

Enlighten, O God, this erring, groping world, that ignorance and sin, oppression and injustice, misery and crime, strife and war, and all the deeds of darkness, may at length be vanquished and cease to hide Thee from Thy children's eyes; that earth and heaven may be linked together in every soul, making this life more beautiful and that Death may be welcomed as Thy heavenly messenger on whose wings we are borne to the completion of our affections and aspirations here in a glorious eternity with Thee. *Amen.*

MISSIONS

Almighty God, who by Thy Son Jesus Christ, did'st give commandment to the holy Apostles, that they should go into all the world, and preach the Gospel to every creature; grant to us whom Thou hast called into Thy Church a ready will to obey Thy Word, and fill us with a hearty desire to make Thy way known upon earth, Thy saving health among all nations. Look with compassion upon the heathen that have not known Thee, and on the multitudes in our own land that are scattered abroad as sheep having no shepherd. O Heavenly Father, Lord of the harvest, have respect, we beseech Thee, to our prayers, and send forth laborers into Thy harvest. Fit and prepare them by Thy grace for the work of their ministry; give them the spirit of power, and of love, and of a sound mind; strengthen them to endure hardness; and grant that both by their life and doctrine they may show forth Thy glory, and set forward the salvation of all men; through Jesus Christ our Lord. *Amen.*

CONFESSION

O most Merciful Father, we confess before Thee, that we have done little to forward Thy Kingdom in the world, and to advance Thy glory. We would humble ourselves before Thee for our past neglects, and seek for mercy and forgiveness. Pardon our shortcomings. Give us greater zeal for Thy glory. Make us more ready and more diligent, by our prayers, by our aims, and by our examples, to spread abroad the knowledge of Thy truth, and to enlarge the boundaries of Thy Kingdom. May the love of Christ constrain us, and may we do all to Thy glory; through Jesus Christ our Lord and Saviour. *Amen.*
