## President's Address

For the sixth time I come before you to present my annual report or address, Rt. Rev. Sir and dear fellow members and co-workers of our beloved organization. Just how much I have loved the work I have been called upon to perform, what joy I have taken in the performance of the duties connected with the three diocesan offices I have had the honor of filling for these past six years, I wish I might express, and impress upon every woman member of the Auxiliary that she might be inspired by my experience to be more ready and willing to give of herself and her time to the holding of Diocesan office.

In doing God's work in the world our human part is essential. God seems so to have decreed, yet it is still true, as in Apostolic times, that, "I planted, Appollos watered, but God gave the increase." Whatever measure of success we may have had has been the gift of God. Whatever deepening of interest, whatever widening of vision, whatever growth of devotion, which has expressed itself in larger offerings, work and sacrifice, has been by the grace of God and not by the grace of man.

We are responsible to Christ for doing our human utmost and for making constant and earnest prayer to God that He will bless our efforts and will give us the glory and joy of carrying out His purposes. If we plant and water in this spirit we can have an assured hope that God will grant a wonderful increase.

Those of us who love our Woman's Auxiliary had hopes and fears prior to the Triennial at Portland in September, since then all our fears have vanished, for now we know that we shall live on and continue to be the right hand, as it were, of the National Council. Our name is the same except the Presiding Bishop and Council is now called the National Council, we therefore in future shall be known as "The Woman's Auxiliary to the National Council." The Woman's Auxiliary shall continue to hold its past status and shall therefore be responsible for stimulating women to assist in the work of General Missions, Religious Education and Social Service, in the five field plan of service, Parish, Community, Diocese, Nation, and World.

We are to give in four ways, for the Appropriations for Specials, through the United Thank Offering and for Supply Work.

Let us this year endeavor—first—To renew our Aims and Ideals.

2nd—Deepen our Devotional life.

3rd—Have Church Loyalty.

4th—Meet the call for individual service.

5th—Learn best methods of Church work—and—

6th—See and use the latest material that has been prepared as helps.

“Ideal.”—How many times have we had the thought of an Ideal presented us? Yet, again I urge the necessity of an Ideal. Ideals lead people forward. There is no Christian civilization without Ideals. Who can give to the world the Ideals which God gave? Only the Church. Christ’s clarion call is that we hold up the Standard of the only Ideal. “And the Ideal became a reality and dwelt among us, and we behold His wondrous beauty.”

It is so simple, like all great things, and has two hall marks of greatness, simplicity and sincerity. We are to fight and stand for Christ’s Ideals. If the task looks difficult, pray,—not for tasks that are equal to our power,—but for power equal to the tasks.

“Prayer.”—And this brings us to the consideration of prayer and the great need and the great value of prayer. I have placed much emphasis on prayer the past two years and urged that prayer groups be a part of each organization and at the Triennial Meeting also this was strongly stressed. Let us this New Year start these prayer groups for I believe none have been started as yet.

“Bible Reading.”—The appeal is coming from National headquarters for Bible readings in the homes and for the more frequent and intelligent use of prayer. I would urge that we all heed this appeal and follow the directions of the “Churchman’s Calendar of daily Bible Readings.” These may be obtained from Church Mission House, 281 Fourth Ave., New York.

"Equipment."—What equipment is necessary for us?—First and foremost equipment is a passionate faith in God who Creates, Loves, Redeems, and Saves. —Faith, Obedience, Prayer and Sacraments are equipments necessary.

"Vision."—Without a vision we perish.—Christ in delivering His message attacked the very citadel of our being.—"Go Ye"—first let us see His will, then accomplish this—We must also be optomists,—an optomist is, "one who surrenders to Eternal verities or Truths and has belief in Eternal God and lives by conviction and not by opinions."

"Education."—Bishop Gailor in his address before the Woman's Auxiliary in Portland said: "Keep up the spirit of co-operation and help in Education. Make an effort to spread abroad the proper kind of information about our Church.—Have adult classes in Religious Education; in new development and growth the influence of the women of the Auxiliary will be felt. If faith is to be perfect you must have virtue, but what are these if we have not knowledge, that is what we mean by education."

Miss Tillotson says,—"Education in this modern day deals with persons not alone with minds or hands, deals with the whole person. Through and by means of this education we help people into the fulness of their powers. This constitutes a glorious opportunity, a great part in the Church's life for the Woman's Auxiliary. A great task for us."

"Stewardship."—At Portland a plea was made for definite systematic stewardship. We were urged to have a greater sense of stewardship and to set aside one-tenth of our time for the Church, as well as one-tenth of our money, as this one-tenth belongs to God.

"Social Service."—Dean Lathrop says of Social Service: "It is a great program with great possibilities and cannot be put over without the aid of the Auxiliary." Do you realize the obligation to your community? He suggests the reading of the "Social Opportunity of our Church." We are to help the Diocesan Social Service Chairman in this great work when his program is ready. Mr. Watkins suggests this same book, "Social opportunity of our Church,"

or "Social Service Through the Parish," as good books for study groups on Social Service as a beginning. He also suggests, for practice, "that we put ourselves in touch with the State institutions, ask how we can help. Also factory girl problems. Have a representative at the Juvenile Court each Saturday to aid in reclaiming Juvenile delinquents. Aim at the erection and maintenance of a home, (not an institution) for girls where they may be won back to normalcy."

"Holy Communion."—Do we all realize the benefits and spiritual value of the Holy Communion? From my own observation I believe we are prone to neglect this act of combined humility and worship, which as Auxiliary women we should set the example in. Why do we go to the Holy Communion? Fundamentally, the Presence of Christ in the Holy Communion is the reason of our going to that service, not forgetting, of course, His Command to "DO THIS," which of itself, as a *divine command* should compel our attendance. An intelligent use of any given Spiritual factor in life will make that Spiritual factor of greater power and efficiency. May I recommend the reading of the "Spiritual Value of Holy Communion," by the Rev. A. Q. Bailey. I would suggest members of each branch of the Auxiliary receiving together on one or two special days a month.

"Supply Work."—At Portland it was Resolved, "That the Diocesan Supply Secretary may establish a section of the Supply department to make Altar garments in such Dioceses as have no Diocesan Altar Guild. This to be done under the National Secretary." The supply fund must of course continue if the Supply Department is to continue on Red Cross lines as inaugurated two years ago.

THE CHURCH PERIODICAL CLUB should receive better support from our women. It is very simple and inexpensive this sending of magazines after we have finished reading them and means so much to the Missionary.

THE SPIRIT OF MISSIONS.—Every woman in the Church should be receiving this "best Church Missionary Magazine in print." To read this is to gain information as to what our whole Church is doing

and every woman should know this. Our Librarian has charge of ordering these.

Our United Thank Offering to the Triennial was the largest we have ever had and I believe this part of our work is becoming more generally understood and soon there will be a "Blue Box in every home."

A Special Call came from Bishop Gailor, and from our Executive Secretary, Miss Grace Lindley, last spring asking the Women of the Auxiliary to act as an agent to bring before the men and women of the Church the appalling need of help in the Near East. Your Executive Committee sent out special letters to the various parishes of the Diocese with the result that \$444.00 was reported as having been sent in response to our appeal. I have no doubt that more was sent direct to the National Committee but the branches so doing failed to report to our committee.

Another *Special* which the Executive Committee decided to place before the Diocesan branches of the Auxiliary was the opportunity afforded to celebrate the 25th anniversary of our Bishop's ordination to the Priesthood. This met with immediate approval and about 250 women and ten of the Clergy came to the Cathedral on October 27th, and received Holy Communion with Bishop Shayler as celebrant. Later luncheon was served to about 175 with Bishop Shayler as honor guest. A loving gift of \$151.50 was presented from the women of the Diocese for Altar hangings and other accessories for the Bishop's Chapel.

On February 22nd we had the unusual honor of having the Presiding Bishop of the Council, Bishop Gailor with us. The Executive Committee arranged a reception at the Blackstone Hotel in honor of the Bishop when in spite of rain and ice about 150 women gathered to meet and greet the Bishop.

Bishop Gailor made a splendid address on Missions, praising the devotion and service and consecration of the women of the Auxiliary.

We have three new Parish branches of the Auxiliary in the Diocese this year, these are at Crete, DeWitt, and Cedar Rapids.

Last year we had two branches so the unusual number of five in the two years I have been Diocesan President would seem to indicate that the personal visits were more successful than District meetings.

The crowning event of my term of office was of course my attendance at the Triennial Meeting. If every woman in the Church could attend a Woman's Auxiliary Triennial and a summer Conference we would have no difficulty in securing active members. These are so inspiring and one learns so much of our beloved Church and all it is doing, and gains much inspiration and interest.

The pity is one has not the "silver tongue of oratory" to come back and inspire anew at home, but we must be content to come home and endeavor to work out the new problems and, what is needed is co-operation in the home Diocese to make this possible. Here-with I plead for hearty and earnest co-operation with your new Diocesan officers.

Miss Grace Lindley in her Triennial Report gives \$2,096,243.43 as the grand total in money and supplies given by the Auxiliaries during the last Triennium with about \$15,000 more for the Near East Relief Emergency. This does not include much that is given by branches in their own Dioceses. The United Thank Offering you probably all know for the same period was \$670,000.

I herewith express my sincerest thanks and appreciation to you, dear Bishop, for your kindly assistance and wise advice which you have so freely given me at all times; also do I extend hearty thanks to all our Diocesan Officers who have so capably and excellently performed the duties of their several offices; thanks also are expressed to the Bishop's secretary, Miss Margaret Knight, for much help, and to the various members who so hospitably entertained the Education Secretary and myself on our visits to their parish branches; also for the loyalty, support and co-operation shown by all branches.

Announcements for conferences to be held in Omaha by Miss Laura Boyer on October 23rd and 24th, were sent out but had to be cancelled owing to her serious illness. She is now quite well again and asks if

these conferences can be held some time during the coming Lenten season.

I have written about 250 letters; have been present and presided at all monthly meetings of the Omaha branches, and Omaha District Meeting. There has been one District Meeting, that held in Omaha in September, otherwise the Educational Secretary and myself have visited branches when and where it was made possible to do so and have found the work progressing favorably. We have presented all the needs and work of all departments.

I wish you all a very Happy New Year and much success in our beloved work.

May I close with the words of our dear Miss Emery, spoken in closing her last address at a meeting in the Church Mission's House, "WE want the one purpose, the one aim, the one object in which every smaller and lesser purpose and aim and object is hidden away and in which everything that may cause dissent or difference may die," to be, "that each day we live each work we do, each word we say, may give our Lord and Saviour, the Master of us all, joy and light."

Faithfully your Diocesan President,

AMELIA A. JONES.

## Report of District Vice-Presidents

FOR THE YEAR 1922

### OMAHA DISTRICT

The first meeting of the year was held in Trinity Cathedral on Thursday, September 29th—St. Michael and All Angel's Day. Representatives from all branches of the Omaha Auxiliaries were present, and from other towns in this District, and a very able program presented.

Mrs. W. H. Jones, President; Mrs. Potter, and Miss Scandrett gave reports on the convention at Portland.

The monthly meetings throughout the year were well attended and the programs on missionary work of the church both interesting and instructive. The year's work has been satisfactory in progress and general sewing for Clarkson Hospital on the last day of March have been attended with much success. No visits were made by me to the out-of-town branches but reports from all speak of great interest in the work.

Respectfully submitted,

MRS. W. P. ADKINS,  
Vice-President Omaha District.

### BEATRICE DISTRICT

The work of the Woman's Auxiliary in the Beatrice District for the past year has been gratifying and the pledges have been met. The Beatrice District includes: Beatrice, Fairbury, Wymore, Tobias, DeWitt, Tecumseh, and Superior.

In October this district was honored by a visit from the Diocesan President, Mrs. W. H. Jones of Omaha, and the Educational Secretary, Mrs. S. W. Townsend, also of Omaha.

These ladies each gave an interesting talk on church work to the women in DeWitt, Beatrice, and Wymore.

At DeWitt, Mrs. Jones organized an auxiliary, which is now a flourishing branch.

Tecumseh is ready to organize and awaits the

pleasure of the Diocesan President to complete the organization of an auxiliary branch.

Fairbury and Superior are not active.

Respectfully submitted,

STELLA MERCER GILLESPIE,

Vice-President Beatrice District.

### COLUMBUS DISTRICT

Several friends and I made personal visits to three of the branches of this district.

It was a beautiful autumn day that five of our women drove to Schuyler to meet with the Guild there. We met eighteen members and found the work of the Church carried on in its usual efficient manner.

We found it an inspiration, however, to talk over ways and means for future work, which we feel was beneficial to us all.

They have a number of boys and girls from eight to twelve who make gifts for the missionary boxes.

Soon after this we met with the Christ Church Guild and members of St. Agnes, the Junior Guild at Central City. We found it interesting that they have also a group of younger girls active in the missionary work of the Church.

Here they have been making special efforts toward the building of a new rectory which they now expect to begin this spring.

At Fullerton they have a well organized Auxiliary and also a periodical club, under the able leadership of Mrs. Freeman B. Penny.

The study period of the Auxiliary is an interesting hour to its members. They have recently sent a box of fruit to Clarkson Hospital, also money and other pledges have been met.

The Missions are still uncertain of their strength but with their vision, and with such earnest women to do the work, they must succeed.

Columbus, under the leadership of Mrs. A. G. Luschen, has had a very satisfactory year. All obligations have been met, sixty dollars given to the

Near East Fund, and new Church windows have been put in at a cost of three hundred twenty-three dollars and sixty cents, and the buildings on the Church property have been painted by the Vestry and the Guild.

Thanking the ladies of the several Guilds for their delightful hospitality, I remain,

Respectfully,

MILLY HOCKENBERGER,  
District Vice-President.

---

### LINCOLN DISTRICT

Having had no District Vice-President for 1922, there is no report, though the Diocesan President, Mrs. W. H. Jones, reports several visits to Lincoln Holy Trinity branch and good work being done there.

---

### NEBRASKA CITY DISTRICT

There are only three working auxiliaries in the District, namely: St. Mary's, Nebraska City; Christ Church, Wyoming; and St. Thomas, Falls City.

Auburn reports active work and in raising money have spent it in painting their church and assisting in raising the budget for the parish.

Christ church, Wyoming, has held fifteen meetings during the year, has 23 members, and has had a record year.

St. Mary's, Nebraska City, reports having 47 members, have held eleven meetings with an average attendance of eighteen, and have been doing very good work in their auxiliary.

St. Thomas, Falls City, have held ten meetings and are studying Dr. Sturgis' "Church Life."

I have made no personal visitations but in corresponding with each branch find that they are all doing excellent work.

Respectfully submitted,

(Miss) MAY MADDOX.

---

### NORFOLK DISTRICT

No report has been sent. Active work is being done in Neligh, and a fine missionary spirit manifested. At Norfolk the branch is not active. Have had no report from Peru.

#### INSTRUCTIONS IN PARLIAMENTARY PRACTICE

A parliamentary practice class of fifteen Omaha members was held in the spring of 1922. These instructions were given by Mrs. F. H. Cole, parliamentarian. It is hoped that more such classes will be held in the future. This means future leaders and leaders are very much in demand for church work.

## Report of the Educational Secretary

During the year the Educational Secretary visited 16 parishes and missions in the interests of the educational work of the Woman's Auxiliary. Blair, Wymore, DeWitt, and Beatrice were among those visited.

Thirty-one discussion groups were organized or reported activity during Lent and many of these continued throughout the year. This doubled the number reported for the previous year.

The "Task of the Church," "The Church's Life," "How Can We Know the Way," and "The Survey," were the text-books used and discussed.

The Educational Secretary had charge of the programs for the Omaha monthly meetings. The mission fields of the Philippine Islands, Brazil, China, and Hawaiian Islands were presented.

Mrs. W. H. Jones, Miss Scandrett and Mrs. Potter reviewed the Convention at Portland. Father Marsh gave a travelogue on Italy and Oberamergau; St. Paul's, Good Shepherd, St. Martin's, Trinity, and St. Barnabas were hostess branches during the year.

Respectfully submitted,

EDITH D. TOWNSEND;

Educational Secretary.

### REPORT OF DIOCESAN LIBRARIAN FOR 1922

The Librarian's duties are chiefly with "The Spirit of Missions," for which she is the Woman's Auxiliary Diocesan Representative. In the interests of our splendid Missionary Magazine, sixty-six letters have been written, many of them to the presidents of the Woman's Auxiliary Branches throughout the Diocese. The results of the letters are as follows:

Sixty-eight subscriptions have been received, twenty-six of which were new and forty-two renewals. These come from seventeen parishes only, but in nearly all Auxiliary branches interest has been aroused and promises have been made. I believe many more subscribers will be reported.

### FOR THE WOMAN'S AUXILIARY

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently and give liberally to make Him known to all nations as their God and Saviour. We ask this for His dear sake. *Amen.*

### FOR MISSIONS

O God, who hast made of one blood all nations for to dwell on the face of the whole earth, and didst send thy blessed Son to preach peace to them that are far off and to them that are nigh; Grant that all men everywhere may seek after Thee and find Thee. Bring the nations into Thy fold, and add the heathen to thine inheritance. And we pray Thee shortly to accomplish the number of Thine elect, and to hasten Thy kingdom; through the same Jesus Christ our Lord. *Amen.*

### RELIGIOUS EDUCATION

O God, Who has sent Thy beloved Son to be unto us the Way, the Truth, and the Life, grant that we, looking unto Him, may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of the same Thy Son Jesus Christ, Our Lord. *Amen.*

### SOCIAL SERVICE

Enlighten, O God, this erring, groping world, that ignorance and sin, oppression and injustice, misery and crime, strife and war, and all the deeds of darkness, may at length be vanquished and cease to hide Thee from Thy children's eyes; that earth and heaven may be linked together in every soul, making this life more beautiful and that Death may be welcomed as Thy heavenly messenger on whose wings we are borne to the completion of our affections and aspirations here in a glorious eternity with Thee. *Amen.*

### FOR THE UNITED THANK OFFERING

O Lord, our Heavenly Father, we pray Thee to send forth more labourers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. *Amen.*

### NOON-DAY

Blessed Saviour, who at this hour did'st hang upon the Cross, stretching forth Thy loving arms, grant that all mankind may look unto Thee and be saved, through Thy mercies and merits, who livest and reignest with the Father and the Holy Ghost ever one God, world without end. *Amen.*

---

### FOR THE BISHOP OF THE DIOCESE

Almighty God, giver of all good things, who by Thy Holy Spirit hast appointed divers orders in Thy Church; Mercifully behold Thy servant, the Bishop of the Diocese, and so replenish him with the truth of Thy doctrine and adorn him with innocency of life, that, both by word and deed, he may, with the flock committed to him, attain to everlasting life; through Jesus Christ our Lord. *Amen.*
