### Secretary's Report.

The twenty-fourth annual meeting of the New Jersey Branch of the Woman's Auxiliary to the Board of Missions, was held in St. Andrew's Church, Mount Holly, Wednesday, April 26, 1899, at 10:30 A. M. Thirty-four parishes were represented by about one hundred and thirty delegates. At the opening service and in the celebration of the Holy Communion, the Bishop was assisted by the Rev. Mr. Stoddard, Rector of St. Andrew's Church; the Rev. Mr. Harding, of St. Paul's Church, Trenton; the Rev. Mr. Betticher, of St. Stephen's Church, Beverly; and the Rev. Mr. Hamilton, of Christ Church, Palmyra. The Bishop in a short address commended the Auxiliary for their work during the year just ended and offered many helpful suggestions for the future. Mrs. White, Vice-President of Foreign Missions, read a very interesting paper entitled, "What has Woman Done for Chris-

tianity, and What has Christianity Done for Woman?"

At the afternoon meeting the several Vice-Presidents reported the work done in their respective branches as follows:

For Domestic Missions	.....	\$3306 00
" Foreign	" .....	504 00
" Indian	" .....	1172 00
" Freedmen	" .....	1384 55
" Mexican	" .....	301 50
" Diocesan	" .....	503 61

The Junior Auxiliary reported thirty-one branches and the value of boxes sent and money given \$466.08, of which sum the Babies' Branch contributed \$66.33, all included in the above figures.

The Systematic Missionary Fund, amounting to \$68.00, was by unanimous vote of the meeting given to the Board of Missions.

At the annual election three new Vice-Presidents were elected to fill vacancies caused by resignations: Mrs. E. C. Grice, Diocesan Missions; Mrs. C. E. Betticher, Indian Missions and Miss Harriet P. Townsend, Junior Auxiliary. Otherwise the Board remains the same as last year.

By vote of the meeting Article III. of the Constitution was amended to provide for a specified form of nomination and election of officers at the annual meetings.

A resolution was passed by which parish elections will in the future conform to the Diocesan year.

Respectfully submitted,

HATTIE P. TAGGART,

*Secretary.*

### President's Address.

Vivid pictures are frequently photographed upon the mind, especially in scenes and times of the deepest interest. *Such* many of us will always remember, as connected with the Triennial Meeting held at Washington last October. Never had as many of our officers and workers been privileged to see and hear the wonderful expression of missionary thought and efforts. It was a time for growth in intelligence and helpfulness for the work. We fell it has developed a spirit of love and interest in the work of missions before unknown. The desire for knowledge has shown itself in the study, which has brought pleasure to many of our Parochial Branches. The growing interest manifested by the Juniors, under the training of their efficient Secretary, proves that in youth the minds are more deeply touched than in later years. The dear Babies, too, have caught inspiration from their elders, and their Branch grows steadily.

The Annual Report of the Woman's Auxiliary for

1898 credits New Jersey with 75 active Parish Branches and the Junior Auxiliary with 30. We think 400 in the Babies' Branch a goodly number.

The Executive Committee has held two meetings in the past year, one in Elizabeth the beginning of October, and the other in March, when Mrs. Scarborough kindly entertained the officers at luncheon and the Bishop aided us by his wise counsel.

The Upper Division has had two fine meetings at Metuchen and Lakewood. The Lower the same number at Riverton and Burlington. All have been exceptionally good and with more than the usual interest. One of these, while held during a day of snow and rain, causing a much smaller number of attending parishes, evinced an unusual spirit of helpfulness and brought forth from the Rector a cheering commendation. Though his Branch had worked but two years with the Woman's Auxiliary and many thought that they had accomplished much, and really did not need another organization, yet since their connection with it, they found they were able to do a grand work in the Auxiliary and not neglect any other parish duty. Letters from many parochial Branches tell of their renewed interest in the work and delight in the study of Missions. The children's Missionary Service, upon the second Sunday after Epiphany, their National Day, has been inaugurated with enthusiasm wherever tried. It means the commencement of a new life in the love of Missions to all our Juniors and the next day, when the plan has been carried out for teachers and officers of the Sunday School, cannot fail to enlarge the views of all in respect to this duty and service for the spread of the Gospel in all lands.

Our reports of the past year in money may not equal the last, but we must remember that the amount of work has been larger and the United Offering of 1898 was a grand gift from our Woman's Auxiliary, \$2,279.36, almost three times the amount of our offering in 1895, and New Jersey stands *seventh* on the roll of 79 Diocesan Branches as regards her work and gifts for Missions. We are not proud, but very happy for this privilege of

being allowed to contribute towards the spreading of the Gospel of our Lord Jesus Christ.

A few words of a suggestion from the Treasurer of the Pennsylvania Branch and the wife of our Treasurer in the Board of Missions I should like to read, feeling that she expresses the meaning of this United Offering much better than I could do: "When the United Offering was first suggested, a leaflet was published, explaining its object and meaning. It said that the Woman's Auxiliary should, at the time of the Triennial Meeting, make a 'Thank Offering' for this privilege of working another three years for Missions. That it *is* a 'Thank Offering' for this privilege is the idea I should like to emphasize. I think it dignifies our Offering and puts it on an entirely different plane from the mere collecting of money for any specified object, however good that object may be.

"If the Parish Treasurers, who come in contact with the individual women, will try to present this idea of the United Offering, it will, I think, give an additional interest to it, and also show that so long as we have the privilege of working for Missions, we shall want to make a *continual* 'Thank Offering.'

For the first time in many years, the Auxiliary has been obliged to make many changes in her official list, three of our officials having resigned. This is a busy age, and the numerous *social*, *civic* and *philanthropical* calls have caused our Diocesan, Indian and Junior Auxiliary Vice-Presidents to give up the work in New Jersey. We regret that we must say farewell, but we sincerely hope they may not forget former days and often find time to "come and help us" again.

In all of our work we feel that there are signs of a deeper spirituality, caused, perhaps, by more earnest prayers and a greater desire for faithful effort. A few words spoken by Bishop Nichols in his grand sermon before the Board of Missions on the second Sunday of October, (although but imperfectly quoted) may exemplify the value of a precious example. While showing the new work to be undertaken for the Master, the new countries to be won for the Lord Jesus Christ, he said: "How much

the work of one man's life has done for the cause of missions! The late General Secretary of our Board has left a legacy the value of which will continue through all ages, to bless the work—the mid-day prayer for missions." The daily remembrance—even if only the three words "Thy kingdom come" should pass our lips and fill our hearts at the stroke of the noon hour—it would truly prove an endless blessing!

Respectfully submitted,

S. H. CLARK,

*President.*

### Report of the Upper Division.

Two meetings were held in the Upper Division during the year; in St. Luke's Church, Metuchen, Oct. 13, 1898, and in All Saints' Church, Lakewood, Feb. 8, 1899. In each case it was the first time the auxiliary had been entertained in the Parish and both Branches have been most enthusiastic in their appreciation of the benefit derived from it. The meeting at Metuchen was especially interesting as all the speakers had just returned from the Triennial Convention at Washington, and brought with them a wealth of information about the work in the various Missionary fields.. At the Lakewood Meeting, although the day was cold and stormy, there was a large attendance, and a cordial hospitality that made all present glad they had braved the storm to be there. The special speakers at these meetings were The Rev. Mr. Forrester, of Mexico, The Rev. Mr. Knight, Miss Carter, and Mrs. Ware, of South Dakota.

Respectfully submitted,

HATTIE P. TAGGART,

*Corresponding Secretary.*

## Report of Lower Division.

The regular meetings were held in Christ's Church, Riverton, November 10th, 1898, and in St. Mary's Church, Burlington, February 21st, 1899. The attendance at both meetings was large. We had with us, Bishops Wells and Leonard, Archdeacons Johnston and Joyner, besides Mrs. Hunter, Miss Sybil Carter and Miss Williamson, who after fourteen years work, in Tokio, Japan, has returned home. Each represented the work done in the different fields, and appealed to the delegates for sympathy and help. The work done by the Lower Division was ably represented by the different Vice-Presidents, who reported being greatly encouraged. Two neighborhood meetings were held during the year, one at St. Andrew's, Mount Holly, and one at St. Paul's, Camden, both well attended.

Respectfully submitted,

MARY T. KINGDON,

*Corresponding Secretary.*

## Missionary Lending Library of the Woman's Auxiliary of New Jersey.

1898-1899

The Lending Library has continued its good work during the past year in sending maps and books on the subject of Missions to Parishes for use at Missionary meetings, thereby increasing the knowledge of the work done by our Church in the Missionary field.

Nothing tends more to stimulate interest in the work, than reading of the men and women who have gone forth to all parts of the world to preach the Gospel of our Lord, Jesus Christ. It is only ignorance of what has been done, that makes anyone say that they have no faith in Missions.

Donations of books or money are always welcome.

## Report of Librarians.

The Librarians' reports are very encouraging. Over one hundred and seventy papers and magazines are regularly sent into the Mission field, besides many boxes of reading matter to our soldiers and numerous donations of Christmas and Easter cards to Mission Schools. One contribution, a box of Christmas-tree ornaments was most gratefully received by a Mission School, in Virginia, where they would have had no tree but for this donation.

While there has been some falling off in those sending periodicals and papers, there have also been new names added to the list, so that the outlook for next year is encouraging. Unfortunately there are some persons who take the names of Missionaries, send for a few times, then discontinue without notifying the Librarian, thus causing annoyance and disappointment. Persons who find themselves unable for any reason to continue sending a promised paper or magazine, are requested to immediately notify the Librarian, that she may give the names to some one else. Very little money for postage has been contributed during the year and as a consequence the Librarians have been unable to forward matter that is sent to them. Donations for this purpose are earnestly solicited.
