Twenty-ninth Annual Report

1904

## Suggestions to Parish Secretaries

Parochial Branches desiring Missionary letters should write to the Diocesan Vice-President of the branch of Missions for which they wish to work. In no case should parish secretaries write to the General Secretary for letters, as it complicates the annual reports and is unjust to the Diocesan officers who are supplied with letters.

Having selected a letter, return the others immediately, with full information as to the letter you have accepted, also the name of your parish and town. As a courtesy it is well to write at once to the writer of the accepted letter, stating your intention to work for him, thus giving him and his family the pleasure of knowing they are being remembered.

As soon as a box is sent, secretaries should report it, with its value, to the Vice-President in charge of that branch of work.

Names of parish secretaries should be sent to the Diocesan Secretary, as soon as they are elected.

All offerings for the United Offering, the Ten Cent Assessment Fund and the Systematic Missionary Fund should be sent to the Diocesan Treasurer.

All gifts of money for Missionaries, Hospitals, Schools or Missions should be sent to the Vice-President representing the branch of the work for which the offering is intended or, if sent direct to the Missions House, New York or elsewhere, report the amount and object of your gift immediately to that officer, thus making sure of its appearance in the annual report.

## Secretary's Report

The twenty-ninth annual meeting of the New Jersey Branch of the Woman's Auxiliary of the Board of Missions was held in All Saints' Church, Lakewood, Wednesday, April 27th, at 11.00 a. m. In the celebration of the Holy Communion the Bishop was assisted by the Rev. Dr. Jones, of St. Michael's Church, Trenton, and the Rev. Mr. Matthews, of All Saints' Church.

Addresses were made by Bishop Kinsolving, of Brazil, and the Rev. Mr. Mosher, of China.

The Rector welcomed the Auxiliary to his parish and cordially invited all present to the very bountiful luncheon prepared by the ladies of the church.

At two o'clock the business meeting was organized, Mrs. Clark presiding. The roll was called and showed seventeen parishes represented by fifty delegates, which was very encouraging considering the inclement weather and the inconvenient train service.

The minutes of the twenty-eighth annual meeting, also those of the two executive meetings held during the year, were read and approved, followed by the Treasurer's report.

The Systematic Missionary Fund, amounting to \$33.00, was voted to the Board, for General Missions.

The Ten Cent Assessment Fund, amounting to \$160.40, was divided as follows:

|                              |                              |

| Indian Missions . . . . .    | <u>30 00</u> <u>\$160 40</u> |

The several Vice-Presidents presented their reports as follows:

|                             | <u>\$9077 85</u> |

The Junior Vice-President reported several new branches organized and a healthy growth throughout the Junior Branch. Work done during the year amounted to \$975.78, which added to the offerings of the Babies' Branch, \$87.20, makes \$1062.98, all included in the above figures.

The Vice-President of the Babies' Branch gave a very encouraging report, the receipts being about one-third more than the previous year. Mrs. Jones also drew attention to the fact that this branch had contributed, in the seven years since its organization, nearly \$600.00 toward the furthering of Christ's Kingdom.

The report of the Freedmen Vice-President was read by Mrs. Clark, who took occasion to express her regret at the illness of Mrs. Steward, and her deep sense of loss to the meeting in the absence of this faithful officer.

In the election of officers for the ensuing year the tellers, appointed by the President to count the ballots, reported that the ticket, as presented by the nominating committee, was elected unanimously.

Mrs. Clark spoke earnestly of the United Offering, and urged those present to do their utmost, by example and influence, to the end that the women of New Jersey might prove by their offering their appreciation of the noble object for which the money is to be used.

The nominating committee appointed by the President to serve for the ensuing year, Miss Melville, Mrs. Hooten, Miss Carpenter and Mrs. Rutgers.

Before adjournment and the benediction a vote of thanks was extended to the women of All Saints' Church for their cordial welcome and hospitality.

Respectfully submitted,

H. P. TAGGART,  
*Secretary.*

## President's Address

Our reports for this Annual Meeting are most encouraging. The first meeting of the Upper Division was held at Bound Brook in October, and that of the Lower Division at Salem. The interest then begun in all branches of the work has followed us all the wintry days, and continued to increase though the stormy months were gloomy with their icy covering. In February we had fine meetings at Princeton and Moorestown, the latter, notwithstanding the biting wind and storm, was brightened by the descriptions of the glorious summer days of Cuba. Dr. Darlington described the needs of that country and asked our interest in the Orphan Asylum there.

Our conferences of officers and parochial secretaries and others, have been a pleasure and helpful experience to many. At the Associate Missions House, made welcome to the Bishop's room, while he was attending the meetings of the Board of Missions, we were favored in seeing some of the clergy who are doing our missionary work along the coast of the Atlantic ocean, and through the more central needy parishes of New Jersey. They are glad of the help our women can give in ministering to their home comforts, and cheer us by their prayers and words, telling us of the aid we can offer, by making us auxiliary to their missionary work in the summer parishes under their care.

Our last Executive meeting was held at Trenton, and it was a great pleasure to us all to know that our dear fellow-worker, Mrs. Steward, was in better health than in the first cold days of the winter. She too is rejoiced to help the poor colored workers, so near to her heart, and sends her report as usual.

We have heard from Archdeacons Pollard and Russell, and the Rev. Mr. Joyner, and have tried to help each of them.

Our hearts have gone out to the poor whites in their mountain homes, as we have listened to the Rev. Mr. Claiborne, Archdeacons Spurr and Hughson, and have grown to feel that they are all our near neighbors in the

fastnesses of North Carolina, West Virginia and Tennessee. Were we able I doubt not their needs would be well supplied, their hospitals and schools benefitted by financial aid.

How much our own Bishop gives us of his missionary zeal! We feel, when he comes to the Division meetings, full of cheery news of progress in all parts of the world, that we may truly be helpers, by our daily prayers and earnest interest. The different branches have cause for gratitude that we have been permitted to carry to other lands the lessons of our blessed gospel of the Lord Jesus Christ.

Our Juniors have increased in their love for Missions and its study, and our Babies' Branches have been able to send in their boxes almost \$100.00, a very good showing for the lambs of the flock.

An increasing interest in the study of missions, in many parishes, gives us a great hope that the promised study class helps from the Church Missions Publishing Company, at Hartford, will be an added stimulus, especially if every Mission Branch can secure the interest of its Rector to study with them at their bi-weekly or monthly meetings.

The summer plans for study upon all branches of work, the Bishops who will aid in the Connecticut and Massachusetts schools, to be held in July and August, must under God's blessing result in a fresh baptism of that Holy Spirit who promises to lead us into all Truth, and when the General Convention convenes in Boston we may truly look for a great spiritual blessing upon our dear church.

There have been many of our dear workers who in their families have suffered from illness and death. For these our hearts go out in deep sympathy. From one parish has been taken a beloved secretary, and for twenty-five years an earnest worker in the Roselle Branch. Mrs. George Rawlins has been removed from her family and the work she so dearly loved, to the Heavenly Home, where she rejoices in the fulness of joy, after years of

sorrow and suffering here. At our meetings we shall miss the loving friend, but her example will ever prove a blessing to those left to take up her work.

A few words about our United Offering. We must gather quickly if we expect to send a larger offering to Boston in October. Five more months, and yet many seem to think their work is only for the winter months. Let us remember for what use the offering will be taken, surely that will give us a renewed purpose for all the summer days.

Dr. Lloyd has sent us some good words of cheer about all the work of Missions in our church, and this special one has been given over by the Board of Missions to be always the work of the women for their workers in the field, who are to send as their own delegates, with this money for all time.

Three women are now waiting for posts in Japan, where all their expenses, their preparation and salaries will be given from the United Offering, Auxiliary to the Board, and also to the maintenance of those invalidated at home. Shall we not rejoice that they too will be wards of the United Offering.

Affectionately submitted,  
SARAH H. CLARK.

## Junior Report

The special efforts of the officers of the Junior Department this past year have been directed towards promoting greater efficiency amongst the parochial leaders of branches of the Junior Auxiliary. The Annual Conference in Trenton was planned to show the Junior leader how to study about Missions and how to present in an attractive way such study to the young members. No one can inspire selfsacrificing effort for an enterprise unless she be convinced of the world's need for it; therefore, it is necessary for the leader to prepare herself for this service as well as for any other work worth the doing. Several Mission study classes have sprung from this Conference impetus and one, an inter-parochial class, has had telling influence.

A lending library of popular Missionary publications has been started and a special card of "Helps for Helpers" has been prepared and sent to every leader to direct and suggest efficient service and devotion.

United efforts of the branches has taken this year the form of generous and well prepared Christmas boxes for Asheville, Porto Rico and Georgia and of a sum of money raised to enable one of New Jersey's representatives in China, Mr. Sherman, to extend day school opportunities to the boys and girls of Hankow. Besides these objects every branch is expected to fill its light-house mite box with offerings for the Board for General Missions, thereby teaching loyalty and Catholic interest.

The Affiliated Girls' Friendly Societies have been active in Missionary work and show increase of interest.

Seven parishes have organized new branches and many established Auxiliaries have been visited by the Vice-President and Secretary.

A design for a Junior Auxiliary badge has been accepted and will be ready very shortly on application.

The weapons of Christian warfare are prayer and self-denial. The aim of the Junior Auxiliary is to train its members in the use of them for the extension of Christ's Kingdom. Will not the leaders keep this before them, realizing that before one can teach their use one must be practised in their service.

### Report of the Lending Library

It is to be hoped that members of Parochial Branches, especially the Juniors, who are this year more than ever before interested in attending Missionary study classes, and in organizing such in their own parishes, will remember the great help open to them in the Missionary Lending Library. Too much cannot be said in praise of this desire to know more about Missions. It has been well said that we cannot feel any deep interest in a thing of which we know nothing and this increasing desire on the part of our members for greater knowledge of Missions should speak loudly in our annual reports of work done. In anticipation of the growing demand for good books your Librarian begs for the continued interest of those friends who have been in the habit of remembering the Missionary Library by their gifts of books and money that the source of supply may be equal to the increased demands of to-day.

## Report of Librarians

Owing to illness the Librarian of the Upper Division has been unable to correspond, during Lent, with the parishes as has been her custom, but she believes that about sixty papers and magazines have been mailed by those who for the most part have been engaged in the good work for many years. Easter and Christmas cards have also been sent as well as miscellaneous papers, and the subscription to the "Churchman" for a Foreign Missionary continued.

The Librarian of the Lower Division reports having written to every parish where there seemed the slightest probability of interest in the work, but the result is far from encouraging; few answers have been received and those not very satisfactory. From facts at hand probably about fifty periodicals are sent by the parishes interested.

Respectfully submitted,
