## SECRETARY'S REPORT

The Thirty-seventh Annual Meeting of the New Jersey Branch of the Woman's Auxiliary to the Board of Missions was held in All Saints' Church, Trenton, Wednesday, April 24th, 1912.

At 10:30 there was a Celebration of the Holy Communion by the Bishop, assisted by the Rev. Mr. Urban, Rector of All Saints' Church; Archdeacon Shepherd and the Rev. Dudley Tying of China, who made a very interesting address on the conditions and opportunities of New China.

The Bishop reviewed the work done during the past year within the diocese and outside and on every hand the harvest seemed abundant.

The Rev. Mr. Urban welcomed the Auxiliary to All Saints' Parish and extended a cordial invitation to all present to luncheon.

At 12:30 the business meeting was organized, the President presiding.

The roll-call showed thirty-eight parishes represented by 160 delegates.

The Minutes of the previous Annual Meeting, also those of the several Executive Meetings held during the year, were read and after minor corrections were accepted. The Treasurer's report was read and approved.

Tellers were appointed by the chair to collect and count the ballots and report at the opening of the Afternoon Session.

Mrs. Ole, of Colorado, who was present, was introduced by the President and extended to the meeting the greetings of her Western Branch.

The meeting then adjourned for luncheon.

At the opening of the Afternoon Session the report of the tellers was handed in. The ticket, as presented by the Nominating Committee, was unanimously elected.

The President gave notice of the approaching Missionary Commission and asked that delegates be appointed to represent the New Jersey Branch. The meeting appointed Mrs. Phelps and Mrs. Shepherd.

The Secretary then read the Amendment to the Constitution passed by the Executive Board regarding the changed condition of the work in Mexico. Before putting the question to vote, Mrs. Abbey explained the matter fully to the delegates. In accordance with the policy of the Board and a subsequent resolution passed by the Executive Committee, it was resolved to abandon the Mexican Committee and place the work under the Foreign Committee. Carried.

Owing to these changed conditions and a consequent increase of interest in the Mexican work, it was decided to re-establish the Bowne Scholarship, given up last year for lack of sufficient funds to meet all pledges.

A very encouraging report was made by the Church Extension Committee through Mrs. Stevenson, Chairman.

Mrs. Abbey reported for the Intercessory Committee and asked that the parishes would interest themselves in increasing the membership of the Prayer League.

The Educational Committee reported, through Mrs. Shepherd, two new leaders acquired for the work this year, study classes increasing, students multiplying and results most satisfactory.

Mrs. Teickert reported a very successful season for the Church Periodical Club.

Reports to date from the several departments of work were made as follows:

Domestic Missions .....	\$5,001 07
Foreign Missions .....	1,088 00
Indian Missions .....	763 27
Diocesan Missions .....	817 30
Work Among Colored People .....	594 28
Work in Mexico .....	331 25

The Junior Auxiliary reported progress both in an increased number of branches and in amounts of gifts, which totaled \$1,122.00 not included in the above figures.

The Babies' Branch, which suffered a severe loss in being without any Chairman for several months, reported \$87.42, being only about \$4.00 less than last year, which gives promise of much better things this year.

The Treasurer of the United Offering reported \$1,800 on hand and the three years just half gone.

The following appropriations from the Ten Cent Assessment Fund were made:

To the Rev. Dudley Tying, for Work in China....	\$50 00
" Widows and Orphans of Clergy Fund .....	33 00
" Diocesan Work, under Archdeacon Shepherd..	27 00
" Scholarships in Schools for Colored People..	22 00
" Navajo Hospital for Indians .....	17 00
" Home for Missionary Worker, West Virginia.	10 00
" Foreign Missionaries' Insurance Fund .....	5 00
" Mission Study Classes .....	15 00
" Church Periodical Club .....	10 00
	————— \$189 05

There being no further business, after a vote of thanks to the Rector and members of All Saints' for their bountiful and cordial hospitality, the meeting was closed with prayer and benediction by the Bishop.

Respectfully submitted,

HATTIE P. TAGGART,

*Secretary.*

## PRESIDENT'S ADDRESS

Dear Women of the Auxiliary:—

In sending out our report for the Season of 1911-12 we feel deeply thankful that we have been permitted here in New Jersey to have such a good share in the work of extending the bounds of the Kingdom of Christ. We have made a special effort this year to enroll more Auxiliary Parish Branches and more women in the already existing Branches.

We, who have experienced the joy of the work, should never fail to emphasize this aspect of it when we urge other women to join us. Let them understand that we look upon it as one of the great privileges of our lives.

The work of the Woman's Auxiliary is only of real value when it is guided and inspired by earnest prayer, and the increase in the membership of the Church Prayer League is one of the most encouraging features of our advance this year. The multiplied Study Classes are almost of equal importance, and we feel sure that the growth in these two branches of the work account for the excellent financial reports submitted by all our Chairmen.

Let us go on bravely with our work, our prayer and our study, and never rest until every woman in our beloved Diocese is sharing with us the privilege of service in the Blessed Cause of the Kingdom of Christ.

GERTRUDE L. PHELPS,  
*President.*

## ANNUAL REPORT JUNIOR AUXILIARY

Since my report of last year six new Branches have been reported, namely: Haddon Heights, Lambertville; St. James, Atlantic City; Haddonfield; St. Barnabas, Burlington, and a Young Woman's Branch at St. Paul's, Camden.

At an Executive Meeting of the officers, held in Trenton last Fall, it was decided to have the usual neighborhood meetings during the year. The first of these was held at Elizabeth, in Trinity Church, January 20th. After a few general remarks on junior work by Miss Wood and your Chairman, Mrs. Monroe gave a most interesting talk to the children on the Oneida Indians.

At Trinity Church, Trenton, February 11th, a large attendance greeted the officers. Miss Claire Widdefield, of Philadelphia, was the speaker of the afternoon, her subject being "Junior Work."

The third meeting was held at Shrewsbury on Saturday, April 27th in Christ Church. There was an unusually large attendance. The devotional services were in charge of Rev. Mr. Swezey. The chief speaker of the afternoon, however, was Mr. Stroup, who told of the mountaineers in the South, of their homes and life. He was a pupil of Christ School, Arden, of whose history and struggles he told.

There was an unusually large attendance. The devotional services were in charge of Rev. Mr. Swezey. The chief speaker of the afternoon, however, was Mr. Stroup, who told of the mountaineers in the South, of their homes and life. He was a pupil of Christ School, Arden, of whose history and struggles he told.

Mrs. Monroe then addressed the children on Indian work.

The officers feel greatly indebted to Mrs. Monroe for her valuable services throughout the year and take this means of expressing their grateful thanks to her.

The last meeting will be held in Camden on May 25th, and will be reported in next year's report.

These meetings have been well attended this year and many Branches report that they find them helpful and inspiring. Moreover they make the Juniors realize the part each branch bears toward the whole organization.

A three days' Institute for Junior leaders was held in Lakewood in November. This was in charge of Miss Schwartz and was well attended.

At the request of Mrs. Phelps, a new officer has been added to the Juniors, this being Miss Cornelia Schwartz, of Lakewood, as Educational Secretary.

The educational movement of the present time is a very important one, for the Church must have at her command both intelligence and knowledge, combined with spiritual and religious zeal, to make her ideal and we hope for many good results from this new appointment.

The Educational Secretary is the result of a resolution presented at the Cincinnati Conference for the purpose of a united

effort to form Junior Branches of older girls and young women. Miss Wood reports a successful year financially, although twelve Branches have not been heard from as yet.

Miss Curtis, Box Director, reports the following: Total value of boxes for the year, \$788.97. This gives us an amount of \$273.97 above last year's value. She also reports that thirty-three boxes were sent to various stations. This is a gain of three over last year.

Miss Kelly, Study Mission Librarian, writes that new literature has been added to her library during the year, for which she has many demands.

Respectfully submitted,

KATHERINE B. K. WEAVER,

*Chairman.*

## REPORT OF THE MISSION STUDY DEPARTMENT

During the past year this department has been more fully organized under the Chairman by the appointment of two leaders, Mrs. Feickert, for the Upper Division, and Mrs. Pilsbry, for the Lower Division.

The Winter's Study Classes, with the exception of a Parish Class at St. Paul's Church, Westfield, on "The Why and How of Foreign Missions," conducted by Mrs. Feickert, have been devoted to the study of "The Conquest of the Continent," the course particularly desired by the Educational Department of the Board of Missions.

Normal classes have been held at Elizabeth, composed of women from Trinity and St. John's Churches, and at St. Luke's, Metuchen, both conducted by Mrs. Feickert. At the Diocesan House in Trenton (where representatives of ten neighboring parishes gathered weekly for eight weeks) and at St. Paul's, Camden, Mrs. Pilsbry conducted Normal Classes.

Parish Classes have been held as follows: By Mrs. Feickert, at Christ Church and St. John's Church, Elizabeth; by Mrs. Joyce, at Christ Church, New Brunswick; by Miss F. M. Roberts, at Trinity Church, Trenton; by Mrs. Jennings, at Christ Church, Shrewsbury; by Mrs. Phelps, at St. Paul's, Bound Brook, and Holy Innocents, Dunellen; by Mrs. Pilsbry, at Christ Church, Riverton; by Mrs. Crowel, at Christ Church, Riverton; by Mrs. McKay, at Trinity Church, Moorestown; by Mrs. Stevenson, at Grace Church, Had-donfield, and an attempted class at Christ Church, Palmyra, by Mrs. Keen.

In connection with the Missionary Institute held in Elizabeth during Passion Week, Miss Lindley, of New York, gave three mission study instructions for normal leaders, using the "Why and How of Foreign Missions" as a basis.

Your Chairman gave six talks during Lent on the work and purposes of the Woman's Auxiliary at Christ Church, Trenton.

A program meeting was held at Grace Church, Plainfield, and there has no doubt been a number of other meetings held in various parts of the Diocese of a missionary character, of which your Chairman has not been notified.

This report shows great gain in the number of Mission Study Classes, especially in the Upper Division. We estimate that at least one hundred women have attended these classes.

The Educational Department of the Board of Missions announces that the course next year will be upon Japan, and that the text book will be ready in June, so that leaders can prepare themselves during the Summer for their Fall and Winter work.

This department also desired that each Diocese should have a distributing centre, from which all mission study and mission literature could be sent forth. The removal of your Chairman to Trenton made this possible, and the offer of a room in the Diocesan House for the Missionary Lending Library provided for an office. Over \$50 worth of text books and other publications have been sold from this office.

Your Chairman wishes to say that this venture can only be made really efficient when all the Parish Branches act upon this suggestion of the Educational Department in New York.

If they buy their books and literature elsewhere they just to that extent reduce the practical efficiency of this work.

Several new books, notably the Life of Bishop Hare, The Indian Problem and An Officer of the Line, have been added to the Library. All the books in the Library bearing upon the course studied have been in constant circulation among the various classes. These books, or any others in the Library, can be had for the asking, the only expense being the expressage both ways.

Your Chairman asks your hearty co-operation in this important educational work, which she feels is better equipped than ever before to help the Parochial Branches, owing to its greater centralization.

REBECCA WALN SHEPHERD,

*Chairman.*

April 24th, 1912.

## REPORT OF THE DIOCESAN SECRETARY FOR THE SPIRIT OF MISSIONS

There are now six Parish Secretaries for the “Spirit of Missions,” and they have secured about fifty new subscriptions during the past year.

As general interest in missions would undoubtedly be greater, and consequent contributions for the work larger, if every one was well informed about them, and as there is no easier or better way of becoming informed than that of reading the “Spirit of Missions” from month to month, the Rector and Auxiliary workers in every Church should try to secure a special worker for their parish, whose duty it would be to interest people in this most interesting magazine and induce them to subscribe for it.

Respectfully submitted,

LILLIAN F. FEICKERT,

*Diocesan Secretary for the “Spirit of Missions.”*
