LE ROY PRESS, PRINTERS  
1924

## PRAYERS FOR THE USE OF THE WOMAN'S AUXILIARY.

### THE PRAYER FOR THE WOMAN'S AUXILIARY.

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently, and give liberally to make Him known to all nations as their Saviour and their King; through the same Jesus Christ our Lord. Amen.

### NOON-TIDE PRAYER FOR MISSIONS.

Blessed Saviour, who at this hour didst hang upon the Cross, stretching forth Thy loving arms, grant that all mankind may look upon Thee and be saved, through Thy mercies and merits, who livest and reignest, with the Father and the Holy Ghost, one God, world without end. Amen.

### A PRAYER FOR MISSIONS ALL OVER THE WORLD.

O God, who has made of one blood all nations of men to dwell on the face of the whole earth, and didst send Thy blessed Son to preach peace to them that are far off and to them that are nigh, grant that all men everywhere may seek after Thee and find Thee. Bring the nations into Thy fold and add the heathen to Thine inheritance. And we pray Thee shortly to accomplish the number of Thine elect, and to hasten Thy Kingdom; through the same Jesus Christ our Lord. Amen.

### A PRAYER FOR THE UNITED THANK-OFFERING OF THE WOMEN OF THE CHURCH.

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept, with grateful hearts, our United Thank-Offering of prayer and gifts and joyful service, and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

2 Cor. XIII, 14.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. Amen.

## SKETCHES OF PLEDGES FOR 1924.

### DOMESTIC MISSIONS.

#### Appalachian Industrial School, Penland, N. C.

Among these people the scheme of life is that of two hundred years ago. The problem is one of isolation.

The Penland School is a distinctive mountain work and serves a large community. The course of study has been planned to help the children to be better mountaineers.

#### Christ School, Arden, N. C.

An Industrial and Academic School for boys and girls in the mountains of North Carolina. The training is intensive and practical. The mission also ministers to the people for miles around. The enrollment is now two hundred and the school needs enlarged equipment.

#### All Saints' Hospital, McAlester, Oklahoma.

The first hospital to be built in Oklahoma. Furnishes medical and surgical aid of the highest class and facilities are both ample and reasonable. Founded by Episcopalians but non-sectarian in its benefits.

#### St. Andrew's School, Sewanee, Tenn.

St. Andrew's School for Boys is conducted by the Holy Cross fathers in the mountains of Tennessee not far from Sewanee. The boys and their parents live in far apart mountain cabins where every man shifts for himself. It is a field of wonderful promise. There is not a work now being carried on there that could not accomplish tenfold more if adequately supported.

#### Hudson Stuck Memorial Hospital, Fort Yukon.

A hospital where excellent medical and nursing care may be obtained. A room is reserved for white patients but nine-tenths of the work is done for the Indians. Dr. and Mrs. Burke are in charge and are doing most effective work for the natives and all others who come to this hospital in the far North, which is named in honor of a missionary who was universally loved and respected throughout Alaska.

#### Scholarship, Nenana, Alaska, St. Mark's Mission.

A school for the education of the more promising boys and girls, both Indian and Eskimo. It is supported largely by special gifts. It has suffered in common with other institutions by the great increase in the cost of all supplies—new buildings are also needed.

#### Hospital of the Good Shepherd, Fort Defiance, Arizona.

For medical and surgical treatment of Indians on the Navajo Reservation. The only hospital for Indians within a radius of five hundred miles. Land given and buildings erected by the Indians.

#### St. Augustine's School, Raleigh, North Carolina.

For the education of negroes in the South. Founded in 1867. Has collegiate, normal, primary, night schools and industrial departments. Also special courses in teaching and nursing, which are the only professional vocations open to colored women in the South.

#### St. Paul's School, Lawrenceville, Va.

A normal and industrial school for negroes, founded by Archdeacon

Russell for young men and women of his own race. The largest missionary and educational work of the Church among the colored people with a potential influence for good to all the surrounding country.

#### **Bishop Payne Divinity School, Petersburg, Va.**

An institution for the theological education of colored candidates for Orders. Named in memory of the first Bishop to Liberia, the Rt. Rev. John Payne, a Virginian. The school is supported in part by the American Church Institute for Negroes.

---

### **FOREIGN MISSIONS.**

#### **Missions in Liberia.**

The 12,000 Liberians living along the coast are mostly descendants of negroes from America. It was to this colony of freed slaves that the American Church sent its first foreign missionary in 1835. Back in the interior are one million natives, nearly all of whom are heathen. The work of the Church in Liberia is conducted almost entirely by negroes. They give what they can to missions but are too poor to support them without financial help. Their greatest need at present is for hospitals.

#### **Japan.**

Many buildings which stood the shock of the earthquake in Tokio, succumbed to the fire. All the Churches, Hospital Missions and houses were destroyed and must be rebuilt.

Bishop Tucker says: "It is the moment for showing the Japanese that Japan cannot be safely reconstructed without the co-operation of Christianity. It is the greatest opportunity that the Christian world has ever had in Japan."

#### **China.**

The Mission of our Church in China is to educate the young people in the true meaning of Christian democracy. No portion of China is now closed to Christianity. If we are to save Asia we must help the Native Church in its growth and permanency. The pledge is for general work.

---

### **DIOCESAN WORK.**

#### **Work in the Pine Belt of New Jersey.**

Under the charge of the Rev. C. W. Twing. A parish of 1,000 square miles where less than one per cent. of the people have been baptized. They know nothing about religion. The mission of the Church is to lift them from their poverty, degradation and ignorance and help them to help themselves.

#### **Christ Church Home, South Amboy.**

Opened in 1857. It provides a home and practical education under Church influences for friendless little girls or those whose parents can only partially support them. The endowment fund is no longer sufficient for the expenses of the Home. The committee must have a larger income or turn some children away. The alternative depends upon liberal giving on the part of Church people in the Diocese.

### **Widows and Orphans Fund.**

The interest from this Fund, together with offerings from Parishes and Missions, is used at the discretion of the Bishop and Standing Committee to meet as far as possible the needs of the widows and orphans of deceased Diocesan Clergy.

### **St. Bernard's School.**

A Church school for boys of moderate means where they may be under religious influence and obtain a grammar and high school education and also learn such trades as gardening, printing and carpentry.

As the charge for tuition is much below the actual cost of the school, the balance must be made up by gifts and contributions from other sources.

### **CHURCH EXTENSION FUND**

The Extension Fund is a Fund out of which the Archdeacon is able to assist the Missions in their various worthwhile projects. It has been of immense help and enabled us to carry out many enterprises. Be sure and remember this Fund in the distribution of your gifts.

---

### **MISSIONS OF LATIN AMERICA.**

#### **Haiti.**

Work was begun in 1861 by a young negro—James Theodore Holly—who later became the first Bishop of the Church in Haiti. The present Bishop is trying to help the natives to improve their standard of living and develop their resources. Haiti is an unevangelized country and nowhere can there be found a people more in need of light and truth. The greatest need is for schools and teachers.

#### **The Hooker Memorial School, Mexico City, Mexico.**

For the education of native girls. The pupils vary in age from six to sixteen and come from all classes. Bishop Aves considers these Mission Schools to be the lever by which a submerged people may be raised to a higher plane of opportunity for Christian living.

#### **Brazil.**

The Brazilian Mission was organized in 1893 and in 1905 became an independent church under its own independent Bishop. In 1907 it was made a Mission of the American Church and Bishop Kinsolving became the first Missionary Bishop of Southern Brazil. The whole republic is now the field of the American Church. The work at present is concentrated at Rio Grande do Sul. There is a school for boys at Porto Allegre with one hundred pupils. The "Southern Cross School" makes a great advance in the Brazilian Mission. Schools for girls are equally needed.

#### **Work in Porto Rico.**

The Missionary District of Porto Rico is included in the Second Province and is therefore the special charge of the dioceses in New York and New Jersey. Industrial and agricultural schools are needed where the young may be taught modern methods.

## PRESIDENT'S ADDRESS.

Since January 19, 1921, when you honored me by electing me President of the New Jersey Branch of the Woman's Auxiliary, three years have passed very rapidly, each year bringing its own particular problems and record of service.

In addition to the regular pledges you have responded most generously to the Near East Relief, and again this year to still another emergency call, when our hearts were stirred by the terrible catastrophe in Japan.

By comparing the reports of the past three years, I find a slow but steady growth in the work throughout the Diocese, much of which cannot be counted in terms of money or figures, the reports from the Districts show a healthy condition, with the organization of three new branches during the past year, St. Andrew's, Bridgeton; St. Luke's, Roselle; and All Saints', Elizabeth; the reports from the Department Chairman will show in detail the work accomplished during 1923.

While these facts are most encouraging, I could wish for even greater progress in the coming year, no time in the history of the world has the necessity been so great, as to-day, for loyalty and steadfastness of purpose, we each have a mission and a special obligation to fulfill.

The Woman's Auxiliary should be tremendously interested in the future of its work, which will be determined by the training of our young women, it may cost us something to give up old and endeared customs, and to look at things from their point of view, but it is the coming generation that counts and upon whom we must depend; I would like to see a concerted effort made during 1924 by the Auxiliary to interest the younger leaders in their respective parishes, and to get in touch with them through the Summer Conferences.

Then too may I suggest to the District leaders that they make an effort to reach the lonely women in the rural sections.

The many friends of our devoted United Thank Offering Treasurer, miss this year having her with us, she has always been an example of what the best type of Auxiliary officer should be, giving first herself, then of her means to HIM whom she served.

I wish I could express my heartfelt gratitude for all the patience and loyalty you have shown me during my term as your Executive, and I am deeply concerned as to how best I can serve you, how make the work more interesting and effective, and I should be glad to welcome any constructive criticism.

"There was no room for HIM in the inn." How many still so busy with the affairs of the world, deny HIM room in their hearts and lives. May we not pray for a deeper realization of our Lord's indwelling presence, that we may be ready, as far as may be, for a share in the blessings that are sure to come, by giving ourselves fully and freely for the Master's service.

NELLIE M. FITCH.

---

MRS. R. BOWDEN SHEPHERD.

*Diocesan Chairman of the United Thankoffering,*

1918-1924.

In the death of Mrs. Shepherd the Woman's Auxiliary of New Jersey has lost one of its most valued members.

For years she was a member of the Executive Board, serving on the Educational, Devotional and Diocesan Committees; but she was best known as Chairman of the United Thankoffering in which she was deeply interested.

Simple in her tastes, ever giving generously of herself to the cause of Missions, she possessed great tenacity of purpose and by her zeal and unremitting efforts the United Offering rapidly and steadily increased.

We shall miss her presence and counsel in our meetings, but her spirit will live as an inspiration and incentive for the continuance of that work for which she sought our co-operation and fellowship.

Her last illness bore testimony to her patience and courage under great suffering and we pray that God may grant her peace and rest in Paradise.

Of her it may truly be said "She was Faithful unto Death,"

## MINUTES OF THE FORTY-NINTH ANNUAL MEETING OF THE NEW JERSEY BRANCH OF THE WOMAN'S AUXILIARY.

The Forty-ninth Annual Meeting of the New Jersey Branch of the Woman's Auxiliary was held in Trinity Church, Trenton, on January 9, 1924.

The meeting was opened with a celebration of the Holy Communion with Bishop Knight as celebrant. The sermon was preached by Bishop Matthews. The business meeting was called to order by the President, Mrs. Fitch. Owing to Mrs. Shepherd's serious illness, her report as U. T. O. Treasurer was read by Archdeacon Shepherd before the regular business—he reported a balance of \$6,441.26, \$1,500 more than at the same period three years ago. He also spoke of Diocesan Missions and asked for interest in the Church Extension Fund. The roll call followed to which 170 delegates responded, representing 54 parishes.

The minutes of the last Annual Meeting were approved as read. The Treasurer, Mrs. Monroe, read her report. It was moved, seconded and carried that it should be accepted as read and placed on file. It was followed by the report of the Corresponding Secretary, Miss Kelly. The President announced that the Executive Board had elected Mrs. Morse to be Assistant Treasurer to the U. T. O. Treasurer on account of Mrs. Shepherd's illness and that Mrs. Morse had accepted.

Mrs. Matthews, Chairman of By-Laws Committee, reported that a change in the by-laws was necessary.

It was moved and seconded that section 9 be omitted. Carried. It was moved and seconded that By-Law III be cut. Carried. Mrs. Matthews, for the Finance Committee, reported that the budget for 1924 will be \$900 for the Central Expense Fund, and \$5,420 for pledges. The abolishment of the 25c. membership dues and the adoption of proportionate giving to the Central Expense Fund was announced. A discussion over different plans for paying pledges followed. A motion was made that the apportionment plan for paying pledges be adopted for one year. Seconded and carried. The meeting adjourned for luncheon and reconvened at 2 o'clock. Bishop Matthews presided and called for the report of the Nominating Committee. Miss Armstrong, Chairman of the Nominating Committee, announced the following ticket:—President, Mrs. C. P. Fitch, 1924-27; Vice Presidents, Miss Jones and Mrs. Perot, 1924-27; Chairman Latin America, Miss Tappan, 1924-27; Educational Secretary, Mrs. A. S. Phelps, 1924-27; Supply Secretary, Mrs. A. T. Stretch, 1924-27.

It was moved and seconded that the nominations be closed and the Secretary instructed to cast the ballot. Carried. The Secretary cast the ballot and the President, Mrs. Fitch, resumed the chair. The President appointed Mrs. Monroe, Treasurer; Miss Kelly, Corresponding Secretary, and Miss Hartshorne, Recording Secretary. The President's report followed. Rev. T. A. Conover spoke of the summer conference at Princeton and the Annual Meeting of the Church Mission of Help was announced. Mrs. Phelps, the provincial representative on the National Council, made a report and was followed by Mrs. Morse, Chairman of Domestic Missions. Mrs. Morse recommended that a new pledge of \$200 for the Appalachian Industrial School be adopted and a continuance of the old pledges for domestic work, with an increase of \$100 for All Saints Hospital. It was moved and seconded that this pledge be adopted, as presented. Carried. Mrs. Morse recommended that a new pledge of \$100 be adopted for the Hudson Stuck Memorial Hospital, Alaska. Moved and seconded that this pledge be adopted. Carried. Also a continuance of the two of last year with the same amounts. Mrs. Morse recommended that the pledge for St. Augustine's and St. Paul's School each be increased to \$200 and the others remain the same as last year. It was moved and seconded that these pledges be adopted. Carried. Mrs. Stroud, Chairman of Foreign Missions, recommended pledges of \$500 each for Liberia and China and \$1,000 for reconstruction work in Japan be adopted. Carried.

Miss Tappan, Chairman, reported for Latin America, recommended that a new pledge of \$100 should be made for Haiti, the others remaining the same as last year. It was moved and seconded that this pledge should be adopted. Carried.

Miss Jones, Chairman of the Bishop Tuttle Memorial Fund Special reported having asked the nine District Presidents to appoint representatives in each parish for this project and mentioned \$1,500 or \$2,000 as a possible goal for the diocese. Mrs. Matthews, Chairman for Diocesan Missions, recommended that the pledges remain the same as last year. It was moved and seconded that the pledges for Diocesan work remain the same as last year. Carried. A discussion on the time of sending money to the Chairmen followed. It was moved and seconded that all money be sent in before November 1st. Carried. Miss Simpson, Chairman of Devotional Committee, made her report, which was followed by the report of the Educational Secretary, Mrs. Phelps. Mrs. Stretch, Supply Secretary, reported 135 boxes sent from 86 parishes valued at \$6,710.87. Mrs. Tidd, Diocesan Correspondent for C. P. C., made her report and asked for books for Japan. The

President stated that all money for pledges should be sent to the Chairmen instead of to the Treasurer. The amount of the offering at the opening service, \$65.70, was announced. It was moved that the offering be applied to the deficit on Latin America. Seconded and carried. A motion was made that the offering be applied to the Hooker School pledge. Seconded and carried.

Mrs. Matthews offered the following resolution:

The members of the Woman's Auxiliary desire to express their loving appreciation of the faithful work of our U. T. O. Diocesan Treasurer, Mrs. R. Bowden Shepherd. Her influence has not only led us to give freely to this great offering but it has also made us realize its spiritual value in our own lives. Her last message which Mr. Shepherd brought us to-day will surely be an inspiration to us for the rest of our lives and will lead us in this Diocese to look upon the U. T. O. as a constant opportunity to show our love and thankfulness for the example of her life.

Resolved that this appreciation of our affection be sent to Mrs. Shepherd and spread upon our minutes. This resolution was seconded and carried by a rising vote. The President announced that the Spring meeting of the Lower Division will be held at Swedesboro on April 23rd and of the Upper Division at Grace Church, Plainfield April 30th. A motion was made and seconded that a message of love and sympathy be sent to Dr. Baker in his illness. Carried. A note of thanks was extended to the Rector and women of Trinity Parish for their kind hospitality.

There being no further business the meeting adjourned.

Respectfully submitted,

LOUISE HARTSHORNE,

*Recording Secretary.*

## ANNUAL REPORT OF THE TREASURER OF THE UNITED THANK OFFERING.

At the last annual meeting you re-elected me as Diocesan Treasurer of the United Thank Offering for three more years. Almost immediately after that meeting I became ill, though for a few months I was able to visit some of the Parishes in the interest of the work and to attend the April Division meeting in Haddonfield.

I have received during the year the spring and fall collections and have been much gratified at the response to my letters, which had to take the place of personal visits.

Only a very few of the Parochial Treasurers fail to make a semi-annual return. It is earnestly desired that all such treasurers should send their collections of offerings to the Diocesan Treasurer in September and March.

I am able to report having received \$6,441.26 which is for the first year of the new triennium, and it is over \$1,500.00 more than was received during the same period three years ago. In addition, the Treasurer of the National Council has received \$950 from a legacy from Lucy H. Hart, of New Brunswick, which with interest added will be sent to the Diocesan United Thank Offering Treasurer just before she goes to New Orleans in 1925.

The outlook, therefore, is more encouraging for raising the full twenty-five thousand dollars during these three years, which I expressed the hope that the women of the Diocese would raise by October, 1925.

I am thankful that in addition to the increased gifts the spiritual value of the offering is being more and more accentuated by its presentation locally at a Celebration of the Holy Communion.

I desire to thank the Parish Treasurers for their splendid co-operation and to ask of them renewed zeal which will not rest satisfied until all the women in every Parish and Mission are enlisted as contributors to the United Thank Offering.

May you have courage and patience and faith to carry on.

Respectfully submitted,

REBECCA WALN SHEPHERD,

*Treasurer.*

## REPORT OF THE DEVOTIONAL COMMITTEE.

A general call was sent out to all Auxiliary branches to observe a Day of Intercessions for Missions, March 14th.

Seven Quiet Days were held during the Lenten season by eight of the nine districts in the Diocese: Burlington, Camden and Woodbury united, Elizabeth, Monmouth, New Brunswick, Plainfield and Trenton. Atlantic City did not hold a Quiet Day, but reported a special observance of the Day of Intercessions. In addition to the District Quiet Days, a special Quiet Day was held in Princeton, Monday in Holy Week. This makes eight Quiet Days in the year, which, I believe to be the largest number the Auxiliary has ever held.

The Annual Corporate Communion of the Woman's Auxiliary of the Diocese was observed Sunday, October 7th. Nine Districts reported its observance in thirty-nine parishes.

There are sixty-four subscribers to the Church Service League Prayer Leaflet, representing one hundred and sixty-two copies.

The Prayer Partnership Plan has been launched in the New Jersey Auxiliary. Three Districts have formed groups, and a fourth is in process. The order in which the groups were formed were Burlington, Monmouth and Plainfield, while the formation of the Woodbury group is almost completed. Names of missionaries to be prayed for have been assigned to these groups, and the partners are in correspondence with them, and the members of the groups are praying for them.

Respectfully submitted,

CAROLINE S. SIMPSON,

*Chairman of the Devotional Committee.*

## REPORT OF EDUCATIONAL SECRETARY FOR YEAR

1923.

There are four parts to this report:

1. Parish reports of Educational work.
2. Report of addresses made and classes led by Diocesan officers and leaders.
3. Report of Training Classes.

#### 4. Report of the Home Study of Christian Literature.

The summary of the Reports turned in by Parishes is as follows:

	1923
Number Attending Summer Conferences .....	45
Missionary Addresses or Conferences .....	100
Discussion Class Meetings .....	127
Subjects—Personal Religion, Negro, Foreign, Japan, U. T. O., Liberia, Cuba, South Amer- ica, China, Life of Christ, Bible, Social Ser- vice, Second Advent, Organization of Church, Church's Program.	
Pageants .....	6
Desiring Discussion Group This Year .....	15

The Diocesan officers and leaders report 89 addresses made and 15 classes held. This does not, of course, cover the informal remarks which they have made at other meetings, nor the Church School classes they teach. For instance I find I have only spoken—made addresses—at 25 meetings, but I have attended 99 meetings and you may be sure I was not silent at many of them!

As the educational work done in the parishes can be found in the Parish Reports I will merely mention the other forms of adult educational work which have been attempted during the past year. Quite a number of parishes failed to fill in and return their report blanks.

Last January, Training classes were held two consecutive weeks at Elizabeth and Camden, on Missions, Social Service and Personal Religion, with an afternoon general class on Methods conducted by Miss Boyer. The registration at Elizabeth for all calsses was 39 and at Camden 19. In November similar classes were held at Elizabeth, Camden and also Trenton, with the afternoon open class led by Canon Lewis the first week and Bishop Matthews the second. The registration for all classes was in Elizabeth 26, Camden 29 and Trenton 18. In each case a few more came for the afternoon classes but as they did not register I cannot report the number. My only comment is that all these classes were very expensive in car fare, time and effort of the leaders. I think I may add that those who made the venture of attending them found them well worth while.

The plan for the Home Study of Christian Literature has been working fairly well. 37 readers have either rented our books or followed our courses at their own expense. The books of the Holy Scripture Course, 1, have been used by 10 readers. Course 2, Church History, by 6, and Course 3, The Church's Belief, by 8. The other readers have either bought their own books or borrowed separate Missionary books from

our library. We are offering two new courses this year: Course 4, The Acts of the Apostles, and Course 5, Japan.

Most of the readers have been enlisted as the result of a visit of the Educational Secretary to the District or Parish. Please invite me. Remember that these courses are not merely for members of the W. A. Every one is welcome to use our books. I now have three young men reading with great interest, one the Holy Scripture Course, and two the Course on the Church's Belief. We all need to be better informed so as to be able to stand by our Church and our Creed with intelligent loyalty. I beg each one of you to help to make this department the power it should be in the Diocese of New Jersey.

Respectfully submitted,

GERTRUDE L. PHELPS,  
*Educational Secretary.*
