## FIFTEENTH ANNUAL REPORT.

---

THE fifteenth year of the Committee on Work for Domestic Missionaries has just ended, and though no great or special work has been accomplished, yet in looking back over the past few years we can see a steady and ever-increasing interest among the parishes in the diocese.

Of the twenty-eight churches and chapels represented regularly last year not one has fallen off, and four, the Churches of the Holy Apostles and Holy Sepulchre, St. Ann's Church, and St. Mary's, Scarborough, sent delegates for the first time.

One hundred and twenty-two boxes, fifteen of which were for the colored people in the South, valued at \$15,356.76, were sent during the year; \$8,758.10 contributed in money, \$2,297.85 of which for Domestic Missions, and \$1,460.25 distinctively for the Colored work. Though the number of boxes is not so great as reported last year, the average value of each box is greater, thus showing that more care and money is spent in the preparation of them. The gifts in money exceed those of a year ago to the amount of \$446.82.

The pledge made the previous year, to raise \$1,000 for the salaries of Women Helpers in the Domestic Field, was renewed at the Annual Meeting and redeemed early in the spring, and \$151.40 raised in addition.

St. Bartholomew's Church still supports the Colored Mission School in Georgia, and the Church of the Incarnation pays yearly \$100 towards the support of Mrs. Burgwin, a colored teacher in Virginia.

Through Mrs. E. H. Richards \$200 was raised in answer to a special appeal made for a Hospital for colored people in North Carolina. Six Scholarships are supported in the schools

in Utah by parishes and individuals. \$155.40 was given for the Colored Orphanage at Petersburg, Va., \$20 for the Domestic Missionary Lending Library, and \$106.23, fifteen parishes contributing from \$5 to \$10 each, towards the fund needed at the Bible House for a small box at least for each of the Missionaries whose orders are found unfilled at the end of the season.

The usual meetings were held the first Wednesday of each month from November to May inclusive, with a larger average attendance than for many years. Many thanks are due to the Missionary Bishops and Clergy, and to one of our own city clergymen, who addressed the Committee during the winter, giving such accounts of their work as could not fail to stir our hearts to a deeper sense of the responsibility which rests with each one of us and of the duties which we as members of CHRIST's Church are called upon to do. These speakers were the Rt. Rev. Dr. Garrett of Northern Texas, the Rt. Rev. Dr. Paddock of Washington Territory, and the Rev. Walter Tearne of Iowa, who gave interesting details of their respective fields; the Rev. Dr. J. N. Lee, and the Revs. P. W. Cassey and I. E. Black, who spoke of the work among the colored people of North Carolina and Tennessee. The Rev. C. T. Olmsted addressed the ladies at the close of the season, reviewing the work of the past and speaking words of encouragement for the future.

But in looking back over the twelve months just gone by, when our hearts were made happy in doing for others, in lightening the cares of the weary Missionary, and in cheering the lives of the faithful women, our substitutes, in the field, we are saddened for the moment as we remember those who have been taken from us and are now at rest. At our first gathering in November we missed the familiar face of Mrs. D. C. Weston, whose regular attendance and ready help in special

cases of need will long be remembered. Again in May, as we were closing our work for the winter, we learned that Mrs. Wm. Staunton had passed away from our midst; and we sorely miss the wise counsel and ready sympathy of our Treasurer and faithful friend, the Rev. Dr. Twing, through whose zeal and persevering efforts this work of the women of the Church was first started, and has been so steadily growing for the last fourteen or fifteen years. We miss his cheering words and strengthening support in that work which he has laid down forever and we must now take up and carry on.

And what is that work? It is filling boxes with careful hands and loving hearts, not with our cast-off garments, but with what we would gladly accept ourselves if placed as many Missionaries' wives are, offering our gifts as to a sister in sisterly love and kindness; it is giving our money to keep at their posts the nurses in Hospitals, the visitors of the poor and the teachers to the ignorant; supporting Scholarships in the schools and helping to build churches and chapels all over the land; it is sending our books to some isolated clergyman in the far West or to the Lending Library, that more than one may borrow, and thus break the monotony of a lonely life; interesting our children in sending Christmas boxes to the Mission Schools, that thus being trained in the Church's work, they may be ready to take the places which we must soon leave vacant; and it is praying, with a full and earnest heart, for all Missions and for those who are striving to plant and water, that God may give the increase.

In behalf of the Committee,

MARGARET A. TOMES,

*Recording Secretary.*
