## Prayers for Indian Missions.

**O** MOST Merciful God, who hast promised that all those who dwell in the wilderness shall kneel before Thy SON, remember, we pray Thee, the Indian Tribes of our land and all those who have gone to them in Thy Name.

Guide and govern all those who are put in civil or military authority over them, that the people may lead a quiet and peaceable life in all godliness and honesty.

Set up and strengthen Thy Church among them, that they may all come to know Thee, the only true God, and JESUS CHRIST, whom Thou hast sent.

Endue its Ministers with Heavenly love and wisdom and make them ensamples to the flock.

Sanctify the people. Preserve their marriages in peace and concord ; nourish their infants ; lead forward their youth ; sustain their aged ; comfort the weak-hearted ; gather together the scattered ; settle the roving ; and knit them all together, working with their hands the thing that is good, in Thy Holy Church ; through JESUS CHRIST our LORD. AMEN.

**A** LMIGHTY and Most Merciful God, the Father of the friendless, and the Helper of the helpless, have pity, we beseech Thee, upon the Indian Tribes who dwell in this our land. Send to them the light and comfort of Thy Holy Gospel. Bless all the means used to bring them to the knowledge of Thy dear SON, who died for the salvation of all men. Guide with Thy SPIRIT, guard with Thy power, sustain with Thy love, all those who minister to them in spiritual things, and bear to them the tidings of redemption. Stir up the hearts of all who profess and call themselves Christians, to prayer and deeds of mercy in behalf of this perishing race. Give to our rulers a sense of honor, truth and justice in all their dealings with them, and fill this whole nation with compassion for this poor and scattered people : and so fetch them home, Blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd. All of which we ask through JESUS CHRIST our LORD. AMEN,

## SECRETARY'S REPORT FOR 1891 and 1895

OF THE

### Niobrara League, Diocese of New York.

---

The twenty-third Annual Meeting of the Niobrara League was held on Thursday, November 7th, in the Guild Room of Grace House, 802 Broadway.

The annual election of officers took place—which resulted in a unanimous vote for those of the preceding year.

The monthly meetings of the League have been very fully attended, and great interest has been manifested in the Indian cause during our session of seven months.

Our Treasurer's report shows an average in money received, of something over \$1000 per month; indeed we note with gratitude, the loyalty and generosity of the friends and delegates of the Niobrara League.

Our meetings have been addressed during the past season once by Bishop Hare, once by Bishop Leonard and twice by Bishop Talbot, who at his second visit introduced his Indian presbyter, Rev. Sherman Coolidge, with whom we were all much pleased. Also the Rev. Mr. Merrill (who has interested his Sunday-school children at Tuxedo Park in Indian work) made us an address early in the season.

We must again thank Rev. Dr. Huntington for many kindnesses through the past year, especially for the use of Grace Church and its choir for our anniversary services.

It was during the General Convention at Minneapolis that we learned of the serious illness of Bishop Hare, and that the Board of Missions had granted him six months leave of absence. It is with pleasure that we now report his decided improvement and his hopes of an early return to health and strength.

Three new scholarships have been added during the year to Bishop Hare's Indian Schools, viz :

David H. Greer.

James M. Lawton (in mem.) and the Tuxedo.

This last is undertaken by the Sunday-school of St. Mary's Church, Tuxedo, and the League is glad to express its appreciation of the children's desire to educate an Indian child. In so doing they are working for the Master and also for their country.

We wish them all joy and success ; also we note (with a hope that the list may increase) three scholarships for Bishop Talbot's Girls' School, viz :

Vanderwater, St. Andrew's Church.

Sherman Coolidge, St. George's Church.

St. Thomas, St. Thomas' Church.

The past year has seen established a "Contingent Fire Fund" of \$1500 for the purpose of paying the loss consequent upon the burning of any of the Indian churches. This "Fund" relieves Bishop Hare of a great deal of anxiety. It is deposited in the Savings Bank, 20 Union Square, and is secured to the Diocese of South Dakota. The \$350 heretofore annually paid in premiums to the insurance companies will now be paid to the "Fund."

The League has sent out Prayer Books and Hymnals in the Dakota language to Rev. Mr. Snavelly, of Pine Ridge ; also money to aid in building a reading room for returned students from Hampton, for all of which his hearty thanks have been received.

Bishop Hare has long wished for a woman teacher, who could speak the Dakota language—one such has offered her services and asked to be taken into our communion. She comes to us from the Presbyterians—Miss Jennie B. Dickson—she will be, as it were, "A Field Matron." Miss Dickson's salary is a new want of Bishop Hare's. It may be well here to state that the Government has been asked to support more "Field Matrons." Their work includes every effort for mental, moral, social and religious improvement to the Indian.

Subscribers or donations are needed for the Indian paper, "Anpao." The Indian's life has little in it now of amusement. "Anpao" helps to break its monotony every month and gives him new thoughts. The paper has articles also for women on house-keeping and the care of children.

Bishop Hare on entering upon the twenty-third year of his work as Missionary Bishop, writes : "The Indians with whom my Mission has had to deal, have been some of the most reckless and the wildest of our North American tribes, and they are scattered over a district some parts of which are twelve days' travel distant from others. We have missions among thirteen tribes. Twenty-two years ago not a single boarding school among these people ; now, four successful schools, in which live 201 children. There are forty-eight neat churches and chapels, and thirty-four small but comfortable mission residences."

The following is taken from the *Church News* :

"The Dakotas have a yearly Convocation to talk over the Lord's work in their midst, and to plan for the days to come. This year it was held at Lower Brulé Agency. The church could not, of course, hold this vast assembly. A large booth was erected, at one end of which was an altar covered with a pure white cloth, and above it in letters of green the name of the church, 'Holy Comforter.' There were 3000 tents.

"This Convocation presented a new feature to the beholder, viz.: A procession marched behind a banner from the farthest camp—another like procession from another direction, until, as if sprung from the ground, ten small armies with banners flying, were marching toward the great booth where the meetings were to be held. The banners were a work of love by the Women's Auxiliary of All Saints' School, Sioux Falls. The Convocation proper consisted of fifteen clergymen, forty-five catechists and helpers, and one hundred and ninety-three lay delegates.

"A touching incident is related by Rev. Mr. Cleveland wherein an aged Indian from Standing Rock Agency set out to attend the Convocation, feeling certain that death was near at hand, but expressed a wish to live until he could reach his destination and see the annual gathering of the clergy and Church people. His desire was gratified, but he died soon after reaching the Convocation grounds, and his burial took place there. This is certainly a striking instance of the sincerity of the native red man in his religion."

The noble work which Bishop Whipple has accomplished among the Indians gives a peculiar weight to these words of his: "The Indian is proverbially honest, unless he is demoralized by drink. In thirty years' experience with the Indians, I never knew one to tell me a lie, and I never had a thing stolen by one.

#### "A DISTINGUISHED INDIAN,

Gen. Ely Samuel Parker, who died lately very suddenly at Fairfield, Conn., at the age of seventy-five years, was a full-blooded Indian. He was born on the Towanda reservation in New York, was Chief of the Seneca tribe and king of the Six Nations. Gen. Parker served through the war with distinguished ability and acted as Grant's private secretary. He wrote the famous surrender of Lee at Appomattox in 1865. He received the rank of Brigadier-General from Grant, and when the latter became Presi-

dent was appointed Commissioner of Indian affairs, which place he held until 1871. Gen. Parker was a thirty-second degree mason, a member of the Loyal Legion of the Army and Navy and of the G. A. R. He was an ardent Republican and an eloquent speaker."

The zeal of the Indian women still wins our hearty admiration. They have not only "given to the poor" and cared for the support of the native ministry and the insurance and improvement of their little churches, but they have "dispensed abroad," sending contributions to the Orphanage and the Home for the Bible women in China. Their offerings during the past year amounted to \$3630.

Respectfully submitted,

HELEN DESMOND NELSON.

Life memberships are earnestly solicited by the League; they enable it to meet the pressing and incidental wants constantly coming to it from the various Chapels, Schools and Stations. To meet these demands the League has no stated or pledged fund.
