## Prayers for Indian Missions.

**O** MOST Merciful God, who hast promised that all those who dwell in the wilderness shall kneel before Thy SON, remember, we pray Thee, the Indian Tribes of our land and all those who have gone to them in Thy Name.

Guide and govern those who are put in civil or military authority over them, that the people may lead a quiet and peaceable life in all godliness and honesty.

Set up and strengthen Thy Church among them, that they may all come to know Thee, the only true God, and JESUS CHRIST, whom Thou hast sent.

Endue its Ministers with Heavenly love and wisdom and make them ensamples to the flock.

Sanctify the people. Preserve their marriages in peace and concord ; nourish their infants ; lead forward their youth ; sustain their aged ; comfort the weak-hearted ; gather together the scattered ; settle the roving ; and knit them all together, working with their hands the thing that is good, in Thy Holy Church ; through JESUS CHRIST our LORD. AMEN.

**A** LMIGHTY and Most Merciful God, the Father of the friendless, and the Helper of the helpless, have pity, we beseech Thee, upon the Indian Tribes who dwell in this our land. Send to them the light and comfort of Thy Holy Gospel. Bless all the means used to bring them to the knowledge of Thy dear SON, who died for the salvation of all men. Guide with Thy SPIRIT, guard with Thy power, sustain with Thy love, all those who minister to them in spiritual things, and bear to them the tidings of redemption. Stir up the hearts of all who profess and call themselves Christians, to prayer and deeds of mercy in behalf of this perishing race. Give to our rulers a sense of honor, truth and justice in all their dealings with them, and fill this whole nation with compassion for this poor and scattered people : and so fetch them home, Blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd. All of which we ask through JESUS CHRIST our LORD. AMEN.

## SECRETARY'S REPORT FOR 1895 and 1896

OF THE

### Niobrara League, Diocese of New York.

---

The meetings of the Niobrara League during the past year have been interesting and well attended. The interest manifested in its work has been lively and keen; our Treasurer's report shows an increase in offerings, and, what is best of all, the reports from the Indian field are full of promise.

For the past ten years, through the courtesy of Dr. Huntington, the League has held its monthly meetings in Grace House; but now, owing to certain changes, the room is needed for Grace Church work, and the League has been obliged to seek other quarters. We would, on leaving, tender our sincere thanks to Dr. Huntington for his unfailing kindness, and state that it is with great regret we leave our familiar meeting-place made so agreeable to us through his interest and generous hospitality.

The rectors of our New York churches are certainly all most kind, and desirous in every way to accommodate (in their respective guild rooms) the different branches of the Woman's Auxiliary, and we now with warm thanks gratefully acknowledge the friendly reception the League has received from the Rev. Wm. M. Grosvenor, Rector of the Church of the Incarnation, in whose chapel room (25 East Thirty-fifth Street) the League will hold its meetings during the coming season.

The same Board of Officers will act during the coming year, having been unanimously re-elected at our annual meeting.

Bishop Hare has been greatly benefited by the vacation granted him through the Board of Missions, and writes that he is in his usual health once more. The Bishop made us a visit in January.

In December, 1895, we were addressed by Bishop Rowe, then on his way to Alaska. He had been requested to give us his experience with Indian life. Bishop Rowe lived among the Chipewa Indians, on the north shore of Lake Huron. He said the Indian's hospitality is unbounded. When first going to this Indian country, he kept house for himself, after a fashion. The moment that he left home for a journey, the Indian women would take possession of his rooms, clean, and arrange everything in perfect order. The children never quarrel, the women are splendid characters, the men very industrious, many of them Christian heroes. He gave a touching incident of going in a boat to visit an Indian, then on his death-bed, who said that he had been waiting for twenty years for the black coat (their name for a clergyman) to lead his tribe to the feet of Jesus.

At the same meeting we had an address from Bishop Leonard, of Utah, on the subject of his Indians. These men were moved from their old reservation to the Gunnison River, in the northeastern part of Utah. It has been lately discovered that these lands have minerals; among them asphaltum, the purest in the world. Of course, the whites are after these lands, and want the Indians turned adrift again.

While at the General Convention at Minneapolis, in October, 1895, we were pleased to see Miss Sybil Carter's lace workers—Indian women, girls, and one little child of five years, working beside her mother. Their lace finds a ready market, thus assuring them a good livelihood.

Many boxes have been sent out to the Indian country by the churches connected with the League; not only with the much-called for clothing, but with gifts for the many Christmas trees.

The scholarship, James S. Cushman (In Mem.), has been added, this year, to our list, making forty-seven.

A meeting was called of the officers of the Woman's Auxiliary, sent out by Mrs. Charles Curtis, President of the New York branch. It was well attended. We were asked to contribute four dollars as our share of the Postage Fund.

There have been thirteen books translated into the Dakota tongue, and now "The History of the Jews," undertaken by the Rev. P. J. Deloria, of Standing Rock Mission, a native priest, is nearly ready.

Bishop Hare reports great damage done to the four boarding-schools for the Indian children in South Dakota, during the severe storms of last winter.

The League has contributed toward the "Literature Fund," for the benefit of Bishop Hare's clergy in South Dakota, as they are cut off from almost everything in the way of current reading.

Subscriptions to the little monthly paper, *Anpao*, are always welcome.

During Lent, printed postal cards were sent out by members of the League, asking friends for a donation of one dollar, which brought in a good return.

In April last, Rev. Mr. Ashley, of Cheyenne Agency, wrote of the great need of a rectory for Ascension Chapel, in his parish—Standing Bull, Catechist. The Bishop, on his travels, could be accommodated there, as also Rev. Mr. Ashley, not to speak of the propriety of the Catechist being lodged near his work. The League responded to his appeal.

Bishop Hare reports a second trip to the Mediterranean, returning much improved in health.

We have received very gratifying accounts of the success of the new "Field Matron," Miss Jeannie B. Dickson, among the Indian tribes of the Niobrara Deanery. After making the acquaintance of all the Christian Indians, she has begun to visit among the tents of the heathen Indians, who, although very shy, still listened very politely to what she had to say. Many young women were busy with beadwork, which they sell.

The Christian Indians really practice self-denial—the past year they have contributed \$4,348 for the support of ministers, churches, and missions, both foreign and domestic.

Respectfully submitted,

HELEN DESMOND NELSON,

*Secretary.*

The methods by which the ends of this organization can be promoted are: The raising of money for the support of missionaries and teachers, for the education of those who may be preparing for the work, and for other benevolent purposes connected with the Mission; the making, collecting and transfer of clothing, and other material aid; and the publication of papers and pamphlets that may serve to stir up a public interest in the welfare of the Indian.

### ARTICLE III.

The Association shall consist of all persons who shall contribute to the Treasury thereof, annually, the sum of at least one dollar. Any one may be constituted a Life Member by the payment at one time of the sum of one hundred dollars.

### ARTICLE IV.

The officers of this Association shall be a President, two or more Vice-Presidents, a Secretary, and a Treasurer; who, with two ladies from each Parish represented in the Association, shall constitute a Board of Managers, whose duty it shall be to regulate the affairs of the Association, and, under the supervision of their Rectors, to further its work in the Parishes to which they respectively belong.

### ARTICLE V.

It shall be the duty of the President to preside at all meetings of the Association and of the Board of Managers; to call special meetings of the same when occasion shall arise; and to present to the members of the Association such objects for their interest and contributions as shall have been approved by the Committee in charge of the Indian Missions.

## ARTICLE VI.

It shall be the duty of the Vice-President to preside in the absence of the President; to make special efforts to interest such Parishes of the Diocese as are not already represented in the League in the work of the Association; to obtain from the Secretary of the Woman's Auxiliary fresh information from our Indian Missions, and to read the same at the stated meetings of the Board.
