Annual Report of the Secretary.

1911-1912

Growth is clearly discernible and the forward tread distinctly heard in many directions throughout the diocese, notably in the three or four parishes at their own instigation asking for assistance in organizing branches of the Woman's Auxiliary; in the 696 new members in the fifty-six parishes which reported progress; in the number of organizations formed among the younger women and the new Junior branches. Much may be expected of increased interest from the 262 new subscribers to *THE SPIRIT OF MISSIONS* and the forty-two study and three normal classes, several parishes having more than one conducted during Lent. Of the members enrolled as lately interested and the larger gifts to our great Thank-offering the Annual Report of the Treasurer will give an accurate account. That knowledge and interest in this work is increasing is witnessed in the 377 women reported as lately becoming new contributors, and we feel sure this but barely represents the true number enlisted this year. Sixty-three are reported as having joined the Prayer League, but how can one count the many faithful women who daily offer the noon-day prayer for missions or carry constantly upon their hearts the missionaries' burdens and ask for God's blessing upon the Church's work? The four Jubilee Continuation Committees helped largely in this, as in other departments of the Auxiliary work. That on Prayer Circles held regular meetings twice a month during the winter at the Church Club Rooms for the purpose of bringing together all women who might wish to join in a service of Intercession for Missions. The Committee on Drawing Room Meetings arranged for one large meeting at the Training School for Deaconesses on February 29th, when about one hundred persons assembled to hear Miss Wood and Deaconess Harte, both of China, speak on what is at this moment of world-wide interest and is filling the minds of all thinking people. The chairman of this committee gave a luncheon,

to which some twenty women were bidden to meet and listen again to Miss Wood, of Wuchang.

Three normal and fifteen parish study classes were the work of the Committee on Mission Study. One of the normal classes studying St. Matthew's Gospel was conducted by Deaconess Hyde, and two led by Miss Delafield studied "The Conquest of the Continent" and "The Why and How of Foreign Missions." The fourth committee, that on Extension, having the difficult task of endeavoring to create an interest where none existed and to arouse in the apathetic a desire to undertake active work for missions in parishes where none was as yet planned, was nevertheless successful in so far that four or five parishes have the organization of branches under consideration and several rectors in the city have expressed their willingness to look into the matter for another year. Apart from this committee three new parish branches in the city have recently been listed and one has reorganized. Richmond reported one as preparing to form a branch in the autumn and Westchester is negotiating with several with possible success. Orange and Dutchess are endeavoring to awaken in others a sense of their responsibility and the Church's opportunity.

The Advent Meeting, held this year in Calvary Church, was a large and inspiring one, the rector of the parish, the Rev. Theodore Sedgwick, preaching in the morning; the speakers in afternoon being Bishop Lloyd, the Rev. H. St. George Tucker, of Tokyo, the Rev. Howard Chandler Robbins and the Rev. George Alexander McGuire, Field Secretary of the American Church Institute for Negroes.

A "Quiet Hour" in lieu of the usual "Quiet Day" was arranged for March 20th, at the Church of the Incarnation, and was conducted by the Rev. Philemon F. Sturges, rector of St. Peter's Church, Morristown, N. J.

The past year has been one of successful effort and the outlook for the future is bright, notwithstanding the several drawbacks and discouragements which made the advance more difficult.

Mrs. E. Walpole Warren's strength proving unequal to the

task, she felt obliged to resign the presidency in February last. Because of her deep love for the Church's missionary work she was of herself enabled to see her continuance in office to be a hindrance to rapid advancement and therefore bravely and gracefully laid down the work so dear to her heart and voluntarily withdrew from the office she had held for over two years. The Executive Board, feeling it had no alternative but to accept the resignation, did so with many feelings of regret and sympathy, looking forward to the day when Mrs. Warren should again resume her share of the Auxiliary's responsibility.

The disturbance usually attendant upon a change of organization has widely influenced, but has not been allowed to destroy, the serenity and steadfastness of purpose of the various standing and archdeaconry committees. On the contrary, the former have throughout the season maintained a steady desire for increase of membership, a deeper interest in monthly meetings and a willingness to render to the Board of Missions more assistance than ever before. While in Orange Archdeaconry the officers have visited the associated and non-associated parishes with an effort to obtain their co-operation; in Westchester have introduced the every-member canvass, and, also, with Richmond, have adopted new plans for neighborhood and union meetings; Dutchess has been gathering inspiration through one of its officers in attendance upon the various Conferences and Institutes offering annually golden opportunities to members of the Auxiliary.

The Committee on Reorganization has worked faithfully and laboriously on the new Constitution and has gained well-deserved praise for the results of its labors as shown by the proposed Constitution and By-laws presented and read before the representative body at its special meeting held on April 24th, 1912. That there should be some, even considerable, dissatisfaction at the very radical changes the new Constitution calls for is only to be expected. When Committees such as the Domestic and the Foreign, of the New York Branch, which have worked on the same general plan for thirty-eight years, the Niobrara League,

just completing its fortieth year, and the St. Augustine League its twenty-second; when such organizations are practically to be wiped out of existence under the new regime one naturally hesitates and asks, Is it wise?

The women outside of New York City, on Staten Island, in Dutchess County, in Westchester and Orange Counties were, under the leadership of Miss Cornelia Jay, banded together into groups, one for each county, long before the diocese was divided into archdeaconries. In all of these officers have succeeded officers and faithful parish delegates increasing each year in number have stood together to carry on the Auxiliary work; all working independently, however, until 1896, when a board of general officers was elected to supply the connecting link and to make one central organized body. The Constitution of 1900, the first and only written law of the New York Branch, recognized the nine existing committees, which, if we to-day adopt the proposed new Constitution, become practically non-existent, with the one exception of the Junior Department, which remains intact and continues its connection with the parent society through its president, who becomes *ex-officio* a vice-president of the Association, and the president of the New York Branch *ex-officio* a member of the Junior board. Fifty-eight officers, not including the general or Junior, to-day *may* go out of office, many of them after years of faithful service and one cannot but express a feeling of the deepest regret that those who have been banded together by the closest ties of a common work for a common Lord are now severing the knot. But this is only an outward and official act, for the love and the interest will ever continue, the work they do be the same, only in another capacity, and the friendships they have formed last through eternity.

When the Board of Missions changed its policy in regard to the Apportionment Plan to meet the increased need in the mission field, a change and increase was of necessity created in the diocesan and parish apportionments, and the New York Branch was asked by the Bishop to raise \$40,000 among the women of the diocese. There being as yet but 135 branches among the

255 organized parishes and missions, the amount apportioned fell very heavily upon each, especially so as the \$40,000 was double what had ever before been asked and nearly three times the sum ever raised. At first the branches were staggered, then many bravely took up their task and accomplished it, in some cases giving even beyond their apportionment; others, struggling as bravely under the burden, failed to reach the figure but have won victoriously in spirit, in interest and in power. Those having this work in charge know of the courage and generosity of the women in this diocese, of their loyalty to the Board of Missions and to the Bishop, and how they have cheerfully withheld their gifts from where their hearts dictated in order to uphold first the work officially authorized by the Board. That they have fallen short of the mark in dollars and cents is but of small moment compared to the faithful service rendered, the earnest desire and the prayers of the many Churchwomen in this diocese, who are working together in love and with power, until the kingdoms of this world shall become the Kingdoms of our Lord and of His Christ.

Respectfully submitted,

MARGARET A. TOMES,

Secretary.

Respectfully submitted,

ANNIE CLARKSON,

Treasurer for the United Offering, Diocese of New York.

THE UNITED OFFERING OF 1913.

Resolved: That the United Thank-offering of 1913 be given to the Board of Missions, for Woman's Work in the Mission field, including the training, testing, sending and support of women workers; also the care of such workers when sick or disabled; but that a sum not exceeding \$20,000 be devoted to buildings for the use of women workers, approved by the Board of Missions on the recommendation of the General Secretary and the Secretary of the Woman's Auxiliary.

Also, that to our united gifts there shall be added our united and earnest prayers that God will put it into the hearts of many faithful women to give themselves to the work of the Master in the Mission field, or, if they cannot go themselves, to give of their substance gladly as the Lord hath prospered them.

PRAYER FOR MORE WORKERS.

ALmighty GOD, Lord of the harvest, we humbly beseech Thee to send forth more labourers into Thy harvest, and especially to put it into the hearts of many faithful women to give themselves to Thy work in the Mission field; that so the bounds of Thy blessed kingdom may be enlarged; through Jesus Christ our Lord. *Amen.*

Annual Report.

The Junior diocesan officers have felt for some time the necessity of making the members of the Junior Auxiliary feel the importance and seriousness of the work they have undertaken, and so a number of changes in the meetings were made this year.

It has been our custom to begin the work in November with a Corporate Communion service followed by a conference for leaders. This year we decided to include all branch officers, no matter how young they might be. So our first meeting was the Communion Service in the Cathedral, to which all Junior officers and leaders were invited. Dean Grosvenor preached the sermon. After the service a conference was held in Synod Hall with the children officers. Then luncheon was served in St. Faith's Deaconess House, after which the officers of the younger branches left, and a conference was held on "Older Girls' Work."

The mid-winter meeting was held at the Church of Zion and St. Timothy, when Bishop Spalding spoke and showed stereopticon pictures to a large number of Juniors.

The annual meeting was held on May 11th in the Church of the Incarnation, and this meeting was of unusual interest. Every Junior had been asked to write a paper on one of the following subjects: "China," "Alaska," or "What Girls Can Do for Missions."

The best paper from each branch was sent to the Junior chairman, and a committee was appointed to choose from these the best on each of the three subjects, to be read by the writers at the annual meeting.

The papers selected were as follows, and were judged on their interest and information:

The paper on "China" was by Lulu Bennett, of Christ Church, Warwick. The paper on "Alaska" was by Lulu Kupelian, of St. Mary's, Cold Spring, and the paper on "What Girls Can Do for Missions" was by Nina Paris, of the Church of the Incarnation, New York.

Mr. John W. Wood and the rector of the Church of the Incarnation both addressed the meeting.

As a result of having the Juniors feel the Junior Auxiliary is really *their* society, three new branches have been started by very young girls, who realized their responsibilities.

Besides these general meetings monthly conferences have been held. One was of special interest, as leaders from the following dioceses were invited to meet with us: Connecticut, Long Island, Newark and New Jersey. This meeting was called a "Problem Meeting," and the chairman of each diocese brought her problems, which, after being presented, were discussed.

We now have ninety-two branches. Fourteen new branches have been organized, but we are sorry to have to report that the following seven have lapsed: St. Paul's, Ossining; All Saints', Upper Red Hook; St. Philip's, Garrison; St. Mary's, Scarborough; Christ Church, Riverdale; Chapel of the Holy Spirit, New York, and St. James', New York. Every rector who has no branch in his parish or whose branch has lapsed has been approached on the subject of the Junior work, but in many cases they have either shown no interest or refused to have a branch organized.

The Wednesday Morning Bible-class has a membership of 125. The class was conducted this year by the Rev. Dr. Jowett until Lent; the first Wednesday in Lent Mr. Robert E. Speer conducted it, and the other five Wednesdays the Rev. S. Harrington Littell. At the last meeting the class raised \$2,300 for the New China Fund. Mrs. N. B. Potter has been appointed by the Junior Board chairman of the class for 1912. We are glad to report that the Rev. H. C. Robbins has consented to conduct the class next winter.

Two normal classes for Junior leaders were held, one conducted by Miss Susan Mendenhall and the other by Miss Constance Lyon, the Junior delegate to the Silver Bay Conference last year. More and more Junior branches report study each year.

The Juniors were asked by Bishop Greer for \$5,000 toward

46 *Report of the Junior Department.*

the apportionment, but we regret to say that so far we have been unable to give this sum. As it is an increase of \$3,000 over what we were asked for last year we are not discouraged.

The Juniors themselves are making a splendid showing, and their interest is deep and real.

We realize fully that we are working with the future Church, and agree with the clergyman who says, "The Junior Auxiliary is the greatest thing that has happened."

Respectfully submitted,

ALICE FIELD LINDLEY,
Chairman Junior Auxiliary.

PRAYERS.

For Individual Workers.

[By A. W. THOROLD, D.D., Lord Bishop of Winchester, England.]

O LORD OF SOULS, who hast called me to service in Thy Church, all my trust is in Thee; for in Thee are the springs of my life. Abundantly give me of Thy Blessed Spirit, without whom nothing is strong, nothing is holy; and use me as it shall please Thee for the glory of Thy name. Make my will patient, my conscience pure, my temper bright. Empty me of self, and fill me with the meekness of wisdom. Increase my faith, mellow my judgment, stir my zeal, enlarge my heart. Let my life enforce what my lips utter. Do Thou choose for me the work I do, and the place in which I do it; the success I win, and the harvest I reap. Preserve me from jealousy and impatience; from self-will and depression. Make me faithful unto death, and then give me the crown of life. Through Jesus Christ our LORD. *Amen.*

For the Woman's Auxiliary.

O LORD, without whom our labor is but lost, and with whom Thy little ones go forth as the mighty; we humbly beseech Thee to prosper all works in Thy Church undertaken according to Thy holy will (especially the work of the Woman's Auxiliary), and grant to Thy laborers a pure intention, patient faith, sufficient success upon earth, and the blessedness of serving Thee in Heaven; through Jesus Christ our LORD. *Amen.*

LORD of all power and might, who rulest in heaven and in earth, and canst turn the hearts of men after the counsel of Thine own will; we humbly pray Thee to awaken in all the members of the Woman's Auxiliary such a deep sense of their duty to maintain and set forward the work of missions, that by their faith and zeal Thy Holy Name may be glorified, and the bounds of Thy Kingdom enlarged; through Jesus Christ, our only Saviour and Redeemer. *Amen.*

For Women in Isolated Parts of God's Kingdom.

O THOU Shepherd and Bishop of our souls, we commend to Thy gracious mercy and protection the women in this our land removed from the privileges of Thy Holy Church. Strengthen their faith; inspire them with new hope and love; keep far from them doubt and despondency; and, in Thy good time, bless them with the constant ministrations of Thy Church; who art with the Father and the Holy Ghost, ever one God, world without end. *Amen.*

For Missions.

ALMIGHTY GOD, who, by Thy Son Jesus Christ, didst give commandment to the holy Apostles, that they should go into all the world, and preach the Gospel to every creature; grant to us whom Thou hast called into Thy Church a ready will to obey Thy Word, and fill us with a hearty desire to make Thy way known upon earth, Thy saving health among all nations. Look with compassion upon the heathen that have not known Thee, and on the multitudes in our own land that are scattered abroad as sheep having no shepherd. O Heavenly Father, LORD of the harvest, have respect, we beseech Thee, to our prayers, and send forth laborers into Thy harvest. Fit and prepare them by Thy grace for the work of their ministry; give them the spirit of power, and of love, and of a sound mind; strengthen them to endure hardness; and grant that both by their life and doctrine they may show forth Thy glory, and set forward the salvation of all men; through Jesus Christ our LORD. *Amen.*

O GOD, who hast made of one blood all nations of men for to dwell on the face of the whole earth, and didst send Thy blessed Son to preach peace to them that are far off and to them that are nigh; Grant that all men everywhere may seek after Thee and find Thee. Bring the nations into Thy fold, and add the heathen to Thine inheritance. And we pray Thee shortly to accomplish the number of Thine elect, and to hasten Thy Kingdom; through the same Jesus Christ our LORD. *Amen.*

For Missionaries.

O LORD, who didst come to seek and to save the lost, and to whom all power is given in heaven and in earth, hear, we beseech Thee, the prayers of Thy Church for those who, at Thy command, go forth to preach the Gospel to every creature. Preserve them from all dangers to which they may be exposed; from perils by land and perils by water; from the deadly pestilence; from the violence of the persecutor; from doubt and impatience; from discouragement and discord, and from all the devices of the powers of darkness. And while they plant and water, send Thou, O LORD, the increase; gather in the multitude of the heathen, convert in Christian lands such as neglect so great salvation; so that Thy Name may be glorified and Thy Kingdom come, O gracious Saviour of the world; to whom, with the Father and the Holy Ghost, be honor and glory, world without end. *Amen.*

For Indian Missions.

[By WM. HOBART HARE, D.D., late Bishop of South Dakota.]

O MOST Merciful GOD, who hast promised that all those who dwell in the wilderness shall kneel before Thy Son, remember, we pray Thee, the Indian tribes of our land and all those who have gone to

them in Thy Name. Guide and govern those who are put in civil or military authority over them, that the people may lead a quiet and peaceable life in all godliness and honesty. Set up and strengthen Thy Church among them, that they may all come to know Thee, the only true God and Jesus Christ, whom Thou hast sent. Endue its Ministers with Heavenly love and wisdom and make them ensamples to the flock. Sanctify the people. Preserve their marriages in peace and concord; nourish their infants; lead forward their youth; sustain their aged; comfort the weak-hearted; gather together the scattered; settle the roving; and knit them all together, working with their hands the thing that is good, in Thy Holy Church; through Jesus Christ our LORD. *Amen.*

Noon-Day Prayer.

BLESSED Saviour, who at this hour didst hang upon the Cross, stretching forth Thy loving arms, grant that all mankind may look unto Thee and be saved, through Thy mercies and merits who livest and reignest with the Father and the Holy Ghost ever one God, world without end. *Amen.*

Thanksgiving.

ALmighty GOD, whose compassions fail not, and whose loving kindness reacheth unto the world's end; we give Thee humble thanks for all the great things Thou hast done and art doing for the children of men, for the opening of heathen lands to the light of Thy truth, for making paths in the deep waters and highways in the desert, for knitting nation to nation in the bonds of fellowship, and for the planting of Thy Church in all the earth. O merciful Father, in whom the whole family is named, fill full our hearts with grateful love for this Thy goodness, granting us grace henceforth to serve Thee better and more perfectly to know Thee; through Jesus Christ our LORD. *Amen.*

Collect.

DIRECT us, O LORD, in all our doings, with Thy most gracious favor, and further us with Thy continual help; that in all our works begun, continued, and ended in Thee, we may glorify Thy holy Name, and finally, by Thy mercy, obtain everlasting life; through Jesus Christ our LORD. *Amen.*

For the Junior Auxiliary.

ALmighty FATHER, send down upon Thy children Thy Holy Spirit, that we may choose and love Thy way. Give us some work to do for Thee, and help us to follow every holy call; for the sake of Thy Son, our Saviour Jesus Christ. *Amen.*

HEAVENLY FATHER, we pray Thee to bless us and all members of the Junior Auxiliary with wisdom, zeal, and constancy, in our work for Thee. Prosper the missions of Thy Holy Church; and strengthen with Thy Holy Spirit all who are engaged in missionary work; through Jesus Christ our LORD. *Amen.*
