Prayers.

CONFESSION.

O MOST Merciful Father, we confess before Thee, that we have done little to forward Thy Kingdom in the world, and to advance Thy glory. We would humble ourselves before Thee for our past neglects, and seek for mercy and forgiveness. Pardon our shortcomings. Give us greater zeal for Thy glory. Make us more ready and more diligent, by our prayers, by our alms, and by our examples, to spread abroad the knowledge of Thy truth, and to enlarge the boundaries of Thy Kingdom. May the love of Christ constrain us, and may we do all to Thy glory; through Jesus Christ our Lord and Saviour. *Amen.*

MISSIONS.

A LMIGHTY GOD, who by Thy Son Jesus Christ, didst give commandment to the holy Apostles, that they should go into all the world, and preach the Gospel to every creature; grant to us whom Thou hast called into Thy Church a ready will to obey Thy Word, and fill us with a hearty desire to make Thy way known upon earth, Thy saving health among all nations. Look with compassion upon the heathen that have not known Thee, and on the multitudes in our own land that are scattered abroad as sheep having no shepherd. O Heavenly Father, Lord of the harvest, have respect, we beseech Thee, to our prayers, and send forth laborers into Thy harvest. Fit and prepare them by Thy grace for the work of their ministry; give them the spirit of power, and of love, and of a sound mind; strengthen them to endure hardness; and grant that both by their life and doctrine they may show forth Thy glory, and set forward the salvation of all men; through Jesus Christ our Lord. *Amen.*

MISSIONARIES.

O LORD, who didst come to seek and to save the lost, and to whom all power is given in heaven and in earth, hear, we beseech Thee, the prayers of Thy Church for those who, at Thy command, go forth to preach the Gospel to every creature. Preserve them from all dangers to which they may be exposed; from perils by land and perils by water; from the deadly pestilence; from the violence of the persecutor; from doubt and impatience; from discouragement and discord, and from all the devices of the powers of darkness. And while they plant and water, send thou, O Lord, the increase; gather in the multitude of the heathen, convert in Christian lands such as neglect so great salvation; so that Thy Name may be glorified and Thy Kingdom come, O gracious Saviour of the world; to whom, with the Father and the Holy Ghost, be honor and glory, world without end. *Amen.*

NOON-DAY.

BLESSED SAVIOUR, who at this hour didst hang upon the Cross, stretching forth Thy loving arms, grant that all mankind may look unto Thee and be saved, through Thy mercies and merits, who livest and reignest with the Father and the Holy Ghost ever one God, world without end. *Amen.*

Prayers.

WOMAN'S AUXILIARY.

ALMIGHTY GOD, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently and give liberally to make Him known to all nations as their God and Saviour. We ask this for His dear sake. *Amen.*

JUNIOR AUXILIARY.

O GOD, our Heavenly Father, we thank Thee for the gift of Thy dear Son. Grant that we who have received Him in our hearts may joyfully go forth with Him on many errands. Bless those who toil for Thee in far off places; comfort them in their loneliness; and unite our work to theirs. Accept our gifts; receive our prayers; and use us for the sake of Thy Son Jesus Christ, our Lord. *Amen.*

UNITED THANK OFFERING.

O LORD, our Heavenly Father, we pray Thee to send forth more labourers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. *Amen.*

RELIGIOUS EDUCATION.

O GOD, Who hast sent Thy beloved Son to be unto us the Way, the Truth, and the Life, grant that we, looking unto Him may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of the same Thy Son Jesus Christ, Our Lord. *Amen.*

SOCIAL SERVICE.

ENLIGHTEN, O God, this erring, groping world, that ignorance and sin, oppression and injustice, misery and crime, strife and war, and all the deeds of darkness, may at length be vanquished and cease to hide Thee from Thy children's eyes; that earth and heaven may be linked together in every soul, making this life more beautiful, and that Death may be welcomed as Thy heavenly messenger on whose wings we are borne to the completion of our affections and aspirations here in a glorious eternity with Thee. *Amen.*

THANKSGIVING.

ALMIGHTY GOD, whose compassions fail not, and whose loving kindness reacheth unto the world's end; we give Thee humble thanks for all the great things Thou hast done and art doing for the children of men, for the opening of heathen lands to the light of Thy truth, for making paths in the deep waters and highways in the desert, for knitting nation to nation in the bonds of fellowship, and for the planting of Thy Church in all the earth. O merciful Father, in whom the whole family is named, fill full our hearts with grateful love for this Thy goodness, granting us grace henceforth to serve Thee better and more perfectly to know Thee; through Jesus Christ our Lord. *Amen.*

In Memoriam.

CHARLES SUMNER BURCH
Bishop of the Diocese of New York
Died December 20, 1920.

The following minute was adopted at the annual meeting of the Woman's Auxiliary to the Presiding Bishop and Council, Diocese of New York, held on January 4th, 1921.

In the sudden death of Bishop Charles Sumner Burch on December 20th, 1920, the Woman's Auxiliary to the Presiding Bishop and Council of the Diocese of New York, loses a loyal supporter, a wise and sympathetic counsellor and an affectionate friend.

Amid the manifold and ever-pressing duties with which his life was over-crowded, he was never too busy to be of use to the Auxiliary, and in his responsive kindness of heart and unselfishness gave freely of his time and advice. His confidence and belief in the future of the Auxiliary was always an inspiration to those who sought his counsel.

Many of us look back with thankfulness to the last inspiring Advent Meeting—to the Service in the Cathedral at which he was the Celebrant and where we made our Communion, not foreseeing that before a month would have passed our Bishop would have joined that unseen Company whom we felt to be so near us at the Altar.

General Report of the Year's Work.

1920.

Both at the Quiet Day, held on the Feast of the Annunciation, Thursday, March 25th, conducted by the Rt. Rev. Arthur S. Lloyd, D.D. at the Church of Zion and St. Timothy, and the Advent Meeting at the Cathedral, St. Andrew's Day, November 30th, other diocesan organizations of women were invited to share its privileges with the Woman's Auxiliary. The speakers on the latter occasion were Bishop Morris of the Panama Canal Zone, Bishop Overs of Liberia and Archdeacon Russell of St. Paul's School, Lawrenceville, Va., with a sermon by Dean Robbins in the Cathedral. Both in the morning and afternoon the attendance was larger than ever before. It is with deepest appreciation we remember that Bishop Burch was able to be with us throughout the day, being Celebrant at the morning Service and presiding officer at the afternoon meeting.

The usual business meetings were held the first Tuesday of each month in the Parish House of Zion and St. Timothy, for the use of which we would here record our grateful appreciation and thanks to the Rector and members of the Parish.

Delegates from New York attended the Provincial Synod on November 9th, 1920.

DOMESTIC COMMITTEE.

All of the sub-committees did excellent work, each bending its energies towards some strategic point in its special field.

The Islands Committee worked with diligence and accomplished much through the organization of a weekly sewing-class during Lent, making garments for children in the Philippines; also raised sufficient money to keep open the little mission station at Bagnan, P. I.; to pay for an organ for St. Andrew's Chapel in Mayaguez, Porto Rico; gave a scholarship to the Iolani School, typewriters to the Virgin Islands and Santo Domingo, as well as \$500 towards an automobile for use in the latter place.

The Alaskan Committee has been able to contribute \$500 towards Archdeacon Stuck's Hospital (St. Stephen's) at Fort Yukon, this money being the result of a parlor meeting, and clothing was sent in answer to an appeal from Nenana.

Two parlor meetings in the interest of the Churchill Satterlee Memorial House, Columbia, S. C., and a Recital at Carnegie Hall were the means of raising \$2886.02 which was given through this special committee to the work started in his memory.

General Report of the Year's Work.

The Southern Highlanders' Committee is again working for the Helen Dunlop School, to which it sent \$900 in the spring, and for the completion of the endowment of a scholarship in Christ School, Arden, N. C.

There was a large overflow on the colored Pledge of \$1200 for the two schools, St. Paul's, Lawrenceville, Va., and St. Augustine's, Raleigh, N. C. and a generous response to the appeal for the Bishop Greer Memorial Scholarship in the Payne Divinity School.

The Indian Committee has not accomplished much as a committee, but has now been re-organized under a new Chairman.

FOREIGN COMMITTEE.

Although the Foreign Committee has been greatly handicapped during the past year by not having a permanent chairman, yet the sub-committees have continued their faithful labors and the work has been carried on.

For China \$1565 was raised for Bishop Roots' Union Normal School at Wuchang, and \$50 for the Rev. B. L. Ancell at Yang Chow.

The Japan Committee raised \$435 for the support of two Japanese students in Virginia; \$1580 for the Church at Hirosaki and \$1000 for the Rev. Mr. Goto's building fund. Also, through Mrs. Watson, \$100 for a Communion Service for the Rev. Mr. Andrews at Tokyo.

Through the Liberia Committee Miss Conway's Hospital received \$334 in money and \$316.47 for the purchase of drugs. Several scholarships were given and a box was sent to the Brierley School.

The Diocesan Pledge of \$2000 given this year to Brazil for the salary of the Rev. Mr. Morris, Dean of the Theological Seminary, was exceeded by \$140.90, while Bishop Kinsolving's appeal for baptismal bowls was answered most generously.

A Rummage Sale netting \$2500 was held for Bishop Hulse's School for boys at Mariano, Cuba. The Committee also gave \$35 to Haiti.

The Mexican Committee to appeals for the Hospital at Nopala had a response of \$482 and blankets valued at \$380.

The new committee on Panama was not behind the older ones in its gifts. Hearing of the difficulties in transportation in that country the members raised \$750 for a Ford car for the Bishop.

Four of the committees insure the lives of the bishops and others and all gave larger or smaller amounts too numerous to mention in this report, and also were active in holding parlor meetings. In several instances books were sent to the missionaries, which were deeply appreciated and receptions were given at the International Club of the Y.W.C.A. for Chinese and Japanese students.

General Report of the Year's Work.

EDUCATION.

In January, 1920, the educational work was organized under two officers, a Vice-President in charge of Religious Education and an Educational Secretary, and the new officers built upon the excellent foundation which the former Educational Secretary had laid.

The Nation-Wide Campaign gave great impetus to the work. New leaders were found and classes were unusually well attended, using "Neighbors", the text book of the year. Five Normal Classes were held in New York. Forty-eight branches reported taking part in forty study classes.

A literature table at the Diocesan meetings provided the latest leaflets, as well as special devotional and reference books.

Seven organizations of the Church in joint committee held a mass meeting at Synod Hall in the interests of Summer Conferences. The diocese of New York was more largely than ever before represented at the conferences at Princeton, Geneva and Wellesley. The Executive Board offered this year a scholarship at Princeton, and the recipient thereof is now giving her time to courses at St. Faith's School for Deaconesses and work in her own parish. The new year brings us the "General Survey" as our topic for study.

SOCIAL SERVICE.

The Social Service department being a new one in the Woman's Auxiliary, its first annual report must of necessity be of experimental undertakings.

The Vice-President in charge of this work is very much privileged in having been elected a member of the Social Service Commission of the Diocese.

The first effort was to collect from all diocesan organizations and institutions doing social work a list of their needs. Fifteen replied giving definite lists of supplies required and also requests for various kinds of volunteer help. Through our Supply Department the needs may now be placed on allotments. The call for volunteer helpers did not meet with the success for which we had hoped.

A series of "Open Days" at a few of the institutions were arranged for, and invitations given to members of the Auxiliary invited to visit them at these times.

It has been found there are three ways in which we may best help in this work:

General Report of the Year's Work.

- 1st. *Social Service in the Supply Department*: whereby supplies for these dependent ones who are close to us may be included in the allotments to parish branches along with those in the Mission field.
- 2nd. *Social Service in our Educational Department*: where information regarding community problems may be given through Study Classes and illustrated lectures.
- 3rd. *Social Service in our Finance Department*: in realizing the responsibility that our financial support is called for in the whole work of the Church not the missionary work alone.

SUPPLY DEPARTMENT.

This new Department has but little of real work to report as yet, its organization being but just completed. January 1st, 1921, the Department takes possession of its new headquarters at the Diocesan House, 416 Lafayette Street, where an office will be open every day in the week but Saturday, from 10 a.m. to 4 p.m.

Buying on order for various parishes has already begun, and orders for purchasing materials and cutting garments may now be given through the District Supply Secretaries.

The total number of missionary boxes sent from the Diocese and now reported through this Department is 320 at a valuation of \$35,453.30. Details of these and money received for the supply work is given elsewhere in the Green Book.

Each of the five Districts through their Vice-Presidents in charge, show progress and much enthusiasm.

DISTRICT OF DUTCHESS.

The work of this our most northern district is most encouraging in that all branches were at work and that the money gifts exceeded those of 1919 by \$449 and the boxes were valued at \$900 more. The United Thank-Offering alone showed a small decrease.

A most satisfactory class on the "Survey" was held and all branches had accepted the new allotment plan.

DISTRICT OF NEW YORK.

As a direct result of the Nation-Wide Campaign the work in this District has been going forward and growing steadily, twenty-nine of the sixty-eight branches reporting increase in membership.

The annual meetings of the parishes in the Bronx and of the Evening Branches were well attended and enthusiastic, the latter adopting a

General Report of the Year's Work.

resolution that a special gift of money be raised to be divided between the Bishop Greer Memorial Fund for the Payne Divinity School and the work in China.

DISTRICT OF ORANGE.

The usual two All-Day Meetings were held at St. Paul's Church, Newburgh, May 19th, and at the Church of the Holy Cross, Kingston, October 30th, which were well attended. Two normal Study Classes on Americanization led by Mrs. Haff spread considerable interest, and neighborhood meetings were held in three of the Divisions where educational work was stressed, also the Nation-Wide Campaign and a fresh interest aroused in the Supply work.

The Scholarship of \$1000 in Christ School, Arden, N. C., in memory of Mrs. E. C. Rushmore is completed.

DISTRICT OF STATEN ISLAND.

Our smallest district in number of parishes makes a most excellent report of progressive and extensive work. As a practical result of a Study Class on "Neighbors" one parish branch raised \$200 and conducted a Vacation Bible School for five weeks in the Italian district, for which two hundred and twenty-five pupils were enrolled with a daily average attendance of one hundred. This branch also doubled its United Thank-Offering, the result of a personal house to house canvass of its treasurer.

Another parish is supporting at a cost of \$1200 a missionary in the Philippines and is also doing social service work.

DISTRICT OF WESTCHESTER.

The Westchester District aimed first to train the District to an intelligent understanding of and a readjustment to the new methods of Auxiliary work; secondly to bring the branches into a clearer knowledge of its special work for Liberia and the Navajo Indians.

Toward this end Neighborhood Meetings and Officers' Conferences were held throughout the District, and Social Service, Religious Education and Publicity for the Nation-Wide Campaign were added to the usual and long established work. It was to the Neighborhood Workroom at Rye that the first allotment from the Supply Department was given in any diocese.

At the Annual District Meeting held at St. Andrew's, Yonkers, May 20th, Bishop Lloyd announced that a temporary building was being erected at Balmah, the farthest inland station of the Cape Mount section in Africa, with money from the Schuyler Memorial Fund. Later, should this station prove satisfactory, the permanent Schuyler Memorial building will be placed there.

General Report of the Year's Work.

At this same meeting the parish branches represented pledged themselves to re-equip the Hospital of the Good Shepherd, Fort Defiance, Arizona.

Westchester, as well as all the other Districts, has appointed a District Secretary in charge of the Supply Department. The gifts of money for various objects from all Districts and sub-committees are recorded in the Treasurer's report and the tabulated statements.

At the closing of the year 1920, we are again called upon to mourn the death of our Bishop. A Minute showing our love and appreciation for Bishop Burch is printed elsewhere but we would speak here of the deep interest he always took in the work of the Woman's Auxiliary, and his readiness at all times to give counsel and encouragement.

Earlier in the year, in the one month of March, three of our earliest and most devoted workers were called to the Higher Life and we would here record with appreciation and respect the names of Mrs. George Cabot Ward, for many years President of the Niobrara League, Miss Henrietta M. Schwab, Financial Secretary of the Foreign Committee, and Mrs. Vernon Mansfield Davis, Vice-Chairman of the Domestic Committee.

By order of the Executive Board.

MARGARET A. TOMES,
Honorary Vice-President and Editor of the Bulletin.

The United Thank Offering of 1922.

Resolution Adopted in Detroit, October 20, 1919.

RESOLVED: That the United Thank Offering of 1922 be given to the Board of Missions or any organization which has succeeded, or may hereafter succeed to its functions, for women's work in the mission field, including the training, sending and support of women workers and the care of such workers when sick or disabled—provided that one-tenth of the offering be set aside as a permanent trust fund to be invested and administered by the Board of Missions, or any organization which has succeeded or may hereafter succeed to its functions, the income to be applied to the support of retired United Thank Offering workers,—also provided that the sum of not less than \$10,000 be devoted to the erection, completion or renewal of a building or buildings approved by the Board of Missions on the recommendation of the President of the Board of Missions and the Executive Board of the Woman's Auxiliary.

ALSO RESOLVED: That to our united gifts shall be added our united and earnest prayers that God will put it into the hearts of many faithful women to give themselves or of their substance to the work of the Master in the mission field.

All money for the United Thank Offering to be made at the Triennial Meeting of the Woman's Auxiliary in October, 1922, should be sent to the Treasurer for the United Thank Offering, MRS. HOFFMAN MILLER, 156 East 78th Street.

The Junior Auxiliary and The Church School Service League

The past year has been a difficult one in the work of the Junior Auxiliary. Our big problem was to decide what action we, as a Diocese, should take on the adoption of the Church School Service League. This is the plan for work with young people suggested by the General Board of Religious Education. After much discussion and consultation with a committee appointed by the Executive Board of the Woman's Auxiliary, we voted to urge the formation of a Church School Service League in the Diocese. We feel, however, that the Church School Service League does not at present take care of the boy and girl between the ages of seventeen and twenty-five. We recommend, therefore, that some provision be made for them such as is made by the Episcopal Young People's Association of the Diocese of Michigan or the Young People's Fellowship of the Diocese of California. This plan was discussed with Bishop Burch and met with his approval.

The Junior Auxiliary joined with other units of the Church Service League in a rally in the interests of the Church Summer Schools. The Juniors of New York were represented at the Summer Conferences at Princeton, at Geneva, and at Wellesley.

Our Junior Day at the Cathedral, with a Celebration of the Holy Communion, in November was well attended. Mr. John Wood spoke to us on Alaska, and Miss Withers to the Junior leaders and to members of the Church Normal School, on the subject of the Church School Service League. In the meanwhile the children were entertained downstairs by Miss Alice Gregg, one of our missionaries from China.

The Little Helpers report twenty-four units with two new ones just coming in. Letters were sent to all branches explaining the work, and offerings have been received from all but three.

The new plan of work has been presented to the Diocesan Board of Religious Education and they have passed a resolution giving it their approval and recommending it to the authorities of the Church Schools. Many dioceses have adopted the Church School Service League and it is our hope that we may here have every child in the Church working in the five-fold field of service as part of his religious education.

Respectfully submitted,

VIOLETTA JACKSON,
President.
