## Prayers

### CONFESSION.

**O** MOST Merciful Father, we confess before Thee, that we have done little to forward Thy Kingdom in the world, and to advance Thy glory. We would humble ourselves before Thee for our past neglects, and seek for mercy and forgiveness. Pardon our shortcomings. Give us greater zeal for Thy glory. Make us more ready and more diligent, by our prayers, by our alms, and by our examples, to spread abroad the knowledge of Thy truth, and to enlarge the boundaries of Thy Kingdom. May the love of Christ constrain us, and may we do all to Thy glory; through Jesus Christ our Lord and Saviour. *Amen.*

### MISSIONS.

**A**LMIGHTY GOD, who by Thy Son Jesus Christ, didst give commandment to the holy Apostles, that they should go into all the world, and preach the Gospel to every creature; grant to us whom Thou hast called into Thy Church a ready will to obey Thy Word, and fill us with a hearty desire to make Thy way known upon earth, Thy saving health among all nations. Look with compassion upon the heathen that have not known Thee, and on the multitudes in our own land that are scattered abroad as sheep having no shepherd. O Heavenly Father, Lord of the harvest, have respect, we beseech Thee, to our prayers, and send forth laborers into Thy harvest. Fit and prepare them by Thy grace for the work of their ministry; give them the spirit of power, and of love, and of a sound mind; strengthen them to endure hardness; and grant that both by their life and doctrine they may show forth Thy glory, and set forward the salvation of all men; through Jesus Christ our Lord. *Amen.*

### MISSIONARIES.

**O** LORD, who didst come to seek and to save the lost, and to whom all power is given in heaven and in earth, hear, we beseech Thee, the prayers of Thy Church for those who, at Thy command, go forth to preach the Gospel to every creature. Preserve them from all dangers to which they may be exposed; from perils by land and perils by water; from the deadly pestilence; from the violence of the persecutor; from doubt and impatience; from discouragement and discord, and from all the devices of the powers of darkness. And while they plant and water, send thou, O Lord, the increase; gather in the multitude of the heathen, convert in Christian lands such as neglect so great salvation; so that Thy Name may be glorified and Thy Kingdom come, O gracious Saviour of the world; to whom, with the Father and the Holy Ghost, be honor and glory, world without end. *Amen.*

### NOON-DAY.

**B**LESSED SAVIOUR, who at this hour didst hang upon the Cross, stretching forth Thy loving arms, grant that all mankind may look unto Thee and be saved, through Thy mercies and merits, who livest and reignest with the Father and the Holy Ghost ever one God, world without end. *Amen.*

*Collect*

FOR USE IN OPENING A COMMITTEE MEETING.

O GOD, forasmuch as without thee we are not able to please thee; Mercifully grant that thy Holy Spirit may in all things direct and rule our hearts; through Jesus Christ our Lord. *Amen.*

*Prayers.*

WOMAN'S AUXILIARY.

ALMIGHTY GOD, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently and give liberally to make Him known to all nations as their God and Saviour. We ask this for His dear sake. *Amen.*

JUNIOR AUXILIARY.

O GOD, our Heavenly Father, we thank Thee for the gift of Thy dear Son. Grant that we who have received Him in our hearts may joyfully go forth with Him on many errands. Bless those who toil for Thee in far off places; comfort them in their loneliness; and unite our work to theirs. Accept our gifts; receive our prayers; and use us for the sake of Thy Son Jesus Christ, our Lord. *Amen.*

UNITED THANK OFFERING.

O LORD, our Heavenly Father, we pray Thee to send forth more labourers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. *Amen.*

RELIGIOUS EDUCATION.

O GOD, Who hast sent Thy beloved Son to be unto us the Way, the Truth, and the Life, grant that we, looking unto Him may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of the same Thy Son Jesus Christ, Our Lord. *Amen.*

SOCIAL SERVICE.

ENLIGHTEN, O God, this erring, groping world, that ignorance and sin, oppression and injustice, misery and crime, strife and war, and all the deeds of darkness, may at length be vanquished and cease to hide Thee from Thy children's eyes; that earth and heaven may be linked together in every soul, making this life more beautiful, and that Death may be welcomed as Thy heavenly messenger on whose wings we are borne to the completion of our affections and aspirations here in a glorious eternity with Thee. *Amen.*

THANKSGIVING.

ALMIGHTY GOD, whose compassions fail not, and whose loving kindness reacheth unto the world's end; we give Thee humble thanks for all the great things Thou hast done and art doing for the children of men, for the opening of heathen lands to the light of Thy truth, for making paths in the deep waters and highways in the desert, for knitting nation to nation in the bonds of fellowship, and for the planting of Thy Church in all the earth. O merciful Father, in whom the whole family is named, fill full our hearts with grateful love for this Thy goodness, granting us grace henceforth to serve Thee better and more perfectly to know Thee; through Jesus Christ our Lord. *Amen.*

## General Report for the Year 1921.

### A YEAR REplete WITH INTEREST.

In commemorating the date, October 16th, 1871, when the Church authorized her women to organize as a Woman's Auxiliary to the Board of Missions, and that of the Centennial, November 6th, 1821, of the Domestic and Foreign Missionary Society, New York is just about closing her own fifty years of service, for in November, 1872, she became a branch of the Woman's Auxiliary with the organization of the Niobrara League.

### FIFTIETH ANNIVERSARY.

A special Jubilee Service was held at the Cathedral on All Saints' Day, when the Bishop of the Diocese was Celebrant and Bishop Lloyd the preacher. Over six hundred women gathered for this Service and many former officers and charter members occupied seats reserved for them. New York's gift to the Fiftieth Anniversary or "Emery" Fund was offered on this occasion, a Fund the interest of which should be used for study, medical care and recreation of women missionaries home on furlough. One hundred and eighteen parishes contributed \$9,322.03, more than one-tenth of the total amount \$91,500., given by the whole Auxiliary. Another feature of this celebration and of interest is the Anniversary Book which was prepared, bound in white leather with the seal of the Diocese in gilt on the cover and containing beside a brief history of the New York Branch, an account of the "Emery Fund" with photographs of the three Misses Emery, the names of over four hundred former diocesan and parish officers and other, who are still carrying on the work and ten charter members. At the request of the Bishop this Book was delivered into his hands at the steps of the choir and was borne very reverently by him and laid upon the Altar, as a symbol of the service of the women of the Diocese.

### ADVENT MEETING.

The following month, on December 6th, was held the Advent Meeting in the Cathedral and Synod Hall, the Bishop being the preacher in the morning and presiding officer in the afternoon. The two suffragans, Bishop Lloyd and Bishop Shipman, were also present and their words of encouragement and interest were a stimulus for our winter's work. The speakers from the field were Bishop Colmore of Porto Rico, the Rev. Dr. Reifsnider of St. Paul's University, Tokyo, and Deaconess Scott, Principal of St. Hilda's School for girls, Wuchang, China. Never in the history of the New York Branch could we have recorded an Advent Meeting so large and inspiring.

## *General Report of the Year's Work.*

### ANNUAL MEETING.

On January 3rd, 1922, the year's work was closed with the Annual Meeting, when the new Board of Officers was elected. The new President we welcome with enthusiasm, knowing well her interested and energetic work in the past, though deeply regretting the resignation of our former presiding officer. An amendment to the Constitution made provision for two, instead of one, Vice-Presidents-at-Large. The personnel of the other vice-presidents was changed in three instances, those in charge of Domestic Work, and in the Districts of Staten Island and Westchester.

### MONTHLY MEETINGS.

The regular monthly meetings were held as usual the first Tuesday of each month and at the Parish House of Zion and St. Timothy until the summer recess and for their hospitality we owe our grateful thanks to the Rector and Vestry of that parish, who have our deep sympathy in their later loss, of the church buildings by fire. By the Bishop's desire that all Church work in the Diocese should centre about the Cathedral, all meetings since October have been and will be held in Synod Hall.

### DIOCESAN PLEDGES.

The Diocesan Pledges made in January, 1921, have been redeemed and over-subscribed; for Domestic Missions for Colored Work \$1,600. for St. Paul's School in Virginia and St. Augustine's in North Carolina, and \$1,250. for the maintenance of St. Stephen's Hospital at Fort Yukon, Alaska. For the Foreign field \$3,000. to be divided equally between St. Luke's Hospital, Tokyo, and St. Mary's Hall, Shanghai, with an additional \$1,000. for Social Service for the National Council of Church Mission of Help and the Seamen's Church Institute of America.

The Domestic and Foreign Committees report great activity, the parishes in the five districts answering well to the appeals for the Diocesan Pledges, besides maintaining their parish pledges of long standing.

### SUPPLY DEPARTMENT.

The gifts in Missionary Boxes through the Supply Department have during the past year increased in output in every District, nearly all parishes having accepted the new plan with enthusiasm. The Department has during the year filled 163 orders and cut 1124 garments, and the parish branches shipped five hundred and twenty-one personal and institutional boxes at a valuation of \$39,811.76.

## *General Report of the Year's Work.*

### DOMESTIC COMMITTEE.

These, of course, were largely, if not altogether for the Domestic field, but in addition to this and the redemption of Pledges the sub-committees of this branch of the work increased these gifts by raising nearly \$1,000. each for the Islands and the Southern Mountaineers. Alaska also received between \$500. and \$600. in scholarships and the Colored Committee through several drawing room meetings helped the work in South Carolina and Texas, while Panama was the recipient of money sufficient for a Ford automobile. The Indian Committee is still unfortunately unorganized for lack of a chairman but we rejoice in knowing that the mill-owners of Columbia, S. C. are doing so well by their employees that the Churchill Satterlee Memorial House Committee is practically, for the present at least, put out of business.

### FOREIGN COMMITTEE.

The foreign sub-committees were active in holding receptions for the missionaries home on furlough, the Rev. Dr. Pott of St. John's University, Shanghai, and others, where interest was created in some cases resulting in large gifts to St. Luke's Hospital and a microscope for the Leper Colony in Japan. A warm response was made to an appeal for Mexico; the proceeds of a lecture paid for a scholarship in Brazil and an illustrated lecture given by Miss Ridgely secured gifts for her work at Cape Mount, while the Liberian Committee also sent hospital supplies for St. Timothy's Hospital in the same place. The Cuba Committee showed much courage and faith in undertaking to raise one-half the amount needed for establishing a school for boys under Bishop Hulse and are to be congratulated on the prospect of their success. The Bishop considered this school the most important work to be undertaken in his district and outlined his plans at a meeting held at the home of the chairman of the Cuba Committee, in which he told of the great need of such a school in the life of the youth of Cuba.

### SOCIAL SERVICE.

The Social Service Department being no longer an experiment but an established fact as shown in the report of forty-nine parishes contributing \$721.75 to the Seamen's Church Institute of America and fifty-two contributing \$639.00 to the National Council Church Mission of Help, indicated that the \$1,000 pledge was overpaid. Forty-one boxes for all social service purposes, valued at \$2,768.36 and a goodly number of responses to an appeal for personal service under the City Mission

### *General Report of the Year's Work.*

Society are also encouraging. The accomplishment during the past year of the co-operation of this department with that on Education in arranging for a class of leaders in the new text-book "The Social Opportunity of the Churchman" is indeed a step forward and to which we are looking for great results.

#### EDUCATION.

This latter Department, the Educational, has perhaps made greater strides than any other this year, especially is this true of the educational work in the District of Dutchess and Orange, where the plans of the Committee have been adapted to the needs of the outlying parishes, proving the possibility of education even in the smallest and weakest branches. The other three Districts have carried on their work as usual. There were six Normal Classes and twelve Institutes for Training Parish Officers, forty-eight Discussion Classes reaching ninety-five parishes, while one hundred and eleven parishes reported educational work of some kind. Two diocesan scholarships for the Princeton Summer Conference were given by the Executive Board and both delegates who enjoyed the opportunity are now rendering valuable service in the Diocese. The Vice-President in Charge attended the Conferences at Wellesley and Silver Bay and led a Study Class at the former on "The General Survey." She was a member of a Provincial Committee which prepared a co-ordinated educational programme. This was adopted by the Second Province and later by the Presiding Bishop and Council for the entire Church. The Normal Class for the Social Service leaders for the coming year, mentioned above, is an outcome of this plan. The culminating point of last year's work was a class led by Miss Boyer, Assistant Educational Secretary of the Woman's Auxiliary, on Dr. Jefferys' book "How can We Know the Way?"

#### BULLETIN.

The publication of the Bulletin, just closing its seventh year, is continued with an ever increasing circulation, which has now reached an average of eighteen hundred copies monthly, during the working season. The far-reaching influence of this little pamphlet throughout the Diocese can scarcely be estimated and only judged by the great demand.

#### DISTRICT COMMITTEES.

The five Districts report encouragingly, Dutchess of increased contributions to the Diocesan Pledges and its own District Pledge over-subscribed; Orange of an attendance at a District Meeting more than double that of previous years and the establishment of a Lending

Library which is already largely patronized: Staten Island has had a busy and successful year's work, notwithstanding the changes in leadership, sending large and valuable missionary boxes and preparing for Study Classes for this coming Lenten Season. The special effort of the New York District has been to further the interests and co-operation of the Evening Branches, three general meetings having been held with a large attendance with a special Study Class formed at their request. Institutes for Training of Parish Officers were held for both Morning and Evening Branches, as reported by the Educational Vice-President. Westchester has overpaid its Pledges, organized its first school branch at Castle School, Tarrytown, its first Evening branch at St. Andrew's, Yonkers and worked 100% on Christmas boxes. The one hundred and seventy-nine officers, representing thirty-eight parishes, which attended Officers' Institutes should be commended.

#### QUIET DAY.

It remains for us now but to mention the two branches of our work which bring us into a higher realm, the Quiet Day and the United Thank Offering.

The National Committee of the Church Service League had planned to set apart a day early in Advent, 1920, for a Quiet Day, but it seemed wiser in view of our Woman's Auxiliary Advent Meeting to postpone it until the Lenten Season, when it would fill the place of the usual Auxiliary Quiet Day. It was therefore held on Wednesday, March 9th, at Grace Church, New York, for all Churchwomen in the Diocese. It was conducted by the Rev. Ralph B. Pomeroy of the General Theological Seminary and was preceded by an evening Service of Prayer and Penitence on Tuesday, March 8th, to give an opportunity to many unable to attend during the day and as a preparation for the following day for those who could avail themselves of both Services. It was truly a day of rest and inspiration, when we felt we were indeed accepting our Saviour's call to His disciples, "Come ye yourselves apart and rest awhile."

#### UNITED THANK OFFERING.

The United Thank Offering, which is over and above any other we may be called upon to make for Missions, is the opportunity the Auxiliary has given us to pour out our hearts in material form in gratitude for all our blessings and especially for the privilege of being permitted to work with the Christ for the extension of His Kingdom. The amount received to date to be offered next October at the Triennial Service of the Woman's Auxiliary in Portland,

*General Report of the Year's Work.*

Oregon, is \$24,230.84, as against \$19,172.11, the amount on hand at the same period in the last Triennial. There are but nine months before the closing of this Offering of 1922. Shall we double our gift of \$46,222.75 of 1919?

Before closing this report we would mention with gratitude for their services those who have during this year resigned from the Executive Board. Mrs. R. W. B. Elliott, who has been a true leader, carrying us through all discouragements by keeping before us the high ideal of service, which has helped us in every department. Miss Grace Scoville for years successively Vice-President for District of New York, Secretary and Vice-President-at-Large, felt her term of service sufficiently long to call for her retirement. Mrs. George Zabriskie, one time Vice-President in Charge of Foreign Work and then Treasurer of the United Thank Offering, whose family duties were of paramount importance; the Vice-President in Charge of Domestic Work, Mrs. Arthur R. Gray, Miss Juliet P. Nourse, Assistant Secretary and the Staten Island District Vice-President, Mrs. Henry F. Clark, all these leave us much to emulate in their example of faithfulness and zeal.

By order of the Executive Board.

MARGARET A. TOMES,

*Honorary Vice-President and Editor of the Bulletin.*

## United Thank Offering of 1922.

*Resolution Adopted in Detroit, October 20, 1919.*

RESOLVED: That the United Thank Offering of 1922 be given to the Board of Missions or any organization which has succeeded, or may hereafter succeed to its functions, for women's work in the mission field, including the training, sending and support of women workers and the care of such workers when sick or disabled—provided that one-tenth of the offering be set aside as a permanent trust fund to be invested and administered by the Board of Missions, or any organization which has succeeded or may hereafter succeed to its functions, the income to be applied to the support of retired United Thank Offering workers,—also provided that the sum of not less than \$10,000 be devoted to the erection, completion or renewal of a building or buildings approved by the Board of Missions on the recommendation of the President of the Board of Missions and the Executive Board of the Woman's Auxiliary.

ALSO RESOLVED: That to our united gifts shall be added our united and earnest prayers that God will put it into the hearts of many faithful women to give themselves or of their substance to the work of the Master in the mission field.

All money for the United Thank Offering to be made at the Triennial Meeting of the Woman's Auxiliary in September, 1922, should be sent to the Treasurer for the United Thank Offering MRS. HOFFMAN MILLER, 156 East 78th Street before August 25th.

## Junior Auxiliary and Church School Service League.

### REPORT FOR 1921.

Although we have not been able to put into effect completely, the new plan of work called the Church School Service League, yet the Junior Auxiliary branches are active and the outlook is brighter than it was at this time last year.

We have raised \$3,103. thus more than completing our pledge. which is \$3,000 for St. Mary's School, Shanghai. This big increase (\$1,698) over the amount raised last year is largely due to the devotion and efficiency of our treasurer Miss Cozzens, but is also an indication of increased interest among the branches. Several new branches of the Junior Auxiliary and some of the C.S.S.L. have been formed. On the other hand some once active ones have lapsed from lack of leadership. There is a splendid branch at Tuxedo, and Mrs. Leigh, Vice-President of that district has done much to bring the work to the notice of the clergy in it.

Five members of the Junior Board attended Summer Conferences, Miss McJilton as an instructor. The President and Vice-President represented the Diocese of New York at an informal conference at the Provincial Synod at Garden City.

In an effort to reach the country districts, we held a neighborhood meeting at the Church of the Messiah, Rhinebeck. This was well attended. Five Clergy were present. The children of the C.S.S.L. at Rhinebeck showed by a little play how the C.S.S.L. was working there, and then there was a general discussion of the plan with Deaconess West.

In November there were nearly three hundred children present at our Annual Cathedral Meeting. The Bishop was the speaker and the Dean, the celebrant. We invited the Candidates of the G.F.S. to this Service. One branch responded and we hope more will do so next year.

Our efforts to form a diocesan organization of the C.S.S.L. under the Diocesan Board of Religious Education have not so far been successful. The president of the Junior Auxiliary presented the plan of the C.S.S.L. to the Board at their request and a member of the Board, the Rev. Wm. H. Owen, was appointed to inquire into the plan further and confer with the heads of other diocesan organizations working with young people. This has been done but no definite action toward the formation of the League has been taken. This prevents very much forward action. It is possible however, for each branch of the Junior Auxiliary to work in the five fields of service at some time each year and so conform as far as possible to the plan of the Church School Service League.

The keen and practical interest which the Bishop has taken in our work has been the greatest possible help, and we are most grateful to him.

VIOLETTA JACKSON,
