Prayers.

CONFESsION.

O MOST Merciful Father, we confess before Thee, that we have done little to forward Thy Kingdom in the world, and to advance Thy glory. We would humble ourselves before Thee for our past neglects, and seek for mercy and forgiveness. Pardon our shortcomings. Give us greater zeal for Thy glory. Make us more ready and more diligent, by our prayers, by our alms, and by our examples, to spread abroad the knowledge of Thy truth, and to enlarge the boundaries of Thy Kingdom. May the love of Christ constrain us, and may we do all to Thy glory; through Jesus Christ our Lord and Saviour. *Amen.*

MISSIONS.

ALMIGHTY GOD, who by Thy Son Jesus Christ, didst give commandment to the holy Apostles, that they should go into all the world, and preach the Gospel to every creature; grant to us whom Thou hast called into Thy Church a ready will to obey Thy Word, and fill us with a hearty desire to make Thy way known upon earth, Thy saving health among all nations. Look with compassion upon the heathen that have not known Thee, and on the multitudes in our own land that are scattered abroad as sheep having no shepherd. O Heavenly Father, Lord of the harvest, have respect, we beseech Thee, to our prayers, and send forth laborers into Thy harvest. Fit and prepare them by Thy grace for the work of their ministry; give them the spirit of power, and of love, and of a sound mind; strengthen them to endure hardness; and grant that both by their life and doctrine they may show forth Thy glory, and set forward the salvation of all men; through Jesus Christ our Lord. *Amen.*

MISSIONARIES.

O LORD, who didst come to seek and to save the lost, and to whom all power is given in heaven and in earth, hear, we beseech Thee, the prayers of Thy Church for those who, at Thy command, go forth to preach the Gospel to every creature. Preserve them from all dangers to which they may be exposed; from perils by land and perils by water; from the deadly pestilence; from the violence of the persecutor; from doubt and impatience; from discouragement and discord, and from all the devices of the powers of darkness. And while they plant and water, send thou, O Lord, the increase; gather in the multitude of the heathen, convert in Christian lands such as neglect so great salvation; so that Thy Name may be glorified and Thy Kingdom come, O gracious Saviour of the world; to whom, with the Father and the Holy Ghost, be honor and glory, world without end. *Amen.*

NOON-DAY.

BLESSED SAVIOUR, who at this hour didst hang upon the Cross, stretching forth Thy loving arms, grant that all mankind may look unto Thee and be saved, through Thy mercies and merits, who livest and reignest with the Father and the Holy Ghost ever one God, world without end. *Amen.*

File this with your Green Book and Bulletins.

Epiphany 1924

OUR POLICY FOR 1924 IS

QUIET DAY

Each branch sending a delegation to the Quiet Day, Thursday, February 28th, at St. James' Chapel of the Cathedral, from 10:30 A. M. to 3 P. M., conducted by the Very Rev. Howard Chandler Robbins, D.D.

MEETINGS*

Increased use of our meetings, Diocesan, District, Parish, as a spiritual opportunity.

Each branch is asked to consider the subject "The Individual's Duty to the Whole Work of the Whole Church" and to plan such a meeting for this purpose as will bring together the largest number.

For instance: { A luncheon? An evening meeting?
A tea? An illustrated talk?

A Quiet Hour for Prayer in this behalf is suggested.

SPEAKERS' COMMITTEE:

For speakers for these meetings, apply to the Chairman of the Speakers' Committee, Miss Florence M. Sill, 320 West 83 Street N. Y. C., who will also supply speakers on various subjects for parish meetings. Application must be made well in advance. Miss Sill invites any who are willing to speak to join her Committee by sending in name and address to her.

EDUCATIONAL WORK

Increased use of EDUCATIONAL WORK IN EACH BRANCH as an opportunity for winning (1) new members, (2) volunteers for the field.

SUPPLY WORK

EVERY BRANCH TAKING PART IN THE SUPPLY WORK and making it an opportunity to learn more and care more about the Field.

PLEDGE

1. EVERY BRANCH GIVING MONTHLY (or in advance) TO BUDGET.

Please inform your Rector what your branch sends monthly so that he will know what must be raised from other sources each month, to insure the remittance month by month of one-twelfth of the parish's total Budget for the year. The Campaign Treasurer of the Church (who receives the weekly gifts for work outside the parish), by making *monthly remittances*, will solve the problem of meeting the Diocesan Budget and save the large sums which deferred payments now cost in interest.

2. EVERY BRANCH GIVING THIS YEAR IN MAY TO THE SOCIAL SERVICE PLEDGE.

3. CONSIDERATION OF A PRIORITY POLICY.

Suggestions:

- a. The Priority Plan outlined below.
- b. A Priority as summer work.
- c. Selection of one Priority for the year's effort.

Consult the Secretary, Mrs. Haff about choosing a Priority.

When sending gifts for Priorities to the Treasurer, Mrs. Ewing, state both the *number* and *name* of the Priority.

4. WOMAN'S AUXILIARY SPECIAL, BISHOP TUTTLE MEMORIAL, CHURCH HOUSES FOR WOMEN WORKERS.

*Each branch to make this the subject of a meeting.

Every member to be informed as to the need of the best training for our workers.

Every member to be informed as to the need of finding the best women to train.

Gifts for this fund to be sent to Mrs. R. W. B. Elliott, 119 East 35th Street, N. Y. C.

UNITED
THANK
OFFERING

EVERY WOMAN IN THE DIOCESE UNITING IN THE U. T. O. as testimony to her sense of blessing in her Christian faith and of fellowship with all mankind.

THE PROGRAM of the National Council to which we are Auxiliary consists of
THE BUDGET
THE PRIORITIES

By

THE BUDGET

we mean the sums necessary to maintain the National Council's existing work.

It counts on Parish Quota and on the Woman's Auxiliary Pledge. The Woman's Auxiliary of this Diocese voted at its January meeting as its 1924 Pledge to continue sending \$2,000. monthly (\$24,000 for the year) for the Budget and that each Branch be informed of its proportionate monthly share. This helps our Diocese meet its obligation to the National Council, and since each branch however small has a part in it, the Auxiliary is united in helping our missionaries in all the fields preach the gospel, teach the ignorant, and heal the sick, as well as in the National Council's work for Social Service and Religious Education.

All moneys received by our Treasurer, not otherwise designated, will be used for the Budget.

THE PRIORITIES are sums asked for objects which represent the forward work of the Church.

Our Auxiliary has voted \$24, 000. as our 1924 Priority Pledge and that this pledge be adopted upon the understanding that if any Priority for which money has been given is completed already, the money raised for such Priority shall be used for the next Priority chosen by this Auxiliary.

Sub-Committees of the Domestic and Foreign Committees are working for Priorities.

The recommendation of our Executive Board, adopted by the Auxiliary on January 8, 1924, provides that where a *Priority Plan* is desired, various parts of the field be considered at certain times during the year, as follows:

Epiphany: Bishop Carson, Haiti [No. 242 B]

Building Fund for St. Augustine's, Raleigh, (this must be completed before April 1st in order to secure the fund offered by the General Education Board.) [No. 453]

Lent: Porto Rico Church at Ponce [No. 189]
St. Agnes' School, Kyoto, Japan [No. 455]

Eastertide: A Domestic Priority
Liberia

Trinity: An Indian Priority [No. 107]

Advent: China (this is the subject recommended for study for the winter 1924-25.) [No. 391]

The

SOCIAL SERVICE PLEDGE is \$2,000. for Americanization work at Ellis Island.

This is Diocesan Priority No. 3. The Auxiliary voted that each branch of the Woman's Auxiliary be informed as to the proportionate amount, which if all give, will make up the \$2,000. for the Social Service Pledge.

As stated above our Auxiliary has voted as its
PLEDGE IN 1924

For Budget, \$2,000. per month	\$24,000.
For Priorities	24,000.
For Social Service	<u>2,000.</u> \$50,000.

For the Woman's Auxiliary Special, Bishop Tuttle Memorial Church Houses for Women Workers.

GIFTS FROM INDIVIDUALS (not appropriations from the branch's treasury). One of the Church Houses is to be a Training School for Colored Women in the South. The other a residence near Headquarters (Church Missions House) where missionaries on furlough and volunteers may reside under the Church's influence during a continuance of their training (Post Graduate.) Send gifts for this Special to
Mrs. R. W. B. Elliott, 119 E. 35th St., New York City.

Other Specials must be sent to Mrs. Ewing with careful attention to the following rules.

1. A remittance for a *Special* must not be included in a check or draft for other objects.

It must be sent separately; accompanied by a letter stating it is a **SPECIAL**; and giving the object in full.

2. The sender must realize that: A *Special* is *not* Budget. A *Special* is *not* a Priority. A *Special* does *not* count on the Parish Quota. Nor does a *Special* help the National Council to meet its obligations.

Collect

FOR USE IN OPENING A COMMITTEE MEETING.

O GOD, forasmuch as without thee we are not able to please thee; Mercifully grant that thy Holy Spirit may in all things direct and rule our hearts; through Jesus Christ our Lord. Amen.

Prayers.

WOMAN'S AUXILIARY.

A LMIGHTY GOD, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently and give liberally to make Him known to all nations as their God and Saviour. We ask this for His dear sake. *Amen.*

JUNIOR AUXILIARY.

O GOD, our Heavenly Father, we thank Thee for the gift of Thy dear Son. Grant that we who have received Him in our hearts may joyfully go forth with Him on many errands. Bless those who toil for Thee in far off places; comfort them in their loneliness; and unite our work to theirs. Accept our gifts; receive our prayers; and use us for the sake of Thy Son Jesus Christ, our Lord. *Amen.*

UNITED THANK OFFERING.

O LORD, our Heavenly Father, we pray Thee to send forth more labourers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. *Amen.*

RELIGIOUS EDUCATION.

O GOD, Who hast sent Thy beloved Son to be unto us the Way, the Truth, and the Life, grant that we, looking unto Him may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of the same Thy Son Jesus Christ, Our Lord. *Amen.*

SOCIAL SERVICE.

GUIDE us, O Christ, in all the perplexities of our modern social life, and in Thine own good time, bring us together in love and unity, making the kingdoms of this world Thy kingdom as Thou willest, who now dost live and reign in the heavenly Jerusalem, the Light and Joy of the citizens of that holy City. *Amen.*

THANKSGIVING.

A LMIGHTY GOD, whose compassions fail not, and whose loving kindness reacheth unto the world's end; we give Thee humble thanks for all the great things Thou hast done and art doing for the children of men, for the opening of heathen lands to the light of Thy truth, for making paths in the deep waters and highways in the desert, for knitting nation to nation in the bonds of fellowship, and for the planting of Thy Church in all the earth. O merciful Father, in whom the whole family is named, fill full our hearts with grateful love for this Thy goodness, granting us grace henceforth to serve Thee better and more perfectly to know Thee; through Jesus Christ our Lord. *Amen.*

Annual Reports 1922-1923.

PRESIDENT'S REPORT

The term of office just closing (extended this year to sixteen months by the change of the annual meeting from January to May) has been marked by the successful completion of our 1922 pledge of \$50,000 counting on the N. W. C. quota, and by the reshaping of our 1923 pledge in accordance with the adoption of the Program by the General Convention at Portland.

At the Woman's Auxiliary Triennial in Portland, this Diocese was represented by its full five delegates—Mrs. Macon, Mrs. Miller, Miss Murchison, Miss Waring, and your President—while five faithful alternates who represented the Educational Committee and the Supply Department, as well as the general membership of the Auxiliary, made it possible for our full five votes to be cast at every business session.

In January, 1923, we adopted the Program of the Council to which we are Auxiliary by pledging \$2,000 per month (\$24,000 per annum) toward the General Budget, and also undertaking \$24,000 toward priorities, with a Social Service pledge for Americanization within the Diocese of \$2,000 Diocesan Priorities.

The reports which follow give the work accomplished and show the zeal with which all the Districts have cooperated in the monthly Budget pledge, not a single branch having refused to take part and eleven conferences between Diocesan and Parish officers having discussed the plan.

The New York Auxiliary rejoices in having had a part in the closer drawing together of the Auxiliary of the Second Province to consider the possibility of reaching the Church's college and Normal School girls in the Province and to help Porto Rico by bringing one of her devoted young women teachers to the summer school at Columbia, and also in working for Priority No. 52, the Building Fund of Hooker School, Mexico City. Miss Gertrude Geer, President of the Barnard Class of 1919, represents this Auxiliary on the Provincial Committee.

Our Advent Meeting exceeded all past years in attendance and enthusiasm. Bishop Manning was the Celebrant, Bishop Shipman our preacher, the speakers at the afternoon session Bishop Roots of Hankow, Bishop Tucker of Kyoto, the Rev. W. A. Thompson of Pt. Hope, Alaska, and Mr. Franklin, Vice-President of the National Council.

The Quiet Day in Lent 1922 was conducted by Bishop Lloyd, and that in Lent 1923 by Dr. Wm. H. Milton, both at the Church of the Resurrection, and to both speakers we are deeply indebted.

President's Annual Report.

Important action taken by the Woman's Auxiliary at Portland was the adoption of a Special for two Church houses for women workers training for Church work. The first is for colored women, the second is to be in New York where volunteers and missionaries on furlough can live in touch with the Church Missions House while they receive specialized post-graduate training. This fund is to be raised during the three years, as the Emery Fund was raised during the last triennium. The organization is to be Provincial, Diocesan and Parish representatives. It is a great joy to us that our beloved ex-President, Mrs. R. W. B. Elliott, has consented to act as our Diocesan representative. She asks each parish to name a representative. The object of the Special is twofold: To emphasize the need of the best trained workers; to bring such training within the reach of our women by supplying a place for them to live while receiving it.

The resignation of our Vice-President in charge of Supply Work, Miss Dorothy King, on account of the death of Mr. George Gordon King, was a cause of deep regret. We are grateful that Miss Isabel Peters has taken up the work with devotion and consecration.

The resignation of our Secretary, Mrs. Bangs, is a cause of distress to us all. Her faithfulness has brought a sense of benignity which will always be affectionately remembered. Nomination to succeed her has been accepted by Mrs. Haff, our Educational Vice-President.

The Educational Report, which you have heard, in some slight measure testifies to the valiant work which this devoted officer has performed. What she has wrought has been the foundation on which the whole work in the Auxiliary has progressed, and in closing my report I would bear personal witness to her really toilsome labors, and to the abnegation with which her talents and training have been put always joyfully at the service of the Auxiliary.

ETHEL M. CHENEY THORNE,
President.

DOMESTIC COMMITTEE.

During the period, January 1922 to May 1923, the Domestic Committee has held eleven regular meetings at which interesting addresses were made. The Committee in charge of Colored Work reports having held two parlor meetings, one for Archdeacon Baskerville, at which \$643.75 was given, and the other, for Mrs. Hunt, of the Fort Valley School, Georgia, at which \$511.45 was given. In addition, through the interest and industry of the Chairman, Miss Bowden's School at San Antonio, Texas, has received \$2250.00—\$2000.00 being the generous gift of one person.

The Panama Committee reports a parlor meeting, at which Bishop Morris told of his need for the furnishings of the chancel of St. Luke's Cathedral at Ancon. An enthusiastic and ready response brought gifts amounting to \$2061.35. The Islands Committee reports an organization of eighty-one members, Active, Associate and Contributing. A delightful luncheon was held at the Church League Club, when interesting addresses were made by Mrs. G. F. Mosher and Mrs. John A. Stanton, Jr. The widespread activities of this committee are evident from the splendid report of the Treasurer.

The Indian Committee has sent over \$300.00 for work among the Oneida Indians and contributed for a Ford car; also helped to complete the pledge for the Mary E. Hart Memorial Fund at the San Juan Mission, New Mexico. \$275.00 was raised at a Parlor Meeting, at which Miss Deloria, Miss Debb and a Sister of the Holy Nativity were the speakers.

Annual Reports.

The Alaska Committee reports that the cause of Alaskan Missions has been much helped this year by the presence in the east of several noted workers. The Rev. Dr. & Mrs. John W. Chapman from Anvik, the Rev. W. A. Thomas from Point Hope, Dr. & Mrs. Grafton Burke from Fort Yukon and Miss Edith Harper. Numerous meetings have been addressed by these experienced missionaries and it is hoped that as a result of their messages not only the Priorities, as scheduled, will be met, but Specials as well. Bishop Rowe has asked that an effort be made to increase the subscription list of the "Alaskan Churchman," as otherwise it must suspend publication. To avoid this, the present chairman has been asked to represent it in this Diocese.

The six Sub-Committees of the Domestic Committee are organized, each under the leadership of a chairman and all are active in furthering the work for their several fields.

Vice-President in charge of Domestic Work.

FOREIGN COMMITTEE

The opening of this decade has shown a surprising progress in the Foreign Field. Never has it been so well manned; never have so many women workers lived the real Christ-life; never, in contrast to this, has there been such a need of ordained clergy and medical men. Let the cry go out that the urgent want be met!

The last year was the largest in baptisms and confirmations in both China and Japan. Our Sub-Committees for these countries, Miss Florence S. Sullivan, Chairman for China and Mrs. Richard T. Stevens Chairman for Japan have worked hard and accomplished much. Various building funds have been helped, and we rejoice that construction in Shanghai, Wuchang, Nanking, and Nanchang, has been going on satisfactorily. St. Hilda's School Chapel being completed, St. Mary's, Shanghai, will soon receive God's blessing on its new Chapel, for which this Diocese has raised a fifth of the needed amount. Miss Sullivan held, at her home, a most successful meeting to hear Bishop Roots. The Japan Sub-Committee worked for St. Luke's, Tokyo, with all its energies, also contributed largely to the Bazaar in Tokyo, for the Nurses' Home. Great progress in Christian Education has taken place in Japan through the work of the Woman's Auxiliary—St. Paul's in Tokyo having been granted University service. A meeting in the interest of Miss Cornwall-Leigh's Work for Lepers gave a goodly sum for her marvellous and self-sacrificing work.

Our Liberia Sub-Committee, under the able leadership of Mrs. R. Douglas Muir, held a very successful meeting at the residence of Mrs. George Zabriskie, early in April. They report Bishop Owers is much encouraged with the year's progress, and ably assisted by the Suffragan Bishop. The Sarah Conway Ramsaur Memorial, addition to St. Timothy's, is not yet built. The good progress of the Industrial School at Cape Mount is reported in the new "Liberia Churchman" published there by the Douglas Muir Memorial Press.

Bishop Aves, on account of ill health, has presented his resignation in Mexico. Mrs. W. R. Sheffield has worked hard for the Hooker School. We hear three teachers have gone there.

Mrs. Joseph Blanchard has been helping to collect money for Bishop Kinsolving's printing press. The Theological School under Dr. Morris is successfully training ten or twelve fine young Brazilians. Those of us who met Mr. Thomas in October realize what his personality has done for the work of the Southern Cross School which has made such splendid progress.

Annual Reports.

The Cuba and Haiti Sub-Committee has been divided. Mrs. Hall P. McCullough taking the work for Haiti and Mrs. W. G. Crawford that for Cuba. Bishop Carson has been warmly received by both Americans and Haitians, also by the Naval Government Officials. He is asking for modern typewriters for his work in preparing lectures. We consider the Haiti Committee our new baby, and hope by another year it will be big and strong. We welcome the young girls who are taking charge of this new work.

BETH KERLEY,
Vice-President in charge of Foreign Work.

Annual Reports.

EDUCATION DEPARTMENT.

This report covers a period of two years. The Educational Committee has met regularly twice each year to report past efforts and plan for the future. Its organization is complete with an educational secretary in each district who takes charge of the local work which has grown accordingly in the most encouraging manner. Members of the committee have devoted part of each summer to writing short essays on the various fields, which essays have been widely used in the more rural parts of the Diocese. Not the least of the labor has been the typing of many copies of these essays, which has been done by volunteers and which we gratefully acknowledge.

The Literature Table has been maintained at each regular meeting. On it has been placed a supply of the latest leaflets and books.

The Executive Board has given each year, a scholarship for the Church Conferences, and two teas for Church Conference members have been held in conjunction with the Girls' Friendly Society. The Vice-President led a Mission Study Class at the Wellesley Conference in 1921 and another at Geneva in 1922.

The chief work of the Committee has been the regular normal and parish discussion classes. Starting in September with the outlying districts and lasting until after Lent they constitute its main endeavor. In 1921-1922, the Social Service Department worked with us, and we can report 70 classes, using "The Survey," "How Can We Know the Way," and "The Social Opportunity of the Churchman." In 1922-1923, we had the opportunity of presenting one of the foremost problems of the day—the race question, as exemplified by the Negro of the United States. We can report to date, 79 classes, the largest number the Diocese has ever had. This number is due to the devotion of the leaders and the members of the Committee, especially Miss Eveleyne Prophet, who herself has led this year 22 successful classes.

The work of the season closed with a meeting where Dr. Patton of the American Church Institute for Negroes was the speaker, and with the Corporate Communion for all class members on April 15th.

I would not like to close this my last report as your Vice-President without a word of appreciation of the letters answered, the books sent, the classes formed by the presidents of the parish branches of the Diocese of New York. Their real co-operation in the educational work has been a source of inspiration and an untold help. I am happy to have this to hand on to my successor as one great asset in her work.

MARELLA W. HAFF,
Vice-President in charge of Education.

Annual Reports.

SOCIAL SERVICE DEPARTMENT

In a short report, to tell just what the Auxiliary in the Diocese of New York is doing in the field of Social Service and to put the emphasis in exactly the right place is difficult, since the actual work accomplished must be reported in the departments dealing with finance, education and supplies. However, the making of garments, the giving of money and the attendance at Study Classes is not the final goal of any group really interested in Christian Social Service.

We have been counselled from headquarters that in dioceses such as this it is not the responsibility of the Auxiliary to start social undertakings but that we should work through the Diocesan Commission and that we should co-operate with other organizations already active in this branch of work. The intention of this report is to show how we in the Diocese of New York have been endeavoring to follow this counsel.

The well established Social Service Commission of the Diocese of New York, includes in its membership the Vice-President in charge of Social Service in the Woman's Auxiliary. Through this connection a very definite relationship is being built up between the Woman's Auxiliary and the official body entrusted with the development of a programme for social work in the Diocese. The educational side of our work was closely allied with the Commission by means of classes studying the "Social Opportunity of the Churchman" in the winter and spring of 1922. Another proof of our co-operation with diocesan plans is our pledge for the support of Houston Community House. During 1922, the splendid sum of \$1,400 was raised to help in establishing a community work for the foreign population in one of the most congested districts of this city. Interest in the project was fostered by means of a successful tea held at Houston House in April 1922 when addresses were given and the building was thrown open to visitors who represented a large number of parishes.

That we have planned our work on a basis of co-operation with other organizations is demonstrated in our department of supply work, our financial work and our educational work. The large number of garments sent to the City Mission Society, the Seamen's Church Institute and other Diocesan agencies is proof of much interest and devotion. Our other financial pledge for the work at Ellis Island, under the City Mission Society ties us up with the senior social organization of the diocese and we may feel it a great privilege that we furnish the means to supply a worker particularly charged with welcoming strangers on

Annual Reports.

their arrival at this port of entry and aiding them in establishing a Church connection in their new homes.

Resolutions adopted at the Triennial meeting last autumn pledged anew the efforts of the Auxiliary in prayer and service toward maintaining a high Christian standard in our homes and in society and urged that our support should be given to such practical movements as Adequate Care for Disabled Veterans, Proper Laws for Women and Children, Prison Reform and Christian International Relations. It is impossible to report the exact ways in which we have followed the general direction of these resolutions but both parish and diocesan meetings have been opened to speakers who have told us of the efforts of Church and secular agencies in building up the Kingdom.

The actual accomplishments enumerated in this department seem very small but its existence in the Auxiliary is we believe helping us to a deeper realization of the great task of the Church to set men everywhere in right relationship with God and with each other.

CLARA H. CAPP,
Vice-President in charge of Social Service.

Annual Reports.

THE SUPPLY DEPARTMENT.

To start with figures seems dry but though inadequate they do partially depict the work accomplished. The changing of the fiscal year causing the report to cover fifteen months, has made impossible any comparison with the totals of previous years, therefore in order to make a comparison the following figures have been compiled for the twelve month period, from January to January. The valuation for Personal, Institutional, and Social Service Box Work for 1921 was \$37,356.94, for 1922 it was \$38,871.68, a net increase of \$1,514.74. This increase does not denote a uniform gain in all the districts; for in the districts of New York and Dutchess there is a loss of \$2,405.85, whereas the districts of Westchester, Orange, and Staten Island show a fine increase of \$3,920.59. In giving statistics it must be remembered that though they indicate the work being done from year to year they have to be read with the understanding that early or late reporting of figures materially changes the annual total, though it affects the work but slightly.

Outside of this there is the good work done by 67 branches of the Girls Friendly Society.

From these figures let us turn to the ultimate end of our work, the field, to see where our help went. Of the Personal Boxes there were 98 recipients; of the Mission Boxes 42, of which 8 were schools and 9 hospitals. Outside our own country and possessions these Boxes went to Mexico, China, Japan, Liberia, and San Domingo.

In contrast to these distant areas we have our own Diocesan Institutions, for which from January 1922 to April 1923 Social Service work valued at \$5063.27, was accomplished.

The Supply Department workroom was open from the middle of November to April. It is I feel, gradually establishing its usefulness in the Diocese. This winter 1,847 garments, in addition to 31 layettes, were cut.

In reviewing the work it seems of a very materialistic character. But we all know that it is only through knowledge, sympathy and imagination that we can make suitable garments to send to people we have never seen and places we have never visited.

ISABEL PETERS,
Vice-President in charge of Supply Work.

District Reports.

DUTCHESS.

During the sixteen months, January 1922 to May 1923, all the branches of the Auxiliary in Dutchess have been active. There have been readjustments—some branches having combined and others having separated but the number, nineteen, has curiously remained the same. To the country branches Auxiliary work has meant Supply-work or boxes. They have given to the United Thank Offering and to Specials, and our own small District pledge has always been met, but little obligation was felt in regard to the Diocesan pledges. During the last two years, however, a direct result of Mrs. Haff's "intensive days" has been, not only an increase in the number of study classes, but an increase in the money gifts and a willingness to give in the direction indicated by the Executive Board. The response to the pledge for Budget has been especially gratifying, and owing to Miss Moore's untiring efforts to explain the plan of the Supply Department, by visiting personally nearly all the branches our entire allotment was placed.

The annual meeting and corporate communion was held last year in Christ Church, Poughkeepsie, Bishop Lloyd being the preacher and Deaconess Scott of China the principal speaker in the afternoon. The attendance was very large, in spite of thunder storms in the morning, and the ladies of Christ Church gave a wonderful luncheon.

Details of the work done during the year appear in the reports of Mrs. Ewing, Miss Peters and Mrs. Haff, and represent much of devotion and difficulties overcome.

MARGARET M. REESE.
Vice-President for Dutchess.

District Reports.

NEW YORK.

The report of the Vice-President of the District of New York should fairly glow with enthusiasm!

The branches of both Manhattan and the Bronx have been most responsive to the various calls to meetings and conferences and the large gatherings of the Evening Branches testify to increasing interest in the meetings and the necessity for strong leadership and continued effort to form new branches.

The many opportunities given to the members of the Executive Board to address Parish Branches and the large attendance at four Officer's Conferences have brought us together in a more informal way, creating a feeling of mutual interest in our common problems. May I bespeak a continued interest in these opportunities which our generous President is constantly putting in your way and again assure you of the willingness of the Executive Board to help as much as possible.

GRACE M. LANE.

Vice-President for New York.

District Reports.

ORANGE.

In the sixteenth months since January 1922, Orange has held, (beside the neighborhood study-classes at various centres) nine meetings for the District or specified sections of it. The all-day Annual Meeting was held at the Church of the Good Shepherd, Newburgh, in May 1922. The attendance was one of the largest on record. Bishop Hulse was the speaker and Bishop Shipman made a short impromptu address.

The Quiet Day in October was most devoutly conducted by the Rev. MacVeigh Garrison of the Order of the Holy Cross, at St. John's Church, Kingston. It gave to those, inexperienced in that form of devotion, the desire to participate in the privilege again. Division Neighborhood-Meetings were held at the Church of the Good Shepherd, in Newburgh; at St. James Church, Goshen; Christ Church, Suffern; and the Church of the Holy Communion at Liberty. The last was in connection with an intensive day for Mission Study. Three Officers Conferences were held at St. George's Church, Newburgh, at the Church of the Holy Cross, Kingston, and at Grace Church, Middletown.

In the Supply work, the Educational work, and in the introduction of the new Budget plan the branches have responded not only willingly, but with eagerness. Twenty-six were interviewed concerning the Budget and twenty-three promptly made a favorable response; three are still to be heard from. Six, rather difficult to reach, will be visited later. The branches in several cases have given more than was asked of them, and a disposition to measure up and press forward has been shown throughout. The Educational Leaders have been welcomed and appreciated wherever study-classes have been held. In the Supply Department various branches have gone far beyond their usual measure of work, and through the inspiriting influence of the Supply Officer, our unusually large allotment for the institutional work is filled and completed, besides a goodly share of other work.

At the Annual Meeting, a year ago, a motion was passed to form Affiliated Groups from unattached Missions and small parishes willing to take part in the Auxiliary work. Four branches have been organized during the last sixteen months, and one branch, which had suspended work, has re-organized and is now working vigorously. We have at present thirty-two branches and seven groups.

LEILA R. RAMSDELL.
Vice-President for Orange.

District Reports.

STATEN ISLAND

During the winter of 1922 there were formed three (3) Parish Branches and one Evening branch (formerly a Junior Branch). All parishes took an active part in educational and supply work and we added many new members to the existing branches.

There is now a branch in every parish but one and an Italian Mission.

An active campaign was carried on to inform all members of the mission work of the Church through subscriptions to THE SPIRIT OF MISSIONS and by speakers from the field at the seven District and many Parish Meetings and at our corporate communion service.

We filled many personal and Christmas boxes and had trees and gifts at local hospitals and at the City Farm Colony, sent boxes to the Church Mission of Help, Hope Farm, and the Seamen's Church Institute.

The District has worked together on two large Institutional boxes for Beaufort, N. C., and St. Mary's, Sagada, Philippines.

May 24 our Annual Meeting was held. Mrs. Mosher spoke, the talk being illustrated by lantern slides of the Sagada Mission, for which we have been working this year.

Study Classes have been held in several parishes each Lent. In other branches we have supplied speakers and books.

The Evening Branch sends members to Silver Bay and the work of these young women leads us to hope we may have such a branch in each parish this year and so get in touch with the younger women who are so important if we are to continue a strong organization.

We find sewing is most necessary in our district, we follow up this sewing with educational study of the work in that field for which the sewing is done.

We filled our pledge last year, have promised again and will increase the sum. We are working for Budget with one Special last year and one Priority this year. (198. Archdeacon Russell's Girl's Dormitory, Lawrenceville, Va.).

The meetings have been well attended in spite of the very severe weather; the spirit of helpfulness is shown everywhere. I am greatly encouraged by the work of this district.

FAITH MORTON.
Vice-President for Staten Island.

District Reports.

WESTCHESTER.

We have made every effort in our Westchester District to create a sense, larger than ever before, of the part we must take in our Church's growth; to express and make articulate that part, by giving to the Quota in new figures, by adding new groups of workers to our Supply Department, and fundamentally to spread knowledge of our Church's present need, and arouse new loyalty and zeal for the Diocese. With this aim ever before us the work has been planned. Six Conferences for the Officers of our forty-eight branches have been held by the Managers of the three Divisions; and two Conferences by our Supply Secretary for Parish Supply Officers. In this way our forces have, from time to time, been brought together to be informed, to face new tasks, and to act upon them.

The annual All-Day Meeting was held May 17th at St. Barnabas, Irvington, the attendance being 452 delegates from forty-three branches. We were entertained with generous hospitality, and the day is memorable for happy experiences. We were fortunate in having Dean Robbins preach at the morning service. At the afternoon session Deaconess Scott, of St. Hilda's School, Wuchang, spoke and Mrs. Ewing. The Summer Pledge, a girl's dormitory at the Hospital of the Good Shepherd, Arizona, was presented by Mrs. Thorne. The appeal met with a quick response, and \$1300. was pledged. The last speaker of the afternoon was Bishop Lloyd, who made the Memorial address to Sarah Conway Ramsaur, whose sudden death had deeply touched the hearts in Westchester. The plans for enlarging the hospital at Cape Mount, to be built in her memory, were presented by the Bishop. We have had seventeen large neighborhood meetings and a District Meeting held in November at Christ Church, Bronxville, to welcome Miss Cady, who filled our hearts with gladness as she pictured what our Summer Pledge had made possible,—the capacity of the Hospital doubled!

The work of our devoted Supply Secretary is a constant joy to us. The valuation of our allotments has increased over \$2600. from January, 1922, to January, 1923. Three chapels have taken allotments for the first time. Many all-day sewing meetings have been a factor in spreading interest and reaching new women. The Gold Cross membership is increasingly used; in one large parish it yielded \$500. and financed for the year the parish allotment. We have over-paid our 15% of the Diocesan Pledge which was suggested to Westchester as its Quota. This means that over and above the payment of the two District Pledges there has been an increase of over \$3000. given by our branches to Diocesan

District Reports.

Pledges. In addition, for Bishop Rowe's new "Pelican" \$400. was sent. For the Sarah Conway Ramsaur Memorial over \$600. was pledged. In response to an appeal from headquarters, the Missions House, twenty-one branches gave to the Near East Relief, and supported ten children for the year. Our Summer Pledge reached \$1500. United Thank Offering boxes have been placed for the first time in four chapels and we have added one new branch, the Chapel of the Redeemer, Lincoln Park, Yonkers. In addition to the three new sewing groups, 137 new members have enlisted.

Our District rejoices in reporting that from St. Barnabas, Irvington, a young woman has recently gone to the Mission field to serve as a nurse at Osaka, Japan. In the ranks of our Westchester committee four Division Managers have been added.

In this review of our work I have not been forgetful for one moment of the influence and work accomplished by my predecessor, who for so long was the Chairman for Westchester, and is now the President of the Diocesan Branch, and it is ever, in fullest recognition of the foundations laid by her, that I present this report.

JANET WARING.
Vice-President for Westchester.

United Thank Offering.

Although in this Diocese we did not succeed in doubling the offering of 1919, we did take to the Triennial in Portland \$55,592.73, nearly \$10,000 more than was taken to Detroit in 1919. One-tenth of the entire offering collected in all dioceses of the United States is set aside as a permanent trust fund, the income to be applied towards the support of retired Thank-Offering workers. \$15,000 of the 1922 offering will help build the Florence Greeley Memorial Dormitory for Girls at St. Paul's Normal and Industrial School, Lawrenceville, Va., and \$15,000 goes to assist in building the nurses' home at St. Luke's Hospital, Tokyo, Japan.

There are at present 171 women who are working in the mission field supported by our Thank-Offering, and there are 6 in training.

Surely every woman who knew of the offering gave, but for the Thank-Offering of 1925 we want to feel that every woman of every parish has had a share in it. With the splendid Thank-Offering treasurers we have in this diocese, I feel sure we are going at least to double the number of women givers.

EDITH MCK. MILLER.

Treasurer for U. T. O.

United Thank Offering of 1925.

RESOLVED: That to our united gifts shall be added our united and earnest prayers that God will put it into the hearts of many faithful women to give themselves or of their substance to the work of the Master in the Mission Field.

MISS CELESTE McJILTON, 359 Broome St.

The Junior Auxiliary and Church School Service League.

We are glad to report that there has been a growth, even though gradual, in the Church School Service League. Some new branches have been formed and several Church Schools and Junior Auxiliaries have adopted the plan of work proposed by the League, although not calling themselves Church School Service Leagues.

Two members of our executive board had the privilege of attending the meetings of the leaders of the League, from all over the country at the time of the General Convention at Portland. It was evident from the development of the League in over sixty dioceses that it is both a workable and successful plan. Upon our return from the Convention, Bishop Manning appointed Bishop Lloyd to supervise the organization of the League in this Diocese. We are very grateful indeed for this help. It seemed wise after consultation with Bishop Lloyd to omit the annual Cathedral meeting in November and our annual business meeting in January. We held, however, a successful district meeting at St. Luke's Church, Beacon, when over one hundred children were present, representing seven parishes. We held also a New York meeting in February at the Church of the Heavenly Rest, when the Diocesan part of our three-fold pledge was presented by the Rev. Dr. Sunderland. Two meetings for young men and women between the ages of sixteen and twenty-five were arranged. On March 11th the Rev. Dr. Gardiner told of the "Youth Movement" which is sweeping the world, with special emphasis on the development of Young People's Societies in the United States. An outcome of these two meetings is the formation of a Continuation Committee to plan for a week-end Conference in June, with delegates from every parish in the Diocese.

Our branches have contributed missionary boxes to the value of \$949.76, and money gifts totaling \$5,109.44.

VIOLETTA JACKSON,
President.
