DIOCESE OF NEWARK

NINETEEN HUNDRED AND EIGHTEEN

Prayers

Prayers Used by the Diocese of Newark

O Almighty and Eternal God, we humbly pray Thee to vouchsafe Thy blessing to this Auxiliary, that all its members being inspired with lively faith and love, may earnestly strive to promote the honor due to Thy dear Son, the spread of His Church and the gathering of wanderers into the fold. Give us grace to fulfill in our lives what we profess with our lips. Deliver us, O God, from false doctrine and slackness of living; and grant that persevering unto the end we may obtain everlasting life; through Jesus Christ our Lord. Amen.

Almighty God, by whose heavenly inspiration we think those things that are right, even as by Thy merciful guidance we perform the same; quicken in the hearts of Thy servants, the bishops and other pastors of Thy flock, and the people committed to their charge, such a sense of their duty to all who are ignorant, erring and uncared-for in this land as shall move them to sacrifice and service in their behalf, without stint and without delay. Make us to see that souls are perishing for lack of the knowledge of Jesus Christ and Him crucified; and since Thou hast entrusted to us the knowledge of Thy truth and the gifts of Thy bounty, help us to use them as good stewards, that so Thy Word may be proclaimed and Thy Kingdom enlarged, to the glory of Thy Name and the salvation of men; through Jesus Christ our Lord. Amen.

NOON-DAY PRAYERS

Blessed Saviour, who at this hour didst hang upon the cross, stretching forth Thy loving arms; grant that all mankind may look unto Thee and be saved through Thy mercies and merits, Who livest and reignest with the Father and the Holy Ghost, ever one God, world without end. Amen.

O Saviour of the world, Who by Thy Cross and precious Blood hast redeemed us, save us and help us, we humbly beseech Thee, O Lord. Amen.

BENEDICTION

God give grace to the quick, and to the dead, rest; and forgiveness to the Church, and to the country peace and concord, and to us sinners, life and endless glory. Amen.

Proposed Prayers for the Woman's Auxiliary to be Discussed at the Next Triennial Convention

THE WOMAN'S AUXILIARY PRAYER

Almighty God, Our Heavenly Father, bless, we pray Thee, our work for Thee, and make us so thankful for the precious gift to us of Thy Beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their God and Saviour. We ask this for His dear sake. Amen.

A PRAYER FOR THE UNITED OFFERING

O Lord, our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast prospered them. Accept, from thankful hearts, our United Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. Amen.

THE JUNIOR AUXILIARY PRAYER

O God, our Heavenly Father, we thank Thee for the gift of Thy dear Son. Grant that we who have received Him in our hearts may joyfully go forth with Him on many errands. Bless those who toil for Thee in far-off places; comfort them in their loneliness, and unite our work to theirs. Accept our gifts, receive our prayers, and use us for the sake of Thy Son, Jesus Christ, our Lord. Amen.

THE LITTLE HELPER'S PRAYER

God bless all the missionaries all over the world and all the Little Helpers, for Jesus' sake. Amen.

THE CHURCH PERIODICAL CLUB PRAYER

O Lord Jesus Christ, Who art the Light of the World, bless the Church Periodical Club in all its prayer and labor, and enable it to make the light of Thy glory shine forth among men. Raise up leaders where leadership now is lacking; increase the special work for chaplains and laymen in the Army and Navy; and so fill Thy people with Thy love that they may joyfully give themselves to personal service for others. Grant this for Thy blessed Name's sake. Amen.

THE AMERICAN CHURCH INSTITUTE PRAYER

O God, whose blessed Son was manifested that He might destroy the fruits of ignorance and sin, look down in compassion upon the weakness and illiteracy of the negroes of our land. Let Thy blessing rest upon the faith and labors of the officers of the American Church Institute for Negroes. Incline the hearts of Thy people to give liberally and may Thine abundant blessing rest upon its schools, for His Name's sake, Jesus Christ, our Lord. Amen.

THE CHURCH MISSION OF HELP PRAYER

*"See in Mary's arms reposing
Christ by highest heaven adored."*

O Almighty God, who hast given us Thy only begotten Son to take our nature upon Him and to be born of a pure virgin; we pray Thee look with mercy upon all young women; move the wills of Thy people to provide care and love, sympathy and protection, that, being made Thy children by adoption and grace, they may serve Thee with pure hearts and minds, rejoicing in Him whose birth we celebrate with joy and thanksgiving, Jesus Christ our Lord. Amen.

THE GIRLS' FRIENDLY SOCIETY PRAYER

O Lord, our Heavenly Father, we beseech Thee to bless us and all who belong to the Girls'

Friendly Society. May its members be sheltered and protected evermore by Thy Fatherly love; and to its Associates vouchsafe the help and guidance of Thy Holy Spirit. Help us all to bear one another's burdens, to live not for ourselves, but for others, as members of one family in Christ; wash us from our sins in His precious Blood; make us holy by the indwelling of Thy Holy Spirit, and bring us all at last to the joy of Thy Heavenly Kingdom; through Jesus Christ our Lord. Amen.

THE DIOCESE OF NEWARK ALTAR GUILD PRAYER

O God, Holy Ghost, Comforter of the afflicted, and Father of the poor; bless, we pray Thee, our Altar Guild; guide its work by Thy wisdom; illuminate its members by Thy Counsel; raise up holy priests to serve as chaplains, to the praise of the Divine Glory, to the sanctifying of many souls. Through the merits of Jesus Christ our Lord. Amen.

FOR USE IN ANY GUILD

O God, Who knowest that we are not sufficient of ourselves to think anything as of ourselves, but that all our sufficiency is of Thee, assist us with Thy grace in all our work for others, direct us in it by Thy wisdom, support us by Thy power, that doing our duty diligently we may bring it to a good end, so that it may be profitable to our own souls and tend to the greater glory of Thy Name, through Jesus Christ our Lord. Amen.

GROUP AND PERSONAL PRAYERS

O most merciful Father we confess before Thee, that we have done little to forward Thy Kingdom in this world and to advance Thy glory. We humble ourselves before Thee for our past neglect, and seek for mercy and forgiveness. Pardon our shortcomings. Give us greater zeal for Thy glory. Make us more ready and diligent, by our prayers, by our alms, and by our example to spread abroad the knowledge of Thy Truth, and to enlarge the boundaries of Thy Kingdom. May the love of Christ constrain us,

and may we do all to Thy glory ; through Jesus Christ our Lord and Saviour. Amen.

O God, Who art the Father of all, and Who alone makest men to be of one mind in a house, we beseech Thee, at this time of strife and unrest, to grant to us, by the inspiration of Thy Holy Spirit, a fuller realization of our brotherhood, man with man in Thee ; allay all anger and bitterness, and deepen in us a sense of truth and equity in our dealings one with another ; for the sake of Thy Son, our Lord Jesus Christ. Amen.

(Dr. Randall Davidson, Archbishop of Canterbury, A. D., 1911.)

O Almighty God, Whose servants throughout the world are helping Thee to build Jerusalem on earth, and Who hast entrusted to each one of us a special part in that work, give us grace to thank Thee for this hope of glory, by so training ourselves through faithful use of our opportunities in this life, that we may all our lives be fellow-workers with Thee in building the city of God, through Jesus Christ our Lord. Amen.

O Almighty God, when our vision fails and our understanding is darkened ; when the ways of life seem hard and the brightness of life is gone ; grant to us the wisdom that deepens faith, and enlarges trust. And whensoever Thy ways in nature or in the soul are hard to be understood, then may our quiet confidence, our patient trust, our loving faith in Thee be great, and as children knowing they are loved and cared for, may we with quiet mind at all times put our trust in Thee. So shall we face life without fear and death without faltering ; and whatsoever may await us in the life to come, give us confident hope that whatsoever is best for us both here and hereafter, is Thy good pleasure and will by Thy law, through Jesus Christ our Lord. Amen.

O God, Who are near us always, we would thank Thee for all the good gifts with which Thou hast filled our lives ; for blessings all about our path, for love that makes life beautiful, for all thoughts that uplift and gladden us, for disappointment and failure which humble us, for

pain and distress which teach us our need, but most of all for our hope in Thee, and the fulness of joy which Thy presence brings. Let us never doubt that having led us thus far Thou wilt lead us to the end, and that Thou hast in store for us that perfect gladness of which we see some glimpses here. We all wish to serve Thee; show to each of us how we shall do it best. Look upon all of us who kneel here this day, use us as Thou wilt. Let us have no lower aim, let none of us measure ourselves by others, nor by any narrow and common standard of good, but let our lives be beautiful on all sides and full of this desire to be perfect as Thou art perfect. We ask knowing how poor and weak we are, for the sake of Jesus Christ, our Lord. Amen.

Thou has given us so much, give one thing more, a grateful heart; for Christ's sake. Amen. (*George Herbert, A. D., 1593.*)

And now may the blessing of the Lord rest and remain upon all His people in every land, of every tongue. The Lord meet in mercy all that seek Him. The Lord comfort all that suffer and mourn. The Lord hasten His coming, and now give us and all His people peace by all means. Amen.

REPORTS

REPORT OF THE RECORDING SECRETARY

In accordance with the plan recommended by the Church throughout the country, that all organizations connected with the Church, close their fiscal year the 31st of December; this forty-third report of the Woman's Auxiliary of the Diocese of Newark, covers a period of nineteen months, from June, 1917, to December 31, 1918. Some parishes in their reports show two years payment of pledges and scholarships. It has been hard for all to become accustomed to the change this year and there may be differences between some parish reports and those of the Directors, but we hope the branches will understand and appreciate the difficulty. In this year of war conditions, the reports from Directors have been most satisfactory. Boxes sent to the various missionary districts have been well filled with new clothing, but the supply of second-hand clothing for schools and mission centers in the South, has been much less than heretofore owing to the demands from the war sufferers in Europe. As these mission schools depend upon the money obtained from the sale of this clothing, for part of the funds for carrying on their work, many of them have been seriously crippled and in some cases obliged to close for a time. With the coming year we hope for better conditions. Many parish branches have been engaged in Red Cross and other war work and report of such work, as far as known, is given under separate heading.

At the meeting in October, 1917, it was announced that no new work would be undertaken during the year, but that every effort would be exerted toward the completion of our pledges and other obligations. The report of the Treasurer at the meeting in May, 1918, showed that all pledges, including that for St. Agnes' School, Tokyo, had been met.

Among the speakers at our regular meetings, beside our Bishops, have been: Rev. Mr. Walkley, Rev. Dr. Patton, Dr. Kumm of Sedan United Missions, Miss Neel, representing the Industrial Schools of the South, Bishops Touret and Beecher from the western field, Rev. Francis White, Rev. Sidney Cressy from the Indian field, and Rev. Mr. Cassell of Liberia. There have been two anniversary meetings held since our last report; one at St. John's Church, Jersey City, in November, 1917, and the other at Trinity Cathedral in November, 1918. These meetings were well attended and the addresses most inspiring. Among the list of Officers and Directors for this coming year, have been added representatives from the various Allied Diocesan Organizations, and it is hoped in this way to co-operate. The Advent Call was generally observed throughout the Diocese, as shown in the report of the Educational Secretary, giving details and the after effect in many parishes. The Woman's Auxiliary, upon the recommendation of the Finance Committee, has undertaken this coming year to raise as a "special," \$2,000 to be known as the Emergency Missionary Fund.

At our first meeting in October, 1918, we carried out the plan of having the celebration of the Holy Communion at the noon hour instead of 9 o'clock as heretofore at our first meeting in the fall. While the attendance was larger than at the early hour, there are reasons why it is not as convenient; many of the officers and others who attend the meeting, find it impossible to get away promptly; therefore, the Executive Board have considered the advisability of having the service at 9:30, before the meeting in October, 1919, and make the hour for closing the meeting 12:30 on that day.

Respectfully submitted,

EMMA C. CLARK,
Recording Secretary.

THE ADVENT CALL

The Advent Call originated in the Woman's Auxiliary and was given by that body to all the women of the Church. It was a call to deeper prayer and fuller service in view of the pressing needs of a world at war, for the freedom of the world—and the first week in Advent found eighty of the eighty-seven dioceses and missionary districts organized for the Call, and something being done along that line in practically every diocese and missionary district. In our own diocese the work of spreading the Call was put under the War Commission because it was believed that the biggest thing that women could do was to put the power of prayer behind the fight for right. A large and representative committee of women was appointed; Bishop Stearly as head of the War Commission was chosen chairman. From the large committee an executive committee was formed with Mrs. J. W. McCulloch as chairman. To further the knowledge of the Call the Bishops sent a letter to the clergy to be read to their parishioners; this was to be followed by two letters planned and sent by the committee to the clergy and women responsible for carrying on the Call. In October and November a training class of about fifty members for district and parish leaders was conducted by Mrs. C. E. Hutchison. From this group district leaders went throughout the Diocese preparing messengers and intercessors. Some of the clergy gave hearty and helpful co-operation. Methods for carrying on the Call varied, but the most joyous reports have since come from the parishes which used the messenger plan. About eighty parishes enlisted in the movement. That the Advent Call filled a very real need was demonstrated by the fact that the sudden termination of the war, by the signing of the armistice not only failed to dampen the ardor of those interested in putting it through, but on the contrary acted as an impetus. It is rather early to speak of the results of the Advent Call, many of which will never be known, but already we have heard that in some parishes the messengers have formed themselves into a hospitality committee to work under the rector in finding and welcoming strangers and unattached visitors. In others, guilds nearly dead have sprung into life and action. In some parishes messengers and intercessors are creating a nucleus for prayer and study of the devotional side of life. With evidences of the working of the Holy Spirit, Bishop Stearly suggested that the Advent Call Committee hold over until May and present to the Diocese some suggestions for follow-up work, and with that aim in view the committee respectfully submits the proposed plans for your consideration:

1. Strengthening the Spiritual forces through Prayer, Bible reading, Communion, Church attendance.
2. Discussion Groups, Study Classes: Education to a more intelligent conception of the Church's life, mission and work.
3. Active Service: Support and extension of the Church's work in Missions, Social Service, etc.
4. The Children: Deeper sense of responsibility for training the children of To-day for the tasks of To-morrow.
5. The proposal is also made that one-day district conferences could be held. The morning being given to a general survey by good speakers of the relation between the parish and the questions of the day, and the afternoon to small group discussions of the problems of the individual parishes.

The above plans are offered merely as suggestions which may lead to the fuller service which is the necessary outcome of a deepened Prayer-life.

MINNIE V. C. SLOANE,
Educational Secretary

REPORT OF THE DIRECTOR OF THE COMFORT CLUB

MRS. CHARLES F. CLARK

We have reason to be encouraged this year with the interest shown in the Comfort Club. Four more parishes have appointed secretaries and sent in contributions. Total of contributions almost \$2,500 since last report. The garments contributed have been in most cases of very excellent quality; great deal of attention has been paid to particular needs of the box Directors, which has meant greater efficiency for the work.

It is interesting to find we have received nearly 700 pairs of stockings, 600 undergarments and nearly 1,000 pieces of household linens, besides blankets, children's dresses, blouses, knitted articles, etc.

While the work is going forward we are still a long way from a "Comfort Club" in every parish, which is our aim, and it is possible, as no parish is too large and none too small for this work. In smaller parishes it can take the place of box work as many feel unable to undertake the outfit of a family, though willing; they would welcome the Comfort Club. In larger parishes it can supplement the box work, thereby giving great help to the work at large, as it is distributed amongst all the Directors.

Owing to the advance in cost of clerical suits, it will be necessary to have more money to get the same number of suits, many have increased their cash contributions for this purpose.

DIOCESAN ACTIVITIES

THE CHURCH MISSION OF HELP OF THE DIOCESE OF NEWARK.—

The Church Mission of Help is a new organization and activity this year in this Diocese.

Its general function is to give Christian help to girls and young women, especially to friendless girls, to those more or less wayward, and to unmarried mothers. Such an effort is as truly missionary as it should be appealing to all Christian women.

The Church Mission of Help was organized by our Board of Social Service on the recommendation of the War Commission of the Diocese, the members of which recognized the crying need of such work. It is under the direction of a sub-committee of the Board of Social Service, consisting of several of the clergy and women of the Diocese. The chairman is the Rev. C. L. Gomph, vice-chairman, the Rev. Arthur Dumper, the recording secretary is Mrs. John Hawes, of Ridgewood, and the treasurer Mrs. John W. Howell, of 211 Ballantine Parkway, Newark.

The working secretary is Miss Amy O'Grady, a trained social worker, who devotes her entire time to befriending young women in danger or trouble, especially those of our own Church. Miss O'Grady has her office at the Diocesan Rooms, 49 Halsey Street. Her time is already so fully taken that a second trained worker is needed.

Most of the benevolent social agencies hereabouts are giving a hungry welcome to the work.

An interested committee is inquiring into the subject of Christian sex-education for the young, the need for this being imperatively and increasingly felt with increasing experience. Prevention of sin, and of the disgrace and destruction that come to innocent as well as to guilty, seems an even more useful effort than trying to repair faults

and disasters—necessary as such work is. Few of the girls so far found come from good homes; in fact, as their home conditions are understood, the desperate need for help and instruction by the Christian Church becomes increasingly plain.

Most of the girls are very young; some are younger mentally than physically. The forces arrayed against such girls are not only ignorance and unguided instinct: there are strong and evil forces in society, some of which prey upon them, while others, selfishly indifferent, have long tacitly agreed to simply "pass by on the other side." It seems high time that no Christian woman be longer found in the latter class.

Such girls, once down, even through no fault of their own have small chance of recovering themselves unless Christian hands are held out to them, and kept held out.

The work is not easy; it calls first of all for strong Christian faith and love—and here the "prayers" of Auxiliary women can be a great channel of power. The Church Prayer League Leaflet on the Advent Call made the Church Mission of Help a subject for intercession, and this Blue Book carries an especial prayer.

The committee is feeling its way step by step, welcomes suggestions and inquiries, and asks Auxiliary members who can give time to informing themselves, and to friendly "work," to come to any of the Tuesday morning meetings in the Diocesan Rooms at 10 o'clock.

Some garments, especially shoes, for girls, and some clothes for young babies will be welcome gifts, but yearly subscriptions of money are even more needed. Recent years have brought an unsettling revolution to the world of girls: with increased freedom has come vastly increased danger: all girls, but particularly those less well-placed, have need of the respectful, wide-awake, and consecrated interest of older women.

It is hoped that not one woman in the Auxiliary who has marked such signs as the immodest eccentricity of the clothes offered for the use of young women, the fashion of painted young faces, the perennially new dances of low origin that the mature so easily recognize as dangerous to purity even though to the young they seem simply amusing; it is hoped that not one woman who has ever loved a baby, or had a happy and protected girlhood herself, or a blessed Christian married-life; it is hoped that not one such Christian woman in this Diocese who hears of the Church Mission of Help will neglect to become associated with the organization, and to give it all the support she can, in the old Auxiliary way—by prayer, by work, and by giving.

Such support is vitally necessary for the work.

FREDERICA B. G. HOWELL,
Director for Diocesan Activities.
