## Foreword

No terms can be too extravagant with which to appraise the great work and service of the Woman's Auxiliary in the Diocese of Newark. The perusal of these pages will give some clear appreciation of it, but only to those who reflect will its full scope and quality become apparent.

Breadth of view, sincerity and depth of purpose, inclusive interest, skill in organization and planning, loyalty to agreed undertakings, untiring zeal for the great cause, self forgetting devotion to the divine Lord and Master,—such are the qualities which characterize this outstanding organization of the Church.

Through a long period of years the Woman's Auxiliary has had a continuous succession of gifted leaders and faithful members, representing almost all of the parishes and missions of the Diocese. No estimate can be made of the value of the work done by all these parish branches; but it is manifest that the enlarging horizons and increased activities in manifold forms of service which distinguish so many of our congregations are the fruit of fine seed sowing and careful cultivation on the part of wise and devoted women. Deep appreciation and thanks are due to the great company of workers who in the past have carried, and who in the present day continue to carry aloft the banner of the love of God for all His children, and our call to be the heralds of His salvation unto the ends of the earth. To all the members of the Auxiliary I send greetings in our Lord's Name. Let us make this a grand year of service, facing our tasks with undaunted courage and determination, because our hope and trust are in Him.

# Prayers

## *A Prayer for the Woman's Auxiliary*

**A**LMIGHTY GOD, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labour diligently and give liberally to make Him known to all nations as their God and Saviour. We ask this for His dear sake. *Amen.*

## *A Noonday Prayer for Missions*

**B**LESSED SAVIOUR, who at this hour didst hang upon the Cross, stretching forth Thy loving arms, grant that all mankind may look unto Thee and be saved, through Thy mercies and merits, who livest and reignest with the Father and the Holy Ghost ever one God, world without end. *Amen.*

## *A Prayer for the Missionaries from this Diocese*

**O** GOD, the strength of all those who put their trust in Thee; send Thy blessing upon Thy servants our missionaries who have gone out from this Diocese. Fill their hearts with a courage which never falters, a patience which never wearies, and a love which never fails. Give them the constant vision of Thy glorious Kingdom, and make them ever mindful of the promise of Thy dear Son; inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me. All which we ask through the same Jesus Christ our Lord. *Amen.*

## *A Prayer for the United Thank Offering*

**O** LORD, our Heavenly Father, we pray Thee to send forth more labourers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy Kingdom, through Jesus Christ our Lord. *Amen.*

## *Prayer for Religious Education*

**O** GOD, who hast sent Thy beloved Son, to be unto us the Way, the Truth and the Light, grant that we, looking unto Him, may set forward the teaching power of The Church, to the nurture of Thy children, the increase of Thy Kingdom, and the glory of Thy Son, Jesus Christ, our Lord. *Amen.*

## *Thanksgiving*

ALMIGHTY GOD, whose compassions fail not, and whose loving kindness reacheth unto the world's end; we give Thee humble thanks for all the great things Thou hast done and are going for the children of men, for the opening of heathen lands to the light of Thy truth, for making paths in the deep waters and highways in the desert, for knitting nation to nation in the bonds of fellowship, and for the planting of Thy Church in all the earth. O merciful Father, in whom the whole family is named, fill full our hearts with grateful love for this Thy kind goodness, granting us grace henceforth to serve Thee better and more perfectly to know Thee; through Jesus Christ our Lord. *Amen.*

## *Prayer For Social Service*

JESUS, OUR MASTER AND OUR FRIEND, who claimest our service through the needs of our neighbors, grant us to see Thy image in all our fellow creatures, that in serving mankind, we may minister to Thee, the Living Saviour of the world. *Amen.*

## Collect

### *For Use in Opening a Committee Meeting*

O GOD, forasmuch as without Thee we are not able to please Thee; Mercifully grant that thy Holy Spirit may in all things direct and rule our hearts; through Jesus Christ our Lord. *Amen.*

## President's Letter

Dear Friends:

I want, first of all to thank you for your patience and consideration during my months of illness.

The Woman's Auxiliary of the Diocese can report growth this year in members, work and good spirit. The monthly meetings at Trinity House, Newark, have been exceedingly well attended. The District Meetings were well attended and interesting. The delegates to the Convention who brought us back such stirring messages were listened to with much appreciation and invited to speak in many parishes afterwards. It is calculated that over one thousand women have heard the messages from the Triennial Meeting on "Family Life," "Interracial Relations," "International Relations," "Economic Conditions" and "Religious Thinking Today."

It is an inspiring challenge to the women of the Church to call them to the study of such themes. Every intelligent, fairminded woman ought to be anxious to discuss such questions as "How we can improve family life in our land?" "What is the Christian attitude towards Jews, Germans, Italians and Colored people?" "What should be America's attitude towards other nations?" "Can capital and labor ever get along together?" "Can fathers and sons think the same things about religion today?"

Two things I am especially anxious that we should plan for the coming three years. (1) To make a real attempt to plan for the younger women in our parishes. This involves thought and careful planning and a willingness to share on the part of the older members. (2) Can we not have more evening branches? There are a few flourishing ones made up of women who are in business, and we often forget how much they may feel they have little chance to help in the work of the Church.

How can we increase our membership? We must find ways to make the Church's work seem worthwhile to women and make them know what they are working for and whether it is needed. The Auxiliary offers work that is worthy of your best.

"And a certain lawyer stood up and tempted him saying, And who is my neighbor?" And the Master told the story of the Good Samaritan and ended—"Which one of these, think ye, was neighbor to him who fell among thieves?" "He that had mercy on him." Geography did not come into the question—only the man's need and the willing effort to meet it.

Faithfully yours,

LOUISE K. HUTCHISON.

# General Convention at Denver, 1931

## *Results of Discussions of Women's Groups*

The delegates of the Woman's Auxiliary, in Triennial Meeting, have come together with the realization that the world is sadly perplexed by problems that it knows not how to solve.

We know that the "fields are white to the harvest"; our urgent concern is how we may best prepare ourselves to share in the gathering of that harvest.

Our desire to fulfill the "Great Commission" may well be as keen as that of any other generation of Churchwomen but the difficulties to be met seem greater than ever before and far beyond our apparent resources to meet them.

It is because of the unusual nature of these problems that a special effort has been made through instruction and discussion groups to provide every delegate with such information as may lead to a better understanding of the whole task of the Church in relation to modern life.

As a result of the work done it is possible now to set forth what may confidently be regarded as a cross section of the thinking of the delegates to this meeting. And it is our prayerful hope that the conclusions at which we have arrived may form the basis upon which the women of the whole Church may build their own program of study and work.

The subjects that have been under discussion in these groups are: Family Life; Property and Economic Conditions; Interracial Contacts; International Relations; and Religious Thinking Today.

Each of these themes has a direct bearing upon the individual Christian life, and as well seeks to provide the individual with such knowledge and understanding of the subject as will best fit her for the fulfillment of her Christian mission to her family, to society, and to the world.

The beginnings here made are rich in promise. It is not too much to believe that the effect of them will be cumulative.

If the problems are great, so also is our faith great. If the world is dismayed and weighed down by its burdens and perplexities, we have God as our Guide and Helper. The world's material adversity is the Church's spiritual opportunity.

And however difficult it may be to find just what course to pursue as we face the unique challenge of our time, we take comfort in the knowledge that there is no service we can perform that is equal to a simple, direct witnessing to our faith in our Lord Jesus Christ; the acceptance of whose Lordship provides the only solution for the vexing problems and heavy tasks of men and of nations.

ANGELA CROSS,  
*Chairman.*

## Notes

The above is the preamble of the report of the Committee on Findings. We hope that the Parishes will plan to make a study of any or all of these subjects as "they have a direct bearing on individual Christian life."

Copies of this report giving the findings on each of these five subjects and also copies of the five addresses may be obtained from the Vice President in charge of Education, Mrs. J. G. Dolson, 722 Scotland Road, Orange.

Parish officers should procure and read "The Woman's Auxiliary in the Life of the Church" for help in organizing and carrying on their branches.

The Diocesan officers of the Auxiliary stand ready to assist branches in any way regarding the planning and carrying on of their work.

Some form of Church work should be found for every woman in our parishes.

It should be noted that the field of responsibility of the Woman's Auxiliary extends from the parish and community to the Diocese and the world at large.

## Objectives

The Newark Branch is Auxiliary to the National Council in all its Departments, and consequently is interested in every branch of the Church's work. Its objectives are:

- (1) To have every Parish or Mission connected with the Woman's Auxiliary.
- (2) To have every Parish in the Diocese working in the five fields of service: Parish, Community, Diocese, Nation and World.
- (3) To have some form of educational work in every Parish. Speakers, study or information.
- (4) To have Prayer for the work or workers in the Field a regular part of the life in every branch.
- (5) To have every Parish branch plan to include the younger women in the Church in its work.
- (6) It is hoped that the Auxiliary can do a great deal towards the completion of the Dormitory at Anvik, Alaska, which is the first object in the Advance Work Program of the Diocese.

## Suggestions to Parish Officers

Parish Officers should plan to attend all District Meetings and keep in close touch with Diocesan Officers.

Consult your own District Officers for information in all branches of your work.

Parish Presidents should see that all notices of Diocesan and District matters are distributed to the members, and that all changes in Parish Officers, with their addresses, are reported to the Diocesan Corresponding Secretary, Mrs. Guy Emery Shipler, 177 Main Street, Chatham.

Date all letters, give the name of your Parish Guild or Auxiliary, state which class in the Budget you have selected. Sign your name, adding married name and address, or, if unmarried, write (Miss) in parenthesis.

Simple but systematic accounts should be kept, and a financial statement rendered at each business meeting. Have bank books balanced once a month, all vouchers filed, and accounts audited once a year.

Keep your Rector informed of all payments that apply on your Parish Quota.

## Important Notices

1. Please notify the Corresponding Secretary, Mrs. Guy Emery Shipler, 177 Main Street, Chatham, N. J., using the slips provided in the back of this book, of the election of new officers of Parish branches. She should have the names of officers for the ensuing year not later than December 31st.

2. Each year the Diocese has entire responsibility for outfitting certain hospitals, schools and missions. Without the help of each parish this cannot be accomplished. Please let these needs be your first consideration.

3. Try to pay all pledges not later than December 15. Also send in your report by the same date to Mrs. Kenneth A. Southworth, 10 Vernon Place, East Orange.

4. The Interdenominational Day of Prayer for Missions will be February 12th; it is hoped that all our women will co-operate in its observance this year.

5. For information as to Summer Schools for Church workers, apply to Mrs. J. G. Dolson, 722 Scotland Road, Orange.

# Annual Reports

## Education

The work of the Educational Department has gone forward with gratifying results. Books have been distributed and Parish Lending Libraries have been enlarged or formed.

The Bible Class under the inspiring leadership of Mrs. William Hemans Smith met at Christ Church, East Orange. This year we studied the New Testament.

Classes held, 25; Subjects, 2; India and the Bible; Training Class, 1; Intensive Days, 4; Leaders, 15; Missionary Calendars sold, 175; Money for Scholarships, \$50.00; Gifts of Study Classes given to Advance Work Program, \$149.35.

The Spring Rally was held at St. James' Church, Upper Montclair. Short reports of Educational plans were made by Mrs. Ernest Pulsford, Mrs. Robert Trenbath, Mrs. Lloyd Robinson and Mrs. Reginald Williams. These reports were followed by an address on "Why We Have Missions" by the Rev. Arthur Sherman, Secretary for Missionary Education to the National Council.

Miss Margaret Marston, head of the Educational work of the Woman's Auxiliary, conducted four sessions of the Leaders' Training Class. Two others were led by Mrs. Hutchison and Mrs. Williams.

The year of the Triennial is always one of great interest to Auxiliary members. Your Delegates to the Convention have spoken at many District and Parish meetings in an endeavor to bring to such groups the magnitude of the work the Church has before it. In these days of economic depression and physical distress the Church, through its program—as laid down in Denver—is blazing a new trail.

In thinking over the year's work we have much for which to be thankful. We have splendid women who are willing and glad to help carry out the Educational program, members of Parishes who are eager to learn more of the Church's work, speakers on special subjects who bring a message from the Mission fields, and others who tell us of our Social Service activities.

Steadily the work goes on, and every year sees an "increase in knowledge" among the members of the Woman's Auxiliary.

Respectfully submitted,

LOUISE W. DOLSON,  
*1st Vice-President.*

## National Supply

During 1931 the National Supply Department has carried on splendidly all over the Diocese.

It has outfitted two hospitals—St. Andrew's, Wusih, China, and the Brent Hospital, Zamboanga, Philippine Islands; three Missions—St. Cyprian's Mission, New Berne, N. C., Quebrada Limon, Ponce, Porto Rico, and the Pine Ridge Mission, South Dakota; and four schools—the Hooker School, Mexico City, St. Elizabeth's School, Wakpala, S. D., The Oklolona Industrial School, Okolona, Miss., and St. Mary's-on-the-Mountain, Sewanee, Tenn.

These, with other smaller allotments, make the total value of the boxes sent to

15 Institutions .....	\$ 7,379.00
20 Personal boxes .....	3,343.00
27 Christmas gift boxes.....	138.00
Total value .....	\$ 10,860.00

One hundred and one Parishes have participated in this work, two of whom are helping for the first time.

Thirty-eight branches of the Girls' Friendly Society also contributed to this total.

There have been a larger number of changes among the nine District Supply Secretaries than usual during the year, and we sorely miss those who have gone from the work, but the new officers have taken up their duties in a splendid spirit, and the work goes forward.

Respectfully submitted,

ROSALINE B. TOWAR,  
*2nd Vice-President.*

## Social Service

During 1931 the number of Parishes reporting Social Service activities has increased. Fifty-one Parishes have reported. The District of Montclair leads with one hundred per cent reporting Social Service work of some kind and the District of Hackensack is a very close second. Every District has one or more Parishes doing and reporting some kind of Social Service work. The work accomplished has included the giving of Thanksgiving and Christmas baskets and dinners to those in need, the care of aged women, families in need, paying for a patient in St. Luke's Hospital, money to local institutions and agencies, money and surgical dressings to local hospitals, money to visiting nurse for her work. Several Parishes reported that their Social Service work was done through the giving of money to their local organizations whenever called upon to do so.

There were twenty-five summer picnics with 1,067 children and grown-ups taken care of for a day. Two of the nurseries in Newark were added to our list of organizations from whom we get our children for these outings. We also helped with buses for the recreation of the children from Christ Church in Newark.

Our new work this year was done by the women of St. Peter's in Essex Fells; St. James', Upper Montclair, and Christ Church, Short Hills. They gave a hundred dollars to the Social Service Bureau of Newark for the care at camps for four needy children. The Department has given \$125.00 to the Social Service Bureau this year for this work. Nine children have been helped thereby.

One hundred and twenty-seven Christmas stockings were filled for the Organized Aid in Jersey City. Two hundred and forty-six Christmas stockings were filled and given by the women of the District of Montclair for the Parental Home for boys and other needy ones in the District of Montclair.

In answer to the request from the Verona Sanatorium, eighteen women from the Montclair District volunteered and have given helpful service to the Verona Sanatorium.

Through the help of some members of our department about a hundred and fifty dollars have been given to The Church Mission or Help.

Respectfully submitted,

ALICE BREVOORT WHITTINGHAM,  
*3rd Vice-President.*

## Recording Secretary

The minutes of the seven meetings recorded from January, 1931, to January, 1932, speak forcefully for the "good and faithful" works of the Auxiliary during the past year.

So quietly and methodically have the many varied activities been carried to fruition through the Educational, Social Service and the two Supply Departments, Church Periodical Club, United Thank Offering and many other institutions and agencies, that it is difficult to realize how the great need has been so abundantly supplied.

We were most fortunate in having five delegates represent our Diocese at the Triennial at Denver—Mrs. Wilson R. Stearly, Mrs. Guy Emery Shipler, Mrs. J. Griswold Dolson, Miss Charlotte Sawyer, Miss Alice B. Whittingham.

Since their return they have been speaking in the Diocese about the five subjects discussed in the Woman's Auxiliary meetings at Denver.

We had the following speakers during the year—

January—Miss Frances Arnold; The Rev. Donald MacAdie; Bishop Stearly. February—Miss Elizabeth A. Nedwell, Cuba, and The Rev. J. R. Chapman, Alaska. March—Mrs. G. W. Bond, Jr.; The Rt. Rev. Arthur W. Moulton, D.D., Bishop of Utah. April—The Rt. Rev. A. A. Gilman, Bishop of Hankow, China. May—Anniversary—Memorial meeting with Miss Grace Lindley and our own dear Bishop Stearly. October—Delegates to the Triennial. November—Miss Constance Crawford; Dr. Guy Emery Shipler, and The Rt. Rev. William Thomas, Bishop of Southern Brazil. December—Our Quiet Day.

So that the inspiration of these meetings might not be entirely lost to those who could not attend, a resumé has been sent to the parishes each month.

We feel that much has been accomplished during the year.

Respectfully submitted,

ESTELLE H. CRAIG,  
*Recording Secretary.*

## Corresponding Secretary

For the year ending December 31, 1931, 2,600 notices of monthly meetings have been sent out to parish Auxiliary Presidents and to Rectors. Besides these, special notices have been sent and notes written. Registrations made at each monthly meeting show an attendance of 1,328 for the year.

Respectfully submitted,

REBEKAH S. SHIPLER,  
*Corresponding Secretary.*

## Diocesan Supply Department

Established in the Diocese of Newark are a number of institutions and agencies for the carrying forward of the Church's work—fulfilling its obligations to the people of our Diocese. It is the privilege of this department to act in the capacity of a Supply and Emergency Service for these Diocesan Responsibilities.

All regular needs are allotted to the districts, and emergency calls are cared for from the funds in the hands of the Treasurer. All of which shows that without such splendid and generous cooperation nothing at all could be accomplished, and our various Church responsibilities would of necessity be sadly neglected.

This year the usual linens, clothing and miscellaneous articles have reached their designated destinations; and the dues and donations have gone from parishes to the Treasurer as directed. The districts have in most instances filled their quotas, two far exceeding theirs, which made up for the deficit in others. The total value of the articles and labor in making amounts to \$3,000; and over \$1,500 was sent through to our Treasurer. This report represents 96 parishes. Unquestionably much is sent which is not reported through this department—both of miscellaneous articles and money. Each of the districts aided 6 or 7 of the institutions and agencies designated.

The funds in the Treasurer's hands were disbursed as follows:—

To Bishop, for special cases.....	\$ 450.00
City Mission work .....	100.00
Western Counties Mission, mortgage .....	100.00
Canon Leslie, Foreign Group work.....	200.00
Church Mission of Help, garments, etc.....	205.00
St. Katherine's Home, painting job.....	100.00
House of Holy Comforter, painting job, bedding.....	90.00
St. Barnabas Hosp.—Convalescent Home.....	175.00
Christ Hosp.—Convalescent Home .....	100.00
Materials and miscellaneous items.....	100.00
	\$1,620.00

The following information will enlighten the districts as to their standing:—

	Parishes working	Value of work	Money to Treasurer	Money sent direct to agency	Total accom- plished

## Reports of District Directors

### District of Englewood

This District of Englewood is made up of eighteen parishes and missions, fourteen of whose guilds and missions have some share in the work of the Church outside of their own parishes, through the Budget, the National Supply Department, which assists the general missions, and the Diocesan Supply Department that aids the institutions within our Diocese of Newark. The United Thank Offering is a popular form of giving in most of the parishes.

In two parishes Quiet Days have been held, while two other guilds have had the intellectual and spiritual stimulus of mission study discussion groups. Others are planning to follow their example. Two others have Bible classes and one a personal religion class. The two district meetings give a chance for the clergy and guild members to have a first hand contact with some of the missionaries one reads about in the *Spirit of Missions*. More people are taking advantage of the inspiration of hearing them speak at the monthly diocesan meeting held in Trinity Parish House, Newark, the first Wednesday of each month at ten o'clock. The district officers gave the skit, *Tools*, three times in the interest of the Advance Work Program.

Our Social Service work includes three picnics given for the children from the Organized Aid in Jersey City, and Christmas stockings filled for the same society.

Five parishes have *Spirit of Missions* secretaries and we hope that this work will grow. In one church, all the Sunday School teachers receive this magazine regularly, and many people are passing on their copies to other people.

Respectfully submitted,

ELVIRA L. VAN BUREN,  
*Director.*

### District of Hackensack

The District of Hackensack is comprised of nineteen parishes and missions. The number of Guilds participating in the Auxiliary work is increasing each year.

EDUCATIONAL DEPARTMENT—Increased interest in this department is shown by a larger number of subscribers to the *Spirit of Missions* and the sale of more calendars. In many instances study groups have been formed and carried to a successful conclusion. One Guild holding weekly meetings, devotes one meeting each month to a program, at which a speaker informs the members on mission and Auxiliary work. Each year a delegate is sent to the Summer school.

SUPPLY DEPARTMENT—Eighteen Guilds have taken an active part in the work of this department, and have responded generously to requests for used clothing, and for personal boxes.

SOCIAL SERVICE—In 1931, eight picnics were given for the children from Jersey City, and all but two parishes took the Christmas stockings to fill. In 1930, the district had a 100% record for these stockings. Many Guilds do sewing for local institutions. Generous support is given to the Church Mission of Help, as well as to the poor and needy.

DIOCESAN SUPPLY—Requests from this Department are met promptly by most of the Guilds.

U. T. O.—The number of women taking an active part in this Offering is increasing each year, and the little Blue Boxes are distributed in every parish. The sums presented the past two years have been very substantial.

Hackensack District has an active secretary for each of the departments of the Auxiliary work. The spring and fall meetings are well attended. The clergy of more than half the parishes attended the meeting in the fall of 1931.

Respectfully submitted,

M. LUCILLE KARCH,  
*Director.*

## District of Jersey City

The Jersey City District comprises eighteen parishes and three Missions. Seventeen Auxiliaries and twenty-three other organizations of women have done our work.

Two District meetings were held in 1931, one at Grace Church, Union City, and one at Trinity Church, Hoboken. The executive board of the District has had two meetings.

EDUCATIONAL DEPARTMENT—Ten parishes bought calendars, eighteen had speakers, and fifteen bought study books on India. There was one District and one parish study class. Two parishes presented Missionary sketches.

SPIRIT OF MISSIONS—There were 330 copies of this magazine sold, and ninety-five subscriptions taken.

SOCIAL SERVICE DEPARTMENT—The entire District cooperated in helping the needy of our parishes, filled Christmas stockings, and assisted local welfare agencies.

NATIONAL SUPPLY DEPARTMENT—All parishes responded generously in filling our quota.

DIOCESAN SUPPLY DEPARTMENT (Comfort Club)—Nineteen parishes contributed supplies and money for Diocesan institutions. Three parishes made 176,892 surgical dressings.

UNITED THANK OFFERING—Twenty parishes have custodians, many booklets have been distributed, and the number of contributors is increasing.

CHURCH PERIODICAL CLUB—We have an active Secretary and the work is progressing satisfactorily.

One Quiet Day and one Day of Prayer were held in the District.

Miss Louisa Elliot, who was serving her second term as Director, was obliged to resign January 1, 1931, because of ill health. Her resignation was accepted with the deep regret of the District. Anything that has been accomplished during the past three years has been due to her untiring and unselfish devotion, and we will long miss the inspiration of her leadership.

Respectfully submitted,

LILIAN R. GREER,  
*Director.*

## District of Montclair

Seven churches and six Missions constitute the District of Montclair, all of which have been active during the past year.

Two District meetings were held and the monthly executive board meetings.

The spiritual value of the District is revealed by the celebration of fifty-five corporate communions for parishes and two for the District. And also by prayer groups, study classes, discussion groups, educational programs, and subscribing to the prayer leaflet and *Spirit of Missions*.

The National Supply Work is valued at \$1,868.50; the Diocesan Supply Work at \$766.67, and the United Thank Offering at \$1,806.09, all parishes and Missions having their share.

Our Social Service Secretary had a 100% return from the Auxiliaries in supplying stockings filled with gifts during the holiday season and picnics were held during the summer months.

The Missions are particularly interested in the work of the church and are growing steadily.

Respectfully submitted,

AMALIA L. DEVAUSNEY,  
*Director.*

## District of Morristown

The District of Morristown has eleven parishes which do Auxiliary work. In these eleven parishes, thirteen organizations are contributing to the Supply Allotment and one of these is contributing to the Diocesan Budget.

The District has a Director for each department of the work.

Some form of Educational work has been carried on in each parish, either study classes, intensive days, reading groups or speakers.

A delegate was sent to the Wellesley conference, and she since has been training to become a leader.

The Supply allotment for St. Elizabeth's School, Wakpala, was completed and that for St. Andrew's Hospital in China was partially filled.

The work under the Social Service Director has taken various forms—picnics, filling Christmas stockings, sewing and mending for local institutions and caring for the needy in the various parishes.

The United Thank Offering is gradually growing both in the number of contributors and the amount contributed.

The Church Periodical Club is doing wonderful work under its director who puts her heart and herself into it, and is always ready with suggestions.

The Diocesan Supply Department filled its allotment with a total valuation of \$512.33.

Our newest officer, the Director for the Spirit of Missions, reports a secretary for this work in each parish with a result of forty-two new subscribers last year.

We held two district meetings which were well attended and had one large Church Loyalty meeting.

Respectfully submitted,

FLORENCE W. HARMON,  
*District Director.*

## District of Newark

The number of parishes comprising the Newark District, are fifteen in Newark proper, and one each in Nutley, Irvington, Arlington, Harrison and Belleville. In seventeen of these parishes, we have a Woman's Auxiliary; in nineteen, a United Thank Offering Custodian, and the majority have some educational program. Only eight parishes have a Secretary for the *Spirit of Missions*.

Our spring and fall meetings have been well attended, the speaker each time coming from the mission field.

We have sent personal and gift boxes from nearly all parishes, and our allotments from the National Supply Department have been filled.

Picnics and other forms of recreation for under-privileged children constitute our Social Service work.

Supplying the needs of Diocesan Institutions has been well worthwhile, our work for the year being valued at \$508.64.

The educational work has progressed. We have had study classes and Bible readings with speakers in a number of the parishes. It is reported that the coming year will see greater activity.

Each of my District Secretaries has had her part in the above report, and each one deserves the thanks hereby given to her.

Respectfully submitted,

MARY B. SAWYER,  
*Director.*

## District of Newton

This District composed of ten parishes and Missions, is the rural District of the Diocese. Two District meetings are held each year and there has been a large increase in attendance at these meetings. Spiritual growth is shown in the added number of Corporate Communion.

We have an educational program in the District with an Intensive Day. The Missionary calendars have been sold and found most helpful in the work.

Mrs. Marshall Wilson, Supply Secretary, reports that with few exceptions the parishes and Missions have taken part in the work of the Supply Department.

There has been an ever growing interest in the United Thank Offering. The District has lost one of its oldest Auxiliary members, one deeply interested in the United Thank Offering, in the death of Miss Ellen Cummins of St. James' parish, Delaware.

Respectfully submitted,

RUTH T. YOUNG,  
*Director.*

## District of Orange

The work of the Orange District is evidenced by the splendid reports at the spring meeting held at St. Andrew's Church, and enthused to further effort at the meeting in October at the Church of the Holy Communion by the delegates with their message from General Convention.

Much praise and credit is due the several chairmen who have presented the work to their departments in so enlightening a way as to bring forth good results. They are still earnestly striving to awaken in the hearts and minds of every woman the realization that she may in truth be an Auxiliary to the National Council.

We have been glad to welcome three new rectors, each of whom wants his parish more thoroughly represented in the Auxiliary work.

Last year quite an increase was made in the number of subscribers to the *Spirit of Missions*.

All parishes had some educational program. Every call from the National Supply and Diocesan Supply departments was answered cheerfully and efficiently. Social Service is being stressed in every parish.

We rejoiced over our large contribution to the United Thank Offering. This, however, is only indicative of our possible strength.

As each individual visions her share in the work of the Woman's Auxiliary, so the District will become more alive to the demands of the day and be ready to respond to our leaders who are trying to carry out the will of the Leader of us all.

Respectfully submitted,

ELIZABETH H. PITMAN,  
*Director.*

## District of Paterson

The District of Paterson can report no special gains or achievements for the year except that there is a growing sense of relationship with the Diocese within the more active parishes. It seems almost peculiarly true of this district that each parish is so definitely a social, economic or geographic unit (sometimes all three) that there is lacking the stimulus of friendly rivalry.

While there are six parishes in the city of Paterson, for instance, one is a Mission, three have been greatly affected by the removal of parishioners to the suburbs and by other elements of changing population and only one really strong parish is able to make a conscious effort to maintain Auxiliary standards.

Rearranged according to Auxiliary standards the twenty-three parishes of Paterson District resolve into thirteen active parishes, five doing some Auxiliary work, two almost necessarily self centered, three Missions and four parishes where for one reason or another the Auxiliary program has not as yet been supported.

So that the year's report of district meetings—fine in spirit and attendance; the Diocesan U. T. O. presentation service at St. Paul's, Paterson, last May; \$549.93 in garments; \$102.97 in money for the Comfort Club; about \$450 in value in work for Supply Department; generous social service programs; support of Auxiliary budget and five Bible study classes must be fairly credited to thirteen parishes and not scattered over 23. And lack of Auxiliary Program is no discredit to the other ten. The District Secretaries have been faithful and their cooperation earnestly offered. The increasing consciousness of the Auxiliary in the thirteen active parishes is a tribute to the earnest endeavors of the District Secretaries.

Respectfully submitted,

FLORENCE K. WANDLESS,

*Director.*
